This hearing will be conducted pursuant to Section 106.25, Florida Statutes, which governs your participation as follows:

**If you are the Respondent**, you may attend the hearing, and you or your attorney will have *5 minutes* to present your case to the Commission. However, some cases (including those in which consent orders or recommendations for no probable cause are being considered) may be decided by an *en masse* vote and, unless you request to be heard or the Commission requests that your case be considered separately on the day of the hearing, your case will *not* be individually heard.

**If you are the Complainant**, you may attend the hearing, but you will *not* be permitted to address the Commission. In addition, some cases (including those in which consent orders or recommendations for no probable cause are being considered) may be decided by an *en masse* vote and, unless the Respondent requests to be heard or the Commission requests that the case be considered separately on the day of the hearing, the case will *not* be individually heard.

Executive Director  
Florida Elections Commission

Please refer to the information below for further instructions related to your particular hearing:

If this is a hearing to consider **an appeal from an automatic fine**, the Filing Officer has imposed a fine on you for your failure to file a campaign treasurer's report on the designated due date and, by filing an appeal, you have asked the Commission to consider either (1) that the report was in fact timely filed; or (2) that there were unusual circumstances that excused the failure to file the report timely. You are required to prove your case. If the Commission finds that the report was filed timely or that there were unusual circumstances that excused the failure, it may waive the fine, in whole or in part. The Commission may reduce a fine after considering the factors in Section 106.265, Florida Statutes. If the Commission finds that the report was not timely filed and there were no unusual circumstances, the fine will be upheld.

If this is a hearing to consider a **consent order before a determination of probable cause has been made**, the Commission will decide whether to accept or reject the consent order. If the Commission accepts the consent order, the case will be closed and become public. If the Commission rejects the consent order or does not make a decision to accept or deny the consent order, the case will remain confidential, unless confidentiality has been waived.

If this is a hearing to consider a **consent order after a determination of probable cause has been made**, the Commission will decide whether to accept or reject the consent order. If the Commission accepts the consent order, the case will be closed. If the Commission rejects the consent order or does not make a decision to accept or deny the consent order, the Respondent will be entitled to another hearing to determine if the Respondent committed the violation(s) alleged.

If this is a **probable cause hearing**, the Commission will decide if there is probable cause to believe that the Respondent committed a violation of Florida's election laws. Respondent should be prepared to explain how the staff in its recommendation incorrectly applied the law to the facts of the case. *Respondent may not testify, call others to testify, or introduce any documentary or other evidence at the probable cause hearing.* The Commission will only decide whether Respondent should be *charged* with a violation and, before the Commission determines whether a violation has occurred or a fine should be imposed, Respondent will have an opportunity for another hearing at which evidence may be introduced.

If this is an **informal hearing**, it will be conducted pursuant Sections 120.569 and 120.57(2), Florida Statutes; Chapter 28 and Commission Rule 2B-1.004, Florida Administrative Code. At the hearing, the Commission will decide whether the Respondent committed the violation(s) charged in the Order of Probable Cause. The Respondent will be permitted to testify. However, the Respondent may not call witnesses to testify.

Respondent may argue why the established facts in the Staff Recommendation do not support the violations charged in the Order of Probable Cause. At Respondent's request, the Commission may determine whether Respondent's actions in the case were willful. The Respondent may also address the appropriateness of the recommended fine. If Respondent claims that his limited resources make him unable to pay the statutory fine, *he must provide the Commission with written proof of his financial resources* at the hearing. A financial affidavit form is available from the Commission Clerk.

Therefore, it is

**ORDERED** that the Respondent shall remit to the Commission a civil penalty in the amount of **\$150**, inclusive of fees and costs. The civil penalty shall be paid cashier's check or money order, good for at least 120 days, or attorney trust account check. Please refer to the information below for further instructions related to your particular hearing:

If this is a hearing to consider **an appeal from an automatic fine**, the Filing Officer has imposed a fine on you for your failure to file a campaign treasurer's report on the designated due date and, by filing an appeal, you have asked the Commission to consider either (1) that the report was in fact timely filed; or (2) that there were unusual circumstances that excused the failure to file the report timely. The Commission may reduce a fine after considering the factors in Section 106.265, Florida Statutes. If the Commission finds that the report was not timely filed and there were no unusual circumstances, the fine will be upheld.

