Case No.: FEC 16-587

TO: Richard Paul Dembinsky
748 Renegade Lane
Port Orange, FL 32127

Division of Elections
500 S Bronough Street, Room 316
Tallahassee, FL 32399

NOTICE OF HEARING (INFORMAL HEARING)

A hearing will be held in this case before the Florida Elections Commission on, **August 16, 2017 at 8:30 am, or as soon thereafter as the parties can be heard**, at the following location: **Senate Office Building, 404 South Monroe Street, Room 110-S, Tallahassee, Florida 32399**

Failure to appear in accordance with this notice will constitute a waiver of your right to participate in the hearing. Continuances will be granted only upon a showing of good cause.

This hearing will be conducted pursuant to Section 106.25, Florida Statutes, which governs your participation as follows:

If you are the Respondent, you may attend the hearing, and you or your attorney will have *5 minutes* to present your case to the Commission. However, some cases (including those in which consent orders or recommendations for no probable cause are being considered) may be decided by an *en masse* vote and, unless you request to be heard or the Commission requests that your case be considered separately on the day of the hearing, your case will *not* be individually heard.

If you are the Complainant, you may attend the hearing, but you will *not* be permitted to address the Commission. In addition, some cases (including those in which consent orders or recommendations for no probable cause are being considered) may be decided by an *en masse* vote and, unless the Respondent requests to be heard or the Commission requests that the case be considered separately on the day of the hearing, the case will *not* be individually heard.

If you are an Appellant, and you have requested a hearing, you may attend the hearing, and you or your attorney will have *5 minutes* to present your case to the Commission.

Please be advised that both confidential and public cases are scheduled to be heard by the Florida Elections Commission on this date. As an Appellant, Respondent or Complainant in one case, you will *not* be permitted to attend the hearings on other confidential cases.

The Commission will electronically record the meeting. Although the Commission's recording is considered the official record of the hearing, the Respondent may provide, at his own expense, a certified court reporter to also record the hearing.

If you require an accommodation due to a disability, contact Donna Ann Malphurs at (850) 922-4539 or by mail at 107 West Gaines Street, The Collins Building, Suite 224, Tallahassee, Florida 32399, at least 5 days before the hearing.

See further instructions on the reverse side.

Amy McKeever Toman
Executive Director
Florida Elections Commission
August 1, 2017

Please refer to the information below for further instructions related to your particular hearing:

If this is a hearing to consider **an appeal from an automatic fine**, the Filing Officer has imposed a fine on you for your failure to file a campaign treasurer's report on the designated due date and, by filing an appeal, you have asked the Commission to consider either (1) that the report was in fact timely filed; or (2) that there were unusual circumstances that excused the failure to file the report timely. You are required to prove your case. If the Commission finds that the report was filed timely or that there were unusual circumstances that excused the failure, it may waive the fine, in whole or in part. The Commission may reduce a fine after considering the factors in Section 106.265, Florida Statutes. If the Commission finds that the report was not timely filed and there were no unusual circumstances, the fine will be upheld.

If this is a hearing to consider a **consent order before a determination of probable cause has been made**, the Commission will decide whether to accept or reject the consent order. If the Commission accepts the consent order, the case will be closed and become public. If the Commission rejects the consent order or does not make a decision to accept or deny the consent order, the case will remain confidential, unless confidentiality has been waived.

If this is a hearing to consider a **consent order after a determination of probable cause has been made**, the Commission will decide whether to accept or reject the consent order. If the Commission accepts the consent order, the case will be closed. If the Commission rejects the consent order or does not make a decision to accept or deny the consent order, the Respondent will be entitled to another hearing to determine if the Respondent committed the violation(s) alleged.

If this is a **probable cause hearing**, the Commission will decide if there is probable cause to believe that the Respondent committed a violation of Florida's election laws. Respondent should be prepared to explain how the staff in its recommendation incorrectly applied the law to the facts of the case. *Respondent may not testify, call others to testify, or introduce any documentary or other evidence at the probable cause hearing.* The Commission will only decide whether Respondent should be *charged* with a violation and, before the Commission determines whether a violation has occurred or a fine should be imposed, Respondent will have an opportunity for another hearing at which evidence may be introduced.

If this is an **informal hearing**, it will be conducted pursuant Sections 120.569 and 120.57(2), Florida Statutes; Chapter 28 and Commission Rule 2B-1.004, Florida Administrative Code. At the hearing, the Commission will decide whether the Respondent committed the violation(s) charged in the Order of Probable Cause. The Respondent will be permitted to testify. However, the Respondent may not call witnesses to testify.

Respondent may argue why the established facts in the Staff Recommendation do not support the violations charged in the Order of Probable Cause. At Respondent's request, the Commission may determine whether Respondent's actions in the case were willful. The Respondent may also address the appropriateness of the recommended fine. If Respondent claims that his limited resources make him unable to pay the statutory fine, *he must provide the Commission with written proof of his financial resources* at the hearing. A financial affidavit form is available from the Commission Clerk.

This is Richard Paul Dembinsky; please vote to REPEAL Chapter 106

Ray,

I wish you the best, but the Division of Elections I am sure will sooner or later hit you with fines.

I was a candidate for 8 days in May 2016, when I got the password I filed a Termination Report..

zero contributions and zero expenditures

that was about 15th of May 2016,,,,,the I get this 7 day notice letter dated July 28, 2016....it was about 10th of Augustwe were at our summer home in Tecumseh, Michigan all summer until November.

Conclusion....the Division of Elections filed a complaintwith the Florida Elections Commission....now I have ONE COUNT and I am appealing it...long distance.

I could get a \$1000 fine.

I am on the war path....with the Division of Elections and will finally get my fine in August 2017.

Note while I have been on the ballot about 9 times....the Division of Elections is now operated such to make it very rough if YOU are late filing a report.

WHEN you get elected....call for the budget of the Division of Elections to be cut and the budget of FEC to be cut.

The DoE is not printing manuals as it did in the past, the DoE website is not helpful to avoid fines....previously they would email a candidate when a report was due...and also a green card would arrive just before the deadline.

The fines have increased at the request of the DoE.

Enough is Enough

The following statements within Florida Chapter 106 is presented to those who want to demonstrate that the action taken by Division of Elections on Candidate (May 2016) FEC 16-587 is so UNFAIR that there should be a separate hearing BEFORE THE COURT OF PUBLIC OPINION (Compliant against Kristi R. Bronson).

IT IS CLEAR THAT KRISTI R. BRONSON IS MAKING THE WRONG LEGAL APPROACH TO HER COMPLIANCE WITH THE PROVISION OF CHAPTER 106.

THE LEGISLATIVE INTENT PARAGRAPH CLEARLY WARNS THOSE LIKE KRISTI R. BRONSON TO NOT PREVENT SOMEONE FROM BEING ON THE BALLOT OR SHOULD A PERSON DECIDE NO LONGER TO BE A CANDIDATE AND FILE A TERMINATION REPORT IN 8 DAYS OF PRESENTING IN ERROR QUALIFYING PAPERWORK THE FLORIDA

ELECTIONS COMMISSION SHOULD HAVE RETURN THE FILE COMPLIANT REQUESTING FACTUAL INFORMATION.

.....

106.31 Legislative intent.—The Legislature finds that the costs of running an effective campaign for statewide office have reached a level which tends to discourage persons from becoming candidates and to limit the persons who run for such office to those who are independently wealthy, who are supported by political committees representing special interests which are able to generate substantial campaign contributions, or who must appeal to special interest groups for campaign contributions. The Legislature further finds that campaign contributions generated by such political committees are having a disproportionate impact vis-a-vis contributions from unaffiliated individuals, which leads to the misperception of government officials unduly influenced by those special interests to the detriment of the public interest. Furthermore, it is the intent of the Legislature that the purpose of public campaign financing is to make candidates more responsive to the voters of the State of Florida and as insulated as possible from special interest groups. The Legislature intends ss. 106.30-106.36 to alleviate these factors, dispel the misperception, and encourage qualified persons to seek statewide elective office who would not, or could not otherwise do so and to protect the effective competition by a candidate who uses public funding.

History.—s. 1, ch. 86-276; s. 67, ch. 2001-40.

.....

WHILE THIS SECTION ONLY GENERALLY EXPLAINS HOW DIFFICULT IT IS FOR AN INDIVIDUAL TO FULLY COMPLY AND PAY UNREASONABLE FINES IT CLEARLY SHOWS THAT A PROBLEM COULD EXIST.

.....

106.265 Civil Penalties

(2)(c)

The appropriateness of such penalty to the resources of the individual..

(2) (a)

The gravity of the act or omission.

(2)(b)

Any previous history of similar acts or omission.

106.0702 (6)

Notwithstanding any other provision of this chapter the filing of the required report is waived if the reporting has not received contributions or expended reportable funds.

.....

The Division of Elections continues to violate 106.07 2 (e)

The filing officer shall prove each candidate with a schedule designating the beginning and end of reporting periods as well as the corresponding designated due dates.

.....

106.22 Duties of the Division of Elections.

(2) Prepare and publish manuals or brochures.

(7)(c)

A reporting individual may appeal or dispute the fine, based upon but not limited to unusual circumstances.

I will not tolerate the Division of Elections (Kristi R. Bronson) to forever have on the records of the State of Florida the WRONGLY ISSUED ONE COUNT AND SHOULD I RECEIVE ANOTHER PIECE OF PAPER FROM THE FLORIDA ELECTIONS COMMISSION THAT CONTINUES THIS OVER YEAR ABUSE I WILL MAKE IT VERY CLEAR THAT I WON WHEN IT IS ALL OVER.

SIGNED
RICHARD PAUL DEMBINSKY

CONCERNING ONLY THE 8 DAY CAMPAIGN IN MAY 2016, TERMINATION REPORT FILED

AS SOON AS PASSWORD ARRIVED....I HAVE BEEN FOREVER HURT BY KRISTI R. BRONSON'S FILED COMPLAINT TO THE FEC. NO AMEND WAS NECESSARY NO ONE WAS HURT BY MY FILING A TERMINATION REPORT IMMEDIATELY UPON THE DIVISION OF ELECTIONS CANCELING MY QUALIFYING CHECK.

FOR THE FLORIDA ELECTIONS COMMISSION NOT TO RESOLVE THIS MATTER DURING THE APPEAL OF AUGUST 2017 WOULD BE CONSIDERED AN ACT OF WAR.

Mr. Fensterwald a moment ago asked that I stop emailing him. I cannot believe I have sent him more than a few emails about my current fight with the Division of Elections and the Florida Elections Commission.

I find it strange that Mr. Fensterwald who apparently has decided to challenge YOU Mr. Hooper for State Senate District 16 is so blind or afraid of issues.

I am a registered democrat and have been for a few years; I have never been able to beat Dorothy Hukill from Port Orange. I have been a candidate of 9 times or more.

YOU Mr. Fensterwald have a very steep climb being a Democrat especially since YOU refuse to communicate with other citizens.

Well it still is a free country so Mr. Fensterwald just make my email mails go to your Spam folder.
Simple

AS a citizen of Florida I believe I have the RIGHT to email YOU Mr. Fensterwald, but if I could learn how to delete your name from my substantial contact list I would.

The Division of Elections computer gave bad information to those at the Division of Elections , the DOE filed a complaint using the bad computer information.

1. I filed a Termination Report within 10 days of being a candidate because I did not have the access to the year long campaign reporting internet resolved at our Michigan Summer Home.
2. Months later the Division of Elections sent Me a letter dated July 28, 2016 that I must Amend the Termination Report of May 2016.
3. There was NO way to list the name and address of a contributor because there was NONE. Zero contributions and Zero expenditures

PLEASE look at the July 28, 2016 letter and see if YOU can determine why the DOE is abusing me now over a year since the May 2016 to early filing qualifying paperwork

THE LANGUAGE ON BOB WHITE'S WEBSITE SUGGESTS HE COULD SUPPORT THE REVIEW OF THE IMPACT OF FLORIDA CHAPTER 106.

This message to those Republicans who are interested in electing someone that will DO WHAT THE PEOPLE of Florida need....REVIEW what Chapter 106 is doing to keep those in Tallahassee in POWER without regards to the common people.

SO BY THIS EMAIL I WANT TO EXPRESS MY TRUE AND COMPLETE RESPECT OF THE VIEWS OF BOB WHITE.....EVEN THOUGH I AM A REGISTERED DEMOCRAT. I LOOK FORWARD TO PROMOTING BOB WHITE FOR GOVERNOR.

MR. WHITE IF YOU HAVE TIME PULL THE FEC FILE ON 16-587....AND SEE HOW A CANDIDATE WITH ONLY 8 DAYS BEING A CANDIDATE IS BEING ABUSED BY THE DIVISION OF ELECTIONS AND FLORIDA ELECTIONS COMMISSION.

MOVE TO CUT THE BUDGET OF FLORIDA ELECTIONS COMMISSION AND FORCE THE DIVISION OF ELECTIONS TO WORK MORE CLOSELY WITH CANDIDATES TO AVOID HAVING TO FILE COMPLAINTS TO THE FEC.

I was a candidate in May 2016 for 8 days; zero contributions and zero expendituresC

Division of Election failed to look at the computer generated report.

and Now I have ONE COUNT against me caused by the FACT that the Division of Elections is using the Florida Elections Commission to ABUSE candidates.

If you could write a story at TampaBay.com feel free to call me 386 314 3646....we are at our summer home in Tecumseh Michigan until November 2117.

Case No. 16-587 Richard Paul Dembinsky

Candidates are being Abused by the Division and Elections and the Florida Elections Department, and I am working with others to have the complete statute REPEALED (Florida Chapter 106 Campaign Finance)

I have contacted an attorney however he is retired and tired of facing the unjust Florida Elections Commission;

My next action will be know by many.

So do your research and be on top of this story come November 2017.

Thanks Again for your past help.

P.S. don't be confused I did finally get internet service and details worked out to run for State Senate District 14....73,300 votes without campaigning....in fact we were in our Tecumseh Michigan summer home until November 2016.

This is my 9th time for running for office; it is a civics lesson, but what I have found is very criminal. The Division of Elections files Complaints and the Rubber stamp people of The Florida Elections Commission finds that a crime was occurred; and then the filing agent of the Division of Elections establishes the fine amountduring August 2017 over a year and 1/2 from the "crime" I will get my Fine amount.

I guarantee to ALL I will NEVER pay the fine....it is not per Florida Chapter 106it must be factual and match the "crime".

I would greatly APPRECIATE YOU BEING UP FRONT AND HONEST 16-587

Good Afternoon:

Please don't take this the WRONG way but I need to know in order to decide how to proceed to CLEAN my name

Since YOU were the Investigator for my "Crime" during May 2016, I trust you will advise me of the foundation of your background.

Questions:

1. Did you ever work for the Republican Party for any candidate?

2. Did you ever work at the Division of Elections in Tallahassee or know their staff on a personal level?
3. Did YOU personally go to the Division of Elections to review the actual complaint with Staff at the Division of Elections
4. Did YOU have more than one discussion about Complaint 16-587 with the Division of Elections via telephone or email?

You are hereby put on notice that I am not going to allow this to go unchallenged.

The Termination Report I filed in May 2016 was complete and I received my first notice in Early August 2016 when I received the July 28, 2016 letter from the Division of Elections.

I will NOT stop until this matter is RESOLVED.

Unfortunately for me I will be in Michigan until early November 2017, but I want you to know I will be protesting the findings of the Florida Elections Commission and it will not be pretty.

**Thanks a million for understanding
why I am determined to clear my
name.**

Good Afternoon; I sure would appreciate if you could advise the Honorable Representative Bell, of my current situation and determination to gain support for

REPEAL CHAPTER 106 , Campaign Finance.

Without boring you.....with details.....just say the computer found me Guilty of One Count of not Amending a TERMINATION REPORT.

I was a candidate for about 8 days. I had zero

contributions and zero expenditures yet the Division of Elections found time to (3 months after the actual Terminate Report was filed) to Decide that it needed to be amended to show WHO GAVE ME ZERO AND WHAT THEIR ADDRESS WAS.

I AM DETERMINED TO TEACH THE DIVISION OF ELECTIONS A LESSON.

I WANT YOU TO JOIN ME IN THIS EFFORT.

I CAN PROVE THAT FLORIDA CHAPTER 106 IS UNFAIR AND UNREASONABLE AND LIKELY UNCONSTITUTIONAL.

NO WAY SHOULD I HAVE GOTTEN A COUNT ONE FOR THIS COMPUTER GENERATED COMPLAINT.

JOIN ME IN CALLING FOR THE REPEAL OF THE COMPLETE AND TOTAL CHAPTER 106, CAMPAIGN FINANCE.

Honorable

Ken Detzner

Secretary of State Florida

.....

Mr. Detzner

I am sorry it has come to this but UNLESS you can somehow resolve this "Computer complaint by the Division of Elections filed against and wrongly supported by The initial findings of The Florida Elections Commission (FEC 16 - 587)

Giving my name a ONE Count ruling by the FEC concerning my Termination Report completed a few days after my 8 day campaign for State Senate District 14 (May 2016);

I have been a candidate for at least 9 offices in the State of Florida and each time I have learned from the experience.

onballot.com

whocareshalloffame.com

It is up to you to simply solve this computer generated crime; I had zero contributions and zero expenditures in May 2016 (I never accept contributions); Yet the Division of Elections

attorney GARY HOLLAND has retired and so I cannot use him as my defense.

I accidentally submitted my qualifying paperwork in a month too soon and I had not even worked out how I was going to file monthly reports from our Michigan Summer home. I had decided in May 2016 I could not meet the stringent calendar for reports. I was in email communication with Gary Holland, I informed him even before I got my password...that I could not proceed with the risk of fines for being late in filing campaign reports.

As I read Florida Chapter 106 there are justifications for not filing a complaint against a candidate but the Division of Elections failed to take the correct path.

Florida Chapter 106

Please explore when you get elected.....REPEALING 106.

...

