Please refer to the information below for further instructions related to your particular hearing:

If this is a hearing to consider **an appeal from an automatic fine**, the Filing Officer has imposed a fine on you for your failure to file a campaign treasurer's report on the designated due date and, by filing an appeal, you have asked the Commission to consider either (1) that the report was in fact timely filed; or (2) that there were unusual circumstances that excused the failure to file the report timely. You are required to prove your case. If the Commission finds that the report was filed timely or that there were unusual circumstances that excused the failure, it may waive the fine, in whole or in part. The Commission may reduce a fine after considering the factors in Section 106.265, Florida Statutes. If the Commission finds that the report was not timely filed and there were no unusual circumstances, the fine will be upheld.

If this is a hearing to consider a **consent order before a determination of probable cause has been made**, the Commission will decide whether to accept or reject the consent order. If the Commission accepts the consent order, the case will be closed and become public. If the Commission rejects the consent order or does not make a decision to accept or deny the consent order, the case will remain confidential, unless confidentiality has been waived.

If this is a hearing to consider a **consent order after a determination of probable cause has been made**, the Commission will decide whether to accept or reject the consent order. If the Commission accepts the consent order, the case will be closed. If the Commission rejects the consent order or does not make a decision to accept or deny the consent order, the Respondent will be entitled to another hearing to determine if the Respondent committed the violation(s) alleged.

If this is a **probable cause hearing**, the Commission will decide if there is probable cause to believe that the Respondent committed a violation of Florida's election laws. Respondent should be prepared to explain how the staff in its recommendation incorrectly applied the law to the facts of the case. *Respondent may not testify, call others to testify, or introduce any documentary or other evidence at the probable cause hearing.* The Commission will only decide whether Respondent should be *charged* with a violation and, before the Commission determines whether a violation has occurred or a fine should be imposed, Respondent will have an opportunity for another hearing at which evidence may be introduced.

If this is an **informal hearing**, it will be conducted pursuant Sections 120.569 and 120.57(2), Florida Statutes; Chapter 28 and Commission Rule 2B-1.004, Florida Administrative Code. At the hearing, the Commission will decide whether the Respondent committed the violation(s) charged in the Order of Probable Cause. The Respondent will be permitted to testify. However, the Respondent may not call witnesses to testify.

Respondent may argue why the established facts in the Staff Recommendation do not support the violations charged in the Order of Probable Cause. At Respondent's request, the Commission may determine whether Respondent's actions in the case were willful. The Respondent may also address the appropriateness of the recommended fine. If Respondent claims that his limited resources make him unable to pay the statutory fine, *he must provide the Commission with written proof of his financial resources* at the hearing. A financial affidavit form is available from the Commission Clerk.

In Re: Phillip J. Brutus

Case No.: FEC 16-588

STAFF RECOMMENDATION FOLLOWING INVESTIGATION

Pursuant to Section 106.25(4)(c), Florida Statutes, undersigned counsel files this written recommendation for disposition of the referral in this case recommending that there is **probable cause** to charge Respondent with violating **Section 106.07(2)(b)1., Florida Statutes**. Based upon a thorough review of the Report of Investigation submitted on February 21, 2017, the following facts and law support this staff recommendation:

1. On October 18, 2016, the Florida Elections Commission (“Commission”) received a referral from the Division of Elections (“Division”) alleging Phillip J. Brutus (“Respondent”) violated Chapter 106, Florida Statutes.

2. Respondent was a candidate for the Florida Senate, District 38, in the 2016 election. Respondent's Appointment of Campaign Treasurer and Designation of Campaign Depository for Candidates form ("DS-DE 9") was filed with the Division on February 9, 2016. Respondent appointed himself as his campaign treasurer. (ROI Exhibit 2)¹

3. By letter dated January 23, 2017, the Executive Director notified Respondent that Commission staff would investigate the following alleged violation:

Section 106.07(2)(b)1., Florida Statutes: Respondent, a 2016 candidate for the office of State Senate, acting as his own treasurer, failed to timely make necessary amendments to the 2016 P7 campaign treasurer's report, as alleged in the complaint.

