If you are the Respondent, you may attend the hearing, and you or your attorney will have *5 minutes* to present your case to the Commission. However, some cases (including those in which consent orders or recommendations for no probable cause are being considered) may be decided by an *en masse* vote and, unless you request to be heard or the Commission requests that your case be considered separately on the day of the hearing, your case will *not* be individually heard.

If you are the Complainant, you may attend the hearing, but you will *not* be permitted to address the Commission. In addition, some cases (including those in which consent orders or recommendations for no probable cause are being considered) may be decided by an *en masse* vote and, unless the Respondent requests to be heard or the Commission requests that the case be considered separately on the day of the hearing, the case will *not* be individually heard.

Executive Director
Florida Elections Commission

Please refer to the information below for further instructions related to your particular hearing:

If this is a hearing to consider **an appeal from an automatic fine**, the Filing Officer has imposed a fine on you for your failure to file a campaign treasurer's report on the designated due date and, by filing an appeal, you have asked the Commission to consider either (1) that the report was in fact timely filed; or (2) that there were unusual circumstances that excused the failure to file the report timely. You are required to prove your case. If the Commission finds that the report was filed timely or that there were unusual circumstances that excused the failure, it may waive the fine, in whole or in part. The Commission may reduce a fine after considering the factors in Section 106.265, Florida Statutes. If the Commission finds that the report was not timely filed and there were no unusual circumstances, the fine will be upheld.

If this is a hearing to consider a **consent order before a determination of probable cause has been made**, the Commission will decide whether to accept or reject the consent order. If the Commission accepts the consent order, the case will be closed and become public. If the Commission rejects the consent order or does not make a decision to accept or deny the consent order, the case will remain confidential, unless confidentiality has been waived.

If this is a hearing to consider a **consent order after a determination of probable cause has been made**, the Commission will decide whether to accept or reject the consent order. If the Commission accepts the consent order, the case will be closed. If the Commission rejects the consent order or does not make a decision to accept or deny the consent order, the Respondent will be entitled to another hearing to determine if the Respondent committed the violation(s) alleged.

If this is a **probable cause hearing**, the Commission will decide if there is probable cause to believe that the Respondent committed a violation of Florida's election laws. Respondent should be prepared to explain how the staff in its recommendation incorrectly applied the law to the facts of the case. *Respondent may not testify, call others to testify, or introduce any documentary or other evidence at the probable cause hearing.* The Commission will only decide whether Respondent should be *charged* with a violation and, before the Commission determines whether a violation has occurred or a fine should be imposed, Respondent will have an opportunity for another hearing at which evidence may be introduced.

If this is an **informal hearing**, it will be conducted pursuant Sections 120.569 and 120.57(2), Florida Statutes; Chapter 28 and Commission Rule 2B-1.004, Florida Administrative Code. At the hearing, the Commission will decide whether the Respondent committed the violation(s) charged in the Order of Probable Cause. The Respondent will be permitted to testify. However, the Respondent may not call witnesses to testify.

Respondent may argue why the established facts in the Staff Recommendation do not support the violations charged in the Order of Probable Cause. At Respondent's request, the Commission may determine whether Respondent's actions in the case were willful. The Respondent may also address the appropriateness of the recommended fine. If Respondent claims that his limited resources make him unable to pay the statutory fine, *he must provide the Commission with written proof of his financial resources* at the hearing. A financial affidavit form is available from the Commission Clerk.

Case No.: FEC 18-493

STAFF RECOMMENDATION FOLLOWING INVESTIGATION

Pursuant to Section 106.25(4)(c), Florida Statutes, undersigned staff counsel files this written recommendation for disposition of the complaint in this case recommending that there is **probable cause** to charge Respondent with violating **Sections 106.07(2)(b)1, and 106.09(1)(b), Florida Statutes**. Based upon a thorough review of the Report of Investigation submitted on March 6, 2020, the following facts and law support this staff recommendation.

1. On December 20, 2018, the Florida Elections Commission (“Commission”) received a referral from the Division of Elections (“Division”) alleging Kyle C. Gibson (“Respondent”) violated Chapter 106, Florida Statutes.

