**NOTICE OF HEARING (AUTOMATIC FINE)**

A hearing will be held in this case before the Florida Elections Commission on, **May 15, 2018 at 8:30 am, or as soon thereafter as the parties can be heard**, at the following location: **412 Knott Building, Pat Thomas Committee Room, 404 South Monroe Street, Tallahassee, Florida 32399.**

Failure to appear in accordance with this notice will constitute a waiver of your right to participate in the hearing. Continuances will be granted only upon a showing of good cause.

This hearing will be conducted pursuant to Section 106.25, Florida Statutes, which governs your participation as follows:

**If you are the Respondent**, you may attend the hearing, and you or your attorney will have *5 minutes* to present your case to the Commission. However, some cases (including those in which consent orders or recommendations for no probable cause are being considered) may be decided by an *en masse* vote and, unless you request to be heard or the Commission requests that your case be considered separately on the day of the hearing, your case will *not* be individually heard.

**If you are the Complainant**, you may attend the hearing, but you will *not* be permitted to address the Commission. In addition, some cases (including those in which consent orders or recommendations for no probable cause are being considered) may be decided by an *en masse* vote and, unless the Respondent requests to be heard or the Commission requests that the case be considered separately on the day of the hearing, the case will *not* be individually heard.

The Commission will electronically record the meeting. Although the Commission's recording is considered the official record of the hearing, the Respondent may provide, at his own expense, a certified court reporter to also record the hearing.

**Amy McKeever Toman**  
Executive Director  
Florida Elections Commission  
April 30, 2018

Please refer to the information below for further instructions related to your particular hearing:

If this is a hearing to consider **an appeal from an automatic fine**, the Filing Officer has imposed a fine on you for your failure to file a campaign treasurer's report on the designated due date and, by filing an appeal, you have asked the Commission to consider either (1) that the report was in fact timely filed; or (2) that there were unusual circumstances that excused the failure to file the report timely. You are required to prove your case. If the Commission finds that the report was filed timely or that there were unusual circumstances that excused the failure, it may waive the fine, in whole or in part. The Commission may reduce a fine after considering the factors in Section 106.265, Florida Statutes. If the Commission finds that the report was not timely filed and there were no unusual circumstances, the fine will be upheld.

If this is a hearing to consider a **consent order before a determination of probable cause has been made**, the Commission will decide whether to accept or reject the consent order. If the Commission accepts the consent order, the case will be closed and become public. If the Commission rejects the consent order or does not make a decision to accept or deny the consent order, the case will remain confidential, unless confidentiality has been waived.

If this is a hearing to consider a **consent order after a determination of probable cause has been made**, the Commission will decide whether to accept or reject the consent order. If the Commission accepts the consent order, the case will be closed. If the Commission rejects the consent order or does not make a decision to accept or deny the consent order, the Respondent will be entitled to another hearing to determine if the Respondent committed the violation(s) alleged.

If this is a **probable cause hearing**, the Commission will decide if there is probable cause to believe that the Respondent committed a violation of Florida's election laws. Respondent should be prepared to explain how the staff in its recommendation incorrectly applied the law to the facts of the case. *Respondent may not testify, call others to testify, or introduce any documentary or other evidence at the probable cause hearing.* The Commission will only decide whether Respondent should be *charged* with a violation and, before the Commission determines whether a violation has occurred or a fine should be imposed, Respondent will have an opportunity for another hearing at which evidence may be introduced.

If this is an **informal hearing**, it will be conducted pursuant Sections 120.569 and 120.57(2), Florida Statutes; Chapter 28 and Commission Rule 2B-1.004, Florida Administrative Code. At the hearing, the Commission will decide whether the Respondent committed the violation(s) charged in the Order of Probable Cause. The Respondent will be permitted to testify. However, the Respondent may not call witnesses to testify.