4. By letter dated February 10, 2016, Kristi Reid Bronson, Division of Elections, Chief, Bureau of Election Records, notified Respondent that the Division had received his DS-DE 9 and that Respondent's name had been placed on the 2016 active candidate list. The letter also contained a security envelope with Respondent's confidential PIN number to access the Division's electronic filing system. (ROI Exhibit 3, page 1)

¹ The Report of Investigation shall be referred to herein as “ROI.”

5. Ms. Bronson's February 10, 2016 letter further advised Respondent that all the Division's publications and reporting forms were available on the Division's website and directed Respondent to print a copy of Chapters 104 and 106, Florida Statutes, the *Candidate and Campaign Treasurer Handbook*, and the *Calendar of Reporting Dates*. (ROI Exhibit 3, page 3)

6. The 2016 P7 Report covering the dates of August 13, 2016, through August 25, 2016, was due on August 26, 2016. Respondent timely filed his 2016 P7 Report, however, it was incomplete. (Attachments A and B)

7. On August 30, 2016, the Division sent notification to Respondent that his 2016 P7 Report was incomplete and Respondent had seven days from receipt of the notice to correct the errors on the attached Error Report and file an amended 2016 P7 Report. The letter also stated that if the information was reported accurately, Respondent should provide a written explanation to the Division addressing the issues noted in the Error Report. (ROI Exhibit 4)²

8. On September 12, 2016, the Division sent notification to Respondent that his 2016 P7 Report was incomplete and Respondent had seven days from receipt of the notice to correct the errors on the attached Error Report and file an amended 2016 P7 Report. (ROI Exhibit 5)

9. On September 27, 2016, the Division sent a "Final Notice" to Respondent notifying him that his 2016 P7 Report remained incomplete and Respondent had seven days from receipt of the notice to correct the errors on the attached Error Report and file an amended 2016 P7 Report. The letter also stated that if the information was reported accurately, Respondent should provide a written explanation to the Division addressing the issues noted in the Error Report. The September 27, 2016 letter was confirmed delivered on September 30, 2016. (ROI Exhibit 6)

10. On December 27, 2016, Respondent filed an amended 2016 P7 Report correcting the errors identified by the Division. (ROI Exhibits 7 and 8)

11. Based upon the information above, it appears Respondent failed to file an amended 2016 P7 Report correcting the errors on his 2016 P7 Report within seven days of receiving notification from the Division that the report was incomplete.

12. "Probable Cause" is defined as a reasonable grounds of suspicion supported by circumstances sufficiently strong to warrant a cautious person in the belief that the person has committed the offense charged. *Schmitt v. State*, 590 So.2d 404, 409 (Fla. 1991). Probable cause exists where the facts and circumstances, of which an [investigator] has reasonably trustworthy information, are sufficient in themselves for a reasonable man to reach the conclusion that an offense has been committed. *Department of Highway Safety and Motor Vehicles v. Favino*, 667 So.2d 305, 309 (Fla. 1st DCA 1995).

² Section 106.07(2)(b)1., Fla. Stat. does not require a campaign treasurer to provide a written explanation to the Division addressing the issues noted in an Error Report if the information was reported accurately.

13. The above facts show Respondent was a candidate for the Florida Senate, District 38, in the 2016 election. Respondent's 2016 P7 Report was timely filed, however, it was incomplete. On August 30, 2016, September 12, 2016, and September 27, 2016, the Division sent a letter notifying Respondent that his 2016 P7 Report was incomplete and that he had seven days from receipt of the notification to correct the errors and file an amended 2016 P7 Report. The Division's September 27, 2016 notification was confirmed delivered on September 30, 2016.

14. The above facts also show that Respondent did not correct the errors and file an amended 2016 P7 Report within seven days of receiving notification from the filing officer that his 2016 P7 Report was incomplete.

