If you are the Respondent, you may attend the hearing, and you or your attorney will have *5 minutes* to present your case to the Commission. However, some cases (including those in which consent orders or recommendations for no probable cause are being considered) may be decided by an *en masse* vote and, unless you request to be heard or the Commission requests that your case be considered separately on the day of the hearing, your case will *not* be individually heard.

Executive Director
Florida Elections Commission

Please refer to the information below for further instructions related to your particular hearing:

If this is a hearing to consider **an appeal from an automatic fine**, the Filing Officer has imposed a fine on you for your failure to file a campaign treasurer's report on the designated due date and, by filing an appeal, you have asked the Commission to consider either (1) that the report was in fact timely filed; or (2) that there were unusual circumstances that excused the failure to file the report timely. You are required to prove your case. If the Commission finds that the report was filed timely or that there were unusual circumstances that excused the failure, it may waive the fine, in whole or in part. The Commission may reduce a fine after considering the factors in Section 106.265, Florida Statutes. If the Commission finds that the report was not timely filed and there were no unusual circumstances, the fine will be upheld.

If this is a hearing to consider a **consent order before a determination of probable cause has been made**, the Commission will decide whether to accept or reject the consent order. If the Commission accepts the consent order, the case will be closed and become public. If the Commission rejects the consent order or does not make a decision to accept or deny the consent order, the case will remain confidential, unless confidentiality has been waived.

If this is a hearing to consider a **consent order after a determination of probable cause has been made**, the Commission will decide whether to accept or reject the consent order. If the Commission accepts the consent order, the case will be closed. If the Commission rejects the consent order or does not make a decision to accept or deny the consent order, the Respondent will be entitled to another hearing to determine if the Respondent committed the violation(s) alleged.

If this is a **probable cause hearing**, the Commission will decide if there is probable cause to believe that the Respondent committed a violation of Florida's election laws. Respondent should be prepared to explain how the staff in its recommendation incorrectly applied the law to the facts of the case. *Respondent may not testify, call others to testify, or introduce any documentary or other evidence at the probable cause hearing.* The Commission will only decide whether Respondent should be *charged* with a violation and, before the Commission determines whether a violation has occurred or a fine should be imposed, Respondent will have an opportunity for another hearing at which evidence may be introduced.

If this is an **informal hearing**, it will be conducted pursuant Sections 120.569 and 120.57(2), Florida Statutes; Chapter 28 and Commission Rule 2B-1.004, Florida Administrative Code. At the hearing, the Commission will decide whether the Respondent committed the violation(s) charged in the Order of Probable Cause. The Respondent will be permitted to testify. However, the Respondent may not call witnesses to testify.

Respondent may argue why the established facts in the Staff Recommendation do not support the violations charged in the Order of Probable Cause. At Respondent's request, the Commission may determine whether Respondent's actions in the case were willful. The Respondent may also address the appropriateness of the recommended fine. If Respondent claims that his limited resources make him unable to pay the statutory fine, *he must provide the Commission with written proof of his financial resources* at the hearing. A financial affidavit form is available from the Commission Clerk.

If you are the Complainant, you may attend the hearing, but you will *not* be permitted to address the Commission. In addition, some cases (including those in which consent orders or recommendations for no probable cause are being considered) may be decided by an *en masse* vote and, unless the Respondent requests to be heard or the Commission requests that the case be considered separately on the day of the hearing, the case will *not* be individually heard.

Tim Vaccaro

Executive Director
Florida Elections Commission
March 9, 2019

Please refer to the information below for further instructions related to your particular hearing:

If this is a hearing to consider **an appeal from an automatic fine**, the Filing Officer has imposed a fine on you for your failure to file a campaign treasurer's report on the designated due date and, by filing an appeal, you have asked the Commission to consider either (1) that the report was in fact timely filed; or (2) that there were unusual circumstances that excused the failure to file the report timely. You are required to prove your case. If the Commission finds that the report was filed timely or that there were unusual circumstances that excused the failure, it may waive the fine, in whole or in part. The Commission may reduce a fine after considering the factors in Section 106.265, Florida Statutes. If the Commission finds that the report was not timely filed and there were no unusual circumstances, the fine will be upheld.

If this is a hearing to consider a **consent order before a determination of probable cause has been made**, the Commission will decide whether to accept or reject the consent order. If the Commission accepts the consent order, the case will be closed and become public. If the Commission rejects the consent order or does not make a decision to accept or deny the consent order, the case will remain confidential, unless confidentiality has been waived.

