NOTICE OF HEARING (CONSENT ORDER)

A hearing will be held in this case before the Florida Elections Commission on, **February 17, 2016 at 9:00 am, or as soon thereafter as the parties can be heard**, at the following location: **Florida State Conference Center, 555 West Pensacola Street, Room #108, Tallahassee, Florida 32306.**

Failure to appear in accordance with this notice will constitute a waiver of your right to participate in the hearing. Continuances will be granted only upon a showing of good cause.

This hearing will be conducted pursuant to Section 106.25, Florida Statutes, which governs your participation as follows:

If you are the Respondent, you may attend the hearing, and you or your attorney will have *5 minutes* to present your case to the Commission. However, some cases (including those in which consent orders or recommendations for no probable cause are being considered) may be decided by an *en masse* vote and, unless you request to be heard or the Commission requests that your case be considered separately on the day of the hearing, your case will *not* be individually heard.

If you are the Complainant, you may attend the hearing, but you will *not* be permitted to address the Commission. In addition, some cases (including those in which consent orders or recommendations for no probable cause are being considered) may be decided by an *en masse* vote and, unless the Respondent requests to be heard or the Commission requests that the case be considered separately on the day of the hearing, the case will *not* be individually heard.

If you are an Appellant, and you have requested a hearing, you may attend the hearing, and you or your attorney will have *5 minutes* to present your case to the Commission.

Please be advised that both confidential and public cases are scheduled to be heard by the Florida Elections Commission on this date. As an Appellant, Respondent or Complainant in one case, you will *not* be permitted to attend the hearings on other confidential cases.

The Commission will electronically record the meeting. Although the Commission's recording is considered the official record of the hearing, the Respondent may provide, at his own expense, a certified court reporter to also record the hearing.

If you require an accommodation due to a disability, contact Donna Ann Malphurs at (850) 922-4539 or by mail at 107 West Gaines Street, The Collins Building, Suite 224, Tallahassee, Florida 32399, at least 5 days before the hearing.

Amy McKeever Toman
Executive Director
Florida Elections Commission
February 2, 2016

Please refer to the information below for further instructions related to your particular hearing:

If this is a hearing to consider **an appeal from an automatic fine**, the Filing Officer has imposed a fine on you for your failure to file a campaign treasurer's report on the designated due date and, by filing an appeal, you have asked the Commission to consider either (1) that the report was in fact timely filed; or (2) that there were unusual circumstances that excused the failure to file the report timely. You are required to prove your case. If the Commission finds that the report was filed timely or that there were unusual circumstances that excused the failure, it may waive the fine, in whole or in part. The Commission may reduce a fine after considering the factors in Section 106.265, Florida Statutes. If the Commission finds that the report was not timely filed and there were no unusual circumstances, the fine will be upheld.

If this is a hearing to consider a **consent order before a determination of probable cause has been made**, the Commission will decide whether to accept or reject the consent order. If the Commission accepts the consent order, the case will be closed and become public. If the Commission rejects the consent order or does not make a decision to accept or deny the consent order, the case will remain confidential, unless confidentiality has been waived.

If this is a hearing to consider a **consent order after a determination of probable cause has been made**, the Commission will decide whether to accept or reject the consent order. If the Commission accepts the consent order, the case will be closed. If the Commission rejects the consent order or does not make a decision to accept or deny the consent order, the Respondent will be entitled to another hearing to determine if the Respondent committed the violation(s) alleged.

If this is a **probable cause hearing**, the Commission will decide if there is probable cause to believe that the Respondent committed a violation of Florida's election laws. Respondent should be prepared to explain how the staff in its recommendation incorrectly applied the law to the facts of the case. *Respondent may not testify, call others to testify, or introduce any documentary or other evidence at the probable cause hearing.* The Commission will only decide whether Respondent should be *charged* with a violation and, before the Commission determines whether a violation has occurred or a fine should be imposed, Respondent will have an opportunity for another hearing at which evidence may be introduced.

If this is an **informal hearing**, it will be conducted pursuant Sections 120.569 and 120.57(2), Florida Statutes; Chapter 28 and Commission Rule 2B-1.004, Florida Administrative Code. At the hearing, the Commission will decide whether the Respondent committed the violation(s) charged in the Order of Probable Cause. The Respondent will be permitted to testify. However the Respondent may not call witnesses to testify.