Based upon these facts and circumstances, I recommend that the Commission find probable cause to charge Respondent with the following:

Count 1:

On or about October 7, 2016, Respondent violated Section 106.07(2)(b)1., Florida Statutes, when Respondent failed to file an addendum to his 2016 P7 Report within seven days of receiving notice from the filing officer that his 2016 P7 Report was incomplete.

Respectfully submitted March 8, 2017,

Eric M. Lipman
General Counsel

Dear Representative Brutus:

This will acknowledge receipt of the Appointment of Campaign Treasurer and Designation of Campaign Depository for the office of State Senator, which was placed on file in our office on February 09, 2016. Your name has been placed on the 2016 active candidate list.

Campaign Treasurer's Reports

Your first campaign treasurer's report will be due on **March 10, 2016**. The report will cover the period of February 1-29, 2016 (M2). All candidates who file reports with the Division of Elections are required to file by means of the Division's Electronic Filing System (EFS).

Credentials and Sign-ons

Below is the web address to access the EFS and your user identification number. The enclosed sealed envelope contains your initial password. Once you have logged in using the initial password, you will be immediately prompted to change it to a confidential sign-on. You, your campaign treasurer, and deputy treasurers are responsible for protecting this password from disclosure and are responsible for all filings using these credentials, unless the Division is notified that your credentials have been compromised.

Pin Numbers

Pin numbers are confidential secure credentials that allow you to submit reports and update personal information. The enclosed sealed envelope contains confidential pin numbers for you.

Each candidate is required to provide the Division of Elections with confidential personal information that may be used to allow access in the event this password is forgotten or lost. When you enter the campaign account screen, there will be a drop down box where you pick a question (such as *What is your mother's maiden name?*) and supply an answer. All passwords and answers to questions are stored as encrypted data and cannot be viewed by Division staff and given out over the phone. Please notify the Division if your credentials have been compromised.

Timely Filing

All reports filed must be completed and filed through the EFS not later than midnight of the due date. Reports not filed by midnight of the due date are late filed and subject to the penalties in Section 106.07(8), Florida Statutes. In the event that the EFS is inoperable on the due date, the report will be accepted as timely filed if filed no later than midnight of the first business day the EFS becomes operable. No fine will be levied during the period the EFS was inoperable.

Any candidate failing to file a report on the designated due date shall be subject to a fine of \$50 per day for the first 3 days late and, thereafter, \$500 per day for each late day, not to exceed 25% of the total receipts or expenditures, whichever is greater, for the period covered by the late report. However, for reports immediately preceding each primary and general election, the fine shall be \$500 per day for each late day, not to exceed 25% of the total receipts or expenditures, whichever is greater, for the period covered by the late report.

Electronic Receipts

The person submitting the report on the EFS will be issued an electronic receipt indicating and verifying the report was filed. Each campaign treasurer's report filed by means of the EFS is considered to be under oath by the candidate and campaign treasurer and such persons are subject to the provisions of Section 106.07(5), Florida Statutes.

RE: Case No.: FEC 16-588; Respondent: Phillip J. Brutus

Dear Mr. Brutus:

On October 18, 2016, the Florida Elections Commission received a complaint alleging that you violated Florida's election laws. I have reviewed the complaint and find that it contains one or more legally sufficient allegations. The Commission staff will investigate the following alleged violation:

Section 106.07(2)(b)1., Florida Statutes: Respondent, a 2016 candidate for the office of State Senate, acting as his own treasurer, failed to timely make necessary amendments to the 2016 P7 campaign treasurer's report, as alleged in the complaint.

You may respond to the allegation above by filing a notarized statement providing any information regarding the facts and circumstances surrounding the allegation. Your response will be included as an attachment to the investigator's report.

When we conclude the investigation, a copy of the Report of Investigation will be mailed to you at the above address. You may file a response to the report within 14 days from the date the report is mailed to you. Based on the results of the investigation, legal staff will make a written recommendation to the Commission on whether there is probable cause to believe you have violated Chapter 104 or 106, Florida Statutes. A copy of the Staff Recommendation will be mailed to you and you may file a response within 14 days from the date the recommendation is mailed to you. Your timely filed response(s) will be considered by the Commission when determining probable cause.

