General Counsel for Executive Director
Florida Elections Commission

Please refer to the information below for further instructions related to your particular hearing:

If this is a hearing to consider **an appeal from an automatic fine**, the Filing Officer has imposed a fine on you for your failure to file a campaign treasurer's report on the designated due date and, by filing an appeal, you have asked the Commission to consider either (1) that the report was in fact timely filed; or (2) that there were unusual circumstances that excused the failure to file the report timely. You are required to prove your case. If the Commission finds that the report was filed timely or that there were unusual circumstances that excused the failure, it may waive the fine, in whole or in part. The Commission may reduce a fine after considering the factors in Section 106.265, Florida Statutes. If the Commission finds that the report was not timely filed and there were no unusual circumstances, the fine will be upheld.

If this is a hearing to consider a **consent order before a determination of probable cause has been made**, the Commission will decide whether to accept or reject the consent order. If the Commission accepts the consent order, the case will be closed and become public. If the Commission rejects the consent order or does not make a decision to accept or deny the consent order, the case will remain confidential, unless confidentiality has been waived.

If this is a hearing to consider a **consent order after a determination of probable cause has been made**, the Commission will decide whether to accept or reject the consent order. If the Commission accepts the consent order, the case will be closed. If the Commission rejects the consent order or does not make a decision to accept or deny the consent order, the Respondent will be entitled to another hearing to determine if the Respondent committed the violation(s) alleged.

If this is a **probable cause hearing**, the Commission will decide if there is probable cause to believe that the Respondent committed a violation of Florida's election laws. Respondent should be prepared to explain how the staff in its recommendation incorrectly applied the law to the facts of the case. *Respondent may not testify, call others to testify, or introduce any documentary or other evidence at the probable cause hearing.* The Commission will only decide whether Respondent should be *charged* with a violation and, before the Commission determines whether a violation has occurred or a fine should be imposed, Respondent will have an opportunity for another hearing at which evidence may be introduced.

If this is an **informal hearing**, it will be conducted pursuant Sections 120.569 and 120.57(2), Florida Statutes; Chapter 28 and Commission Rule 2B-1.004, Florida Administrative Code. At the hearing, the Commission will decide whether the Respondent committed the violation(s) charged in the Order of Probable Cause. The Respondent will be permitted to testify. However, the Respondent may not call witnesses to testify.

Respondent may argue why the established facts in the Staff Recommendation do not support the violations charged in the Order of Probable Cause. At Respondent's request, the Commission may determine whether Respondent's actions in the case were willful. The Respondent may also address the appropriateness of the recommended fine. If Respondent claims that his limited resources make him unable to pay the statutory fine, *he must provide the Commission with written proof of his financial resources* at the hearing. A financial affidavit form is available from the Commission Clerk.

In Re: Kyle Chaderwick Gibson

Case No.: FEC 18-072

STAFF RECOMMENDATION FOLLOWING INVESTIGATION

Pursuant to Section 106.25(4)(c), Florida Statutes, undersigned counsel files this written recommendation for disposition of the referral in this case recommending that there is **probable cause** to charge Respondent with violating **Section 106.07(2)(b)1., Florida Statutes**. Based upon a thorough review of the Report of Investigation submitted on June 6, 2018, the following facts and law support this staff recommendation:

1. On March 7, 2018, the Florida Elections Commission ("Commission") received a referral from the Division of Elections ("Division") alleging Kyle Chaderwick Gibson ("Respondent") violated Chapter 106, Florida Statutes.

2. Respondent is a 2018 candidate for the office of Governor, acting as his own treasurer. An Appointment of Campaign Treasurer and Designation of Campaign Depository for Candidates form ("DS-DE 9") appointing Respondent as his own treasurer was filed with the Division on September 25, 2014. An updated DS-DE 9 was filed on July 7, 2017, in which Respondent was again designated as his own treasurer. (ROI Exhibit 1)¹

3. By letter dated April 24, 2018, the Executive Director notified Respondent that Commission staff would investigate the following statutory provision:

Section 106.07(2)(b)1., Florida Statutes: Respondent, a 2018 candidate for Governor, acting as his own treasurer, failed to timely make necessary amendments to the following campaign treasurer reports, as alleged in the complaint: 2015 M11, 2016 M1, 2017 M3, 2017 M7, 2017 M8, 2017 M9, 2017 M11, and 2017 M12.

4. By letter dated September 26, 2014, Kristi Reid Bronson, Division of Elections, Chief, Bureau of Election Records, notified Respondent that his DS-DE 9 was filed with the Division on September 25, 2014. The letter also contained a security envelope containing Respondent's confidential PIN number to access the Division's electronic filing system. (ROI Exhibit 2)

5. Ms. Bronson's September 26, 2014, letter also informed Respondent that all of the Division's publications and reporting forms were available on the Division's website, including

¹ The Report of Investigation shall be referred to herein as "ROI."