Respondent may argue why the established facts in the Staff Recommendation do not support the violations charged in the Order of Probable Cause. At Respondent's request, the Commission may determine whether Respondent's actions in the case were willful. The Respondent may also address the appropriateness of the recommended fine. If Respondent claims that his limited resources make him unable to pay the statutory fine, *he must provide the Commission with written proof of his financial resources* at the hearing. A financial affidavit form is available from the Commission Clerk.

**Re: Pinellas Stonewall PAC 45461**

Dear Elections Commission,

This letter is response to the automatically assessed fine of \$500.25. This fine was assessed due to lateness of report filed. Due to the unexpected resignation of our Treasurer we were not able to file the report in a timely manner.

We were in communication with the Florida Division of Elections to inform them that we were looking for a Treasurer and would file needed forms as soon as possible. **I request that you look at the file for our PAC where you will see that we were in communication on many occasions during this incident.** It was not easy to find a Treasurer on such short notice. When we did, we sent forms and unfortunately used a name of the PAC that was not exact. We sent the forms again and they were "not received". Again we sent forms via Priority Mail and it took a while to process. As soon as we had a second password code to use with your system, we filed the report.

We are a small volunteer organization and this particular report period was a time when we were busy with local elections and our contributions were highest of the year. Without our Treasurer it was difficult to navigate the system.

**We request that our fine be waived.** We were in communication with your office to explain our problem and tried very hard to comply with requirements in a timely manner. We now have Deputy Treasurer to prevent this from happening in the future.

Sincerely,

A handwritten signature in cursive script that reads "Susan McGrath".

Susan McGrath (45461)

Saint Petersburg, Florida 33713

Dear Ms. McGrath:

Our records indicate that you have not filed either your campaign treasurer's report or notification that no reportable activity occurred, whichever is applicable. The file date was November 13, 2017.

The law (s. 106.07(8)(b), Fla. Stat.) requires the filing officer to immediately notify you about the missed filing date and the automatic fines that will be assessed for late filing of a report, if a report was due.

- If reportable activity occurred and you have not filed a report, statutory fines are automatically assessed as follows until you file your report:
  - \$50 for the first 3 days late
  - \$500 per day for each day after the 3<sup>rd</sup> day late
  - If the required report immediately precedes a primary and general election, the automatic fine is \$500 for each late day.

The total fine for the untimely report cannot exceed 25% of the total receipts or expenditures, whichever is greater, for the cover period. Even if you end up filing your report late, we cannot waive the statutory fines. We will notify you of the specific amount of fines owed once you file your report. You have 20 days from the day you receive the notice to pay the fine or to appeal the fine to the Florida Election Commission.

- If no reportable activity occurred for the report date(s), you are still required to notify us in writing, via the Division's Electronic Filing System, that no reportable activity occurred. No automatic fines are statutorily assessed.

However, in all cases, failure to file and/or untimely filing of a report of reportable activity, or if applicable, a notice that no reportable activity occurred, may constitute an apparent violation of chapter 106, Fla. Stat. If we refer such matter to the Florida Elections Commission, the Commission may subsequently impose a civil penalty for each violation under chapter 106.265(1), Fla. Stat.

If you have any questions, please contact the help desk at (850) 245-6280.

Sincerely,

Kristi Reid Willis, Chief

**Second Notice**

November 27, 2017

PAC 45461

Our records indicate that you have not filed either your campaign treasurer's report or notification that no reportable activity occurred, whichever is applicable. The filing date was November 13, 2017.

We mailed, via regular mail, the first notice of the failure to file the above-mentioned report or notification to the address on file with our office on November 14, 2017.

The first notice which we provided to you specifically explained the automatic fine provisions in the law (s. 106.07(8)(b), Fla. Stat.) for failure to file a required report. Such fines are continuing to accrue for a late-filed report. Also, that notice explained that if no reportable activity occurred for the report date(s), you are still required to provide notification in writing that no reportable activity occurred. Our initial notice further indicated that, in all cases, failure to file and/or untimely filing of a report of reportable activity, or if applicable, a notice that no reportable activity occurred, may constitute an apparent violation of chapter 106, Fla. Stat. If we refer such matter to the Florida Elections Commission, the Commission may subsequently impose a civil penalty for each violation under chapter 106.265(1), Fla. Stat.

