NOTICE OF HEARING (CONSENT ORDER)

A hearing will be held in this case before the Florida Elections Commission on, **February 28, 2017 at 11:00 am, or as soon thereafter as the parties can be heard**, at the following location: **Senate Office Building, 404 South Monroe Street, Room 110-S, Tallahassee, Florida 32399**

Failure to appear in accordance with this notice will constitute a waiver of your right to participate in the hearing. Continuances will be granted only upon a showing of good cause.

This hearing will be conducted pursuant to Section 106.25, Florida Statutes, which governs your participation as follows:

If you are the Respondent, you may attend the hearing, and you or your attorney will have *5 minutes* to present your case to the Commission. However, some cases (including those in which consent orders or recommendations for no probable cause are being considered) may be decided by an *en masse* vote and, unless you request to be heard or the Commission requests that your case be considered separately on the day of the hearing, your case will *not* be individually heard.

If you are the Complainant, you may attend the hearing, but you will *not* be permitted to address the Commission. In addition, some cases (including those in which consent orders or recommendations for no probable cause are being considered) may be decided by an *en masse* vote and, unless the Respondent requests to be heard or the Commission requests that the case be considered separately on the day of the hearing, the case will *not* be individually heard.

If you are an Appellant, and you have requested a hearing, you may attend the hearing, and you or your attorney will have *5 minutes* to present your case to the Commission.

Please be advised that both confidential and public cases are scheduled to be heard by the Florida Elections Commission on this date. As an Appellant, Respondent or Complainant in one case, you will *not* be permitted to attend the hearings on other confidential cases.

The Commission will electronically record the meeting. Although the Commission's recording is considered the official record of the hearing, the Respondent may provide, at his own expense, a certified court reporter to also record the hearing.

If you require an accommodation due to a disability, contact Donna Ann Malphurs at (850) 922-4539 or by mail at 107 West Gaines Street, The Collins Building, Suite 224, Tallahassee, Florida 32399, at least 5 days before the hearing.

See further instructions on the reverse side.

Amy McKeever Toman
Executive Director
Florida Elections Commission
February 13, 2017

Please refer to the information below for further instructions related to your particular hearing:

If this is a hearing to consider **an appeal from an automatic fine**, the Filing Officer has imposed a fine on you for your failure to file a campaign treasurer's report on the designated due date and, by filing an appeal, you have asked the Commission to consider either (1) that the report was in fact timely filed; or (2) that there were unusual circumstances that excused the failure to file the report timely. You are required to prove your case. If the Commission finds that the report was filed timely or that there were unusual circumstances that excused the failure, it may waive the fine, in whole or in part. The Commission may reduce a fine after considering the factors in Section 106.265, Florida Statutes. If the Commission finds that the report was not timely filed and there were no unusual circumstances, the fine will be upheld.

If this is a hearing to consider a **consent order before a determination of probable cause has been made**, the Commission will decide whether to accept or reject the consent order. If the Commission accepts the consent order, the case will be closed and become public. If the Commission rejects the consent order or does not make a decision to accept or deny the consent order, the case will remain confidential, unless confidentiality has been waived.

If this is a hearing to consider a **consent order after a determination of probable cause has been made**, the Commission will decide whether to accept or reject the consent order. If the Commission accepts the consent order, the case will be closed. If the Commission rejects the consent order or does not make a decision to accept or deny the consent order, the Respondent will be entitled to another hearing to determine if the Respondent committed the violation(s) alleged.

If this is a **probable cause hearing**, the Commission will decide if there is probable cause to believe that the Respondent committed a violation of Florida's election laws. Respondent should be prepared to explain how the staff in its recommendation incorrectly applied the law to the facts of the case. *Respondent may not testify, call others to testify, or introduce any documentary or other evidence at the probable cause hearing.* The Commission will only decide whether Respondent should be *charged* with a violation and, before the Commission determines whether a violation has occurred or a fine should be imposed, Respondent will have an opportunity for another hearing at which evidence may be introduced.

If this is an **informal hearing**, it will be conducted pursuant Sections 120.569 and 120.57(2), Florida Statutes; Chapter 28 and Commission Rule 2B-1.004, Florida Administrative Code. At the hearing, the Commission will decide whether the Respondent committed the violation(s) charged in the Order of Probable Cause. The Respondent will be permitted to testify. However, the Respondent may not call witnesses to testify.

Respondent may argue why the established facts in the Staff Recommendation do not support the violations charged in the Order of Probable Cause. At Respondent's request, the Commission may determine whether Respondent's actions in the case were willful. The Respondent may also address the appropriateness of the recommended fine. If Respondent claims that his limited resources make him unable to pay the statutory fine, *he must provide the Commission with written proof of his financial resources* at the hearing. A financial affidavit form is available from the Commission Clerk.

