Please refer to the information below for further instructions related to your particular hearing:

If this is a hearing to consider **an appeal from an automatic fine**, the Filing Officer has imposed a fine on you for your failure to file a campaign treasurer's report on the designated due date and, by filing an appeal, you have asked the Commission to consider either (1) that the report was in fact timely filed; or (2) that there were unusual circumstances that excused the failure to file the report timely. You are required to prove your case. If the Commission finds that the report was filed timely or that there were unusual circumstances that excused the failure, it may waive the fine, in whole or in part. The Commission may reduce a fine after considering the factors in Section 106.265, Florida Statutes. If the Commission finds that the report was not timely filed and there were no unusual circumstances, the fine will be upheld.

If this is a hearing to consider a **consent order before a determination of probable cause has been made**, the Commission will decide whether to accept or reject the consent order. If the Commission accepts the consent order, the case will be closed and become public. If the Commission rejects the consent order or does not make a decision to accept or deny the consent order, the case will remain confidential, unless confidentiality has been waived.

If this is a hearing to consider a **consent order after a determination of probable cause has been made**, the Commission will decide whether to accept or reject the consent order. If the Commission accepts the consent order, the case will be closed. If the Commission rejects the consent order or does not make a decision to accept or deny the consent order, the Respondent will be entitled to another hearing to determine if the Respondent committed the violation(s) alleged.

If this is a **probable cause hearing**, the Commission will decide if there is probable cause to believe that the Respondent committed a violation of Florida's election laws. Respondent should be prepared to explain how the staff in its recommendation incorrectly applied the law to the facts of the case. *Respondent may not testify, call others to testify, or introduce any documentary or other evidence at the probable cause hearing.* The Commission will only decide whether Respondent should be *charged* with a violation and, before the Commission determines whether a violation has occurred or a fine should be imposed, Respondent will have an opportunity for another hearing at which evidence may be introduced.

If this is an **informal hearing**, it will be conducted pursuant Sections 120.569 and 120.57(2), Florida Statutes; Chapter 28 and Commission Rule 2B-1.004, Florida Administrative Code. At the hearing, the Commission will decide whether the Respondent committed the violation(s) charged in the Order of Probable Cause. The Respondent will be permitted to testify. However, the Respondent may not call witnesses to testify.

Respondent may argue why the established facts in the Staff Recommendation do not support the violations charged in the Order of Probable Cause. At Respondent's request, the Commission may determine whether Respondent's actions in the case were willful. The Respondent may also address the appropriateness of the recommended fine. If Respondent claims that his limited resources make him unable to pay the statutory fine, *he must provide the Commission with written proof of his financial resources* at the hearing. A financial affidavit form is available from the Commission Clerk.

FLORIDA ELECTIONS COMMISSION**

In Re: George O. Navarini

Case No.: FEC 21-289

STAFF RECOMMENDATION FOLLOWING INVESTIGATION

Pursuant to Section 106.25(4)(c), Florida Statutes, undersigned staff counsel files this written recommendation for disposition of the referral in this case recommending that there is **probable cause** to charge Respondent with violating **Section 106.19(1)(c), Florida Statutes**, and **no probable cause** to charge Respondent with violating **Section 106.07(7), Florida Statutes**. Based upon a thorough review of the Report of Investigation submitted on September 12, 2022, the following facts and law support this staff recommendation:

1. On March 26, 2021, the Florida Elections Commission (“Commission”) received a referral from the Department of State, Division of Elections (“Division”), alleging that George O. Navarini (“Respondent”) violated Chapter 106, Florida Statutes.

2. Respondent is a 2022 candidate for State Representative, District 103. (ROI, page 1, ¶1)¹ Respondent initially filed to run for District 104; however, after the referral was filed, Respondent filed for redesignation to District 103 due to redistricting. (ROI, page 1, ¶1, n.1)

3. By letter dated April 30, 2021, the Executive Director notified Respondent that Commission staff would investigate the following statutory provisions:

Section 106.07(7), Florida Statutes: As alleged in the complaint, Respondent, a 2022 candidate for State Representative, District 104, may have failed to notify the filing officer on the prescribed reporting date that no report would be filed on that date because he had not received funds, made contributions, or expended reportable funds during the 2021 M1 Reporting period.