2. Respondent was a candidate for Governor in the 2018 election. Respondent was not a first-time candidate. Respondent's initial Appointment of Campaign Treasurer and Designation of Campaign Depository for Candidates form (“DS-DE 9”) was filed with the Division on September 25, 2014 (ROI Exhibit 2, page 1)¹ Respondent filed a second DS-DE 9 on July 7, 2017. (ROI Exhibit 2, page 2)

- 2018 P1

Section 106.09(1)(b), Florida Statutes: Respondent, a 2018 candidate for the office of Governor, accepted one or more cash contributions in excess of the \$50 per campaign limit, as alleged in the complaint.

¹ The Report of Investigation shall be referred to herein as “ROI.”

4. By letter dated September 26, 2014, Kristi Reid Bronson, Chief, Bureau of Election Records, Division of Elections, notified Respondent that his name had been placed on the 2018 active candidate list. The letter advised Respondent that all candidates who file reports with the Division are required to use the Division's Electronic Filing System ("EFS") and provided Respondent with a user identification number and initial password to access the EFS. (ROI Exhibit 3, page 1)²

5. Ms. Bronson's September 26, 2014 letter further advised Respondent that all the Division's publications and reporting forms were available on the Division's website and directed Respondent to print a copy of Chapters 104 and 106, Florida Statutes, the *2014 Candidate and Campaign Treasurer Handbook*, and the *2014 Calendar of Reporting Dates* as well as other documents. (ROI Exhibit 3, page 3)

Section 106.07(2)(b)1., Florida Statutes.

6. The referral alleged that Respondent failed to provide missing information on campaign reports and failed to file amended reports within seven days of receiving notice from the filing officer.

2018 M5 Report.

7. Respondent's 2018 M5 Report covering the dates of May 1, 2018, through May 31, 2018, was due on June 11, 2018. (ROI Exhibit 4) Respondent timely filed his 2018 M5 Report but it was incomplete. (ROI Exhibit 8, page 1; ROI Exhibit 15; and Attachment A)

(ROI Exhibit 5; and Attachment A, page 1)³

9. On July 20, 2018, the Division sent notification to Respondent that his 2018 M5 Report was incomplete. (ROI Exhibit 11, pages 1 and 3-11) The Division's August 15, 2018 letter was confirmed delivered on August 17, 2018. (ROI Exhibit 11, page 2)

16. As of April 27, 2010, Respondent has failed to file correct the errors identified by the Division and file an amended 2018 P1 Report reflecting the corrections. (Attachment B)

18. Respondent allegedly accepted a cash contribution in excess of the \$50 limit.

19. Respondent reported accepting a May 16, 2018 \$100 cash contribution from Timothy Burke on his 2018 M5 Report. (ROI Exhibit 15, page 2, sequence 57) The \$100 contribution was made by cashier's check. (ROI Exhibit 16, page 3) The maximum contribution

a candidate may accept by cashier's check is \$50.⁴ Based on Investigator Ayres's investigation, Respondent did not refund the amount of the contribution that exceeded the legal limit. (ROI Exhibit 16 and ROI ¶14)

20. Based on the information above, it appears Respondent may have accepted a cash contribution by cashier's check in excess of the \$50 legal limit.

21. On February 20, 2020, Investigator Ayres attempted to call Respondent two times. The first time Investigator Ayres attempted to reach Respondent the call went directly to an unidentified voice mailbox. Investigator Ayres left a message requesting Respondent to return the call. (ROI Exhibit 12, Phone Log Entry 1)⁵

22. The second time Investigator Ayres called Respondent the call went to a voice mailbox that had a generic greeting. Investigator Ayres left a message requesting Respondent to return the phone call, which Respondent failed to do. (ROI Exhibit 12, Phone Log Entry 2)

23. On February 26, 2020, Investigator Ayres attempted to call Respondent; however, no one answered the phone. Investigator Ayres left a voice message requesting Respondent to return the phone call at his earliest convenience, which Respondent failed to do. (ROI Exhibit 12, Phone Log Entry 3)

24. "Probable Cause" is defined as a reasonable ground of suspicion supported by circumstances sufficiently strong to warrant a cautious [investigator] in the belief that the person has committed the offense charged. *Schmitt v. State*, 590 So.2d 404, 409 (Fla. 1991). Probable cause exists where the facts and circumstances, of which an [investigator] has reasonably trustworthy information, are sufficient in themselves for a reasonable man to reach the conclusion that an offense has been committed. *Department of Highway Safety and Motor Vehicles v. Favino*, 667 So.2d 305, 309 (Fla. 1st DCA 1995).

