This hearing will be conducted pursuant to Section 106.25, Florida Statutes, which governs your participation as follows:

If you are the Respondent, you may attend the hearing, and you or your attorney will have *5 minutes* to present your case to the Commission. However, some cases (including those in which consent orders or recommendations for no probable cause are being considered) may be decided by an *en masse* vote and, unless you request to be heard or the Commission requests that your case be considered separately on the day of the hearing, your case will *not* be individually heard.

If you are the Complainant, you may attend the hearing, but you will *not* be permitted to address the Commission. In addition, some cases (including those in which consent orders or recommendations for no probable cause are being considered) may be decided by an *en masse* vote and, unless the Respondent requests to be heard or the Commission requests that the case be considered separately on the day of the hearing, the case will *not* be individually heard.

Amy McKeever Toman
Executive Director
Florida Elections Commission
May 1, 2017

Please refer to the information below for further instructions related to your particular hearing:

If this is a hearing to consider **an appeal from an automatic fine**, the Filing Officer has imposed a fine on you for your failure to file a campaign treasurer's report on the designated due date and, by filing an appeal, you have asked the Commission to consider either (1) that the report was in fact timely filed; or (2) that there were unusual circumstances that excused the failure to file the report timely. You are required to prove your case. If the Commission finds that the report was filed timely or that there were unusual circumstances that excused the failure, it may waive the fine, in whole or in part. The Commission may reduce a fine after considering the factors in Section 106.265, Florida Statutes. If the Commission finds that the report was not timely filed and there were no unusual circumstances, the fine will be upheld.

If this is a hearing to consider a **consent order before a determination of probable cause has been made**, the Commission will decide whether to accept or reject the consent order. If the Commission accepts the consent order, the case will be closed and become public. If the Commission rejects the consent order or does not make a decision to accept or deny the consent order, the case will remain confidential, unless confidentiality has been waived.

If this is a hearing to consider a **consent order after a determination of probable cause has been made**, the Commission will decide whether to accept or reject the consent order. If the Commission accepts the consent order, the case will be closed. If the Commission rejects the consent order or does not make a decision to accept or deny the consent order, the Respondent will be entitled to another hearing to determine if the Respondent committed the violation(s) alleged.

If this is a **probable cause hearing**, the Commission will decide if there is probable cause to believe that the Respondent committed a violation of Florida's election laws. Respondent should be prepared to explain how the staff in its recommendation incorrectly applied the law to the facts of the case. *Respondent may not testify, call others to testify, or introduce any documentary or other evidence at the probable cause hearing.* The Commission will only decide whether Respondent should be *charged* with a violation and, before the Commission determines whether a violation has occurred or a fine should be imposed, Respondent will have an opportunity for another hearing at which evidence may be introduced.

If this is an **informal hearing**, it will be conducted pursuant Sections 120.569 and 120.57(2), Florida Statutes; Chapter 28 and Commission Rule 2B-1.004, Florida Administrative Code. At the hearing, the Commission will decide whether the Respondent committed the violation(s) charged in the Order of Probable Cause. The Respondent will be permitted to testify. However, the Respondent may not call witnesses to testify.

Respondent may argue why the established facts in the Staff Recommendation do not support the violations charged in the Order of Probable Cause. At Respondent's request, the Commission may determine whether Respondent's actions in the case were willful. The Respondent may also address the appropriateness of the recommended fine. If Respondent claims that his limited resources make him unable to pay the statutory fine, *he must provide the Commission with written proof of his financial resources* at the hearing. A financial affidavit form is available from the Commission Clerk.

(3) The presiding officer shall authorize the representative to appear if the presiding officer is satisfied that the representative has the necessary qualifications to responsibly represent the party's interests in a manner which will not impair the fairness of the proceeding or the correctness of the action to be taken.

In Re: Anne Gerwig

Case No.: FEC 15-518

STAFF RECOMMENDATION FOLLOWING INVESTIGATION

Pursuant to Section 106.25(4)(c), Florida Statutes, undersigned staff counsel files this written recommendation for disposition of the complaint in this case recommending that there is **probable cause** to charge Respondent with violating **Sections 106.07(5), 106.19(1)(b), and 106.19(1)(c), Florida Statutes**. Based upon a thorough review of the Report of Investigation submitted on March 16, 2017, the following facts and law support this staff recommendation:

1. On December 30, 2015, the Florida Elections Commission (“Commission”) received a sworn complaint from Bart Novack (“Complainant”), alleging that Anne Gerwig (“Respondent”) violated Chapter 106, Florida Statutes.

2. Respondent was a 2014 candidate for re-election to the Wellington Village Council, Seat 2. Respondent’s Statement of Candidate form (“DS-DE 84”) was filed on May 2, 2013. (ROI Exhibit 2)¹

3. By letter dated March 17, 2016, the Executive Director notified Respondent that Commission staff would investigate the following statutory provisions:

Section 106.07(5), Florida Statutes: Respondent, a 2014 candidate for re-election to the Wellington Village Council, Seat 2, filed campaign treasurer reports that were either incorrect or incomplete, as alleged in the complaint.

Section 106.19(1)(b), Florida Statutes: Respondent, a 2014 candidate for re-election to the Wellington Village Council, Seat 2, failed to report one or more contributions required to be reported by Chapter 106, Florida Statutes, as alleged in the complaint.

Section 106.19(1)(c), Florida Statutes: Respondent, a 2014 candidate for re-election to the Wellington Village Council, Seat 2, falsely reported or deliberately failed to include information in one or more campaign reports required by Chapter 106, Florida Statutes, as alleged in the complaint.

¹ The Report of Investigation is referred to herein as “ROI.”

Alleged Violation: Section 106.07(5), Florida Statutes

4. Complainant alleged that Respondent violated Florida's election laws by certifying that the campaign's original and amended reports (2013 Q3 – 2014 Termination) were true, correct, and complete when they were not.

5 Under Section 106.07, Florida Statutes, a campaign treasurer's report is required to contain all contributions received and all expenditures made during the reporting period. Each report is required to contain the full name, address, and occupation of each person who has made a contribution to the candidate along with the amount and date of the contribution. Each report is required to contain the full name and address of each person to whom an expenditure is made along with the amount, date, and purpose. Each report is also required to contain the total sums of all loans, in-kind contributions, other receipts, and expenditures made by a candidate during the reporting period.

6. The campaign's 2013 Q3, 2013 M10, and 2013 M11 reports were filed on October 10, 2013, November 11, 2013, and December 10, 2013, respectively. (ROI Exhibit 6, page 1; ROI Exhibit 8, page 1; ROI Exhibit 10, page 1) Respondent certified the reports more than two years prior to the complaint being filed in this matter. Therefore, these alleged violations are beyond the statute of limitations. *See* § 106.25(2), Fla. Stat. (2016).

7. The campaign's amended 2013 Q3 Report misidentified the total monetary expenditures to date. (ROI Exhibit 7) (*See* ROI Table 1, page 3) The campaign's amended 2013 M10 Report misidentified the total monetary expenditures to date. (ROI Exhibit 9) (*See* ROI Table 1, page 3) The campaign's amended 2013 M11 Report misidentified the total monetary expenditures to date. (ROI Exhibit 11) (*See* ROI Table 1, page 3) Each of the amended reports' monetary expenditures is incorrect by \$0.20. Commission staff does not believe that Respondent's certification of these reports rises to the level of willfulness.

8. The campaign's 2013 M12 Report misidentified the source of a contribution and the total monetary expenditures to date. (ROI Exhibit 12; ROI Exhibit 27, page 2) (*See* ROI Table 1, page 3) The amended report incorrectly identified the total monetary expenditures to date. (ROI Exhibit 13) (*See* ROI Table 1, page 3)

9. The campaign's 2014 M1 Report failed to disclose an expenditure totaling \$144.00, misidentified the source of two contributions, and the total monetary expenditures to date. (ROI Exhibit 14; ROI Exhibit 28, page 2; ROI Exhibit 27, page 3) (*See* ROI Table 1, page 4) The amended report misidentified the total monetary expenditures to date. (ROI Exhibit 15) (*See* ROI Table 1, page 4) The second amended report misidentified the total monetary expenditures to date. (ROI Exhibit 16) (*See* ROI Table 1, page 4)

10. The campaign's 2014 G1 Report failed to disclose two contributions totaling \$1,025.00 and two expenditures totaling \$37.54, and misidentified the source of a contribution, the total monetary contributions to date, and the total monetary expenditures to date. (ROI Exhibit 17; ROI Exhibit 27, pages 4-6; ROI Exhibit 26, pages 10 & 11) (*See* ROI Table 1, page 4) The amended report misidentified the total monetary contributions to date and the total

monetary expenditures to date. (ROI Exhibit 18) (*See* ROI Table 1, page 4) The second amended report misidentified the source of two contributions, and the total monetary expenditures to date. (ROI Exhibit 19; ROI Exhibit 27, pages 5 & 6) (*See* ROI Table 1, page 5)

