This hearing will be conducted pursuant to Section 106.25, Florida Statutes, which governs your participation as follows:

If you are the Respondent, you may attend the hearing, and you or your attorney will have *5 minutes* to present your case to the Commission. However, some cases (including those in which consent orders or recommendations for no probable cause are being considered) may be decided by an *en masse* vote and, unless you request to be heard or the Commission requests that your case be considered separately on the day of the hearing, your case will *not* be individually heard.

If you are the Complainant, you may attend the hearing, but you will *not* be permitted to address the Commission. In addition, some cases (including those in which consent orders or recommendations for no probable cause are being considered) may be decided by an *en masse* vote and, unless the Respondent requests to be heard or the Commission requests that the case be considered separately on the day of the hearing, the case will *not* be individually heard.

Please refer to the information below for further instructions related to your particular hearing:

If this is a hearing to consider **an appeal from an automatic fine**, the Filing Officer has imposed a fine on you for your failure to file a campaign treasurer's report on the designated due date and, by filing an appeal, you have asked the Commission to consider either (1) that the report was in fact timely filed; or (2) that there were unusual circumstances that excused the failure to file the report timely. You are required to prove your case. If the Commission finds that the report was filed timely or that there were unusual circumstances that excused the failure, it may waive the fine, in whole or in part. The Commission may reduce a fine after considering the factors in Section 106.265, Florida Statutes. If the Commission finds that the report was not timely filed and there were no unusual circumstances, the fine will be upheld.

If this is a hearing to consider a **consent order before a determination of probable cause has been made**, the Commission will decide whether to accept or reject the consent order. If the Commission accepts the consent order, the case will be closed and become public. If the Commission rejects the consent order or does not make a decision to accept or deny the consent order, the case will remain confidential, unless confidentiality has been waived.

If this is a hearing to consider a **consent order after a determination of probable cause has been made**, the Commission will decide whether to accept or reject the consent order. If the Commission accepts the consent order, the case will be closed. If the Commission rejects the consent order or does not make a decision to accept or deny the consent order, the Respondent will be entitled to another hearing to determine if the Respondent committed the violation(s) alleged.

If this is a **probable cause hearing**, the Commission will decide if there is probable cause to believe that the Respondent committed a violation of Florida's election laws. Respondent should be prepared to explain how the staff in its recommendation incorrectly applied the law to the facts of the case. *Respondent may not testify, call others to testify, or introduce any documentary or other evidence at the probable cause hearing.* The Commission will only decide whether Respondent should be *charged* with a violation and, before the Commission determines whether a violation has occurred or a fine should be imposed, Respondent will have an opportunity for another hearing at which evidence may be introduced.

If this is an **informal hearing**, it will be conducted pursuant Sections 120.569 and 120.57(2), Florida Statutes; Chapter 28 and Commission Rule 2B-1.004, Florida Administrative Code. At the hearing, the Commission will decide whether the Respondent committed the violation(s) charged in the Order of Probable Cause. The Respondent will be permitted to testify. However, the Respondent may not call witnesses to testify.

Respondent may argue why the established facts in the Staff Recommendation do not support the violations charged in the Order of Probable Cause. At Respondent's request, the Commission may determine whether Respondent's actions in the case were willful. The Respondent may also address the appropriateness of the recommended fine. If Respondent claims that his limited resources make him unable to pay the statutory fine, *he must provide the Commission with written proof of his financial resources* at the hearing. A financial affidavit form is available from the Commission Clerk.

2B-1.005 Appeal of Fines Imposed by Filing Officers.

(1) To appeal a fine imposed pursuant to Sections 106.04(8) or 106.07(8), F.S., the party against whom the fine is levied shall file a notice of appeal with the Commission, and a copy filed with the filing officer, within 20 days of the appealing party's receipt of notice that a fine is being imposed. The notice of appeal shall contain:

- (a) The name, address and telephone number of the appealing party;
- (b) A copy of the notice of imposition of fine issued by the filing officer; and
- (c) A request for hearing if a personal appearance before the Commission is desired. If no hearing request is made, the appeal shall be decided solely on the documents submitted by the appealing party and Commission staff.

(2) Upon receipt of a timely notice of appeal, the Commission staff shall notify the appealing party that the appeal has been accepted. The appealing party shall have 20 days from acceptance of the appeal to submit any documents supporting the appeal. Any subsequent supplemental documents shall be filed no later than five business days before the hearing.

(3) The Commission shall uphold the fine imposed by the filing officer unless the appealing party demonstrates that the report was timely filed or that there were unusual or other circumstances beyond the control of the candidate or committee that caused the report to be filed late.

Rulemaking Authority 106.26(1) FS Law Implemented 106.04(8), 106.07(8) FS History—New 9-14-86 Amended 10-19-86, Formerly 1D-1.005 Amended 1-11-99, 4-24-05, 6-2-13

2B-1.0055 Late-filed Reports: Unusual Circumstances.

(1) Unusual circumstances mean uncommon, rare or sudden events over which the actor has no control and which directly result in the failure to act according to the filing requirements. Unusual circumstances must occur within a time period that would clearly prevent the person legally responsible for filing the report from doing so in a timely manner. Unusual circumstances shall include, but are not limited to, the following circumstances:

(a) Natural disaster or other emergency that prevented timely filing. Evidence submitted shall include copies of newspaper reports or other documents from an independent and reliable source that document the nature, date, and location of the natural disaster or emergency.