If this is a hearing to consider a **consent order after a determination of probable cause has been made**, the Commission will decide whether to accept or reject the consent order. If the Commission accepts the consent order, the case will be closed. If the Commission rejects the consent order or does not make a decision to accept or deny the consent order, the Respondent will be entitled to another hearing to determine if the Respondent committed the violation(s) alleged.

If this is a **probable cause hearing**, the Commission will decide if there is probable cause to believe that the Respondent committed a violation of Florida's election laws. Respondent should be prepared to explain how the staff in its recommendation incorrectly applied the law to the facts of the case. *Respondent may not testify, call others to testify, or introduce any documentary or other evidence at the probable cause hearing.* The Commission will only decide whether Respondent should be *charged* with a violation and, before the Commission determines whether a violation has occurred or a fine should be imposed, Respondent will have an opportunity for another hearing at which evidence may be introduced.

If this is an **informal hearing**, it will be conducted pursuant Sections 120.569 and 120.57(2), Florida Statutes; Chapter 28 and Commission Rule 2B-1.004, Florida Administrative Code. At the hearing, the Commission will decide whether the Respondent committed the violation(s) charged in the Order of Probable Cause. The Respondent will be permitted to testify. However, the Respondent may not call witnesses to testify.

Respondent may argue why the established facts in the Staff Recommendation do not support the violations charged in the Order of Probable Cause. At Respondent's request, the Commission may determine whether Respondent's actions in the case were willful. The Respondent may also address the appropriateness of the recommended fine. If Respondent claims that his limited resources make him unable to pay the statutory fine, *he must provide the Commission with written proof of his financial resources* at the hearing. A financial affidavit form is available from the Commission Clerk.

In Re: Florida Voters Campaign PAC

Case No.: FEC 19-221

STAFF RECOMMENDATION FOLLOWING INVESTIGATION

Pursuant to Section 106.25(4)(c), Florida Statutes, undersigned staff counsel files this written recommendation for disposition of the referral in this case recommending that there is **probable cause** to charge Respondent with violating **Section 106.07(7), Florida Statutes**. Based upon a thorough review of the Report of Investigation submitted on December 20, 2019, the following facts and law support this staff recommendation:

1. On April 3, 2019, the Florida Elections Commission ("Commission") received a referral from the Department of State, Division of Elections ("Division"), alleging that Florida Voters Campaign PAC (Respondent") violated Chapter 106, Florida Statutes.
2. Respondent is a political committee registered with the Division. (ROI Exhibit 1)¹
3. On May 30, 2019, the Executive Director notified Respondent by mail that Commission staff would investigate the following statutory provision:

Section 106.07(7), Florida Statutes: As alleged in the complaint, Respondent failed to notify the filing officer on the prescribed reporting date that no report would be filed on that date because it had not received funds, made contributions, or expended reportable funds during the following reporting periods:

- 2017 M9
- 2017 M10
- 2017 M11
- 2018 M1
- 2018 M2
- 2018 M4
- 2018 P1
- 2018 P1A
- 2018 P2A
- 2018 P3
- 2018 P4
- 2018 P5
- 2018 P6
- 2018 P7

¹ The Report of Investigation is referred to herein as "ROI."

4. On April 7, 2017, Kristi Reid Bronson², Chief, Bureau of Election Records, sent Respondent a letter acknowledging that the Division had received its Statement of Organization and Appointment of Campaign Treasurer and Designation of Campaign Depository for Florida Voters Campaign PAC. (ROI Exhibit 2, page 1)

5. The acknowledgment letter advised Respondent that all of the Division's publications and reporting forms were available on its website and directed Respondent to print out the *Political Committee Handbook, Calendar of Reporting Dates* as well as other relevant documents. (ROI Exhibit 2, page 3)

6. Pursuant to Section 106.07(7), Florida Statutes, in any reporting period during which a political committee has not received funds, made any contributions, or expended any reportable funds, the filing of the required report for that period is waived. However, the political committee is required to notify the filing officer in writing on the prescribed reporting date that no report is being filed on that date.