I am tired of the Abuse given by Division of Elections....

they file complaints to the Florida Elections Commission then after a period of time....the filing agent of the Division of Elections establishes the fine.(s) WOW WHAT A TERRIBLE IDEA. CHAPTER 106 DOES REQUIRE THE FINE TO CONSIDER THE ABILITY OF THE CANDIDATE TO PAY THE FINE.

I was a candidate for 8 days....May 2016....still waiting for the final action by the FEC and formulation of the fine.

I have been charged wrongly with ONE COUNT....the Division of Elections demanded I

Amend my Termination Report.

I had zero contributions and zero expenditures....yet the computer demanded I give the name and address of same.

I GUARANTEE THAT THE DIVISION OF ELECTIONS WILL NEVER FOR GET ME.

I HAVE SENT NOVEMBER 2017 AS THE START OF MY CAMPAIGN TO REPEAL FLORIDA CHAPTER 106.

I WILL FIRST GET A PUBLIC RECORDS REPORT ON WHETHER THE "INVESTIGATOR" AT FLORIDA ELECTIONS COMMISSION WAS A FORMER EMPLOYEE OF THE DIVISION OF ELECTIONS.

SEEMS STRANGE HOW QUICKLY THE FLORIDA ELECTIONS COMMISSION INVESTIGATOR PROCEEDED TO MAKE ME A CRIMINAL.

I JUST WONDER IF THE INVESTIGATOR WENT TO THE DIVISION OF ELECTIONS TO CREATE THE NASTY REPORT ON MY ACTIONS.

The FEC investigator for my case was brand new at her job so I will eventually determine if she failed to proceed properly.

.....

NEXT I WILL DO A PUBLIC RECORDS CHECK ON THE FLORIDA ELECTIONS COMMISSION BUDGET AND WITH YOUR ELECTION I PRAY YOU WILL HELP ME CUT THE FAT OUT OF THE FLORIDA ELECTIONS COMMISSION BUDGET.

SEE YEARS AGO...THE DIVISION OF ELECTIONS WOULD EMAIL CANDIDATES AND ADVISE OF THE PENDING DEADLINE.

SOMEPLACE IN THE PAST FEW YEARS THE DIVISION OF ELECTIONS HAD THE LEGISLATURE PASS "AN AUTOMATIC FINE" THESE FINES ARE EXCESSIVE.

I PRAY YOU WIN AND HELP ME CAUSE THE DIVISION OF ELECTIONS TO GO BACK TO WORKING WITH CANDIDATES TO AVOID FINES.

IN FACT IN THE PAST A GREEN CARD WOULD BE MAILED TO THE CANDIDATE REMINDING THEM OF THE DEADLINE.

SO THE DIVISION OF ELECTIONS HAS THE EMAIL ADDRESS OF EACH CANDIDATE...BUT THEY ARE SO MONEY HUNGRY THEY JUST WANT CANDIDATES TO GET STUCK WITH A FINE.

APPRECIATE ANYONE COMMENTING ON THIS PENDING APPROACH TO REPEAL FLORIDA CHAPTER 106, INVESTIGATE THE INVESTIGATOR OF THE FLORIDA ELECTIONS COMMISSION, AND WORKING TO AS SOON AS POSSIBLE FIND A FEW GOOD REPUBLICANS TO CUT THE BUDGET OF THE FLORIDA ELECTIONS COMMISSION SINCE THE DIVISION OF ELECTIONS WILL NOT BE SO QUICK TO FILE COMPLAINTS.

 Holly Raschein

YOU and your elected friends are doing little to control the Division of Elections' excessive action to file Complaints to the Florida Elections Commission. No reasonable person would waste the time to

DEMAND that a candidate with about 8 days of a campaign; with ZERO CONTRIBUTIONS AND ZERO EXPENDITURES SHOULD BE REQUIRED TO AMEND A TERMINATION REPORT.

This one example of unfair and unreasonable actions will be the basis for my continuing to find elected officials that will put an end to the Florida Elections Commission. The provisions of Florida Chapter 106 (no independents on the board or provision for appointing an NPA representative) is grounds for the Supreme Court of Florida to eventually find Chapter 106 unconstitutional and really totally unnecessary.

The cost savings alone by causing the Division of Elections to simply fine all candidates to make running for political office so expensive that NO one will ever be willing to "challenge" Dorothy Hukill.

In fact Dorothy Hukill would have been continuously re elected without anyone challenging her because of the way the fines and procedures are now in place at the Division of Elections.

By copy of this email I BEG a news journalist to gather direct facts on the ridiculous demand by the Division of Elections to file a complaint to the Florida Elections Commission and demand it be done in 7 days when in fact NO Amendment of the Termination Report is Necessary. In fact it was months later that the Division of Elections demanded the Amendment of a Termination report to list the who and address of same that contributed ZERO.

The intent of Florida Chapter 106 is to keep "little" candidates off the ballot by imposing excessive fines for being a day late or not following the unconstitutional Florida Chapter 106.

I will not stop until the Florida Election

Commission as we now have it in our face is eliminated. Giving the Division of Elections the power to establish a crime when no crime is to be found and then giving the Division of Elections Filing Agent the power to impose the amount of fines is a criminal act allowed by both Republicans and Democrats in Tallahassee.

We are at our summer home in Tecumseh Michigan until November 1, 2017 and so after that date I will take action in Florida to see that my name is protected from the nasty claims of the Division of Elections coupled with the rubber stamp action of the Florida Election Commission.

I Guarantee that I will NOT stop until this matter is resolved and those involved learn that they are messing with the wrong candidate.

I have been on the ballot over 9 times and I am on a civics lesson to make Florida government better.

The Florida Election Commission needs to be eliminated.

Sir:

Please consider forwarding the next 2 emails to Honorable Adam Putnam, who could be the next Governor of Florida.

To me it would be WONDERFUL if Adam Putnam would spend a minute of his valuable campaign time and evaluate the claim by Richard Paul Dembinsky (me) of the Abuse by the Division of Elections and the Florida Elections Commission.

Obviously, I accept for now that Adam Putnam has been a very successful political leader but to go the next 4 years without the next Governor reviewing how Florida Chapter 106 is impacting "challenging" candidates would to me seem as a big mistake.

Please Mr. Adam Putnam.....look at the Florida ConstitutionPreamble.....guarantee equal civil and political rights for all.

I am convinced that the way Chapter 106 is being applied by the Division of Elections is in fact failing to consider the rights of citizens to place their name on the ballot.

I have never accepted contributions and for the most part did not really care if I ever won any of the 9 elections I have placed my name on the ballot here in Florida.

Having been a resident in Florida and having both our sons born in Orange Park and having lived in Port Orange area since 1981 I have been honored to have "challenged" Dorothy L. Hukill.

Please Mr. Adam Putnam, look at the details of my 8 day campaign in May of 2016 and see I had NO contributions and had NO expenditures and cancelled by campaign after about 8 days. The very stringent calendar for filing reports is

excessive. YOU as a Republican will serve many citizens but only if you realize how stressed we are to be turned into criminals by the Division of Elections and the Florida Elections Commission will you be able to understand what will follow if this Abuse continues.

Please accept these words as my final effort to get some reasonable action by the Division of Elections and the Florida Elections Commission.

Ladies and Gentlemen

Republican and Democratic Party candidates for Governor

YOU must replace the complete Florida Elections Commission and move to REPEAL Florida Chapter 106.

But for NOW I hereby request to be considered by the next Governor.....to be the Chair of the Florida Elections Commission.

I guarantee that I WILL EXPOSE THE FAILURES OF THE DIVISION OF ELECTIONS; INCLUDING THE FAILURE OF THE DIVISION OF ELECTIONS TO PROVIDE MANUALS OR CONNECTIONS FROM THE STATE WEBSITE TO ASSIST IN A TIMELY FASHION WHAT REALLY WILL BE REQUIRED OF CANDIDATES.

The Division of Elections is not providing candidates adequate instructions and failing to send important reminders via email and by return receipt to prove the candidate received the instructions.

I filed a Termination Report during May 2016 to end my 8 day campaign because I had sent my qualifying paperwork in 30 days too soon.

The Division of Elections is hiding behind one sentence in Chapter 106 without making any real effort to avoid filing a Complaint against a candidate.

It is essential that YOU read this section of Chapter 106 because should you be elected Governor YOU will be put on notice that should the Florida Elections Commission not stop the practice of allowing the Division of Elections to Abuse Candidates I will be certain to bring it to your attention FACE TO FACE.

I WILL NOT ALLOW THE DIVISION OF ELECTIONS TO ABUSE ME.

AS THE NEXT GOVERNOR BETTER GIVE THIS MAJOR PROBLEM WITH STATE GOVERNMENT IMMEDIATE ATTENTION.

106.24 Florida Elections Commission; membership; powers; duties.—

(1)(a) There is created within the Department of Legal Affairs, Office of the Attorney General, a Florida Elections Commission, hereinafter referred to as the commission. The commission shall be a separate budget entity and the agency head for all purposes. The commission shall not be subject to control, supervision, or direction by the Department of Legal Affairs or the Attorney General in the performance of its duties, including, but not limited to, personnel, purchasing transactions involving real or personal property, and budgetary matters.

(b) The commission shall be composed of nine members. The President of the Senate, the Speaker of the House of Representatives, the minority leader of the Senate, and the minority leader of the House of Representatives shall each provide a list of six nominees to the Governor for initial appointment to the commission. The Governor may appoint two members to the commission from each list. If the Governor refuses

to appoint two members from any of the respective lists, the Governor shall so inform the nominating officer and the nominating officer shall submit a new list of six nominees within 30 days. The new list must contain at least three nominees not included on the prior nominating list. The ninth commission member, who shall serve as chair of the commission, shall be appointed by the Governor. Each member of the commission is subject to confirmation by the Senate. The chair of the commission shall serve for a maximum term of 4 years, such term to run concurrently with the term of the appointing Governor and until a future successor is appointed. Other members of the commission shall serve for 4-year terms and until their successors are appointed. An individual who is a lobbyist at the state or local government level may not serve as a member of the commission, except that this prohibition shall not apply to an individual who is a member of the commission on July 1, 2002, until the expiration of his or her current term. A member of the commission is prohibited from lobbying state or local government while he or she is a member of the commission, except that this prohibition shall not apply to an individual who is a member of the commission on July 1, 2002, until the expiration of his or her current term.

(c) As the terms of members expire, excluding the chair, successors shall be appointed to 4-year terms and shall serve until their successors are appointed. Six months prior to the expiration of a commission member's term, the ranking officer of the political party in the respective house originally nominating the commission member shall submit a list of three nominees to the Governor. The Governor may appoint one of the listed nominees to the commission. If no nominee is selected from the list, the Governor shall so inform the nominating officer, who shall submit a list of three different nominees to the Governor within 30 days. Vacancies on the commission shall expeditiously be filled for the unexpired terms in the same manner.

(d) As the term of the chair of the commission expires or becomes vacant, a successor shall be appointed in the manner of the original appointment, and shall serve for a maximum of 4 years, such term to run concurrently with the term of the appointing Governor and until a future successor is appointed.

(e) In no event may any member of the commission serve more than two full terms. Members of the commission shall be paid travel and per diem as provided in s. 112.061 while in performance of their duties and in traveling to, from, and upon same. Of the nine members of the commission, no more than five members shall be from the same political party at any one time.

(2) No member of the commission shall be a member of any county, state, or national committee of a political party; be an officer in any partisan political club or organization; or hold, or be a candidate for, any other public office. No person shall be appointed as a member of the commission who has held an elective public office or office in a political party within the year immediately preceding his or her appointment.

(3) The commission shall convene at the call of its chair or at the request of a majority of the members of the commission. The presence of five members is required to constitute a quorum, and the affirmative vote of the majority of the members present is required for any action or recommendation by the commission. The commission may meet in any city of the state.

(4) The commission shall appoint an executive director, who shall serve under the direction, supervision, and control of the commission. The executive director, with the consent of the commission, shall employ such staff as are necessary to adequately perform the functions of the commission, within budgetary limitations. All employees, except the executive director and attorneys, are subject to part II of chapter 110. The executive director shall serve at the pleasure of the commission and be subject to part III of chapter 110, except that the commission shall have complete authority for setting the executive director's salary. Attorneys employed by the commission shall be subject to part V of chapter 110.

(5) Hearings shall be held before the commission, except that the chair may direct that any hearing be held before one member of the commission or a panel of less than the full commission. The commission shall adopt rules to provide for the filing of a report when hearings are held by a single commissioner or a panel, which

rules shall prescribe the time for filing the report and the contents of the report.

(6) There is established in the State Treasury an Elections Commission Trust Fund to be used by the Florida Elections Commission in order to carry out its duties pursuant to ss. 106.24-106.28. The trust fund may also be used by the Secretary of State, pursuant to his or her authority under s. 97.012(14), to provide rewards for information leading to criminal convictions related to voter registration fraud, voter fraud, and vote scams.

(7) The commission shall develop a budget request pursuant to chapter 216 annually. The budget is not subject to change by the Department of Legal Affairs or the Attorney General, but it shall be submitted by the Department of Legal Affairs to the Governor for transmittal to the Legislature.

(8) The commission is authorized to contract or consult with appropriate agencies of state government for such professional assistance as may be needed in the discharge of its duties.

A member of the commission is prohibited from lobbying state or local government while he or she is a member of the commission, except that this prohibition shall not apply to an individual who is a member of the commission on July 1, 2002, until the expiration of his or her current term.

(c) As the terms of members expire, excluding the chair, successors shall be appointed to 4-year terms and shall serve until their successors are appointed. Six months prior to the expiration of a commission member's term, the ranking officer of the political party in the respective house originally nominating the commission member shall submit a list of three nominees to the Governor. The Governor may appoint one of the listed nominees to the commission. If no nominee is selected from the list, the Governor shall so inform the nominating officer, who shall submit a list of three different nominees to the Governor within 30 days. Vacancies on the commission shall expeditiously be filled for the unexpired terms in the same manner.

(d) As the term of the chair of the commission expires or becomes vacant, a successor shall be appointed in the manner of the original appointment, and shall serve for a maximum of 4 years, such term to run concurrently with the term of the appointing Governor and until a future successor is appointed.

(e) In no event may any member of the commission serve more than two full terms. Members of the

commission shall be paid travel and per diem as provided in s. 112.061 while in performance of their duties and in traveling to, from, and upon same. Of the nine members of the commission, no more than five members shall be from the same political party at any one time.

(2) No member of the commission shall be a member of any county, state, or national committee of a political party; be an officer in any partisan political club or organization; or hold, or be a candidate for, any other public office. No person shall be appointed as a member of the commission who has held an elective public office or office in a political party within the year immediately preceding his or her appointment.

(3) The commission shall convene at the call of its chair or at the request of a majority of the members of the commission. The presence of five members is required to constitute a quorum, and the affirmative vote of the majority of the members present is required for any action or recommendation by the commission. The commission may meet in any city of the state.

(4) The commission shall appoint an executive director, who shall serve under the direction, supervision, and control of the commission. The executive director, with the consent of the commission, shall employ such staff as are necessary to adequately perform the functions of the commission, within budgetary limitations. All employees, except the executive director and attorneys, are subject to part II of chapter 110. The executive director shall serve at the pleasure of the commission and be subject to part III of chapter 110, except that the commission shall have complete authority for setting the executive director's salary. Attorneys employed by the commission shall be subject to part V of chapter 110.

(5) Hearings shall be held before the commission, except that the chair may direct that any hearing be held before one member of the commission or a panel of less than the full commission. The commission shall adopt rules to provide for the filing of a report when hearings are held by a single commissioner or a panel, which rules shall prescribe the time for filing the report and the contents of the report.

(6) There is established in the State Treasury an Elections Commission Trust Fund to be used by the Florida Elections Commission in order to carry out its duties pursuant to ss. 106.24-106.28. The trust fund may also be used by the Secretary of State, pursuant to his or her authority under s. 97.012(14), to provide rewards for information leading to criminal convictions related to voter registration fraud, voter fraud, and vote scams.

(7) The commission shall develop a budget request pursuant to chapter 216 annually. The budget is not subject to change by the Department of Legal Affairs or the Attorney General, but it shall be submitted by the Department of Legal Affairs to the Governor for transmittal to the Legislature.

(8) The commission is authorized to contract or consult with appropriate agencies of state government for such professional assistance as may be needed in the discharge of its duties.

To Allison Shirk.....if I have your email address correct.

Thank YOU for not including discussion of the next election in the Fine and Complete Article about Honorable Senator Dorothy Hukill.

.....

So come June 2018.....we will finally see if Anyone will challenge Dorothy Hukill....it is extremely interesting that while Dorothy Hukill has hugged my daughter in law.....I personally never met her and really only challenged her so she actual won the elections

.....

Since I am on a mission to cause the Repeal of Florida Chapter 106, campaign finance.....and thus the elimination of the unnecessary and costly rubber stamp known as the Florida Elections Commission.

I have been advised by an attorney who had challenged many of the Florida Elections Commission actions he had a very LOW regard for the Florida Elections Commission.....

If YOU have an email address for Senator Dorothy L. Hukill maybe you could get her to answer for why she and other members of the Senate (both Republicans and Democrats) created such an organization to beat down the challengers to incumbents.

It appears ALL the incumbents love the Florida Elections Commission because it provides insurance that challengers have little chance of beating Dorothy Hukill or her team members.

YOU and your elected friends are doing little to control the Division of Elections' excessive action to file Complaints to the Florida Elections Commission. No reasonable person would waste the time to DEMAND that a candidate with about 8 days of a campaign; with ZERO CONTRIBUTIONS AND ZERO EXPENDITURES SHOULD BE REQUIRED TO AMEND A TERMINATION REPORT.

This one example of unfair and unreasonable actions will be the basis for my continuing to find elected officials that will put an end to the Florida Elections Commission. The provisions of Florida Chapter 106 (no independents on the board or provision for appointing an NPA representative) is grounds for the Supreme Court of Florida to eventually find Chapter 106 unconstitutional and really totally unnecessary.