Respondent may argue why the established facts in the Staff Recommendation do not support the violations charged in the Order of Probable Cause. At Respondent's request, the Commission may determine whether Respondent's actions in the case were willful. The Respondent may also address the appropriateness of the recommended fine. If Respondent claims that his limited resources make him unable to pay the statutory fine, *he must provide the Commission with written proof of his financial resources* at the hearing. A financial affidavit form is available from the Commission Clerk.

Case No.: FEC 15-322

F.O. No.: FOFEC

CONSENT FINAL ORDER

Respondent, Broward Builders PAC, and the Florida Elections Commission (Commission) agree that this Consent Order resolves all of the issues between the parties in this case. The parties jointly stipulate to the following facts, conclusions of law, and order:

FINDINGS OF FACT

1. On April 13, 2015, the Commission received a referral from the Division of Elections (Division) alleging that Respondent violated Chapter 106, Florida Statutes.
2. On or about December 4, 2015, the Commission entered an Order of Probable Cause charging Respondent violating Section 106.07(7), Florida Statutes, on five occasions.
3. Respondent has expressed a desire to enter into negotiations directed toward reaching a consent agreement.
4. Respondent and the staff stipulate to the following facts:
 - a. Respondent is a political committee registered with the Division.
 - b. During the 2014 election cycle, Respondent failed to notify the filing officer on the prescribed due dates that no report would be filed because Respondent had not received funds, made contributions, or made any reportable monetary transactions during the 2014 P2, 2014 P5, 2014 D1, 2014 D2, and 2014 D6 reporting periods
 - c. On July 14, 2014, Respondent filed a Waiver for the 2014 P2 reporting period. On August 11, 2014, Respondent filed a waiver for the 2014 P5 reporting period. On October 27, 2014, Respondent filed a Waiver for the

2014 D1 and D2 reporting periods, and on October 31, 2014, Respondent filed a Waiver for the 2014 D6 reporting period.

CONCLUSIONS OF LAW

5. The Commission has jurisdiction over the parties to and subject matter of this cause, pursuant to Section 106.26, Florida Statutes.

6. Section 106.25(4)(i)3., Florida Statutes, allows the Commission to approve a consent agreement with a Respondent prior to the Commission finding probable cause that a violation of the election laws occurred. The consent agreement has the same force and effect as a consent agreement reached after the Commission finds probable cause.

7. The Commission staff and Respondent stipulate that staff can prove the facts in paragraph four above by the required burden of proof and to the Commission's ability to impose a civil penalty against Respondent in this case.

ORDER

8. The Respondent and the staff of the Commission have entered into this Consent Order voluntarily and upon advice of counsel.

9. The parties shall each bear its own attorney's fees and costs that are in any way associated with this case.

10. The Commission will consider the Consent Order at its next available meeting.

11. The Respondent voluntarily waives the right to any further proceedings under Chapters 104, 106, and 120, Florida Statutes, and the right to appeal the Consent Order.

12. This Consent Order is enforceable under Sections 106.265 and 120.69, Florida Statutes. Respondent expressly waives any venue privileges and agrees that if enforcement of this Consent Order is necessary, venue shall be in Leon County, Florida, and Respondent shall be responsible for all fees and costs associated with enforcement.

13. If the Commission does not receive the signed Consent Order and payment of the civil penalty by the close of business on **January 25, 2016**, the staff withdraws this offer of settlement and will proceed with the case.

14. Payment of the civil penalty by cashier's check, money order, and good for at least 120 days, or attorney trust account check is a condition precedent to the Commission's consideration of the Consent Order.

PENALTY

WHEREFORE, based upon the foregoing facts and conclusions of law, the Commission finds that the Respondent violated Section 106 07(7), Florida Statutes, on five occasions and imposes a \$375 civil penalty for the violations.

Therefore it is

ORDERED that the Respondent shall remit to the Commission a civil penalty in the amount of \$375, inclusive of fees and costs. The civil penalty shall be paid by cashier's check, money order, good for at least 120 days, or attorney trust account check. The civil penalty should be made payable to the Florida Elections Commission and sent to 107 West Gaines Street, Collins Building, Suite 224, Tallahassee, Florida, 32399-1050

In Re: Broward Builders PAC

Case No.: FEC 15-322

STAFF RECOMMENDATION FOLLOWING INVESTIGATION

Pursuant to Section 106.25(4)(c), Florida Statutes, undersigned staff counsel files this written recommendation for disposition of the complaint in this case recommending that there is **probable cause** to charge Respondent with violating **Section 106.07(7), Florida Statutes**. Based upon a thorough review of the Report of Investigation submitted on July 23, 2015, the following facts and law support this staff recommendation.

