Executive Director  
Florida Elections Commission

Please refer to the information below for further instructions related to your particular hearing:

If this is a hearing to consider **an appeal from an automatic fine**, the Filing Officer has imposed a fine on you for your failure to file a campaign treasurer's report on the designated due date and, by filing an appeal, you have asked the Commission to consider either (1) that the report was in fact timely filed; or (2) that there were unusual circumstances that excused the failure to file the report timely. You are required to prove your case. If the Commission finds that the report was filed timely or that there were unusual circumstances that excused the failure, it may waive the fine, in whole or in part. The Commission may reduce a fine after considering the factors in Section 106.265, Florida Statutes. If the Commission finds that the report was not timely filed and there were no unusual circumstances, the fine will be upheld.

If this is a hearing to consider a **consent order before a determination of probable cause has been made**, the Commission will decide whether to accept or reject the consent order. If the Commission accepts the consent order, the case will be closed and become public. If the Commission rejects the consent order or does not make a decision to accept or deny the consent order, the case will remain confidential, unless confidentiality has been waived.

If this is a hearing to consider a **consent order after a determination of probable cause has been made**, the Commission will decide whether to accept or reject the consent order. If the Commission accepts the consent order, the case will be closed. If the Commission rejects the consent order or does not make a decision to accept or deny the consent order, the Respondent will be entitled to another hearing to determine if the Respondent committed the violation(s) alleged.

If this is a **probable cause hearing**, the Commission will decide if there is probable cause to believe that the Respondent committed a violation of Florida's election laws. Respondent should be prepared to explain how the staff in its recommendation incorrectly applied the law to the facts of the case. *Respondent may not testify, call others to testify, or introduce any documentary or other evidence at the probable cause hearing.* The Commission will only decide whether Respondent should be *charged* with a violation and, before the Commission determines whether a violation has occurred or a fine should be imposed, Respondent will have an opportunity for another hearing at which evidence may be introduced.

If this is an **informal hearing**, it will be conducted pursuant Sections 120.569 and 120.57(2), Florida Statutes; Chapter 28 and Commission Rule 2B-1.004, Florida Administrative Code. At the hearing, the Commission will decide whether the Respondent committed the violation(s) charged in the Order of Probable Cause. The Respondent will be permitted to testify. However, the Respondent may not call witnesses to testify.

Respondent may argue why the established facts in the Staff Recommendation do not support the violations charged in the Order of Probable Cause. At Respondent's request, the Commission may determine whether Respondent's actions in the case were willful. The Respondent may also address the appropriateness of the recommended fine. If Respondent claims that his limited resources make him unable to pay the statutory fine, *he must provide the Commission with written proof of his financial resources* at the hearing. A financial affidavit form is available from the Commission Clerk.

Christian De La Torre, candidate For State representative  
District 46

I would like to appeal a fine.  
it's my first time filling out reports, and I just recently learn how to fill them out by myself. and going back-and-forth looking at the reports I saw I committed a mistake, on my first report and I decided to make an amendment but it was late at that time. it's my first time running as a candidate, and is my first time working with the filling process reports I didn't have a training or had someone to walk me through, especially in my first report.  
now with guidance and training thru phone with the team of the Florida division of election I have learned how to fill out reports the correct way thanks for everything you guys are doing.

<p>Re: Audit letter dated 9/19/22, the candidate/treasurer called and asked what he needed to do to properly respond to the letter. I told him he had a deficit balance issue, that he reported more in expenditures than contributions over the course of his campaign. I told him he needed to review how activity was reported, that there were issues related to either how he reported contributions or how he reported expenditures, or both. I told him to review his bank records and how all activity was reported, and that only he had all the information that needed to be reviewed.</p> <p>He asked whether he needed to review the activity reported in the P6 and P7 reports (where the deficit began to show up) and I said he needed to review all of his report filings and his bank records and to amend any reports with misreported or unreported activity. I told him at the end of the process, his contribution total would need to match his expenditure total.</p> <p>I told him I would note his call in our database so our auditors would know he called related to the audit, and that he was working on the deficit balance issue. I told him to keep track of the report changes he was making because a written explanation would need to be sent in once the deficit issue was resolved.</p> <p>I told him he could find our EFS User's Guide behind the Help menu tag in the EFS for help on how to amend reports, and that he could call us back on our helpline after he completed his review if he needed further assistance.</p>
