Please refer to the information below for further instructions related to your particular hearing:

If this is a hearing to consider **an appeal from an automatic fine**, the Filing Officer has imposed a fine on you for your failure to file a campaign treasurer's report on the designated due date and, by filing an appeal, you have asked the Commission to consider either (1) that the report was in fact timely filed; or (2) that there were unusual circumstances that excused the failure to file the report timely. You are required to prove your case. If the Commission finds that the report was filed timely or that there were unusual circumstances that excused the failure, it may waive the fine, in whole or in part. The Commission may reduce a fine after considering the factors in Section 106.265, Florida Statutes. If the Commission finds that the report was not timely filed and there were no unusual circumstances, the fine will be upheld.

If this is a hearing to consider a **consent order before a determination of probable cause has been made**, the Commission will decide whether to accept or reject the consent order. If the Commission accepts the consent order, the case will be closed and become public. If the Commission rejects the consent order or does not make a decision to accept or deny the consent order, the case will remain confidential, unless confidentiality has been waived.

If this is a hearing to consider a **consent order after a determination of probable cause has been made**, the Commission will decide whether to accept or reject the consent order. If the Commission accepts the consent order, the case will be closed. If the Commission rejects the consent order or does not make a decision to accept or deny the consent order, the Respondent will be entitled to another hearing to determine if the Respondent committed the violation(s) alleged.

If this is a **probable cause hearing**, the Commission will decide if there is probable cause to believe that the Respondent committed a violation of Florida's election laws. Respondent should be prepared to explain how the staff in its recommendation incorrectly applied the law to the facts of the case. *Respondent may not testify, call others to testify, or introduce any documentary or other evidence at the probable cause hearing.* The Commission will only decide whether Respondent should be *charged* with a violation and, before the Commission determines whether a violation has occurred or a fine should be imposed, Respondent will have an opportunity for another hearing at which evidence may be introduced.

If this is an **informal hearing**, it will be conducted pursuant Sections 120.569 and 120.57(2), Florida Statutes; Chapter 28 and Commission Rule 2B-1.004, Florida Administrative Code. At the hearing, the Commission will decide whether the Respondent committed the violation(s) charged in the Order of Probable Cause. The Respondent will be permitted to testify. However, the Respondent may not call witnesses to testify.

Respondent may argue why the established facts in the Staff Recommendation do not support the violations charged in the Order of Probable Cause. At Respondent's request, the Commission may determine whether Respondent's actions in the case were willful. The Respondent may also address the appropriateness of the recommended fine. If Respondent claims that his limited resources make him unable to pay the statutory fine, *he must provide the Commission with written proof of his financial resources* at the hearing. A financial affidavit form is available from the Commission Clerk.

Re Case No.: FEC 22-199

Dear Florida Elections Commission:

I am writing on behalf of Jeremy Brown, candidate for Florida State House of Representatives, as his attorney. Mr. Brown's campaign was initiated while he was being held without bail, and he is currently running his campaign from jail. This has made it exceedingly difficult for Mr. Brown to provide a timely response to official documents that require his signature, even with the assistance of counsel.

All documentation requiring Mr. Brown's signature for his campaign has been delivered to him and returned to myself through "legal mail" or it has been signed in my presence at the facility where he is currently being housed, including the documentation establishing Lillian Pride as campaign treasurer. I can assure the Commission Ms. Pride who submitted the initial intent to appeal the fine was representing Mr. Brown in that request in her official capacity as campaign treasurer.

I appreciate the Commission's understanding and should I need to be contacted for further discussion on this issue my contact information is provided below. I thank you for your time and assistance in working to resolve this issue for Mr. Brown and his campaign.

Sincerely,

Chris Hedges

babies was a public record. The court held that the agreement was subject to disclosure despite a confidentiality provision contained within the agreement and claims by the hospital that it constituted work product. *Cf. Bert Fish Foundation, Inc. v. Southeast Volusia Hospital District*, No. 10-20801-CINS (Fla. 7th Cir. Ct. December 22, 2010), available online in the Cases database at the open government site at myfloridalegal.com (governing boards of hospital district and medical center violated the Sunshine Law when they held numerous closed meetings to discuss an affiliation or merger with a healthcare corporation). For information on exemptions applicable to public hospitals, please refer to Appendix D and the Index. *Cf. AGO 14-10*, noting that an exemption in s. 395.3035(5), F.S., for certain records and meetings relating to a "strategic plan" for operation of a hospital must be narrowly construed and would not apply to an evaluation conducted pursuant to s. 155.40(5), F.S., for purposes of the sale or lease of a public hospital.