If this is a hearing to consider a **consent order before a determination of probable cause has been made**, the Commission will decide whether to accept or reject the consent order. If the Commission accepts the consent order, the case will be closed and become public. Respondent should be prepared to explain how the staff in its recommendation incorrectly applied the law to the facts of the case. *Respondent may not testify, call others to testify, or introduce any documentary or other evidence at the probable cause hearing.* The Commission will only decide whether Respondent should be *charged* with a violation and, before the Commission determines whether a violation has occurred or a fine should be imposed, Respondent will have an opportunity for another hearing at which evidence may be introduced.

If this is an **informal hearing**, it will be conducted pursuant Sections 120.569 and 120.57(2), Florida Statutes; Chapter 28 and Commission Rule 2B-1.004, Florida Administrative Code. At the hearing, the Commission will decide whether the Respondent committed the violation(s) charged in the Order of Probable Cause. The Respondent will be permitted to testify. However, the Respondent may not call witnesses to testify.

Respondent may argue why the established facts in the Staff Recommendation do not support the violations charged in the Order of Probable Cause. At Respondent's request, the Commission may determine whether Respondent's actions in the case were willful. The Respondent may also address the appropriateness of the recommended fine. If Respondent claims that his limited resources make him unable to pay the statutory fine, *he must provide the Commission with written proof of his financial resources* at the hearing. A financial affidavit form is available from the Commission Clerk.

**Case No.: FEC 22-270**

**STAFF RECOMMENDATION FOLLOWING INVESTIGATION**

Pursuant to Section 106.25(4)(c), Florida Statutes, undersigned staff counsel files this written recommendation for disposition of the referral in this case recommending that there is **probable cause** to charge Respondent with violating **Section 106.07(7), Florida Statutes**. Based upon a thorough review of the Report of Investigation submitted on December 8, 2022, the following facts and law support this staff recommendation:

1. On August 29, 2022, the Florida Elections Commission (“Commission”) received a referral from the Department of State, Division of Elections (“Division”), alleging that Community 4 Change (“Respondent”) violated Chapter 106, Florida Statutes.

2. Respondent was a political committee formerly registered with the Division. The Division received Respondent’s request to disband the committee on September 16, 2022. (ROI Exhibits 1 & 4)<sup>1</sup>

3. By letter dated October 4, 2022, the Executive Director notified Respondent that Commission staff would investigate the following statutory provision:

**Section 106.07(7), Florida Statutes:** As alleged in the complaint, Respondent, a political committee registered with the Division of Elections, failed to notify the filing officer on the prescribed reporting date that no report would be filed on that date because it had not received funds, made contributions, or expended reportable funds during the following reporting periods:

- 2022 P2A
- 2022 P3
- 2022 P5

4. By letter dated July 7, 2022, Donna S. Brown, Chief, Bureau of Election Records, sent Respondent a letter acknowledging that the Division had received its Statement of Organization and Appointment of Campaign Treasurer and Designation of Campaign Depository for Political Committees forms. (ROI Exhibit 5, page 1)

5. The acknowledgment letter advised Respondent that all of the Division’s publications and reporting forms were available on its website and directed Respondent to print out the *Calendar of Reporting Dates* as well as other relevant documents. (ROI Exhibit 5, page 2)

---

<sup>1</sup> The Report of Investigation is referred to herein as “ROI.”

6. Pursuant to Section 106.07(7), Florida Statutes, in any reporting period during which a political committee has not received funds, made any contributions, or expended any reportable funds, the filing of the required report for that period is waived. However, the political committee is required to notify the filing officer in writing on the prescribed reporting date that no report is being filed on that date.

7. The *Political Committee Handbook* references the statutory requirement regarding written notification and directs political committees to notify the Division by way of the Division’s electronic filing system. (ROI Exhibit 6, page 2) The *Political Committee EFS User’s Guide* shows the process through which to notify the Division. The user’s guide instructs political committees to select the relevant reporting period and place a checkmark in a box titled “Waiver” to indicate the lack of reportable financial activity. (ROI Exhibit 7, pages 2-3)

8. Respondent failed to notify the filing officer on the prescribed reporting dates that no reports would be filed for the following reporting periods, as set forth in the table below. (ROI Exhibit 8)

<b>Report</b>	<b>Report Cover Period</b>	<b>Date Notification Due</b>	<b>Date Notification Filed</b>	<b>No. of Days Late</b>
2022 P2A	07/02/22 – 07/08/22	07/15/22	08/04/22	20
2022 P3	07/09/22 – 07/15/22	07/22/22	08/04/22	13
2022 P5	07/23/22 – 07/29/22	08/05/22	08/08/22	3