11. The campaign's 2014 G2 Report misidentified the source of two contributions, the occupation of a contributor, the dates of two expenditures, the amount of one expenditure, the total monetary contributions to date, and the total monetary expenditures to date. (ROI Exhibit 20; ROI Exhibit 27, pages 7-9; ROI Exhibit 26, pages 10 & 11) (*See* ROI Table 1, page 5) The amended report failed to report an expenditure totaling \$37.10, and misidentified the total monetary expenditures to date. (ROI Exhibit 21; ROI Exhibit 26, page 11) (*See* ROI Table 1, page 6)

12. The campaign's 2014 G3 Report failed to disclose two expenditures totaling \$128.78, reported a \$50 contribution when no contribution took place, misidentified the source of a contribution, the date of an expenditure, the amount of an expenditure, the source of an expenditure in the amount of \$10,700.00, the total monetary contributions to date, and the total monetary expenditures to date. (ROI Exhibit 22; ROI Exhibit 26, pages 10 & 11; ROI Exhibit 27, pages 11 & 13; ROI Exhibit 28, page 3) (*See* ROI Table 1, page 6) The amended report misidentified a person's name, and the total monetary expenditures to date. (ROI Exhibit 23; ROI Exhibit 27, page 11) (*See* ROI Table 1, page 7)

13. The campaign's 2014 Termination Report failed to report three expenditures totaling \$103.41, reported two expenditures totaling \$231.32 when no expenditures took place, misidentified the total monetary contributions to date, and the total monetary expenditures to date. (ROI Exhibit 24; ROI Exhibit 26, pages 13, 19, & 20) (*See* ROI Table 1, page 7) The amended report misidentified the amount of an expenditure. (ROI Exhibit 25; ROI Exhibit 26, page 13) (*See* ROI Table 1, page 7)

14. Respondent stated that all of the amounts on the report summary pages were correct. (ROI Exhibit 30, page 2) She stated that reporting expenditures to Facebook was difficult, she was uncertain about some of the names of her contributors, she was unaware that a DMD was not a physician but a dentist, and that she received a refund of a deposit from Home Depot which is why she reported the expenditure minus the deposit instead of the entire amount followed by a negative expenditure (refund of deposit). (ROI Exhibit 29, page 6)

15. Respondent certified that the campaign's 2013 M12, 2014 M1, 2014 G1, 2014 G2, 2014 G3, and 2014 Termination reports were true, correct, and complete when they were not. With regard to Respondent's certification of multiple amended reports for the above-referenced reporting periods, Commission staff recommends that the Commission exercise its discretion and forgo charging under Section 106.07(5), Florida Statutes, since the amendments appear to be an attempt to correct the original reporting.

Alleged Violation: Section 106.19(1)(b), Florida Statutes

16. Complainant alleged that Respondent violated Florida's election laws by failing to report contributions required to be reported by Chapter 106, Florida Statutes. The reporting

periods at issue begin with the 2013 M12 reporting period (from December 1, 2013) and end with the 2014 Termination reporting period (through June 9, 2014).

17. A subpoena was issued to Respondent's designated campaign depository to ascertain whether any contributions were received during the relevant reporting periods which were not reported.

18. Respondent's bank records reflect two contributions totaling \$1,025.00 that Respondent failed to disclose on one of her campaign treasurer's report. (ROI Exhibit 17; ROI Exhibit 27, pages 5 & 6) (*See* ROI, Table 1, page 4)

19. Almost nine months after the election took place, Respondent amended the report to add the two contributions, however, she misidentified the source of both contributions. (ROI Exhibit 19, page 2; ROI Exhibit 27, pages 5 & 6) (*See* ROI, Table 1, page 5)

20. Respondent did not provide a response to this specific allegation.

21. Respondent failed to report contributions required to be reported by Chapter 106, Florida Statutes, on the campaign's 2014 G1 Report.

Alleged Violation: Section 106.19(1)(c), Florida Statutes

22. Complainant alleged that Respondent violated Florida's election laws by falsely reporting or deliberately failing to include information required by Chapter 106, Florida Statutes. The reporting periods at issue begin with the 2013 M12 reporting period (from December 1, 2013) and end with the 2014 Termination reporting period (through June 9, 2014).

23. A subpoena was issued to Respondent's designated campaign depository to ascertain whether any contributions were received or expenditures were made during the relevant reporting periods which were not reported or falsely reported.

24. Respondent's bank records reflect two contributions totaling \$1,025.00 that Respondent failed to disclose on one of her campaign treasurer's report. (ROI Exhibit 17; ROI Exhibit 27, pages 5 & 6) (*See* ROI, Table 1, page 4)

25. Respondent's bank records reflect eight expenditures totaling \$413.73 that Respondent failed to disclose on four of her campaign treasurer's reports. (ROI Exhibits 14, 17, 22, & 24; ROI Exhibit 28, page 2; ROI Exhibit 26, pages 10, 11, 13, 19, & 20) (*See* ROI, Table 1, pages 4, 6, & 7)

26. Additionally, Respondent's bank records do not reflect two expenditures totaling \$231.32 to the United States Postal Service and Respondent as disclosed in the campaign's 2014 Termination Report. (ROI Exhibit 24) (*See* ROI, Table 1, page 7)

27. Almost nine months after the election took place, Respondent amended her 2014 G1 Report to add the two contributions, however, she misidentified the source of both

contributions. (ROI Exhibit 19, page 2; ROI Exhibit 27, pages 5 & 6) (See ROI, Table 1, page 5) Between one month before to almost nine months after the election, Respondent amended some of her reports to add six of the eight undisclosed expenditures and delete the two expenditures that did not have any supporting bank records, however, many of the added expenditures were incorrectly reported, i.e., incorrect report or incorrect transaction date. (ROI Exhibit 18, page 2; ROI Exhibit 20, page 3; ROI Exhibit 23, page 3; ROI Exhibit 25, page 2) (See ROI, Table 1, page 5)

28. Respondent stated that reporting expenditures to Facebook was difficult, and that she received a refund of a deposit from Home Depot which is why she reported the expenditure minus the deposit instead of the entire amount followed by a negative expenditure (refund of deposit). (ROI Exhibit 29, page 6)

29. Respondent alleges that since the complaint specifically references the 2013 Q3 Report, which is beyond the statute of limitations, that the entire complaint should then be beyond the statute of limitations. She believes that since many of the findings published in the Report of Investigation were discovered by Commission staff over two years after the alleged violations took place, the alleged violations cannot be investigated. (Attachment A)

30. This is a misinterpretation of the Florida Election Code. Pursuant to Section 106.25(2), Florida Statutes, “[a]ll sworn complaints alleging violations of the Florida Election Code over which the commission has jurisdiction shall be filed with the commission within 2 years after the alleged violations. The period of limitations is tolled on the day a sworn complaint is filed with the commission.”

31. Respondent was not a first-time candidate. Respondent was elected to Wellington Village Council, Seat 2 in 2010, was re-elected to Wellington Village Council, Seat 2 in 2014, and was elected to Wellington Village Mayor in 2016. (ROI Exhibit 32, page 4)

32. Chapter 106, Florida Statutes, requires candidates to report any contributions received and any expenditures made for the purpose of influencing the results of an election. Respondent deliberately failed to include information required by Chapter 106, Florida Statutes, on the campaign’s 2014 M1, 2014 G1, 2014 G3, and 2014 Termination reports. Respondent falsely reported information required by Chapter 106, Florida Statutes, on the campaign’s 2014 Termination Report.

33. “Probable Cause” is defined as reasonable grounds of suspicion supported by circumstances sufficiently strong to warrant a cautious person in the belief that the person has committed the offense charged. *Schmitt v. State*, 590 So. 2d 404, 409 (Fla. 1991). Probable cause exists where the facts and circumstances, of which an [investigator] has reasonably trustworthy information, are sufficient in themselves for a reasonable man to reach the conclusion that an offense has been committed. *Department of Highway Safety and Motor Vehicles v. Favino*, 667 So. 2d 305, 309 (Fla. 1st DCA 1995).

34. The facts set forth above show that Respondent was a 2014 candidate for re-election to the Wellington Village Council, Seat 2. Respondent certified that the campaign’s

2013 M12, 2014 M1, 2014 G1, 2014 G2, 2014 G3, and 2014 Termination reports were true, correct, and complete when they were not. Respondent failed to report contributions required to be reported by Chapter 106, Florida Statutes, on the campaign's 2014 G1 Report. Respondent deliberately failed to include information required by Chapter 106, Florida Statutes, on the campaign's 2014 M1, 2014 G1, 2014 G3, and 2014 Termination reports. Respondent falsely reported information required by Chapter 106, Florida Statutes, on the campaign's 2014 Termination Report.

Based upon these facts and circumstances, I recommend that the Commission find **probable cause** to charge Respondent with violating the following:

Count 1:

On or about January 13, 2014, Anne Gerwig violated Section 106.07(5), Florida Statutes, when she certified that the campaign's 2013 M12 Report was true, correct, and complete when it was not.

Count 8:

On or around February 11, 2014, Anne Gerwig violated Section 106.19(1)(c), Florida Statutes, when she deliberately failed to include information required by Chapter 106, Florida Statutes, on the campaign's 2014 M1 Report.

Count 9:

On or around February 18, 2014, Anne Gerwig violated Section 106.19(1)(c), Florida Statutes, when she deliberately failed to include information required by Chapter 106, Florida Statutes, on the campaign's 2014 G1 Report.

