Executive Director  
Florida Elections Commission

Please refer to the information below for further instructions related to your particular hearing:

If this is a hearing to consider **an appeal from an automatic fine**, the Filing Officer has imposed a fine on you for your failure to file a campaign treasurer's report on the designated due date and, by filing an appeal, you have asked the Commission to consider either (1) that the report was in fact timely filed; or (2) that there were unusual circumstances that excused the failure to file the report timely. You are required to prove your case. If the Commission finds that the report was filed timely or that there were unusual circumstances that excused the failure, it may waive the fine, in whole or in part. The Commission may reduce a fine after considering the factors in Section 106.265, Florida Statutes. If the Commission finds that the report was not timely filed and there were no unusual circumstances, the fine will be upheld.

If this is a hearing to consider a **consent order before a determination of probable cause has been made**, the Commission will decide whether to accept or reject the consent order. If the Commission accepts the consent order, the case will be closed and become public. If the Commission rejects the consent order or does not make a decision to accept or deny the consent order, the case will remain confidential, unless confidentiality has been waived.

If this is a hearing to consider a **consent order after a determination of probable cause has been made**, the Commission will decide whether to accept or reject the consent order. If the Commission accepts the consent order, the case will be closed. If the Commission rejects the consent order or does not make a decision to accept or deny the consent order, the Respondent will be entitled to another hearing to determine if the Respondent committed the violation(s) alleged.

If this is a **probable cause hearing**, the Commission will decide if there is probable cause to believe that the Respondent committed a violation of Florida's election laws. Respondent should be prepared to explain how the staff in its recommendation incorrectly applied the law to the facts of the case. *Respondent may not testify, call others to testify, or introduce any documentary or other evidence at the probable cause hearing.* The Commission will only decide whether Respondent should be *charged* with a violation and, before the Commission determines whether a violation has occurred or a fine should be imposed, Respondent will have an opportunity for another hearing at which evidence may be introduced.

If this is an **informal hearing**, it will be conducted pursuant Sections 120.569 and 120.57(2), Florida Statutes; Chapter 28 and Commission Rule 2B-1.004, Florida Administrative Code. At the hearing, the Commission will decide whether the Respondent committed the violation(s) charged in the Order of Probable Cause. The Respondent will be permitted to testify. However, the Respondent may not call witnesses to testify.

Respondent may argue why the established facts in the Staff Recommendation do not support the violations charged in the Order of Probable Cause. At Respondent's request, the Commission may determine whether Respondent's actions in the case were willful. The Respondent may also address the appropriateness of the recommended fine. If Respondent claims that his limited resources make him unable to pay the statutory fine, *he must provide the Commission with written proof of his financial resources* at the hearing. A financial affidavit form is available from the Commission Clerk.

**THIS MATTER** was heard by the Florida Elections Commission (Commission) at its regularly scheduled meeting on August 16, 2022, in Tallahassee, Florida.

On April 13, 2022, Staff recommended to the Commission that there was probable cause to believe that the Florida Election Code was violated. **NOTICE OF RIGHT TO A HEARING**

As the Respondent, you may elect to resolve this case in several ways. First, you may elect to resolve this case by consent order where you and Commission staff agree to resolve the violation(s) and agree to the amount of the fine. The consent order is then presented to the Commission for its approval. To discuss a consent order, contact the FEC attorney identified in the Order of Probable Cause.

Second, you may request an informal hearing held before the Commission, if you do not dispute any material fact in the Staff Recommendation. You have 30 days from the date the Order of Probable Cause is filed with the Commission to request such a hearing. The date this order was filed appears in the upper right-hand corner of the first page of the order. At the hearing, you will have the right to make written or oral arguments to the Commission concerning the legal issues related to the violation(s) and the potential fine. At the request of Respondent, the Commission will consider and determine willfulness at an informal hearing. Otherwise, live witness testimony is unnecessary.

Third, you may request a formal hearing held before an administrative law judge in the Division of Administrative Hearings (DOAH), if you dispute any material fact in the Staff Recommendation. You have 30 days from the date the Order of Probable Cause is filed with the Commission to request such a hearing. The date this order was filed appears in the upper right-hand corner of the first page of the order. At the hearing, you will have the right to present evidence

relevant to the violation(s) listed in this order, to cross-examine opposing witnesses, to impeach any witness, and to rebut the evidence presented against you.

If you do not elect to resolve the case by consent order or request a formal hearing at the DOAH or an informal hearing before the Commission within 30 days of the date this Order of Probable Cause is filed with the Commission, the case will be sent to the Commission for a formal or informal hearing, depending on whether the facts are in dispute. The date this order was filed appears in the upper right-hand corner of the first page of the order.

To request a hearing, please send a written request to the Commission Clerk, Donna Ann Malphurs. The address of the Commission Clerk is 107 W. ***Tim Vaccaro***

Florida Elections Commission  
April 28, 2022

Please refer to the information below for further instructions related to your particular hearing:

If this is a hearing to consider **an appeal from an automatic fine**, the Filing Officer has imposed a fine on you for your failure to file a campaign treasurer's report on the designated due date and, by filing an appeal, you have asked the Commission to consider either (1) that the report was in fact timely filed; or (2) that there were unusual circumstances that excused the failure to file the report timely. You are required to prove your case. If the Commission finds that the report was filed timely or that there were unusual circumstances that excused the failure, it may waive the fine, in whole or in part. The Commission may reduce a fine after considering the factors in Section 106.265, Florida Statutes. If the Commission finds that the report was not timely filed and there were no unusual circumstances, the fine will be upheld.

If this is a hearing to consider a **consent order before a determination of probable cause has been made**, the Commission will decide whether to accept or reject the consent order. If the Commission accepts the consent order, the case will be closed and become public. If the Commission rejects the consent order or does not make a decision to accept or deny the consent order, the case will remain confidential, unless confidentiality has been waived.

If this is a hearing to consider a **consent order after a determination of probable cause has been made**, the Commission will decide whether to accept or reject the consent order. If the Commission accepts the consent order, the case will be closed. If the Commission rejects the consent order or does not make a decision to accept or deny the consent order, the Respondent will be entitled to another hearing to determine if the Respondent committed the violation(s) alleged.

If this is a **probable cause hearing**, the Commission will decide if there is probable cause to believe that the Respondent committed a violation of Florida's election laws. Respondent should be prepared to explain how the staff in its recommendation incorrectly applied the law to the facts of the case. *Respondent may not testify, call others to testify, or introduce any documentary or other evidence at the probable cause hearing.* The Commission will only decide whether Respondent should be *charged* with a violation and, before the Commission determines whether a violation has occurred or a fine should be imposed, Respondent will have an opportunity for another hearing at which evidence may be introduced.

