If you are the Respondent, you may attend the hearing, and you or your attorney will have *5 minutes* to present your case to the Commission. However, some cases (including those in which consent orders or recommendations for no probable cause are being considered) may be decided by an *en masse* vote and, unless you request to be heard or the Commission requests that your case be considered separately on the day of the hearing, your case will *not* be individually heard.

Executive Director
Florida Elections Commission
August 23, 2021

Please refer to the information below for further instructions related to your particular hearing:

If this is a hearing to consider **an appeal from an automatic fine**, the Filing Officer has imposed a fine on you for your failure to file a campaign treasurer's report on the designated due date and, by filing an appeal, you have asked the Commission to consider either (1) that the report was in fact timely filed; or (2) that there were unusual circumstances that excused the failure to file the report timely. You are required to prove your case. If the Commission finds that the report was filed timely or that there were unusual circumstances that excused the failure, it may waive the fine, in whole or in part. The Commission may reduce a fine after considering the factors in Section 106.265, Florida Statutes. If the Commission finds that the report was not timely filed and there were no unusual circumstances, the fine will be upheld.

If this is a hearing to consider a **consent order before a determination of probable cause has been made**, the Commission will decide whether to accept or reject the consent order. If the Commission accepts the consent order, the case will be closed and become public. If the Commission rejects the consent order or does not make a decision to accept or deny the consent order, the case will remain confidential, unless confidentiality has been waived.

If this is a hearing to consider a **consent order after a determination of probable cause has been made**, the Commission will decide whether to accept or reject the consent order. If the Commission accepts the consent order, the case will be closed. If the Commission rejects the consent order or does not make a decision to accept or deny the consent order, the Respondent will be entitled to another hearing to determine if the Respondent committed the violation(s) alleged.

If this is a **probable cause hearing**, the Commission will decide if there is probable cause to believe that the Respondent committed a violation of Florida's election laws. Respondent should be prepared to explain how the staff in its recommendation incorrectly applied the law to the facts of the case. *Respondent may not testify, call others to testify, or introduce any documentary or other evidence at the probable cause hearing.* The Commission will only decide whether Respondent should be *charged* with a violation and, before the Commission determines whether a violation has occurred or a fine should be imposed, Respondent will have an opportunity for another hearing at which evidence may be introduced.

If this is an **informal hearing**, it will be conducted pursuant Sections 120.569 and 120.57(2), Florida Statutes; Chapter 28 and Commission Rule 2B-1.004, Florida Administrative Code. At the hearing, the Commission will decide whether the Respondent committed the violation(s) charged in the Order of Probable Cause. The Respondent will be permitted to testify. However, the Respondent may not call witnesses to testify.

Respondent may argue why the established facts in the Staff Recommendation do not support the violations charged in the Order of Probable Cause. At Respondent's request, the Commission may determine whether Respondent's actions in the case were willful. The Respondent may also address the appropriateness of the recommended fine. If Respondent claims that his limited resources make him unable to pay the statutory fine, *he must provide the Commission with written proof of his financial resources* at the hearing. A financial affidavit form is available from the Commission Clerk.

My name is Daphne Campbell, candidate # 74028. I am appealing to the fine of June 19, 2020 due date and filing that was done on July 7, 2020. The report was entered on June 19 around 4: 30 pm and it was time for me to file it, I called Florida Division of Elections to request someone's assistance due to the facts that I was not sure if I did everything right, because every report I always called the office of Florida Division of Elections for support which I always get with a lot of professionalism and with good understanding just to avoid incomplete report or situations like these notices

However, on June 19 around 4:45 pm when I called the office of Florida Division of Elections no one picks up until it was 5 pm I think the office may be closed. On Monday when I called again to get someone to speak with, no answers due to Covid-19 or may be everyone works at home and I continue to call almost everyday until I got one of the gentleman who works at the office, telling me the office is not open due to Covid-19 and they are in process of qualifying, to try tomorrow.

Finally on July 7, 2020 someone helps me to file it right, goes over everything first and the report was filed.

Moreover , for the report on July 3, 2020 due date, the situation was almost the same but similar because the report for July 3, 2020 was filed on July 7, 2020 due to the that on July 3, 2020, when I was tried to file the report that I did not remember my password, so I called the office and someone told me that I have to send a signed request in order for the office to help me with the password changed. So I filled out the form, signed it and faxed it to Florida Division of Elections Department. On Monday when I called to see if they received it and they can't locate the form until everythig was okay on July 3, 2020 and the password changed on July 7, 2020 and the report was filed with the great support of one the worker at the office. So, I am requesting of waiving the fees due to all these issues of #1 employees were busy with candidates qualifying, #2 Covid-19 makes every process slow. Thanks a million!

Sincerely,

Senator Daphne Campbell, RN, BSN

CAN 74028

Dear Senator Campbell:

Our records indicate that you have not filed either your campaign treasurer's report or notification that no reportable activity occurred, whichever is applicable. The filing date was June 19, 2020.

The law (s. 106.07(8)(b), Fla. Stat.) requires the filing officer to immediately notify you about the missed filing date and the automatic fines that will be assessed for late filing of a report, if a report was due.

- If reportable activity occurred and you have not filed a report, statutory fines are automatically assessed as follows until you file your report:
 - * \$50 per day for the first 3 days late
 - * \$500 per day for each day after the 3rd day late
 - » If the required report immediately precedes a primary and general election, the automatic fine is \$500 for each late day.

The total fine for the untimely report cannot exceed 25% of the total receipts or expenditures, whichever is greater, for the cover period. Even if you end up filing your report late, we cannot waive the statutory fines. We will notify you of the specific amount of fines owed once you file your report. You have 20 days from the day you receive the notice to pay the fine or to appeal the fine to the Florida Elections Commission.

- If no reportable activity occurred for the report date(s), you are still required to notify us in writing, via the Division's Electronic Filing System, that no reportable activity occurred. No automatic fines are statutorily assessed.

However, in all cases, failure to file and/or untimely filing of a report of reportable activity, or if applicable, a notice that no reportable activity occurred, may constitute an apparent violation of chapter 106, Fla. Stat. If we refer such matter to the Florida Elections Commission, the Commission may subsequently impose a civil penalty for each violation under chapter 106.265(1), Fla. Stat.

If you have any questions, please contact the help desk at (850) 245-6280.

Sincerely,

RE: Credential Request

Rcvd a call from candidate saying she didn't need a new password. She had been using the wrong account number. She was now in her account and wanted assistance in amending reports she had received notice about audits. Each report was opened, amended and filed. These audit errors are now corrected. She asked how to open her 2019 M10 report. Once it was open she said she knew what to do from there.

Re: Call from candidate

Ms. Campbell called telling me that she was trying to reset her password but the answer to her security question was coming back incorrect. She kept saying over and over "I know where I was born". I asked her if she had set up this question at the beginning of her campaign when she first logged in the EFS system. She said yes. I asked her if she needed to put in the city and state where she was born. She said she put in all combinations. I directed her to the DOS website for her to submit a credential request so we might reset her password. She was upset and kept saying that was what she was trying to do. I told her I couldn't help her unless she had submitted the credential request and then we can call her back. She interrupted me saying that she knew all about how to do it that she had done this before. I heard her talking to someone in the back ground about where to print the form and then again about where she was born. I asked her if there was anything else I could help her with. She said she needed help with her password. I told her that she would need to submit the credential request form then we'd call her back. She kept talking to someone in the back ground. I told her I needed to hang up and help other customers but will be looking for her Credential request form. Ejr