9. Darryl Holsendolph, chairperson for Respondent, stated that he registered the committee with the Division and the Miami-Dade County Supervisor of Elections simultaneously. Mr. Holsendolph stated that he was unaware that the Division had opened the committee, as there was confusion with the application, but that both committees were now closed. (ROI Exhibit 9, page 1)

10. The Miami-Dade County Supervisor of Elections’ website shows that “Miami-Dade Community 4 Change” is registered as an active electioneering communications organization and includes the same members associated with the political committee. (Attachment A) The Division’s website shows that despite filing its Statement of Organization and Appointment of Campaign Treasurer and Designation of Campaign Depository for Political Committees forms on June 6, 2022, the committee was not registered until July 7, 2022, once the Registered Agent Statement of Appointment form was received by the Division. (Attachment B)

11. On July 7, 2022, the Division notified Respondent that it was registered as an active political committee. (ROI Exhibit 5, page 1) Thereafter, Respondent was required to report contributions received and expenditures made and notify the Division of no activity in accordance with Section 106.07, Florida Statutes. *See* §§106.07(1), (7), Fla. Stat.

12. “Probable Cause” is defined as reasonable grounds of suspicion supported by circumstances sufficiently strong to warrant a cautious person in the belief that the person has committed the offense charged. *Schmitt v. State*, 590 So. 2d 404, 409 (Fla. 1991). Probable cause exists where the facts and circumstances, of which an [investigator] has reasonably trustworthy information, are sufficient in themselves for a reasonable man to reach the conclusion that an offense has been committed. *Department of Highway Safety and Motor Vehicles v. Favino*, 667 So. 2d 305, 309 (Fla. 1st DCA 1995).

13. The facts set forth above show that Respondent was a political committee formerly registered with the Division. Respondent failed to notify the filing officer on the prescribed reporting dates that no reports would be filed for the following reporting periods: 2022 P2A, 2022 P3, and 2022 P5.

Based upon these facts and circumstances, I recommend that the Commission find probable cause to charge Respondent with violating the following:

**Count 1:**

On or about July 15, 2022, Community 4 Change violated Section 106.07(7), Florida Statutes, when it failed to notify the filing officer in writing on the prescribed reporting date that it would not be filing its 2022 P2A Report.

**Count 2:**

On or about July 22, 2022, Community 4 Change violated Section 106.07(7), Florida Statutes, when it failed to notify the filing officer in writing on the prescribed reporting date that it would not be filing its 2022 P3 Report.

**Count 3:**

**FLORIDA ELECTIONS COMMISSION**

**Report of Investigation for Failure to Notify Filing Officer**

**Case Number: FEC 22-270**

Section 106.07(7), Florida Statutes, failure of a candidate or political committee that did not receive any contributions or make any expenditures during a reporting period to timely notify the filing officer, in writing, that no report is being filed.

**Respondent:** Community 4 Change

**Respondent's Atty:** None

**Division of Elections (Division)**

**Referral Filed:** August 29, 2022

**Respondent Type:** Political Committee

**I. Preliminary Information:**

1. Respondent was a political committee formerly registered with the Division. To review the disbandment letter and the Division's acknowledgement letter for the disbandment, refer to Exhibits 1 and 2, respectively.

2. An Appointment of Campaign Treasurer and Designation of Campaign Depository (DS-DE 6) was filed on June 6, 2022. Willanda Holsendolph was appointed as campaign treasurer. To review the DS-DE 6, refer to Exhibit 3.

3. A Statement of Organization (DS-DE 5) for the political committee was filed with the Division on June 6, 2022. To review the Statement of Organization, refer to Exhibit 4.

4. An acknowledgement letter was mailed to the address provided on the DS-DE 6 on July 7, 2022 advising Respondent that all political committees filing reports with the Division are required to file by means of the Division's electronic filing system (EFS). Respondent was provided with a user identification number and initial password allowing access to the EFS.

5. The acknowledgement letter also advised Respondent that all the Division's publications and reporting forms are available on their website, including Chapter 106, Florida Statutes, the *Political Committee Handbook*, and the *Calendar of Reporting Dates*. The letter further advised that it was Respondent's responsibility to read, understand, and follow the requirements of Florida's election laws. To review the acknowledgement letter, refer to Exhibit 5.

6. The *Political Committee Handbook* discusses filing a waiver when there is no activity to disclose. To review the relevant page of the *Handbook*, refer to Exhibit 6.