The cost savings alone by causing the Division of Elections to simply fine all candidates to make running for political office so expensive that NO one will ever be willing to "challenge" Dorothy Hukill.

In fact Dorothy Hukill would have been continuously re elected without anyone challenging her because of the way the fines and procedures are now in place at the Division of Elections.

By copy of this email I BEG a news journalist to gather direct facts on the ridiculous demand by the Division of Elections to file a complaint to the Florida Elections Commission and demand it be

done in 7 days when in fact NO Amendment of the Termination Report is Necessary. In fact it was months later that the Division of Elections demanded the Amendment of a Termination report to list the who and address of same that contributed ZERO.

The intent of Florida Chapter 106 is to keep "little" candidates off the ballot by imposing excessive fines for being a day late or not following the unconstitutional Florida Chapter 106.

I will not stop until the Florida Election Commission as we now have it in our face is eliminated. Giving the Division of Elections the power to establish a crime when no crime is to be found and then giving the Division of Elections Filing Agent the power to impose the amount of fines is a criminal act allowed by both Republicans and Democrats in Tallahassee.

We are at our summer home in Tecumseh Michigan until November 1, 2017 and so after that date I will take action in Florida to see that my name is protected from the nasty claims of the Division of Elections coupled with the rubber stamp action of the Florida Election Commission.

I Guarantee that I will NOT stop until this matter is resolved and those involved learn that they are messing with the wrong candidate.

I have been on the ballot over 9 times and I am on a civics lesson to make Florida government better.

The Florida Election Commission needs to be eliminated.

FLORIDA HOUSE OF REPRESENTATIVES

2018 LEGISLATION (Pending)

An ACT relating to WARNING THE FLORIDA DIVISION OF ELECTIONS FROM USING FLORIDA CHAPTER 106 TO ABUSE UNQUALIFIED CANDIDATES; IT IS CLEAR THAT THE CONTROLLING INTENT OF FLORIDA CHAPTER 106, CAMPAIGN FINANCE IS TO PROVE REASONABLE INFORMATION ABOUT THE ACTIONS OF QUALIFIED CANDIDATES WHERE TIME IS IMPORTANT IN THE CAMPAIGN PERIOD AFTER CANDIDATES HAVE QUALIFIED.

The practice of filing unjustified complaints with the Florida Elections Commission during the period when NO candidates have been QUALIFIED, is a waste of valuable Division of Elections time; the Division of Elections is doing zero to improve the forms, guidelines and website to help first time candidates from immediately being issued fines for being late on filing campaign reports. It is clear the Division of Elections has failed to meet the instructions of Chapter 106 because the number of actions at the Florida Elections Commission has increased each election.

The Florida Elections Commission shall take NO action on Late filing submitted by the Division of Elections on Candidates who filed a Termination Report within the period prior to the Qualifying Week.

The Division of Elections shall be ordered to apologize for using the 7 day notice criteria on candidates actions prior to the qualifying week. The 7 day notice shall clearly only be used by the Division of Elections for candidates that are actually fully qualified as candidates after the conclusion of the qualifying week.

Furthermore, no candidate that has zero contributions and zero expenditures should ever receive a compliant letter or action before the Florida Elections Commission; the purpose of Chapter 106 Campaign Finance is not to be used to Abuse candidates that simply have paid the filing fee and completed the paperwork. This Abuse by the Division of Elections shall END immediately. Chapter 106 does not allow the Division of Elections to take actions to remove a candidate from being considered placement on the Ballot.

The Division of Elections shall contact each candidate in a professional manner and stop using word "INCUMBENT" on the State Website for the Future election. No person is an INCUMBENT AND MANY CHANCES IN THE VARIOUS DISTRICTS HAVE OCCURRED SINCE THE LAST ELECTION; VOTERS HAVE RELOCATED; DISTRICT BOUNDARIES MAY HAVE CHANGED.

THE FLORIDA CONSTITUTION STATES: "guarantee equal civil and political rights for ALL.."

The Division of Elections shall propose the REPEAL of unnecessary Abusive provisions of

Chapter 106; clearly with new consideration of “guarantee equal civil and political rights for all”,

Should the Division of Elections and the Florida Election Commissions shall cause ALL fines to be returned to candidates that at the time of the finding of a “violation of Chapter 106” before the candidate actually qualified.

The Division of Elections shall use each day the email address provided on the DS-9 form to advise ALL qualified candidates of the stringent calendar for filing campaign reports.

Should the electronic computer filing system be out of service anytime during a year the Division of Elections shall accept emailed attachments as equal to electronic filing method. Should the Division of Elections no longer want to accept email attachments the candidate shall be given the option to submit campaign reports via FAX.

This ACT shall be considered permanent unless the Florida Supreme Court has determined that Chapter 106, as existing does not take away the Constitutional provision ...”guarantee that the Civil and Political Rights.” Of a Florida citizen is not restrained.

Warning letters and notices shall be posted at the State WEBSITE in a clear way to reduce the need for complaints to the Florida Division of Elections. NO way shall the Division of Elections filing agent to establish the amount of fines.

The Division of Elections shall advertise on promotions of elections; clear instructions on what is really required by Qualified Candidates. The lacks efforts of the Division of Elections to educate citizens into what is required by Chapter 106 in advance of placing a candidate’s name on the State WEBSITE shall be reason to prevent any action by the Florida Elections Commission until further review of Chapter 106 is conducted by the Florida House of Representatives.

The Abusive actions of the Division of Elections to candidates for political offices shall END.

IS THIS FAIR; I WAS A CANDIDATE FOR 8 DAYS...BUT I HAD LITTLE FEELING THAT
THE DIVISION OF ELECTIONS WOULD GO TO THIS EXTENT TO FIX A CANDIDATE'S
TERMINATION REPORT.

.....ATTACHMENT ...READ...CANDIDATE 64485.....

**JUST SEEMS THAT ALL THINGS
CONSIDERED KISTA BRONSON SHOULD
WITHDRAW THE COMPLIANT 16-587.**

**THERE WAS NOTHING TO BE
AMENDED...THE TERMINATION REPORT
WAS COMPLETE....ZERO CONTRIBUTIONS
AND ZERO EXPENDITURES....PERIOD.**

received as of the preceding day. All such reports are open to public inspection.

2. This subsection does not prohibit the governing body of a political subdivision, by ordinance or resolution, from imposing upon its own officers and candidates electronic filing requirements not in conflict with s. 106.0705. Expenditure of public funds for such purpose is deemed to be for a valid public purpose.

(b)1. Any report that is deemed to be incomplete by the officer with whom the candidate qualifies must be accepted on a conditional basis. The campaign treasurer shall be notified by certified mail or by another method using a common carrier that provides a proof of delivery of the notice as to why the report is incomplete and within 7 days after receipt of such notice must file an addendum to the report providing all information necessary to complete the report in compliance with this section. Failure to file a complete report after such notice constitutes a violation of this chapter.

2. Notice is deemed complete upon proof of delivery of a written notice to the mailing or street address of the campaign treasurer or registered agent of record with the filing officer.

(3) Reports required of a political committee shall be filed with the agency or officer before whom such committee registers pursuant to s. 106.03(3) and shall be subject to the same filing conditions as established for candidates' reports. Incomplete reports by political committees shall be treated in the manner provided for incomplete reports by candidates in subsection (2).

(4)(a) Except for daily reports, to which only the contributions provisions below apply, and except as provided in paragraph (b), each report required by this section must contain:

1. The full name, address, and occupation, if any, of each person who has made one or more contributions to or for such committee or candidate within the reporting period, together with the amount and date of such contributions. For corporations, the report must provide as clear a description as practicable of the principal type of business conducted by the corporation. However, if the contribution is \$100 or less or is from a relative, as defined in s. 112.312, provided that the relationship is reported, the occupation of the contributor or the principal type of business need not be listed.

2. The name and address of each political committee from which the reporting committee or the candidate received, or to which the reporting committee or candidate made, any transfer of funds, together with the amounts and dates of all transfers.

3. Each loan for campaign purposes to or from any person or political committee within the reporting period, together with the full names, addresses, and occupations, and principal places of business, if any, of the lender and endorsers, if any, and the date and amount of such loans.

4. A statement of each contribution, rebate, refund, or other receipt not otherwise listed under subparagraphs 1. through 3.

5. The total sums of all loans, in-kind contributions, and other receipts by or for such committee or candidate during the reporting period. The reporting forms shall be designed to elicit separate totals for in-kind contributions, loans, and other receipts.

6. The full name and address of each person to whom expenditures have been made by or on behalf of the committee or candidate within the reporting period; the amount, date, and purpose of each such expenditure; and the name and address of, and office sought by, each candidate on whose behalf such expenditure was made. However, expenditures made from the petty cash fund provided by s. 106.12 need not be reported individually.

7. The full name and address of each person to whom an expenditure for personal services, salary, or reimbursement for authorized expenses as provided in s. 106.021(3) has been made and which is not otherwise reported, including the amount, date, and purpose of such expenditure. However, expenditures made from the petty cash fund provided for in s. 106.12 need not be reported individually. Receipts for reimbursement for authorized expenditures shall be retained by the treasurer along with the records for the campaign account.

8. The total amount withdrawn and the total amount spent for petty cash purposes pursuant to this chapter during the reporting period.

9. The total sum of expenditures made by such committee or candidate during the reporting period.

10. The amount and nature of debts and obligations owed by or to the committee or candidate, which relate to the conduct of any political campaign.

11. Transaction information for each credit card purchase. Receipts for each credit card purchase shall be retained by the treasurer with the records for the campaign account.

12. The amount and nature of any separate interest-bearing accounts or certificates of deposit and identification of the financial institution in which such accounts or certificates of deposit are located.

13. The primary purposes of an expenditure made indirectly through a campaign treasurer pursuant to s. 106.021(3) for goods and services such as communications media placement or procurement services, campaign signs, insurance, and other expenditures that include multiple components as part of the expenditure. The primary purpose of an expenditure shall be that purpose, including integral and directly related components, that comprises 80 percent of such expenditure.

(b) Multiple uniform contributions from the same person, aggregating no more than \$250 per calendar year, collected by an organization that is the affiliated sponsor of a political committee, may be reported by the political committee in an aggregate amount listing the number of contributors together with the amount contributed by each and the total amount contributed during the reporting period. The identity of each person making such uniform contribution must be reported to the filing officer as provided in subparagraph (a)1. by July 1 of each calendar year, or, in a general election year, no later than the 60th day immediately preceding the primary election.

(c) The filing officer shall make available to any candidate or committee a reporting form which the candidate or committee may use to indicate contributions received by the candidate or committee but returned to the contributor before deposit.

(5) The candidate and his or her campaign treasurer, in the case of a candidate, or the political committee chair and campaign treasurer of the committee, in the case of a political committee, shall certify as to the correctness of each report; and each person so certifying shall bear the responsibility for the accuracy and veracity of each report. Any campaign treasurer, candidate, or political committee chair who willfully certifies the correctness of any report while knowing that such report is incorrect, false, or incomplete commits a misdemeanor of the first degree, punishable as provided in s. 775.082 or s. 775.083.

(6) The records maintained by the campaign depository with respect to any campaign account regulated by this chapter are subject to inspection by an agent of the Division of Elections or the Florida Elections Commission at any time during normal banking hours, and such depository shall furnish certified copies of any of such records to the Division of Elections or Florida Elections Commission upon request.

(7) Notwithstanding any other provisions of this chapter, in any reporting period during which a candidate or political committee has not received funds, made any contributions, or expended any reportable funds, the filing of the required report for that period is waived. However, the next report filed must specify that the report covers the entire period between the last submitted report and the report being filed, and any candidate or political committee not reporting by virtue of this subsection on dates prescribed elsewhere in this chapter shall notify the filing officer in writing on the prescribed reporting date that no report is being filed on that date.

(8)(a) Any candidate or political committee failing to file a report on the designated due date is subject

To the Honorable Agent assigned to establish the Civil Penalties for 16=587 Richard Paul Dembinsky, PLEASE BE ADVISED THAT THE FLORIDA ELECTIONS COMMISSION BY LAW CANNOT BE CRITICAL OF THE DIVISION OF ELECTIONS OR THE PERSON FILING THE COMPLIANT AGAINST RICHARD PAUL DEMBINSKY;

SO IT REMAINS THE LAST LINE OF DEFENSE IS TO REQUEST CONSIDERATION OF THE MINOR HARM EVEN IF LATER PROVEN NECESSARY NECESSARY TO AMEND THE TERMINATION REPORT FOR AN EIGHT DAY CAMPAIGN; WHILE THE COMMISSION CANNOT ADVISE YOU TO LOOK AT LISTED MITIGATING AND AGGRAVATING CIRCUMSTANCES.... THIS REQUEST BY THE PERSON HAVING ONE COUNT FALSELY PUT ON HIS POTILICAL RECORD SHALL BE CONSIDERED.

LADIES AND GENTLEMEN OF THE "FILING AGENT" OR JUDGE ASSIGNED TO ESTABLISH THE FINE:

1. THE DIVISION OF ELECTIONS WEBSITE HAS BEEN CRITIZED FOR YEARS AS NOT INFORMING CANDIDATES OF POTENTIAL FINES.

THE DIVISION OF ELECTIONS MAKES NO EFFORT TO POST THE STRINGENT CALENDAR FOR REPORTS;

BE ADVISED THAT THE DIVISION OF ELECTIONS HAS STOPPED EMAILING CANDIDATES THAT A REPORT IS DUE. FURTHERMORE, THE CORRESPONDENCE TO AVOID FINES HAS BEEN STOPPED (A CARD WAS PREVIOUSLY SENT)

WHY THE DIVISION OF ELECTIONS WAITED UNTIL JULY 28, 2016 TO MAIL A LETTER IS A CIRCUMSTANCE THAT MUST BE CONSIDERED.

WHILE IT MAY BE IMPOSSIBLE FOR ME TO REMOVE FROM THE FLORIDA ELECTION COMMISSION RECORDS THE ONE COUNT..... YOU THE PERSON GIVEN THE RESPONSIBILITY TO CONSIDER FACTORS IN MAKING THE FINE WILL BE THE LAST HOPE.

Ladies and Gentlemen of the News Service Florida

YOU are in Tallahassee, so why don't you be part of HISTORY.

1. The Beginning of the End to the Florida Elections Commission (the Chicken Coup approach to accepting whatever the Division of Elections files a Compliant on).
2. For your future enjoyment.....16-587 Richard Paul Dembinsky ...Count 1.....I will NEVER accept this false determination of the Florida Elections Commission.
3. For the past 14 years I have been a candidate for numerous State and local offices.....it is my hobby.....it is my way of getting a "Civics Lesson"
4. Well I am currently in Tecumseh Michigan (every summer) at our summer home. Last year when I ran for State Senate District 14, I received 73,000 votes without campaigning, I only spent my money \$1187.88 on the filing fee.) (From June to November I avoided ANY fines for late reporting etc.)
5. Nevertheless in May 2016 I erred in sending my qualifying paperwork in too early (by law the Division of Elections may not keep it)
6. During the time I mailed the check which was voided immediately upon receipt by the Division of Elections; I was in contact with Gary Holland a now retired attorney for the Division of Elections; a copy of one of my emails to Gary Holland iare on file at the FEC.
7. I am Appealing the Count 1.
8. I had zero contributions and zero expenditures on my TERMINATION REPORT FILED 5/13/16; YET MONTHS LATER I RECEIVED A LETTER FROM THE DIVISION OF ELECTIONS CLAIMING THAT THE TERMINATION REPORT MUST BE AMENDED. ACTUALLY THEY ARE WRONG....THE COMPUTER "AUDIT" DID NOT KNOW HOW TO RESPOND TO ZERO CONTRIBUTIONS....SO THE COMPUTER DEMANDED I LIST THE NAME AND ADDRESS ETC. I technically was a candidate by error and only for about 8 days.
7. WHAT I HAVE LEARNED IS THE FLORIDA ELECTIONS COMMISSION IS A POOR CLEARINGHOUSE FOR WHAT IS RIGHT OR WRONG WITH A CANDIDATES EFFORTS TO COMPLY WITH CHAPTER 106.
8. IF YOU WERE TO STUDY CHAPTER 106 I BELIEVE YOU WILL DISCOVER THAT THE

FEC JUST SIMPLY ACCEPTS THE WORDS OF THE DIVISION OF ELECTIONS/ OKAY A NEW TRAINEE WAS TO CALL ME AND WRITE A REPORT.

9. AS IT STANDS I BELIEVE THE FEC HAS GIVEN THE DIVISION OF ELECTIONS THE RIGHT TO ESTABLISH THE FINE FOR MY 8 DAYS OF "CAMPAIGN" IN MAY 2016. REMEMBER ZERO CONTRIBUTIONS AND ZERO EXPENDITURES.

10. WHILE i WILL BE IN MICHIGAN UNTIL NOVEMBER 1, 2017 (OUR SUMMER HOME)....i WILL BE TRAVELING TO TALLAHASSEE AS SOON AS I FIND THE MONEY IN MY LIMITED BUDGETEXPECT TO BE IN TALLAHASSEE FOR A MONTH TO GET MY SIDE OF THIS ISSUE RESOLVED.

THE FLORIDA CONSTITUTION STATES:

1. ...guarantee equal civil and political rights to all.
2.Since the Florida Elections Commission is established by law to put a rubber stamp on actions of the Division of Elections.....there are only Democrats and Republicans on the Commission. Read Chapter 106.
3. I cannot believe that the FEC has no control over the Division of Elections; yet I cannot file a compliant against the Division of Elections because I would be put in jail as the "filing agent" is given much power on what is true and correct.....the opinions of the Division of Elections cannot be challenged.
4. YOU will see me protesting during November 2017. I will NOT stop until this Count 1 is removed from my record.

Since YOU are in Tallahassee YOU may want to start gathering information because this is going to get the mission completed.....Inform the Florida voters that the FEC and the Division of Elections are joined by Chapter 106 and NOT every Compliant approved by the FEC is correct.

