Please refer to the information below for further instructions related to your particular hearing:

If this is a hearing to consider **an appeal from an automatic fine**, the Filing Officer has imposed a fine on you for your failure to file a campaign treasurer's report on the designated due date and, by filing an appeal, you have asked the Commission to consider either (1) that the report was in fact timely filed; or (2) that there were unusual circumstances that excused the failure to file the report timely. You are required to prove your case. If the Commission finds that the report was filed timely or that there were unusual circumstances that excused the failure, it may waive the fine, in whole or in part. The Commission may reduce a fine after considering the factors in Section 106.265, Florida Statutes. If the Commission finds that the report was not timely filed and there were no unusual circumstances, the fine will be upheld.

If this is a hearing to consider a **consent order before a determination of probable cause has been made**, the Commission will decide whether to accept or reject the consent order. If the Commission accepts the consent order, the case will be closed and become public. If the Commission rejects the consent order or does not make a decision to accept or deny the consent order, the case will remain confidential, unless confidentiality has been waived.

If this is a hearing to consider a **consent order after a determination of probable cause has been made**, the Commission will decide whether to accept or reject the consent order. If the Commission accepts the consent order, the case will be closed. If the Commission rejects the consent order or does not make a decision to accept or deny the consent order, the Respondent will be entitled to another hearing to determine if the Respondent committed the violation(s) alleged.

If this is a **probable cause hearing**, the Commission will decide if there is probable cause to believe that the Respondent committed a violation of Florida's election laws. Respondent should be prepared to explain how the staff in its recommendation incorrectly applied the law to the facts of the case. *Respondent may not testify, call others to testify, or introduce any documentary or other evidence at the probable cause hearing.* The Commission will only decide whether Respondent should be *charged* with a violation and, before the Commission determines whether a violation has occurred or a fine should be imposed, Respondent will have an opportunity for another hearing at which evidence may be introduced.

If this is an **informal hearing**, it will be conducted pursuant Sections 120.569 and 120.57(2), Florida Statutes; Chapter 28 and Commission Rule 2B-1.004, Florida Administrative Code. At the hearing, the Commission will decide whether the Respondent committed the violation(s) charged in the Order of Probable Cause. The Respondent will be permitted to testify. However, the Respondent may not call witnesses to testify.

Respondent may argue why the established facts in the Staff Recommendation do not support the violations charged in the Order of Probable Cause. At Respondent's request, the Commission may determine whether Respondent's actions in the case were willful. The Respondent may also address the appropriateness of the recommended fine. If Respondent claims that his limited resources make him unable to pay the statutory fine, *he must provide the Commission with written proof of his financial resources* at the hearing. A financial affidavit form is available from the Commission Clerk.

SUMMARY: Florian Labor Association of Municipal Employees Political Committee is a political committee (PC) registered with the State of Florida. The PC's chair is Richard E. Pauley Jr and its treasurer is William G. Mott.

The PC is appealing the fine claiming that unusual circumstances existed that caused the 2016 P7 Report to be untimely filed. According to Mr. Pauley Jr, "The report in question was prepared on Friday 8/26/16. However upon attempts to review an error was discovered showing that the report was trying to be filed in the 2016-P7-64 reporting period instead of the P7-63. After many attempts to correct it an attempt to contact the Division of Elections Office for assistance resulted in being unable to reach anyone due to the impacts of Hurricane Hermine on the entire Tallahassee area...I am not denying that an honest mistake was made through the confusion of the frequent weekly reporting periods and the addition of the special 1 day reporting period. There was no deception meant as I provided the information just in the wrong report. Due to the closure of the Offices because of the Hurricane leading to the delay of getting Staff assistance, the writing of the letter of explanation, and the follow-up phone call asking about the missing report a period of some 3 weeks elapsed before anything was fully corrected".

- The 2016 P7 Report covers the time period from 8/13/16 through 8/25/16.
- The 2016 P7 Queued-Transactions Report reflects that this report was created on 8/26/16 at approximately 3:13 pm, before being filed on 8/26/16 at approximately 5:01 pm.

Re: Appeal of assessed fine.PAC 61003

In response to a letter sent out on September 26, 2016 and received on Friday September 30th, 2016, We are requesting to appeal the assessed late fine in the amount of \$1,389.15 for the Report 2016-P7-63 for the period covering 08/13/2016 - 08/25/2016 and due on 08/26/2016.

The report in question was prepared on Friday 8/26/2016. However upon attempts to review an error was discovered showing that the report was trying to be filed in the 2016-P7-64 reporting period instead of the P7-63. After many attempts to correct it an attempt to contact the Division of Elections Office for assistance resulted in being unable to reach anyone due to the impacts of Hurricane Hermine on the entire Tallahassee area.

Having no other choice the report was left it as it was with the intentions of calling first thing Monday morning August 29th to seek help. The Division of Elections offices were still closed. On Tuesday August 30th 2016 a successful contact was made with the office and with the guidance of a Staff worker things were able to be straightened out, upon asking if this would affect the filing date a no answer was given but with the understanding that there would probably be a forthcoming letter asking for an explanation as to what had happened.

The letter arrived a few days later and again a call was made for assistance to get help on what kind of information would need to put into the letter. A letter of explanation was composed and mailed to the Division of Elections on September 15th, 2016.

I am not denying that an honest mistake was made through the confusion of the frequent weekly reporting periods and the addition of the special 1 day reporting period. There was no deception meant as I provided the information just in the wrong report. Due to the closure of the Offices because of the Hurricane leading to the delay of getting Staff assistance, the writing of the letter of explanation, and the follow-up phone call asking about the missing report a period of some 3 weeks elapsed before everything was fully corrected.

I am asking that with all that transpired in those days surrounding the Hurricane event, the Proposed Fine be eliminated or reduced to a minimal amount of no more than a 5 day fine. The oversight was most unfortunate but was in no way done because of laziness or an attempt to hide information.

A copy of this letter is also being sent by US Mail to the Florida Division of Elections.

Your understanding in this matter would be most appreciated.
