NOTICE OF HEARING (AUTOMATIC FINE)

A hearing will be held in this case before the Florida Elections Commission on, **December 1, 2020 at 8:30 AM**, *or as soon thereafter as the parties can be heard*, at the following location: **Senate Office Building, 404 South Monroe Street, Room 110-S, Tallahassee, Florida 32399**. Due to heightened security access requirements, please bring only essential items into the building and plan to arrive early to allow for delays coming through security.

Failure to appear in accordance with this notice will constitute a waiver of your right to participate in the hearing. Continuances will be granted only upon a showing of good cause.

This hearing will be conducted pursuant to Section 106.25, Florida Statutes, which governs your participation as follows:

If you are the Respondent, you may attend the hearing, and you or your attorney will have *5 minutes* to present your case to the Commission. However, some cases (including those in which consent orders or recommendations for no probable cause are being considered) may be decided by an *en masse* vote and, unless you request to be heard or the Commission requests that your case be considered separately on the day of the hearing, your case will *not* be individually heard.

If you are the Complainant, you may attend the hearing, but you will *not* be permitted to address the Commission. In addition, some cases (including those in which consent orders or recommendations for no probable cause are being considered) may be decided by an *en masse* vote and, unless the Respondent requests to be heard or the Commission requests that the case be considered separately on the day of the hearing, the case will *not* be individually heard.

If you are an Appellant, and you have requested a hearing, you may attend the hearing, and you or your attorney will have *5 minutes* to present your case to the Commission.

Please be advised that both confidential and public cases are scheduled to be heard by the Florida Elections Commission on this date. As an Appellant, Respondent or Complainant in one case, you will *not* be permitted to attend the hearings on other confidential cases.

The Commission will electronically record the meeting. Although the Commission's recording is considered the official record of the hearing, the Respondent may provide, at his own expense, a certified court reporter to also record the hearing.

If you require an accommodation due to a disability, contact Donna Ann Malphurs at (850) 922-4539 or by mail at 107 West Gaines Street, The Collins Building, Suite 224, Tallahassee, Florida 32399, at least 5 days before the hearing.

See further instructions on the reverse side.

Tim Vaccaro

Executive Director
Florida Elections Commission
November 9, 2020

Please refer to the information below for further instructions related to your particular hearing:

If this is a hearing to consider **an appeal from an automatic fine**, the Filing Officer has imposed a fine on you for your failure to file a campaign treasurer's report on the designated due date and, by filing an appeal, you have asked the Commission to consider either (1) that the report was in fact timely filed; or (2) that there were unusual circumstances that excused the failure to file the report timely. You are required to prove your case. If the Commission finds that the report was filed timely or that there were unusual circumstances that excused the failure, it may waive the fine, in whole or in part. The Commission may reduce a fine after considering the factors in Section 106.265, Florida Statutes. If the Commission finds that the report was not timely filed and there were no unusual circumstances, the fine will be upheld.

If this is a hearing to consider a **consent order before a determination of probable cause has been made**, the Commission will decide whether to accept or reject the consent order. If the Commission accepts the consent order, the case will be closed and become public. If the Commission rejects the consent order or does not make a decision to accept or deny the consent order, the case will remain confidential, unless confidentiality has been waived.

If this is a hearing to consider a **consent order after a determination of probable cause has been made**, the Commission will decide whether to accept or reject the consent order. If the Commission accepts the consent order, the case will be closed. If the Commission rejects the consent order or does not make a decision to accept or deny the consent order, the Respondent will be entitled to another hearing to determine if the Respondent committed the violation(s) alleged.

If this is a **probable cause hearing**, the Commission will decide if there is probable cause to believe that the Respondent committed a violation of Florida's election laws. Respondent should be prepared to explain how the staff in its recommendation incorrectly applied the law to the facts of the case. *Respondent may not testify, call others to testify, or introduce any documentary or other evidence at the probable cause hearing.* The Commission will only decide whether Respondent should be *charged* with a violation and, before the Commission determines whether a violation has occurred or a fine should be imposed, Respondent will have an opportunity for another hearing at which evidence may be introduced.