(2) Private hospitals/private organizations operating public hospitals

A private organization leasing the facilities of a public hospital is acting on behalf of a public agency and thus constitutes an agency subject to open records requirements in the absence of statutory exemption. *See Memorial Hospital-West Volusia, Inc. v. News-Journal Corporation*, 729 So. 2d 373 (Fla. 1999).

Section 395.3036, F.S., however, provides that records of a private entity that leases a public hospital or other public health care facility are confidential and exempt from disclosure when the public lessor complies with the public finance accountability provisions of s. 155.40(18), F.S., with respect to the transfer of any public funds to the private lessee and when the private lessee meets at least three of five criteria set forth in the exemption. *See Indian River County Hospital District v. Indian River Memorial Hospital, Inc.*, 766 So. 2d 233 (Fla. 4th DCA 2000) (nonprofit corporation leasing hospital from hospital district). *And see Baker County Press, Inc. v. Baker County Medical Services, Inc.*, 870 So. 2d 189 (Fla. 1st DCA 2004), upholding the constitutionality of the exemption. *Cf. Memorial Hospital-West Volusia, Inc. v. News-Journal Corporation*, 927 So. 2d 961 (Fla. 5th DCA 2006) (private corporation that purchased hospital from public hospital authority not subject to Public Records Act); and s. 155.40(21), F.S., describing and construing the term "complete sale" as applied to a purchase of a public hospital by a private entity.

c. Patient and clinical records

(1) Patient and clinical records generally

Patient records are generally protected from disclosure. For example, patient records in hospitals and surgical facilities licensed under Ch. 395, F.S., are confidential and may not be disclosed without the consent of the patient, or the patient's legal representative, except as provided in the statute. Section 395.3025(4), (5), (7) and (8), F.S. *And see* s. 119.0712(1), F.S. (personal identifying information contained in records relating to an individual's personal health or eligibility for health-related services held by the Department of Health); and s. 400.022(1)(m), F.S. (nursing home residents' medical and personal records).

Patient clinical records are also protected. *See, e.g.*, s. 393.13(4)(i)1., F.S. (central client records of persons with developmental disabilities); s. 394.4615(1), F.S. (clinical records of persons subject to "The Baker Act"); and s. 397.501(7), F.S. (individuals receiving services from substance abuse service providers). *And see* ss. 397.6760(1), F.S. (petitions for involuntary assessment and stabilization and related court records filed with a court under Part V of Ch. 397, F.S. [substance abuse]); and 394.464(1) (petitions for voluntary and involuntary admission for mental health treatment, courts orders and related records filed with or by a court under the Baker Act). *Cf. s.* 381.987, F.S. (patient caregiver identifying information in the medical marijuana use registry).

(2) Disclosure of patient records

Patient medical records made by health care practitioners may not be furnished to any person other than the patient, his or her legal representative or other health care practitioners and providers involved in the patient's care and treatment without written authorization, except as

provided by ss. 440.13(4)(c) and 456.057, F.S. Section 456.057(7)(a), F.S. *See State v. Johnson*, 814 So. 2d 390 (Fla. 2002) (state attorney's subpoena power under s. 27.04, F.S., cannot override notice requirements of s. 395.3025[4](d), F.S., which provides for disclosure of confidential patient records upon issuance of subpoena and upon proper notice to the patient or the patient's legal representative). *Cf. s.* 408.051(3), F.S., permitting a health care provider to release or access an identifiable health record of a patient without the patient's consent for use in the treatment of the patient for an emergency medical condition, as defined in s. 395.002(8), F.S., when the health care provider is unable to obtain the patient's consent or the consent of the patient representative due to the patient's condition or the nature of the situation requiring immediate medical attention.

