This hearing will be conducted pursuant to Section 106.25, Florida Statutes, which governs your participation as follows:

**If you are the Respondent**, you may attend the hearing, and you or your attorney will have *5 minutes* to present your case to the Commission. However, some cases (including those in which consent orders or recommendations for no probable cause are being considered) may be decided by an *en masse* vote and, unless you request to be heard or the Commission requests that your case be considered separately on the day of the hearing, your case will *not* be individually heard.

**If you are the Complainant**, you may attend the hearing, but you will *not* be permitted to address the Commission. In addition, some cases (including those in which consent orders or recommendations for no probable cause are being considered) may be decided by an *en masse* vote and, unless the Respondent requests to be heard or the Commission requests that the case be considered separately on the day of the hearing, the case will *not* be individually heard.

Please refer to the information below for further instructions related to your particular hearing:

If this is a hearing to consider **an appeal from an automatic fine**, the Filing Officer has imposed a fine on you for your failure to file a campaign treasurer's report on the designated due date and, by filing an appeal, you have asked the Commission to consider either (1) that the report was in fact timely filed; or (2) that there were unusual circumstances that excused the failure to file the report timely. You are required to prove your case. If the Commission finds that the report was filed timely or that there were unusual circumstances that excused the failure, it may waive the fine, in whole or in part. The Commission may reduce a fine after considering the factors in Section 106.265, Florida Statutes. If the Commission finds that the report was not timely filed and there were no unusual circumstances, the fine will be upheld.

If this is a hearing to consider a **consent order before a determination of probable cause has been made**, the Commission will decide whether to accept or reject the consent order. If the Commission accepts the consent order, the case will be closed and become public. If the Commission rejects the consent order or does not make a decision to accept or deny the consent order, the case will remain confidential, unless confidentiality has been waived.

If this is a hearing to consider a **consent order after a determination of probable cause has been made**, the Commission will decide whether to accept or reject the consent order. If the Commission accepts the consent order, the case will be closed. If the Commission rejects the consent order or does not make a decision to accept or deny the consent order, the Respondent will be entitled to another hearing to determine if the Respondent committed the violation(s) alleged.

If this is a **probable cause hearing**, the Commission will decide if there is probable cause to believe that the Respondent committed a violation of Florida's election laws. Respondent should be prepared to explain how the staff in its recommendation incorrectly applied the law to the facts of the case. *Respondent may not testify, call others to testify, or introduce any documentary or other evidence at the probable cause hearing.* The Commission will only decide whether Respondent should be *charged* with a violation and, before the Commission determines whether a violation has occurred or a fine should be imposed, Respondent will have an opportunity for another hearing at which evidence may be introduced.

If this is an **informal hearing**, it will be conducted pursuant Sections 120.569 and 120.57(2), Florida Statutes; Chapter 28 and Commission Rule 2B-1.004, Florida Administrative Code. At the hearing, the Commission will decide whether the Respondent committed the violation(s) charged in the Order of Probable Cause. The Respondent will be permitted to testify. However, the Respondent may not call witnesses to testify.

Respondent may argue why the established facts in the Staff Recommendation do not support the violations charged in the Order of Probable Cause. At Respondent's request, the Commission may determine whether Respondent's actions in the case were willful. The Respondent may also address the appropriateness of the recommended fine. If Respondent claims that his limited resources make him unable to pay the statutory fine, *he must provide the Commission with written proof of his financial resources* at the hearing. A financial affidavit form is available from the Commission Clerk.

**SUMMARY:** Black Republican Caucus of Florida is a political committee (PC) registered with the State of Florida. The PC's chair and treasurer is Mr. Sean P. Jackson.

The PC is appealing the fine claiming that unusual circumstances existed that caused the 2016 P4 Report to be untimely filed. According to Mr. Jackson, "The campaign treasurer's report that was due on August 5, 2016 was in fact filed on August 6, 2016 at 11:59PM EST. As we have received your correspondence in regards to being assessed a \$50.00 late fine, we respectfully request an appeal, that such a fine be waived. It seems to be a mitigating factor of system delay that caused our filing to in fact register as late in your system. As a company employee I am still considered timely after 7 minutes of tardiness. Being that our filing is less than 5 minutes late, it is apparent that no malice intent has been attempted to prevent the public in knowing any information as it pertains to our filing. Please, consider waiving the \$50.00 late fine assessed".

- The 2016 P4 Report covers the time period from 7/23/16 through 7/29/16.
- The 2016 P4 Queued-Transactions Report reflects that this report was created on 8/2/16 at approximately 8:37 pm, before being filed on 8/6/16 at approximately 12:01 am.

**PRIOR CASES:** This PC has been involved in one prior FEC investigation. #16-449 will also be discussed during the February 2017 Commission meeting.