RECEIVED

STATE OF FLORIDA
ELECTIONS COMMISSION

Dear Ms. Hinson,

Please accept this letter as my response to your letter of investigative findings dated March 17, 2017.

This letter follows my previous response dated more than one year ago on March 25, 2016 regarding Case No. FEC 15-518 pertaining to a campaign contribution I reported on September 25, 2013, over three and a half years ago.

The complaint, filed **December 30, 2015** by habitual complaint filer Bart Novack, specifically referred to a contribution I reported on September 25, 2013 for \$100 from Cheryl Wellman.

The Report Type was Q3. The reporting period for this transaction was 7-01-2013 through 9-30-2013.

As I pointed out in my initial letter, both the contribution and the report were beyond the two-year statute of limitations.

Further, Mr. Novack included no supporting documentation with his complaint, which you noted in your investigative findings.

It was, and still is, my opinion that this complaint should have been found to be legally insufficient.

The commission previously found similar complaints by Mr. Novack to be legally insufficient because the "alleged wrongful acts occurred more than two years prior to the date the complaint was filed with the FEC," as is this complaint.

Additionally, in the complaint, Mr. Novack quotes Florida Statute 106.07(5) prohibiting a candidate from certifying to the correctness of a campaign treasurer's report that is incorrect, false, or incomplete.

Attachment A

The statement is in reference to the Q3 report.

Mr. Novack goes on to say that the alleged error “makes all other reports including amendment (sic) incorrect, false as well.”

As I stated in my previous response of March 25, 2016, the amounts reflected on the Q3 report are correct (see below) and that subsequent reports are correct as well.

Still, Mr. Novack’s allegation does not give the Commission carte blanche to conduct a forensic audit of every subsequent treasurer’s report I filed to look for potential violations that are not alleged in the complaint, which is what you have done.

Your actions contradict your own statement in Section 25 of your findings that the Commission is prohibited from investigating potential violations that are not alleged in the complaint.

Also, as I noted previously, the Q3 report, referenced in the complaint, is beyond the two-year statute of limitations.

In turn, I was perplexed when you told me you had reviewed other treasurer reports I had previously filed for potential violations and were drafting a letter summarizing your findings.

I subsequently had my campaign consultant, Richard Giorgio, whom I authorized to communicate with the Commission, speak with Commission Attorney Stephanie Cunningham.

Ms. Cunningham shared Mr. Giorgio’s sentiment that the Commission should not be investigating complaints that occurred more than two years prior to the date the complaint was filed with the FEC and that the Commission is prohibited from investigating potential violations that are not alleged in the complaint.

For these reasons, I ask that you consult with Ms. Cunningham before proceeding any further.

None of the myriad of transactions identified in your findings were alleged in the complaint and all are currently beyond the two-year statute of limitations. Even if you base your findings on the filing date of Mr. Novack’s complaint, many of the transactions you identified are still beyond the two-year statute of limitations.

In an abundance of caution, I also want to reiterate what I initially said about the contribution which was the focus of Mr. Novack's complaint.

Here are the facts:

The amounts reflected on my Campaign Treasurer's Report Summary for the Q3 reporting period ending September 30, 2013 are correct.

As you know, the Village of Wellington does not provide any vehicle for candidates to file their campaign treasurer reports electronically.

When I file my reports, I use the online PDF provided in the "Forms and Publications" section on the Florida Division of Elections website.

Data keyed into form DS-DE-13, Itemized Contributions, can only be entered one page at a time. After completing the page, I print the page. Then, I must delete that data from the page before starting a new page.

If you look closely at my list of itemized contributions on my Q3 report, you will see that I missed deleting the third contribution on page three (Cheryl Wellman). Cheryl Wellman is also the third contribution on the previous page (page two).

I did not count Cheryl Wellman's contribution twice. Cheryl Wellman did not make two separate contributions. The total "Cash & Checks" amount listed on the Report Summary is correct. Even the sequence numbers listed on the Itemized Contributions pages are correct. I accidentally forgot to delete that entry when I began entering the data for page three.

It is my desire to have this complaint resolved amicably.

I look forward to your response.

Thank you.

RECEIVED
2017 APR -4 P 1:14
STATE OF FLORIDA
ELECTIONS COMMISSION

Dear Ms. Hinson,

Please accept this letter as my response to your letter of investigative findings dated March 17, 2017.

This letter follows my previous response dated more than one year ago on March 25, 2016 regarding Case No. FEC 15-518 pertaining to a campaign contribution I reported on September 25, 2013, over three and a half years ago.

The complaint, filed **December 30, 2015** by habitual complaint filer Bart Novack, specifically referred to a contribution I reported on September 25, 2013 for \$100 from Cheryl Wellman.

The Report Type was Q3. The reporting period for this transaction was 7-01-2013 through 9-30-2013.

As I pointed out in my initial letter, both the contribution and the report were beyond the two-year statute of limitations.

Further, Mr. Novack included no supporting documentation with his complaint, which you noted in your investigative findings.

It was, and still is, my opinion that this complaint should have been found to be legally insufficient.

The commission previously found similar complaints by Mr. Novack to be legally insufficient because the "alleged wrongful acts occurred more than two years prior to the date the complaint was filed with the FEC," as is this complaint.

Additionally, in the complaint, Mr. Novack quotes Florida Statute 106.07(5) prohibiting a candidate from certifying to the correctness of a campaign treasurer's report that is incorrect, false, or incomplete.

The statement is in reference to the Q3 report.

Mr. Novack goes on to say that the alleged error “makes all other reports including amendment (sic) incorrect, false as well.”

As I stated in my previous response of March 25, 2016, the amounts reflected on the Q3 report are correct (see below) and that subsequent reports are correct as well.

Still, Mr. Novack’s allegation does not give the Commission carte blanche to conduct a forensic audit of every subsequent treasurer’s report I filed to look for potential violations that are not alleged in the complaint, which is what you have done.

Your actions contradict your own statement in Section 25 of your findings that the Commission is prohibited from investigating potential violations that are not alleged in the complaint.

Also, as I noted previously, the Q3 report, referenced in the complaint, is beyond the two-year statute of limitations.

In turn, I was perplexed when you told me you had reviewed other treasurer reports I had previously filed for potential violations and were drafting a letter summarizing your findings.

I subsequently had my campaign consultant, Richard Giorgio, whom I authorized to communicate with the Commission, speak with Commission Attorney Stephanie Cunningham.

Ms. Cunningham shared Mr. Giorgio’s sentiment that the Commission should not be investigating complaints that occurred more than two years prior to the date the complaint was filed with the FEC and that the Commission is prohibited from investigating potential violations that are not alleged in the complaint.

For these reasons, I ask that you consult with Ms. Cunningham before proceeding any further.

Even if you base your findings on the filing date of Mr. Novack’s complaint, many of the transactions you identified are still beyond the two-year statute of limitations.

In an abundance of caution, I also want to reiterate what I initially said about the contribution which was the focus of Mr. Novack's complaint.

**FLORIDA ELECTIONS COMMISSION
REPORT OF INVESTIGATION
Case No.: FEC 15-518**

Respondent: Anne Gerwig

Counsel for Respondent: None

Complainant: Bart Novack

Counsel for Complainant: None

On December 30, 2015, the Florida Elections Commission (“Commission”) received a sworn complaint alleging that Respondent violated Chapter 106, Florida Statutes. Commission staff investigated whether Respondent violated the following statutes:

Section 106.07(5), Florida Statutes, prohibiting a candidate from certifying to the correctness of a campaign treasurer's report that is incorrect, false, or incomplete;

Section 106.19(1)(b), Florida Statutes, failure of a person or organization to report a contribution required to be reported by Chapter 106, Florida Statutes; and

Section 106.19(1)(c), Florida Statutes, prohibiting a person or organization from falsely reporting or deliberately failing to report information required by Chapter 106, Florida Statutes.

I. Preliminary Information:

1. Respondent's name is Anna M. Gerwig; however, her name appeared on the ballot and in this complaint as Anne Gerwig. Respondent was a candidate for re-election to the Wellington Village Council, Seat 2, in 2014. She was first elected to the Village Council, Seat 2, on March 9, 2010, to a four-year term. (Note: Respondent resigned her 2014 council seat to run for Mayor; she was elected, and on March 15, 2016, took the Oath of Office for Mayor.) To review her Affidavit of Nickname, refer to Exhibit 1. To review her Statement of Candidate for her 2014 re-election, refer to Exhibit 2. To review her Statement of Candidate for her 2010 campaign, refer to Exhibit 3.

2. Respondent's husband, Alan Gerwig, served as her campaign treasurer; she was her deputy campaign treasurer. To review her Forms DS-DE 9, refer to Exhibits 4 and 5.

3. Respondent's filing officer was Ms. Awilda Rodriguez, Clerk, Village of Wellington, in Palm Beach County, Florida. She retired in 2016. Since March 6, 2017 Ms. Chevelle Nubin serves as Clerk for the Village of Wellington.

4. Complainant was a 2016 candidate for the Wellington Village Council, Seat 4; he withdrew as a candidate on October 18, 2015. He is reported to be a “community activist.”

