Mrs. Willis,

I recently received a "FINAL NOTICE OF INTENT TO CANCEL REGISTRATION" letter due to the fact that \$300 was outstanding from late reports M4 and G2A both in 2018. Please note that I submitted and requested an appeal for both (copy herein attached) and NEVER received any correspondence pertaining to whether the appeals were granted or denied. Please, accept this note as a **REQUEST OF APPEAL** to the final notice of intent to cancel registration as I:

1. Did NOT receive adequate correspondence pertaining to the reports above eligibility for appeal
2. Need additional time to pay fines if the appeals were in fact not granted.

To Whom This May Concern,

I am writing to formally object to the Florida Division of Elections intent to cancel registration for the Black Republican Caucus of Florida. Due to an address change that took place back in May of 2018 it is of our understanding that not all correspondence from the Division of Elections nor the Florida Elections Commission has reached the Black Republican Caucus of Florida. Though the address was updated in the EFS reporting system, we failed to formally inform the Division of Elections or Florida Elections Commission. This failure was not intentional but stems from a lack of having not known that formal written notice should have been submitted to inform the agencies of a formal address change.

Please note the change of address is as follows:

**Formerly:**  
140 South Dixie Highway, Suite 835  
Hollywood, Florida 33020

**Current:**  
P.O. Box 220621  
Hollywood, Florida 33022

Furthermore, because of this address change it has come to our attention that we have also missed correspondence pertaining to the following late reports:

***May 10, 2018 and June 11, 2018***

The campaign treasurer's report that was due on May 10, 2018 was in fact filed on May 15, 2018. Though we have not properly received correspondence via mail it was just brought to our attention that we can see all documents pertaining to our account (65716) online at [dos.myflorida.com](http://dos.myflorida.com). As we are now privy of such information as referred to above we respectfully request an appeal, that the late fines of \$250.00 & \$50.00 be waived.

Humbly Submitted,

  
Sean P. Jackson  
Chairman of the Board

**RE: FINAL NOTICE OF INTENT TO CANCEL REGISTRATION**

Dear Mr. Jackson:

On January 14, 2019 the Division notified you with an Initial Notice of Intent to Cancel Registration. Pursuant to Section 106.03(7), Florida Statutes, and Rule 1S-2.021, Florida Administrative Code, that notice:

- Informed you that the Division intends to cancel the committee's registration for **failure to pay fine(s) in the amount of \$300** imposed for the late filing of the **2018 M4 and 2018 G2A** campaign treasurer's report.
- Asked you to provide documentation showing why the committee's registration should not be canceled.

We did not receive a fine payment from you in the amount of **\$250** for the late filing of the **2018 G2A** report.

Therefore, this letter serves as a Final Notice of Intent to Cancel Registration (Notice). If you object to the cancellation, you must file a request for hearing no later than 30 days of the date of this Notice.

The request for hearing must be filed with the Division of Elections, Bureau of Election Records to the address at the bottom of this letter. Your request will be forwarded to the Florida Elections Commission (FEC). The FEC will conduct a hearing based on your request and any supporting documentation. If you want to personally appear before the FEC, you must state so in your request for a hearing.

Failure to request a hearing constitutes a waiver of your right to a hearing and a final order will be issued cancelling the committee's registration. You may opt to voluntarily terminate your committee's registration within the 30 day period mentioned above.

If you have any questions, please call (850) 245-6280.

Sincerely,

A handwritten signature in black ink that reads "Kristil Reid Willis".

**RE: Case No.: FEC 18-342; Campaign Treasurer's Report due 05-10-18 – 2018 M4**

Dear Mr. Jackson:

The Florida Elections Commission received your letter appealing the fine assessed against **your committee** for failing to timely file a required report. Section 106.07(8)(c), Florida Statutes, provides that the **chairman** may appeal a fine assessed by a filing officer for the late filing of a campaign treasurer's report, but must do so **within 20 days** of the receipt of the fine notice.