If this is an **informal hearing**, it will be conducted pursuant Sections 120.569 and 120.57(2), Florida Statutes; Chapter 28 and Commission Rule 2B-1.004, Florida Administrative Code. At the hearing, the Commission will decide whether the Respondent committed the violation(s) charged in the Order of Probable Cause. The Respondent will be permitted to testify. However, the Respondent may not call witnesses to testify.

Respondent may argue why the established facts in the Staff Recommendation do not support the violations charged in the Order of Probable Cause. At Respondent's request, the Commission may determine whether Respondent's actions in the case were willful. The Respondent may also address the appropriateness of the recommended fine. If Respondent claims that his limited resources make him unable to pay the statutory fine, *he must provide the Commission with written proof of his financial resources* at the hearing. A financial affidavit form is available from the Commission Clerk.

**Case No.: FEC 18-402**

**STAFF RECOMMENDATION FOLLOWING INVESTIGATION**

Pursuant to Section 106.25(4)(c), Florida Statutes, undersigned staff counsel files this written recommendation for disposition of the complaint in this case recommending that there is **probable cause** to charge Respondent with violating **Sections 106.07(1)**, and **106.19(1)(c)**, **Florida Statutes**. Based upon a thorough review of the Report of Investigation submitted on October 28, 2021, the following facts and law support this staff recommendation:

1. On November 5, 2018, the Florida Elections Commission (“Commission”) received a sworn complaint from Tom Powers (“Complainant”), alleging that Omar Smith (“Respondent”) violated Chapter 106, Florida Statutes.

2. Respondent was the Treasurer and Registered Agent for A Better Florida For All, a political committee formerly registered with the Division of Elections (“Division”). (ROI Exhibit 1)<sup>1</sup> On October 24, 2018, the Division cancelled A Better Florida For All’s registration as a political committee. (ROI Exhibit 2, page 3)

3. By letter dated April 1, 2019, the Executive Director notified Respondent that Commission staff would investigate the following statutory provisions:

**Section 106.07(1), Florida Statutes:** Respondent, treasurer for A Better Florida for All, a political committee formerly registered with the Division of Elections, may have failed to timely file one or more campaign treasurer reports that included all expenditures made by the committee, as alleged in the complaint.

**Section 106.19(1)(c), Florida Statutes:** Respondent, treasurer for A Better Florida for All, a political committee formerly registered with the Division of Elections, may have falsely reported or deliberately failed to include information in one or more campaign reports required by Chapter 106, Florida Statutes, as alleged in the complaint.

---

<sup>1</sup> The Report of Investigation is referred to herein as “ROI.”

## Political Advertisement Analysis

4. Complainant alleged that Respondent violated Florida's election laws when he published a political advertisement that was coordinated with Andrew Gillum's 2018 campaign and failed to file a report and deliberately failed to include information required by Chapter 106, Florida Statutes.

5. The advertisement at issue is a double-sided flyer called "Broward County Voter's Guide" which looks like a sample ballot and encourages the reader to vote for specific candidates. The political advertisement at issue shows pictures of multiple candidates including Andrew Gillum. (ROI Exhibit 4) The flyer meets the definition of a "political advertisement" as it expressly advocates for the election of a candidate. §106.011(15), Fla. Stat. The ad contains the following disclaimer: "Paid for and authorized by A Better Florida For All."

6. Complainant alleged that the ad is not an independent expenditure as there was coordination between Respondent and Andrew Gillum's campaign. Complainant alleged that volunteers for Andrew Gillum were distributing the flyers outside of a Broward County early voting location, which is where he obtained the flyer, and that Respondent, former treasurer for A Better Florida For All, is an Andrew Gillum campaign staffer. *See Compl.*

7. Complainant provided a picture of a woman wearing an Andrew Gillum shirt handing out a flyer, but it does not appear to be the flyer at issue. (ROI Exhibit 5) Complainant also provided a printout showing that the Florida Democratic Party paid Respondent \$4,500 and a screen shot of a video that says "Omar Smith, Gillum Campaign Staffer . . ." (ROI Exhibits 6 & 7)

8. The Florida Democratic Party's 2018 P7 Report shows an expenditure to Respondent in the amount of \$4,500 on July 27, 2018. The purpose of the expenditure was for "GOTV SUPPORT/GOV18/GILLIUM/N." (ROI Exhibit 6, page 2) Commission staff attempted to contact the Florida Democratic Party to discuss the purpose of the expenditure, but the Party failed to respond. (ROI Exhibit 3, pages 4-6)

9. Commission staff attempted to determine which vendor printed the advertisement at issue to determine the cost but was unable to do so. (ROI Exhibit 3, pages 3-6) Commission staff attempted to contact Scott Arceneaux, staffer with Andrew Gillum's 2018 campaign to discuss Respondent's employment, but Mr. Arceneaux failed to respond. (ROI Exhibit 3, page 5)

10. "Independent expenditure" is a defined term under the Florida Election Code. Pursuant to Section 106.011(12)(a), Florida Statutes,

"Independent expenditure" means an expenditure by a person for the purpose of expressly advocating the election or defeat of a candidate or the approval or rejection of an issue, which expenditure is not controlled by, coordinated with, or made upon consultation with, any candidate, political committee, or agent of such candidate or committee. An expenditure for such purpose by a person having a

contract with the candidate, political committee, or agent of such candidate or committee in a given election period is not an independent expenditure.

11. Additionally, the Florida Election Code specifically lists expenditures which are not considered independent expenditures. These include expenditures in which a committee or person:

1. Communicates with the candidate, the candidate's campaign, or an agent of the candidate acting on behalf of the candidate, including a pollster, media consultant, advertising agency, vendor, advisor, or staff member, concerning the preparation of, use of, or payment for, the specific expenditure or advertising campaign at issue;
2. Makes a payment in cooperation, consultation, or concert with, at the request or suggestion of, or pursuant to a general or particular understanding with the candidate, the candidate's campaign, a political committee supporting the candidate, or an agent of the candidate relating to the specific expenditure or advertising campaign at issue;
3. Makes a payment for the dissemination, distribution, or republication, in whole or in part, of a broadcast or a written, graphic, or other form of campaign material prepared by the candidate, the candidate's campaign, or an agent of the candidate, including a pollster, media consultant, advertising agency, vendor, advisor, or staff member;
4. Makes a payment based on information about the candidate's plans, projects, or needs communicated to a member of the committee or person by the candidate or an agent of the candidate, provided the committee or person uses the information in any way, in whole or in part, either directly or indirectly, to design, prepare, or pay for the specific expenditure or advertising campaign at issue;
5. After the last day of the qualifying period prescribed for the candidate, consults about the candidate's plans, projects, or needs in connection with the candidate's pursuit of election to office and the information is used in any way to plan, create, design, or prepare an independent expenditure or advertising campaign, with:
  - a. An officer, director, employee, or agent of a national, state, or county executive committee of a political party or an affiliated party committee that has made or intends to make expenditures in connection with or contributions to the candidate; or
  - b. A person whose professional services have been retained by a national, state, or county executive committee of a political party or an affiliated party committee that has made or intends to make expenditures in connection with or contributions to the candidate;
6. After the last day of the qualifying period prescribed for the candidate, retains the professional services of a person also

providing those services to the candidate in connection with the candidate's pursuit of election to office; or