Here is a little historical information about me:

onballot.com

whocareshalloffame.com

Richard Paul Dembinsky

YOU are hereby given complete permission to ask the FEC why they are deciding to allow the "filing agent" (Division of Elections) the same person filing the compliant against me to establish the fine.

Even if it is a dollar I will not accept this as being a justified damage to my personal record.

I will NOT stop.

Dear Mr. Dembinsky,

The Florida Elections Commission (FEC) is in receipt of your email dated June 16, 2017 2:36 PM wherein you mentioned that on two occasions you delivered via email an "APPEAL to the May 2017 action" by the FEC. It is unclear to me whether your intention is to request a formal hearing before the Division of Administrative Hearings (DOAH) or before the FEC.

As a reminder, the FEC entered an Order of Probable Cause on May 31, 2017 (copy attached). As indicated in the "Notice of Right to a Hearing" section of the OPC, you have 30 days from the date of entry (May 31, 2017) to request a formal hearing. **Your request for a formal hearing is due no later than June 30, 2017 and must be in compliance with Chapter 28-106, Florida Administrative Code:**

28-106.201 Initiation of Proceedings.

(1) Unless otherwise provided by statute, and except for agency enforcement and disciplinary actions that shall be initiated under Rule 28-106.2015, F.A.C., initiation of proceedings shall be made by written petition to the agency responsible for rendering final agency action. The term "petition" includes any document that requests an evidentiary proceeding and asserts the existence of a disputed issue of material fact. Each petition shall be legible and on 8 1/2 by 11 inch white paper. Unless printed, the impression shall be on one side of the paper only and lines shall be double-spaced.

(2) All petitions filed under these rules shall contain:

(a) The name and address of each agency affected and each agency's file or identification number, if known;

(b) The name, address, any e-mail address, any facsimile number, and telephone number of the petitioner, if the petitioner is not represented by an attorney or a qualified representative; the name, address, and telephone number of the petitioner's representative, if any, which shall be the address for service purposes during the course of the proceeding; and an explanation of how the petitioner's substantial interests will be affected by the agency determination;

(c) A statement of when and how the petitioner received notice of the agency decision;

(d) A statement of all disputed issues of material fact. If there are none, the petition must so indicate;

(e) A concise statement of the ultimate facts alleged, including the specific facts the petitioner contends warrant reversal or modification of the agency's proposed action;

(f) A statement of the specific rules or statutes the petitioner contends require reversal or modification of the agency's proposed action, including an explanation of how the alleged facts relate to the specific rules or statutes; and

(g) A statement of the relief sought by the petitioner, stating precisely the action petitioner wishes the agency to take with respect to the agency's proposed action.

(3) Upon receipt of a petition involving disputed issues of material fact, the agency shall grant or deny the petition, and if granted shall, unless otherwise provided by law, refer the matter to the Division of Administrative Hearings with a request that an administrative law judge be assigned to conduct the hearing. The request shall be accompanied by a copy of the petition and a copy of the notice of agency action.

If we do not receive your **properly** filed request for a formal hearing by June 30, 2017, your case will default to an informal hearing before the FEC at the next available meeting (August 15-16, 2017). If you have any questions, please let me know.

Subject: FEC 16 587 Richard Paul Dembinsky (associated with on going appeal)

Chapter 106 does not prohibit Florida Elections Commission from accepting appeals via email. I have previously on two occasions delivered via email APPEAL to the May 2017 action by the Florida Elections Commission.

The letter I recieved May 31, 2017 (received only two days ago) is considered part of this appeal.

Count 1 was the Determination of the Florida Elections Commission is based on the lack of time the FEC had to investigate the problem with the Division of Elections EFS system especially the programming that dumped out a "demand" that I amend the Termination Report.

REALIZE this campaign in May 2016 was never really a campaign....my name was placed on the DoE website and I had to wait until I got my password to File the Termination Report....that was done during May 2016. The Division of Elections in the Complaint was using poor information provided by the computer program and the DoE was unable to devote time to look at how stupid it is to amend the Termination Report ...since I had Zero Contributions and Zero Expenditures....I stopped being a candidate the same moment the unacceptable qualifying paperwork was opened by the Division of Elections. Unfortunately, the various emails to Gary Holland who is now retired were not available for my defense. I stopped being a candidate the moment the envelop was opened and the void check made history.

I hereby request YOUR consideration of the minor nature of this "violation" and the fact I have NO funds or Savings to pay a fine.

Furthermore Chapter 106 requires the Florida Elections Commission to consider my financial condition.

If I receive a fineI will for sure explore filing for Bankruptcy because I will not pay this unreasonable fine for this "Count 1"

YOU people don't realize the effort that has gone in to fully comply with Chapter 106. I never have accepted contributions EVER.

I was not even in Florida for 5 months so I surely was not campaigning especially in the failed May 2016 time period.

not appreciated as much as the younger republican (L.A. Jones) she has Michigan connections.

YOU are from NYC and you remind me of MY NYC aunt.....who at time was "crazy"

I write about her in my book....she was very wealthy but lived in the same location and never had a car.

She would work at a major hotel facing Central Park...she operated an elevator and got her picture in Esquire Magazine when these ARAB leaders were on her Elevator.

When my brother went to her place ...it was totally stripped of anything of value...she must have lost \$200,000 or more...her "attorney" and spanish boy friend.....(after her husband died)....took all her money.

YOU will need to "hide" your NY roots if YOU are wanting to be U.S. Senator from Florida.

As a republican you are in a general area known to be alot of democrats...South Florida.

How YOU would win the Republican party even if you have the \$10,440 to be on the ballot....

YOUR name "Doctor Joe Smith"may actually hurt YOU.....Your name reminds me of a person I met from India who came to USA for work...he changed his name to Mr. Engineer.

To get elected as a Republican is different than being a democrat.

.....My problem is the \$1000 pending fine

from the Florida Elections Commission....

I will NEVER pay it ...

so I am needing to explore HOW to proceed.....

YOU HAVE EXPERIENCE THAT I NEED.....

1. WHEN THE FINE ARRIVES ABOUT JULY 1, IT WILL LIKELY BE \$1000 AND I REALLY DON'T HAVE IT....AND FURTHER MORE I BELIEVE THE FINE IS TOTALLY CRIMINAL AND WILL NEVER PAY IT.

2. IT IS POSSIBLE MAYBE THEY WILL MAKE IT A MUCH SMALLER FINE....BUT MY REVIEW OF VARIOUS CANDIDATES WITH ONE COUNT...FINE....IS \$1000.

3. WHAT SHOULD I DO.....CLAIM BANKRUPTCY?

4. WHAT SHOULD I DO..... RETAIN AN ATTORNEY (CANNOT FIND ONE)PLUS I HAVE NO MONEY....NO SAVINGS AND OWE \$13,000I ONLY OWN MY TRUCK.. VALUE ABOUT \$10,000

5. I GUESS IF YOU HAVE FOUND YOUR PILE OF MONEY FROM YOUR VARIOUS LAWSUITS...YOU COULD FINALLY REPAY THE \$1330 YOU STILL OWE ME AND I WOULD SEND IT ON TO TALLAHASSEE. SINCE I CONSIDER THE \$1330 ALREADY GONE IT WOULD BE THE ONLY WAY I COULD AFFORD TO PAY THE \$1000 FINE. YOU DID RUN FOR LT. GOVERNOR WITH ME SO IT WOULD BE "LEARNING MONEY"....NOW WHEN YOU GET TO BE A REPUBLICAN NOMINEE FOR U.S. SENATE.....SURELY YOU COULD TALK TO YOUR REPUBLICAN FRIENDS AND CONVINCED THEM TO PARDON ME FROM THIS STUPID UNCONSTITUTIONAL FINE. I WAS A CANDIDATE FOR LESS THAN 8 DAYS. I HAD REPORTED ZERO CONTRIBUTIONS AND HAD ZERO EXPENSE. I WAS TIMELY IN COMPLETING THE TERMINATION REPORT AS SOON AS I RECEIVED THE PASSWORD. I CANNOT BELIEVE THE FLORIDA ELECTIONS COMMISSION WILL NOT LOOK AT MY EFFORT TO NOT BE A CANDIDATE. EMAILING AN ATTORNEY AT THE DIVISION OF ELECTIONS (GARY HOLLAND) BUT STILL THEY ARE DETERMINED TO TEACH ME A LESSON. WELL I BELIEVED MY EFFORT TO BE A CANDIDATE OVER THE PAST 14 YEARS WAS A "CIVICS LESSON" AND THE HEADLINE IN THE DAYTONA BEACH NEWS JOURNAL REPORTED.

YOU AS MY LAST FRIEND THAT COULD POSSIBLY HAVE A SOLUTION TO MY PENDING \$1000 FINE FOR AN UNJUSTIFIED PROCEDURAL ACTION THAT MAKES NO SENSE....I COULD NOT REPORT WHO GAVE ME ZERO CONTRIBUTIONS.....THEY DEMANDED NAME AND ADDRESS AND THE SAME FOR THE ZERO EXPENDITURES.

SO JOE, YOU WILL BE THE LAST ONE TO ADVISE ME ON HOW TO MAKE THESE PEOPLE IN TALLAHASSEE AWARE OF THE FACTS AND FURTHERMORE DEMONSTRATE TO THEM I WILL NEVER PAY A FINE FOR NOT AMENDING MY TERMINATION REPORT FOR AN 8 DAY ZERO CONTRIBUTION CAMPAIGN TO BE

STATE SENATE DISTRICT 14.

I AWAIT THE FINAL PAPERWORK...AND WHEN I RETURN FROM MICHIGAN ON NOVEMBER 1, 2017 I WILL MAKE THE FINAL DECISION AS HOW TO CLEAR MY NAME.

1. THEY WILL BE SENDING ME TO COLLECTIONS...BUT MY CREDIT IS ZERO NOW SO IT DOES NOT IMPACT ME.

2. I WILL HOWEVER NOT GO AWAY QUIETLY!!!!

Ladies and Gentlemen of the Florida Elections Commission

I am writing this email from our summer home in Tecumseh, Michigan.

1. Today 6/13/2017 I received YOUR Letter dated May 31, 2017
2. It is truly amazing that YOUR staff (a new employee) failed to convey adequate information to the F.E.C. members.
3. I am now subject to Count 1.
4. I truly expect a human to look at the facts.
5. I erred in sending in my qualifying paperwork one month early.
6. As soon as the Division of Elections Canceled my check and by law could not hold my paperwork.....I was NO longer a candidate.
7. In fact If Gary Holland who is retired were still employed he would explain the details why I could not be a candidate for State Senate Distict 14 in MAY of 2016. Numerous emails to his "personal computer device would show that there was considerable discussion about the stringent calendar for reporting....and the potential of significant fines.
8. I Dropped being a candidate during my emailing to Gary Holland.
9. I had not even received my password....when I had already determined I did not have internet service at our summer home or expected to have it...to comply with the stringent reporting dates.

10. Zero Contributions and Zero Expenditures.....should result in ZERO fine.....

By copy of this email I am asking Mark Harper to observe the actions of the Florida Elections Commission and observe my actions.

I hereby allow anyone the Right to inspect the previous written file on this matter. The Florida Elections Commission has failed to review the written material previously provided and the numerous emails.

Best Wishes on YOUR campaign...(BE Care DoE loves to give fines)

Hello,

this is Richard Paul Dembinsky

onballot.com

whocareshalloffame.com

Mr. Adams, I hope YOU read this email.

I have been a NPA candidate for Governor etc. (most recently 73,000 votes for State Senate District 14)

My purpose of this email to to caution YOU

I was a candidate in May 2016 for 8 days....and the Division of Elections filed a compliant to the Florida Elections Commission because I completed the Termination Report after 8 days of them causing me to be a candidate (as soon as I got the password)

With zero contributions and zero expenditures ...the DoFE

Demanded I include the address and names of the contributor that gave me zero..

the computer program could not handle a short term candidate (I submitted my paperwork for qualifying

too soon and I did not have internet worked out at our summer home in Tecumseh Michigan)

Conclusion ...

Make sure you complete the campaign reports on time...the fines are quick.

.....

Next if YOU want to talk now or in the next 5 months...

call me

I really expect to get a fine...maybe \$1000 fine...but I cannot afford wasting money on an attorney...but I am so pissed at the Division of Elections I would give my used 2010 Truck (value \$14,000) to have a case against the Division of Elections.

I have no credit card and have no savings....so it will be interesting to see if Attorney O'Neal considers representing me in an appeal. I have offered to give him my \$14,000 value used 2010 GMC canyon....crew cab....if I need to...

I would rather go to jail than pay this unjust pending fine by the Division of Elections...due to a computer program that does not understand zero contributions and zero expenditures.

Potential casebut it may go away but as YOU know the Florida Elections Commission are not nice people ...they do whatever the Tallahassee Division of Elections requests.

Richard Paul Dembinsky.....about to get a \$1000 fine (which I will NOT pay)....for 8 day campaign...with Termination report submitted immediately...but the DoE has been demanding for a year...filed complaint....because I refused to complete an Amendment ...defining the name and address of Zero Contribution....and Zero Contribution. I eventually submitted qualifying paperwork in June 2016 and received 32 percent of the vote NPA without campaigning.

The only thing I have that I can give YOU is a 2010 GMC Orange Gator Crew Cab Canyon...with 96,000 miles (excellent condition)....I cannot afford to pay an attorney....I rather go to jail...than pay a fine to Division of Elections.

We will be at our summer home in Tecumseh Michigan for the next 5 months...June 1 to Nov. 1 2018

I guess when I am in Michigan after June 1, 2017 I will get the "results of the action taken against me by the Florida Elections Commission"

As my friendI have encourage YOU to avoid running for a State office unless YOU have money to pay the likely fines.

////////////////////

AS a Federal candidate I assume YOU are not at risk of fines...especially since the \$5000 spending or contribution amount is a factor.

Yet, Good luck with the Federal filing.

.....

WHEN you have opportunity.....look at all the problems this candidate has had....click link then the campaign reports....then the numerous actions by the FEC.

<http://dos.elections.myflorida.com/candidates/CanDetail.asp?account=64972>

Many other candidates for State Senate....even those elected are having fines.

Mr. Bullard....an important democrat....seems to have considerable fines....

should you be interested in learning about fines.

YOU could go to

onballot.com my website

then click the State Website...then down the second menu to search candidates

2016

Anyway...it is truly sad...that a number of Write in Candidates are having to pay fines.....and as you know....WRI candidates cannot win.

This State of Florida is very bad.....as far as election laws are concerned.

so who knows if I will ever return from Michigan.

I will be going off the grid.....and should I get a fine amount of more than \$8.00 (dollar a day)....I will not pay itand could be going to jail.

I owe....Wells Fargo \$13,400 on my closed credit card (I closed it)

I owe Citi \$500 on my closed credit card...(I closed it)

MY reason for advising you of my situation....it is too difficult to claim bankruptcy or I would just to avoid paying a fine to the Division of Elections.

I will have to cash my \$5000 life insurance policy

(cash value of \$3745)

and pay down my Wells Fargo debit...sell my 2010 GMC Canyon Truck pay off both Citi and Wells Fargo and then find an attorney to file bankruptcy so I don't have to pay even an \$8.00 fine..

I refused to be treated like this....I don't know what to do....

I am stressed so I am leaving Florida.

If you get elected Remember Richard...

Thanks

Good Bye.

I expect that tomorrow the Florida Elections Commission will issue an unfair and unjustified fine to me.

History: This message has been forwarded.

YOU, Kristi R. Bronson.....failed to look at the July 16, 2016 letter before YOU allowed it to be mailed out....YOU allowed the computer to issue a False Report without taking into consideration

WELL, While my response is almost a year late.....

YOUR July 16, 2016 (which arrived late in Michigan); stated

"provide a written explanation to the Division addressing the issue noted in the error report."

quoting the notes on the error report.

"The transaction date is either before or after the report coverage period"

(NOTE THIS WAS A TERMINATION REPORT OF ZERO)

(i REFUSED TO BE A CANDIDATE IN MAY 2016)

"The value.....is invalid"

(NOT true.....ZERO is the VALUE)

"AMOUNT IS ZERO"

SO WHY WAS THAT A PROBLEM?

"No Address provided"

True....so why did the computer statement not checked by human? ZERO

"No State was provided in the Address"

Oh, as though this is a problem....for ZERO

**.....YOU ARE PERSONALLY RESPONSIBLE FOR MY STRESS BY FILING
A COMPLAINT THAT IS BASED ONLY ON AN OUT DATED COMPUTER
PROGRAM.**

IS SIMPLE.

I BELIEVE THAT CHAPTER 106 ALLOWS THE CANDIDATE TO DECIDE WHEN HE OR SHE IS A CANDIDATE.....NOT THE DIVISION OF ELECTIONS OR THE STAFF OF THE DIVISION OF ELECTIONS.

IN FACT IF YOU WERE TO STUDY THE FULL CHAPTER 106 YOU WILL SEE THAT CANDIDATES WHO ONLY PAY THE QUALIFYING FEE AND DO NOT DO ANY CAMPAIGNING SUCH TO CAUSE EXPENDITURES IS HONORED WITH SPECIAL RIGHTS AS DEFINED IN CHAPTER 106.

FOR EXAMPLE: A CANDIDATE THAT ONLY PAYS THE QUALIFYING FEE IS NOTED AS BEING ABLE TO AVOID EVEN APPOINTING A TREASURE OR OPENING OF A CAMPAIGN ACCOUNT. SO LONG AS THE CANDIDATE PAYS THE QUALIFYING FEE FROM HIS OWN CONTRIBUTION THERE IS LANGUAGE IN CHAPTER 106 TO PROTECT THE CANDIDATE.