Chapters 104 and 106, Florida Statutes, the *Candidate and Campaign Treasurer Handbook*, and the *Calendar of Reporting Dates*. The letter notified Respondent that it was his responsibility to read, understand, and follow the requirements of Florida's election laws. (*Id.*)

6. On September 25, 2014, Respondent filed a Statement of Candidate with the Division in which he acknowledged that he had been provided access to read and understand the requirements of Chapter 106, Florida Statutes. (ROI Exhibit 7)

7. On January 17, 2018, and January 31, 2018, the Division sent Respondent a letter notifying him that the following campaign treasurer reports were incomplete and that Respondent had seven days to correct the errors or provide the missing information noted in the attached error reports: 2015 M11, 2016 M1, 2017 M3, 2017 M7, 2017 M8, 2017 M9, 2017 M11, and 2017 M12. ~~The letter dated January 17, 2018, also stated that if the information was reported accurately,~~ Respondent should provide a written explanation to the Division addressing the issues noted in the error report attached to the notification letter. (ROI Exhibit 3 and Exhibit 4)

8. On February 15, 2018, the Division sent Respondent a letter marked Final Notice notifying Respondent that the following campaign treasurer reports were incomplete and that Respondent had seven days to correct the errors or provide the missing information noted in the attached error report: 2015 M11, 2016 M1, 2017 M3, 2017 M7, 2017 M8, 2017 M9, 2017 M11, and 2017 M12. The letter also stated that if the information was reported accurately, Respondent should provide a written explanation to the Division addressing the issues noted in the error report attached to the notification letter. The February 15, 2018, letter was confirmed delivered on February 20, 2018.² (ROI Exhibit 5)

9. The Division confirmed via email dated June 4, 2018, that none of the reports had been corrected. (ROI Exhibit 6)

10. Respondent was given multiple opportunities to respond to Commission staff's investigation, but failed to do so.

11. The Commission is barred from further investigating Respondent's alleged failure to timely amend the campaign's 2015 M11, 2016 M1, and 2017 M9 reports because those issues have been investigated in three referrals filed by the Division prior to the instant case; specifically, FEC 16-157 (2016 M1), FEC 17-276 (2015 M11), and FEC 17-436 (2017 M9). The report entries specified in the instant referral that required amendment were present on each of those three reports when each of the respective, prior referrals was filed with the Commission. Therefore, amendment issues concerning those report entries could have been made part of the prior complaints. Pursuant to Section 106.25(2), Florida Statutes, if a complainant fails to allege all violations that arise from the facts or allegations alleged in a complaint, the Commission shall be barred from investigating

² The Final Notice was mailed to the primary address listed on Respondent's updated DS-DE 9. However, an apparent typo in the address field included the ZIP code of Respondent's secondary address, which is 33359. Regardless, a review of the delivery confirmation information from USPS indicates that it was delivered to the correct ZIP code for the primary address, which is 33334. It is thus reasonable to conclude that delivery to the primary address was effective on February 20, 2018, despite the ZIP code typo. (ROI Exhibit 1, page 3; and Exhibit 5, pages 1 & 14)

a subsequent complaint from such complainant that is based upon such facts or allegations that were raised or could have been raised in the first complaint.

12. Section 106.07(2)(b)1., Florida Statutes, requires that, within seven days of receipt of notification from the filing officer that a report is incomplete and requires amendment, a treasurer must file an addendum to the report providing all information necessary to complete the report.

13. Based upon the information above, it appears that Respondent failed to file amended reports for the following campaign treasurer reports correcting all the errors identified by the Division within seven days of receiving notice from the filing officer that the reports were incomplete: 2017 M3, 2017 M7, 2017 M8, 2017 M11, and 2017 M12.

14. "Probable Cause" is defined as a reasonable grounds of suspicion supported by circumstances sufficiently strong to warrant a cautious person in the belief that the person has committed the offense charged. *Schmitt v. State*, 590 So.2d 404, 409 (Fla. 1991). Probable cause exists where the facts and circumstances, of which an [investigator] has reasonably trustworthy information, are sufficient in themselves for a reasonable man to reach the conclusion that an offense has been committed. *Department of Highway Safety and Motor Vehicles v. Favino*, 667 So.2d 305, 309 (Fla. 1st DCA 1995).

15. The above facts show that Respondent is a 2018 candidate for the office of Governor and is acting as his own treasurer. The following campaign treasurer reports were filed incomplete: 2017 M3, 2017 M7, 2017 M8, 2017 M11, and 2017 M12. The Division sent letters on January 17, 2018, January 31, 2018, and February 15, 2018, notifying Respondent that the reports were incomplete and that Respondent had seven days from receipt of the letters to correct the errors noted in the attached error reports and file amended reports. The facts further show that none of the reports at issue was satisfactorily amended as of June 4, 2018. Additionally, for reasons specified above, the Commission is barred from further investigating allegations that Respondent failed to timely file amended 2015 M11, 2016 M1, and 2017 M9 reports.