25. The above facts show that Respondent was a candidate for Governor in the 2018 election. Respondent was not a first-time candidate. Respondent timely filed his 2018 M5 Report, but it was incomplete. On June 13, 2018, July 20, 2018, and December 5, 2018, the Division notified Respondent that his 2018 M5 Report was incomplete and Respondent had seven days from receipt of the notice to correct the errors, provide the missing information on the attached Error Report, and file an amended 2018 M5 Report. As of April 27, Respondent has failed to correct the information identified by the Division and file an amended 2018 M5 Report.

26. The above facts also show that Respondent timely filed his 2018 P1 Report, but it was incomplete. On July 3, 2018, August 1, 2018 and August 15, 2018, the Division notified Respondent that his 2018 P1 Report was incomplete, and Respondent had seven days from receipt of the notice to correct the errors, provide the missing information on the attached Error

Report, and file an amended 2018 P1 Report. As of April 27, 2020, Respondent has failed to correct the errors identified by the Division and file an amended 2018 P1 Report.

27. Additionally, the above facts show that on or about May 16, 2018, Respondent accepted a cash contribution by cashier's check in excess of the \$50 legal limit.

Based on the foregoing, I recommend the Commission find probable cause to charge Respondent with the following violation:

Count 1:

On or about December 24, 2018, Respondent violated Section 106.07(2)(b)1., Florida Statutes, when Respondent failed to timely provide the missing information identified by the Division and file an amended 2018 M5 Report reflecting the correct information.

Count 2:

On or about August 24, 2018, Respondent violated Section 106.07(2)(b)1., Florida Statutes, when Respondent failed to timely provide the missing information identified by the Division and file an amended 2018 P1 Report reflecting the correct information.

Count 3:

On or about May 16, 2018, Respondent violated Section 106.09(1)(b), Florida Statutes, when Respondent accepted a cash contribution, in the form of a cashier's check, in excess of the \$50 legal limit.

FLORIDA ELECTIONS COMMISSION
REPORT OF INVESTIGATION
Case No.: FEC 18-493

Respondent: Kyle C. Gibson

Complainant: Division of Elections

On December 20, 2018, the Florida Elections Commission (“Commission”) received a referral from the Division of Elections (“Division”) alleging that Respondent violated Chapter 106, Florida Statutes. Commission staff investigated whether Respondent violated the following statute(s):

Section 106.07(2)(b)1, Florida Statutes, failure to timely make necessary amendments to the 2018 M5 and 2018 P1 Campaign Treasurer Reports (“CTR”); and

Section 106.09(1)(b), Florida Statutes, may have accepted one or more cash contributions in excess of the aggregate amount of \$50 per contributor, per election.

I. Preliminary Information:

1. Respondent was a candidate for the Office of Governor in the 2018 election. He was defeated in the general election held on November 6, 2018. Respondent has a history of running for office; he ran for Governor in the 2014 election, and State Representative, District 93, in the 1996 and 1998 elections.

2. Respondent’s filing officer was the Division.

3. Respondent filed a Statement of Candidate (“DS-DE 84”) and his Appointment of Campaign Treasurer and Designation of Campaign Depository for Candidates (“DS-DE 9”) on September 25, 2014 with the Division. Respondent signed the DS-DE 84 acknowledging he had been provided access to read and understand the requirements of Chapter 106, Florida Statutes. Respondent appointed himself as Campaign Treasurer on the DS-DE 9. On July 7, 2017 Respondent filed an updated DS-DE 9 with the Division. Refer to Exhibit 1 for the DS-DE 84 and refer to Exhibit 2 for the 2014 and 2017 DS-DE 9 forms.