7. The *Political Committee EFS User's Guide* discusses how to notify the Division on the prescribed reporting date that no report will be filed using the EFS. Specifically, the *Handbook* instructs the user to click the box next to "waiver" if there is no activity to disclose. To review the relevant pages from the *Political Committee EFS User's Guide*, refer to Exhibit 7.

**THIS SPACE INTENTIONALLY LEFT BLANK**

**II. Alleged Violation of Section 106.07(7), Florida Statutes:**

8. I investigated whether Respondent violated this section of the election laws by not timely notifying the filing officer, in writing, that no report(s) would be filed due to not receiving any contributions or making expenditures during the following reporting period(s). To review Respondent’s filing history reflecting the untimely filed notifications summarized below, refer to Exhibit 8.

<b>Report</b>	<b>Report Cover Period</b>	<b>Date Notification Due</b>	<b>Date Notification Filed</b>	<b>No. of Days Late</b>
2022 P2A	07/02/22 – 07/08/22	07/15/22	08/04/22	20
2022 P3	07/09/22 – 07/15/22	07/22/22	08/04/22	13
2022 P5	07/23/22 – 07/29/22	08/05/22	08/08/22	3

9. Respondent did not respond to the referral.

10. On December 6, 2022, I called Respondent’s Chairman, Darryl Holsendolph, for the purpose of providing an opportunity to discuss the allegations made in the referral. Mr. Holsendolph stated that he submitted applications with Miami-Dade Elections and the Division of Elections at the same time to register the Respondent as a political committee. He added there was so much confusion with the applications, and he asserted that he was unaware the Division had opened Respondent as a political committee. When asked if he had reviewed Chapter 106, Florida Statutes, and the *Political Committee Handbook*, Mr. Holsendolph stated that he reviewed requirements and documents for the Miami-Dade Elections Department rather than the Division since they were more responsive than the Division.<sup>1</sup> To review the phone log, refer to Exhibit 9.

**SIGNATURE OF INVESTIGATOR:** Helen Hinson **Date:** December 8, 2022.

---

<sup>1</sup> The Miami-Dade Elections Department’s website does not list Respondent as an active or inactive political committee. Additionally, Respondent’s filing history indicates that campaign treasurer reports and waivers of reports were filed with the Division on and after August 4, 2022. To review the filing history, refer to Exhibit 8.

Dear Mr. Holsendolph:

This will acknowledge receipt of the Statement of Organization and Appointment of Campaign Treasurer and Designation of Campaign Depository for **Community 4 Change**, which were placed on file in our office on July 1, 2022. This information appears to comply with the requirements of Section 106.03, Florida Statutes, and the name of this organization has been placed on our active committee list as a political committee.

### Campaign Treasurer's Reports

Your first campaign treasurer's report will be due on **July 8, 2022**. The report will cover the period of June 25 through July 1, 2022 (2022 P2). All political committees that file reports with the Division of Elections are required to file by means of the Division's Electronic Filing System (EFS).

### EFS Access

### Timely Filing

All reports must be completed and filed through the EFS no later than midnight, Eastern Standard Time, of the due date. Reports not filed by midnight of the due date are late filed and subject to the penalties in Section 106.07(8), Florida Statutes. In the event that the EFS is inoperable on the

due date, the report will be accepted as timely filed if filed no later than midnight, Eastern Standard Time, of the first business day the EFS becomes operable. No fine will be levied during the period the EFS was inoperable.

Any political committee failing to file a report on the designated due date is subject to a fine of \$50 per day for the first three days late and, thereafter, \$500 per day for each late day, not to exceed 25% of the total receipts or expenditures, whichever is greater, for the period covered by the late report. However, for the reports immediately preceding each primary and general election, the fine shall be \$500 per day for each late day, not to exceed 25% of the total receipts or expenditures, whichever is greater, for the period covered by the late report.

### **Electronic Receipts**

The person submitting the report on the EFS will be issued an electronic receipt indicating and verifying the report was filed. Each campaign treasurer's report filed by means of the EFS is considered to be under oath by the chairperson and campaign treasurer, and such persons are subject to the provisions of Section 106.07(5), Florida Statutes.

### **Instructions and Assistance**

An online instruction guide is available to you on the EFS to assist with navigation, data entry, and submission of reports. The Division of Elections will also provide assistance to all users by contacting the EFS Help Desk at (850) 245-6280.

