NOTICE OF HEARING (AUTOMATIC FINE)

A hearing will be held in this case before the Florida Elections Commission on, **March 13, 2018 at 8:30 am, or as soon thereafter as the parties can be heard**, at the following location: **Augustus B. Turnbull Conference Center, 555 West Pensacola Street, Room 103, Tallahassee, Florida 32301.**

Failure to appear in accordance with this notice will constitute a waiver of your right to participate in the hearing. Continuances will be granted only upon a showing of good cause.

This hearing will be conducted pursuant to Section 106.25, Florida Statutes, which governs your participation as follows:

If you are the Respondent, you may attend the hearing, and you or your attorney will have *5 minutes* to present your case to the Commission. However, some cases (including those in which consent orders or recommendations for no probable cause are being considered) may be decided by an *en masse* vote and, unless you request to be heard or the Commission requests that your case be considered separately on the day of the hearing, your case will *not* be individually heard.

If you are the Complainant, you may attend the hearing, but you will *not* be permitted to address the Commission. In addition, some cases (including those in which consent orders or recommendations for no probable cause are being considered) may be decided by an *en masse* vote and, unless the Respondent requests to be heard or the Commission requests that the case be considered separately on the day of the hearing, the case will *not* be individually heard.

If you are an Appellant, and you have requested a hearing, you may attend the hearing, and you or your attorney will have *5 minutes* to present your case to the Commission.

Please be advised that both confidential and public cases are scheduled to be heard by the Florida Elections Commission on this date. As an Appellant, Respondent or Complainant in one case, you will *not* be permitted to attend the hearings on other confidential cases.

The Commission will electronically record the meeting. Although the Commission's recording is considered the official record of the hearing, the Respondent may provide, at his own expense, a certified court reporter to also record the hearing.

Executive Director
Florida Elections Commission
February 26, 2018

Please refer to the information below for further instructions related to your particular hearing:

If this is a hearing to consider **an appeal from an automatic fine**, the Filing Officer has imposed a fine on you for your failure to file a campaign treasurer's report on the designated due date and, by filing an appeal, you have asked the Commission to consider either (1) that the report was in fact timely filed; or (2) that there were unusual circumstances that excused the failure to file the report timely. You are required to prove your case. If the Commission finds that the report was filed timely or that there were unusual circumstances that excused the failure, it may waive the fine, in whole or in part. The Commission may reduce a fine after considering the factors in Section 106.265, Florida Statutes. If the Commission finds that the report was not timely filed and there were no unusual circumstances, the fine will be upheld.

If this is a hearing to consider a **consent order before a determination of probable cause has been made**, the Commission will decide whether to accept or reject the consent order. If the Commission accepts the consent order, the case will be closed and become public. If the Commission rejects the consent order or does not make a decision to accept or deny the consent order, the case will remain confidential, unless confidentiality has been waived.

If this is a hearing to consider a **consent order after a determination of probable cause has been made**, the Commission will decide whether to accept or reject the consent order. If the Commission accepts the consent order, the case will be closed. If the Commission rejects the consent order or does not make a decision to accept or deny the consent order, the Respondent will be entitled to another hearing to determine if the Respondent committed the violation(s) alleged.

If this is a **probable cause hearing**, the Commission will decide if there is probable cause to believe that the Respondent committed a violation of Florida's election laws. Respondent should be prepared to explain how the staff in its recommendation incorrectly applied the law to the facts of the case. *Respondent may not testify, call others to testify, or introduce any documentary or other evidence at the probable cause hearing.* The Commission will only decide whether Respondent should be *charged* with a violation and, before the Commission determines whether a violation has occurred or a fine should be imposed, Respondent will have an opportunity for another hearing at which evidence may be introduced.

If this is an **informal hearing**, it will be conducted pursuant Sections 120.569 and 120.57(2), Florida Statutes; Chapter 28 and Commission Rule 2B-1.004, Florida Administrative Code. At the hearing, the Commission will decide whether the Respondent committed the violation(s) charged in the Order of Probable Cause. The Respondent will be permitted to testify. However, the Respondent may not call witnesses to testify.