4. The Division sent a letter of acknowledgement to Respondent on September 26, 2014 explaining where to find publications and materials concerning Chapter 106, Florida Statutes, and the *Candidate and Campaign Treasurer Handbook*. Furthermore, the letter of acknowledgement explained that Respondent was on the 2018 active candidate list. Respondent was advised within the acknowledgement letter that, **“It is your responsibility to read, understand, and follow the requirements of Florida’s elections laws.”** Refer to Exhibit 3 for

the acknowledgement letter from The Division and refer to Exhibit 4 for the Calendar of Reporting Dates for Statewide Candidates for the 2018 election.

II. Alleged Violation of Section 106.07(2)(b)1, Florida Statutes:

5. I investigated whether Respondent violated this section of the election laws by failing to make timely and necessary amendments to his 2018 M5 and 2018 P1 Campaign Treasurer Report ("CTR"), after receiving notice from the Division.

6. The referral alleged Respondent failed to amend his 2018 M5 and 2018 P1 CTR.

7. Respondent was notified by the Division three times to amend and file his 2018 M5 CTR. The 2018 M5 report covered May 1, 2018 to May 31, 2018 and was due June 11, 2018. Respondent filed his 2018 M5 on June 11, 2018. On June 13, 2018 and July 20, 2018, the Division mailed Respondent the first and second audit letters, respectively, explaining the amendments that were required for the 2018 M5 CTR. On December 5, 2018, the Division mailed Respondent a final letter notifying Respondent that the 2018 M5 was incomplete and needed amending. The final letter was confirmed delivered on December 17, 2018. Refer to Exhibits 5, 6 and 7 respectively, for the first, second and final audit notification letter with the final letter's delivery confirmation. Refer to Exhibit 8 for Respondent's filing history.

8. Respondent was notified by the Division three times to amend and file his 2018 P1 CTR. The 2018 P1 report covered June 1, 2018 to June 22, 2018 and was due June 29, 2018. Respondent filed his 2018 P1 on June 29, 2018. On July 3, 2018 and August 1, 2018, the Division mailed Respondent the first and second audit letters, respectively, explaining the amendments that were required for the 2018 P1 CTR. On August 15, 2018, the Division mailed Respondent a final letter notifying Respondent that the 2018 P1 was incomplete and needed amending. The final letter was confirmed delivered on August 17, 2018. Refer to Exhibits 9, 10 and 11 respectively, for the first, second and final audit notification letter with the final letter's delivery confirmation.

9. Respondent was sent an affidavit, but Respondent did not return the affidavit. All attempts to contact Respondent via phone were unsuccessful. Refer to Exhibit 12 for the investigation phone log.

10. According to Respondent's filing officer, as of writing this report, Respondent has not correctly amended his 2018 M5 CTR or his 2018 P1 CTR. Refer to Exhibit 13 for email correspondence from Respondent's filing officer. Refer to Exhibit 14 for the *Candidate and Campaign Treasurer's Handbook*, 2016, Chapter 16: Filing Campaign Reports.

III. Alleged Violation of Section 106.09(1)(b), Florida Statutes:

11. I investigated whether Respondent violated this section of the election laws by accepting an aggregate cash or cashier's check contribution exceeding \$50.00 per contributor per election.

12. The referral alleged Respondent accepted and deposited an excessive cash or cashier's check contribution.

13. Respondent reported one excessive cash contribution in the amount of \$100.00 from Timothy Burke on May 16, 2018. This contribution occurred in the 2018 M5 CTR. No refund to the contributor of the excessive portion of the contribution was found in later CTRs reported by Respondent, and no record of a refund by check was found in the campaign account records. Refer to Exhibit 15 for the relevant part of the 2018 M5 CTR.

14. Respondent's bank, Centennial Bank, was subpoenaed. The contribution from Timothy Burke was deposited on May 17, 2018. The contribution was in the form of a cashier's check. Respondent failed to refund the excessive contribution. Chapter 10 of the *2016 Candidate and Campaign Treasurer's Handbook* stated, "A candidate may not accept an aggregate cash contribution or contribution by means of a cashier's checks from the same contributor in excess of \$50.00 per election." Refer to Exhibit 16 for the cashier's check image and Respondent's campaign depository records for the 2018 M5 reporting period. Refer to Exhibit 17 for the *Candidate and Campaign Treasurer's Handbook*, 2016, Chapter 10: Contributions.