If this is an **informal hearing**, it will be conducted pursuant Sections 120.569 and 120.57(2), Florida Statutes; Chapter 28 and Commission Rule 2B-1.004, Florida Administrative Code. At the hearing, the Commission will decide whether the Respondent committed the violation(s) charged in the Order of Probable Cause. The Respondent will be permitted to testify. However, the Respondent may not call witnesses to testify.

Respondent may argue why the established facts in the Staff Recommendation do not support the violations charged in the Order of Probable Cause. At Respondent's request, the Commission may determine whether Respondent's actions in the case were willful. The Respondent may also address the appropriateness of the recommended fine. If Respondent claims that his limited resources make him unable to pay the statutory fine, *he must provide the Commission with written proof of his financial resources* at the hearing. A financial affidavit form is available from the Commission Clerk.

SUMMARY: Knute J. Nathe, Esquire is a candidate for Dade City Commission, Group 4 in the 2020 elections. Lynn Smith is his treasurer.

Knute J. Nathe is appealing the fine claiming that he missed the deadline to file the report due to preparations surrounding Covid-19. According to Mr. Nathe, in response to Executive Orders, his employer began implementing measures for the firm's continuation of operations. During this time his office inadvertently neglected to place the due date on the calendar. On March 23rd, he received a phone call from the Pasco County SOE advising him of the late G1 report. He states that he filed shortly after. Mr. Nathe has included attachments regarding each order that was issued during this period of time.

- The 2020 G1 Original Report covers the period from 03/01/20-03/13/20; it was due on 03/20/20.
- The 2020 G1 Report shows that it was filed on 03/23/20.
- Knute J. Nathe reported receiving 15 contributions, while making 3 expenditures.
- The Pasco County Supervisor of Elections does not have any notes that pertain to Mr. Nathe's 2020 G1 report. However, Ms. Angie Guy (Municipal Clerk) did provide an email dated 03/23/20 from Mr. Nathe in response to the fine.

WHEREAS, it is the intent of this order to require each circuit and county court in the State of Florida to fulfill its responsibility to conduct essential proceedings and proceedings critical to the state of emergency or the public health emergency, while suspending other proceedings as necessary to mitigate the effects of such operations on COVID-19 exposure; and

WHEREAS, it is the intent of this order to direct the chief judge of each circuit court to cancel or postpone court proceedings other than essential proceedings and proceedings critical to the state of emergency and public health emergency, unless the chief judge determines that other proceedings or events can be effectively conducted remotely without the necessity of in-person court appearances;

NOW THEREFORE, pursuant to the administrative authority conferred upon me by article V, section 2(b) of the Florida Constitution and Florida Rules of Judicial Administration 2.205(a)(2)(B)(iv) and 2.205(a)(2)(B)(v),

IT IS ORDERED that:

1. All circuit and county courts shall continue to perform essential court proceedings, including but not limited to: first appearance; criminal arraignments as necessary; hearings on motions to set or modify monetary bail for individuals who are in custody; juvenile dependency shelter hearings; juvenile delinquency detention hearings; hearings on petitions for temporary injunctions relating to

safety of an individual; hearings on petitions for risk protection orders; hearings on petitions for the appointment of an emergency temporary guardian; hearings to determine whether an individual should be involuntarily committed under the Baker Act or the Marchman Act; and hearings on petitions for extraordinary writs as necessary to protect constitutional rights.

2. In addition to essential proceedings, all circuit and county courts shall perform, as necessary and applicable, critical proceedings related to the state of emergency or the public health emergency, including but not limited to proceedings related to: violation of quarantine or isolation; violation of orders to limit travel; violation of orders to close public or private buildings; and enforcement of curfew orders.

3. In conducting essential proceedings and proceedings critical to the state of emergency or the public health emergency, circuit and county courts shall employ all methods practicable to minimize risk of COVID-19 exposure to individuals involved in the proceedings or the general public.

4. Nothing in this order limits the ability of the chief judge, consistent with the chief judge's authority and responsibilities under article V, section 2(d) of the Florida Constitution and Rule of Judicial Administration 2.215, to determine that additional proceedings, other than those suspended by Administrative Order No. AOSC20-13, are essential or are critical to the state of emergency or the public

health emergency. However, no proceedings or other court events other than essential proceedings and proceedings critical to the state of emergency or the public health emergency shall be conducted through in-person hearings until such time as the public health emergency is resolved, or as provided by subsequent order.

