Please refer to the information below for further instructions related to your particular hearing:

If this is a hearing to consider **an appeal from an automatic fine**, the Filing Officer has imposed a fine on you for your failure to file a campaign treasurer's report on the designated due date and, by filing an appeal, you have asked the Commission to consider either (1) that the report was in fact timely filed; or (2) that there were unusual circumstances that excused the failure to file the report timely. You are required to prove your case. If the Commission finds that the report was filed timely or that there were unusual circumstances that excused the failure, it may waive the fine, in whole or in part. The Commission may reduce a fine after considering the factors in Section 106.265, Florida Statutes. If the Commission finds that the report was not timely filed and there were no unusual circumstances, the fine will be upheld.

If this is a hearing to consider a **consent order before a determination of probable cause has been made**, the Commission will decide whether to accept or reject the consent order. If the Commission accepts the consent order, the case will be closed and become public. If the Commission rejects the consent order or does not make a decision to accept or deny the consent order, the case will remain confidential, unless confidentiality has been waived.

If this is a hearing to consider a **consent order after a determination of probable cause has been made**, the Commission will decide whether to accept or reject the consent order. If the Commission accepts the consent order, the case will be closed. If the Commission rejects the consent order or does not make a decision to accept or deny the consent order, the Respondent will be entitled to another hearing to determine if the Respondent committed the violation(s) alleged.

If this is a **probable cause hearing**, the Commission will decide if there is probable cause to believe that the Respondent committed a violation of Florida's election laws. Respondent should be prepared to explain how the staff in its recommendation incorrectly applied the law to the facts of the case. *Respondent may not testify, call others to testify, or introduce any documentary or other evidence at the probable cause hearing.* The Commission will only decide whether Respondent should be *charged* with a violation and, before the Commission determines whether a violation has occurred or a fine should be imposed, Respondent will have an opportunity for another hearing at which evidence may be introduced.

If this is an **informal hearing**, it will be conducted pursuant Sections 120.569 and 120.57(2), Florida Statutes; Chapter 28 and Commission Rule 2B-1.004, Florida Administrative Code. At the hearing, the Commission will decide whether the Respondent committed the violation(s) charged in the Order of Probable Cause. The Respondent will be permitted to testify. However, the Respondent may not call witnesses to testify.

Respondent may argue why the established facts in the Staff Recommendation do not support the violations charged in the Order of Probable Cause. At Respondent's request, the Commission may determine whether Respondent's actions in the case were willful. The Respondent may also address the appropriateness of the recommended fine. If Respondent claims that his limited resources make him unable to pay the statutory fine, *he must provide the Commission with written proof of his financial resources* at the hearing. A financial affidavit form is available from the Commission Clerk.

SUMMARY: Win America is a political committee (PC) registered with the State of Florida. The PC’s chair is Marlon C. Bruce, and its treasurer is Nicholas A. Lahera.

The PC is appealing the fine and formally requests a hearing. According to Mr. Bruce, the delay in filing was due to a “series of extenuating circumstances” related to their filing officers. He states that the Deputy Treasurer was removed “due to a failure to complete his duties” and notes that the Treasurer was unavailable due to health reasons. Mr. Bruce states that he “filed waivers with the Department of State in order to remain in compliance with required filing deadlines.” As soon as he received access to their internal financial records, he amended the report.

- The 2021 M10 Original Report covers the period from 10/01/21-10/31/21; it was due on 11/10/21.
- The 2021 M10 Queued Transaction Report shows that it was created and filed on 11/09/21.¹
- Win America reported receiving 16 contributions while making 48 expenditures.
- FEC staff was advised, “The committee filed a notice of no activity (waiver) on 11/09/21. A waiver is not a report. On 12/31/21, the committee filed a report showing \$3,443.21 of activity. The fine is based on 25% of the activity.”
- The Division of Elections does not have any notes that pertain to Win America’s 2021 M10 report.

PRIOR CASES: None.

¹ The filing discussed in this bullet refers to the waiver that reflected zero activity.

Esteemed Members of the Florida Election Commission:

This letter is being written to appeal the fines levied against Win America (PAC 75929). The fines in question are related to the delayed filing of the M9, M10, and M11 Reports.

On behalf of myself, our Committee Treasurer, and our entire organization, I would like to offer our sincerest apologies for this unintended error. I can only say that this is not our intended modus operandi, but rather the result of a series of extenuating circumstances relating to our filing officers.

On September 16, 2021, our Deputy Treasurer was removed from his position due to a failure to complete his duties. As the officer responsible for accessing and maintaining accurate internal records, this left a vacancy. This unplanned vacancy gave rise to an undue hardship. Unfortunately, at that time, our Treasurer also fell out of communication with the organization as he dealt with an emergent family health crisis.

Understanding the challenges facing our political committee, I made the decision to file waivers with the Department of State in order to remain in compliance with required filing deadlines. I believed this would also serve to prevent the filling of incomplete or false data. I believed this to be a suitable solution in the short term while I was unable to access our records and worked to collect the needed data. I have now come to understand that this action was improper.

As soon as I was able to access our internal financial records, I swiftly moved to amend State Filings so that they would be reported accurately. I also moved to ameliorate the issue of access, by moving all important records and documents to one central internal location and retaining outside support to ensure timely and accurate reporting.

Marlon C. Bruce

Chairman and Chief Executive Officer

Win America PAC

As an organization founded and operated by young students at the University of Florida, Win America not only serves as a platform for our political expression, but also as the environment where we are able to learn and understand the intricacies of political operations. This incident is one of many examples of the steep learning curve associated with operating such a committee. With wholehearted humility, it is my hope that the Election Commission will recognize that we believed we acted in good faith to comply with state law while resolving an internal issue, and we humbly ask that you grant consideration for an abatement of the penalties.

Thank you for your valued time, and your service to the Florida Election Commission and the State of Florida.

Respectfully,