15. Refer to paragraph 9 for attempted contact with Respondent.

IV. FEC History:

16. Respondent has 20 prior cases filed against him with the Commission, refer to table 1 for Respondent's history with the Commission:

For candidates that file with the Division, see the "Reporting Dates Calendar" at:

<http://dos.myflorida.com/elections/forms-publications/publications/>

An individual seeking a publicly elected position on a political party executive committee who receives a contribution or makes an expenditure must file a single report of all contributions and expenditures on the 4th day immediately preceding the primary election. (See Chapter 18, Reporting for Individuals Seeking a Publicly Elected Position on a Party Executive Committee.)

Unless the electronic filing requirements of Section 106.0705, Florida Statutes, apply, reports shall be filed no later than 5 p.m. of the day designated. A report postmarked by the U.S. Postal Service no later than midnight of the day designated is deemed timely filed. A report received by the filing officer within 5 days after the designated due date that was delivered by the U.S. Postal Service is deemed timely filed unless it has a postmark indicating the report was mailed after the designated due date. A certificate of mailing obtained from and dated by the U.S. Postal Service at the time of mailing or a receipt from an established courier company, which bears a date on or before the date on which the report is due, is proof of mailing in a timely manner. Reports filed with the Division through the Electronic Filing System (EFS) are due no later than midnight, Eastern Time, of the due date.

(Sections 106.07, 106.0705
and 106.141, F.S.)

Penalty for Late Filing

Any candidate failing to file a report on the designated due date shall be subject to a fine of \$50 per day for the first three days late and, thereafter, \$500 per day for each late day, not to exceed 25 percent of the total receipts or expenditures, whichever is

greater, for the period covered by the late report. However, for the reports immediately preceding the primary and general election, the fine shall be \$500 per day for each late day, not to exceed 25 percent of the total receipts or expenditures, whichever is greater, for the period covered by the late report. For a candidate's termination report, the fine shall be \$50 per day for each late day, not to exceed 25 percent of the total receipts or expenditures, whichever is greater for the period covered by the late report. All fines must be paid from the candidate's **personal funds** – not campaign funds.

(Section 106.07(2) and (8), F.S.)

Notice of No Activity

In any reporting period during which a candidate has not received funds or made any expenditures, the filing of the required report for that period is waived. **However, the candidate must notify the filing officer in writing on or before the prescribed reporting date that no report is being filed on that date.** (A notice of no activity filed with the Division must be filed electronically using the EFS.) The next report filed must specify that the report covers the entire period between the last submitted report and the report being filed.

(Section 106.07, F.S.)

Incomplete Reports

If a campaign treasurer files a report that is deemed incomplete, it shall be accepted on a conditional basis. The campaign treasurer will be notified by the filing officer as to why the report is incomplete. The campaign

treasurer must file an addendum to the incomplete report within seven days of notification. The addendum must include all necessary information to complete the report.

(Section 106.07(2), F.S.)

Reporting Total Sums

Each campaign treasurer's report required by Chapter 106, F.S., shall contain the total sums of all loans, in-kind contributions, and other receipts by or for such candidate, and total sums of all expenditures made by such candidate during the reporting period. The reporting forms shall be designed to elicit separate totals for in-kind contributions, loans, and other receipts.

(Section 106.07, F.S.)

Reporting Contributions

Each report must contain:

- Full name, address, specific occupation, amount, and date of each person making a contribution. Reports must provide as clear a description as practicable of the principal type of business conducted for corporations contributing. **The principal type of business or the occupations are not required if the contribution is \$100 or less, or from a relative provided the relationship is reported.**
- Name, address, amount, and date of each political committee making any transfer of funds.
- Full name, address, specific occupation, principal place of business of the lender

and endorser, date and amount of each loan.

- Statement of each contribution, rebate, refund, or other receipts not listed in 1. through 3. above.