1. April 13, 2015, the Florida Elections Commission ("Commission") received a referral from Division of Elections ("Division") alleging that Broward Builders PAC ("Respondent") violated Chapter 106, Florida Statutes

2. Respondent is a political committee registered with the Division. On June 21, 2012, the Division received a letter from Respondent stating that Geoffrey D. Bunnell was Respondent's new chairman. Respondent's treasurer was John C. Siegle. (ROI Exhibit 1)¹

3. On May 1, 2015, the Executive Director sent Respondent notification that Commission staff would investigate the following section of law:

Section 106.07(7), Florida Statutes: As alleged in the complaint, Respondent failed to notify the filing officer on the prescribed reporting dates that no reports would be filed on those dates because it had not received funds, made contributions, or expended reportable funds during the following reporting periods:

- 2014 P2
- 2014 P5
- 2014 D1
- 2014 D2
- 2014 D6

4. By letter dated June 25, 2012 Kristi Bronson, Chief, Bureau of Election Records, sent a letter to Geoffrey D. Bunnell, notifying Respondent that Mr. Bunnell's appointment as Respondent's new chairman had been filed in the Division's office on June 21, 2012. The letter provided Mr. Bunnell with a user identification number and initial password to access to the Division's Electronic Filing System ("EFS"). A copy of the letter was sent to Respondent's treasurer, John C. Siegle. (ROI Exhibit 2)

¹ The Report of Investigation shall be referred to herein as "ROI."

5. Ms. Bronson's June 25, 2012 letter further advised Respondent that all of the Division's publications and reporting forms were on its website and directed Respondent to print a copy of the *2012 Political Committee Handbook* ("Handbook") and the 2012 Calendar of Reporting dates as well as other documents. *Id*

6. In an April 21, 2015, response to the referral, Respondent's treasurer stated:

While it is true that I was tardy on the above filings, my tardiness in each case was due to not being physically in the office with access to a computer. Unfortunately, the State's system does not allow a waiver to be made until the reporting period is over and reports can only be made starting the day after the reporting period. My inability to file the above reports on time is not a deliberate failure to include information required by Chapter 106, but a case of being out of the office after the report period ended and the report was due. (Emphasis in Original) (ROI Exhibit 6)

7. Pages 12, 13, 45, and 46 of the *Political Committee EFS User's Guide* ("Guide") explain the steps a political committee should take to notify the Division in writing on the prescribed reporting date that no report will be filed for the reporting period using the EFS. Specifically, at the top of page 13, the Guide instructs the user to click the box next to "Waiver" if there is no financial activity to report. (ROI Exhibit 4)

8. Section 106.07(7), Florida Statutes, provides:

Notwithstanding any other provisions of this chapter, in any reporting period during which a candidate or political committee has not received funds, made any contributions, or expended any reportable funds, the filing of the required report for that period is waived. However, the next report filed must specify that the report covers the entire period between the last submitted report and the report being filed, and any candidate or political committee not reporting by virtue of this subsection on dates prescribed elsewhere in this chapter **shall notify the filing officer in writing on the prescribed reporting date that no report is being filed on that date.** (Emphasis added)

9. Additionally, page 29 of the Handbook states that:

When there has been no activity in the campaign account during a reporting period (no funds expended or received) the filing of the report may be waived by notifying the filing office in writing that no activity has occurred. This notification must be made on the prescribed reporting date. (Section 106.07, F.S.)