NEXT, THE DIVISION OF ELECTIONS HAS BEEN KNOW TO GO VERY STRINGENT ON ENFORCING WHAT THEY BELIEVE IS THE CORRECT UNDERSTANDING OF THE RULES. NEVERTHELESS, SURELY SOMEONE OTHER THAN THE PEOPLE AT THE DIVISION OF ELECTIONS COULD DETERMINE IF THE DIVISION OF ELECTIONS IS PROPERLY FOLLOWING THE INTENT OF THE LAW.

I WAS INFORMED BY AN ATTORNEY YEARS AGO WHO WAS WORKING FOR THE DIVISION OF ELECTIONS THAT THE RULES DO NOT ALLOW THE PEOPLE AT DIVISION OF ELECTIONS TO LOOK BEYOND THE FOUR CORNERS OF THE DOCUMENTS.

AT LEAST ONCE IN THE PAST IT HAS BEEN DETERMINED THAT THE DIVISION OF ELECTIONS HAS LOOKED AT THE QUALIFYING PAPER WORK OF A CANDIDATE WITHIN THE FOUR CORNERS OF THE DOCUMENTS SENT. THE DIVISION OF ELECTIONS STAFF REFUSED TO ACCEPT A CAMPAIGN CHECK THAT LACKED A DATE; THE FUNDS WERE IN THE CAMPAIGN ACCOUNT AND THE BANK SAID THEY WOULD HONOR THE CHECK WITHOUT A DATE. WHILE THIS IS JUST AND EXAMPLE OF THE STRINGENT EFFORTS THAT THE DIVISION OF ELECTIONS HAS CREATED IT IS BY NO MEANS ALWAYS CORRECT.

THE DIVISION OF ELECTIONS YEARS AGO ALLOWED PAPER TO BE USED FOR CAMPAIGN REPORTS....AND NOW WE MUST USE ONLY THE ELECTRONIC FILING SYSTEM WHICH FOR MANY OLDER CANDIDATES IS SOMEWHAT MORE DIFFICULT.

WHO AT THE DIVISION OF ELECTIONS FAILED TO ALLOW A PAPER COPY OF A CAMPAIGN REPORT TO BE NOT ACCEPTABLE. REVIEWING THE CHAPTER 106 LANGUAGE I DISCOVERED THE INTENT TO KEEP THE DIVISION OF ELECTIONS STAFF AWAY FROM THE "REVIEW OR CONTROL" OF DOCUMENTS. NOT LOOKING WITHIN THE FOUR CORNERS.

MY POINT IN THIS APPEAL IS THAT YOU SHOULD NOT ASSUME THAT THE

DECISION BY THE DIVISION OF ELECTIONS STAFF TO FILE A COMPLAINT FOR NOT AMENDING MY TERMINATION REPORT AS BEING ANY MORE CORRECT THAN MY DECISION THAT SUCH AN AMENDMENT WAS UNNECESSARY TO COMPLETE THE TASK OF EXITING BEING A CANDIDATE IN MAY 2016.

IN FACT THE TYPICAL LETTER FROM THE DIVISION OF ELECTIONS TO THE CANDIDATES STATES SOMETHING TO THE EFFECT THAT SHOULD NO AMENDMENT BE REQUIRED BECAUSE OF ZERO CONTRIBUTIONS AND ZERO EXPENDITURES (WORDS TO THAT EFFECT) ONLY A LETTER TO THE DIVISION OF ELECTIONS IS SUGGESTED.

NEXT AND FINAL REASON FOR MAKING AN ISSUE ABOUT AMENDING MY TERMINATION REPORT, IT WAS COMPLETE IN MY OPINION AND THERE WAS ABSOLUTELY NO HARM TO ANOTHER CANDIDATE BY MY EXITING THE STATE SENATE DISTRICT 14 CAMPAIGN IN MAY 2016. NO ONE WAS IMPACTED BY MY DECISION WHICH WAS BASED ON DETAILED DISCUSSIONS WITH GARY HOLLAND. (WHO HAS RETIRED).

I HEREBY APPEAL TO THE GOOD DECISIONS OF THE THE FLORIDA ELECTIONS COMMISSION TO NOT ALL A FINE TO BE SHOWN BECAUSE OF DEFECTS OF THE ELECTRONIC FILING SYSTEM THAT COULD NOT LOOK BEYOND THE FACT THAT ON PAPER I WAS A CANDIDATE. WHEN ACTUALLY I WAS FORCED TO USE THE TERMINATION REPORTING METHOD TO END WHAT WAS A ONE SECOND CAMPAIGN.

AS SOON AS THE DIVISION OF ELECTIONS OPENED MY IMPROPER (TO FAR IN ADVANCE QUALIFYING PAPER WORK) THEY VOIDED THE CHECK....WHEN THE DIVISION OF ELECTIONS VOIDED MY CHECK MY CAMPAIGN ENDED. PERIOD.

THE REVISED STRINGENT ELECTRONIC FILING CALENDAR WHICH I DISCOVERED AFTER MAILING THE "QUALIFYING CHECK AND PAPERWORK" WAS SO BAD I WAS EMAILING GARY HOLLAND FOR DETERMINATION OF MY RISK FOR FINES SHOULD I NOT HAVE INTERNET SERVICE IN MICHIGAN IN A TIMELY FASHION COMPLETE THE STRINGENT FILING REQUIREMENTS FOR CANDIDATES. HAVING DONE THIS FOR MANY ELECTIONS I FULLY AM AWARE THAT THE INTENT OF THE FILING CALENDAR WAS CREATED TO MAKING IT MORE DIFFICULT FOR COMMON CARING CANDIDATES TO BE ON THE BALLOT WITHOUT DANGER OF FINES.

I AM WITHOUT A CREDIT CARD, I HAVE AT THIS TIME \$108.46 IN MY WELLS FARGO PERSONAL CHECKING ACCOUNT. I OWE \$13,400 TO WELLS FARGO FOR MY CLOSED CREDIT CARD ACCOUNT. I CANNOT JUSTIFY PAYING A FEE TO THE DIVISION OF ELECTIONS FOR NOT AMENDING MY TERMINATION REPORT.

I WILL CONTINUE TO AVOID PAYING ANY FINE....ESPECIALLY SINCE I HAVE NOT DONE ANYTHING WRONG. I COMPLIED WITH CHAPTER 106 FULLY.

SIGNED

RICHARD PAUL DEMBINSKY

AND SINCE I WILL BE GOING TO MY HEART DOCTOR APPOINTMENT AND THEN OFF TO OUR SUMMER HOME IN MICHIGAN I WILL CONSIDER THIS EMAIL APPEAL OF THE ACTIONS OF THE FLORIDA ELECTIONS COMMISSION (WHILE 2 DAYS AWAY)...BASED UPON MY REVIEW OF ALL PREVIOUS ACTIONS BY THE FEC IS I HAVE NOT FOUND ONE CASE WHERE THE FEC ACTUALLY REVIEWS THE FACTS IN DETAIL, BECAUSE OF TIME.

THIS IS A SIMPLE CASE.....I BECAME A CANDIDATE FOR ONE SECOND BUT MY PAPERWORK FOR QUALIFYING WAS NOT ACCEPTED...THEREFORE...I TERMINATED BY COMPLETING THE TERMINATION REPORT WHEN I GOT A PASSWORD.

OH, THE ELECTRONIC FILING SYSTEM HAS MANY TIMES IT IS DOWN, SOMETIMES THE FORMAT OF A COMPUTER WILL NOT ALLOW USE OF THE ELECTRONIC FILING PROGRAM AND IT TAKES EITHER A NEW EXPLORER OR NEW COMPUTER.

THIS ENDS MY APPEAL DATED MAY 18, 2017.

Neil.....YOU are staying so positive.....

I am giving up internet for 5 months; for sure you will not remember me...until Novemeber 1, 2017.

I need to save enough money to pay my May 17, 2017 Florida Elections Commission fine for my 8 days of being a State Senate Candidate District 14 in May, 2016.

I cannot believe they are really so unreasonable.

Zero contributions and Zero expenditures...and communication with Gary Holland a DoE attorney prior to my getting a password to file the Termination Report at EFS. I truly believed that the report was correct but the DoE filed a complaint with the FEC because I refused to amended my 8 day termination report.

I see in the standard transmittal letter warning me of the pending potential fines that I should have advised the Division of Elections that I really did not know how to go on line from Michigan with my laptop, without confusing the computer. My computer was remembering the password for the June 2016 EFS filings. Plus, I really did not understand what they wanted ...Address and name of the ZERO contribution....and ZERO expenditure.

A computer issue they and I could not resolve.

Good Morning

In less than 30 days I will be going underground for 5 months; we are going to our summer home in Tecumseh, Michigan as did last year. It was a very strange year because everyone in Tecumseh, Michigan seemed to be for Trump...IN FACT I only counted 5 signs for Hillary Clinton.

Looking back at 2016 (June July August September, October) it was like looking at wet paint dry....the election seemed to be decided by June.

Even friends voted for TRUMP, MY 93 year mother in Pennsylvania, said she was going to vote for Hillary Clinton, but long before the election got to November....it seemed Hillary Clinton and her emails....were saying SHE will NEVER be President.

I have voted for the winning President almost 90 percent of the time. I voted for Carter then Ronald Reagan twice; my dad in Pennsylvania would not let me sit on the porch when we visited from Florida.

Conclusion: I attempted to support Bernie Sanders, but realized he was not a REAL DEMOCRAT....talked about Climate too much...because he has seen change coming to New England areas.

AT this point I am a Registered Democrat and have been a candidate for Florida Governor 2006.

MY website

onballot.com

was captured by the Library of Congress

My book was published about "junk history" including the fact that Joe Lieberman wrote to me about my journal from the 2000 election. That Election was stolen in Florida but I don't know what team was putting something in the ballot boxes on Clyde Morris Blvd.

((((((((((((((((((((MY REASON((((((((((((((((((((+++++))))))))))))))))

FOR CONTACTING CNN.....

Would YOU Please consider NOT talking about President Donald Trump for one month.....yes...take June or July off give the old guy a break.

I did not vote for Donald Trump but I am having to give up internet for 5 months because i am sick of hearing about Donald Trump.

Let him screw up the country....we will be fine...Don't try to lead history one way or the other...let history happen.

If the Republicans and those Democrats and Independents from Pennsylvania and Michigan who voted for him should allowTrump to kill Obamacare.

Let him invade North Korea WE don't care.

2. My social security check goes into a joint checking account.
3. My State Pension goes into a joint checking account.
4. I will not file income tax for 2017....I will leave a written letter to my wife to attach to the 2017 tax....She will have to pay the taxes....
5. I am done....Filling out forms, credit card applications....
6. I will sell my 1/2 acre property to have food and some cash...and keep out of the above world...
- 7. If I get fined \$1000 by the Florida Elections Commission I may just stay out of Florida....**

That will save me enough money in gasoline to live for a month.

WELL, I JUST HAVE TO MAKE IT UNTIL MAY 24, 2017.

Title IX
ELECTORS AND ELECTIONS

Chapter 99
CANDIDATES

[View Entire Chapter](#)

99.061 Method of qualifying for nomination or election to federal, state, county, or district office.—

(1) The provisions of any special act to the contrary notwithstanding, each person seeking to qualify for nomination or election to a federal, state, or multicounty district office, other than election to a judicial office as defined in chapter 105 or the office of school board member, shall file his or her qualification papers with, and pay the qualifying fee, which shall consist of the filing fee and election assessment, and party assessment, if any has been levied, to, the Department of State, or qualify by the petition process pursuant to s. 99.095 with the Department of State, at any time after noon of the 1st day for qualifying, which shall be as follows: the 120th day prior to the primary election, but not later than noon of the 116th day prior to the date of the primary election, for persons seeking to qualify for nomination or election to federal office or to the office of the state attorney or the public defender; and noon of the 71st day prior to the primary election, but not later than noon of the 67th day prior to the date of the primary election, for persons seeking to qualify for nomination or election to a state or multicounty district office, other than the office of the state attorney or the public defender.

(2) The provisions of any special act to the contrary notwithstanding, each person seeking to qualify for nomination or election to a county office, or district office not covered by subsection (1), shall file his or her qualification papers with, and pay the qualifying fee, which shall consist of the filing fee and election assessment, and party assessment, if any has been levied, to, the supervisor of elections of the county, or shall qualify by the petition process pursuant to s. 99.095 with the supervisor of elections, at any time after noon of the 1st day for qualifying, which shall be the 71st day prior to the primary election, but not later than noon of the 67th day prior to the date of the primary election. Within 30 days after the closing of qualifying time, the supervisor of elections shall remit to the secretary of the state executive committee of the political party to which the candidate belongs the amount of the filing fee, two-thirds of which shall be used to

promote the candidacy of candidates for county offices and the candidacy of members of the Legislature.

(3) Notwithstanding the provisions of any special act to the contrary, each person seeking to qualify for election to a special district office shall qualify between noon of the 71st day prior to the primary election and noon of the 67th day prior to the date of the primary election. Candidates for single-county special districts shall qualify with the supervisor of elections in the county in which the district is located. If the district is a multicounty district, candidates shall qualify with the Department of State. All special district candidates shall qualify by paying a filing fee of \$25 or qualify by the petition process pursuant to s. 99.095.

Notwithstanding s. 106.021, a candidate who does not collect contributions and whose only expense is the filing fee or signature verification fee is not required to appoint a campaign treasurer or designate a primary campaign depository.

(4)(a) Each person seeking to qualify for election to office as a write-in candidate shall file his or her qualification papers with the respective qualifying officer at any time after noon of the 1st day for qualifying, but not later than noon of the last day of the qualifying period for the office sought.

(b) Any person who is seeking election as a write-in candidate shall not be required to pay a filing fee, election assessment, or party assessment. A write-in candidate is not entitled to have his or her name printed on any ballot; however, space for the write-in candidate's name to be written in must be provided on the general election ballot. A person may not qualify as a write-in candidate if the person has also otherwise qualified for nomination or election to such office.

(5) At the time of qualifying for office, each candidate for a constitutional office shall file a full and public disclosure of financial interests pursuant to s. 8, Art. II of the State Constitution, which must be verified under oath or affirmation pursuant to s. 92.525(1)(a), and a candidate for any other office, including local elective office, shall file a statement of financial interests pursuant to s. 112.3145.

(6) The Department of State shall certify to the supervisor of elections, within 7 days after the closing date for qualifying, the names of all duly qualified candidates for nomination or election who have qualified with the Department of State.

(7)(a) In order for a candidate to be qualified, the following items must be received by the filing officer by the end of the qualifying period:

1. A properly executed check drawn upon the candidate's campaign account payable to the person or entity as prescribed by the filing officer in an amount not less than the fee required by s. 99.092, unless the candidate obtained the required number of signatures on petitions pursuant to s. 99.095. The filing fee for a special district candidate is not required to be drawn upon the candidate's campaign account. If a candidate's check is returned by the bank for any reason, the filing officer shall immediately notify the candidate and the candidate shall have until the end of qualifying to pay the fee with a cashier's check purchased from funds of the campaign account. Failure to pay the fee as provided in this subparagraph shall disqualify the candidate.

2. The candidate's oath required by s. 99.021, which must contain the name of the candidate as it is to appear on the ballot; the office sought, including the district or group number if applicable; and the signature of the candidate, which must be verified under oath or affirmation pursuant to s.

92.525(1)(a).

3. If the office sought is partisan, the written statement of political party affiliation required by s. 99.021(1)(b).

4. The completed form for the appointment of campaign treasurer and designation of campaign depository, as required by s. 106.021.

5. The full and public disclosure or statement of financial interests required by subsection (5). A public officer who has filed the full and public disclosure or statement of financial interests with the Commission on Ethics or the supervisor of elections prior to qualifying for office may file a copy of that disclosure at the time of qualifying.

(b) If the filing officer receives qualifying papers during the qualifying period prescribed in this section which do not include all items as required by paragraph (a) prior to the last day of qualifying, the filing officer shall make a reasonable effort to notify the candidate of the missing or incomplete items and shall inform the candidate that all required items must be received by the close of qualifying. A candidate's name as it is to appear on the ballot may not be changed after the end of qualifying.

(c) The filing officer performs a ministerial function in reviewing qualifying papers. In determining whether a candidate is qualified, the filing officer shall review the qualifying papers to determine whether all items required by paragraph (a) have been properly filed and whether each item is complete on its face, including whether items that must be verified have been properly verified pursuant to s. 92.525(1)(a). The filing officer may not determine whether the contents of the qualifying papers are accurate.

(8) Notwithstanding the qualifying period prescribed in this section, a qualifying office may accept and hold qualifying papers submitted not earlier than 14 days prior to the beginning of the qualifying period, to be processed and filed during the qualifying period.

(9) Notwithstanding the qualifying period prescribed by this section, in each year in which the Legislature apportions the state, the qualifying period for persons seeking to qualify for nomination or election to federal office shall be between noon of the 71st day prior to the primary election, but not later than noon of the 67th day prior to the primary election.

(10) The Department of State may prescribe by rule requirements for filing papers to qualify as a candidate under this section.

(11) The decision of the filing officer concerning whether a candidate is qualified is exempt from the provisions of chapter 120.

Good Afternoon:

While I have the 2004 Candidate and Campaign Treasurer Handbook, that on page 67 contains the Form, it is bound in the blue booklet and I would rather have the up to date

Confidential Complaint Form: FEC 001 or whatever would be equal to the 2004 form

Since it appears the Florida Elections Commission will not resolve my dispute with the Division of Elections until May 2017; I am considering my options to put this matter behind me before I again travel to our summer home in Tecumseh, Michigan (and remain there until November).

I need the link or better yet the Confidential Complaint Form mailed to:

**Richard Paul Dembinsky

Thanks

I am assuming anyone can file a Confidential Complaint to the Florida Elections Commission, regarding an employee or Director of the Division of Elections. If this is not per established current regulations please advise.

Some how I am attempting to encourage the staff of the Division of Elections to use better judgement on forwarding a Confidential Complaint to the Florida Elections Commission before taking personal effort to

communicate with the individual in a sworn Complaint, when others who have had much more experience with the unstable and unfriendly EFS campaign reporting program have been given detailed instructions on how to correct in a reasonable amount of time what is an internal error of the Computer Program.