(Sections 106.07(4) and 112.312(21), F.S.)

Returning Contributions

Contributions *must be returned* to the contributor *if*:

- A candidate receives a contribution in excess of the limitations provided by law.
- A candidate with opposition in an election receives a contribution on the day of that election or less than five days prior to the date of that election.
- A candidate receives a contribution once he or she is elected, defeated, becomes unopposed, or withdraws his or her candidacy.

If the contribution to be returned has not been deposited into the campaign account, report the contribution as a contribution returned using form DS-DE 02.

If the contribution has been deposited into the campaign account:

- Report the contribution; and
- Write a check from the campaign account to the contributor for the amount of the contribution and report this on the itemized contribution report using the contribution type "Refund."

This amount is reported as a negative. The candidate may also wish to submit a written explanation to the filing officer.

(Section 106.08, F.S.)

Reporting Expenditures

Each report must contain:

- Full name and address of each person to whom expenditures have been made along with the amount, date, and clear purpose of the expenditure. Name, address, and office sought by each candidate on whose behalf such expenditure was made.
- Full name and address of each person to whom an expenditure for personal services, salary or reimbursed authorized expenses was made along with the amount, date, and clear purpose of the expenditure.
- Total amount withdrawn and the total amount spent from the petty cash fund. Each expenditure from the petty cash fund need not be individually reported but complete records of petty cash expenditures must be kept.
- Transaction information for each credit card purchase. Credit cards may be used by statewide (Governor, Cabinet and Supreme Court Justice) candidates only. (See *Division of Elections Opinion 05-07.*)
- Amount and nature of debts and obligations owed by or to the candidate, which relate to the conduct of any political campaign.

- The amount and nature of any separate interest-bearing accounts or certificates of deposit. Identification of the financial institution in which such accounts or certificates of deposit are located must be identified.

- The primary purposes of an expenditure made indirectly through a campaign treasurer for goods and services such as communications media placement or procurement services, campaign signs, insurance, and other expenditures that include multiple components as part of the expenditure. The primary purpose of an expenditure shall be that purpose, including integral and directly related components, that comprises 80 percent of such expenditure.

- Total sum of expenditures during the reporting period.

(Section 106.07, F.S.)

Special Requirements for Judicial Retention Candidates

A candidate for retention as a Justice of the Supreme Court or a Judge of a District Court of Appeal who has not received any contributions or made any expenditures, may file a sworn statement on Form DS-DE 96, Affidavit of Intention, at the time of qualifying that he or she does not anticipate receiving contributions or making expenditures in connection with his or her candidacy for retention to office.

Such candidate must file a final report within 90 days following the general election for which the candidate's name appeared on the ballot for retention. The candidate may

use Form DS-DE 97, Affidavit of Compliance, for this purpose.

A candidate for retention to judicial office who, after filing Form DS-DE 96 receives any contributions or makes any expenditures in connection with his or her candidacy for retention must immediately file a statement to that effect with the qualifying officer and must begin filing reports as an opposed candidate pursuant to Section 106.07, F.S.

(Sections 105.08(2) and 106.141, F.S.)

Chapter 10: Contributions

A contribution is:

- A gift, subscription, conveyance, deposit, loan, payment or distribution of money or anything of value made for the purpose of influencing the results of an election or making an electioneering communication. These include contributions in-kind, having an attributable monetary value in any form;
- A transfer of funds between political committees, between electioneering communications organizations, or between any combination of these groups;
- The payment, by any person other than a candidate, of compensation for the personal services of another person which are rendered to a candidate without charge to the candidate for such services; or
- The transfer of funds by a campaign treasurer or deputy campaign treasurer between a primary depository and a separate interest-bearing account or certificate of deposit. The term includes any interest earned on such account or certificate.

The exceptions are:

- Services provided without compensation by individuals volunteering a portion or all of their time on behalf of a candidate including, but not limited to, legal and accounting services;
- Editorial endorsements.

IMPORTANT: The law provides no exceptions for reporting contribution information, regardless of the size of the contribution (e.g., the reporting requirements would be the same for a 50 cent contribution as for a \$500 contribution).