II. Alleged Violation of Section 106.07(5), Florida Statutes:

5. I investigated whether Respondent violated this section of the elections laws by certifying that her campaign treasurer's reports (“CTRs”) and their amendments were true, correct and complete when they were not.

6. Complainant alleges that Respondent certified one or more of her CTRs for her 2014 campaign, and their amendments, were true, correct, and complete when they were not. (Note Complainant did not submit any documents with his complaint for our review.)

7. Specifically, Complainant asserts beginning with Respondent’s 2013 Q3 reporting period through the campaign termination period, including all 11 report amendments filed in response to her “forensic” audit, are incorrect by \$100. (Note: at the time Complainant filed the instant complaint, Respondent’s 2013 Original Q3, M10, and M11 Reports were filed more than two years ago, and were outside the two-year statute of limitations for our review. However, several errors were identified in these CTRs; therefore, they will be included in Table 1, and are marked by an asterisk (“*”). And it appears Respondent’s 2013 Q2 Report, Respondent’s first CTR filed for her 2014 re-election campaign, and outside the two-year statute of limitations for our review, and not of specific concern to Complainant, had a \$0.20 expenditure reporting error that carried over to subsequent CTRs and contributed to incorrect expenditure totals.) To review Respondent’s CTRs of specific concern to Complainant, refer to Exhibits 6 through 25.

8. I secured records from Respondent’s campaign depository, TD Bank, N.A., by subpoena, and compared them to her CTRs. (Note: Respondent’s personal contributions to her 2014 campaign were disclosed as contributor type “I” for “Individual” rather than “S” for “Candidate to Self” with contribution type as “LOA.”) To review relevant pages of the monthly bank statements and debit card transactions, refer to Exhibit 26. To review relevant contributions, refer to Exhibit 27. To review relevant check expenditures, refer to Exhibit 28.

9. Table 1 summarizes the errors Respondent made on her CTRs at issue in the instant complaint.

numbers 11 and 19, from Cheryl Wellman, in the amount of \$100 were duplicates of each other, and on page 3 of her CTR appears an entry identifying a contribution in the amount of \$50.00 from John P. Mancini also dated September 25, 2013, and sequence number 19, following the duplicate entry for Cheryl Wellman. To review the phone log, refer to Exhibit 29, entry number 1.

11. On March 29, 2016, Respondent submitted an Affidavit declaring that Complainant's allegation is incorrect and the amounts reflected on her 2013 Q3 Report Summary Page are correct as are all subsequent reports. She affirms that she did not count Ms. Wellman's contribution twice and Ms. Wellman did not make two contributions. To review her affidavit, refer to Exhibit 30.

12. I found no record of previous complaints to indicate that Respondent has violated this section of Florida's election laws.

III. Alleged Violation of Section 106.19(1)(b), Florida Statutes:

13. I investigated whether Respondent violated this section of the election laws by failing to report campaign contributions on her campaign treasurer reports.

14. Complainant alleged Respondent failed to report campaign contributions.

15. To review information regarding this section of the election laws, refer to paragraphs 8 through 11 in this report.

16. I found no record of previous complaints to indicate that Respondent has violated this section of Florida's election laws.

IV. Alleged Violation of Section 106.19(1)(c), Florida Statutes:

17. I investigated whether Respondent violated this section of the election laws by failing to report campaign expenditures on her campaign treasurer reports.

18. Complainant alleged Respondent failed to report campaign expenditures.

19. To review information regarding this section of the election laws, refer to paragraphs 8 through 11 in this report.

20. I found no record of previous complaints to indicate that Respondent has violated this section of Florida's election laws.

V. FEC History:

21. In June 2013, we received a complaint alleging that Respondent failed to report \$5,037.56 in expenditures in her 2010 TR. The complaint was found to be legally insufficient because the alleged wrongful acts occurred more than two years prior to the date the complaint was filed with the FEC. And Complainant filed two complaints during the 2016 election cycle against Respondent regarding political advertisements that were deemed legally insufficient by our Executive Director.

Conclusion:

22. On February 15, 2017, Respondent returned my call so I may interview her by telephone, and give her an opportunity to respond to the information gathered during the investigation concerning the allegations made in the complaint. I reviewed with her the information I had gathered during my investigation, and she requested I speak with her campaign

consultant to explain my findings since he had also reviewed her CTRs during their earlier audit. However, on February 16, 2017, by email, Respondent requested I proceed with my report of investigation and they would prepare a response. To review the phone log, refer to Exhibit 29, entry number 13. To review the related email thread, refer to Exhibit 31.

23. The filing officer affirmed she provided Respondent the following relevant information: Chapters 104 and 106, Florida Statutes; Calendar of Reporting Dates; the *November 2013 Candidate and Campaign Treasurer Handbook*; and referred Respondent to the DOE's, SOE's and city clerk's websites to obtain relevant candidate publications and information. The filing officer also provided Respondent notice informing the municipal candidates of new monthly reporting requirements effective November 1, 2013, and information regarding 2014 Candidate Workshops offered by the Palm Beach County Supervisor of Elections Office. To review the Affidavit of Filing Officer, refer to Exhibit 32. To review relevant Affidavit's from staff, refer to Exhibits 33 through 35.

24. Respondent signed and filed her Statement of Candidate on May 2, 2013, for her 2014 re-election campaign. She signed and filed her Statement of Candidate for her 2010 campaign on November 2, 2009. To review her Statement of Candidate for her 2014 re-election campaign, refer to Exhibit 2. To review her Statement of Candidate for her 2010 campaign, refer to Exhibit 3. To review relevant pages of the *Candidate and Campaign Treasurer Handbook*, refer to Exhibit 36.

25. During my investigation of the allegations contained in the sworn complaint, it appears Respondent may have made an unauthorized expenditure during her TR cover period to Patriot Games Consulting in the amount of \$500 as a "victory bonus." And it appears Respondent may not have deposited contributions into her campaign account within five business days. However, because these potential violations were not alleged in the complaint, I did not further investigate this information.

Respectfully submitted on March 16, 2017.

**FLORIDA ELECTIONS COMMISSION
PHONE LOG
Case No.: FEC 15-518**

Respondent: Anne Gerwig

Complainant: Bart Novack

1. **Date and time:** 03/24/16

Name: Respondent--Anne Gerwig

Phone #: 561-792-9000 (caller I.D.)

Summary: Respondent phoned, requested to speak with me, and her call was transferred to me by Erin Riley. Respondent identified herself to me, explained prior to our receiving the sworn complaint, Complainant had addressed several issues with her during her 2014 campaign, she had responded to his queries, and filed amended CTRs with her filing officer. Respondent indicated her 2013 Q2 Report is outside the two-year statute of limitations; I concurred.

She informed me that she and a consultant had reviewed the entirety of her CTRs and she referred to this as a "forensic audit," and filed amendments as needed. She intimated that she did not buy reporting software for this (2014) campaign but it was her first purchase for her 2016 campaign for Mayor. Respondent noted that itemized contribution entries dated September 25, 2013, sequence numbers 11 and 19, from Cheryl Wellman, in the amount of \$100 were duplicates of each other, and on page 3 of her CTR appears an entry identifying a contribution in the amount of \$50.00 from John P. Mancini also dated September 25, 2013, and sequence number 19, following the duplicate entry for Cheryl Wellman. Respondent indicated the duplicate \$100 contribution entry for Ms. Wellman was not included in the contribution totals. She offered to provide copies of relevant bank records and indicated she had to purchase copies of some records; I requested she provide her account information so I may obtain what I require by subpoena; she agreed.

Respondent indicated she received our notice of the complaint on March 15, 2016, the same date she took the Oath of Office for Mayor, Village of Wellington. Respondent indicated she will provide a response by email by Monday. I explained that she may wish to provide a sworn response by mail by adding the oath as it appears on the last page of the instant complaint for an example. She noted she is not an attorney but a "land surveyor." Respondent wishes to waive confidentiality so I may speak with her consultant regarding their "forensic audit" of her CTRs. I requested she provide a waiver of confidentiality in writing and noted she may provide it by email. I provided my email address.

Phone #: 561-252-9828 (caller I.D.)
Summary: She phoned and indicated that Rachel from the clerk's office had informed her that I called; she intimated she had taken the day off for a long, quiet, Easter weekend and there appear to be several urgent issues occurring on her day off. I apologized for the interruption to her vacation. She asked how she may assist me; I noted my investigation, all communication and correspondence to and from me are confidential; however, my query is not unusual as I wish to obtain copies of documents filed by a local candidate. She will inform Rachel to provide assistance to me. I indicated that I have had other investigations concerning local candidates and understand issues with the village servers making all incoming and outgoing emails public records, etc. (Note: the Village offices are closed every Friday.)

I noted their website identifies her as the acting village clerk; she noted she is until Ms. Rodriguez returns from vacation on Monday. She recalled I had coordinated my requests during another investigation with Megan Rogers, village attorney.