(b) Death of the candidate or campaign treasurer or an immediate family member of the candidate or campaign treasurer. Evidence submitted shall include a copy of the death certificate, newspaper obituary, or funeral program or notice.

(c) Serious illness, disability or non-elective surgery of the candidate or campaign treasurer. Evidence submitted shall include a physician's certification on professional letterhead stationery that includes the dates of the illness, disability, or surgery; a statement regarding the period of time that the patient was incapacitated; and a statement that surgery, if any, was not elective. The period of incapacitation may also be shown by copies of hospital records reflecting the dates of hospitalization.

(d) Serious illness, disability or non-elective surgery of the candidate's or campaign treasurer's immediate family member. Evidence submitted shall include evidence of the candidate or treasurer's relationship to the family member, the location of the family member, and the reason the candidate or campaign treasurer's presence was required. Evidence submitted shall also include a physician's certification on professional letterhead stationery that includes the dates of the illness, disability or surgery; a statement regarding the period of time that the patient was incapacitated; a statement that surgery, if any, was not elective; and a statement that the patient required the care of a family member.

(e) Computer or equipment failure caused by events that could not have been anticipated and that made timely filing of the report impossible.

(f) The abrupt and unexpected loss of the campaign treasurer, over which the appealing party had no control. The loss of the campaign treasurer shall not constitute unusual circumstances if the appealing party failed to monitor the campaign treasurer's performance before his or her departure or if the appealing party failed to assure prompt preparation of the report after the treasurer's departure.

(g) Failure of the filing officer to e-mail, telephone, or mail a letter to the candidate, chairman of a political committee, or treasurer of a committee of continuous existence that a report is late no later than seven days after the report was due shall constitute unusual circumstances if the appealing party establishes that lack of notice clearly interfered with the timely filing of the report. The fine imposed by the filing officer shall be reduced to the amount that would have been imposed had the report been filed 13 days late.

(2) Unusual circumstances shall not include:

(a) Failure of the United States Postal Service or other mail delivery service to postmark an envelope, legibly postmark an envelope, or timely deliver mail.

(b) Failure of the sender to affix sufficient postage to a report that is being mailed.

Rulemaking Authority 106.26(1) FS Law Implemented 106.04(8), 106.07(8) FS History—New 1-11-99 Amended 4-24-05, 6-2-13

Dear Mr. Izzo:

This will acknowledge receipt of the Appointment of Campaign Treasurer and Designation of Campaign Depository for the office of State Representative, which was placed on file in our office on July 23, 2015. Your name has been placed on the 2016 active candidate list.

Campaign Treasurer's Reports

Your first campaign treasurer's report will be due on **August 10, 2015**. The report will cover the period of July 1-31, 2015 (M7). All candidates who file reports with the Division of Elections are required to file by means of the Division's Electronic Filing System (EFS).

Credentials and Sign-ons

Below is the web address to access the EFS and your user identification number. The enclosed sealed envelope contains your initial password. Once you have logged in using the initial password, you will be immediately prompted to change it to a confidential sign-on. You, your campaign treasurer, and deputy treasurers are responsible for protecting this password from disclosure and are responsible for all filings using these credentials, unless the Division is notified that your credentials have been compromised.

Pin Numbers

Pin numbers are confidential secure credentials that allow you to submit reports and update personal information. The enclosed sealed envelope contains confidential pin numbers for you. By copy of this letter, a confidential pin number to access the EFS was sent to your treasurer.

Each candidate is required to provide the Division of Elections with confidential personal information that may be used to allow access in the event this password is forgotten or lost. When you enter the campaign account screen, there will be a drop down box where you pick a question (such as *What is your mother's maiden name?*) and supply an answer. All passwords and answers to questions are stored as encrypted data and cannot be viewed by Division staff and given out over the phone. Please notify the Division if your credentials have been compromised.

Timely Filing

All reports filed must be completed and filed through the EFS not later than midnight of the due date. Reports not filed by midnight of the due date are late filed and subject to the penalties in Section 106.07(8), Florida Statutes. In the event that the EFS is inoperable on the due date, the report will be accepted as timely filed if filed no later than midnight of the first business day the EFS becomes operable. No fine will be levied during the period the EFS was inoperable.

Any candidate failing to file a report on the designated due date shall be subject to a fine of \$50 per day for the first 3 days late and, thereafter, \$500 per day for each late day, not to exceed 25% of the total receipts or expenditures, whichever is greater, for the period covered by the late report. However, for reports immediately preceding each primary and general election, the fine shall be \$500 per day for each late day, not to exceed 25% of the total receipts or expenditures, whichever is greater, for the period covered by the late report.

Electronic Receipts

The person submitting the report on the EFS will be issued an electronic receipt indicating and verifying the report was filed. Each campaign treasurer's report filed by means of the EFS is considered to be under oath by the candidate and campaign treasurer and such persons are subject to the provisions of Section 106.07(5), Florida Statutes.
