**Tim Vaccaro**

Executive Director  
Florida Elections Commission  
August 1, 2023

Please refer to the information below for further instructions related to your particular hearing:

If this is a hearing to consider **an appeal from an automatic fine**, the Filing Officer has imposed a fine on you for your failure to file a campaign treasurer's report on the designated due date and, by filing an appeal, you have asked the Commission to consider either (1) that the report was in fact timely filed; or (2) that there were unusual circumstances that excused the failure to file the report timely. You are required to prove your case. If the Commission finds that the report was filed timely or that there were unusual circumstances that excused the failure, it may waive the fine, in whole or in part. The Commission may reduce a fine after considering the factors in Section 106.265, Florida Statutes. If the Commission finds that the report was not timely filed and there were no unusual circumstances, the fine will be upheld.

If this is a hearing to consider a **consent order before a determination of probable cause has been made**, the Commission will decide whether to accept or reject the consent order. If the Commission accepts the consent order, the case will be closed and become public. If the Commission rejects the consent order or does not make a decision to accept or deny the consent order, the case will remain confidential, unless confidentiality has been waived.

If this is a hearing to consider a **consent order after a determination of probable cause has been made**, the Commission will decide whether to accept or reject the consent order. If the Commission accepts the consent order, the case will be closed. If the Commission rejects the consent order or does not make a decision to accept or deny the consent order, the Respondent will be entitled to another hearing to determine if the Respondent committed the violation(s) alleged.

If this is a **probable cause hearing**, the Commission will decide if there is probable cause to believe that the Respondent committed a violation of Florida's election laws. Respondent should be prepared to explain how the staff in its recommendation incorrectly applied the law to the facts of the case. *Respondent may not testify, call others to testify, or introduce any documentary or other evidence at the probable cause hearing.* The Commission will only decide whether Respondent should be *charged* with a violation and, before the Commission determines whether a violation has occurred or a fine should be imposed, Respondent will have an opportunity for another hearing at which evidence may be introduced.

If this is an **informal hearing**, it will be conducted pursuant Sections 120.569 and 120.57(2), Florida Statutes; Chapter 28 and Commission Rule 2B-1.004, Florida Administrative Code. At the hearing, the Commission will decide whether the Respondent committed the violation(s) charged in the Order of Probable Cause. The Respondent will be permitted to testify. However, the Respondent may not call witnesses to testify.

Respondent may argue why the established facts in the Staff Recommendation do not support the violations charged in the Order of Probable Cause. At Respondent's request, the Commission may determine whether Respondent's actions in the case were willful. The Respondent may also address the appropriateness of the recommended fine. If Respondent claims that his limited resources make him unable to pay the statutory fine, *he must provide the Commission with written proof of his financial resources* at the hearing. A financial affidavit form is available from the Commission Clerk.

**SUMMARY:** Physicians for Emergency Care is a political committee (PC) registered with the State of Florida. The PC's chair is Sanjay Pattani, and its treasurer is Niala Ramoutar.

The PC is appealing the fine claiming unusual circumstances. According to the chair, the State of Florida was under a state of emergency order for Hurricane Ian. He states they closed their office during that time and came back to roof leaks. He also mentions issues with power outages and damages for businesses across the state. They request a waiver of the fine due to the circumstances.

- The 2022 G3A Original Report covers the period from 09/24/22-09/30/22; it was due on 10/07/22.
- The 2022 G3A Queued Transaction Report shows that it was created and filed on 10/10/22.
- Physicians for Emergency Care reported receiving 40 contributions while making zero expenditures.
- The Division of Elections provided one note pertaining to Physicians for Emergency Care's 2022 G3A Report. On 1/31/23, the Division of Elections entered a note referencing a "G3 and G3A Fine Letter Clarification Call." The Division contacted the PC in response to a letter from Kim Palm regarding the fine. A staff member explained the difference between the fines and directed Ms. Palm to the appeal information on the fine letter.

Dear Donna Brown,

We received a letter from you about a possible violation for filing the **G3 A** campaign treasurer report later than its due date. It was during this time that the state of Florida was under a state of emergency for hurricane Ian creating issues with power outages and damages that affected businesses across the state. We closed our office during this time and came back to roof leaks and getting our business back up and running. Due to these unusual circumstances, we missed the deadline to submit the report on time.

We kindly ask that you consider all of the challenges we were experiencing during the time the report was due and ask that you waive the fine.

We apologize for any inconvenience this may have caused.