Section 106.19(1)(c), Florida Statutes: As alleged in the complaint, Respondent, a 2022 candidate for State Representative, District 104, may have falsely reported or deliberately failed to include information in his 2021 M1 campaign treasurer’s report, as required by Chapter 106.

4. On November 30, 2020, Respondent filed an Appointment of Campaign Treasurer and Designation of Campaign Depository for Candidates form (“DS-DE 9”) appointing himself as treasurer for his campaign. (ROI Exhibit 2)

¹ The Report of Investigation is referred to herein as “ROI.”

5. By letter dated November 30, 2020, Kristi Reid Willis, Chief, Bureau of Election Records, sent Respondent a letter acknowledging that the Division had received his DS-DE 9 and that his name was placed on the 2022 active candidate list. (ROI Exhibit 4, page 1)

6. The acknowledgement letter advised Respondent that all candidates who file reports with the Division are required to use the electronic filing system (“EFS”) and provided Respondent with a user identification number and initial password to grant access to the EFS. (ROI Exhibit 4, page 1)

7. The acknowledgement letter further advised Respondent that each of the Division’s publications and reporting forms were available on its website and directed Respondent to print out the Calendar of Reporting Dates as well as other relevant documents. (ROI Exhibit 4, page 2)

8. Respondent’s 2021 M1 report was due on February 10, 2021; however, Respondent made no filing.

9. The Division sent multiple letters notifying Respondent that neither a campaign finance 2021 M1 report nor a corresponding waiver had been filed. (ROI Exhibits 5 & 6) A Final Notice letter was certified as delivered to the post office on March 13, 2021. *Id.*

10. A subpoena was issued to Respondent’s designated campaign depository to ascertain whether any financial activity occurred during the relevant reporting period, January 1, 2021 – January 31, 2021. (ROI, page 2, ¶8, n.4)

11. During the 2021 M1 reporting period, Respondent made a \$100.00 cash deposit and one checking transfer totaling \$80.00. (ROI Exhibit 8, page 1)

12. Commission staff successfully contacted Respondent by phone on December 21, 2021. Respondent asked for and was emailed a copy of the referral. Respondent was later emailed the Letter of Legal Sufficiency as well. (ROI Exhibit 10, page 1)

13. Respondent explained he had “no activity until summer” of 2021, and that once the Division notified him of the issue, he filed the appropriate waiver. He stated the mistake was on his part. Respondent ultimately filed a waiver on June 22, 2021—132 days late. (ROI, page 2, ¶8, n.5; ROI Exhibit 10, page 3)

14. “Probable Cause” is defined as reasonable grounds of suspicion supported by circumstances sufficiently strong to warrant a cautious person in the belief that the person has committed the offense charged. *Schmitt v. State*, 590 So. 2d 404, 409 (Fla. 1991). Probable cause exists where the facts and circumstances, of which an [investigator] has reasonably trustworthy information, are sufficient in themselves for a reasonable man to reach the conclusion that an offense has been committed. *Department of Highway Safety and Motor Vehicles v. Favino*, 667 So. 2d 305, 309 (Fla. 1st DCA 1995).

15. The facts set forth above show that Respondent is a 2022 candidate for State Representative, District 103. Given the above-stated \$100.00 deposit and \$80.00 transfer,

Respondent deliberately failed to include information in his 2021 M1 report in violation of Section 106.19(1)(c), Florida Statutes. It does not appear that Respondent was required to file a waiver for the 2021 M1 reporting period.

Based upon these facts and circumstances, I recommend that the Commission find **no probable cause** to charge Respondent with violating **Section 106.07(7), Florida Statutes** and find **probable cause** to charge Respondent with violating the following:

Count 1:

On or around February 10, 2021, George O. Navarini violated **Section 106.19(1)(c), Florida Statutes**, when he deliberately failed to include information required by Chapter 106, Florida Statutes, on the 2021 M1 campaign treasurer's report.

Respectfully submitted on October 7, 2022.

Todd Smith-Schoenwalder, J.D.

I reviewed this Staff Recommendation this 7th day of October 2022.

³ Both letters were returned to the Division undelivered.