I requested she fax Respondent's Form DS-DE 9, Appointment of Treasurer and Designation of Campaign Depository form for Respondent's 2014 re-election campaign. I indicated that I will provide an affidavit-questionnaire at a later time and wish to email it to her. She will call Ms. Cohen, village attorney, to see if she may fax Form DS-DE 9 to me without it becoming public record and how I may email the affidavit-questionnaire. I apologized for her having to contact Ms. Cohen during her (Cohen's) time off; Ms. Callovi indicated she will keep the call very brief.

Summary: Respondent returned my call; I explained that I am reviewing her CTRs and she may wish to settle the instant case with our legal staff; she agreed. Respondent indicated she is overwhelmed by all the complaints Complainant has filed with the Commission, County COE and State COE, her daughter is getting married in one month and it is parent's weekend at UCF for her other child, and she must go home and pack a bag for the weekend.

Respondent requested that I discuss my findings with her campaign consultant with whom she has authorized (waived confidentiality in writing) me to discuss the instant case since she has difficulty understanding what is involved and being investigated. I explained that he's unable to negotiate a settlement since she wishes to settle; however, I agreed to review the CTRs with him, discuss my findings and he may call me. 10. **Date and time:** 09/16/16; 2:00 p.m.

Name: Richard Giorgio—campaign consultant, Patriot Games Consulting

Phone #: 561-651-1499 (caller I.D.)

Summary: He phoned, identified himself and asked me to identify the CTRs I am reviewing; I identified the CTRs since December 2014 through her 2014 TR and amendments, including her 2013 M12 (1 amendment), 2014 M1 (2 amendments), G1 (1 amendment), G2 (1 amendment), G3 (1 amendment) and 2014 TR (1 amendment). Mr. Giorgio noted Respondent's 2013 Q3 Report totals are correct since the \$100 contribution from Cheryl Wellman, dated September 25, 2013, sequence numbers 11 and 19, are duplicates, and Ms. Wellman's contribution identified in sequence number 19 was not included in the totals for contributions, and are outside our 2-year statute of limitations for review. He explained when Respondent completed the entries on the page with sequence number 11, she failed to clear the page of all entries before entering the contributions on the next page (sequence number 19).

Mr. Giorgio said he reviewed her CTRs and bank records with Respondent, and subsequent amendments were filed **BEFORE** Complainant filed the instant complaint and believes all issues are resolved. (It's noted that she discussed these issues with Complainant before the filing of the instant complaint.) I noted a campaign expenditure to Facebook in the amount of \$37.10 was posted to Respondent's account on February 20, 2014; however, it was not disclosed until February 22, 2014 on Respondent's 2014 G3 Amendment rather than her 2014 G2 Original. Mr. Giorgio said he will explain all this to Respondent today when they consider settling the instant case; I requested Respondent provide a written request for settlement by email.

Respondent will wait for Attorney Cunningham's call regarding settlement. 13. **Date and time:** 02/15/17; 5:05 p.m.

Name: Respondent—Anne Gerwig

Phone #: 561-602-1630 (cell phone; caller I.D.)

Summary: Respondent returned my call; she went outside to take my call but had to return inside because of mosquitoes; I acknowledged I could hear her when she went inside. I explained that candidates may continue same types of reporting errors from previous candidacies, because they as candidate and/or campaign treasurer do not know how to correctly report contributions and/or expenditures—just because there was never a prior complaint does not mean everything was completed correctly. I reviewed with Respondent the issues I found in her CTRs (including the CTRs outside our 2-year statute of limitations that are included in my ROI) so she may better understand the issues that resulted in subsequent CTR Summary Pages (TOTALs) being incorrect, etc.

I discussed in detail the reporting errors identified in her CTRs including the following: Respondent reported an expenditure to Facebook on wrong CTR (reporting cover period)—reported on later CTR (based upon date debit card transaction occurred or when expenditure cleared bank). Respondent did not accurately identify some contributors; I suggested Respondent identify the contributor as identified by name imprinted on the check contribution such as “Living Trust.” Identify the contributor as the one signing the check when 2 names are imprinted on check—it appears “Peter” signed check based upon the signature rather than “Cheryl.” Use business name as imprinted on check rather than identify the contribution from an individual such as a physician (business entity including d/b/a imprinted on check); dental practice—dentist (DDS and/or DMD); “attorney at law,” etc. Respondent abbreviated name of contributor using other than standard abbreviation that appears to suggest different contributor: Schechter Opper. Capital LLLP rather than Schechter Operating (suggested abbreviation as “Oper.” if needed due to space limitations) Capital LLLP.

I suggested Respondent report contribution found in bank records as name imprinted on contribution check—misspelling name of contributor or reported contributor as “Lazar” rather than “Lazarow.” Respondent reported expenditure(s) not found in the bank records such as reported \$10,700 expenditure to Topline Direct rather than Patriot Games as name of payee appearing on payment instrument/campaign expenditure. She reported two expenditures to USPS; however, only one found in bank records. Respondent amended CTR by “DEL” \$490 contribution that is in bank records, and “ADD” \$200 contribution not in bank records. Respondent reported different amount for expenditures: amount of expenditure reported to Home Depot different than transaction(s) found in bank records—\$200 expenditure/debit transaction in bank records; failed to report an expenditure refund (debit card transaction) in the amount of \$78.73 from Home Depot; she combined two debit card

EXHIBIT 29(5 of 6)

transactions (on same day) to Checkers for food, and reported total sum as one expenditure/debit card transaction; etc.

Respondent said reporting expenditures to Facebook was difficult, and I would understand if I saw how they informed her; she did not understand that DMD (dentist) was not same as MD (physician). She believes "Cheryl" attended events and not her husband "Peter," the apparent signer of the check. Respondent was uncertain of name of contributors: Lazar vs. Lazarow; Natalie Nuvoa rather than Natalia Novoa as imprinted on check. Respondent believes the refund from Home Depot (at midnight) was return of deposit for auger used for installing signs as we discussed, (Respondent was uncertain I understood what an auger was and I indicated that she used an auger rather than using post hole digger for sign posts), and reported the amount for wood and materials for signs minus the credit for the auger deposit.

Respondent said "they" are accusing me of taking money from my campaign. She asked me to speak with Richard Giorgio, Patriot Games Consulting, because she will discuss the ROI with him as well since he had reviewed her CTRs to complete amendments for "forensic audit." I agreed to speak with him since she waived confidentiality. I explained our process to Respondent including the following: ROI and SR; she may respond in writing to ROI and SR; PC or NPC; option to negotiate settlement with legal staff; NOH and opportunity to attend meeting, if she wishes, etc. Respondent said Mr. Giorgio will call me tomorrow (Thursday), and wishes I review my findings with him.

Ms. Helen Hinson

Re: Case No.: FEC 15-518

2016 MAR 29 P 2:51

Dear Ms. Hinson,

Per our conversation of March 24, 2016, please accept this letter as my response under Section 106.25 (2) Florida Statutes regarding Case No. FEC 15-518.

1. The allegation by Mr. Novack is incorrect.
2. The amounts reflected on my Campaign Treasurer's Report Summary for the Q3 reporting period ending September 30, 2013 are correct.

Here are the facts:

I was first elected to the Village of Wellington Council in 2010. I successfully ran for re-election in 2014. On March 15, 2016, I was elected Mayor.

The Village of Wellington does not provide any vehicle for candidates to file their campaign treasurer reports electronically.

When I file my reports, I use the online PDF provided in the "Forms and Publications" section on the Florida Division of Elections website.

Data keyed into form DS-DE-13, Itemized Contributions, can only be entered one page at a time. After completing the page, I print the page. Then, I must delete that data from the page before starting a new page.

If you look closely at my list of itemized contributions on my Q3 report, you will see that I missed deleting the third contribution on page three (Cheryl Wellman). Cheryl Wellman is also the third contribution on the previous page (page two).

I did not count Cheryl Wellman's contribution twice. Cheryl Wellman did not make two separate contributions. The total "Cash & Checks" amount listed on the Report Summary is correct. Even the sequence numbers listed on the Itemized Contributions pages are correct. I simply forgot to delete that entry when I began entering the data for page three.

Per your request, my bank account was with TD bank. The account number was 428-0542197.

EXHIBIT 30 (1 of 2)

3. Per our conversation, since the amount reported on the Q3 Report Summary is correct, as are all subsequent reports, it is my understanding that the statute of limitations on this complaint has expired.

4. I would like to waive confidentiality so you can talk with campaign consultant Richard Giorgio regarding this matter.

Violations

Any candidate, campaign manager, campaign treasurer, or deputy treasurer of any candidate, agent or person acting on behalf of any candidate, or other person who knowingly and willfully:

- Accepts a contribution in excess of the limits prescribed by Section 106.08, F.S.;
- Fails to report any contribution required to be reported by Chapter 106, F.S.;
- Falsely reports or deliberately fails to include any information required by Chapter 106, F.S.; or

It may not be used or expended by or on behalf of the candidate.

(See Appendix B for 2014 Deadlines)

EXHIBIT 36 (6 of 23)

Chapter 11: Expenditures

Definition

An expenditure is a purchase, payment, distribution, loan, advance, transfer of funds by a campaign treasurer or deputy campaign treasurer between a primary depository and a separate interest-bearing account or certificate of deposit, or gift of money or anything of value made for the purpose of influencing the results of an election or making an electioneering communication.