All waivers filed with the Division of Elections must be filed electronically using the Division's electronic filing system. (Section 106.0705, F.S.) (ROI Exhibit 3, pages 1 and 4)

10. The table below reflects Respondent's untimely written notifications to the Division:

Report	Report Cover Period	Date Notification Due	Date Notification Filed	No. of Days Late
2014 P2	6/28/14 - 7/4/14	7/11/14	7/14/14	3
2014 P5	7/26/14 - 8/1/14	8/8/14	8/11/14	3
2014 D1	10/18/14 - 10/24/14	10/25/14	10/27/14	2
2014 D2	10/25/14	10/26/14	10/27/14	1
2014 D6	10/29/14	10/30/14	10/31/14	1

(ROI Exhibit 5, page 1; ROI Paragraph 7)

11. In a June 1, 2015 affidavit, Respondent's treasurer stated he read Chapter 106, Florida Statutes, read the Handbook, printed the Calendar of Reporting Dates in 2005, and read or printed the Guide. (ROI Exhibit 7)²

12. "Probable Cause" is defined as reasonable grounds of suspicion supported by circumstances sufficiently strong to warrant a cautious person in the belief that the person has committed the offense charged. *Schmitt v. State*, 590 So.2d 404, 409 (Fla. 1991) Probable cause exists where the facts and circumstances, of which an [investigator] has reasonably trustworthy information, are sufficient in themselves for a reasonable man to reach the conclusion that an offense has been committed. *Department of Highway Safety and Motor Vehicles v Favino*, 667 So.2d 305, 309 (Fla. 1st DCA 1995).

13. The above facts show that Respondent is a political committee registered with the Division. Respondent failed to notify the filing officer in writing on the prescribed filing dates for the 2014 P2, 2014 P5, 2014 D1, 2014 D2, and 2014 D6 reporting periods that it would not be filing a report for the responding reporting periods.

Based on the foregoing, I recommend that the Commission find probable cause to charge Respondent with violating the following provisions of law:

² It appears from the affidavit that the last time Mr. Siegle read Chapter 106, Florida Statutes, was 1996.

Count 1:

On or about July 11, 2014, Respondent violated Section 106.07(7), Florida Statutes, when Respondent failed to notify the Division of Elections in writing on or before July 11, 2014, that Respondent would not be filing a 2014 P2 Report on the prescribed due date.

Count 2:

On or about August 8, 2014, Respondent violated Section 106.07(7), Florida Statutes, when Respondent failed to notify the Division of Elections in writing on or before August 8, 2014, that Respondent would not be filing a 2014 P5 Report on the prescribed due date.

Count 3:

On or about October 25, 2014, Respondent violated Section 106.07(7), Florida Statutes, when Respondent failed to notify the Division of Elections in writing on or before October 25, 2014, that Respondent would not be filing a 2014 D1 Report on the prescribed due date.

Count 4:

On or about October 26, 2014, Respondent violated Section 106.07(7), Florida Statutes, when Respondent failed to notify the Division of Elections in writing on or before October 26, 2014, that Respondent would not be filing a 2014 D2 Report on the prescribed due date.

Count 5:

On or about October 30, 2014, Respondent violated Section 106.07(7), Florida Statutes, when Respondent failed to notify the Division of Elections in writing on or before October 30, 2014, that Respondent would not be filing a 2014 D6 Report on the prescribed due date.

FLORIDA ELECTIONS COMMISSION

Report of Investigation for Failure to Notify Filing Officer

Case Number FEC 15-322

Respondent: Broward Builders PAC

Section 106 07(7), Florida Statutes, failure of a political committee that did not receive any contributions or make any expenditures during a reporting period to notify timely the filing officer, in writing, that no report is being filed

Complainant: Division of Elections

Respondent Type:

- Candidate
 Political Committee

I. Preliminary Information:

1. A letter updating the DOE of this political committee's current appointment of Chairman and Campaign Treasurer was filed on June 21, 2012. (Ex. 1)

2. An acknowledgement letter was mailed to the address provided on Respondent's appointment letter on June 25, 2012 advising Respondent that all of the Division's publications and reporting forms are available on their website, including Chapter 106, Florida Statutes, the *2012 Political Committee Handbook*, and the Calendar of Reporting Dates. (Ex. 2)

3. The acknowledgement letter also states, "Enclosed is security envelope containing your confidential password and pin number to access the Division of Election's electronic filing system (EFS). **You will need to advise the treasurer and any deputy treasurers of the new password in order for them to have access to the EFS.**"

4. The *2012 Political Committee Handbook*, discusses filing a waiver when there is no activity to disclose on page 29. (Ex. 3)

5. Pages 12, 13, 45, and 46 of the *Political Committee EFS User's Guide* discuss how to notify the Division on the prescribed reporting date that no report will be filed using the EFS. Specifically, page 13 instructs the user to click the box next to "waiver" if there is no activity to disclose. (Ex. 4)

6. In a telephone interview on April 2, 2015, Kristi Reid-Bronson clarified that once the waiver box is chosen and a new report is opened as shown on Page 12, the only available option on the report summary screen will be "Go To File Report" as shown on Page 13. Choosing "Go To File Report" will take the user directly to the screens where the chairman/treasurer PINS are entered as shown on Pages 45 and 46.