Subject: Place this with the FEC 16-587: Commissioners should note the comments that may be part of my future Complaint about the Division of Elections

F.E.C. 16-587

Ladies and Gentlemen of the Florida Elections Commission:

At NO time has the Director of Division of Elections proceeded following the important words **BOLD** words of 99.061 clear shows the basis of a possible future complaint against the Division of Elections.

The importance of the finding that no candidate that has zero contributions and zero expenditures (the qualifying fee is also exempt)...

For this reason the simple effort to terminate the error early deliver of qualifying paperwork in advance of the maximum 14 days. NOT the Division of Elections shall NOT hold.....that means the Division of Elections failed to return or destroy the paperwork delivered in error in advance of the 14 day maximum.

Further review will be the basis of if necessary my filing a Confidential Complaint against those at the Division of Elections that have caused paperwork to create a candidate when there never was a candidate in May 2016 (RPD).

In fact the law is stringent; the Division of Elections is not allowed to review the words on the forms when submitted for qualifying.

I request that the Division of Elections withdraw from placing a Confidential Complaint about Richard Paul Dembinsky.

Richard Paul Dembinsky's paper work submitted in May was an error and

the Division of Elections failed to provide in their correspondence that a DS 9 form is not required when the candidate does NOT have contributions or expenditures (both ZERO).

Please withdraw the Compliant submitted to the Florida Elections Commission.

I will NOT tolerate anyone damaging my good character as I can prove I eventually ran for State Senate District 14 without campaigning or gathering contributions or spending funds beyond the qualifying fee.

I have set May 1, 2017 as the decision as how I can move forward to resolve this stressful and unfriendly approach to citizens determined only provide an opportunity to allow Dorothy L. Hukill to judge her acceptance by the voters of State Senate District 14.

This is and has been a Civics Lesson nevertheless, any way to correct the actions of the Division of Elections of Florida will not stop my advance of proving that Florida Constitution guaranteesEqual Civil and Political Rights for ALL.

STATE OF FLORIDA
ELECTIONS COMMISSION

Note:

The notification letter announcing that the “candidate” is an official candidate does not provide the above direct link to the “Candidate EFS User’s Guide”; there is no way a potential candidate could study the EFS system prior to the immediate demand to file a report. Each candidate that submits paperwork last day of the month typically must file a report within 10 days of the immediate next month, the complexity of reporting and the unstable EFS program means that when you get the password you have at best a few days to review the 57 page EFS user guide once you have a password to study how to use the system. Even if you used it two years prior, it is too complex to remember how to use it. Then add the EFS system is often down; it was down for 3 days at beginning of May 2016. Because this was a termination report for a campaign forced to be a campaign by the way the Division of Elections puts candidates in a difficult way. No easy way to terminate “campaign”; after considerable State Website search, reporting calendar, special codes are only presented by downloading the

paper copies (not allowed to be used) (third sheet has special codes)

The complexity of the EFS system can only be understood after one is a candidate; no access to the EFS unless you have a password. When time is limited researching thousands of pages to formulate a solution to correctly complete using the complex codes that are not fully defined is impossible. One has to assume the same codes at page 3 of the paper pdf copies apply.

The additional point is that when there are NO contributions, and no expenditures the paper instructions for completing the forms does not directly apply. Why would zero contributions have to have name, address etc.? Why would zero expenditures have to have name, address etc.?

Since recently the Division of Elections HAS demand correction (in their opinion) of my use of the REF (REFUND) on my June qualified TERMINATION report and WANT ME TO instead use DIS. I have refused to enter the EFS system because it is so unstable I could end up deleting my completed TERMINATION REPORT FOR MY ACTUAL STATE SENATE DISTRICT 14 CAMPAIGN REPORT.

SUBMITTED BY RICHARD PAUL DEMBINSKY,

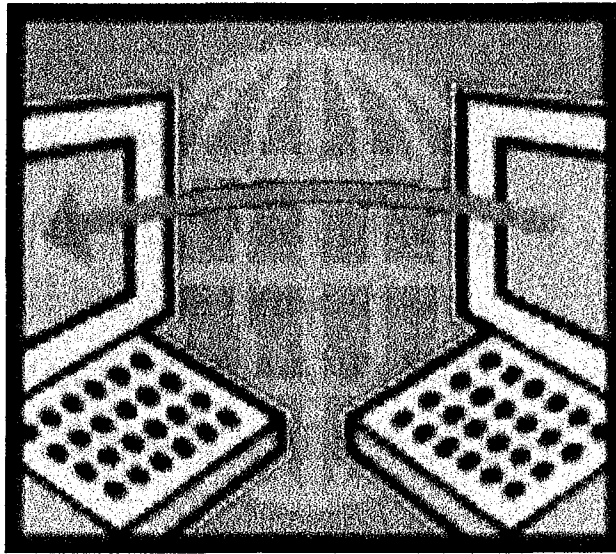

I APOLOGIZE FOR TAKING SO MUCH OF THE COMMISSION'S TIME BUT I WANT THIS UNSTABLE AND UNFRIENDLY EFS PROGRAM TO BE TRASHED FOR THOSE CANDIDATES NOT SPENDING MORE THAN \$5000 AS IS THE CASE FOR FEDERAL CANDIDATES.

IF NOTHING ELSE THE DIVISION OF ELECTIONS SHOULD HOLD QUALIFYING PAPERWORK AND NOT IMMEDIATELY CREATE A CANDIDATE UNTIL THE PENDING CANDIDATE RECIEVES HIS PASSWORD TO THE EFS SYSTEM AND THE EFS SYSTEM HAS BEEN CONTINUOUSLY AVAILABLE FOR 10 DAYS.

OBVIOUSLY, THE DIVISION OF ELECTIONS SHOULD NOT BE SO QUICK TO SEND CANDIDATES TO THE FLORIDA ELECTIONS COMMISSION WHEN THE DISPUTED DOCUMENT IS IN FACT THE TERMINATION REPORT. THERE IS NO REASON THAT A ZERO CONTRIBUTION AND ZERO EXPENDITURE TYPE REPORT SHOULD EVER BE BEFORE THE FLORIDA ELECTION COMMISSION.

INSTRUCTIONS FOR CAMPAIGN TREASURER'S REPORT - ITEMIZED EXPENDITURES

- (1) Candidate's full name or name of the political committee (PC), electioneering communications organization (ECO), or party executive committee (PTY).
- (2) Identification number assigned by the filing officer.
- (3) Cover period dates (01/01/15 through 01/31/15). (See filing officer's reporting dates calendar for appropriate cover periods.)
- (4) Page numbers (e.g., 1 of 3).
- (5) Date of expenditure (Month/Day/Year).
- (6) **Sequence Number** - Each detail line shall have a sequence number assigned to it. Sequence numbers are to be assigned within each reporting period and for each type of detail line. Thus the report type, detail line type, and sequence number will combine to uniquely identify a specific contribution, expenditure, distribution or fund transfer. This method of unique identification is required for responding to requests from the filing officer and for reporting requirements.

For example, a M1 report having 40 expenditures would use sequence numbers 1 through 40. The next report (M2), comprised of 30 expenditures would use sequence numbers 1 through 30. Expenditures on amended M1 reports would begin with sequence number 41 and on amended M2 reports would begin with sequence number 31. See *Amendment Type* instructions below.

- (7) Full name and address of entity receiving payment (including city, state and zip code).
- (8) Purpose of expenditure (if expenditure is a contribution to a candidate, also type the office sought by the candidate). **PLEASE NOTE:** This column does not apply to candidate expenditures, as candidates cannot contribute to other candidates from campaign funds. However, PCs (supporting candidates) and party executive committees contributing to candidates must report office sought (Section 106.07, F.S.).
- (9) Enter Expenditure Type using one of the following codes:

Code	Description
CAN	Candidate Expense
DIS	Disposition of Funds
DFC	Disposition of Funds to Future Campaign (effective 11/1/13)
DPP	Disposition of Funds to Political Party (effective 11/1/13)
DPV	Disposition of Funds to Petition Verification (effective 11/1/13)
ECC	Electioneering Communication
IEC	Independent Expenditure Regarding a Candidate
IEI	Independent Expenditure Regarding an Issue
MON	Monetary (Not to a Candidate)
PCW	Petty Cash Withdrawn
PCS	Petty Cash Spent
PPD	Pre-paid Distribution
REF	Refund (Negative Amount Only)
RMB	Reimbursements
TOA	Transfer to Office Account (Disposition of Funds)

- (10) **Amendment Type** (required on amended reports) - To add a new (previously unreported) expenditure for the reporting period being amended, enter "ADD" in amendment type on a line with ALL of the required data.

The sequence number for expenditures with amendment type "ADD" will start at one plus the number of expenditures in the original report. For example, amending an original M1 reports that had 75 expenditures, means the sequence number of the first expenditure having amendment type "ADD" will be 76; the second "ADD" expenditure would have sequence number 39.

To correct a previously submitted expenditure use the following drop/add procedure. Enter "DEL" in amendment type on a line with the sequence number of the expenditure to be corrected. In combination with the report number being amended, this sequence number will identify the expenditure to be dropped from your active records. On the next line enter "ADD" in amendment type and ALL of the required data with the necessary corrections thus replacing the dropped data. Assign the sequence number as described above.

(11) Amount of expenditure.

- (4) Page numbers (e.g., 1 of 3).
- (5) Date contribution was RECEIVED (Month/Day/Year).
- (6) **Sequence Number** – Each detail line shall have a sequence number assigned to it. Sequence numbers are to be assigned within each reporting period and for each type of detail line. - (7) Type full name and address of contributor (including city, state and zip code).

RCT	Other Receipts
REF	Refund (Negative Amount Only)

- (10) Type the description of any in-kind contribution received.

Candidate's Only – If in-kind contribution is from a party executive committee and is allocable toward the contribution limits, type an "A" in this box. If contribution is not allocable, type an "N".

- (11) **Amendment Type** (required on amended reports) – To add a new (previously unreported) contribution for the reporting period being amended, enter "ADD" in amendment type on a line with ALL of the required data.

The sequence number for contributions with amendment type "ADD" will start at one plus the number of contributions in the original report. For example, amending an original M1 report that had 75 contributions means the sequence number of the first contribution having amendment type "ADD" will be 76; the second "ADD" contribution would be 77, etc. When amending an original M2 report that had 40 contributions, the sixth "ADD" contribution would have sequence number 46.

To correct a previously submitted contribution use the following drop/add procedure. Enter "DEL" in amendment type on a line with the sequence number of the contribution to be corrected. In combination with the report number being amended, this sequence number will identify the contribution to be dropped from your active records. On the next line enter "ADD" in amendment type and ALL of the required data with the necessary corrections thus replacing the dropped data. Assign the sequence number as described above.

- (12) Type amount of contribution received. **Political Committees ONLY**: Multiple uniform contributions from the same person, aggregating NMT \$250 per calendar year, collected by an organization that is the affiliated sponsor of a PC, may be reported by the PC in an aggregate amount listing the number of contributors together with the amount contributed by each and the total amount contributed during the reporting period. The identity of each person making such uniform contribution must be reported to the filing officer by July 1 of each calendar year, or, in a general election year, NLT the 60th day immediately preceding the primary election.

I expect several actions by the Commission during the following months so I want to know each of the

Commissioners that makes the legal decision on my various cases pending in 2017.

P.S. Have one action pending in March and expect the Director of the Division of Elections will continue the abuse and make me again in trouble with the FEC over what should have been resolved by the Director without forcing a candidate to be over extended by fines that are likely. I will NEVER pay a fine so I want to know each of the Commissioners so I can sit in jail remembering their action in support of the Unfair EFS approach for penalties for a self funded candidate who never spends money to campaign. The mission of the FEC appears to be more doing whatever the Division of Elections determines by its unstable and extremely complex computer program. Why zero expenditures is required to list the name and address clearly shows the

program is not realistic and forces fines on candidates.

I am almost 70 years old and I run in various elections as a civics lesson, and I have a limited amount of time remaining to understand why the State of Florida Florida Election Commission does not stand with candidates questioning the program used by the Division of Elections to determine a violation has occurred.

NO candidate spending zero dollars (qualifying fee by self contribution) should be subject to this massive abusive computer program; years ago paper forms were allowed and were easier to not make a mistake.

The potential fine for filing the report late that reflects the payment of the qualifying fee would be one-fourth of the qualifying fee assuming no other contributions and expenditures exist. For other reports with no contributions or expenditures, there would not be a fine for late filed waivers, but there is a potential for fines for failing to file a waiver. Up to \$1000 per report.

I want to complete my paperwork for State Senate District 14, however, I will be traveling for the next 5 months and completing in a timely fashion the numerous campaign reports will be difficult and stressful.

I will only pay the qualifying fee.....then leave.....NO contributions other than the \$1781 to my self to pay the expense of the fee.....the words seem to say it will be \$500 a day.....for at least the first report .

I will make a special effort to complete the first campaign report showing my contribution to my campaign and my expense of paying the qualifying fee.

Could YOU please GUESS if I would not have to pay a fine for the total summer if I completed the first and only contribution and expense.

I will make effort to inform the Honorable Dorothy L. Hukill the "incumbent" of my campaign spending of ZERO.

Subject: Please when time allows attempt to answer General Questions about qualifying (Honorable Alan Grayson YOU do not have to read this but I am making a point to Div. of Elections) 3

Email: DivElections@dos.myflorida.com

Good Afternoon: Director of the Division of Elections

1. When a candidate mails weeks in advance of the qualifying date (maximum 14 days before June 20)....does the Division of Elections have time to review submitted forms prior to the actual qualifying week? Or does the forms just sit unopened until the qualifying week? **RESPONSE:** The Division will review and advise the candidate of any noticeable errors in the qualifying papers submitted during the 14-day period prior to the beginning of the qualifying period. However, the Division is not able to notify a candidate whether he/she is qualified until the beginning of the qualifying period on June 20th.
2. I am considering mailing my forms prior to the qualifying week but wait until Monday of qualifying week to submit the \$6960 check from my campaign account so it will not be with the forms initially submitted. Is this a problem for the Division of Elections, that is receiving the required check LATER than the forms? **Response:** No. The Division merely needs completed qualifying papers before the end of the qualifying period (noon, June 24th)
3. Wondering if I a 2/3 Refund on my qualifying fee within 30 days, seeing the law requires you to refund major party 2/3 of the qualifying fee, just a few years ago; there was a 1/3 or so party assessment (okay) but this new 2/3 rule seems against the Florida Constitution that states: 'guarantee equal civil and political rights for all' The NPA candidates should get better service on our questions since we pay a greater amount when it comes to the qualifying fee. (STATEMENT for the RECORD) Trust you cannot get Department Attorney to provide cover for this unfair feature of the election laws. **Response.** The law does not authorize the refund of any portion of the NPA qualifying fee unless the candidate withdraws as a candidate before the end of the qualifying period. Please note that the qualifying fee of an NPA candidate does not include a party assessment.
4. Okay, a REAL question.....should I decide to save the \$6960 and use the money to inform voters of the purpose behind the Line on a ballot that has a Write In candidate (s) **RESPONSE:** Only you can answer this question; we cannot provide advice to you on this matter.
5. Now I am leaning to running for Congress rather than U.S. Senate since Alan Grayson provided me an informative email yesterday on his run for U.S. Senate. **RESPONSE:** You have a right to qualify for whatever office you are eligible to qualify.

6. So while I realize it is next to impossible to get elected as a WRITE-IN I may just run for Congressional District 6, however, was hoping my long name fits on the line of theRichard Paul Dembinsky..... I was hoping to qualify as a candidate using my initials ONLY.....YES, stupid but RPD fits on the line. Response: Rule 1S-2.032 requires the names of candidates to be no less than 10-point font size on the printed ballot; however, the rule permits Supervisors of Elections to deviate from the rule if the candidate's name is too long to fit on one line in the minimum font size. If you qualify as a write-in candidate, a vote will count for you even if the voter abbreviates, misspells, or otherwise varies from your actual name as long as the canvassing board can determine that the vote was for you. The voter need not write in your complete name. As to using "RPD" as your name for qualifying, I call your attention to the Division's Advisory Opinion 86-06; "RPD" may not be a name by which you have adopted and are sufficiently known or one which you have adopted and under which you transact private and official business

Gentlemen:

Please for love of GOD.....fix the computer at the Division of Elections...because it is extremely abusive of candidates.

I notice you, Mr. George B Gainer and YOU Mr. Douglas V. Bronson are also victims of the abuse of the computer programmer of the Division of Elections.

Please give an oral statement to Florida Election Commission on my behalf because I am about to go to Jail or have my credit totally destroyed simply for minor computer inputs the Division of Elections is Demanding of Candidates.

YOU are elected can YOU as Republicans fix this Unfair and Abusive Division of Elections Computer that is unstable and needing a complete reprogramming to avoid fines and abuse.

**Richard Paul Dembinsky
748 Renegade Lane
Port Orange, Florida 32127**

I am being abused by the Division of Elections and will have several black marks by the Florida Election Commission.

Come visit me in Jail....I am not going to pay one cent and I not going to be abused by the Division of Elections. PERIOD.

When a candidate that is not gathering contributions or having but one expenditure (the qualifying fee) has to be continually abused by the Division of Elections I will NOT tolerate it much longer.

It is truly silly for the government of Florida to do this to candidates and then after going to the FEC having a millionaire have to pay \$5.00 fine is abusive and poor government.

You as Republicans don't have time to investigate but a common caring candidate like me will be abused by the Division of Elections until the day I die unless less YOU stop help me stop this stupid and continuing computer abuse of candidates.