It appears that you received final notification of the fine on September 20, 2018; the deadline for appealing the fine was October 10, 2018. Unfortunately, **your appeal notice was not timely filed**, as it was received via email delivery to this office on October 19, 2018. Therefore, we are unable to accept your appeal for this late report.

Please remit your \$250 payment to the filing officer immediately to avoid a complaint being filed requiring entry of a default final order. I urge your immediate attention to this matter.

Sincerely,

*Donna Ann Malphurs*

To Whom This May Concern,

I am writing to formally object to the Florida Division of Elections intent to cancel registration for the Black Republican Caucus of Florida. Due to an address change that took place back in May of 2018 it is of our understanding that not all correspondence from the Division of Elections nor the Florida Elections Commission has reached the Black Republican Caucus of Florida. Though the address was updated in the EFS reporting system, we failed to formally inform the Division of Elections or Florida Elections Commission. This failure was not intentional but stems from a lack of having not known that formal written notice should have been submitted to inform the agencies of a formal address change.

Please note the change of address is as follows:

**Formerly:**  
140 South Dixie Highway, Suite 835  
Hollywood, Florida 33020

**Current:**  
P.O. Box 220621  
Hollywood, Florida 33022

Furthermore, because of this address change it has come to our attention that we have also missed correspondence pertaining to the following late reports:

***May 10, 2018 and June 11, 2018***

The campaign treasurer's report that was due on May 10, 2018 was in fact filed on May 15, 2018. Though we have not properly received correspondence via mail it was just brought to our attention that we can see all documents pertaining to our account (65716) online at [dos.myflorida.com](http://dos.myflorida.com). As we are now privy of such information as referred to above we respectfully request an appeal, that the late fine of \$250.00 be waived.

Humbly Submitted,

  
Sean P. Jackson  
Chairman of the Board

**RE: FINAL NOTICE OF INTENT TO CANCEL REGISTRATION**

Dear Mr. Jackson:

On March 28, 2018 the Division provided you with a Notice of Intent to Cancel Registration pursuant to Section 106.03(7), Florida Statutes, and Rule 1S-2.021, Florida Administrative Code. The notice informed you of the Division's intent to cancel the committee's certification for **failure to maintain a registered office and registered agent as required by Section 106.022, Florida Statutes.**

The notice advised you to provide documentation showing that the committee's certification should not be canceled. The Division did not receive a response to this notification. Accordingly, the Division hereby issues a Final Notice of Intent to Cancel Registration.

If you object to this cancellation you must file a request for hearing within 30 days of the date of this notice. The request must be filed with the Department of State, Division of Elections, Bureau of Election Records, R.A. Gray Building, Room 316, 500 South Bronough Street, Tallahassee, Florida 32399-0250 and will be forwarded to the Florida Elections Commission for a hearing based upon the notice and any supporting documentation. If you desire a personal appearance before the Commission, you must include in your request for hearing a separate request for a personal appearance. Failure to file a request for a hearing constitutes a waiver of your right to a hearing and will cause a final order to be entered canceling the committee's certification.

As stated in the initial notice to you, to avoid an involuntary cancellation, the committee may still submit a notice of termination of the political committee within the 30-day period specified above.

If you have any questions, please call (850) 245-6280.

Sincerely,

Kristi Reid Willis, Chief

DIVISION OF

**IS-2.021 Cancellation of Registration of Political Committees and Electioneering Communications Organizations.**

**(1) Definitions:**

(a) "Limited activity," as used in this rule and Section 106.03(7)(a), F.S., shall have the following meaning:

1. For a political committee, the committee's aggregate reported financial activity in each of two consecutive calendar years is \$500 or less, unless the committee is only registered and required to report as the sponsor of a proposed constitutional amendment by initiative who intended to seek the signatures of registered voters; and,

2. For an electioneering communications organization, the organization's aggregate reported financial activity in each of two consecutive calendar years is \$5,000 or less.

