Please note that because of COVID-19, this will be a virtual meeting conducted by remote video or teleconference. Enclosed you will find additional details on joining the video conference via GoToWebinar, 9-Digit Webinar ID 627-359-707, or via teleconference by dialing (877) 309-2071 and entering the meeting access code 324-720-215, when prompted. If you wish to speak before the Commission, you will need to appear by webcam and will be sworn in remotely. Please be advised that the Commission will consider multiple cases, so you will need to wait until your case is considered. If you have any questions, please contact Commission staff at (850) 922-4539.

Failure to appear in accordance with this notice will constitute a waiver of your right to participate in the hearing. Continuances will be granted only upon a showing of good cause.

This hearing will be conducted pursuant to Section 106.25, Florida Statutes, which governs your participation as follows:

If you are the Respondent, you may attend the hearing, and you or your attorney will have *5 minutes* to present your case to the Commission. However, some cases (including those in which motions to dismiss or recommendations for no probable cause are being considered) may be decided by an *en masse* vote and, unless you request to be heard or the Commission requests that your case be considered separately on the day of the hearing, your case will *not* be individually heard.

If you are the Complainant, you may attend the hearing, but you will *not* be permitted to address the Commission. In addition, some cases (including those in which motions to dismiss or recommendations for no probable cause are being considered) may be decided by an *en masse* vote and, unless the Respondent requests to be heard or the Commission requests that the case be considered separately on the day of the hearing, the case will *not* be individually heard.

Tim Vaccaro

Executive Director
Florida Elections Commission
February 2, 2021

Please refer to the information below for further instructions related to your particular hearing:

If this is a hearing to consider **an appeal from an automatic fine**, the Filing Officer has imposed a fine on you for your failure to file a campaign treasurer's report on the designated due date and, by filing an appeal, you have asked the Commission to consider either (1) that the report was in fact timely filed; or (2) that there were unusual circumstances that excused the failure to file the report timely. You are required to prove your case. If the Commission finds that the report was filed timely or that there were unusual circumstances that excused the failure, it may waive the fine, in whole or in part. The Commission may reduce a fine after considering the factors in Section 106.265, Florida Statutes. If the Commission finds that the report was not timely filed and there were no unusual circumstances, the fine will be upheld.

If this is a **probable cause hearing**, the Commission will decide if there is probable cause to believe that the Respondent committed a violation of Florida's election laws. Respondent should be prepared to explain how the staff in its recommendation incorrectly applied the law to the facts of the case. *Respondent may not testify, call others to testify, or introduce any documentary or other evidence at the probable cause hearing.* The Commission will only decide whether Respondent should be *charged* with a violation and, before the Commission determines whether a violation has occurred or a fine should be imposed, Respondent will have an opportunity for another hearing at which evidence may be introduced.

If this is an **informal hearing**, it will be conducted pursuant Sections 120.569 and 120.57(2), Florida Statutes; Chapter 28 and Commission Rule 2B-1.004, Florida Administrative Code. At the hearing, the Commission will decide whether the Respondent committed the violation(s) charged in the Order of Probable Cause. The Respondent will be permitted to testify. However, the Respondent may not call witnesses to testify.

Respondent may argue why the established facts in the Staff Recommendation do not support the violations charged in the Order of Probable Cause. At Respondent's request, the Commission may determine whether Respondent's actions in the case were willful. The Respondent may also address the appropriateness of the recommended fine. If Respondent claims that his limited resources make him unable to pay the statutory fine, *he must provide the Commission with written proof of his financial resources* at the hearing. A financial affidavit form is available from the Commission Clerk.

RE: Letter of Appeal for late fine

My name is Jessica Harrington. I am the candidate and the treasurer for the Jessica Harrington for State Representative District 64 campaign.

I am writing this letter in order to appeal the \$500 fine that was assessed for the August 14th campaign treasurer's report (2020 P7). I understand that because of the Primary Election, (which we did not have a primary) by law, the turnaround time was much shorter (24 hours to file the report) and the fine steeper (from \$50 to \$500) for filing late. In two years, my campaign has never had a late report or filed an appeal with this commission, and I am asking for consideration of waiving this fine under circumstances that were beyond my control.

On the evening of August 14th, I was filing the 2020 P7 Report (August 1-August 13th). All of the information was entered, but when I went to enter my candidate and treasurer pin, I had trouble with connecting to the internet to finalize the report. When I was finally able to get back online, it was 1am, which was one hour after the report was due. The official timestamp that I received in my email, showing that the report had been filed was 1:02 am on August the 15th. Although we were just 62 minutes late, we were fined \$500 dollars as if we were a full day late.

I have attached the copy of the time stamped email to show that we had the report in just one hour after the due time of midnight. I am asking for the fine to be waived in understanding of internet connectivity issues that were beyond my control. Thank you so much for considering our request, and I look forward to hearing back from the Commission. Sincerely,

Jessica Harrington