7. Arranges, coordinates, or directs the expenditure, in any way, with the candidate or an agent of the candidate.

12. Respondent was appointed as Treasurer and Registered Agent for A Better Florida For All. (ROI Exhibit 1) Commission staff reviewed the video provided with the complaint and Respondent was wearing a Gillum shirt and was being interviewed about his participation in Gillum's 2018 campaign in what appears to be a Gillum campaign office (ROI, p. 2, ¶ 10) Additionally, the Florida Democratic Party paid Respondent \$4,500 for supporting Gillum's 2018 campaign. (ROI Exhibit 6, page 2)

13. It appears that Respondent, former treasurer for A Better Florida For All, was also a campaign staffer for Andrew Gillum and an agent of the candidate. Therefore, the flyer was not an independent expenditure.

**Alleged Violation: Section 106.07(1), Florida Statutes**

14. Complainant alleged that Respondent violated Florida's election laws by failing to timely file a campaign treasurer's report disclosing expenditures to Andrew Gillum's campaign.

15. Based on the above analysis, Respondent made an expenditure to Andrew Gillum's 2018 campaign in the form of a flyer. As the flyers were not independent expenditures, Respondent was required to report the expenditure to the campaign.

16. Commission staff reviewed A Better Florida For All's campaign reports. Respondent, as treasurer for the committee, did not report any contributions from nor expenditures to Andrew Gillum's campaign. (ROI Exhibit 9) Additionally, the committee's bank records do not show any contributions from nor expenditures to the campaign. (ROI p. 3, ¶ 13) Commission staff also reviewed Andrew Gillum's 2018 campaign reports and there were no reported contributions from nor expenditures to A Better Florida For All. (ROI, p. 3, ¶ 14)

17. Respondent, former treasurer for A Better Florida For All, stated that the political committee is closed and that he sought advice from the Division regarding materials that were already printed. He stated that he removed the materials from circulation. (ROI Exhibit 8)

18. Complainant received the flyer on October 30, 2018, which was during the 2018 G7 reporting period. (See Compl.; ROI Exhibit 14) The Division's records do not show that Respondent filed the report. (ROI Exhibit 13) Respondent failed to timely file A Better Florida For All's 2018 G7 Report.

**Alleged Violation: Section 106.19(1)(c), Florida Statutes**

19. Complainant alleged that Respondent violated Florida's election laws by falsely reporting or deliberately failing to include information required by Chapter 106, Florida Statutes.

More specifically, Complainant alleged that Respondent failed to report expenditures to Andrew Gillum's campaign.

20. Based on the above analysis, Respondent made an expenditure to Andrew Gillum's 2018 campaign in the form of a flyer. As the flyers were not independent expenditures, Respondent was required to report the expenditure to the campaign.

21. Commission staff reviewed A Better Florida For All's campaign reports. Respondent, as treasurer for the committee, did not report any contributions from nor expenditures to Andrew Gillum's campaign. (ROI Exhibit 9) Additionally, the committee's bank records do not show any contributions from nor expenditures to the campaign. (ROI p. 3, ¶ 13) Commission staff also reviewed Andrew Gillum's 2018 campaign reports and there were no reported contributions from nor expenditures to A Better Florida For All. (ROI, p. 3, ¶ 14)

22. Chapter 106, Florida Statutes, requires political committees to report any contributions received and any expenditures made for the purpose of influencing the results of an election. Complainant received the flyer on October 30, 2018, which was during the 2018 G7 reporting period. (*See* Compl.; ROI Exhibit 14) The Division's records do not show that Respondent filed the report. (ROI Exhibit 13) Respondent deliberately failed to include information required by Chapter 106, Florida Statutes, on the committee's 2018 G7 Report.

23. "Probable Cause" is defined as reasonable grounds of suspicion supported by circumstances sufficiently strong to warrant a cautious person in the belief that the person has committed the offense charged. *Schmitt v. State*, 590 So. 2d 404, 409 (Fla. 1991). Probable cause exists where the facts and circumstances, of which an [investigator] has reasonably trustworthy information, are sufficient in themselves for a reasonable man to reach the conclusion that an offense has been committed. *Department of Highway Safety and Motor Vehicles v. Favino*, 667 So. 2d 305, 309 (Fla. 1st DCA 1995).

24. The facts set forth above show that Respondent was the Treasurer and Registered Agent for A Better Florida For All, a political committee formerly registered with the Division of Elections. Respondent failed to timely file A Better Florida For All's 2018 G7 Report. Respondent deliberately failed to include information required by Chapter 106, Florida Statutes, on the committee's 2018 G7 Report.

Based upon these facts and circumstances, I recommend that the Commission find **probable cause** to charge Respondent with violating the following:

**Count 1:**

On or about November 2, 2018, Omar Smith violated Section 106.07(1), Florida Statutes, when he failed to timely file with the filing officer, A Better Florida For All's 2018 G7 Report.

**Count 2:**

On or about November 2, 2018, Omar Smith violated Section 106.19(1)(c), Florida Statutes, when he deliberately failed to include information required by Chapter 106, Florida Statutes, on A Better Florida For All's 2018 G7 Report.

Respectfully submitted on April 13, 2022.

**FLORIDA ELECTIONS COMMISSION  
REPORT OF INVESTIGATION  
Case No.: FEC 18-402**

**Respondent:** Omar Smith

**Complainant:** Tom Powers

On November 5, 2018, the Florida Elections Commission (Commission) received a sworn complaint alleging that Respondent violated Chapter 104 or 106, Florida Statutes. Commission staff investigated whether Respondent violated the following statutes:

Section 106.07(1), Florida Statutes, not timely filing one or more campaign treasurer reports that included all expenditures made by the political committee of which he was treasurer; and

Section 106.19(1)(c), Florida Statutes, falsely reporting or deliberately failing to include information required by Chapter 106, Florida Statutes, in one or more campaign reports.

**I. Preliminary Information:**

1. Respondent, Omar Smith, was the treasurer and registered agent for A Better Florida For All, a political committee formerly registered with the Division of Elections (Division).