7. On March 11, 2021, the Division sent a letter marked “Final Notice” with delivery confirmation to the address provided on the DS-DE 9 notifying Respondent that the following campaign report, or the required notification that no reportable activity occurred, had not been filed: 2021 M1. The letter was confirmed delivered on March 13, 2021. To review the letter marked “Final Notice” and delivery confirmation, refer to Exhibit 6.

II. Alleged Violation of Sections 106.07(7), and 106.19(1)(c), Florida Statutes:

8. I investigated whether Respondent violated these sections of the election laws either by not notifying the filing officer, in writing, that no report would be filed due to not receiving any contributions or making expenditures during the following reporting period or by not filing a campaign report to reflect financial activity for the reporting period. To review the filing history, refer to Exhibit 7.

Report	Report Cover Period	Due Date	Report or Waiver Required	Exhibit 8 ⁴
2021 M1	01/01/2021 – 01/31/2021	02/10/2021	Report ⁵	8

9. Respondent did not respond to the referral, but in an email dated January 14, 2022, Respondent stated, “Report filed, no apparent issues.” In an email dated January 26, 2022, Respondent stated that although his campaign started on November 30, 2020, he did not actively start campaigning or receive any contributions until June 2021.⁶ To review the emails, refer to Exhibit 9.

10. January 18, 2022, I called Respondent for the purpose of providing an opportunity to discuss the allegations made in the referral. When asked about the failure to timely file the report at issue, Respondent stated, “I filed immediately after 2020 election. No activity until summer, until the Division notified me. When the Division notified me, I jumped on it.” Respondent acknowledged that he possessed and had read Chapter 106, Florida Statutes, and the *Candidate and Campaign Treasurer Handbook*. Respondent acknowledged responsibility for the issue but stated that there was no malicious intent and that this amounted to harmless error. To review the phone log, refer to Exhibit 10.

SIGNATURE OF INVESTIGATOR:  **Date:** September 12, 2022

⁴ I subpoenaed campaign account records from the designated campaign depository.

⁵ Respondent filed a waiver of the 2021 M1 report on June 22, 2021, which was 132 days late.

⁶ One cash deposit in the amount of \$100.00 occurred during the 2021 M1 reporting period

Dear Mr. Navarini:

This will acknowledge receipt of the Appointment of Campaign Treasurer and Designation of Campaign Depository informing us that you are changing the designation of office for which you are a candidate from State Representative, District 104 to State Representative, District 103. The active candidate list has been updated to reflect this change. It is our understanding that the change in numerical designation resulted solely from redistricting, therefore, the change will not affect your ability to retain campaign contributions received for the former district number for which you had filed. As such, you are not required to notify contributors of the change in district number. See Section 106.021(1)(a), Florida Statutes.

If you have any questions, or if we may be of further assistance, please call (850) 245-6280.

Sincerely,

Dear Mr. Navarini:

Our records indicate that you have not filed either your campaign treasurer's report or notification that no reportable activity occurred, whichever is applicable. The filing date was February 10, 2021.

The law (s. 106.07(8)(b), Fla. Stat.) requires the filing officer to immediately notify you about the missed filing date and the automatic fines that will be assessed for late filing of a report, if a report was due.

- If reportable activity occurred and you have not filed a report, statutory fines are automatically assessed as follows until you file your report:
 - \$50 per day for the first 3 days late
 - \$500 per day for each day after the 3rd day lateIf the required report immediately precedes a primary and general election, the automatic fine is \$500 for each late day.

The total fine for the untimely report cannot exceed 25% of the total receipts or expenditures, whichever is greater, for the cover period. Even if you end up filing your report late, we cannot waive the statutory fines. We will notify you of the specific amount of fines owed once you file your report. You have 20 days from the day you receive the notice to pay the fine or to appeal the fine to the Florida Elections Commission.

- If no reportable activity occurred for the report date(s), you are still required to notify us in writing, via the Division's Electronic Filing System, that no reportable activity occurred. No automatic fines are statutorily assessed.

However, in all cases, failure to file and/or untimely filing of a report of reportable activity, or if applicable, a notice that no reportable activity occurred, may constitute an apparent violation of chapter 106, Fla. Stat. If we refer such matter to the Florida Elections Commission, the Commission may subsequently impose a civil penalty for each violation under chapter 106.265(1), Fla. Stat.