7. The *Political Committee Handbook* references the statutory requirement regarding written notification and directs political committees to notify the Division by way of the Division's electronic filing system. (ROI Exhibit 3, page 4) The *Political Committee EFS User's Guide* shows the process through which to notify the Division. The user's guide instructs political committees to select the relevant reporting period and place a checkmark in a box titled "Waiver" to indicate the lack of reportable financial activity. (ROI Exhibit 4, page 3 and 4)

8. Respondent failed to notify the filing officer on the prescribed reporting dates that no reports would be filed for the following reporting periods, as set forth in the table below. (ROI Exhibit 5)

RESPONDENT'S EMAIL RESPONSE

9. On June 25, 2019, Respondent emailed the Commission regarding FEC 19-315, FEC 19-193, and the instant case, FEC 19-221. The email stated that he “had been having difficulty getting into the system to file waivers.” (ROI Exhibit 6, page 1, ¶ 1, line 4 and 5) To support this statement, Respondent attached an *Electronic Filing System (EFS) Credentials Request Form* with a date stamp indicating the Division received it on June 7, 2019. (ROI Exhibit 6, page 2, ROI Exhibit 7, Unique ID 65503)

10. While an online Campaign Documents Search confirms the above credentials request, this appears to be the only time such a written reset request is documented. (Attachment A, page 1) However, that singular request is not relevant to the instant case which relates to notifications due from October 10, 2017 through January 10, 2019.

11. And, it is noteworthy that the Division’s *History Notes* indicate there were several contacts Respondent had with the Division where he requested and received assistance pertaining to his reports. (ROI Exhibit 7)

RESPONDENT'S TELEPHONE RESPONSES

12. On December 18 and 19, 2019, Respondent had phone contact with investigative staff and stated he was not aware of any reports being filed against his PAC and seemed to attribute this to the fact that he is currently going through months of mail that he had been too busy to go through. (ROI Exhibit 8, Item 1, line 2, 3 and 4)

13. Respondent stated he only created the PAC to support amendment 4. (ROI Exhibit 8, Item 1, line 4 and 5) However, when Respondent, as Chairman, Secretary and Treasurer, filed his PAC’s *Statement of Organization of Political Committee* (DS-DE 5) with the Division, he listed the area, scope and jurisdiction of the committee as “Candidates and Issues (To support or oppose statewide, multicounty, and local candidates and issues.)” (ROI Exhibit 9, page 1, No. 3)

14. Respondent said when the amendment passed, the PAC stopped collecting money or being active. (ROI Exhibit 8, Item 1, line 5 and 6) However, an online Campaign Documents Search clearly shows that Respondent’s PAC is still active with the Division, (Attachment A, page 1) and the Division’s *History Notes* indicate there has been no contact with respondent since June 7, 2019. (Attachment B) Respondent admitted he should have closed the PAC, but added he was caught up in other activities and it slipped his mind. (ROI Exhibit 8, Item 1, line 6 and 7)

15. Investigations instructed Respondent to contact the Division for assistance and suggested he close the PC if it is no longer not active in order to avoid further penalties. Respondent stated he would contact the Division for assistance. (ROI Exhibit 8, Item 1, line 11, 12 and 13) As noted above in the *History Notes*, there has been no contact with Respondent since June 7, 2019. (Attachment B)

16. Respondent stated his campaign account is not open and has not been in over a year. To confirm this, investigations contacted the financial institution Respondent identified as his bank/depository; they were unable to locate any information on Respondent or the PAC. (ROI Exhibit, Item 2) Upon being advised of investigation’s inability to locate the campaign account,

Respondent stated he was unsure if a depository was ever opened, although he remembered a PayPal account, but did not know if it was associated with the PAC. (ROI Exhibit 8, Item 3, line 4 and 5)

17. Respondent also stated he does not even know how to get into the EFS system to file anything. (ROI Exhibit 8, Item 1, line 8 and 9) However, as noted earlier when Respondent indicated having difficulty getting into the EFS system, he requested and received credentials from the Division and subsequently filed seven reports on June 11, 2019. (ROI Exhibit 5, page 1, Date Filed column)

18. As to whether he ever received and read Chapter 106, Florida Statutes and the *Political Committee Handbook*, Respondent said he did not recall ever receiving or reviewing either. (ROI Exhibit 8, page 1 and 2, line 4, 5 and 6) However, as noted previously the Division acknowledged to Respondent it had received his PAC's Statement of Organization and Appointment of Campaign Treasurer and Designation of Campaign Depository on April 7, 2017, (ROI Exhibit 2, page 1) and advised him all publications and reporting forms of the Division were available on its website and directed him to print out the *Political Committee Handbook, Calendar of Reporting Dates* as well as other relevant documents. (ROI Exhibit 2, page 3)

19. "Probable Cause" is defined as reasonable grounds of suspicion supported by circumstances sufficiently strong to warrant a cautious person in the belief that the person has committed the offense charged. *Schmitt v. State*, 590 So. 2d 404, 409 (Fla. 1991). Probable cause exists where the facts and circumstances, of which an [investigator] has reasonably trustworthy information, are sufficient in themselves for a reasonable man to reach the conclusion that an offense has been committed. *Department of Highway Safety and Motor Vehicles v. Favino*, 667 So. 2d 305, 309 (Fla. 1st DCA 1995).