Sincerely,

Sanjay Pattani, Chair  
Physicians for Emergency Care

**STATE OF FLORIDA  
OFFICE OF THE SECRETARY OF STATE  
FLORIDA DEPARTMENT OF STATE  
EMERGENCY ORDER NUMBER 22-01  
(Emergency Management/Elections – Hurricane Ian)**

**WHEREAS**, on September 23, 2022, Governor DeSantis issued Executive Order 22-218 regarding Tropical Depression Nine and declared a state of emergency in 24 counties; and

**WHEREAS**, on September 24, 2022, Tropical Depression Nine strengthened into Tropical Storm Ian, and Governor DeSantis issued Executive Order 22-219 reaffirming his previous order and declaring a state-wide emergency; and

**WHEREAS**, on September 26, 2022, Tropical Storm Ian strengthened into Hurricane Ian with maximum sustained winds of 85 miles per hour; and

**WHEREAS**, on September 27, 2022, Hurricane Ian continued to strengthen, increasing its maximum sustained winds to 125 miles per hour; and

**WHEREAS**, on September 28, 2022, Hurricane Ian made landfall off the coast of Fort Myers as a category 4 hurricane with sustained winds of approximately 150 miles per hour, traveled across the peninsula, and exited the state from Cape Canaveral on September 29, 2022; and

**WHEREAS**, because Hurricane Ian inflicted catastrophic storm surge and wind damage along its path, a major disaster has been declared in affected areas of the State; and

**WHEREAS**, numerous county Supervisors of Elections have experienced office closures, and utility and telecommunication disruptions have occurred across the state; and

**WHEREAS**, Section 4 of Executive Order 22-218, as amended by Executive Order 22-219, allows state agencies to suspend the provisions of any regulatory statute, order, or rule, if strict compliance with the provisions of the statute, order, or rule would prevent, hinder, or delay necessary action in coping with the emergency; and

**WHEREAS**, the devastation and destruction of Hurricane Ian has affected the ability of candidates, including those participating in matching funds, political committees, and electioneering communication organizations to file timely campaign finance reports without jeopardizing ongoing efforts to cope with the emergency; and

**WHEREAS**, compliance with upcoming campaign finance and state campaign matching fund deadlines will unnecessarily detract from response and recovery activities in the immediate aftermath of Hurricane Ian.

**NOW, THEREFORE, I, CORD BYRD**, as Florida Secretary of State, by the authority vested in me by Executive Order 22-218, as amended by Executive Order 22-219, and all other applicable laws, promulgate the following Emergency Order, to take effect immediately:

Section 1. The filing deadline for campaign finance reports contained in Sections 106.07(1) and 106.0703(1), Florida Statutes, is suspended until Friday, October 7, 2022. Accordingly, any reports that would otherwise be due on September 30, 2022, shall be filed no later than October 7, 2022.

Section 2. This order shall remain in effect as stated above or until modified by order of the Florida Secretary of State.

Executed this 30th day of September 2022, in Florida Department of State, Office of the Secretary, Tallahassee, Leon County, Florida.

Dear Dr. Pattani:

Our records indicate that you have not filed either your campaign treasurer's report or notification that no reportable activity occurred, whichever is applicable. The filing date was October 7, 2022.

The law (s. 106.07(8)(b), Fla. Stat.) requires the filing officer to immediately notify you about the missed filing date and the automatic fines that will be assessed for late filing of a report, if a report was due.

- If reportable activity occurred and you have not filed a report, statutory fines are automatically assessed as follows until you file your report:
  - \$50 per day for the first 3 days late
  - \$500 per day for each day after the 3rd day late
  - If the required report immediately precedes a primary and general election, the automatic fine is \$500 for each late day.

The total fine for the untimely report cannot exceed 25% of the total receipts or expenditures, whichever is greater, for the cover period. Even if you end up filing your report late, we cannot waive the statutory fines. We will notify you of the specific amount of fines owed once you file your report. You have 20 days from the day you receive the notice to pay the fine or to appeal the fine to the Florida Elections Commission.

- If no reportable activity occurred for the report date(s), you are still required to notify us in writing, via the Division's Electronic Filing System, that no reportable activity occurred. No automatic fines are statutorily assessed.

However, in all cases, failure to file and/or untimely filing of a report of reportable activity, or if applicable, a notice that no reportable activity occurred, may constitute an apparent violation of chapter 106, Fla. Stat. If we refer such matter to the Florida Elections Commission, the Commission may subsequently impose a civil penalty for each violation under chapter 106.265(1), Fla. Stat.

If you have any questions, please contact the help desk at (850) 245-6280.