No contributions....means no need to list name, address etc....yet I am before the FEC because of this..I had zero expenditures and I am being abused by the Division of Elections and FEC (pending)

In 3 days I will no longer be
a professional engineer so
in my retirement ~~to~~ will continue
to work for reasonable Florida
government, I wish you well
in your career, keep notes so
you too can publish a book
entitled "Uncensored Social
Currency by A.O.K." (google it)
You should realize that this
has and will continue to be
a civics lesson. My experiences
as a candidate can prove

is abusive and the laws are
unconstitutional. I await
a friend paying back his
million of dollars to loan
me the money to finally
demonstrate that what
Florida is doing to
candidates must stop!
Since the Division of Elections
COMPOTE took over years back there has been
no reasonable solution to
common sense problems

over

Why would someone
make to list the
name and address
of an expenditure

ZERO

The program of the
Division of Elections Computer
has provided for this abuse
Zero means zero expenditure,
no need for address name
etc

Then who put the burden
of Election in charge
of deciding when a person
wants to be a candidate
their in control. Only
during (Qualifying Week)

If they ever and make
a person a candidate
then if causes the ~~abuse~~ abuse
of citizens via the FEC,

When the Division of
Electrons accepts mail

It is assumed by

the Division of Electrons

that the person submitting

the paper work fully realized

that even though the

mail was not to

be held because it

was obviously submitted

prior to qualifying

Week, The Division
of Elections

Immediately

Write

V O / D

ON THE draft

Check that may
have already been cancelled

If you are driving down a street at the speed limit or less and there is a sign ahead slow down to 30 MPH, you slow down unless you want to risk a ticket,

Say you get within a inch ~~of~~ beyond the speed sign 30 MPH, technically you are subject to a fine, however, a reasonable person, police

officer or a judge
would say one mile over
the speed limit could
have been avoided but
the driver could demonstrate
mitigating factors, like
his speed was 30 at the
last time or second before
he looked at the speed.
So actual with all
things there are
rules,

When the Division of
Elections accepts mail

It is assumed by

the Division of Elections

that the person submitting

that even though the

mail was not to

So now the person
who is NOT a candidate
must wait and wait
until the pass code arrives

to see how the
error like speeding

line of 30 mph)
could be handled.

The Electronic System

No access even after

farmers do NOT

the Division of Elections

How then with ZERO contribution

The moment
The Division of

especially the
draft check was

The poster / candidate
had NO Contribution

14 fact for days

in advance communicate

~~can~~ (via phone) could

Not get one person
to stop the pending

abuse, By the Dr
of Elections deciding

that a person is a

candidate made the

use of electronic filing

system Mandatory.

Conclusion

I don't have money to pay a fine for something that was caused by the Div. of Elections NOT Returning

All Paperwork

The Div of Elections & How the Person Submitting the forms Errored By turning

The FEC Should

NOT be involved with it

Funds are accepted or
expended,
Federal law gives the
first \$5000 before
reporting is required.
Okay, that is not
Florida law,

date on forms does
not mean start
of FEC involvement,

May 2 letter mailed to
"What Do of Elections
decided on May 2 was
a candidate, - All
paper work was NOT
to be held if
more than 14
days before
quality in week

As soon as it was
determined that
the Div. of Election
forced me to be
a candidate I
was when I
stopped every thing
I had no way
of complying
with the string out
reporting rules I
had not established
if I could have
interfere service etc.

Not communicating with
individuals who made
errors. The paper work
should have been destroyed
or returned.

Forcing the use of
computer to "exit"
when the ID is of
Elections caused
more exit as

soon as they

stamped V/D/D

on draft check,

Zero means Zero
contributions

Zero means Zero
expenditures

So May 2, a letter
send to potential
candidate, but
such person did not
receive prior to
the Division
forcing the person
to be a candidate
in May when

paper work would
have to be submitted
again.

I have not
organized these
records but I
know in my
heart that this
is abuse (by DV
& Elections)

NOTICE OF HEARING (PROBABLE CAUSE DETERMINATION)

A hearing will be held in this case before the Florida Elections Commission on, **May 17, 2017 at 10:30 am, or as soon thereafter as the parties can be heard**, at the following location: **Augustus B. Turnbull Conference Center, 555 West Pensacola Street, Room 214, Tallahassee, Florida 32301**

Failure to appear in accordance with this notice will constitute a waiver of your right to participate in the hearing. Continuances will be granted only upon a showing of good cause.

This hearing will be conducted pursuant to Section 106.25, Florida Statutes, which governs your participation as follows:

If you are the Respondent, you may attend the hearing, and you or your attorney will have *5 minutes* to present your case to the Commission. However, some cases (including those in which consent orders or recommendations for no probable cause are being considered) may be decided by an *en masse* vote and, unless you request to be heard or the Commission requests that your case be considered separately on the day of the hearing, your case will *not* be individually heard.

If you are the Complainant, you may attend the hearing, but you will *not* be permitted to address the Commission. In addition, some cases (including those in which consent orders or recommendations for no probable cause are being considered) may be decided by an *en masse* vote and, unless the Respondent requests to be heard or the Commission requests that the case be considered separately on the day of the hearing, the case will *not* be individually heard.

If you are an Appellant, and you have requested a hearing, you may attend the hearing, and you or your attorney will have *5 minutes* to present your case to the Commission.

Please be advised that both confidential and public cases are scheduled to be heard by the Florida Elections Commission on this date. As an Appellant, Respondent or Complainant in one case, you will *not* be permitted to attend the hearings on other confidential cases.

The Commission will electronically record the meeting. Although the Commission's recording is considered the official record of the hearing, the Respondent may provide, at his own expense, a certified court reporter to also record the hearing.

See further instructions on the reverse side.

Amy McKeever Toman
Executive Director
Florida Elections Commission
May 1, 2017

Please refer to the information below for further instructions related to your particular hearing:

If this is a hearing to consider **an appeal from an automatic fine**, the Filing Officer has imposed a fine on you for your failure to file a campaign treasurer's report on the designated due date and, by filing an appeal, you have asked the Commission to consider either (1) that the report was in fact timely filed; or (2) that there were unusual circumstances that excused the failure to file the report timely. You are required to prove your case. If the Commission finds that the report was filed timely or that there were unusual circumstances that excused the failure, it may waive the fine, in whole or in part. The Commission may reduce a fine after considering the factors in Section 106.265, Florida Statutes. If the Commission finds that the report was not timely filed and there were no unusual circumstances, the fine will be upheld.

If this is a hearing to consider a **consent order before a determination of probable cause has been made**, the Commission will decide whether to accept or reject the consent order. If the Commission accepts the consent order, the case will be closed and become public. If the Commission rejects the consent order or does not make a decision to accept or deny the consent order, the case will remain confidential, unless confidentiality has been waived.

If this is a hearing to consider a **consent order after a determination of probable cause has been made**, the Commission will decide whether to accept or reject the consent order. If the Commission accepts the consent order, the case will be closed. If the Commission rejects the consent order or does not make a decision to accept or deny the consent order, the Respondent will be entitled to another hearing to determine if the Respondent committed the violation(s) alleged.

If this is a **probable cause hearing**, the Commission will decide if there is probable cause to believe that the Respondent committed a violation of Florida's election laws. Respondent should be prepared to explain how the staff in its recommendation incorrectly applied the law to the facts of the case. *Respondent may not testify, call others to testify, or introduce any documentary or other evidence at the probable cause hearing.* The Commission will only decide whether Respondent should be *charged* with a violation and, before the Commission determines whether a violation has occurred or a fine should be imposed, Respondent will have an opportunity for another hearing at which evidence may be introduced.

If this is an **informal hearing**, it will be conducted pursuant Sections 120.569 and 120.57(2), Florida Statutes; Chapter 28 and Commission Rule 2B-1.004, Florida Administrative Code. At the hearing, the Commission will decide whether the Respondent committed the violation(s) charged in the Order of Probable Cause. The Respondent will be permitted to testify. However, the Respondent may not call witnesses to testify.

Respondent may argue why the established facts in the Staff Recommendation do not support the violations charged in the Order of Probable Cause. At Respondent's request, the Commission may determine whether Respondent's actions in the case were willful. The Respondent may also address the appropriateness of the recommended fine. If Respondent claims that his limited resources make him unable to pay the statutory fine, *he must provide the Commission with written proof of his financial resources* at the hearing. A financial affidavit form is available from the Commission Clerk.

The Honorable Senator Dorothy Hukill was contacted regarding the FEC's Staff Recommendation.

I beg YOU to help me avoid a Florida Elections Commission action against me for my error in submitting my qualifying payment work early, it should have been destroyed or returned to me...the Division of Elections was not authorized to take action on the paperwork. ON May 1, 2016, they opened my qualifying paperwork including the check.....they quickly stamped Void on the check but why i was not sure I could comply with the stringent reporting and risk of fine; I was in email contact with Gary Holland; Anyway today I received Staff Recommendation instructing the FEC to find me in violation for not finalizing the demands of the termination paperwork (May 8); I could not the EFS system was down and further more the Division of Elections is demanding something that makes NO Sense...who gave me ZERO contributions (address name etc.) what is the name of ZERO Expenditure.

WE have never met and that was by design..I in June submitted qualifying paperwork to provide you a benchmark to show 72 percent of the votes love YOU.

Please send a not to the Staff of the Florida Elections Commission helping me show I am of good character and only doing this as a civics lesson. April 2 is deadline for this pending May action by the 9 members.

Thanks

Finally Honorable Senator

did you every see the movie ? FALLING DOWN

A middle-aged man dealing with both unemployment and divorce, William Foster (Michael Douglas) is having a bad day. When his car breaks down on a Los Angeles highway, he leaves his vehicle and begins a trek across the city to attend his daughter's birthday party. As he makes his way through the urban landscape, William's frustration and bitterness become more evident, resulting in violent encounters with various people, including a vengeful gang and a dutiful veteran cop (Robert Duvall).

I cannot afford to go to Tallahassee to debate the reasons I should not be subject to a FEC fine....but I will not be a happy person should after all these years of "challenging YOU" I end up in Jail because of such confusing issue...who gave me ZERO contributions and Who was the ZERO expenditure in the quickly submitted termination report. (8 days from) issues on how DoE quickly posts paperwork that should have been destroyed.

STATE OF FLORIDA
ELECTIONS COMMISSION

STAFF RECOMMENDATION FOLLOWING INVESTIGATION

Pursuant to Section 106.25(4)(c), Florida Statutes, undersigned staff counsel files this written recommendation for disposition of the referral in this case recommending that there is **probable cause** to charge Respondent with violating **Section 106.07(2)(b)1., Florida Statutes**. Based upon a thorough review of the Report of Investigation submitted on February 14, 2017, the following facts and law support this staff recommendation:

1. On October 18, 2016, the Florida Elections Commission ("Commission") received a referral from the Department of State, Division of Elections ("Division"), alleging that Richard Paul Dembinsky ("Respondent") violated Chapter 106, Florida Statutes.
2. Respondent was a 2016 candidate for State Senator, District 14. Respondent's Statement of Candidate form ("DS-DE 84") was filed on April 29, 2016. (ROI Exhibit 14)¹
3. By letter dated January 27, 2017, the Executive Director notified Respondent that Commission staff would investigate the following statutory provision:

Section 106.07(2)(b)1., Florida Statutes: Respondent, a 2016 candidate for State Senate, and acting as his own treasurer, failed to timely make necessary amendments to the campaign's 2016 campaign termination report, as alleged in the complaint.

could not withdraw faster EFS down

4. On April 29, 2016, Respondent filed his Appointment of Campaign Treasurer and Designation of Campaign Depository for Candidates form ("DS-DE 9") appointing himself as treasurer for his campaign. (ROI Exhibit 2)
5. By letter dated May 2, 2016, Kristi Reid Bronson, Chief, Bureau of Election Records, sent Respondent a letter acknowledging that the Division had received his DS-DE 9 and that his name was placed on the 2016 active candidate list. (ROI Exhibit 3, page 1)
6. The acknowledgment letter advised Respondent that all candidates filing reports with the Division are required to use the electronic filing system ("EFS"), and provided Respondent with a user identification number and initial password to grant access to the EFS. (ROI Exhibit 3, page 1) The letter further advised Respondent that all of the Division's publications and reporting forms were available on its website and directed Respondent to print

7. Respondent's 2016 Termination Report was filed on May 13, 2016. The report was incomplete when filed.

8. The Division sent three letters notifying Respondent that his report was incomplete and that Respondent was required to amend the report within 7 days of receipt of the notification. An Error Report showing why the report was incomplete was attached to each notification. (ROI Exhibits 8-10) The final notification was confirmed delivered. (ROI Exhibit 10, page 3) As of February 9, 2017, Respondent had not filed the required amendment to his report. (ROI Exhibit 13)

9. Respondent stated that the Division forced him to be a candidate when he was about to move to Michigan for the summer, and that he had no internet access in Florida. (ROI Exhibit 11) He stated that in May 2016, the EFS was down at some point for three days. (ROI Exhibit 12, page 1)

10. Respondent was not a first-time candidate. Respondent has run for office on seven occasions. Respondent withdrew his candidacy on May 9, 2016, which caused the 2016 Termination Report to become due. At that time, he stated that he would refuse to complete any campaign report or exit form. (ROI Exhibit 5, page 1) On June 1, 2016, Respondent filed a DS-DE 9 and again became a 2016 candidate for State Senator, District 14. (Attachment A) He was defeated in the general election.

11. "Probable Cause" is defined as reasonable grounds of suspicion supported by circumstances sufficiently strong to warrant a cautious person in the belief that the person has committed the offense charged. *Schmitt v. State*, 590 So. 2d 404, 409 (Fla. 1991). Probable cause exists where the facts and circumstances, of which an [investigator] has reasonably trustworthy information, are sufficient in themselves for a reasonable man to reach the conclusion that an offense has been committed. *Department of Highway Safety and Motor Vehicles v. Favino*, 667 So. 2d 305, 309 (Fla. 1st DCA 1995).

12. The facts set forth above show that Respondent was a 2016 candidate for State Senator, District 14, and was acting as his own treasurer. Respondent failed to timely file the required amendment to his 2016 Termination Report within 7 days of receiving notification from the Division that the report was incomplete and required amendment.

Based upon these facts and circumstances, I recommend that the Commission find probable cause to charge Respondent with violating the following:

On or about October 6, 2016, Richard Paul Dembinsky violated Section 106.07(2)(b)1, Florida Statutes, when he failed to timely file an addendum to his 2016 Termination Report within seven

FLORIDA ELECTIONS COMMISSION
REPORT OF INVESTIGATION
Case No.: FEC 16-587

Respondent: Richard Paul Dembinsky

Complainant: Division of Elections

On October 18, 2016, the Florida Elections Commission (“Commission”) received a referral from the Division of Elections alleging that Respondent violated Chapter 106, Florida Statutes. Commission staff investigated whether Respondent violated the following statute:

Section 106.07(2)(b)1, Florida Statutes, failure of the treasurer of a candidate to file an addendum to an incomplete report after receiving notice from the filing officer.

I. Preliminary Information:

1. Respondent is a six-time candidate for State Senate, District 14 in the 2016 election. Respondent first ran for State Representative, District 28 in 2004, and was defeated; he subsequently ran for Governor in 2006, and was defeated; he then ran for State Senator, District 7 in 2008 and was defeated; he subsequently ran for State Representative, District 28 in 2010, and was defeated. In the 2016 election, he ran for State Senate, District 14, and withdrew his candidacy after he filed his paperwork before the qualifying period.

2. Complainant is the Division of Elections (Division).

3. Respondent’s filing officer is Kristi Reid-Bronson, Chief, Bureau of Election Records.

II. Alleged Violation of Section 106.07(2)(b)1, Florida Statutes:

4. I investigated whether Respondent violated this section of the election laws by failing to file an amended 2016 campaign termination report after receiving notice from the filing officer.

5. On October 18, 2016, a DOE staff representative, Kristi Reid-Bronson, submitted a sworn affidavit regarding Respondent’s failure to file an addendum to his 2016 TR Report, or to provide a written explanation as to why no addendum had been filed. To review the sworn affidavit, refer to Exhibit 1.

6. On April 29, 2016, Respondent filed the Appointment of Campaign Treasurer and Designation of Campaign Depository (DS-DE 9) form with the Division. He appointed himself as treasurer. To review the DS-DE 9 form, refer to Exhibit 2.

7. On May 2, 2016, the Division sent Respondent a letter acknowledging his Appointment of Campaign Treasurer and Designation of Campaign Depository for the office of State Senator. The letter advised him that all candidates filing reports with the Division are required to use the electronic filing system (EFS), and provided him with his user identification number and initial password allowing him to access the EFS. To review acknowledgment letter, refer to Exhibit 3.

8. On May 2, 2016, Complainant sent Respondent a letter returning his voided qualifying check for \$1,187.88, the Candidate Oath, and the Financial Disclosure forms he had submitted on April 29, 2016. The letter states, "These documents must be filed during the qualifying period. The Division will begin accepting qualifying paperwork no earlier than June 6, 2016." To review a copy of the original letter and voided check, refer to Exhibit 4.

9. On May 8, 2016, Respondent emailed his filing officer, requesting to withdraw his name as a candidate for State Senate, District 14. In the email, he stated the EFS was not working, and he could not locate the proper form to withdraw his name. He stated that he refused to complete any campaign report, exit form, or anything the "unfair election laws requires". To review the email, refer to Exhibit 5.

10. On May 10, 2016, Complainant mailed Respondent an acknowledgement that they received his email informing them of his withdrawal as a 2016 candidate for the office of State Senate, District 14. Complainant notified Respondent that he was required to file a 90-day termination report no later than August 7, 2016. Complainant attached instructions on how to file the termination report prior to August 7, 2016. This letter was sent to the address Respondent provided in his DS-DE 9 form (Exhibit 2). To review the May 10, 2016 letter, refer to Exhibit 6.

11. On May 13, 2016, Respondent filed an original 2016 TR campaign treasurer's report with his filing officer. Respondent reported receiving contributions totaling \$0, while not making any expenditures during this reporting period. To review a copy of the original 2016 TR report, refer to Exhibit 7.