20. The facts set forth above show that Respondent is a political committee registered with the Division. Respondent failed to notify the filing officer on the prescribed reporting dates that no reports would be filed for the following reporting periods: 2017 M9, 2017 M10, 2017 M11, 2018 M1, 2018 M2, 2018 M4, 2018 P1, 2018 P1A, 2018 P2A, 2018 P3, 2018 P4, 2018 P5, 2018 P6, 2018 P7, 2018 P7A, 2018 G1A, 2018 G2A, 2018 G3, 2018 G4, 2018 G5, 2018 G6, 2018 D1, 2018 D2, 2018 D3, 2018 D4, 2018 D6, 2018 G7, 2018 M11, and 2018 M12.

FLORIDA ELECTIONS COMMISSION

Report of Investigation for Failure to Notify Filing Officer

Case Number: FEC 19-221

Respondent: Florida Voters Campaign PAC

Section 106.07(7), Florida Statutes, failure of a political committee that did not receive any contributions or make any expenditures during a reporting period to notify timely the filing officer, in writing, that no report is being filed

Complainant: Division of Elections

Respondent Type:

- Candidate
 Political Committee

I. Preliminary Information:

1. An appointment of Campaign Treasurer and Designation of Campaign Depository (DS-DE 6) was filed on April 6, 2017. (Ex. 1)

2. An acknowledgement letter was mailed to the address provided on Respondent's DS-DE 6 on April 7, 2017 advising Respondent that all of the Division's publications and reporting forms are available on their website, including Chapter 106, Florida Statutes, the *Political Committee Handbook*, and the Calendar of Reporting Dates. (Ex. 2)

3. The acknowledgement letter also states, "An online instruction guide is available to you on the EFS to assist with navigation, data entry, and submission of reports" and provides the telephone number for the Division's EFS Help Desk.

4. The *Political Committee Handbook*, discusses filing a waiver when there is no activity to disclose on page 26. (Ex. 3)

5. Pages 12, 13, 45, and 46 of the *Political Committee EFS User's Guide* discuss how to notify the Division on the prescribed reporting date that no report will be filed using the EFS. Specifically, page 13 instructs the user to click the box next to "waiver" if there is no activity to disclose. (Ex. 4)

6. In a telephone interview on April 2, 2014, Kristi Reid-Bronson clarified that once the waiver box is chosen and a new report is opened as shown on page 12, the only available option on the report summary screen will be "Go To File Report" as shown on page 13. Choosing "Go To File Report" will take the user directly to the screens where the chairman/treasurer PINS are entered as shown on pages 45 and 46.

II. Alleged Violation of Section 106.07(7), Florida Statutes:

7. Respondent's filing history reflects the untimely filed notifications summarized below. (Ex. 5)

8. Respondent provided a written response to the referral dated June 25, 2019, in which he stated, “The attachment shows what I have said, which is I had been having difficulty getting into the system to file waivers. Since I can now get in, we have gone in and, as best I can tell, address the waivers you were concerned about us filing. To that end, we have acted to correct the issue which was two pronged (a) be able to access the system and (b) we have filed the waivers that had not been filed, hoping we got them all. Once in the system, and doing the filing, it seemed like there may have been some duplications. We hope not and that all are filed”. (Ex. 6)

¹ Division filing history reflects a due date of October 25, 2018, but the Division’s Calendar of Reporting Dates show a due date of October 12, 2018 (refer to exhibit 10)

9. FEC staff reviewed notes from the Division of Elections regarding Respondent's interactions with them. These notes reflect that Respondent's chairman was contacted by the Division of Elections in 2019 on several occasions to assist in amending previously filed reports. These records also reflect that Respondent's chairman requested new credentials (pin number, password, and user ID number) in order to file the PAC's reports on June 7, 2019, after this referral was filed with the FEC. There is no record prior to that date of Respondent informing the Division of an issue with their EFS access or requesting new EFS credentials. (Ex. 7)