If you have any questions, please contact the help desk at (850) 245-6280.

PAC 45461

Dear Mr. Chetney:

A recent review of the Division's records show that the Division has not yet received the below-referenced campaign treasurer's report or the required notification that no reportable activity occurred, whichever is applicable, during the following cover period:

<u>Year</u>	<u>Report</u>	<u>Cover Period</u>
2017	M10	10/1/17 - 10/31/17

The Division has previously notified you of the unfiled report or notification. Please file your report or notification. If the report is not filed within 7 days of receipt of this letter, the Division will refer this matter to the Florida Elections Commission, which may impose civil penalties of up to \$1000 per violation, apart from that automatic fine provisions of s. 106.07(8)(b), Fla. Stat.) that are applicable only to campaign finance reports.

As we stated in the prior notices, even if you now file the report or notification, the untimely filing of a report of reportable activity, or if applicable, a notice that no reportable activity occurred, may constitute an apparent violation of chapter 106, Fla. Stat. If we refer such matter to the Florida Elections Commission, the Commission may subsequently impose a civil penalty for each violation under chapter 106.265(1), Fla. Stat.

If you have any questions, please contact the help desk at (850) 245-6280.

<p>Re: Phone call from Jane Morris            Ms. Morris called wondering if we had received the PAC's letter of appeal for a fine. I looked in Imagining and did not see any letter from the pac. I told her that letters of fine appeal need to go to the Florida Election Commission. She told me she knew, however the pac only mailed the letter to one address, the first address on the fine letter, the address that was Bronough Street. She asked if I could forward the letter to the FEC. I told her that is not our responsibility to forward their letter. She got upset. Had a couple swear words, then I gave her the FEC phone number so she might call them to see if they had received the letter. She asked me to make note of this phone call. Ejr</p>

<p>Re call from DT, Jane Morris. Apparently Lenard had called the PC stated a new RA appointment form needed to be filed. I pointed her to the 41 form, and based on her description advised she fill it out checking the change of address box. I told her that form could be faxed to us. I confirmed that both the RA and Chair needed to sign and date it. She asked if they had an extension to file it until Monday (to prevent DOE's closure of the PC) and I said I'd have Lenard give her a call related to that.</p>

<p>Re After receiving a call from the DT and verifying her identity (by having her provide the PC's account number, the DT's address and both telephone numbers on file) I gave her PIN 12/08/17 12:25 pm. I advised the new T would be receiving his PIN in mail soon if he has not already received it. She confirmed that with her DT PIN, she now had all the credentials necessary to file reports.</p>

<p>Re Chair's call related to establishing a new Treasurer following the 6 that listed the name of the committee incorrectly. Chair says she is overnighting a new 6. We discussed that the M10 was late, and the M11 would be due soon. In general terms we discussed the fine process and the fining formula, and the appeal process (written appeal or hearing request options.) I advised the PC appoint a deputy treasurer or two after appointing the initial treasurer. I confirmed over the phone that the PC had the account number, PWD, and the Chair's PIN, and that all they needed to be able to file a report was the new treasurer's PIN. I discussed the order of things from here: appoint a new treasurer and request in a cover letter or not that the PC get the new treasurer's PIN by telephone; file the outstanding report and the M11; DOE would then issue the fine; the committee would then either pay the fine or appeal the fine to the FEC, and that details related to that process would be on the fine letter.</p> <p>The chair asked if copies of our phone logs pertaining to the resignation of their former treasurer and the PC's efforts to appoint a new one. I advised that could be provided to them following the receipt of a public records request signed by the chair stating the specific details of their request.</p>