2. The Division was the filing officer for A Better Florida For All.

3. On March 20, 2017, a Statement of Organization of Political Committee and an Appointment of Campaign Treasurer and Designation of Campaign Depository for Political Committees (DS-DE 6) were filed for A Better Florida For All. Respondent was appointed as campaign treasurer for the political committee. Respondent was also listed on the Registered Agent Statement of Appointment form as the registered agent for the political committee. The area and scope of the committee included supporting or opposing statewide, multi-county, legislative, county, and municipal candidates. On October 25, 2018, the Division canceled the registration for A Better Florida For All. To review the Division forms, refer to Exhibit 1. To review the Division's Final Order, refer to Exhibit 2.

4. I searched the Division's website and the Palm Beach County Supervisor of Elections' website for previous candidacies of Respondent. I did not find any. I called Hazeline Carson, West Palm Beach City Clerk, and she stated that her records did not show that Respondent had any prior history of running for office. To review the phone log, entry 17, refer to Exhibit 3, page 4.

**II. Alleged Violation of Sections 106.07(1) and 106.19(1)(c), Florida Statutes:**

5. I investigated whether Respondent violated these sections of the election laws by

not timely filing campaign treasurer reports that included all expenditures made by A Better Florida For All and falsely reporting or deliberately failing to include information required by Chapter 106, Florida Statutes, in one or more campaign reports of the political committee. Specifically, the investigation focused on issues related to a political flyer of A Better Florida For All.

6. According to Complainant, he observed volunteers passing out a political flyer on October 28, 2018. He stated that he received a copy of a flyer on October 30, 2018, from a volunteer. He stated that he noticed a stack of the flyers next a stack of Andrew Gillum campaign flyers. He stated that there were other volunteers seated around the stacks of flyers wearing Andrew Gillum campaign t-shirts. Complainant added, "I would estimate that hundreds of such fliers were distributed to voters prior to entering the polling locations in Broward County and possibly in other counties in South Florida."

7. Complainant provided a copy of the flyer at issue. The flyer is double-sided and resembles a ballot. At the top of the flyer on one side is the phrase "Your VOTE Your VOICE BROWARD COUNTY VOTERS GUIDE." Beneath the phrase, there are pictures of Andrew Gillum and Bill Nelson. Both sides of the flyer contain the names and pictures of many other candidates. The flyer contains dates for early voting and election day. At the bottom corner of one side, the reader is invited to request a vote by mail ballot. The disclaimer on the flyer acknowledges that A Better Florida For All was responsible for paying for it. The disclaimer reads, "Paid for and authorized by A Better Florida For All." The flyer does not contain language indicating that it had been approved by any of the candidates whose names and pictures were included on it. There are no marks on the flyer to identify the printer. To review the flyer, refer to Exhibit 4.

8. Complainant also included a photo with the complaint. The photo depicted two ladies both holding what appear to be political flyers. One of the ladies in the photo is wearing an Andrew Gillum t-shirt and appears to be handing a flyer to the other lady. While one of the flyers shown in the photo resembles the flyer at issue, it does not appear to be the same flyer. To review the photo, refer to Exhibit 5.

9. Complainant stated that the Florida Democratic Party paid \$4,500.00 to Respondent to be a Gillum campaign staffer on July 27, 2018.<sup>1</sup> The Florida Democratic Party reported that expenditure to Respondent on its 2018 P7 report. The purpose of the expenditure was described as, "GOTV Support/ GOV 18/ GILLUM/ N." To review the reported expenditure on the Party's 2018 P7 report, refer to Exhibit 6.

10. Additionally, Complainant provided a link to and screen shots from a video that identified Respondent as a Gillum campaign staffer. I reviewed the video, which was dated as having been posted on October 31, 2018. In the video, Respondent is shown wearing a Gillum t-shirt and was being interviewed about his participation in the Gillum campaign while seated in what appears to be a Gillum campaign office. To review the video screen shots, refer to Exhibit 7.

11. Respondent provided an email response to the complaint. He stated, "The Political

Action Committee was indeed closed by the State of Florida on Oct. 24. I called the Division of Election to seek advise (sic) on what to do with the materials that were already printed. I was told to do my best effort in recalling all materials. I did remove the materials from circulation. I deem Mr. Powers claims to be without merit.” To review Respondent’s email response, refer to Exhibit 8.

12. A questionnaire-affidavit was sent to Respondent, but it was not returned. Commission staff attempted to contact Respondent on multiple occasions in order to provide an opportunity to discuss the allegations made in the complaint. As of the date of this report, Respondent has not returned any of the phone calls. To review the phone log, refer to Exhibit 3.

13. I reviewed all of the campaign reports for A Better Florida For All on the Division’s website. There were no reported contributions from nor expenditures to the Andrew Gillum campaign. I reviewed bank records of A Better Florida For All for the relevant timeframe. There were no records of any expenditures to nor contributions from the Andrew Gillum campaign.<sup>2</sup>

14. I reviewed all of Mr. Gillum’s 2018 campaign reports on the Division’s website. There were no reported contributions, monetary or in-kind, from nor expenditures to “Omar Smith” or “A Better Florida For All.” The 2018 G5 Report disclosed a \$20.18 contribution from “Omari Smith” of Jacksonville, Florida. Respondent’s address on file with the Commission is in West Palm Beach. Internet searches did not show a Jacksonville address for Respondent.

15. I reviewed the 2018 campaign reports for the Florida Democratic Party. The reports did not reflect any reported contributions from “Omar Smith” or “A Better Florida For All.” The reports did not disclose any reported expenditures to “A Better Florida For All.” As noted above, the 2018 P7 report disclosed one expenditure to “Omar Smith” on July 27, 2018, for what appears to be staffer work for the Gillum campaign. There were no additional reported expenditures to “Omar Smith.”

16. I reviewed the 2018 campaign reports of three other candidates pictured on the flyer at issue: Sean Shaw (2018 candidate for Attorney General), Jeremy Ring (2018 candidate for Chief Financial Officer), and Emma Collum (2018 candidate for State Representative, District 93). None of the candidates reported any expenditures to nor contributions, monetary or in-kind, from “Omar Smith” or “A Better Florida For All.” The candidates all reported multiple contributions, some in-kind and some monetary, from the Florida Democratic Party, but none for ads, printing, or flyers.

17. As previously stated, the flyer at issue did not contain any marks that would identify the printer; however, there were four printers listed on the campaign reports of A Better Florida For All to whom reported expenditures were made: Graphics Unit, Printing Images USA, Inc., Wilton Thomas,<sup>3</sup> and City Colors Printing. The reported expenditures were made between January 16, 2018, and August 14, 2018, in amounts varying from \$60.00 to \$481.50. I located bank records corresponding to each of the reported expenditures. None of the reports or bank records of the

<sup>2</sup> I subpoenaed bank records from the campaign depository of A Better Florida For All. Although Bank of America was the designated campaign depository on the political committee’s DS-DE 6, the investigation discovered that its actual depository was at Capitol One, from which the records were obtained.