**Case No.: FEC 16-243
F.O. No.: FOFEC**

CONSENT FINAL ORDER

Respondent, Ed Kelley, and the Florida Elections Commission (Commission) agree that this Consent Order resolves all of the issues between the parties in this case. The parties jointly stipulate to the following facts, conclusions of law, and order:

FINDINGS OF FACT

1. On July 27, 2016, a complaint was filed with the Commission alleging that Respondent violated Florida's election laws.
2. Respondent has expressed a desire to enter into negotiations directed toward reaching a consent agreement.
3. Respondent and the staff stipulate to the following facts:
 - a. Respondent is a candidate for the Volusia County Council Chairman in the 2016 election.
 - b. During his campaign, Respondent certified campaign reports were complete when they were not.

CONCLUSIONS OF LAW

4. The Commission has jurisdiction over the parties to and subject matter of this

cause, pursuant to Section 106.26, Florida Statutes.

5. Section 106.25(4)(i)3., Florida Statutes, allows the Commission to approve a consent agreement with a Respondent prior to the Commission finding probable cause that a violation of the election laws occurred. The consent agreement has the same force and effect as a consent agreement reached after the Commission finds probable cause.

6. The Commission staff and Respondent stipulate that staff could prove all the facts in paragraph three and to the Commission's ability to impose a civil penalty in the case.

ORDER

7. The Respondent and the staff of the Commission have entered into this Consent Order voluntarily and upon advice of counsel.

8. The parties shall each bear its own attorney's fees and costs that are in any way associated with this case.

9. The Commission will consider the Consent Order at its next available meeting.

10. The Respondent voluntarily waives the right to any further proceedings under Chapters 104, 106, and 120, Florida Statutes, and the right to appeal the Consent Order.

11. This Consent Order is enforceable under Sections 106.265 and 120.69, Florida Statutes. Respondent expressly waives any venue privileges and agrees that if enforcement of this Consent Order is necessary, venue shall be in Leon County, Florida, and Respondent shall be responsible for all fees and costs associated with enforcement.

12. If the Commission does not receive the signed Consent Order by **November 14, 2016**, the staff withdraws this offer of settlement and will proceed with the case.

13. Payment of the civil penalty by cashier's check, money order, good for at least 120 days, or attorney trust account check is a condition precedent to the Commission's

consideration of the Consent Order.

PENALTY

WHEREFORE, based upon the foregoing facts and conclusions of law, the Commission finds that the Respondent has violated Section 106.07(5), Florida Statutes, on one occasion and imposes a \$350 civil penalty for the violation.

Therefore it is

ORDERED that the Respondent shall remit to the Commission a civil penalty in the amount of \$350, inclusive of fees and costs. The civil penalty shall be paid by cashier's check, money order, good for at least 120 days, or attorney trust account check. The civil penalty should be made payable to the Florida Elections Commission and sent to 107 West Gaines Street, Collins Building, Suite 224, Tallahassee, Florida, 32399-1050.

Respondent hereby agrees and consents to the terms of this Order on November 7, 2016.

RE: Case No.: FEC 16-243; Respondent: Ed Kelley

Dear Mr. Kelley:

On July 27, 2016, the Florida Elections Commission received a complaint alleging that you violated Florida's election laws. I have reviewed the complaint and find that it contains one or more legally sufficient allegations. The Commission staff will investigate the following alleged violation:

Section 106.07(5), Florida Statutes: Respondent, a 2016 candidate for Volusia County Council Chairman, filed one or more campaign treasurer reports that were either incorrect or incomplete, as alleged in the complaint.

You may respond to the allegation above by filing a notarized statement providing any information regarding the facts and circumstances surrounding the allegation. Your response will be included as an attachment to the investigator's report.

When we conclude the investigation, a copy of the Report of Investigation will be mailed to you at the above address. You may file a response to the report within 14 days from the date the report is mailed to you. Based on the results of the investigation, legal staff will make a written recommendation to the Commission on whether there is probable cause to believe you have violated Chapter 104 or 106, Florida Statutes. A copy of the Staff Recommendation will be mailed to you and you may file a response within 14 days from the date the recommendation is mailed to you. Your timely filed response(s) will be considered by the Commission when determining probable cause.

The Commission will then hold a hearing to determine whether there is probable cause to believe you have violated Chapters 104 or 106, Florida Statutes. You and the complainant will receive a notice of hearing at least 14 days before the hearing. The notice of hearing will indicate the location, date, and time of your hearing. You will have the opportunity to make a brief oral

statement to the Commission, but you will not be permitted to testify or call others to testify, or introduce any documentary or other evidence.