10. Respondent's chairman was interviewed by telephone on December 18, 2019, in which he stated that he was unaware of any reports being filed against his PAC. He told me that he is currently going through months of mail that he has been too busy to go through. Respondent stated that the PAC was only created to support amendment 4. He stated that once that amendment passed, the PAC stopped collecting any monies or being active. He stated that he should have closed it then, but he got caught up in other activities and it slipped his mind. He advised me that his campaign depository is not open and has not been open in over a year. He also advised me that he does not even know how to get into the EFS system to file anything. (Ex. 8)

III. FEC History:

11. Respondent has not had any prior cases before the Commission.

Conclusion:

12. Respondent stated during the December 19, 2019 telephone interview that he did not read Chapter 106, Florida Statutes or the *Political Committee Handbook*. Respondent filed his statement of Organization form on April 6, 2017. (Ex. 9)

13. The Investigative Phone Log is included with this report. (Ex. 8)

Pin Numbers

Pin numbers are confidential secure credentials that allow you to submit reports and update information. The enclosed sealed envelopes contain your confidential pin numbers.

Each political committee chairperson is required to provide the Division of Elections with confidential personal information that may be used to allow access in the event that the password is forgotten or lost. When you enter the campaign account screen, there will be a drop down box where you pick a question (such as *What is your mother's maiden name?*) and supply an answer. All passwords and answers to questions are stored as encrypted data and cannot be viewed by Division staff and given out over the phone. Please notify the Division if your credentials have been compromised.

Timely Filing

All reports must be completed and filed through the EFS not later than midnight, Eastern Standard Time, of the due date. Reports not filed by midnight, Eastern Standard Time, of the due date are late filed and subject to the penalties in Section 106.07(8), Florida Statutes. In the event that the EFS is inoperable on the due date, the report will be accepted as timely filed if filed no later than midnight, Eastern Standard Time, of the first business day the EFS becomes operable. No fine will be levied during the period the EFS was inoperable.

Any political committee failing to file a report on the designated due date is subject to a fine of \$50 per day for the first 3 days and, thereafter, \$500 per day for each day, not to exceed 25% of the total receipts or expenditures, whichever is greater, for the period covered by the late report. However, for the reports immediately preceding each primary and general election, the fine shall be \$500 per day, not to exceed 25% of the total receipts or expenditures, whichever is greater, for the period covered by the late report.

Electronic Receipts

The person submitting the report on the EFS will be issued an electronic receipt indicating and verifying the report was filed. If the **Review Status** is **Updated Detail – Needs Review** the report has not been reviewed since the last update. (See page 39 for instructions on how to submit the report to the system for review.)

If the status of the report is **Complete Detail Records**, you are ready to file the report.

The screenshot shows a web application interface for reviewing a report. At the top, it displays 'Report: 2010 - F3 - 25' and 'Coverage Period: 8/7/2010-8/19/2010'. The 'Review Status' is set to 'Reviewed' and the 'Last Review' is '8/19/2010 3:56:42 PM'. At the bottom, there are fields for 'Candidate' and 'Chairperson' with their respective PINs and dates.

Click on **Go To File Report**

The chairperson enters his or her PIN, and then selects **Report Approved**

This screenshot shows the final approval step. It includes the following text: 'OT: A PIN is the same as your signature attesting to the validity of the report.' Below this are two instructions: 'Step 1: Enter the candidate/chairperson PIN.' and 'Step 2: Select the 'Report Approved' button.' The interface shows the report details: 'Report: 2010 - F3 - 25', 'Coverage Period: 8/7/2010-8/19/2010', and 'Due: 8/20/2010'. The 'Review Status' is 'Reviewed'. There are radio buttons for 'Original' and 'Amended', and a checkbox for 'Waiver'. At the bottom, there is a field for 'PIN for Candidate/Chairperson:' followed by a 'Report Approved' button.

EXHIBIT 4 (5 of 6)

Dear Molly,

Please accept this note specific to case(s) 19-315, 19-193 and one other in which i talked to an attorney in your office who sent a letter suggesting that we pay a certain amount. After explaining the situation, that the organization has collected not a red cent in perhaps a year, she said that she would call me back and discuss a lower fee. I never received a return phone call. The attachment shows what i have said, which is i had been having difficulty getting into the system to file waivers. Since i can now get in, we have gone in and , as best i can tell, address the waivers you were concerned about us filing. To that end, we have acted to correct the issue which was two pronged (a) be able to access the system and (b) we have filed the waivers that had not been filed, hoping we got them all. Once in the system, and doing the filing, it seemed like there may have been some duplications. We hope not and that all are filed. We may need to meet with your office to go over them t make sure. Please let us know if there are any report waivers that we have overlooked, as because i can get into the system now, it would be easy for me to address them.

