If you have any questions, please contact Commission staff at (850) 922-4539.

Failure to appear in accordance with this notice will constitute a waiver of your right to participate in the hearing. Continuances will be granted only upon a showing of good cause.

This hearing will be conducted pursuant to Section 106.25, Florida Statutes, which governs your participation as follows:

**If you are the Respondent**, you may attend the hearing, and you or your attorney will have *5 minutes* to present your case to the Commission. However, some cases (including those in which motions to dismiss or recommendations for no probable cause are being considered) may be decided by an *en masse* vote and, unless you request to be heard or the Commission requests that your case be considered separately on the day of the hearing, your case will *not* be individually heard.

**If you are the Complainant**, you may attend the hearing, but you will *not* be permitted to address the Commission. ***Tim Vaccaro***

Executive Director  
Florida Elections Commission  
February 2, 2021

Please refer to the information below for further instructions related to your particular hearing:

If this is a hearing to consider **an appeal from an automatic fine**, the Filing Officer has imposed a fine on you for your failure to file a campaign treasurer's report on the designated due date and, by filing an appeal, you have asked the Commission to consider either (1) that the report was in fact timely filed; or (2) that there were unusual circumstances that excused the failure to file the report timely. You are required to prove your case. If the Commission finds that the report was filed timely or that there were unusual circumstances that excused the failure, it may waive the fine, in whole or in part. The Commission may reduce a fine after considering the factors in Section 106.265, Florida Statutes. If the Commission finds that the report was not timely filed and there were no unusual circumstances, the fine will be upheld.

If this is a **probable cause hearing**, the Commission will decide if there is probable cause to believe that the Respondent committed a violation of Florida's election laws. Respondent should be prepared to explain how the staff in its recommendation incorrectly applied the law to the facts of the case. *Respondent may not testify, call others to testify, or introduce any documentary or other evidence at the probable cause hearing.* The Commission will only decide whether Respondent should be *charged* with a violation and, before the Commission determines whether a violation has occurred or a fine should be imposed, Respondent will have an opportunity for another hearing at which evidence may be introduced.

If this is an **informal hearing**, it will be conducted pursuant Sections 120.569 and 120.57(2), Florida Statutes; Chapter 28 and Commission Rule 2B-1.004, Florida Administrative Code. At the hearing, the Commission will decide whether the Respondent committed the violation(s) charged in the Order of Probable Cause. The Respondent will be permitted to testify. However, the Respondent may not call witnesses to testify.

Respondent may argue why the established facts in the Staff Recommendation do not support the violations charged in the Order of Probable Cause. At Respondent's request, the Commission may determine whether Respondent's actions in the case were willful. The Respondent may also address the appropriateness of the recommended fine. If Respondent claims that his limited resources make him unable to pay the statutory fine, *he must provide the Commission with written proof of his financial resources* at the hearing. A financial affidavit form is available from the Commission Clerk.

**SUMMARY:** At-The-Table is a political committee (PC) registered with the State of Florida. The PC's chair is Connie Hodges and its treasurer is Virginia Myrick.

The PC is appealing the fine claiming that their previous treasurer, Teri Sowder, initially filed reports timely and suddenly became unresponsive. After multiple failed attempts to get a response from Ms. Sowder, they changed treasurers.

According to the current treasurer, Ms. Myrick, she was appointed on July 10, 2020. She states that they discovered Ms. Sowder had filed multiple reports late on 07/10/20 when they started receiving letters from the Division of Elections. She also provided a copy of an email dated August 18, 2020 from the previous treasurer regarding her absence. Ms. Myrick notes that the fine is "enormous due to their small size" and requests that the commission waive the fine.

- The 2020 M3 Original Report covers the period from 03/01/20-03/31/20; it was due on 04/10/20.
- The 2020 M3 Queued Transaction Report shows that it was created and filed on 04/06/20.<sup>1</sup>
- At-The-Table reported receiving 1 contribution, while making zero expenditures.
- FEC staff was advised, "The committee filed a notice of no activity (waiver) on 04/06/20. A waiver is not a report. On 07/07/20, the committee filed a report showing \$1,500.00 of activity. The fine is based on 25% of the activity.
- The Division of Elections does not have any notes that pertain to At-The-Table's 2020 M3 report. However, several entries beginning 07/10/20, discuss the release of credentials over the phone to Ms. Myrick.

**PRIOR CASES:** None.

<sup>1</sup>The filing discussed in this bullet refers to the waiver that reflected zero activity.

Our account is a Political Committee founded in 2016. Our original treasurer was Teri Sowder and initially, she was filing reports on time. Suddenly, she became completely unresponsive to all our calls and emails. We discovered she filed a host of reports late on 7/10/2020 when we started receiving letters from your office. After repeated failed attempts by us to get a response from Teri, we changed treasurers. I was appointed July 10, 2020, and recognized by your office through a letter. This is our second attempt to apply for a waiver. Our first letter was rejected because it was not signed by our Chairman. Also enclosed is a recent memo(August 18 th ) that we received from our former Treasurer Teri Sowder which further explains her absence because of Covid-19 and our circumstances.