II. Alleged Violation of Section 106.07(7), Florida Statutes:

7. Respondent's filing history reflects the untimely filed notifications summarized below (Ex. 5)

Report	Report Cover Period	Date Notification Due	Date Notification Filed	No. of Days Late
2014 P2	6/28/14 - 7/4/14	7/11/14	7/14/14	3
2014 P5	7/26/14 - 8/1/14	8/8/14	8/11/14	3
2014 D1	10/18/14 - 10/24/14	10/25/14	10/27/14	2
2014 D2	10/25/14	10/26/14	10/27/14	1
2014 D6	10/29/14	10/30/14	10/31/14	1

8. Respondent provided a written response to the referral dated April 21, 2015, in which he stated "While it is true that I was tardy on the above filings, my tardiness in each case was due to not being physically in the office with access to a computer. Unfortunately, the State's system does not allow a waiver to be made until the reporting period is over and reports can only be made starting the day after the reporting period. My inability to file the above reports on time is not a deliberate failure to include information required by Chapter 106, but a case of being out of the office after the report period ended and the report was due". (Ex. 6)

9. Respondent submitted an affidavit dated June 1, 2015 in which he stated "All contributions are \$100 optional dues with the majority received in May and June with some stragglers in July and August. There were only 4 expenditures made in 2014: M5 \$1,000 reported 6/2/14; P1A two expenditures of \$1,000 each reported 6/27/14 and G7 \$1,000 reported 10/31/14 Letter of April 21, to Erin Riley explained the waivers being filed the first business day after due date. Unfortunately the system does not allow filing until after the reporting period ends and the Committee does not have any activity" (Ex 7)

III. FEC History:

10. Respondent has had 1 prior case before the Commission. FEC 99-190 was an automatic fine appeal that had the fine fully waived due to unusual circumstances.

Conclusion:

11. Respondent stated in his affidavit that he did read Chapter 106, Florida Statutes and/or the *Political Committee Handbook*. (Ex 7)

the filing officer within 5 days after the designated due date that was delivered by the U.S. Postal Service is deemed timely filed unless it has a postmark indicating the report was mailed after the designated due date. A certificate of mailing obtained from and dated by the U.S. Postal Service at the time of mailing or a receipt from an established courier company, which bears a date on or before the date on which the report is due, is proof of mailing in a timely manner. **Reports filed with the Division of Elections through the Electronic Filing System (EFS) are due no later than midnight, Eastern Time, of the due date.** (See Chapter 12, *Electronic Filing of Campaign Reports*)

(Sections 106.07, 106.0705 and 106.141, F.S.)

Penalty for Late Filing

Any political committee failing to file a report on the designated due date shall be subject to a fine of \$50 per day for the first three days late and, thereafter, \$500 per day for each late day, not to exceed 25 percent of the total receipts or expenditures, whichever is greater, for the period covered by the late report. However, for the reports due immediately prior to the primary and general elections, the fine shall be \$500 per day for each late day, not to exceed 25 percent of the total receipts or expenditures, whichever is greater, for the period covered by the late report.

(Section 106.07(8), F.S.)

Waiver of Report

When there has been no activity in the campaign account during a reporting period (no funds expended or received) the filing of the report may be waived by notifying the filing officer in writing that no activity has occurred. This notification must be made on the prescribed reporting date.

(Section 106.07, F.S.)

All waivers filed with the Division of Elections must be filed electronically using the Division's electronic filing system.

(Section 106.0705, F.S.)

Special Election Reports

When a special election is called to fill a vacancy in office, all political committees and committees of continuous existence making contributions or expenditures to influence the results of the special election shall file campaign treasurers' reports with the filing officer on the dates set by the Department of State pursuant to Section 100.111, F.S.

When an election is called for an issue to appear on the ballot at a time when no candidates are scheduled to appear on the ballot, all political committees and committees of continuous existence making contributions or expenditures in support of or in opposition to such issue shall file reports on the 18th and 4th days prior to such election.

