After reviewing our records, I found no public records responsive to your request pertaining to documents filed by Kathy Schure subsequent to the closing of the DOAH case.

Good afternoon Ms. Malphurs, can you please email me copies of any documents submitted by Kathy Schure subsequent to the closing of the DOAH case.

Also subsequent to the initial statement of costs and attorney fees filed prior to the DOAH hearing, I incurred additional costs, most significant \$1,330 for the hearing transcript, can you tell me what the deadline is for submitting to the FEC the updated costs expended in pursuing the Petition thus far.

Thank you,
Linda Yates