General Requirements

A candidate **shall**:

- Pay all campaign expenditures by a check drawn on the campaign account (except petty cash);
- Pay the qualifying fee by a check drawn on the campaign account;
- Pay for all expenses authorized or incurred for the purchase of goods or services upon final delivery and acceptance of the goods or services; and
- Pay for public utilities such as telephone, electric, gas, water and like services when the bill is received. Utility companies providing services to candidates must charge a deposit sufficient to meet all anticipated charges during a billing period.

IMPORTANT: No candidate, campaign manager, treasurer, deputy treasurer, or any person acting on behalf of the foregoing, shall authorize any expenses, unless there are sufficient funds on deposit in the primary depository account of the candidate to pay the

full amount of the authorized expense, to honor all other checks draw on such account, which checks are outstanding, and to meet all expenses previously authorized but not yet paid.

Sufficient funds means that the funds at issue have been delivered for deposit to the financial institution at which such account is maintained and not that such funds are available for withdrawal in accordance with the deposit rules or the funds availability policies of such financial institution.

Checks

IMPORTANT: Only a campaign treasurer or deputy campaign treasurer is allowed to sign checks drawn on the campaign account. The campaign treasurer or deputy campaign treasurer who signs a check shall be responsible for the completeness and accuracy of the information on the check and for ensuring it is an authorized expenditure. ***Candidates are prohibited from signing campaign checks unless they have appointed themselves campaign treasurer or deputy treasurer.***

A candidate or other individual may be reimbursed for expenses incurred in connection with the campaign by a check drawn on the campaign account and reported pursuant to Section 106.07(4), F.S. The full name and address of each person to whom the candidate or other individual made payment for which reimbursement was made by check drawn upon the campaign account shall be reported pursuant to Section 106.07(4), F.S., together with the purpose of such payment.

Living Expenses

A candidate or the spouse of a candidate may not use campaign funds to defray normal living

Chapter 16: Filing Campaign Reports

Each campaign treasurer designated by a candidate shall file regular reports of all contributions received and all expenditures made by or on behalf of such candidate.

The candidate and his or her campaign treasurer shall certify as to the correctness of each report. Each person so certifying shall bear the responsibility for the accuracy and veracity of each report. Any campaign treasurer or candidate who willfully certifies the correctness of any report while knowing that such report is incorrect, false or incomplete commits a misdemeanor of the first degree.

(Section 106.07, F.S.)

Where to File

A campaign treasurer is required to file campaign treasurer's reports with the officer with whom the candidate registers.

Candidates filing reports with the Division are required to file by means of the Electronic Filing System. If the candidate's filing officer is other than the Division, contact the appropriate filing officer to find out the requirements.

The web address for filing online with the Division is: <https://efs.dos.state.fl.us>

(Section 106.07(2), F.S.)

When to File

Reports must be filed on the 10th day following the end of each calendar month from the time the candidate registers, except that if the 10th day occurs on a Saturday, Sunday or legal holiday, the report shall be filed on the next business day that is not a Saturday, Sunday or legal holiday.

A statewide candidate must file reports:

1. On the 60th day immediately preceding the primary election, and each week thereafter, with the last weekly report being filed on the 4th day immediately preceding the general election.
2. On the 10th day immediately preceding the general election, and each day thereafter, with the last daily report being filed the 5th day immediately preceding the general election.

All other candidates must file reports on the 60th day immediately preceding the primary election and bi-weekly on each Friday thereafter through and including the 4th day immediately preceding the general election, with additional reports due on the 25th and 11th days before the primary election and the general election.

For candidates that file with the Division, see the "Reporting Dates Calendar" at:

<http://election.dos.state.fl.us/publications/publications.shtml>

An individual seeking a publicly elected position on a political party executive committee who receives a contribution or makes an expenditure must file a single report of all contributions and expenditures on the 4th day immediately preceding the primary election. (See Chapter 18, Reporting for Individuals Seeking a Publicly Elected Position on a Party Executive Committee.)

Unless the electronic filing requirements of Section 106.0705, Florida Statutes, apply, reports shall be filed no later than 5 p.m. of the day designated. A report postmarked by the U.S. Postal Service no later than midnight of the

day designated is deemed timely filed. A report received by the filing officer within 5 days after the designated due date that was delivered by the U.S. Postal Service is deemed timely filed unless it has a postmark indicating the report was mailed after the designated due date. A certificate of mailing obtained from and dated by the U.S. Postal Service at the time of mailing or a receipt from an established courier company, which bears a date on or before the date on which the report is due, is proof of mailing in a timely manner. Reports filed with the Division through the Electronic Filing System (EFS) are due no later than midnight, Eastern Time, of the due date.

(Sections 106.07, 106.0705 and 106.141, F.S.)

Penalty for Late Filing

Any candidate failing to file a report on the designated due date shall be subject to a fine of \$50 per day for the first three days late and, thereafter, \$500 per day for each late day, not to exceed 25 percent of the total receipts or expenditures, whichever is greater, for the period covered by the late report. However, for the reports immediately preceding the primary and general election, the fine shall be \$500 per day for each late day, not to exceed 25 percent of the total receipts or expenditures, whichever is greater, for the period covered by the late report. For a candidate's termination report, the fine shall be \$50 per day for each late day, not to exceed 25 percent of the total receipts or expenditures, whichever is greater for the period covered by the late report. All fines must be paid from the candidate's **personal funds** – not campaign funds.

(Section 106.07(2) and (8), F.S.)

Waiver of Report

In any reporting period during which a candidate has not received funds or made any expenditures, the filing of the required report for that period is waived; **however**, the candidate must indicate there is no activity by filing a waiver of report on the prescribed due date. (Waivers filed with the Division must be filed using the EFS.) The next report filed must specify that the report covers the entire period between the last submitted report and the report being filed.

(Section 106.07, F.S.)

Incomplete Reports

If a campaign treasurer files a report that is deemed incomplete, it shall be accepted on a conditional basis. The campaign treasurer will be notified by the filing officer as to why the report is incomplete. The campaign treasurer must file an addendum to the incomplete report within seven days of notification. The addendum must include all necessary information to complete the report.

(Section 106.07(2), F.S.)

Reporting Total Sums

Each campaign treasurer's report required by Chapter 106, F.S., shall contain the total sums of all loans, in-kind contributions, and other receipts by or for such candidate, and total sums of all expenditures made by such candidate during the reporting period. The

reporting forms shall be designed to elicit separate totals for in-kind contributions, loans, and other receipts.

(Section 106.07, F.S.)

Reporting Contributions

Each report must contain:

- Full name, address, specific occupation, amount, and date of each person making a contribution. Reports must provide as clear a description as practicable of the principal type of business conducted for corporations contributing. **The principal type of business or the occupations are not required if the contribution is \$100 or less, or from a relative provided the relationship is reported.**
- Name, address, amount, and date of each political committee making any transfer of funds.
- Full name, address, specific occupation, principal place of business of the lender and endorser, date and amount of each loan.
- Statement of each contribution, rebate, refund, or other receipts not listed in 1. through 3. above.

*(Sections 106.07(4) and
112.312(21), F.S.)*

Returning Contributions

Contributions **must be returned** to the contributor **if**:

- A candidate receives a contribution in excess of the limitations provided by law.
- A candidate with opposition in an election receives a contribution on the day of that election or less than five days prior to the date of that election.

- A candidate receives a contribution once he or she is elected, defeated, becomes unopposed, or withdraws his or her candidacy.

If the contribution to be returned has not been deposited into the campaign account, report the contribution as a contribution returned using form DS-DE 02.

If the contribution has been deposited into the campaign account:

- Report the contribution; and
- Write a check from the campaign account to the contributor for the amount of the contribution and report this on the itemized contribution report using the contribution type "Refund." This amount is reported as a negative. The candidate may also wish to submit a written explanation to the filing officer.

(Section 106.08, F.S.)

Reporting Expenditures

Each report must contain:

- Full name and address of each person to whom expenditures have been made along with the amount, date, and clear purpose of the expenditure. Name, address, and office sought by each candidate on whose behalf such expenditure was made.
- Full name and address of each person to whom an expenditure for personal services, salary or reimbursed authorized expenses was made along with the amount, date, and clear purpose of the expenditure.

- Total amount withdrawn and the total amount spent from the petty cash fund. Each expenditure from the petty cash fund need not be individually reported but complete records of petty cash expenditures must be kept.
- Transaction information for each credit card purchase. Credit cards may be used by statewide (Governor, Cabinet and Supreme Court Justice) candidates only. (See Division of Elections Opinion 05-07.)
- Amount and nature of debts and obligations owed by or to the candidate, which relate to the conduct of any political campaign.
- The amount and nature of any separate interest-bearing accounts or certificates of deposit. Identification of the financial institution in which such accounts or certificates of deposit are located must be identified.
- The primary purposes of an expenditure made indirectly through a campaign treasurer for goods and services such as communications media placement or procurement services, campaign signs, insurance, and other expenditures that include multiple components as part of the expenditure. The primary purpose of an expenditure shall be that purpose, including integral and directly related components, that comprises 80 percent of such expenditure.
- Total sum of expenditures during the reporting period.

(Section 106.07, F.S.)