5. Each chief judge shall review cases and court events and the communications technology resources available to the circuit, each county, and each judge. The chief judge shall issue directives to the judges of the respective circuit and county courts to reschedule, postpone, or cancel all non-essential and non-critical court proceedings and events unless the chief judge determines that such other specific proceedings or events can be effectively conducted remotely using telephonic or other electronic means available in the subject jurisdiction without the necessity of in-person court appearances.

6. This order shall take effect immediately and extends until the close of business on Friday, March 27, 2020, or as provided by subsequent order. The provisions of Administrative Order No. AOSC20-13 remain in force. WHEREAS, as Governor, I am responsible for meeting the dangers presented to this state and its people by this emergency.

NOW, THEREFORE, I, RON DESANTIS, as Governor of Florida, by virtue of the authority vested in me by Article IV, Section (1)(a) of the Florida Constitution, Chapter 252, Florida Statutes, and all other applicable laws, promulgate the following Executive Order to take immediate effect:

Section 1. Because of the foregoing conditions, I declare a state of emergency exists in the State of Florida.

Section 2. I designate the Director of the Division of Emergency Management (“Director”) as the State Coordinating Officer for the duration of this emergency and direct him to execute the State’s Comprehensive Emergency Management Plan and other response, recovery, and mitigation plans necessary to cope with the emergency. Additionally, I designate the State Health Officer and Surgeon General as a Deputy State Coordinating Officer and State Incident Commander.

Pursuant to section 252.36(1)(a), Florida Statutes, I delegate to the State Coordinating Officer the authority to exercise those powers delineated in sections 252.36(5)-(10), Florida Statutes, which he shall exercise as needed to meet this emergency, subject to the limitations of section 252.33, Florida Statutes. In exercising the powers delegated by this Order, the State Coordinating Officer shall confer with the Governor to the fullest extent practicable. The State Coordinating Officer shall also have the authority to:

A. Seek direct assistance and enter into agreements with any and all agencies of the United States Government as may be needed to meet the emergency.

B. Designate additional Deputy State Coordinating Officers, as necessary.

C. Suspend the effect of any statute, rule, or order that would in any way prevent, hinder, or delay any mitigation, response, or recovery action necessary to cope with this emergency.

D. Enter orders as may be needed to implement any of the foregoing powers; however, the requirements of sections 252.46 and 120.54(4), Florida Statutes, do not apply to any such orders issued by the State Coordinating Officer; however, no such order shall remain in effect beyond the expiration of this Executive Order, to include any extension.

Section 3. I order the Adjutant General to activate the Florida National Guard, as needed, to deal with this emergency.

Section 4. I find that the special duties and responsibilities resting upon some State, regional, and local agencies and other governmental bodies in responding to the emergency may require them to suspend the application of the statutes, rules, ordinances, and orders they administer. Therefore, I issue the following authorizations:

A. Pursuant to section 252.36(1)(a), Florida Statutes, the Executive Office of the Governor may suspend all statutes and rules affecting budgeting to the extent necessary to provide budget authority for state agencies to cope with this emergency. The requirements of sections 252.46 and 120.54(4), Florida Statutes, do not apply to any such suspension issued by the Executive Office of the Governor; however, no such suspension shall remain in effect beyond the expiration of this Executive Order, to include any extension.

B. Each State agency may suspend the provisions of any regulatory statute prescribing the procedures for conduct of state business or the orders or rules of that agency, if strict compliance with the provisions of any such statute, order, or rule would in any way prevent, hinder, or delay necessary action in coping with the emergency. This includes, but is not limited to, the authority to suspend any and all statutes, rules, ordinances, or orders which affect leasing, printing, purchasing, travel, and the condition of employment and the compensation of employees. For the purposes of this Executive Order, “necessary action in coping with the emergency” means any emergency mitigation, response, or recovery action: (1) prescribed in the State Comprehensive Emergency Management Plan (“CEMP”); or (2) ordered by the State Coordinating Officer. The requirements of sections 252.46 and 120.54, Florida Statutes, shall not apply to any such suspension issued by a State agency; however, no such suspension shall remain in effect beyond the expiration of this Executive Order, to include any extensions.