If needed, I can forward you a copy of all of the waiver confirmations we got via email once they were filed. Additionally, I ask that you please look into the case i referred to whereby we received a letter requesting a significant fee whereby i immediately called and talked with the attorney assigned the case. because we can now file the waivers and as best i can tell they have been filed, we hope that satisfies your inquiry. regarding the third case, I have been having a difficult time locating that document and need your office to perhaps resend it or call me at (850) 241-5896 to discuss.

Name: Michael Dobson—Chairman
Phone #: (850) 241-5896
Summary: I had telephone contact to discuss complaint allegations with him. Respondent verified contact/home information. Respondent advised me that he was unaware of any reports being filed against his PAC. He told me that he is currently going through months of mail that he has been too busy to go through. Respondent stated that the PAC was only created to support amendment 4. He stated that once that amendment passed, the PAC stopped collecting any monies or being active. He stated that he should've closed it then, but he got caught up in other activities and it slipped his mind. He advised me that his campaign depository isn't open and hasn't been in over a year. He also advised me that he doesn't even know how to get into the EFS system to file anything. I instructed him to contact DOE for assistance. I went over the investigative process with him. He told me that he didn't have any money to pay any fine or negotiate a settlement. I recommended that he close the PC if it's not active for him to avoid being penalized further. He stated that he would contact DOE for assistance with this matter as well.

RE: Case No.: FEC 19-221; Respondent: Florida Voters Campaign PAC

Dear Mr. Dobson:

On April 3, 2019, the Florida Elections Commission received a complaint alleging that your committee violated Florida's election laws. I have reviewed the complaint and find that it contains one or more legally sufficient allegations. The Commission staff will investigate the following alleged violation(s):

Section 106.07(7), Florida Statutes: As alleged in the complaint, Respondent failed to notify the filing officer on the prescribed reporting date that no report would be filed on that date because it had not received funds, made contributions, or expended reportable funds during the following reporting periods:

- 2017 M9
- 2017 M10
- 2017 M11
- 2018 M1
- 2018 M2
- 2018 M4
- 2018 P1
- 2018 P1A
- 2018 P2A
- 2018 P3
- 2018 P4
- 2018 P5

FEC 19-221

However, prior to an investigation, you have the option to **resolve your case now by signing a minor violation consent order and paying a fine of \$1,450**, per Rule 2B-1.003, Florida Administrative Code, **rather than the potential \$1,000 per violation** provided for in Section 106.265, Florida Statutes.

If you sign the consent order, **you would not be required to admit or deny the allegation(s) in the complaint, but you would be required to immediately correct the violation, if feasible.**

The signed consent order would then be considered by the Commission at its next available meeting, and would constitute final action by the Commission once it is accepted and approved by the Commission.

Please contact Stephanie Cunningham at 850-922-4539, or at the address listed above, to accept this minor violation consent order offer.

If you choose not to resolve the case by consent order, an investigation will be conducted, and then the Commission will hold one or more hearings to determine whether the alleged violation(s) occurred and, if so, the amount of the fine to be imposed upon you. Dear Mr. Dobson:

The notification that you had no reportable activity for the report deadline of October 10, 2017, was not filed until October 11, 2017. Although the notification is late, no automatic fine is assessed because you had no receipts or expenditures during this reporting period.

The Division is required to notify the Florida Elections Commission of any apparent violation of chapter 106, Fla. Stat., or any failure to file a report or information required by chapter 106, Fla. The notification that you had no reportable activity for the report deadline of July 20, 2018, was not filed until July 21, 2018. Although the notification is late, no automatic fine is assessed because you had no receipts or expenditures during this reporting period.

However, to avoid potential issues in the future, please note that state law (s. 106.07(7), Fla. Stat.) requires you to file by the dates set out also in law, either a campaign finance report or if applicable, a notification that no reportable activity occurred for the reporting period. Failure to do may constitute a violation of sections 106.07(1) and 106.19(1)(c), Fla. Stat. The Division is required to notify the Florida Elections Commission of any apparent violation of chapter 106, Fla. Stat., or any failure to file a report or information required by chapter 106, Fla. Stat. If a matter is referred to the Florida Elections Commission, the Commission may assess a civil penalty of up to \$1,000 per violation.