The recipient of patient records, if other than the patient or the patient's representative, may use such information only for the purpose provided and may not disclose any information to any other person or entity, unless expressly permitted by the written consent of the patient. *See* ss. 395.3025(7) (hospital patient records) and 456.057(11), F.S. (health care practitioner patient records). Thus, predeath medical records in the possession of the medical examiner are not subject to public inspection. *Church of Scientology Flag Service Org., Inc. v. Wood*, No. 97-688CI-07 (Fla. 6th Cir. Ct. February 27, 1997), available online in the Cases database at the open government site at myfloridalegal.com.

Similarly, clinical records maintain their confidentiality even when disclosed to another agency such as the clerk of the circuit court. *AGO 91-10. And see Sarasota Herald-Tribune v. Department of Children and Families*, No. 2001-CA-002445 (Fla. 2d Cir. Ct. April 8, 2002), available online in the Cases database at the open government site at myfloridalegal.com (confidentiality of clinical record is maintained even though Department of Children and Families may have filed portions of the records in court proceedings throughout the state; department has no authority to waive confidentiality of clinical records). *Cf. AGO 01-69* (documents submitted to the statewide provider and managed care organization claim dispute resolution program pursuant to s. 408.7057, F.S., found to be subject to disclosure after redaction of patient-identifying information).

d. Emergency medical services

With limited exceptions, s. 401.30(4), F.S., provides, in relevant part, that "[r]ecords of emergency calls which contain patient examination or treatment information are confidential and exempt from the provisions of s. 119.07(1) and may not be disclosed without the consent of the person to whom they pertain." Such records may be released only in certain circumstances and only to the persons and entities specified in the statute. *AGO 86-97*. Thus, a city commissioner is not authorized to review records of an emergency call by the city's fire-rescue department when those records contain patient examination and treatment information, except with the consent of the patient. *AGO 04-09. See Lee County v. State Farm Mutual Automobile Insurance Company*, 634 So. 2d 250 (Fla. 2d DCA 1994), upholding the county's right to require the patient's notarized signature on all release forms, to ensure that these confidential records are not improperly released. *And see AGO 09-30* (entire record of emergency call containing patient examination and treatment information which is maintained as required by s. 401.30[1], F.S., is confidential and exempt; reports containing statistical data, required by the Department of Health, are public records and must be made available for inspection and copying following redaction of any patient-identifying information).

However, s. 401.30(4), is not violated by the city attorney, or an attorney under contract to the city, and other city officials having access to the city fire-rescue department's records of emergency calls that contain patient information when such access is granted to such individuals in carrying out their official duties to advise and defend, or assess the liability of, the city in a possible or anticipated claim against the city arising out of the provision of such care. *AGO 95-75. And see AGO 08-20* (s. 401.30[4], F.S., permits emergency medical services transportation licensee to release records of emergency calls including patient's name, address, and pertinent

Dear Florida Elections Commission:

I would like to appeal the fines (\$50, \$99.31, and \$50, respectively) assessed for the campaign treasurer's reports (P3, P4, and P5, due July 22 and 29 and August 5, 2022, respectively) for Jeremy Brown (EFS ID number 80008) under grounds of disability as per Rule: 2B-1.0055 of the Florida Administrative Code.

I gave birth to my first child on June 2, 2022. (See attached photos, letter of witness, and newborn visit.) I made sure our campaign filed all reports in a timely manner anyway during my maternity leave, except taking care of my baby did result in the July 22 and August 5 reports being filed about half an hour late, and me not noticing that the filing period had switched to a weekly filing period instead of a biweekly one for the July 29 report.

Please forgive these oversights, and be assured that reports will come in on time in the future.

Sincerely,

Lillian Pride, Treasurer
Jeremy Brown for FL House 2022

Dear Mr. Brown:

This will acknowledge receipt of the Appointment of Campaign Treasurer and Designation of Campaign Depository informing us that you are changing the designation of office for which you are a candidate from State Representative, District 60 to State Representative, District 62. The active candidate list has been updated to reflect this change. It is our understanding that the change in numerical designation resulted solely from redistricting, therefore, the change will not affect your ability to retain campaign contributions received for the former district number for which you had filed. As such, you are not required to notify contributors of the change in district number. See Section 106.021(1)(a), Florida Statutes.

If you have any questions, or if we may be of further assistance, please call (850) 245-6280.

Sincerely,