(b) "Most recent address on file" means, as applicable, the last address provided in a written statement of change to the filing officer for the registered agent pursuant to Section 106.022, F.S., or the last address provided to the filing officer for the committee's chairperson or organization's top-ranking official as contained in the statement of organization or in any written statement of change to the statement of organization made pursuant to Section 106.03, F.S.

(2) Conduct warranting cancellation. The filing officer shall initiate the cancellation of the registration of a political committee (hereinafter committee) or an electioneering communications organization (hereinafter organization) for one or more of the following reasons:

(a) The committee or organization fails to maintain a registered office and a registered agent as required by Section 106.022, F.S.;

(b) The committee or organization fails to file the appointment of a successor within 10 days after the death, resignation or removal of its treasurer;

(c) The committee fails to file the appointment of a successor within 10 days after the death, resignation or removal of its chairperson;

(d) The committee or organization fails to file treasurers' reports for more than 6 months;

(e) The committee or organization has limited activity;

(f) The organization fails to file the appointment of a successor within 10 days after the death, resignation or removal of its top-ranking principal officer; or

(g) The committee or organization has an unpaid fine or civil penalty imposed under Chapter 106, F.S., which has become final, meaning all appeals regarding the imposition of the fine or civil penalty have been exhausted or the time for such appeals has passed.

**(3) Cancellation procedures.**

(a) Initial notice of intent to cancel. The filing officer shall notify the committee's chairperson or organization's top-ranking principal officer and its registered agent of the intent to cancel the registration and include the facts and conduct which warrant the intended cancellation. The notice shall be sent to the most recent address on file for both the chairperson or top-ranking principal officer, as applicable, and registered agent. The initial notice shall state that all future notifications regarding cancellation of the committee's or organization's registration shall be sent only to the most recent address on file for the registered agent. The committee or organization has 30 days from the date of the initial notice to provide additional documentation to the filing officer showing that the committee's or organization's registration should not be canceled.

(b) Final notice of intent to cancel. After receiving the documentation under paragraph (a) from the committee or organization or after the 30-day deadline to provide additional information, whichever occurs first, the filing officer shall review all information and determine whether the registration should still be canceled.

1. If the filing officer determines that the registration should not be canceled, then the filing officer shall notify the registered agent at the most recent address on file.

2. If the filing officer determines that the registration should be canceled, then the filing officer shall send a final notice of intent to cancel to the most recent address on file for the registered agent.

(c) Notice returned as undeliverable. If the initial notices of intent to cancel are returned as undeliverable, and the committee or organization's most recent address on file has not changed since the filing officer sent the initial notices, then the filing officer need not send a final notice of intent to cancel and shall instead send the final order of cancellation. If the initial notices of intent to cancel are returned as undeliverable, but the committee or organization's most recent address on file has changed since the filing officer sent the initial notices, then the filing officer will provide an initial notice of the intent to cancel to that updated address; thereafter, the filing officer shall follow the procedures in this rule.

(d) Final order of cancellation. The final order of cancellation shall be sent to the most recent address on file for the registered agent, notwithstanding that the final order may be returned as undeliverable due to previous undelivered notices.

(4) Appeals. Appeal of Final Notice of Intent to Cancel. A committee or organization may appeal a final notice of intent to cancel within 30 days of the date of such final notice. The appeal may be accompanied by any documentation or evidence supporting the claim. The appeal must be filed with the filing officer. The filing officer will forward the appeal to the Florida Elections Commission.

(a) Failure to timely file an appeal shall constitute a waiver of any such entitlement.

(b) A committee or organization desiring a hearing before the Florida Elections Commission must include in the appeal a separate request for hearing.

(c) Appeals to the Florida Elections Commission under this rule are exempt from the confidentiality provisions of Section 106.25, F.S.

## **1S-2.021 Cancellation of Registration of Political Committees and Electioneering Communications Organizations.**

### **(1) Definitions:**

(a) "Limited activity," as used in this rule and section 106.03(7)(a), F.S., shall have the following meaning:

1. For a political committee, the committee's aggregate reported financial activity in each of two consecutive calendar years is \$500 or less, unless the committee is only registered and required to report as the sponsor of a proposed constitutional amendment by initiative who intended to seek the signatures of registered voters; and,

2. For an electioneering communications organization, the organization's aggregate reported financial activity in each of two consecutive calendar years is \$5,000 or less.

