NOTICE OF HEARING (AUTOMATIC FINE)

A hearing will be held in this case before the Florida Elections Commission on **February 25, 2014, at 9:00 am, or as soon thereafter as the parties can be heard**, at the following location: **Senate Office Building, Room S-110, 404 South Monroe Street, Tallahassee, FL 32399.**

Failure to appear in accordance with this notice will constitute a waiver of your right to participate in the hearing. Continuances will be granted only upon a showing of good cause.

This hearing will be conducted pursuant to Section 106 25, Florida Statutes, which governs your participation as follows:

If you are the Respondent, you may attend the hearing, and you or your attorney will have *5 minutes* to present your case to the Commission. However, some cases (including those in which consent orders or recommendations for no probable cause are being considered) may be decided by an *en masse* vote and, unless you request to be heard or the Commission requests that your case be considered separately on the day of the hearing, your case will *not* be individually heard.

If you are the Complainant, you may attend the hearing, but you will *not* be permitted to address the Commission. In addition, some cases (including those in which consent orders or recommendations for no probable cause are being considered) may be decided by an *en masse* vote and, unless the Respondent requests to be heard or the Commission requests that the case be considered separately on the day of the hearing, the case will *not* be individually heard.

If you are an Appellant, and you have requested a hearing, you may attend the hearing, and you or your attorney will have *5 minutes* to present your case to the Commission.

Please be advised that both confidential and public cases are scheduled to be heard by the Florida Elections Commission on this date. As an Appellant, Respondent or Complainant in one case, you will *not* be permitted to attend the hearings on other confidential cases.

The Commission will electronically record the meeting. Although the Commission's recording is considered the official record of the hearing, the Respondent may provide, at his own expense, a certified court reporter to also record the hearing.

If you require an accommodation due to a disability, contact Donna Malphurs at (850) 922-4539 or by mail at 107 West Gaines Street, The Collins Building, Suite 224, Tallahassee, Florida 32399, at least 5 days before the hearing.

See further instructions on the reverse side.

Amy McKeever Toman
Executive Director
Florida Elections Commission
February 4, 2014

Please refer to the information below for further instructions related to your particular hearing:

If this is a hearing to consider **an appeal from an automatic fine**, the Filing Officer has imposed a fine on you for your failure to file a campaign treasurer's report on the designated due date and, by filing an appeal, you have asked the Commission to consider either (1) that the report was in fact timely filed; or (2) that there were unusual circumstances that excused the failure to file the report timely. You are required to prove your case. If the Commission finds that the report was filed timely or that there were unusual circumstances that excused the failure, it may waive the fine, in whole or in part. The Commission may reduce a fine after considering the factors in Section 106.265, Florida Statutes. If the Commission finds that the report was not timely filed and there were no unusual circumstances, the fine will be upheld.

If this is a hearing to consider a **consent order before a determination of probable cause has been made**, the Commission will decide whether to accept or reject the consent order. If the Commission accepts the consent order, the case will be closed and become public. If the Commission rejects the consent order or does not make a decision to accept or deny the consent order, the case will remain confidential, unless confidentiality has been waived.

If this is a hearing to consider a **consent order after a determination of probable cause has been made**, the Commission will decide whether to accept or reject the consent order. If the Commission accepts the consent order, the case will be closed. If the Commission rejects the consent order or does not make a decision to accept or deny the consent order, the Respondent will be entitled to another hearing to determine if the Respondent committed the violation(s) alleged.

If this is a **probable cause hearing**, the Commission will decide if there is probable cause to believe that the Respondent committed a violation of Florida's election laws. Respondent should be prepared to explain how the staff in its recommendation incorrectly applied the law to the facts of the case. *Respondent may not testify, call others to testify, or introduce any documentary or other evidence at the probable cause hearing.* The Commission will only decide whether Respondent should be *charged* with a violation and, before the Commission determines whether a violation has occurred or a fine should be imposed, Respondent will have an opportunity for another hearing at which evidence may be introduced.

If this is an **informal hearing**, it will be conducted pursuant Sections 120.569 and 120.57(2), Florida Statutes; Chapter 28 and Commission Rule 2B-1.004, Florida Administrative Code. At the hearing, the Commission will decide whether the Respondent committed the violation(s) charged in the Order of Probable Cause. The Respondent will be permitted to testify. However the Respondent may not call witnesses to testify.

Respondent may argue why the established facts in the Staff Recommendation do not support the violations charged in the Order of Probable Cause. At Respondent's request, the Commission may determine whether Respondent's actions in the case were willful. The Respondent may also address the appropriateness of the recommended fine. If Respondent claims that his limited resources make him unable to pay the statutory fine, *he must provide the Commission with written proof of his financial resources* at the hearing. A financial affidavit form is available from the Commission Clerk.