It certainly cannot be the first time a treasurer abandoned their responsibility without contacting the political committee leadership. We are a very small political committee focused only on women who have qualified to run for local and state office.

A fine of \$375 is enormous to us because of our small size. We believe we have amended and filed all past reports starting with 2020 M1. I believe the assessed fine is for M3 because we received a donation of \$1,500 in that period.

We are asking for a waiver for this fine and assistance from your staff to correct any other outstanding reports.

**Subject:** FW: New At the Table PIN

Ladies – I just got the letter that Ginny sent to the Bureau of Elections.

Below is my PIN. I apologize that you all felt you weren't able to get ahold of me. I don't recall having received any emails asking for the PIN and as you may know, we were out of the office since March 13<sup>th</sup>. All of our needed information was in the office and we were restricted from returning without special approval from our national office. We also didn't have the new filing calendar. It was an honest mistake and no ill will was meant.

You will see attached that Tricia filed back in July, which at the time was all that we were aware of. I'm sorry that you all felt we abandoned our responsibilities. That was never the intent or desire. It has been quite an interesting and tough year to work remotely during tax season with 2 small children at home.

Good luck and best wishes to you all going forward and I hope this doesn't leave us parting ways in an unfavorable light.

Best Wishes,

Teri

We do not have Teri's PIN, and I have been assigned a new PIN. This makes it particularly difficult to go back to rectify the errors. I am working with the bureau staff to do this.

It certainly cannot be the first time a treasurer abandoned their responsibility without contacting the political committee leadership. We are not asking for special treatment but cooperation and guidance to correct this problem. We are a very small political committee focused only on women who have qualified to run for local and state seats. We wish to clear up any outstanding reports.

I changed CanCom to accurately reflect that the addresses are not different. She also voiced concerns about the difficulty of EFS. I showed her how to pull the EFS user's guide and how to see the committee's full financial activity on the DOE website. She was appreciative.</p>

Received phone call from DT Terri. She needed to know the website to login to for the reporting. I gave her the URL for EFS. She didn't have an ID number for the PAC so I gave her that. She tried the password she was given by the chairperson earlier but it didn't work. I looked at the account and saw someone had already logged in today and explained she would need to call the chair to find out what they changed the password to. She said she would follow up with the people on her side.

Dear Ms. Myrick:

This will acknowledge receipt of the Statement of Organization and Appointment of Campaign Treasurer and Designation of Campaign Depository for **At-The-Table**, which were placed on file in our office on July 19, 2016. This information appears to comply with the requirements of Section 106.03, Florida Statutes, and the name of this organization has been placed on our active committee list as a political committee.

### Campaign Treasurer's Reports

Your first campaign treasurer's report will be due on **July 29, 2016**. The report will cover the period of July 16-22, 2016 (P3). All political committees that file reports with the Division of Elections are required to file by means of the Division's Electronic Filing System (EFS).

### Credentials and Sign-ons

Below is the web address to access the EFS and the committee's user identification number. The enclosed sealed envelope contains the committee's initial password. Once you have logged in using the initial password, you will be immediately prompted to change it to a confidential sign-on. The chairperson, campaign treasurer, and deputy treasurers are responsible for protecting this password from disclosure and are responsible for all filings using these credentials, unless the Division is notified that your credentials have been compromised.

### **Pin Numbers**

Pin numbers are confidential secure credentials that allow you to submit reports and update information. The enclosed sealed envelope provides a confidential pin number for the chairperson. By copy of this letter, confidential pin numbers to access the EFS were sent to the treasurer and deputy treasurer.

Each political committee chairperson is required to provide the Division of Elections with confidential personal information that may be used to allow access in the event that the password is forgotten or lost. When you enter the campaign account screen, there will be a drop down box where you pick a question (such as *What is your mother's maiden name?*) and supply an answer. All passwords and answers to questions are stored as encrypted data and cannot be viewed by Division staff and given out over the phone. Please notify the Division if your credentials have been compromised.

### **Timely Filing**

All reports must be completed and filed through the EFS no later than midnight, Eastern Standard Time, of the due date. Reports not filed by midnight of the due date are late filed and subject to the penalties in Section 106.07(8), Florida Statutes. In the event that the EFS is inoperable on the due date, the report will be accepted as timely filed if filed no later than midnight, Eastern Standard Time, of the first business day the EFS becomes operable. No fine will be levied during the period the EFS was inoperable.

Any political committee failing to file a report on the designated due date is subject to a fine of \$50 per day for the first 3 days and, thereafter, \$500 per day for each day, not to exceed 25% of the total receipts or expenditures, whichever is greater, for the period covered by the late report. However, for the reports immediately preceding each primary and general election, the fine shall be \$500 per day, not to exceed 25% of the total receipts or expenditures, whichever is greater, for the period covered by the late report.

### **Electronic Receipts**

The person submitting the report on the EFS will be issued an electronic receipt indicating and verifying the report was filed. Each campaign treasurer's report filed by means of the EFS is considered to be under oath by the chairperson and campaign treasurer and such persons are subject to the provisions of Section 106.07(5), Florida Statutes.