(b) "Most recent address on file" means, as applicable, the last address provided in a written statement of change to the filing officer for the registered agent pursuant to section 106.022, F.S., or the last address provided to the filing officer for the committee's chairperson or organization's top-ranking official as contained in the statement of organization or in any written statement of change to the statement of organization made pursuant to section 106.03, F.S.

(2) Conduct warranting cancellation. The filing officer shall initiate the cancellation of the registration of a political committee (hereinafter committee) or an electioneering communications organization (hereinafter organization) for one or more of the following reasons:

(a) The committee or organization fails to maintain a registered office and a registered agent as required by section 106.022, F.S.;

(b) The committee or organization fails to file the appointment of a successor within 10 days after the death, resignation or removal of its treasurer;

(c) The committee fails to file the appointment of a successor within 10 days after the death, resignation or removal of its chairperson;

(d) The committee or organization fails to file treasurers' reports for more than 6 months;

(e) The committee or organization has limited activity;

(f) The organization fails to file the appointment of a successor within 10 days after the death, resignation or removal of its top-ranking principal officer; or

(g) The committee or organization has an unpaid fine or civil penalty imposed under chapter 106, F.S., which has become final, meaning all appeals regarding the imposition of the fine or civil penalty have been exhausted or the time for such appeals has passed.

### **(3) Cancellation procedures.**

(a) Initial notice of intent to cancel. The filing officer shall notify the committee's chairperson or organization's top-ranking principal officer and its registered agent of the intent to cancel the registration and include the facts and conduct which warrant the intended cancellation. The notice shall be sent to the most recent address on file for both the chairperson or top-ranking principal officer, as applicable, and registered agent. The initial notice shall state that all future notifications regarding cancellation of the committee's or organization's registration shall be sent only to the most recent address on file for the registered agent. The committee or organization has 30 days from the date of the initial notice to provide additional documentation to the filing officer showing that the committee's or organization's registration should not be canceled.

(b) Final notice of intent to cancel. After receiving the documentation under paragraph (a), from the committee or organization or after the 30-day deadline to provide additional information, whichever occurs first, the filing officer shall review all information and determine whether the registration should still be canceled.

1. If the filing officer determines that the registration should not be canceled, then the filing officer shall notify the registered agent at the most recent address on file.

2. If the filing officer determines that the registration should be canceled, then the filing officer shall send a final notice of intent to cancel to the most recent address on file for the registered agent.

(c) Notice returned as undeliverable. If the initial notices of intent to cancel are returned as undeliverable, and the committee or organization's most recent address on file has not changed since the filing officer sent the initial notices, then the filing officer need not send a final notice of intent to cancel and shall instead send the final order of cancellation. If the initial notices of intent to cancel are returned as undeliverable, but the committee or organization's most recent address on file has changed since the filing officer sent the initial notices, then the filing officer will provide an initial notice of the intent to cancel to that updated address; thereafter, the filing officer shall follow the procedures in this rule.

(d) Final order of cancellation. The final order of cancellation shall be sent to the most recent address on file for the registered agent, notwithstanding that the final order may be returned as undeliverable due to previous undelivered notices.

(4) Appeals. Appeal of Final Notice of Intent to Cancel. A committee or organization may appeal a final notice of intent to cancel within 30 days of the date of such final notice. The appeal may be accompanied by any documentation or evidence supporting the claim. The appeal must be filed with the filing officer. The filing officer will forward the appeal to the Florida Elections Commission.

(a) Failure to timely file an appeal shall constitute a waiver of any such entitlement.

(b) A committee or organization desiring a hearing before the Florida Elections Commission must include in the appeal a separate request for hearing.

(c) Appeals to the Florida Elections Commission under this rule are exempt from the confidentiality provisions of Section 106.25, F.S.