Special Requirements for Judicial Candidates

A candidate for retention as a Justice of the Supreme Court or a Judge of a District Court of Appeal who has not received any contributions or made any expenditures, may file a sworn statement on **Form DS-DE 96, Affidavit of Intention**, at the time of qualifying that he or she does not anticipate receiving contributions or making expenditures in connection with his or her candidacy for retention to office.

Such candidate must file a final report within 90 days following the general election for which the candidate's name appeared on the ballot for retention. The candidate may use **Form DS-DE 97, Affidavit of Compliance**, for this purpose.

A candidate for retention to judicial office who, after filing Form DS-DE 96 receives any contributions or makes any expenditures in connection with his or her candidacy for retention must immediately file a statement to

that effect with the qualifying officer and must begin filing reports as an opposed candidate pursuant to Section 106.07, F.S.

(Sections 105.08(2)
and 106.141, F.S.)

Chapter 17: Termination Reports

Once a candidate withdraws, becomes unopposed, is eliminated, or elected to office, he or she may **only** expend funds from the campaign account to:

- Purchase "thank you" advertising for up to 75 days after he or she withdraws, becomes unopposed, is eliminated, or elected to office.
- Pay for items which were obligated before he or she withdrew, became unopposed, was eliminated, or elected to office.
- Pay for expenditures necessary to close down the campaign office and to prepare final campaign reports.
- Dispose of surplus funds as provided in Section 106.141, F.S.

(Section 106.11(5), F.S.)

Because individuals who seek election to a political party executive committee are not "candidates," they do not file termination reports.

Prior to Disposing of Surplus Funds

A candidate may be reimbursed by the campaign for any previously reported contributions by the candidate to the campaign, in full or in part.

A candidate who filed an oath stating that he or she was unable to pay the fee for verification of petition signatures without imposing an undue burden on his or her personal resources or on resources otherwise available to him or her, must reimburse the state or local government

entity, whichever is applicable, for such waived fee prior to disposing of any funds under the surplus provisions contained in Section 106.141(4), F.S.

(Section 106.141, F.S.)

Disposing of Surplus Funds

Once a candidate withdraws, becomes unopposed, is eliminated, or elected to office, the candidate must dispose of the funds on deposit in his or her campaign account and file a campaign treasurer's report (termination report) reflecting the disposition of funds.

A candidate required to dispose of surplus funds must, at the option of the candidate, dispose of such funds within 90 days by any of the following means, or a combination thereof:

1. Return pro rata to each contributor the funds that have not been spent or obligated.
2. Donate the funds that have not been spent or obligated to a charitable organization or organizations that meet the qualifications of Section 501(c)(3) of the Internal Revenue Code.
3. Give not more than \$25,000 of the funds that have not been spent or obligated to the political party of which such candidate is a member.
4. Give the funds that have not been spent or obligated:
 - a. In the case of a candidate for state office, to the state to be deposited in the General Revenue Fund; or
 - b. In the case of a candidate for office of a political subdivision, to such political

subdivision, to be deposited in the general fund thereof.

5. Transfer funds to an office account (See Chapter 19, Office Accounts).
6. In the case of a candidate elected to state office, retain up to \$20,000 in the campaign account for re-election to the same office. (See Chapter 20, Carryover Campaign Funds)

The termination report must include:

1. The name and address of each person or unit of government to whom any of the funds were distributed and the amounts thereof;
2. The name and address of each person to whom an expenditure was made together with the amount and purpose; and
3. The amount of such funds transferred to an office account together with the name and address of the bank in which the office account is located.

If a refund check is received after all surplus funds have been disposed of, the check may be endorsed by the candidate and the refund disposed of pursuant to Section 106.141, F.S. An amended termination report must be filed with the filing officer.

All reports must be signed by the candidate and the campaign treasurer and certified as true and correct.

(Section 106.141, F.S.)

Money from Separate Interest-Bearing Account or Certificate of Deposit

A campaign treasurer of any candidate who withdraws, becomes unopposed, or is eliminated, or elected to office, and who has funds on deposit in any interest-bearing account or certificate of deposit, must, within seven days, transfer such funds and accumulated interest earned thereon to the primary campaign account for disposal. However, when funds are in an account in which penalties will apply for withdrawal within the seven day period, the campaign treasurer must transfer such funds and accumulated interest earned thereon as soon as the funds can be withdrawn without penalty, or within 90 days after the candidate becomes unopposed, withdraws his or her candidacy, or is elected, or eliminated, whichever comes first.

(Section 106.141, F.S.)

Campaign Loans Report

A person elected to office must report all loans, exceeding \$500 in value, made to him or her and used for campaign purposes, and made in the twelve months preceding his or her election to office, to the filing officer. The report must be made on **Forms DS-DE 73 and 73A, Campaign Loan Report** within ten days after being elected to office. Loan reports filed with the Division must be filed using the EFS.

Any person who makes a contribution to an individual to pay all or part of a loan incurred in the twelve months preceding the election, to be used for the individual's campaign, may not contribute more than the amount which is allowed in Section 106.08(1), F.S.

(Section 106.075, F.S.)

(Section 106.05, F.S.)

Expenditures

(Section 106.06, F.S.)

2. **Credit Cards for Statewide (Governor, Cabinet and Supreme Court Justice) Candidates Only** - Receipts for each credit card purchase shall be retained by the treasurer with the records for the campaign account. The treasurer shall require an accounting of actual expenses and reconcile any overpayment or underpayment to the original payee.

(Sections 106.07 and 106.125, F.S.)

3. Receipts for debit card transactions must contain: (1) the last four digits of the debit card number; (2) the exact amount of the expenditure; (3) the name of the payee; (4) the signature of the campaign treasurer, deputy treasurer, or authorized user; and (5) the exact purpose for which the expenditure is authorized. Any information required but not included on the debit card transaction receipt may be handwritten on, or attached to, the receipt by the authorized user before submission to the treasurer.

(Section 106.11, F.S.)

4. All expenditures made with respect to a campaign fund raiser which are made or reimbursed by a check drawn on the

campaign account shall be deemed to be campaign expenditures to be accounted for and subject to the same restrictions as other campaign expenditures.

(Section 106.025, F.S.)

5. The campaign treasurer shall keep detailed accounts of all withdrawals made from any separate interest-bearing account or certificate of deposit to the primary depository and of all interest earned.

(Section 106.06, F.S.)

6. The campaign treasurer shall retain the records pursuant to Section 106.06, F.S.

(Section 106.07, F.S.)

Preservation of Accounts

Accounts kept by the campaign treasurer of a candidate shall be preserved by the campaign treasurer for a number of years equal to the term of the office to which the candidate seeks election.

(Section 106.06, F.S.)

Inspections

- Accounts kept by the campaign treasurer of a candidate, including separate interest-bearing accounts and certificates of deposit, may be inspected under reasonable circumstances before, during, or after the election to which the accounts refer by any authorized representative of the Division or the Florida Elections Commission. The right of inspection may be enforced by appropriate writ issued by any court of competent jurisdiction.

(Section 106.06, F.S.)

- Records maintained by the campaign depository shall be subject to inspection by an agent of the Division or the Florida

Elections Commission at any time during normal banking hours, and such depository shall furnish certified copies of any such records to the Division or Florida Elections Commission upon request.

(Section 106.07, F.S.)

- It is the duty of the Division to make, from time to time, audits and field investigations with respect to reports and statements filed under the provisions of Chapter 106, F.S., and with respect to alleged failures to file any report or statement required under the provisions of Chapter 106, F.S.

(Section 106.22(6), F.S.)

- It is the duty of the Division to conduct random audits with respect to reports and statements filed under Chapter 106, F.S., and with respect to alleged failure to file any reports and statements required under Chapter 106, F.S.

(Section 106.22(10), F.S.)

Chapter 23: Bookkeeping Suggestions

The Division has a few suggestions which may be helpful to campaign treasurers in setting up a system to record and maintain campaign information.

- Keep a schedule of due dates for campaign treasurer's reports. The Division's website provides each candidate with a calendar of election and reporting dates.
- Know what period of time each report covers and only report activity occurring during that reporting period.
- If filing with the Division, keep a copy of the electronic receipt for each report filed for your own records. If filing with the local officers, keep the certificate of mailing.
- Record all contributions when received. Make sure to include the name, address, specific occupation, or principal type of business if over \$100, amount, and date of each contribution. Keep contributions itemized by monetary, in-kind, and loans.
- Record all expenditures when they occur. List the name and address of each person to whom the expenditure was made along with the amount, date, and purpose.
- Keep a petty cash ledger of all expenditures. These individual listings do not have to be listed on campaign treasurer's reports, only the total amount withdrawn and total amount spent per reporting period.
- Monitor the cash flow to know how much money is available at all times in the account to avoid any possibility of authorizing an expenditure when money is not available to pay for such expenditure.
- Maintain a listing of all funds currently in the separate interest-bearing account, certificate of deposit or money market account.
- Make sure an authorization for advertising has been obtained from the candidate.

Appendix

Appendix A: Frequently Asked Questions

Candidates

Q1. If I want to be a no party affiliation candidate, can I still be registered to vote as a Republican or Democrat?