RE: G3 and G3A Fine Letter Clairification Call			
Received a letter from a representative for this PAC, explaining that they received a fine letter for the report due on October 7, 2022, that was filed late. The letter stated that their records showed the fine having already been paid and cleared from their account on 11/17/22.			
I called said Representative, Ms. Kim Palm, and explained to her that the fine letter she received was in reference to the 2022 G3A report that had yet to be paid. I told her that there were two reports due on October 7, 2022, due to the date of the G3 report being pushed back by executive order caused by the hurricane. I let her know that was the reason two letters were sent out on October 10, 2022. She asked if she could request the fine be waived and I directed her to the appeal information on the fine letter.

RE: Call from Beth Brunner			
Ms. Brunner wanted to know the credentials for the new treasurer. I explained that the DSDE 6 they had provided did not have original signatures and was therefore incomplete. She asked if she could withdraw her resignation as treasurer so that they could file their report. I explained that she had already been removed as treasurer based on her letter of resignation. She was upset and believed there were no clear instructions that original signatures were required. I pointed her to page 8 of the PAC handbook. Ultimately, she said she would try to send them overnight delivery, but she was working from home and didn't know if she could get to the office today. She said it maybe Tuesday before we get the new form and didn't feel it was fair to be penalized for Sat & Sun. I advised her of possible fines and explained that they could appeal to the FEC.

Ref: Treasurers Resignation

On September 24, 2020, this office received a treasurer's and deputy treasurer's resignation letter from Beth Brunner and Julie Gardell. I made phone contact with Dr. Sanjay Pattani and informed him of the resignations. I was unable to explain the need to appoint a new primary treasurer within 10 days or face cancellation as a committee because Dr. Pattani was too busy to talk. Accompanying the resignation letters were two DSDE 6 forms to appoint new primary and deputy treasurers. Both were stamped as incomplete because the signatures were not original. The status of the requested treasurer's appointment is pending. DLH

Steven Kailes, Chairperson  
Physicians for Emergency Care  
3717 South Conway Road  
Orlando, Florida 32812

Dear Dr. Kailes:

This will acknowledge receipt of the Statement of Organization and Appointment of Campaign Treasurer and Designation of Campaign Depository for **Physicians for Emergency Care**, which were placed on file in our office on September 11, 2013. This information appears to comply with the requirements of Section 106.03, Florida Statutes, and the name of this organization has been placed on our active committee list as a political committee that supports both candidates and issues.

### Campaign Treasurer's Reports

Your first campaign treasurer's report will be due on **October 10, 2013**. The report will cover the period of July 1, 2013 - September 30, 2013. All political committees that file reports with the Division of Elections are required to file by means of the Division's Electronic Filing System (EFS).

### Credentials and Sign-ons

Below is the web address to access the EFS and the committee's user identification number. The enclosed sealed envelope contains the committee's initial password. Once you have logged in using the initial password, you will be immediately prompted to change it to a confidential sign-on. The chairperson, campaign treasurer, and deputy treasurers are responsible for protecting this password from disclosure and are responsible for all filings using these credentials, unless the Division is notified that your credentials have been compromised.

**EFS Website Address:** <https://efs.dos.state.fl.us>

### **Pin Numbers**

Pin numbers are confidential secure credentials that allow you to submit reports and update information. The enclosed sealed envelope provides a confidential pin number for the chairperson. By copy of this letter, a confidential pin number to access the EFS was sent to the treasurer.

Each political committee chairperson is required to provide the Division of Elections with confidential personal information that may be used to allow access in the event that the password is forgotten or lost. When you enter the campaign account screen, there will be a drop down box where you pick a question (such as *What is your mother's maiden name?*) and supply an answer. All passwords and answers to questions are stored as encrypted data and cannot be viewed by Division staff and given out over the phone. Please notify the Division if your credentials have been compromised.

### **Timely Filing**

All reports must be completed and filed through the EFS no later than midnight, Eastern Standard Time, of the due date. Reports not filed by midnight of the due date are late filed and subject to the penalties in Section 106.07(8), Florida Statutes. In the event that the EFS is inoperable on the due date, the report will be accepted as timely filed if filed no later than midnight, Eastern Standard Time, of the first business day the EFS becomes operable. No fine will be levied during the period the EFS was inoperable.

Any political committee failing to file a report on the designated due date is subject to a fine of \$50 per day for the first 3 days and, thereafter, \$500 per day for each day, not to exceed 25% of the total receipts or expenditures, whichever is greater, for the period covered by the late report. However, for the reports immediately preceding each primary and general election, the fine shall be \$500 per day, not to exceed 25% of the total receipts or expenditures, whichever is greater, for the period covered by the late report.

### **Electronic Receipts**

The person submitting the report on the EFS will be issued an electronic receipt indicating and verifying the report was filed. Each campaign treasurer's report filed by means of the EFS is considered to be under oath by the chairperson and campaign treasurer and such persons are subject to the provisions of Section 106.07(5), Florida Statutes.