At any time before a probable cause finding, you may notify us in writing that you want to enter into negotiations directed towards reaching a settlement via consent agreement.

The Report of Investigation, Staff Recommendation, and Notice of Hearing will be mailed to the above address as this letter. Therefore, if your address changes, you must notify this office of your new address. Otherwise, you may not receive these important documents. Failure to receive the documents will not delay the probable cause hearing.

Under section 106.25, Florida Statutes, complaints, Commission investigations, investigative reports, and other documents relating to an alleged violation of Chapters 104 and 106, Florida Statutes, are confidential until the Commission finds probable cause or no probable cause. The confidentiality provision does not apply to the person filing the complaint. However, it does apply to you unless you waive confidentiality in writing. The confidentiality provision does not preclude you from seeking legal counsel. However, if you retain counsel, your attorney must file a notice of appearance with the Commission before any member of the Commission staff can discuss this case with him or her.

If you have any questions or need additional information, please contact **Helen Hinson**, the investigator assigned to this case.

Sincerely,

Amy McKeever Toman
Executive Director

Response

- 1. If the person who filed the complaint had contributed to my campaign he would have received the required forms (including D8-DE 86(Rev. 09/96) . On letter dated December 16, 2015 all who had contributed to my campaign were sent by mail or hand delivered required the forms. I fully complied with Section 106.02(1)(a)**
- 2. I personally typed and copied the necessary forms myself. Those that were mailed had stamps that had already been expensed per filing M8.Copy enclosed. Copies of receipts for this enclosed. (by separate mail)**
- 3. The 2015 M12 Report filed is a true and accurate report.**
- 4. The registration of name (as listed in complaint) Kellyforcountychair.com was never filed for by me. However my advertising agency filed for and paid for to GoDaddy.com the domain registration of kelleyforcountychair.com**
- 5. Based upon the information above in item 4 the Report 2016 M2 was 100% correct**
- 6. The \$200.00 expense for West Volusia Chamber (Hob Nob) was shown on report P4 and credit card charge (copy attached) was reimbursed to Ed Kelley. Even though a reservation was made there was no charge incurred and I did not want to reimburse before actually paying for it.**
- 7. It was correct as the expense referenced in 6 was accounted for on Report P4, attached to item 6.**

8. It clearly shows on page 30 of 32 on complaint filed (lines 7 & 8) on May 23, 2016 checks issued to Ed Kelley for reimbursement of signs. Copies of invoices enclosed and copies of charges to my credit cards (some information redacted). The expenses for the signs referenced are included in the report.

9. The report M5 is true and accurate and substantiated by information in item 8 above.

Complaint filed 8-3-2016.docx

Attention Erin Riley

Erin, by mail I am sending copies of receipts and copies of reports showing that I fully complied with all requirements. The complaints are without merit.

These complaints were just a nuisance filing most likely by a supporter of one of the other candidates.

Thanks

Ed Kelley

Re: Case No.: FEC 16-243; Respondent Ed Kelley

Response

1. If the person who filed the complaint had contributed to my campaign he would have received the required forms (including D8-DE 86(Rev. 09/96) . On letter dated December 16, 2015 all who had contributed to my campaign were sent by mail or hand delivered required the forms. I fully complied with Section 106.02(1)(a)
2. I personally typed and copied the necessary forms myself. Those that were mailed had stamps that had already been expensed per filing M8.Copy enclosed. Copies of receipts for this enclosed. (by separate mail)
3. The 2015 M12 Report filed is a true and accurate report.
4. The registration of name (as listed in complaint) Kellyforcountychair.com was never filed for by me. However my advertising agency filed for and paid for to GoDaddy.com the domain registration of kelleyforcountychair.com
5. Based upon the information above in item 4 the Report 2016 M2 was 100% correct
6. The \$200.00 expense for West Volusia Chamber (Hob Nob) was shown on report P4 and credit card charge (copy attached) was reimbursed to Ed Kelley. Even though a reservation was made there was no charge incurred and I did not want to reimburse before actually paying for it.
7. It was correct as the expense referenced in 6 was accounted for on Report P4, attached to item 6.

8. It clearly shows on page 30 of 32 on complaint filed (lines 7 & 8) on May 23 checks issued to Ed Kelley for reimbursement of signs. Copies of invoices enclosed and copies of charges to my credit cards (some information redacted). The expenses for the signs referenced are included in the report.

9. The report M5 is true and accurate and substantiated by information in item 8 above.

Thank you

Ed Kelley