Dear Mr. Jackson:

This will acknowledge receipt of the Statement of Organization and Appointment of Campaign Treasurer and Designation of Campaign Depository for **Black Republican Caucus of Florida**, which were placed on file in our office on April 7, 2016. This information appears to comply with the requirements of Section 106.03, Florida Statutes, and the name of this organization has been placed on our active committee list as a political committee.

### Campaign Treasurer's Reports

Your first campaign treasurer's report will be due on **May 10, 2016**. The report will cover the period of April 1-30, 2016 (M4). All political committees that file reports with the Division of Elections are required to file by means of the Division's Electronic Filing System (EFS).

### Credentials and Sign-ons

Below is the web address to access the EFS and the committee's user identification number. The enclosed sealed envelope contains the committee's initial password. Once you have logged in using the initial password, you will be immediately prompted to change it to a confidential sign-on. The chairperson, campaign treasurer, and deputy treasurers are responsible for protecting this password from disclosure and are responsible for all filings using these credentials, unless the Division is notified that your credentials have been compromised.

### **Pin Numbers**

Pin numbers are confidential secure credentials that allow you to submit reports and update information. The enclosed sealed envelopes contain your confidential pin numbers.

Each political committee chairperson is required to provide the Division of Elections with confidential personal information that may be used to allow access in the event that the password is forgotten or lost. When you enter the campaign account screen, there will be a drop down box where you pick a question (such as *What is your mother's maiden name?*) and supply an answer. All passwords and answers to questions are stored as encrypted data and cannot be viewed by Division staff and given out over the phone. Please notify the Division if your credentials have been compromised.

### **Timely Filing**

All reports must be completed and filed through the EFS not later than midnight, Eastern Standard Time, of the due date. Reports not filed by midnight, Eastern Standard Time, of the due date are late filed and subject to the penalties in Section 106.07(8), Florida Statutes. In the event that the EFS is inoperable on the due date, the report will be accepted as timely filed if filed no later than midnight, Eastern Standard Time, of the first business day the EFS becomes operable. No fine will be levied during the period the EFS was inoperable.

Any political committee failing to file a report on the designated due date is subject to a fine of \$50 per day for the first 3 days and, thereafter, \$500 per day for each day, not to exceed 25% of the total receipts or expenditures, whichever is greater, for the period covered by the late report. However, for the reports immediately preceding each primary and general election, the fine shall be \$500 per day, not to exceed 25% of the total receipts or expenditures, whichever is greater, for the period covered by the late report.

### **Electronic Receipts**

The person submitting the report on the EFS will be issued an electronic receipt indicating and verifying the report was filed. Each campaign treasurer's report filed by means of the EFS is considered to be under oath by the chairperson and campaign treasurer and such persons are subject to the provisions of Section 106.07(5), Florida Statutes.

I'm sorry to bother you again about this, but I have been reviewing the time stamps and have a question for clarification.

On the chart printed in the email below, the column "sfValidatedPINcc", is that the time/date that this committee logged into EFS, or is it the time that they entered a PIN in order to validate a report to submit it?

The Queued Transaction report for the 2016 P4 report indicates that they reviewed their report on 8/6/16 at 12:00:33 a.m. and filed it on 8/6/16 at 12:01:04 a.m.

The time stamp provided in the chart below indicates a PIN was entered on 8/6/16 at 12:00:57 a.m.

Am I correct in saying that they logged into the EFS sometime prior to 12:00:33 a.m., then accessed their report to review it at 12:00:33 a.m., entered their PIN to validate/submit it at 12:00:57 a.m., and then filed it at 12:01:04 a.m.?

I'm sorry for any confusion, but I'm trying to sort out these precise times.

We would not have records of downtime from then but I've attached activity from 11:00 PM to midnight.

Also before a report can be filed the candidate PIN has to be entered. As you can see below, that did not occur till after midnight.

Both inquiries are for PAC 65716, Black Republican Caucus of Florida.

The reports at issue are 2016 P2 and 2016 P4.

**Subject:** FEC Inquiry - Auto Fines

Ms. Bronson:

In two of our auto-fine cases, the Respondents have appealed auto-fines claiming that they actually filed their reports a few minutes before midnight on the due dates, but that system delay in the Electronic Filing System caused their reports to register as having being filed a few minutes after midnight, making them register as late reports.

Is this, in your opinion, possible?

With regard to the two cases at issue, could you tell me if your office has:

1. a record of a system failure or delay in your Electronic Filing System occurring in the last few minutes of August 5, 2016 (11:50-11:59 p.m.), and/or the first few minutes of August 6, 2016 (12:00-12:10 a.m.) that could have caused a report to register as having been filed later than it actually was filed?
2. a record of a system failure or delay in your Electronic Filing System occurring in the last few minutes of July 15, 2016 (11:50-11:59 p.m.), and/or the first few minutes of July 16, 2016 (12:00-12:10 a.m.) that could have caused a report to register as having been filed later than it actually was filed?

Thanks very much for your help,

Cole Kekelis