12. On July 28, 2016, Complainant mailed Respondent notification that the 2016 TR campaign treasurer's report was incomplete. Complainant attached a list of errors to this letter, that specifically stated the errors that required amending. This letter was sent to the address Respondent provided in his DS-DE 9 form (Exhibit 2). To review the letter, refer to Exhibit 8.

13. On August 15, 2016, Complainant mailed Respondent a second notification that the 2016 TR campaign treasurer's report was incomplete. Complainant attached a list of errors to this letter, that specifically stated the errors that required amending. This letter was sent to the address Respondent provided in his DS-DE 9 form (Exhibit 2). To review the letter, refer to Exhibit 9.

14. On September 20, 2016, Complainant mailed Respondent a final notification with delivery confirmation that the 2016 TR campaign treasurer's report was incomplete. Complainant attached a list of errors to this letter, that specifically stated the errors that required amending. This letter was sent to the address Respondent provided in his DS-DE 9 form (Exhibit 2). This letter also included a delivery confirmation receipt. To review final notification, refer to Exhibit 10.

15. In a telephone interview on February 1, 2017, Respondent stated he had sent in his

qualifying check, however, the Division returned this check to him as he did not qualify. He stated he was never really a candidate at that time, and had multiple telephone conversations with the Division's attorney, Mr. Gary Holland, as he had continued difficulty trying to comply with all the rules that the Division had in place for people who wanted to run for office. For telephone conversation, refer to Exhibit 11.

16. Also in the telephone interview, Respondent stated that the EFS was very frustrating and "did not allow for common sense". He explained that the EFS system was down for three days, and he could not file anything during that time period. He did not have internet service while in Florida, and shortly after he filed as a candidate, he moved back to Michigan for the summer. Respondent stated he did not want to be sent anything more regarding the complaint, and would not fill out an affidavit. (Exhibit 11).

17. Respondent submitted a written response by mail, in which he stated, "The Division of Elections had no authorization to cause me to be a candidate in May 2016. EFS down three days, no password to exit. Where does it authorize Division of Elections to open and take action on form filed in error? Numerous calls to Division of Elections concerning stringent reporting calendar in May 2016. I was not in position to be a candidate. Ask Gary Holland of my detailed emailing to not be candidate in May 2016." To review written response, refer to Exhibit 12.

18. On February 8, 2016, FEC staff made contact via email with the Division's representative, Ms. Kristi Reid-Bronson, to inquire about the status of the 2016 TR Report. Ms. Reid-Bronson advised FEC staff on February 9, 2016 that this report remains incomplete. To review the February email communication, refer to Exhibit 13.

IV. FEC History:

19. In the matter of FEC 07-108, the Florida Elections Commission, at its May 2007 meeting, upheld the automatic-fine of \$250 and issued a default final order, which was filed with the clerk of the commission on April 2, 2007.

Conclusion:

20. In the May 2, 2016 acknowledgement letter, Respondent was informed that all of the Division's publications were available online at the Division's website. In the letter, Respondent was admonished as follows: **It is your responsibility to read, understand, and follow the requirements of Florida's election laws. Therefore, please print a copy of the following documents: Chapters 104 and 106, Florida Statutes, Candidate and Campaign Treasurer Handbook, Calendar of Reporting Dates, and Rule 1S-2.017, Florida Administrative Code.** To review a copy of the May 2, 2016 acknowledgement letter, refer to Exhibit 3.

21. On April 26, 2016, Respondent filed his Statement of Candidate for Florida Senate, District 14 (DS-DE 84), acknowledging that he had been provided access to read and understand the requirements of Chapter 106, Florida Statutes. It is also noted, as discussed in paragraph 1 of this report, that Respondent has run for office on at least six prior occasions. To view a copy of the DS-DE 84, refer to Exhibit 14.

22. In the telephone conversation with Respondent on February 1, 2017 (Exhibit 11), he stated he did not want to be contacted by the FEC again regarding this complaint. A final interview was not held, per this request.

Respectfully submitted on February 14, 2017.

Dear Mr. Dembinsky:

This will acknowledge receipt of the Appointment of Campaign Treasurer and Designation of Campaign Depository for the office of State Senator, which was placed on file in our office on April 29, 2016. Your name has been placed on the 2016 active candidate list.

Campaign Treasurer's Reports

Your first campaign treasurer's report will be due on **May 10, 2016**. The report will cover the period of April 1-30, 2016 (M4). All candidates who file reports with the Division of Elections are required to file by means of the Division's Electronic Filing System (EFS).

Credentials and Sign-ons

Below is the web address to access the EFS and your user identification number. The enclosed sealed envelope contains your initial password. Once you have logged in using the initial password, you will be immediately prompted to change it to a confidential sign-on. You, your campaign treasurer, and deputy treasurers are responsible for protecting these passwords from disclosure and are responsible for all filings using these credentials, unless the Division is notified that your credentials have been compromised.

EFS Website Address: <https://efs.dos.state.fl.us>

Identification Number: 65961

Pin Numbers

Pin numbers are confidential secure credentials that allow you to submit reports and update personal information. The enclosed sealed envelope contains your confidential pin numbers.

Each candidate is required to provide the Division of Elections with confidential personal information that may be used to allow access in the event that password is forgotten or lost. When you enter the campaign account screen, there will be a drop down box where you pick a question (such as *What is your mother's maiden name?*) and supply an answer. All passwords and answers to questions are stored as encrypted data and cannot be viewed by Division staff and given out over the phone. Please notify the Division if your credentials have been compromised.

Timely Filing

All reports filed must be completed and filed through the EFS no later than midnight, Eastern Standard Time, of the due date. Reports not filed by midnight of the due date are late filed and subject to the penalties in Section 106.07(8), Florida Statutes. In the event that the EFS is inoperable on the due date, the report will be accepted as timely filed if filed no later than midnight of the first business day the EFS becomes operable. No fine will be levied during the period the EFS was inoperable.

Any candidate failing to file a report on the designated due date shall be subject to a fine of \$50 per day for the first 3 days late and, thereafter, \$500 per day for each late day, not to exceed 25% of the total receipts or expenditures, whichever is greater, for the period covered by the late report. However, for reports immediately preceding each primary and general election, the fine shall be \$500 per day for each late day, not to exceed 25% of the total receipts or expenditures, whichever is greater, for the period covered by the late report.

Electronic Receipts

The person submitting the report on the EFS will be issued an electronic receipt indicating and verifying the report was filed. Each campaign treasurer's report filed by means of the EFS is considered to be under oath by the candidate and campaign treasurer and such persons are subject to the provisions of Section 106.07(5), Florida Statutes.

TO WHOM IT MAY CONCERN:

1, Richard Paul Dembinsky, listed as a candidate for State Senate District 14, do hereby immediately WITHDRAW or cause my name to no longer be listed as a candidate.

2. The campaign reporting system (EFS) is not working and I just received my password Saturday at 5 PM, with the deadline 5/10/2016 for reporting.

3. I cannot locate the proper form to withdraw, but since I never qualified as a candidate this should be more than adequate.

4. I will refuse to complete any campaign report, exit form or whatever the Unfair election laws requires when the excessive penalties (\$50 a day for 3 days and \$500 a day for each day after the third) coupled with the EFS system not working, late arrival of my required passcode.

I cannot tolerate the situation and beg YOU to NOT contact me again for the forms or whatever penalty you attempt to issue.

This is not fun to put up with the excessive rules, procedures and poor campaign reporting website (poor because it is excessively complex and has been known to be difficult to use.) Starting out from day one the EFS is not working proves that I cannot be a candidate.

Complainant: Division of Elections

1. **Date and time:** 02-01-2017 2:03 PM

Name: Richard Paul Dembinsky

Phone #: 386-788-3885

Summary: I called Respondent, and he stated that he was never really a candidate. He sent in his qualifying check, however, the Division of Elections (DOE) sent his check back to him. He stated, "The DOE forced me to be a candidate, when I was about to move to Michigan for the summer and had no internet in Florida. I had to wait to get internet in Michigan before I could try to file anything." He stated, "The EFS system was then down for three days." He mentioned that he had been in contact with "Gary Holland" throughout the process of qualifying for election. He stated, "I finally told Gary that I was done, because I could not comply with all the rules that the DOE wanted me to file. There was no online method to end being a candidate on their website and it was very frustrating. The online system does not allow for common sense." He stated he has sent a response by mail to our office, and mailed it out late yesterday afternoon. I explained that I would send him an affidavit to complete, however, he told me, "Don't even send me anything, because I won't fill it out. Don't contact me again about this. Take me to jail, or just do what you have to do." He then thanked me and hung up.

A candidate's name as it is to appear on the ballot may not be changed after the end of qualifying.

(c) The filing officer performs a ministerial function in reviewing qualifying papers. In determining whether a candidate is qualified, the filing officer shall review the qualifying papers to determine whether all items required by paragraph (a) have been properly filed and whether each item is complete on its face, including whether items that must be verified have been properly verified pursuant to s. 92.525(1)(a). The filing officer may not determine whether the contents of the qualifying papers are accurate.

RE: Case No.: FEC 16-587

Dear Mr. Dembinsky:

On October 18, 2016, the Florida Elections Commission received a complaint alleging that you violated Florida's election laws. I have reviewed the complaint and find that it contains one or more legally sufficient allegations. The Commission staff will investigate the following alleged violation:

Section 106.07(2)(b)1., Florida Statutes: Respondent, a 2016 candidate for State Senate, and acting as his own treasurer, failed to timely make necessary amendments to the campaign's 2016 campaign termination report, as alleged in the complaint.

You may respond to the allegation above by filing a notarized statement providing any information regarding the facts and circumstances surrounding the allegation. Your response will be included as an attachment to the investigator's report.

When we conclude the investigation, a copy of the Report of Investigation will be mailed to you at the above address. You may file a response to the report within 14 days from the date the report is mailed to you. Based on the results of the investigation, legal staff will make a written recommendation to the Commission on whether there is probable cause to believe you have violated Chapter 104 or 106, Florida Statutes. A copy of the Staff Recommendation will be mailed to you and you may file a response within 14 days from the date the recommendation is mailed to you. Your timely filed response(s) will be considered by the Commission when determining probable cause.

The Commission will then hold a hearing to determine whether there is probable cause to believe you have violated Chapters 104 or 106, Florida Statutes. You and the complainant will receive a notice of hearing at least 14 days before the hearing. The notice of hearing will indicate the location, date, and time of your hearing. You will have the opportunity to make a brief oral

EXHIBIT 12 page 3 of 4

statement to the Commission, but you will not be permitted to testify or call others to testify, or introduce any documentary or other evidence.

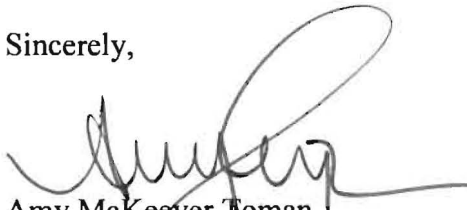

At any time before a probable cause finding, you may notify us in writing that you want to enter into negotiations directed towards reaching a settlement via consent agreement.

The Report of Investigation, Staff Recommendation, and Notice of Hearing will be mailed to the above address as this letter. Therefore, if your address changes, you must notify this office of your new address. Otherwise, you may not receive these important documents. Failure to receive the documents will not delay the probable cause hearing.

Under section 106.25, Florida Statutes, complaints, Commission investigations, investigative reports, and other documents relating to an alleged violation of Chapters 104 and 106, Florida Statutes, are confidential until the Commission finds probable cause or no probable cause. The confidentiality provision does not apply to the person filing the complaint. However, it does apply to you unless you waive confidentiality in writing. The confidentiality provision does not preclude you from seeking legal counsel. However, if you retain counsel, your attorney must file a notice of appearance with the Commission before any member of the Commission staff can discuss this case with him or her.

If you have any questions or need additional information, please contact **Samantha Spore**, the investigator assigned to this case.

Sincerely,

Amy McKeever Toman

Each candidate is required to provide the Division of Elections with confidential personal information that may be used to allow access in the event that password is forgotten or lost. No fine will be levied during the period the EFS was inoperable.

Any candidate failing to file a report on the designated due date shall be subject to a fine of \$50 per day for the first 3 days late and, thereafter, \$500 per day for each late day, not to exceed 25% of the total receipts or expenditures, whichever is greater, for the period covered by the late report. Chapter 16: Filing Campaign Reports

Each campaign treasurer designated by a candidate shall file regular reports of all contributions received and all expenditures made by or on behalf of such candidate.

The candidate and his or her campaign treasurer shall certify as to the correctness of each report. Each person so certifying shall bear the responsibility for the accuracy and veracity of each report. Any campaign treasurer or candidate who willfully certifies the correctness of any report while knowing that such report is incorrect, false or incomplete commits a misdemeanor of the first degree.

(Section 106.07, F.S.)

Where to File

A campaign treasurer is required to file campaign treasurer's reports with the officer with whom the candidate registers.

Candidates filing reports with the Division are required to file by means of the Electronic Filing System. If the candidate's filing officer is other than the Division, contact the appropriate filing officer to find out the requirements.

The web address for filing online with the Division is: <https://efs.dos.state.fl.us/>
(Section 106.07(2), F.S.)

When to File

Reports must be filed on the 10th day following the end of each calendar month from the time the candidate registers, except that if the 10th day occurs on a Saturday, Sunday or legal holiday, the report shall be filed on the next business day that is not a Saturday, Sunday or legal holiday.

A statewide candidate must file reports:

1. On the 60th day immediately preceding the primary election, and each week thereafter, with the last weekly report being filed on the 4th day immediately preceding the general election.
2. On the 10th day immediately preceding the general election, and each day thereafter, with the last daily report being filed the 5th day immediately preceding the general election.

All other candidates must file reports on the 60th day immediately preceding the primary election and bi-weekly on each Friday thereafter through and including the 4th day immediately preceding the general election, with additional reports due on the 25th and 11th days before the primary election and the general election.

For candidates that file with the Division, see the "Reporting Dates Calendar" at:

<http://dos.myflorida.com/elections/forms-publications/publications/>

An individual seeking a publicly elected position on a political party executive committee who receives a contribution or makes an expenditure must file a single report of all contributions and expenditures on the 4th day immediately preceding the primary election. (*See Chapter 18, Reporting for Individuals Seeking a Publicly Elected Position on a Party Executive Committee.*)

Unless the electronic filing requirements of Section 106.0705, Florida Statutes, apply, reports shall be filed no later than 5 p.m. of the day designated. A report postmarked by the U.S. Postal Service no later than midnight of the day designated is deemed timely filed. A report received by the filing officer within 5 days after the designated due date that was delivered by the U.S. Postal Service is deemed timely filed unless it has a postmark indicating the report was mailed after the designated due date. A certificate of mailing obtained from and dated by the U.S. Postal Service at the time of mailing or a receipt from an established courier company, which bears a date on or before the date on which the report is due, is proof of mailing in a timely manner. Reports filed with the Division through the Electronic Filing System (EFS) are due no later than midnight, Eastern Time, of the due date.

(Sections 106.07, 106.0705 and 106.141, F.S.)

Penalty for Late Filing

Any candidate failing to file a report on the designated due date shall be subject to a fine of \$50 per day for the first three days late and, thereafter, \$500 per day for each late day, not to exceed 25 percent of the total receipts or expenditures, whichever is

greater, for the period covered by the late report. However, for the reports immediately preceding the primary and general election, the fine shall be \$500 per day for each late day, not to exceed 25 percent of the total receipts or expenditures, whichever is greater, for the period covered by the late report. For a candidate's termination report, the fine shall be \$50 per day for each late day, not to exceed 25 percent of the total receipts or expenditures, whichever is greater for the period covered by the late report. All fines must be paid from the candidate's **personal funds** – not campaign funds.

(Section 106.07(2) and (8), F.S.)

Notice of No Activity

In any reporting period during which a candidate has not received funds or made any expenditures, the filing of the required report for that period is waived. **However, the candidate must notify the filing officer in writing on or before the prescribed reporting date that no report is being filed on that date.** (A notice of no activity filed with the Division must be filed electronically using the EFS.) The next report filed must specify that the report covers the entire period between the last submitted report and the report being filed.

(Section 106.07, F.S.)

Incomplete Reports

If a campaign treasurer files a report that is deemed incomplete, it shall be accepted on a conditional basis. The campaign treasurer will be notified by the filing officer as to why the report is incomplete. The campaign

treasurer must file an addendum to the incomplete report within seven days of notification. The addendum must include all necessary information to complete the report.

(Section 106.07(2), F.S.)

Reporting Total Sums

Each campaign treasurer's report required by Chapter 106, F.S., shall contain the total sums of all loans, in-kind contributions, and other receipts by or for such candidate, and total sums of all expenditures made by such candidate during the reporting period. The reporting forms shall be designed to elicit separate totals for in-kind contributions, loans, and other receipts.

(Section 106.07, F.S.)

Reporting Contributions

Each report must contain:

- Full name, address, specific occupation, amount, and date of each person making a contribution. Reports must provide as clear a description as practicable of the principal type of business conducted for corporations contributing. **The principal type of business or the occupations are not required if the contribution is \$100 or less, or from a relative provided the relationship is reported.**
- Name, address, amount, and date of each political committee making any transfer of funds.
- Full name, address, specific occupation, principal place of business of the lender

and endorser, date and amount of each loan.

- Statement of each contribution, rebate, refund, or other receipts not listed in 1. through 3. above.

(Sections 106.07(4) and 112.312(21), F.S.)

Returning Contributions

Contributions **must be returned** to the contributor **if**:

- A candidate receives a contribution in excess of the limitations provided by law.
- A candidate with opposition in an election receives a contribution on the day of that election or less than five days prior to the date of that election.
- A candidate receives a contribution once he or she is elected, defeated, becomes unopposed, or withdraws his or her candidacy.

If the contribution to be returned has not been deposited into the campaign account, report the contribution as a contribution returned using form DS-DE 02.

If the contribution has been deposited into the campaign account:

- Report the contribution; and
- Write a check from the campaign account to the contributor for the amount of the contribution and report this on the itemized contribution report using the contribution type "Refund."