<sup>3</sup> Mr. Thomas owns Oakland Diecutting, Foil and Embossing Services, Inc.

transactions specifically indicated that they were for the flyer at issue; rather, the reported purposes were for “Printing.” To review the pertinent parts of campaign reports disclosing the expenditures to these printers, refer to Exhibit 9. To review bank records of the reported expenditures to these printers, refer to Exhibit 10.

18. I attempted to contact each of the four printers, but only two responded. Graphics Unit stated that they did not have any records showing that they printed the flyer at issue. However, the representative provided an estimate of \$750.00 to print 5,000 copies of a similar flyer. To review the emails from Graphics Unit, refer to Exhibit 11.

19. The sales representative for City Colors Printing stated that do not print political advertising. She stated that their customers were businesses. She stated that they print business cards, post cards, and brochures for businesses. To review the phone log, entry 15, refer to Exhibit 3, page 3.

20. Printing Images USA, Inc., and Wilton Thomas did not return my calls; therefore, I was not able to verify whether they printed the flyer at issue. To review the phone log, entries 13, 14, 16, 19 and 20, refer to Exhibit 3, pages 3-4.

21. Bank records showed unreported expenditures to three additional printers: Printing on Shirts, Inside Publications, and Gregory Guerra. I called each of them. The representative for Printing on Shirts stated that they only work with fabric, such as printing on hats and t-shirts. The representative from Inside Publications stated he owned a magazine and only dealt with ads for the magazine.<sup>4</sup> I was not able to contact Mr. Guerra or his business, Pro Print USA, Inc. To review the phone log, entries 26-30, refer to Exhibit 3, pages 5-6.

22. These unreported expenditures were made between September 13, 2018, and October 28, 2018. Four expenditures to Mr. Guerra were made during this period: \$600.00 (October 15, 2018), \$600.00 (October 17, 2018), \$4,700.00 (October 24, 2018), and \$1,200.00 (October 28, 2018); the stated purpose on the checks for all these expenditures was “printing.” One expenditure in the amount of \$546.00 was made to Printing on Shirts on September 13, 2018. One expenditure in the amount of \$495.00 for “ad” was made to Inside Publications on September 14, 2018. Finally, an additional expenditure to Printing Images USA, Inc., in the amount of \$116.00 for “envelopes” was made on September 19, 2018, and an additional expenditure to City Colors Printing in the amount of \$1,326.80 was made on October 4, 2018. To review the bank records of unreported expenditures to these printers, refer to Exhibit 12.<sup>5</sup>

23. The last report filed by Respondent for the political committee was the 2018 G1A, which covered the period from September 1, 2018, through September 7, 2018. The political committee’s filing history shows that the 2018 G2, 2018 G2A, 2018 G3, 2018 G4, and 2018 G5 reports have not been filed as of the date of this report. No other reports are listed as having been due; the next report (2018 G6) was not due until October 26, 2018, which was after the registration

---

<sup>4</sup> The check to Inside Publications noted that it was for an “ad.”

<sup>5</sup> Respondent had reported an expenditure in the amount of \$132.50 to Printing on Shirts on the political committee’s 2018 M1 report, with the stated purpose of “Shirts,” but the other expenditure to that entity in the amount of \$546.00 made on or about September 13, 2018, was not reported.

of A Better Florida For All was canceled by the Division on October 25, 2018. To review the filing history, refer to Exhibit 13. To review the 2018 Calendar of Reporting Dates, refer to Exhibit 14.

24. Based on the dates on the checks, two of the unreported expenditures to Mr. Guerra occurred during the 2018 G6 reporting period, and the other two occurred during the 2018 D1 and 2018 D3 reporting periods, so they did not have to be disclosed until the 2018 G7 report, which covered the same time period and was not due until November 2, 2018. To review the 2018 Calendar of Reporting Dates, refer to Exhibit 14.

25. Based on the dates of the checks, the unreported expenditures to Printing on Shirts and Inside Publications occurred during the 2018 G2 reporting period, the unreported expenditure to Printing Images USA, Inc., occurred during the 2018 G2A reporting period, and the unreported expenditure to City Colors Printing occurred during the 2018 G4 reporting period. Respondent did not file any of these three reports, all of which were due prior to the cancelation of the political committee's registration. To review the filing history, refer to Exhibit 13. To review the 2018 Calendar of Reporting Dates, refer to Exhibit 14.

26. I made several attempts to contact Mr. Scott Arceneaux,<sup>6</sup> staffer with the Gillum campaign, to discuss Respondent's employment with the campaign and any connection between the Gillum campaign, Respondent, and the flyer at issue. Mr. Arceneaux did not return my calls. To review the phone log, entries 22-24, refer to Exhibit 3, pages 4-5.

27. I attempted to contact the Florida Democratic Party to discuss the purpose of the expenditure to Respondent on July 27, 2018, regarding campaign work for the Gillum campaign and any connection between the Democratic Party, the Gillum campaign, Respondent, and the flyer at issue. On three occasions, I called the Florida Democratic party and left messages; however, no one returned my calls. To review the phone log, entries 21, 25, and 31, refer to Exhibit 3, pages 4-6.

Respectfully submitted on October 28, 2021.

DEPARTMENT OF STATE, DIVISION OF

Petitioner,

v.

A BETTER FLORIDA FOR ALL (69720),

Final Order No. DOS 18- 7 DE

Respondent.

---

**FINAL ORDER**

The Division of Elections, Florida Department of State (the "Division") having jurisdiction over this matter pursuant to Section 106.03(7), Florida Statutes, and rules promulgated thereunder, hereby enters its Final Order to cancel the registration of A Better Florida For All (the "Respondent") as a political committee in the State of Florida. The Division, being fully advised as to the premises, finds and orders as follows:

**FINDINGS OF FACT**

1. Respondent is a registered political committee but not for the sole purpose of seeking signatures of registered electors in support of an initiative. The Respondent's registration number is 69720.

2. On August 8, 2018, the Division mailed an Initial Notice of Intent to Cancel Registration (attached and incorporated by reference) to the most recent addresses on file for both the Respondent's chairperson and registered agent. The notice stated that Respondent had failed to pay the fine(s) in the amount of \$15.00 imposed for the late filing of the 2018 M4 campaign

treasurer's report. The Notice of Intent to Cancel Registration informed Respondent of the opportunity to provide documentation to the Division to show why the Respondent's registration should not be canceled.