Committees are to include on the special election campaign treasurer's reports only expenditures related to the special election made by the committee during the special election reporting periods. All contributions received and all expenditures made not related to the special election during the current quarter should be filed on the next quarterly report. Once a committee has participated in the special election and has filed a special election campaign report, all other special election reports remaining must also be filed by the committee, even if there is no further special election activity.

SUBJECT: Case No. FEC 15-322 Broward Builders PAC

Dear Ms Riley:

I am responding to your certified letter of April 17, sent to the attention of Geoffrey D. Bunnell, Chair which was received by us on Monday, April 20

Report 2014 P2 due Friday, July 11, was filed the following Monday July 14, when I returned from Summer vacation. No contributions received or expenditures made between June 28 thru July 4, 2014.

Report 2014 P5 due Friday August 8, was filed the following Monday August 11 No contributions received or expenditures made between June 26 thru August 1, 2014

Report 2014 D1 due Saturday October 25, was filed the following Monday October 27, when the office was open No contributions received or expenditures made between October 18 thru October 24, 2014

Report 2014 D2 due Sunday October 26, was filed on the following Monday, October 27 No contributions received or expenditures made on October 25, 2014.

Report 2014 D6 due Thursday October 30, was filed the next day, Friday October 31. No contributions received or expenditures made on October 29, 2014

While it is true that I was tardy on the above filings, my tardiness in each case was due to not being physically in the office with access to a computer Unfortunately, the State's system does not allow a waiver to be made until the reporting period is over and reports can only be made starting the day after the reporting period My inability to file the above reports on time is not a deliberate failure to include information required by Chapter 106, but a case of being out of the office after the report period ended and the report was due

RE: Case No.: FEC 15-322; Respondent: Broward Builders PAC - AMENDED

Dear Mr. Bunnell:

On April 13, 2015, the Florida Elections Commission received a complaint alleging that you violated Florida's election laws. I have reviewed the complaint and find that it contains one or more legally sufficient allegations. The Commission staff will investigate the following alleged violations:

Section 106.07(7), Florida Statutes: As alleged in the complaint, Respondent failed to notify the filing officer on the prescribed reporting dates that no reports would be filed on those dates because it had not received funds, made contributions, or expended reportable funds during the following reporting periods:

- 2014 P2
- 2014 P5
- 2014 D1
- 2014 D2
- 2014 D6

You may respond to the allegations above by filing a notarized statement providing any information regarding the facts and circumstances surrounding the allegations. Your response will be included as an attachment to the investigator's report.

When we conclude the investigation, a copy of the Report of Investigation will be mailed to you at the above address. You may file a response to the report within 14 days from the date the report is mailed to you. Based on the results of the investigation, legal staff will make a written recommendation to the Commission on whether there is probable cause to believe you have violated Chapter 104 or 106, Florida Statutes. A copy of the Staff Recommendation will be

mailed to you and you may file a response within 14 days from the date the recommendation is mailed to you. Your timely filed response(s) will be considered by the Commission when determining probable cause.

The Commission will then hold a hearing to determine whether there is probable cause to believe you have violated Chapters 104 or 106, Florida Statutes. You and the complainant will receive a notice of hearing at least 14 days before the hearing. The notice of hearing will indicate the location, date, and time of your hearing. You will have the opportunity to make a brief oral statement to the Commission, but you will not be permitted to testify or call others to testify, or introduce any documentary or other evidence.

At any time before a probable cause finding, you may notify us in writing that you want to enter into negotiations directed towards reaching a settlement via consent agreement.

The Report of Investigation, Staff Recommendation, and Notice of Hearing will be mailed to the above address as this letter. Therefore, if your address changes, you must notify this office of your new address. Otherwise, you may not receive these important documents. Failure to receive the documents will not delay the probable cause hearing.

Under section 106.25, Florida Statutes, complaints, Commission investigations, investigative reports, and other documents relating to an alleged violation of Chapters 104 and 106, Florida Statutes, are confidential until the Commission finds probable cause or no probable cause. The confidentiality provision does not apply to the person filing the complaint. However, it does apply to you unless you waive confidentiality in writing. The confidentiality provision does not preclude you from seeking legal counsel. However, if you retain counsel, your attorney must file a notice of appearance with the Commission before any member of the Commission staff can discuss this case with him or her.

If you have any questions or need additional information, please contact **Cedric Oliver**, the investigator assigned to this case.