If you have any questions, please contact the help desk at (850) 245-6280.

Dear Mr. Navarini:

Our records indicate that you have not filed either your campaign treasurer's report or notification that no reportable activity occurred, whichever is applicable. The filing date was February 10, 2021.

We mailed, via regular mail, the first notice of the failure to file the above-mentioned report or notification to the address on file with our office on February 11, 2021.

The first notice which we provided to you specifically explained the automatic fine provisions in the law (s. 106.07(8)(b), Fla. Stat.) for failure to file a required report. Such fines are continuing to accrue for a late-filed report. Also, that notice explained that if no reportable activity occurred for the report date(s), you are still required to provide notification in writing that no reportable activity occurred. Our initial notice further indicated that, in all cases, failure to file and/or untimely filing of a report of reportable activity, or if applicable, a notice that no reportable activity occurred, may constitute an apparent violation of chapter 106, Fla. Stat. If we refer such matter to the Florida Elections Commission, the Commission may subsequently impose a civil penalty for each violation under chapter 106.265(1), Fla. Stat.

Dear Mr. Navarini:

A recent review of the Division's records show that the Division has not yet received the below-referenced campaign treasurer's report or the required notification that no reportable activity occurred, whichever is applicable, during the following cover period:

<u>Year</u>	<u>Report</u>	<u>Cover Period</u>
2021	M1	1/1/21 - 1/31/21

The Division has previously notified you of the unfiled report or notification. Please file your report or notification. If the report is not filed within 7 days of receipt of this letter, the Division will refer this matter to the Florida Elections Commission, which may impose civil penalties of up to \$1000 per violation, apart from that automatic fine provisions of s. 106.07(8)(b), Fla. Stat.) that are applicable only to campaign finance reports.

As we stated in the prior notices, even if you now file the report or notification, the untimely filing of a report of reportable activity, or if applicable, a notice that no reportable activity occurred, may constitute an apparent violation of chapter 106, Fla. Stat. If we refer such matter to the Florida Elections Commission, the Commission may subsequently impose a civil penalty for each violation under chapter 106.265(1), Fla. Stat.

Good Morning, Mr. Mellow:

Hope this note finds you well. When I called earlier today, I was told that many in your office were out, stricken with SARS-CoV-2; hope you are not among them. I'm just now getting over my own boat with this, and saying it was not fun is an understatement.

As we agreed, here is my report back to you regarding the open items pending:

Account -----

As per 20-436 – Referral 10-05-20

Missing 2020 P2 - FIXED – Missing address

Missing 2020 P3 - FIXED – Missing date

As per 21-040 – Referral 01-12-21

Missing 2020 G2 - FIXED - Missing date

As per 21-230 – Referral 03-10-21

Missing Termination Report – OPEN – Need assistance

Account :

As pr 21-062 – Referral 02-01-21

Missing 2020 M11 - Report Filed, no apparent issues

As per 21-179 – Referral 03-05-21

Missing 2020 M12 – Report filed, no apparent issues

As per 21-289 – Referral 03-26-21

Missing 2020 M1 – Report filed, no apparent issues

This should put us nearly up to date; the only pending issue would be the termination report for the 2020 campaign. I will be in contact with the Division of Elections early Monday morning to get guidance on this report and will advise you on that conversation.

Hopefully, the process is simple and we can be done the same day, which should free you to take on the real delinquents that are gaming our electoral process. While I suspect this may be more the province of the Federal Elections Commission and the DoJ, Many of us here in South Florida are wondering why Ms. Shiela Cherfilus-McCormick's campaign is not under an electron microscope as we understand she has NEVER filed ANY financial reports on a campaign that allegedly took on nearly six million dollars.

This is a far, far cry from my miserably tiny efforts that did not even gain nine thousand dollars in donations.

I hope that we have not reached the point where a person can effectively buy a seat in Congress, with either their own money or worse, funding from unknown and undisclosed persons or interests.

Anyhow, hope with my termination report, we will be able to close out this chapter.

Be well, stay safe,

George Navarini

Hello, Charles:

Hope you all are staying warm up there in Tallahassee.