(Section 106.011(5), F.S.)

Unauthorized Contributions

Any contribution received by a candidate with opposition in an election or by the campaign treasurer or deputy campaign treasurer **on the day of that election or less than five days prior to the day of the election** must be returned to the contributor and may not be used or expended by or on behalf of the candidate.

(Section 106.08(3), F.S.)

Anonymous Contributions

When a candidate receives an anonymous contribution it must be reported on the candidate's campaign treasurer's report as an anonymous contribution. A letter should be submitted to the filing officer explaining the circumstances surrounding the acceptance of the anonymous contribution.

The candidate cannot spend the anonymous contribution, but at the end of the campaign can donate the amount to an appropriate entity under Section 106.141, F.S.

(Division of Elections Opinion 89-02)

In-Kind Contributions

In-kind contributions are anything of value made for the purpose of influencing the results of an election.

The exceptions are:

- Money;
- Personal services provided without compensation by individual volunteers;
- Independent expenditures, as defined in Section 106.011(5), F.S.; or
- Endorsements of three or more candidates by affiliated party committees or political parties.

*(Section 106.011, F.S.;
and Division of Elections Opinion 04-06)*

Any person who makes an in-kind contribution shall, at the time of making the contribution, place a fair market value on the contribution. In-kind contributions are subject to contribution limitations. Travel conveyed upon private aircraft shall be valued at the actual cost of per person commercial air travel for the same or a substantially similar route.

*(Section 106.055, F.S.,
and Division of Elections Opinion 09-08)*

Loans

Loans are considered contributions and are subject to contribution limitations. Loans to or from each person or political committee must be reported together with names, addresses, occupations, and principal places of business, if any, of the lenders and

endorsers, including the date and amount of each loan on the campaign treasurer's report.

Loans made by a candidate to his or her own campaign are not subject to contribution limitations. A candidate who makes a loan to his or her campaign and reports the loan as required by Section 106.07, F.S. may be reimbursed for the loan at any time the campaign account has sufficient funds to repay the loan and satisfy its other obligations.

All personal loans exceeding \$500 in value, made to a candidate and used for campaign purposes and made in the twelve months preceding his or her election to office, must be reported on **Forms DS-DE 73 and 73A, Campaign Loans Report**, and filed with the filing officer within ten days after being elected to office.

Any person who makes a contribution to pay all or part of a loan incurred in the twelve months preceding the election, to be used for the campaign, may not contribute more than the amount allowed in Section 106.08(1), F.S.

*(Sections 106.011, 106.07
and 106.075, F.S.)*

Cash Contributions

A candidate may not accept an aggregate cash contribution or contribution by means of a cashier's check from the same contributor in excess of \$50 per election. A money order or traveler's check is not considered cash.

IMPORTANT: Cash contributions must be

reported on campaign treasurer's reports to include the full name and address of each person who gave a cash contribution during the reporting period, together with the amount and date of such cash contribution.

(Sections 106.07(4) and 106.09, F.S., and Division of Elections Opinion 90-15.)

Debit and Credit Card Contributions

A candidate may accept contributions via a credit card or debit card. These contributions are categorized as a "check" for reporting purposes.

(Division of Elections Opinions 94-02 and 00-03)

Contribution Limits for Candidates

IMPORTANT: Except for political parties or affiliated party committees, no person or political committee may make contributions in excess of: (1) \$3,000 to a candidate for statewide office or for retention as a justice of the Supreme Court. Candidates for the offices of Governor and Lieutenant Governor on the same ticket are considered a single candidate for the purpose of this section; (2) \$1,000 to a candidate for retention as a judge of a district court of appeal; a candidate for legislative office; a candidate for multicounty office; a candidate for county-wide office or in any election conducted on less than a countywide basis; or a candidate for county court judge or circuit judge. The primary and general elections are separate elections. (See *Glossary for the definition of "person."*)

(Section 106.08(1)(a) F.S.)

These limits do not apply to contributions made by a state or county executive committee of a political party or affiliated party committee regulated by Chapter 103, F.S., or to amounts contributed by a candidate to his own campaign. The contribution limits do not apply to individuals seeking election to a political party executive committee because they are not "candidates."