Yes. Any registered elector who qualifies for office without party affiliation will have their name placed on the ballot at the general election without party affiliation.

(Section 99.0955(1), F.S.)

Q2. Do I have to designate a campaign treasurer and depository before I make public my intention to run for office?

No. A person must appoint a campaign treasurer and designate a depository prior to qualifying for office, obtaining signatures on petitions, accepting contributions or making expenditures. Nothing in the election laws prohibits a person from announcing their intention to become a candidate prior to designating a treasurer or depository as long as no contributions are received and no expenditures are made in connection with that announcement.

(Section 106.021, F.S.)

Q3. What if I want to change my campaign treasurer or other officers?

File a reappointment of campaign treasurer (Form DS-DE 9) with the filing officer along with a copy of the letter of resignation or removal.

Q4. How are judges elected in Florida and what are their terms?

Merit Retention

Not all judges in Florida are elected to office. Supreme Court Justices and Judges of the District Court of Appeal are always appointed by the Governor from a list of three to six candidates presented by the Judicial Nominating Commission for that court. Once appointed, they must serve at least one year before the next primary (i.e. both the primary and general elections must be one year away) election and, thereafter, must face a "yes" or "no" vote every six years as to whether they will remain in office. If a judge is not retained the appointment process starts again. Further information can be obtained from the Florida State Courts website at www.flcourts.org.

Elected Judges

Elected circuit judges and county court judges have six year terms that begin on the first Tuesday after the first Monday in January following the general election. They are on the primary and general election ballots the year before the term ends in January. If a judicial candidate receives a majority of

the votes at the primary election, the candidate's name will not appear on the general election ballot unless a write-in candidate has qualified for the same office. If no candidate receives a majority of the votes at the primary election, the names of the two candidates receiving the highest number of votes will appear on the general election ballot. The candidate receiving the highest number of votes at the general election is elected to office.

Q5. Can a judicial candidate speak at a political party function?

A judicial candidate may attend and speak in his own behalf at political party functions. However, care must be exercised to insure compliance with the election laws and the Code of Judicial Conduct. (Chapter 105, F.S. and Division of Elections Opinion 78-34.) For opinions of the Judicial Ethics Advisory Commission, see:

<http://www.jud6.org/LegalCommunity/LegalPractice/opinions/jecopinions/jecac.html>

Q6. I am a county court judge candidate. Where do I file and qualify?

You must file your appointment of campaign treasurer and designation of campaign depository and qualify with the supervisor of elections office in the county where you reside.

(Section 105.031, F.S.)

Q7. When can I start collecting signatures to qualify as a petition candidate?

Before collecting any signatures, all candidates (except federal and special district candidates) must file the Appointment of Campaign Treasurer and Designation of Campaign Depository (Form DS-DE 9) with the filing officer. Each petition must be submitted before noon of the 28th day preceding the first day of the qualifying period for the office sought to the Supervisor of Elections of the county in which such petition was circulated.

Campaign Finance

Q8. Do persons running for a political party executive committee office (e.g. precinct committeeperson) for precinct committeeperson have to file campaign reports?

Only if the person has received a contribution or made an expenditure; If applicable, the person files a single report on the 4th day before the primary election. Although, persons seeking election to political party executive committees are specifically exempt from the definition of "candidate," the political party executive office falls within the definition of "election."

(Sections 103.091, 106.011(3), (7) and 106.0702 F.S.)

Q9. May a candidate appoint himself or herself as campaign treasurer?

Yes.

(Section 106.021(1)(c), F.S.)

Q10. Must a campaign treasurer be a registered voter in Florida?

No.

(Section 106.021(1)(c), F.S.)

Q11. How many deputy treasurers may a candidate have?

Candidates for statewide office may appoint up to 15 deputy treasurers. Other candidates may appoint up to 3 deputy treasurers.

(Section 106.021(1)(a), F.S.)

Q12. Can a deputy treasurer file and submit campaign reports?

Yes. A deputy treasurer may perform all of the duties of a campaign treasurer when specifically authorized to do so by the campaign treasurer.

(Section 106.021(4), F.S.)

Q13. Who is responsible for keeping tabs on aggregate totals of campaign contributions?

The campaign treasurer is responsible for receiving and reporting all contributions.

(Section 106.06, F.S.)

Q14. May a candidate accept a contribution from a trust fund?

Yes. Chapter 106, F.S., defines a "person" as an individual, corporation, association, firm, partnership, joint venture, joint stock company, club, organization, estate, trust, business trust, syndicate, or other combination of individuals having collective capacity. The term also includes a political party, affiliated party committee, or political committee.

(Section 106.011(14), F.S.)

Q15. Do I have to itemize small contributions of \$5, \$10, \$50, etc.?

Yes. The law provides no exceptions for the reporting of contribution information, regardless of the size of the contribution. The full name and address of the contributor are also required.

(Section 106.07(4)(a), F.S.)

Q16. Are in-kind contributions subject to the same limitations as monetary contributions?

Yes. In Chapter 106, F.S., the definition of a "contribution" includes contributions in-kind having an attributable monetary value in any form. Therefore, in-kind contributions are subject to the same limitations set for monetary contributions.

(Section 106.011(5) and 106.08, F.S.)

Q17. How is the value of an in-kind contribution determined?

The contributor must inform the person receiving the contribution of the fair market value at the time it is given.

(Section 106.055, F.S.)

Q18. Can a corporation give to a candidate, political committee or political party?

Yes. A corporation is under the definition of a "person" in Chapter 106, F.S.

(Section 106.011(14), F.S.)

Q19. I am opposed in the general election, but I have no opposition in the primary election, therefore, my name will not be on the primary election ballot. Must I abide by the prohibition on accepting contributions less than five days prior to the primary election?

No. Only candidates opposed in the primary election are required to comply. However, since you are opposed and your name will appear on the general election ballot, you are required to abide by the prohibition on accepting contributions less than 5 days prior to the general election.

(Section 106.08(3), F.S.)

Q20. Can I conduct a raffle to raise money for my campaign?

No. Pursuant to Section 849.09, Florida Statutes, it is unlawful for any person in this state to set up, promote, or conduct any lottery for money or anything of value.

Q21. I was given cash at a rally and have no information on who it is from. What do I do?

Report this contribution on your campaign report but do not spend these funds on the campaign. After the campaign is over, dispose of the funds pursuant to Section 106.141, F.S.

(Division of Elections Opinion 89-02)

Q22. What are considered "legitimate office expenses" for purposes of office accounts?

As the duties and responsibilities of each office are different, what are considered legitimate office expenses will vary. For expenses not specifically listed in Section 106.141 (5), please contact your office's legal or accounting department.

Q23. Can I use my leftover campaign funds to help fund my future re-election?

No, unless you have been elected to a state office or will be elected to state office after being unopposed after the end of the qualifying period and you seek re-election to the same office. If the exception applies to you, you may retain up to \$20,000 in your campaign account.

(Section 106.141 (6), F.S.)

Q24. I am an elected official and still have funds in my office account. I am now beginning my re-election campaign. May I place the surplus funds in the office account into my campaign account for re-election?

No. Funds retained by elected officials in their office accounts may only be used for legitimate expenses in connection with their public office.

(Section 106.141(5), F.S.)

Q25. Do I have to file campaign reports on the Electronic Filing System (EFS)?

If the Division is your filing officer, you are required to file all campaign reports via the EFS. If your filing officer is other than the Division, you must contact the filing officer to find out the requirements.

(Section 106.0705, F.S.)

Q26. If my treasurer is out of town, can I have an extension to file my report?

No. The election laws do not provide for an extension under these circumstances.

(Sections 106.04(4)(b)1., 106.07(2)(b) and (3), F.S.)

Q27. If I make a mistake on my report can I go back in and correct it on the EFS?

Once the report is submitted to the Division of Elections, the EFS will not permit you to go back and make changes. In order to correct mistakes or add and delete information, you must submit an "amendment."

Q28. If I am late submitting my report, how is my fine calculated?

\$50 per day for the first 3 days late and, thereafter, \$500 per day for each late day, not to exceed 25% of the total receipts or expenditures, whichever is greater, for the period covered by the late report. However, for reports immediately preceding the primary and general election, the fine shall be \$500 per day for each day, not to exceed 25% of the total receipts or expenditures, whichever is greater, for the period covered by the late report.

Q29. How long are campaign records kept at the Division of Elections or the supervisor of elections?

Ten years from the date of receipt.

(Sections 98.015(5) and 106.22(4), F.S.)

Q30. Does the prohibition against accepting contributions 5 days prior to an election for "candidates" apply to individuals running for political party executive committee positions?

No, because s. 106.08(3)(a)'s prohibition applies only to a "contribution received by a candidate" and persons running for party executive committee persons are not "candidates."

Q31. How can I tell if a provision in Chapter 106 applies to individuals running for political party executive committee positions?

Besides the provisions of s. 106.0702 expressly applying to these individuals, use this as a general rule: Because individuals running for political party executive committee positions are not "candidates," if the Chapter 106 provision applies only to a "candidate" or "candidates," the provision will not apply; however, because selecting a member of a political party executive committee is included in the definition of "election," if the provision applies to an "election" without reference to "candidates," the provision will apply.