3. The Notice of Intent was not returned as being undeliverable and the Respondent did not respond to the Notice of Intent to Cancel Registration.

4. On September 14, 2018, the Division mailed Respondent's registered agent a Final Notice of Cancellation (attached and incorporated by reference). The notice informed Respondent of the right to a hearing and advised Respondent that if a request for hearing was not made within 30 days of the date of the notice, the right to hearing would be waived and final action taken by the Division.

5. Respondent did not respond or otherwise timely request a hearing.

#### **CONCLUSIONS OF LAW**

6. As provided in Section 106.03, Florida Statutes, the Division is the agency having jurisdiction to administer and enforce the provisions of the section.

7. Rule 1S-2.021, Florida Administrative Code, establishes procedures for the Division to dissolve and cancel the registration of a political committee. Subsection (2)(g) mandates the filing officer to cancel the registration when the committee "has an unpaid fine or civil penalty imposed under Chapter 106, F.S., which has become final, meaning all appeals regarding the imposition of the fine or civil penalty have been exhausted or the time for such appeals has passed."

**CONCLUSION**

Based upon the foregoing and a complete review of the record, it is ORDERED that the Respondent's registration as a political committee with the Department of State, Division of Elections, is hereby CANCELED pursuant to Section 106.03(7), Florida Statutes, and Rule 1S-2.021, Florida Administrative Code.

DONE AND ORDERED at Tallahassee, Florida, this 24 day of October, 2018.

  
\_\_\_\_\_  
Maria I. Matthews, Director  
Division of Elections

**NOTICE OF RIGHTS**

This Order constitutes final agency action. Judicial review of this proceeding may be instituted by filing a notice of appeal, with the filing fee prescribed by law in the District Court of Appeal, pursuant to Section 120.68, Florida Statutes, and a copy with the clerk of the Department of State. Such notice must be filed within 30 calendar days of the date this order is filed in the official records of the Department of State as indicated in the Certificate of Service. Review proceedings shall be conducted in accordance with the Florida Rules of Appellate Procedure.

**CERTIFICATE OF SERVICE**

I HEREBY CERTIFY that the original of the foregoing Final Order was hand-delivered to the Agency Clerk, Department of State, R.A. **RE: FINAL NOTICE OF INTENT TO CANCEL REGISTRATION**

Dear Mr. Smith:

On August 8, 2018 the Division provided you with a Notice of Intent to Cancel Registration pursuant to Section 106.03(7), Florida Statutes, and Rule 1S-2.021, Florida Administrative Code. The notice informed you of the Division's intent to cancel the committee's certification for failure to pay fine(s) in the amount of \$15.00.

The notice advised you to provide documentation showing that the committee's certification should not be canceled. The Division did not receive a response to this notification. Accordingly, the Division hereby issues a Final Notice of Intent to Cancel Registration.

If you object to this cancellation you must file a request for hearing within 30 days of the date of this Final Notice of Intent to Cancel Registration. The request must be filed with the Department of State, Division of Elections, Bureau of Election Records, R.A. Gray Building, Room 316, 500 South Bronough Street, Tallahassee, Florida 32399-0250 and will be forwarded to the Florida Elections Commission for a hearing based upon the notice and any supporting documentation. If you desire a personal appearance before the Commission, you must include in your request for hearing a separate request for a personal appearance. Failure to file a request for a hearing constitutes a waiver of your right to a hearing and will cause a final order to be entered revoking the committee's certification.

As stated in the initial notice to you, to avoid an involuntary cancellation, the committee may still submit a notice of termination of the political committee within the 30-day period specified above.

If you have any questions, please call (850) 245-6280.

Sincerely,

Kristi Reid Willis, Chief

Case No.: FEC 18-402  
Omar Smith to: Florida Elections Commission

Omar Smith  
367 Berenger Walk  
Royal Palm Beach, FL 33414  
November 27, 2018  
Case No.: FEC 18-402  
Florida Election Commission  
107 W. Gaines Street  
Suite 224 Collins Building  
Tallahassee, Florida 32399-1050

Recently a complaint has been filed against me, this letter is to serve as a response to the allegations made by Tom Powers. The Political Action Committee was indeed closed by the State of Florida on Oct. 24. I called the Division of Election to seek advise on what to do with the materials that were already printed. I was told to do my best effort in recalling all materials. I did remove the materials from circulation.

I deem Mr. Powers claims to be without merit.

Yours in truly,

Omar Smith

**RE: Case No.: FEC 18-402; Respondent: Omar Smith**

Dear Mr. Smith:

On November 5, 2019, the Florida Elections Commission received a complaint alleging that you violated Florida's election laws. I have reviewed the complaint and find that it contains one or more **legally sufficient allegations**. The Commission staff will investigate the following alleged violations:

**Section 106.07(1), Florida Statutes:** Respondent, treasurer for A Better Florida for All, a political committee formerly registered with the Division of Elections, may have failed to timely file one or more campaign treasurer reports that included all expenditures made by the committee, as alleged in the complaint.

**Section 106.19(1)(c), Florida Statutes:** Respondent, treasurer for A Better Florida for All, a political committee formerly registered with the Division of Elections, may have falsely reported or deliberately failed to include information in one or more campaign reports required by Chapter 106, Florida Statutes, as alleged in the complaint.

When we conclude the investigation, a copy of the Report of Investigation (ROI) will be mailed to you at the above address. Based on the results of the investigation, a staff attorney will make a written recommendation (Staff Recommendation or SR) to the Commission as to whether there is probable cause to charge respondent with violating Chapters 104 or 106, Florida Statutes. You will have an opportunity to respond to both the ROI and the SR. The Commission will then hold one or more hearings to determine whether the alleged violations occurred and, if so, the amount of the fine to be imposed. You and the complainant will receive notice at least 14 days before any hearing at which your case is to be considered.

Also, please remember that complaints, Commission investigations, investigative reports, and other documents relating to an alleged violation of Chapters 104 or 106, Florida Statutes, are **confidential** until the Commission finds probable cause or no probable cause.

For additional information, please refer to the "Frequently Asked Questions" section of the Commission's website ([www.fec.state.fl.us](http://www.fec.state.fl.us)).

If you have additional questions, please contact **Cedric Oliver**, the investigator assigned to this case.

Recently a complaint has been filed against me, this letter is to serve as a response to the allegations made by Tom Powers. The Political Action Committee was indeed closed by the State of Florida on Oct. 24. I called the Division of Election to seek advise on what to do with the materials that were already printed. I was told to do my best effort in recalling all materials. I did remove the materials from circulation.

I deem Mr. Powers claims to be without merit.