**FLORIDA ELECTIONS COMMISSION  
PHONE LOG**

**Case No.: FEC 22-270**

**Respondent: Community 4 Change**

**Complainant: Division of Elections**

1. **Date and time:** Tuesday, December 6, 2022; 5:46 pm

**Name:** Darryl Holsendolph, Chairman

**Phone #:** 786-402-1288

**Summary:** I called, asked to speak with Respondent's Chairman; he confirmed I had reached him. I identified myself, and the reason for my call including the case number, relevant issues regarding 3 late notices-of-no-activity or "waivers" and reporting periods for the 2022 P2A, P3 and P5. I explained that the EFS directs one to check the box identified as "Waiver" when there is no campaign finance activity and there is no automatic fine for late filed waivers. A female-sounding voice confirmed. Respondent's chair said his treasurer was in communication with the Division regarding late filed CTRs and appealing the automatic fine(s). Again, a female-sounding voice confirmed the same. I explained that I am not investigating Respondent's appeal, it's being handled by other staff in our office, but they/R's chair & treasurer will receive the results of their appeal in writing once the Commission makes its decision. I added that the appeal may be heard by the Commission at its meeting next week but I'm uncertain if it will be on the agenda and if not, the exact date it will be heard by the Commission.

Respondent's Chairman said he was informed by someone that his PC may register with Miami-Dade Elections and/or the Division. He submitted applications with Miami-Dade Elections and the Division of Elections at the same time to register the PC. He added there was so much confusion with the applications; he was unaware the Division had opened the PC. (CTRs or waivers for the first 4 reporting periods were all filed on August 4, 2022, including the 2022 P2, P2A, P3, and P4.) I asked if he reviewed Chapter 106, F.S., the PC Handbook, etc.; he said he reviewed requirements, documents for Miami-Dade Elections office rather than the state since Miami-Dade was more responsive than the state. He said he'd never "do" another PC and both PCs are closed. I informed him this is the best phone number to reach me, I requested, and he provided his email address: [darryl@holseninc.com](mailto:darryl@holseninc.com).

**RE: Case No.: FEC 22-270; Respondent: Community 4 Change**

Dear Mr. Holsendolph:

On August 29, 2022, the Florida Elections Commission received a complaint alleging your committee violated Florida's election laws. I have reviewed the complaint and find that it contains one or more **legally sufficient allegations**. The Commission staff will investigate the following alleged violation(s):

**Section 106.07(7), Florida Statutes:** As alleged in the complaint, Respondent, a political committee registered with the Division of Elections, failed to notify the filing officer on the prescribed reporting date that no report would be filed on that date because it had not received funds, made contributions, or expended reportable funds during the following reporting periods:

- 2022 P2A
- 2022 P3
- 2022 P5

However, prior to an investigation, you have the option to **resolve your case now by** signing a minor violation consent order and **paying a fine of \$150**, per Rule 2B-1.003, Florida Administrative Code, **rather than the potential \$1,000 per violation** provided for in Section 106.265, Florida Statutes.

If you sign the consent order, **you would not be required to admit or deny the allegation(s)** in the complaint, but you would be required to immediately correct the violation, if feasible.

The signed consent order would then be considered by the Commission at its next available meeting and would constitute final action by the Commission once it is accepted and approved by the Commission. You and the Complainant will receive notice at least 14 days before any hearing at which your case is to be considered.

**Please contact Stephanie Cunningham by phone at (850) 922-4539, by email at Stephanie.Cunningham@myfloridalegal.com, or at the address listed above, to accept this minor violation consent order.**

If you choose not to resolve this case by consent order, an investigation will be conducted, the Commission will hold one or more hearings to determine whether the alleged violation(s) occurred and, if so, the amount of fine to be imposed upon your committee.

**Please note that all documents related to this matter will be mailed to the above address unless you notify us of a new address.**

For additional information, please refer to the "Frequently Asked Questions" section on the Commission's website.

Dear Ms. Holsendolph:

The notification that you had no reportable activity for the report deadline of August 5, 2022, was not filed until August 8, 2022. Although the notification is late, no automatic fine is assessed because you had no receipts or expenditures during this reporting period.

However, to avoid potential issues in the future, please note that state law (s. 106.07(7), Fla. Stat.) requires you to file by the dates set out also in law, either a campaign finance report or if applicable, a notification that no reportable activity occurred for the reporting period. Failure to do may constitute a violation of sections 106.07(1) and 106.19(1)(c), Fla. Stat. The Division is required to notify the Florida Elections Commission of any apparent violation of chapter 106, Fla. Stat., or any failure to file a report or information required by chapter 106, Fla. Stat. If a matter is referred to the Florida Elections Commission, the Commission may assess a civil penalty of up to \$1,000 per violation.