C. In accordance with section 465.0275, Florida Statutes, pharmacists may dispense up to a 30-day emergency prescription refill of maintenance medication to persons who reside in an area or county covered under this Executive Order and to emergency personnel who have been activated by their state and local agency but who do not reside in an area or county covered by this Executive Order.

D. In accordance with section 252.38, Florida Statutes, each political subdivision within the State of Florida may waive the procedures and formalities otherwise required of the political subdivision by law pertaining to:

1) Performance of public work and taking whatever prudent action is necessary to ensure the health, safety, and welfare of the community;

2) Entering into contracts; however, political subdivisions are cautioned against entering into time and materials contracts without ceiling as defined by 2 CFR 200.318(j) or cost plus percentage contracts as defined by 2 CFR 200.323(d);

3) Incurring obligations;

4) Employment of permanent and temporary workers;

5) Utilization of volunteer workers;

6) Rental of equipment;

7) Acquisition and distribution, with or without compensation, of supplies, materials, and facilities; and,

8) Appropriation and expenditure of public funds.

E. All State agencies responsible for the use of State buildings and facilities may close such buildings and facilities in those portions of the State affected by this emergency, to the extent necessary to meet this emergency. I direct each State agency to report the closure of any State

building or facility to the Secretary of the Department of Management Services. Under the authority contained in section 252.36, Florida Statutes, I direct each County to report the closure of any building or facility operated or maintained by the County or any political subdivision therein to the Secretary of the Department of Management Services. Furthermore, I direct the Secretary of the Department of Management Services to:

- 1) Maintain an accurate and up-to-date list of all such closures; and,
- 2) Provide that list daily to the State Coordinating Officer.

Section 5. I find that the demands placed upon the funds appropriated to the agencies of the State of Florida and to local agencies are unreasonably great and the funds currently available may be inadequate to pay the costs of coping with this emergency. In accordance with section 252.37(2), Florida Statutes, I direct that sufficient funds be made available, as needed, by transferring and expending moneys appropriated for other purposes, moneys from unappropriated surplus funds, or from the Budget Stabilization Fund.

Section 6. All State agencies entering emergency final orders or other final actions in response to this emergency shall advise the State Coordinating Officer contemporaneously or as soon as practicable.

Section 7. Medical professionals and workers, social workers, and counselors with good and valid professional licenses issued by states other than the State of Florida may render such services in Florida during this emergency for persons affected by this emergency with the condition that such services be rendered to such persons free of charge, and with the further condition that such services be rendered under the auspices of the American Red Cross or the Florida Department of Health.

Section 8. All activities taken by the Director of the Division of Emergency Management and the State Health Officer and Surgeon General with respect to this emergency before the issuance of this Executive Order are ratified. This Executive Order shall expire sixty days from this date unless extended.

IN TESTIMONY WHEREOF, I have hereunto set my hand and caused the Great Seal of the State of Florida to be affixed, at Tallahassee, this 9th day of March, 2020

FLORIDA ELECTIONS COMMISSION
APPEAL FROM NOTICE OF PAYMENT DUE

In the matter of:

**Knute J. Nathe, Candidate for
Dade City Commission, Group 4**

**APPEAL FROM NOTICE OF PAYMENT DUE
DATED MARCH 23, 2020**

NOTICE OF APPEAL

COMES NOW the undersigned, KNUTE J. NATHE, Candidate for Dade City Commission, Group 4 (“the Candidate”), pursuant to section 106.07(8)(c), Florida Statutes, and hereby files this Notice of Appeal from the Notice of Payment Due dated March 23, 2020, from the filing officer for the City of Dade City, and in support thereof states:

1. The nature of the appeal is from a fine imposed pursuant to section 106.07(8), Florida Statutes, concerning the failure to file a financial report on its designated due date.
2. The appealing party’s name, address, email, and telephone number are as follows:
 - a. **Name:** Knute John Nathe, Esquire
 - b. **Address:** 36150 Markree Castle Avenue, Dade City, Florida 33525
 - c. **Email:** k.john.nathe@gmail.com
 - d. **Telephone No.:** (352) 339-5436
3. The filing officer’s name, address, and telephone number are as follows:
 - a. **Name:** Angie Guy, Master Municipal Clerk
 - b. **Address:** 38020 Meridian Avenue, Dade City, Florida 33525
 - c. **Email:** aguy@dadecityfl.com
 - d. **Telephone No.:** (352) 523-5052
4. The following documentation in support of this appeal is filed herewith:
 - a. G-1 Financial Report (Filed March 23, 2020)
 - b. Notice of Payment Due (Dated March 23, 2020)
 - c. City of Dade City Executive Order 2020-01
 - d. City of Dade City Executive Order 2020-02
 - e. Governor’s Executive Order 20-51
 - f. Governor’s Executive Order 20-52
 - g. Florida Supreme Court Administrative Order AOSC20-15