Yours in truly,

Omar Smith

**In Re: OMAR SMITH,  
Treasurer and Registered Agent,  
A BETTER FLORIDA  
FOR ALL, a REVOKED Florida  
Political Committee,**

**Case No.: FEC 18-XXX**

**Respondent.**

\_\_\_\_\_ /

**COMPLAINT**

Pursuant to section 106.25, Florida Statutes, the undersigned (“Complainant”) submits this complaint against OMAR SMITH, TREASURER and REGISTERED AGENT for A BETTER FLORIDA FOR ALL, a REVOKED Florida political committee for violations of sections 104.091 (aiding, abetting, advising, or conspiring in violation of Florida’s Election Code); 106.03(1)(a) (soliciting and accepting contributions and making expenditures without registering); 106.143(1)(a) (failure to include proper disclaimer on political advertisement); section 106.143(6) (distribution of misleading political advertisements); section 106.143(5)(a), Florida Statutes (failure to include candidate approval of political advertisement), and 106.07, Florida Statutes (failure to report contribution and expenditure to multiple candidates). In support thereof, Complainant submits the following:

1. Respondent, OMAR SMITH is the TREASURER and REGISTERED AGENT for A BETTER FLORIDA FOR ALL, a former registered Florida political committee. On October 24, 2018, Final Order No. DOS 18-7 DE (“FINAL ORDER”) was entered against A BETTER FLORIDA FOR ALL (69720) (“A BETTER FLORIDA FOR ALL”). A true and correct copy of that order is attached hereto. (EXH. A.).
2. Through the FINAL ORDER, the Florida Department of State canceled A BETTER FLORIDA FOR ALL’s registration as a political committee in Florida:

**CONCLUSION**

*Based upon the foregoing and a complete review of the record, it is ORDERED that the Respondent’s registration as a political committee with the Department of State, Division of Elections, is hereby CANCELED pursuant to Section 106.03(7), Florida Statutes, and Rule 1S-2.021, Florida Administrative Code.*

*(FINAL ORDER, p. 3)*

3. After entry of the FINAL ORDER, political volunteers affiliated with gubernatorial candidate, Andrew Gillum, distributed political advertisements created and paid for by A BETTER FLORIDA FOR ALL outside polling locations in Broward County, Florida. *See* EXH. B.
4. The fliers are political advertisements under section 106.011(15), Florida Statutes: “Political advertisement’ means a paid expression in a communications medium prescribed in subsection (4), whether radio, television, newspaper, magazine, periodical, campaign literature, direct mail, or display or by means other than the spoken word in direct conversation, which expressly advocates the election or defeat of a candidate or the approval or rejection of an issue.” *See* EXH. C.
5. On October 30, 2018, at approximately 1:12 p.m., one of these fliers was handed to me by a political volunteer outside the Northwest Regional Library, 3151 North University Drive, Coral Springs, Florida 33065. The A BETTER FLORIDA FOR ALL flier was stacked next to political fliers for Andrew Gillum’s campaign. Other volunteers seated around the stacks of political advertisements were wearing Andrew Gillum campaign shirts. On October 28, 2018, I observed the A BETTER FLORIDA FOR ALL’s fliers being distributed by volunteers in the same location. From my observations I would estimate that hundreds of such fliers were distributed to voters prior to entering the polling locations in Broward County and possibly in other counties in South Florida.
6. The fliers distributed also solicited donations for A BETTER FLORIDA FOR ALL through a website link displayed on the bottom of the fliers (<https://donate.abetterfloridaforall.com>) (last accessed November 1, 2018). *See* EXH. D.
7. As of November 1, 2018, the A BETTER FLORIDA FOR ALL website was still soliciting contributions up to \$5,000 despite having its registration revoked on October 24, 2018, by this Commission.
8. A BETTER FLORIDA FOR ALL’s political committee registration was revoked in a FINAL ORDER issued by the Division of Elections on 10/24/18, and it has not sought to register again, however, it continues to act illegally as a political committee without registering by making expenditures, soliciting and accepting contributions, and distributing illegal political advertisements. Section 106.03(1)(a), Florida Statutes provides: “Each political committee that receives contributions or makes expenditures during a calendar year in an aggregate amount exceeding \$500 or that seeks the signatures of registered electors in support of an initiative shall file a statement of organization as provided in subsection (3) within 10 days after its organization. ***If a political committee is organized within 10 days of any election, it shall immediately file the statement of organization required by this section.***”
9. The A BETTER FLORIDA FOR ALL slate card contains “express advocacy” to vote for numerous Democrat local, state, and federal candidates including statewide

Democrat candidates Andrew Gillum, Sean Shaw, Jeremy Ring, and Nikki Fried. Including a very prominent picture of Democrat gubernatorial candidate Andrew Gillum.

10. The titles used on the flier are misleading and imply incumbency “Andrew Gillum, Governor”; “Sean Shaw, Attorney General”; “Nikki Fried, Commissioner of Agriculture”; and “Jeremy Ring, Chief Financial Officer.” The fliers did not include the word “for” between the candidate’s name and the office they were running for in violation of section 106.143(6), Florida Statutes.
11. These fliers contain express advocacy, making them qualify as political advertisements and they are being offered on behalf of multiple candidates. Yet, there is no indication that any of the candidates have approved the advertisement in violation of section 106.143(5)(a), Florida Statutes.
12. The fliers are illegal contributions to the Andrew Gillum campaign and to other Democrat candidates listed on the flier as they purport to come from a non-registered political committee without a valid treasurer, chairperson, or registered agent and have not been reported by the Andrew Gillum campaign or the defunct political committee in violation of sections 106.022 and 106.021, Florida Statutes.
13. Respondent has violated section 106.07, Florida Statutes, by not reporting any contribution or distribution made to the campaign of Andrew Gillum resulting from the distributed communications.
14. Additionally, the advertisements are not “independent expenditures” because they have been made in coordination with at least some of the candidates promoted. Volunteers for Andrew Gillum distributed the illegal fliers outside of Broward County early voting locations. *See* Exh. B.
15. Respondent, Omar Smith, the treasurer and registered agent of A BETTER FLORIDA FOR ALL, is a campaign staffer for the Andrew Gillum campaign paid for by the Florida Democrat Party. Omar Smith, as Treasurer, is responsible for keeping detailed accounts of all contributions received and expenditures made by or on behalf of the political committee. When checks are issued from the political committee’s account, the treasurer is responsible for the completeness and accuracy of the information on the check and for insuring that any expenditure is an authorized expenditure. *See* §§ 106.021, 106.06, 106.07, 106.19, and 106.265.
16. According to the Florida Democratic Party expenditure report (P7) filed with the Division of Elections, Respondent, Omar Smith received \$4,500 on 7/27/18 for GOTV Support for Andrew Gillum. The Florida Democratic Party’s expenditure report for the general election has yet to be filed. *See* EXH. E.
17. Respondent, Omar Smith’s ties to the Andrew Gillum campaign are further made clear in a video that can be viewed at this link:

<https://www.projectveritasaction.com/video/florida-andrew-gillum/>, where a Gillum campaign staffer identified as Omar Smith describes how he has known Andrew Gillum since college and is shown working on behalf of the Andrew Gillum campaign out of one of Gillum's campaign offices. Omar Smith appears to have long-standing, direct ties to Gillum. Screen shots from the video are enclosed. *See* EXH. F.