SUMMARY: William Glover was a candidate for Lee Memorial Health System, District 5 in the 2012 elections Sonya McCarter was his treasurer

Mr Glover is appealing the fine claiming that he experienced issues when attempting to file his paperwork to qualify as a candidate. According to Mr Glover, "I received notice via email on November 3, 2012 that I had not filled out the appropriate Appointment of Treasurer form needed to properly file my campaign funds. Although I had already established a campaign account, I did not realize that I needed to fill out a form until I was notified. I returned the completed form on 11/6/12 and the campaign treasurer packet was sent out via mail on 11/15/12. As you can see the first deadline for filing was 10/5/12 and the last was 11/2/12. We did not receive the treasurer's packet via mail until after 11/15/12 and electronically on 11/20/12. As this was both my own and my treasurer's first campaign, it took her some time to read over and comprehend the correct procedures for filing the information required."

Records from the Lee County SOE's office reflect that Mr Glover qualified, in person, for the Lee Memorial Health System Board of Directors, District 5 on 6/5/12. He also filed an Affidavit of Intent Special District Candidate on 6/5/12 which states that he would not actively campaign for office. It's believed that Mr Glover was issued a candidate packet at this time, which included a "Calendar of Reporting Dates". On 10/5/12, the Lee County SOE's office emailed Mr Glover reminding him that he should not be actively campaigning. On 11/3/12, another email was sent to Mr Glover after the Lee County SOE was notified about Mr Glover erecting numerous campaign signs throughout Lee County. This email reminded him of the requirement to file reports and a DS-DE 9 form if he was actively campaigning. On 11/6/12, Mr Glover responded that he had opened a campaign account and would be filing his DS-DE 9 form. On 11/7/12, Mr Glover filed his official DS-DE 9 form with the Lee County SOE.

- The 2012 G4 Report covers the time period from 10/13/12 through 11/1/12
- Mr Glover reported making 4 expenditures.
- The Lee County SOE does not keep records to complete queued-transactions reports for their respective candidates.

PRIOR CASES: Mr. Glover is involved in two other active cases that will also be appearing before the Commission during this meeting. FEC #13-074 and #13-076 are both automatic fine cases in relation to the untimely filing of his 2012 G2 and G3 campaign treasurer reports.

Dear Commission Clerk Representative:

During the 2012 Lee County Elections, I campaigned for a seat on the Lee Memorial Health System Board of Directors for District 5. I am asking for an appeal on the following automatic fines imposed for failure to file a timely financial report:

- G2 campaign report due 10/05/12 [received 12/04/12] [fine assessed \$262.50]
- G3 campaign report due 10/19/12 [received 12/04/12] [fine assessed \$333.16]
- G4 campaign report due 11/02/12 [received 12/04/12] [fine assessed \$125.68]

Noted above and on copies of the following documents and email correspondence, I received notice via email on November 3, 2012 that I had not filled out the appropriate Appointment of Treasurer form needed to properly file my campaign funds. Although I had already established a campaign account, I did not realize that I needed to fill out a form until I was notified. I returned the completed form on 11/6/2012 and the campaign treasurer packet was sent out via mail on 11/15/12. As you can see the first deadline for filing was 10/05/12 and the last was 11/02/12. We did not receive the treasurer's packet via mail until after 11/15/12 and electronically on 11/20/12. As this was both my own and my treasurer's first campaign, it took her some time to read over and comprehend the correct procedures for filing the information required. I am filing for an appeal based on the unusual circumstances listed under section (g) of the Florida Elections Commissions Rules and Automatic Fine Appeals Procedure:

"Failure of the filing officer to e-mail, telephone, or mail a letter to the candidate, chairman of a political committee, or treasurer of a committee of continuous existence that report is late no later than seven day after the report was due..."

Included are copies of documents and email correspondence sent from the Qualifying Office of Lee County Elections.

Thank you for your consideration and attention to this matter.

Respectfully yours,

Subject: Re: Notice of Fine

Hello Mr. Feliciano,

As the campaign treasurer for William L. Glover, I have received the notice of automatic fines for last years campaign. The letter stated that we could dispute or appeal an automatic fine.

I did not file Mr. Glover's campaign finances until 12/04/12 electronically. By the time that I was declared Mr. Glover's campaign treasurer (I signed the form on 11/6/12) the deadline (11/2/12) had already passed. I did not receive information on what I needed to do as campaign treasurer until the 11/20/12 thru the email below which included the password for the report. This was Mr. Glover's first Lee County campaign and my first time being a campaign treasurer. I called and spoke with Cheryl Futch numerous times to make sure that I had the correct information and was submitting the report correctly once I understood that it was my responsibility. I received a notice stating that I had not submitted the report for 11/2/12-02-04-13 and did so within the time frame given.

Could you please review and give me direction on how to proceed.

Thank you