5. Pursuant to section 106.07(8)(c), Florida Statutes, the Candidate presents the following unusual circumstances surrounding the failure to file the requisite financial report on its designated due date:

- a. Beginning in early March 2020, state and local governments throughout the United States began implementing movement restrictions and business closures on their citizens in order to prevent or limit the transmission of the novel coronavirus, and the disease caused thereby, Covid-19.
- b. Pertinent to the Candidate's campaign, on March 9, 2020, Governor Ron DeSantis issued Executive Order 20-52, declaring a state of emergency throughout the State of Florida due to the spread of novel coronavirus thereto and the rise of confirmed cases of Covid-19. Ten days later, the Dade City Commission likewise declared a state of emergency in the City of Dade City due to threat of novel coronavirus.
- c. The Candidate is employed as an attorney at a law firm located in the City of Dade City. The Candidate's Treasurer is also employed at the same law firm as a legal assistant and bookkeeper. As such, pertinent to the Candidate's campaign, on March 17, 2020, the Supreme Court of Florida issued Administrative Order AOSC20-15 that operated to partially shut down the court system in the State of Florida.
- d. In response to the State and City states of emergency, the Supreme Court's administrative order, and in anticipation of a statewide shelter-in-place executive order,¹ the Candidate's employer began implementing measures for the firm's continuation of operations.
- e. During the course of implementing the above measures, the Candidate inadvertently neglected to place the March 20, 2020 designated due date for his G-1 financial report on his calendar. As such, the G-1 financial report was not filed on its designated due date.
- f. On March 23, 2020, at 10:43am, the Candidate received a phone call from the Office of the Pasco County Supervisor of Elections and was informed that his G-1 financial report had not been filed on its designated due date. Immediately thereafter, the Candidate reviewed his campaign's records and completed his G-1 financial report.
- g. The Candidate submitted his G-1 financial report at 12:04pm on March 23, a mere 81 minutes after being informed of the untimeliness of the report. Approximately six hours later, the Candidate received the Notice of Payment Due from the filing officer, which imposed a fine of \$150 upon the Candidate.

¹ Governor DeSantis issued such an order on April 1, 2020.

6. Pursuant to section 106.265(2), Florida Statutes, the Candidate requests that the Commission consider the following circumstances in determining the amount of any civil penalty levied herein:

- a. **Gravity of the Act or Omission.** The omission in question was the failure to timely file the Candidate's G-1 financial report. The omission did not involve any affirmative act on the Candidate's part.
- b. **History of Similar Acts or Omissions.** This is the first time the Candidate failed to timely file a financial report, and this is the Candidate's first appeal to the Commission. The Candidate has no history of violations of Chapter 106, Florida Statutes.
- c. **Appropriateness of Penalty to the Candidate's Financial Resources.** The Candidate is an employee of a small law firm in Dade City, Florida, and has no ownership interest therein. He is the sole income-earning parent in his household, and supports a spouse and three-year-old child. He is responsible for all expenses related to his household, including food, utilities, vehicle and homeowner's insurance, house mortgage, taxes, student loan payments, payments for medical services related to his spouse's current pregnancy, etc. Additionally, on April 1, 2020, Governor DeSantis issued an Executive Order delaying the Dade City municipal elections to an as-yet-undetermined date, and therefore it is unknown as to whether or when the Candidate's campaign will be able to repay the Candidate's loans thereto.
- d. **Whether the Candidate has Shown Good Faith in Attempting to Comply with the Provisions of Chapter 106, Florida Statutes.** The Candidate filed his G-1 financial report 81 minutes after being informed that it was overdue, and has timely filed all other financial reports required by the filing officer. Additionally, the Candidate does not recall receiving a reminder phone call or email from the Office of the Pasco County Supervisor of Elections regarding the designated due date for the Candidate's G-1 financial report.²
- e. **Other Mitigating Circumstances.** The outbreak of the novel coronavirus and the extreme measures taken to combat it contributed to the Candidate's failure to calendar the designated due date for his G-1 financial report. This was compounded by the fact that this is the Candidate's first time running for political office, and thus is the first time the Candidate has had to manage financial reporting requirements and deadlines.