Based upon these facts and circumstances, I recommend that the Commission find **probable cause** to charge Respondent with the following:

Count 1:

On or about February 27, 2018, Respondent violated Section 106.07(2)(b)1., Florida Statutes, when Respondent failed to file an addendum to the campaign's 2017 M3 report correcting the errors identified by the Division within seven days of receiving notice from the filing officer that the report was incomplete.

Count 2:

On or about February 27, 2018, Respondent violated Section 106.07(2)(b)1., Florida Statutes, when Respondent failed to file an addendum to the campaign's 2017 M7 report correcting the errors

identified by the Division within seven days of receiving notice from the filing officer that the report was incomplete.

Count 3:

On or about February 27, 2018, Respondent violated Section 106.07(2)(b)1., Florida Statutes, when Respondent failed to file an addendum to the campaign's 2017 M8 report correcting the errors identified by the Division within seven days of receiving notice from the filing officer that the report was incomplete.

Count 4:

On or about February 27, 2018, Respondent violated Section 106.07(2)(b)1., Florida Statutes, when Respondent failed to file an addendum to the campaign's 2017 M11 report correcting the errors identified by the Division within seven days of receiving notice from the filing officer that the report was incomplete.

Count 5:

On or about February 27, 2018, Respondent violated Section 106.07(2)(b)1., Florida Statutes, when Respondent failed to file an addendum to the campaign's 2017 M12 report correcting the errors identified by the Division within seven days of receiving notice from the filing officer that the report was incomplete.

Respectfully submitted on June 21, 2018,

Cole H. Kekelis
Assistant General Counsel

Dear Mr. Gibson:

This will acknowledge receipt of the Appointment of Campaign Treasurer and Designation of Campaign Depository for the office of Governor, which was placed on file in our office on September 25, 2014. Your name has been placed on the 2018 active candidate list.

Campaign Treasurer's Reports

Pin Numbers

Pin numbers are confidential secure credentials that allow you to submit reports and update personal information. The enclosed sealed envelope contains your confidential pin numbers.

~~Each candidate is required to provide the Division of Elections with confidential personal information that may be used to allow access in the event that password is forgotten or lost. When you enter the campaign account screen, there will be a drop down box where you pick a question (such as *What is your mother's maiden name?*) and supply an answer. All passwords and answers to questions are stored as encrypted data and cannot be viewed by Division staff and given out over the phone. Please notify the Division if your credentials have been compromised.~~

Timely Filing

All reports filed must be completed and filed through the EFS no later than midnight, Eastern Standard Time, of the due date. Reports not filed by midnight of the due date are late filed and subject to the penalties in Section 106.07(8), Florida Statutes. In the event that the EFS is inoperable on the due date, the report will be accepted as timely filed if filed no later than midnight of the first business day the EFS becomes operable. No fine will be levied during the period the EFS was inoperable.

Any candidate failing to file a report on the designated due date shall be subject to a fine of \$50 per day for the first 3 days late and, thereafter, \$500 per day for each late day, not to exceed 25% of the total receipts or expenditures, whichever is greater, for the period covered by the late report. However, for reports immediately preceding each primary and general election, the fine shall be \$500 per day for each late day, not to exceed 25% of the total receipts or expenditures, whichever is greater, for the period covered by the late report.

Electronic Receipts

The person submitting the report on the EFS will be issued an electronic receipt indicating and verifying the report was filed. RE: Case No.: FEC 18-072; Respondent: Kyle Chaderwick Gibson

Dear Mr. Gibson:

On March 7, 2018, the Florida Elections Commission received a complaint alleging that you violated Florida's election laws. I have reviewed the complaint and find that it contains one or more **legally sufficient allegations**. The Commission staff will investigate the following alleged violations:

Section 106.07(2)(b)1., Florida Statutes: Respondent, a 2018 candidate for Governor, failed to timely make necessary amendments to the following campaign treasurer reports, as alleged in the complaint:

- 2015 M11
- 2016 M1
- 2017 M3
- 2017 M7
- 2017 M8
- 2017 M9
- 2017 M11
- 2017 M12

When we conclude the investigation, a copy of the Report of Investigation (ROI) will be mailed to you at the above address. Based on the results of the investigation, a staff attorney will make a written recommendation (Staff Recommendation or SR) to the Commission as to whether there is probable cause to charge respondent with violating Chapters 104 or 106, Florida Statutes. You will have an opportunity to respond to both the ROI and the SR. The Commission will then hold one or more hearings to determine whether the alleged violations occurred and, if so, the amount

of the fine to be imposed. You and the complainant will receive notice at least 14 days before any hearing at which your case is to be considered.

Please note that all documents related to this matter will be mailed to the above address unless you **notify us of a new address**. Also, please remember that complaints, Commission investigations, investigative reports, and other documents relating to an alleged violation of Chapters 104 or 106, Florida Statutes, are **confidential** until the Commission finds probable cause or no probable cause.

For additional information, please refer to the "Frequently Asked Questions" section of the Commission's website (www.fec.state.fl.us).

If you have additional questions, please contact **Samantha Spore**, the investigator assigned to this case at extension 110.