The Commission will then hold a hearing to determine whether there is probable cause to believe you have violated Chapters 104 or 106, Florida Statutes. You and the complainant will receive a notice of hearing at least 14 days before the hearing. The notice of hearing will indicate the location, date, and time of your hearing. You will have the opportunity to make a brief oral

statement to the Commission, but you will not be permitted to testify or call others to testify, or introduce any documentary or other evidence.

At any time before a probable cause finding, you may notify us in writing that you want to enter into negotiations directed towards reaching a settlement via consent agreement.

The Report of Investigation, Staff Recommendation, and Notice of Hearing will be mailed to the above address as this letter. Therefore, if your address changes, you must notify this office of your new address. Otherwise, you may not receive these important documents. Failure to receive the documents will not delay the probable cause hearing.

Under section 106.25, Florida Statutes, complaints, Commission investigations, investigative reports, and other documents relating to an alleged violation of Chapters 104 and 106, Florida Statutes, are confidential until the Commission finds probable cause or no probable cause. The confidentiality provision does not apply to the person filing the complaint. However, it does apply to you unless you waive confidentiality in writing. The confidentiality provision does not preclude you from seeking legal counsel. However, if you retain counsel, your attorney must file a notice of appearance with the Commission before any member of the Commission staff can discuss this case with him or her.

If you have any questions or need additional information, please contact **Cedric Oliver**, the investigator assigned to this case.

Sincerely,

Amy McKeever Toman

Dear Representative Brutus:

This will acknowledge receipt of the Appointment of Campaign Treasurer and Designation of Campaign Depository for the office of State Senator, which was placed on file in our office on February 09, 2016. Your name has been placed on the 2016 active candidate list.

Campaign Treasurer's Reports

Your first campaign treasurer's report will be due on **March 10, 2016**. The report will cover the period of February 1-29, 2016 (M2). All candidates who file reports with the Division of Elections are required to file by means of the Division's Electronic Filing System (EFS).

Below is the web address to access the EFS and your user identification number. The enclosed sealed envelope contains your initial password. Once you have logged in using the initial password, you will be immediately prompted to change it to a confidential sign-on. You, your campaign treasurer, and deputy treasurers are responsible for protecting this password from disclosure and are responsible for all filings using these credentials, unless the Division is notified that your credentials have been compromised.

Pin Numbers

Pin numbers are confidential secure credentials that allow you to submit reports and update personal information. The enclosed sealed envelope contains confidential pin numbers for you.

Each candidate is required to provide the Division of Elections with confidential personal information that may be used to allow access in the event this password is forgotten or lost. When you enter the campaign account screen, there will be a drop down box where you pick a question (such as *What is your mother's maiden name?*) and supply an answer. All passwords and answers to questions are stored as encrypted data and cannot be viewed by Division staff and given out over the phone. Please notify the Division if your credentials have been compromised.

Timely Filing

All reports filed must be completed and filed through the EFS not later than midnight of the due date. Reports not filed by midnight of the due date are late filed and subject to the penalties in Section 106.07(8), Florida Statutes. In the event that the EFS is inoperable on the due date, the report will be accepted as timely filed if filed no later than midnight of the first business day the EFS becomes operable. No fine will be levied during the period the EFS was inoperable.

Any candidate failing to file a report on the designated due date shall be subject to a fine of \$50 per day for the first 3 days late and, thereafter, \$500 per day for each late day, not to exceed 25% of the total receipts or expenditures, whichever is greater, for the period covered by the late report. However, for reports immediately preceding each primary and general election, the fine shall be \$500 per day for each late day, not to exceed 25% of the total receipts or expenditures, whichever is greater, for the period covered by the late report.

Electronic Receipts

The person submitting the report on the EFS will be issued an electronic receipt indicating and verifying the report was filed.