As per your request, the candidate number for the 2020 campaign was **75717**, and for the 2022 campaign, the candidate number is **79065**.

Additionally, our official start date is **30 November 2020**. Now that said, there was a bit of a mix-up as I was originally registered as a candidate of the other party, but we got that straightened out quickly.

Lastly, please note, that although we started on the 30th, a (wavier) report for November was submitted as soon as I was made aware we were in the system. We did not actively start the campaign and receive any donations until June of the following year.

Hope this answers all your proffered questions to your satisfaction. Please feel free to call or write if I may be of any further assistance.

RE: Case No.: FEC 21-289; Respondent: George O. Navarini

Dear Mr. Navarini:

On March 26, 2021, the Florida Elections Commission received a complaint alleging that you violated Florida's election laws. I have reviewed the complaint and find that it contains one or more **legally sufficient allegations**. The Commission staff will investigate the following alleged violations:

Section 106.07(7), Florida Statutes: As alleged in the complaint, Respondent, a 2022 candidate for State Representative, District 104, may have failed to notify the filing officer on the prescribed reporting date that no report would be filed on that date because he had not received funds, made contributions, or expended reportable funds during the 2021 M1 Reporting period.

Section 106.19(1)(c), Florida Statutes: As alleged in the complaint, Respondent, a 2022 candidate for State Representative, District 104, may have falsely reported or deliberately failed to include information in his 2021 M1 campaign treasurer's report, as required by Chapter 106.

When we conclude the investigation, a copy of the Report of Investigation (ROI) will be mailed to you at the above address. Based on the results of the investigation, a staff attorney will prepare and present a written Staff Recommendation (SR) to the Commission as to whether there is probable cause to charge you, the Respondent, with violating Chapters 104 or 106, Florida Statutes. You will have an opportunity to respond to both the ROI and the SR. The Commission will then hold one or more hearings to determine whether the alleged violations occurred and, if so, the amount of the fine to be imposed upon you. Notice will be mailed to you and the Complainant at least 14 days before any hearing at which your case is to be considered.

Pursuant to Section 106.25(4)(i)3., Florida Statutes, the Commission may enter into a consent agreement with a Respondent to settle a complaint prior to a finding of probable cause. If you are interested in entering negotiations directed towards reaching a consent agreement to resolve this matter, please contact the Commission and request to speak with the attorney assigned to this case.

Please note that all documents related to this matter will be mailed to the above address unless you notify us of a new address.

Pursuant to Section 106.25, Florida Statutes, complaints, investigations, investigative reports, and other documents relating to an alleged violation of Chapters 104 or 106, Florida Statutes, are confidential until the Commission finds probable cause or no probable cause, unless the Respondent files a written waiver of confidentiality with the Commission. The confidentiality provision does not apply to the Complainant or the Respondent.

Should you retain counsel, your attorney must file a notice of appearance with the Commission before any member of the commission staff can discuss this case with him or her.

For additional information, please refer to the "Frequently Asked Questions" section of the Commission's website.

If you have additional questions, please contact **Charles Mellow**, the investigator assigned to this case, by phone at (850) 922-4539 or by email at Charles.Mellow@myfloridalegal.com.

Dear Mr. Navarini:

A recent review of the Division's records show that the Division has not yet received the below-referenced campaign treasurer's report or the required notification that no reportable activity occurred, whichever is applicable, during the following cover period:

<u>Year</u>	<u>Report</u>	<u>Cover Period</u>
2021	M1	1/1/21 - 1/31/21

The Division has previously notified you of the unfiled report or notification. Please file your report or notification. If the report is not filed within 7 days of receipt of this letter, the Division will refer this matter to the Florida Elections Commission, which may impose civil penalties of up to \$1000 per violation, apart from that automatic fine provisions of s. 106.07(8)(b), Fla. Stat.) that are applicable only to campaign finance reports.

As we stated in the prior notices, even if you now file the report or notification, the untimely filing of a report of reportable activity, or if applicable, a notice that no reportable activity occurred, may constitute an apparent violation of chapter 106, Fla. Stat. If we refer such matter to the Florida Elections Commission, the Commission may subsequently impose a civil penalty for each violation under chapter 106.265(1), Fla. Stat.

If you have any questions, please contact the help desk at (850) 245-6280.