² The Candidate acknowledges that reminder phone calls and emails are purely gratuitous, and only offers this statement in support of his claim that he has shown good faith in complying with the requirements of chapter 106, Florida Statutes. The Office of the Pasco County Supervisor of Elections has sent reminders by telephone call and email to the Candidate regarding other designated due dates for filing financial reports, but did not do so for the G-1 financial report.

7. The Candidate waives his right to a hearing on this matter, but will submit supplemental information for consideration by the Commission upon request.

WHEREFORE the Candidate respectfully requests that the Commission waive the fine imposed by the filing officer's Notice of Payment Due in whole, or, in the alternative, that the Commission waive the fine in part.

CERTIFICATION

I HEREBY CERTIFY that the factual statements in the foregoing Notice are true and accurate to the best of my knowledge and belief. I further certify that I will retain a physical copy of this Notice and the documents filed herewith for the duration of this proceeding, any subsequent appeal or subsequent proceeding in that cause, and that I will produce it upon the request of another party.

Dear Mr. Knathe:

Your campaign treasurer's report that was due no later than Friday, March 20, 2020, was received by the Supervisor of Elections office on Monday, March 23, 2020. Therefore, the report is considered to be three (3) days late.

Pursuant to 106.07(8)(b), Florida Statutes, upon determining that a report is late, the filing officer shall immediately notify the candidate as to failure to file a report by the designated due date and that a fine is being assessed for each late day.

The amount of the fine is \$50 per day for each late day (for the first three days), not to exceed 25% of the total receipts or expenditures, whichever is greater, for the period covered by the late report. Since the report is considered to have been filed 3 days late with contributions totaling \$1243.50, you are fined **\$150.00**.

The fine must be paid to the City of Dade City within 20 days of receipt of this notice unless appealed to the Florida Elections Commission. Please note that as a candidate, the fine is **not an allowable campaign expenditure** and must be **paid from personal funds**.

Section 106.07(8)(c), Florida Statutes, provides for appealing or disputing the assessed fine by submitting a notice of appeal in writing within 20 days of the date of receipt of the notice of late payment due stating any unusual circumstances surrounding the failure to file on the designated due date. A failure to timely file such notice will constitute a waiver of the right of appeal.

Moreover, the notice of appeal must be accompanied by any and all supporting evidence you wish the Commission to consider in making its determination. Examples of such evidence that the Florida Elections Commission will consider are: (1) an affidavit attesting, in specific detail, to timely filing; (2) and affidavit or letter detailing an issue with the electronic filing system used to submit your campaign finance reports to the supervisor; (3) an affidavit or

statement from an attending physician or a hospital bill, setting forth specific dates, if there is a health-related reason as to why your report was not timely filed.

If you fail to submit documentation or evidence demonstrating the unusual circumstances which prevented you from timely filing your report within the 20 days stated above, no documentation or evidence submitted thereafter will be considered by the Florida Elections Commission.

You also have the right to a hearing before the Commission. However, if you desire a hearing before the Commission, you must request such hearing in the notice of appeal within 20 days of receipt of this notice. If no timely request for a hearing is made in your notice of appeal, you will be deemed to have waived your right to a hearing and the Commission's determination shall be based upon written record.

The above-mentioned penalty is not at the discretion of the City Clerk or the City of Port Richey.

Should you have any questions, please call me at your earliest convenience.

Sincerely,

Angie Guy

Subject: 2020-G1 Financial Report

Dear Ms. Guy and Ms. Alligood:

Thank you both for speaking with me today regarding my 2020-G1 financial report. Due to the various professional and personal stresses caused by the continuing Covid-19 pandemic, my office did not calendar this past Friday, March 20, to file a financial report.

As of about an hour ago, I have filed my G1 financial report. I do understand there are certain fines imposed due to a late filing, and under the circumstances I would request information regarding my ability to seek a waiver or appeal of any such fine.

Thank you for your time and attention to this matter, and stay safe!