Respondent may argue why the established facts in the Staff Recommendation do not support the violations charged in the Order of Probable Cause. At Respondent's request, the Commission may determine whether Respondent's actions in the case were willful. The Respondent may also address the appropriateness of the recommended fine. If Respondent claims that his limited resources make him unable to pay the statutory fine, *he must provide the Commission with written proof of his financial resources* at the hearing. A financial affidavit form is available from the Commission Clerk.

SUMMARY: Florida Rheumatology PAC is a political committee (PC) registered with the State of Florida. The PC's chair is Michael Weitz and its treasurer is Jeanne Torbett.

The PC is appealing the fine claiming that it has been frustrating trying to comply with all of the special election reports. According to the treasurer, Jeanne Torbett, she is currently the only person completing campaign reports. Ms. Torbett explained that she has been out of the office more than she has been at work lately due to the poor health of her father. She has been helping her three sisters in caring for her 89 year old mother and her 90 year old father, who has been in poor health and been in and out of the hospital recently. According to Ms. Torbett, she is now in the process of training another person to assist her with future filings of campaign reports.

- The 2017 SP2 Report covers the time period of 06/09 – 07/20/17.
- The 2017 SP2 Queued-Transactions Report reflects that this report was created on 09/06/17 at approximately 12:13 p.m. before being filed on 09/06/17 at approximately 12:17 p.m.
- On October 30, 2017, Commission staff received a letter from the PC's chairman, Michael Weitz, acknowledging that the treasurer, Jeanne Torbett, was authorized to represent the PC when she filed the appeal.

Re: Special Election Report
Senate 40-SP2

To Whom It May Concern:

I am writing this to appeal the fine on PAC 60956 for the Senate 40-SP2.

I am the executive director for the Florida Rheumatology PAC and the only one that currently handles the PAC account. I have a woman that I will be teaching to help with this account but since we are such a small office I have been the only one that completes the required reports up to this point.

I already paid a \$650 fine because a report was due when I was out of the country and I had no way of completing it on time. I did it as soon as I returned to the states but you had already fined us \$650. Since I was already behind in my work from being away I did not have the time to try and fight it like I should have since this was a lot of money for our small account.

I have been very frustrated because I try to comply with all the special reports and think I am doing it properly then I get a letter stating that I am being fined. It is confusing during normal times but for the past several months it has been especially difficult for me because I am out of the office more than I am in due to the poor health of my father. My three sisters and I are taking 2 week shifts to stay with my 89 year old mother and 90 year old father. He has been in and out of the hospital and even died at one point, was coded and brought back to life. Now we don't dare leave them alone. We are working on finding a place for one of my sisters to rent so they can move in with her but in the meantime, I am struggling to run a business from a remote location – my parents home.

I am sorry to lay my burdens on you but am hoping you can please not fine the FSR PAC as I am trying to comply and the officers will be very upset with me if I continue to lose money for them. When I return to the office next week I plan on training my other employee, as stated above, but this is a complicated process. Hopefully between the 2 of us we can keep up with all the special elections.

Thank you,

Jeanne Torbett, CMP, CMMM

SUBJECT: Special Election - State Senate, District 40

A special election has been called for the office of State Senate, District 40. The special primary election for this race is scheduled for July 25, 2017. The special election for this race is scheduled for September 26, 2017.

When a special election is called to fill a vacancy in office, all political committees, electioneering communication organizations, political parties and affiliated party committees making contributions or expenditures to influence the results of such special election shall file campaign treasurer's reports with the filing officer on the dates set by the Department of State.

Committees or organizations are required to file special election campaign treasurer's reports only if the committee or organization makes a contribution to a special election candidate during the special election reporting periods (see chart on next page) or makes an expenditure to influence the results of the special election.

Please note that activities reported on special election reports are only expenditures that are made to influence the results of the special election. All other activity (e.g., contributions) is reported on the appropriate campaign treasurer's report.

Once a committee or organization has participated in the special election and has filed a special election campaign report, all remaining special election reports must be filed even if there is no further special election activity. If there is no further activity, a waiver must be filed.

Ms. Willis:

Previously, you sent our office a sample memorandum regarding special election reporting dates that is emailed to PACs when special elections are called.

Could you please forward me a copy of such an email that was sent to the above PAC regarding a special election for which the PAC had to file a 2017 SP1 report?

This relates to an auto fine appeal with regard to the 2017 SP1 report.

Thanks,

Cole Kekelis