WHEREFORE, based upon the facts and circumstances, Complainant asks this Commission to find that Respondent violated the following:

**COUNT I:**

Respondent has violated section 106.03(1)(a), by soliciting and accepting contributions and making expenditures without registering as a Florida political committee.

**COUNT II:**

Respondent has violated section 106.143(1)(a), by including an incorrect disclaimer on a political advertisement.

**COUNT III:**

Respondent has violated section 106.143(6), by distributing misleading political advertisements on behalf of multiple candidates and implying incumbency by not using the word "for" between the candidate's name and the office for which the candidate is running.

**COUNT IV:**

Respondent, Omar Smith, who serves as Treasurer and Registered Agent for A BETTER FLORIDA FOR ALL, is a Gillum campaign staffer paid for by the Florida Democratic Party has violated section 106.143(5)(a), by having Andrew Gillum campaign volunteers distribute a political advertisement on behalf of and in coordination with the Andrew Gillum campaign, paid for by Respondent, without an express statement on the advertisement stating that the content of the advertisement was approved by the candidate.

**COUNT V:**

Respondent, Omar Smith, who serves as Treasurer and Registered Agent for A BETTER FLORIDA FOR ALL, is a Gillum campaign staffer paid for by the Florida Democratic Party has violated section 106.07, Florida Statutes, by not reporting any contribution or distribution made to the campaign of Andrew Gillum resulting from the political advertisements expressly advocating Andrew Gillum for Governor.

**COUNT VI:**

Respondent, Omar Smith, has violated section 104.091, Florida Statutes by knowingly aiding, abetting, or advising in the violation of the Florida Election Code by continuing to operate such Florida political committee despite a FINAL ORDER from this Commission revoking its registration status.

Respectfully submitted,

Tom Powers

AGENCY CLERK  
DEPARTMENT OF STATE

DEPARTMENT OF STATE, DIVISION OF  
ELECTIONS,

Petitioner,

v.

A BETTER FLORIDA FOR ALL (69720),

Final Order No. DOS 18- 7 DE

Respondent.

---

**FINAL ORDER**

The Division of Elections, Florida Department of State (the "Division") having jurisdiction over this matter pursuant to Section 106.03(7), Florida Statutes, and rules promulgated thereunder, hereby enters its Final Order to cancel the registration of A Better Florida For All (the "Respondent") as a political committee in the State of Florida. The Division, being fully advised as to the premises, finds and orders as follows:

**FINDINGS OF FACT**

1. Respondent is a registered political committee but not for the sole purpose of seeking signatures of registered electors in support of an initiative. The Respondent's registration number is 69720.

2. On August 8, 2018, the Division mailed an Initial Notice of Intent to Cancel Registration (attached and incorporated by reference) to the most recent addresses on file for both the Respondent's chairperson and registered agent. The notice stated that Respondent had failed to pay the fine(s) in the amount of \$15.00 imposed for the late filing of the 2018 M4 campaign

treasurer's report. The Notice of Intent to Cancel Registration informed Respondent of the opportunity to provide documentation to the Division to show why the Respondent's registration should not be canceled.

3. The Notice of Intent was not returned as being undeliverable and the Respondent did not respond to the Notice of Intent to Cancel Registration.

4. On September 14, 2018, the Division mailed Respondent's registered agent a Final Notice of Cancellation (attached and incorporated by reference). The notice informed Respondent of the right to a hearing and advised Respondent that if a request for hearing was not made within 30 days of the date of the notice, the right to hearing would be waived and final action taken by the Division.

5. Respondent did not respond or otherwise timely request a hearing.

#### **CONCLUSIONS OF LAW**

6. As provided in Section 106.03, Florida Statutes, the Division is the agency having jurisdiction to administer and enforce the provisions of the section.

7. Rule 1S-2.021, Florida Administrative Code, establishes procedures for the Division to dissolve and cancel the registration of a political committee. Subsection (2)(g) mandates the filing officer to cancel the registration when the committee "has an unpaid fine or civil penalty imposed under Chapter 106, F.S., which has become final, meaning all appeals regarding the imposition of the fine or civil penalty have been exhausted or the time for such appeals has passed."

**CONCLUSION**

Based upon the foregoing and a complete review of the record, it is ORDERED that the Respondent's registration as a political committee with the Department of State, Division of Elections, is hereby CANCELED pursuant to Section 106.03(7), Florida Statutes, and Rule 1S-2.021, Florida Administrative Code.

DONE AND ORDERED at Tallahassee, Florida, this 24 day of October, 2018.

  
\_\_\_\_\_  
Maria T. Matthews, Director  
Division of Elections

**NOTICE OF RIGHTS**

This Order constitutes final agency action. Judicial review of this proceeding may be instituted by filing a notice of appeal, with the filing fee prescribed by law in the District Court of Appeal, pursuant to Section 120.68, Florida Statutes, and a copy with the clerk of the Department of State. Such notice must be filed within 30 calendar days of the date this order is filed in the official records of the Department of State as indicated in the Certificate of Service. Review proceedings shall be conducted in accordance with the Florida Rules of Appellate Procedure.

**CERTIFICATE OF SERVICE**

I HEREBY CERTIFY that the original of the foregoing Final Order was hand-delivered to the Agency Clerk, Department of State, R.A. Dear Mr. Smith:

On August 8, 2018 the Division provided you with a Notice of Intent to Cancel Registration pursuant to Section 106.03(7), Florida Statutes, and Rule 1S-2.021, Florida Administrative Code. The notice informed you of the Division's intent to cancel the committee's certification for failure to pay fine(s) in the amount of \$15.00.

The notice advised you to provide documentation showing that the committee's certification should not be canceled. The Division did not receive a response to this notification. Accordingly, the Division hereby issues a Final Notice of Intent to Cancel Registration.

If you object to this cancellation you must file a request for hearing within 30 days of the date of this Final Notice of Intent to Cancel Registration. Failure to file a request for a hearing constitutes a waiver of your right to a hearing and will cause a final order to be entered revoking the committee's certification.

As stated in the initial notice to you, to avoid an involuntary cancellation, the committee may still submit a notice of termination of the political committee within the 30-day period specified above.