A candidate may **not**:

- Accept contributions until Form DS-DE 9, Appointment of Campaign Treasurer and Designation of Campaign Depository for Candidates, is filed with the filing officer;
- Accept a contribution in excess of the above limits from any one person per election, provided the candidate is an opposed candidate and the contribution is received within the timeframe applicable to each election;
- Accept contributions from family members in excess of the above limits per election;
- Accept contributions from a county executive committee of a political party whose contributions in the aggregate exceed \$50,000, or from the national or state executive committees of a political party, including any subordinate committee of such political party or affiliated party committees, who contributions in the aggregate exceed \$50,000. Polling services, research services, cost for campaign staff, professional consulting services, and

telephone calls are not contributions to be counted toward the contribution limits, but must still be reported by the candidate. All other contributions are counted toward the contribution limits;

- A candidate for statewide (Governor, Cabinet and Supreme Court Justice) office may not accept contributions from a national, state, or county executive committee of a political party, including any subordinate committee of a national, state, or county committee of a political party, or affiliated party committee, which contributions in the aggregate exceed \$250,000; or
- Accept contributions after the date he or she withdraws his or her candidacy, is defeated, becomes unopposed or is elected.

(Sections 106.08 and 106.19, F.S.)

Foreign Contributions

Federal law prohibits contributions from foreign nationals to any federal, state, or local candidate, unless the foreign national possesses a green card. Further information can be accessed by contacting the Federal Election Commission at 1-800-424-9530 or on their website at <http://www.fec.gov>.

Violations

Any candidate, campaign manager, campaign treasurer, or deputy treasurer of any candidate, agent or person acting on behalf of any candidate, or other person who knowingly and willfully:

- Accepts a contribution in excess of the limits prescribed by Section 106.08, F.S.;
- Fails to report any contribution required to be reported by Chapter 106, F.S.;
- Falsely reports or deliberately fails to include any information required by Chapter 106, F.S.; or
- Makes or authorizes any expenditure in violation of Section 106.11(4), F.S., or any other expenditure prohibited by Chapter 106, F.S.; is guilty of a misdemeanor of the first degree, punishable as provided in Section 775.082 or Section 775.083, F.S.

(Section 106.19, F.S.)

2016 Deadlines for Accepting Contributions

Any contribution received by a candidate with opposition in an election, or the campaign treasurer or deputy campaign treasurer, **on the day of that election or less than five days prior to the day of that election** must be returned to the contributor. It may not be used or expended by or on behalf of the candidate.

RE: Case No.: FEC 18-493; Respondent: Kyle Gibson

Dear Mr. Gibson:

On December 20, 2019, the Florida Elections Commission received a complaint alleging that you violated Florida's election laws. I have reviewed the complaint and find that it contains one or more **legally sufficient allegations**. The Commission staff will investigate the following alleged violations:

Section 106.07(2)(b)1., Florida Statutes: Respondent, a 2018 candidate for the office of Governor, acting as his own treasurer, failed to timely make necessary amendments to the following campaign treasurer reports, as alleged in the complaint:

- 2018 M5
- 2018 P1

Section 106.09(1)(b), Florida Statutes: Respondent, a 2018 candidate for the office of Governor, accepted one or more cash contributions in excess of the \$50 per campaign limit, as alleged in the complaint.

When we conclude the investigation, a copy of the Report of Investigation (ROI) will be mailed to you at the above address. Based on the results of the investigation, a staff attorney will make a written recommendation (Staff Recommendation or SR) to the Commission as to whether there is probable cause to charge respondent with violating Chapters 104 or 106, Florida Statutes. You will have an opportunity to respond to both the ROI and the SR. The Commission will then hold one or more hearings to determine whether the alleged violations occurred and, if so, the amount of the fine to be imposed. You and the complainant will receive notice at least 14 days before any hearing at which your case is to be considered.

Also, please remember that complaints, Commission investigations, investigative reports, and other documents relating to an alleged violation of Chapters 104 or 106, Florida Statutes, are **confidential** until the Commission finds probable cause or no probable cause.
