NOTICE OF HEARING (AUTOMATIC FINE)

A hearing will be held in this case before the Florida Elections Commission on, **November 14, 2018 at 1:30 pm, or as soon thereafter as the parties can be heard**, at the following location: **Senate Office Building, 404 South Monroe Street, Room 110-S, Tallahassee, Florida 32399.**

Failure to appear in accordance with this notice will constitute a waiver of your right to participate in the hearing. Continuances will be granted only upon a showing of good cause.

This hearing will be conducted pursuant to Section 106.25, Florida Statutes, which governs your participation as follows:

If you are the Respondent, you may attend the hearing, and you or your attorney will have *5 minutes* to present your case to the Commission. However, some cases (including those in which consent orders or recommendations for no probable cause are being considered) may be decided by an *en masse* vote and, unless you request to be heard or the Commission requests that your case be considered separately on the day of the hearing, your case will *not* be individually heard.

If you are the Complainant, you may attend the hearing, but you will *not* be permitted to address the Commission. In addition, some cases (including those in which consent orders or recommendations for no probable cause are being considered) may be decided by an *en masse* vote and, unless the Respondent requests to be heard or the Commission requests that the case be considered separately on the day of the hearing, the case will *not* be individually heard.

If you are an Appellant, and you have requested a hearing, you may attend the hearing, and you or your attorney will have *5 minutes* to present your case to the Commission.

Please be advised that both confidential and public cases are scheduled to be heard by the Florida Elections Commission on this date. As an Appellant, Respondent or Complainant in one case, you will *not* be permitted to attend the hearings on other confidential cases.

The Commission will electronically record the meeting. Although the Commission's recording is considered the official record of the hearing, the Respondent may provide, at his own expense, a certified court reporter to also record the hearing.

If you require an accommodation due to a disability, contact Donna Ann Malphurs at (850) 922-4539 or by mail at 107 West Gaines Street, The Collins Building, Suite 224, Tallahassee, Florida 32399, at least 5 days before the hearing.

See further instructions on the reverse side.

Eric M. Lipman
General Counsel for Executive Director
Florida Elections Commission
October 29, 2018

Please refer to the information below for further instructions related to your particular hearing:

If this is a hearing to consider **an appeal from an automatic fine**, the Filing Officer has imposed a fine on you for your failure to file a campaign treasurer's report on the designated due date and, by filing an appeal, you have asked the Commission to consider either (1) that the report was in fact timely filed; or (2) that there were unusual circumstances that excused the failure to file the report timely. You are required to prove your case. If the Commission finds that the report was filed timely or that there were unusual circumstances that excused the failure, it may waive the fine, in whole or in part. The Commission may reduce a fine after considering the factors in Section 106.265, Florida Statutes. If the Commission finds that the report was not timely filed and there were no unusual circumstances, the fine will be upheld.

If this is a hearing to consider a **consent order before a determination of probable cause has been made**, the Commission will decide whether to accept or reject the consent order. If the Commission accepts the consent order, the case will be closed and become public. If the Commission rejects the consent order or does not make a decision to accept or deny the consent order, the case will remain confidential, unless confidentiality has been waived.

If this is a hearing to consider a **consent order after a determination of probable cause has been made**, the Commission will decide whether to accept or reject the consent order. If the Commission accepts the consent order, the case will be closed. If the Commission rejects the consent order or does not make a decision to accept or deny the consent order, the Respondent will be entitled to another hearing to determine if the Respondent committed the violation(s) alleged.

If this is a **probable cause hearing**, the Commission will decide if there is probable cause to believe that the Respondent committed a violation of Florida's election laws. Respondent should be prepared to explain how the staff in its recommendation incorrectly applied the law to the facts of the case. *Respondent may not testify, call others to testify, or introduce any documentary or other evidence at the probable cause hearing.* The Commission will only decide whether Respondent should be *charged* with a violation and, before the Commission determines whether a violation has occurred or a fine should be imposed, Respondent will have an opportunity for another hearing at which evidence may be introduced.

If this is an **informal hearing**, it will be conducted pursuant Sections 120.569 and 120.57(2), Florida Statutes; Chapter 28 and Commission Rule 2B-1.004, Florida Administrative Code. At the hearing, the Commission will decide whether the Respondent committed the violation(s) charged in the Order of Probable Cause. The Respondent will be permitted to testify. However, the Respondent may not call witnesses to testify.

Respondent may argue why the established facts in the Staff Recommendation do not support the violations charged in the Order of Probable Cause. At Respondent's request, the Commission may determine whether Respondent's actions in the case were willful. The Respondent may also address the appropriateness of the recommended fine. If Respondent claims that his limited resources make him unable to pay the statutory fine, *he must provide the Commission with written proof of his financial resources* at the hearing. A financial affidavit form is available from the Commission Clerk.

Subject: FEC 18-245

Dear Florida Election Commission:

Please accept this as supplemental filed more than 5 days before the November 14, 2018 hearing for the above referenced case.

The statute 106.29 3(b) authority to present an automatic fine is based on “not to exceed 25 percent of the total receipts or *expenditures*”. The activity that occurred in the P7 reporting period was neither a receipt nor an expenditure but a reimbursement. Therefore there is no statutorily qualifying amount to be fined as 25% of zero is zero.

In accounting parlance the only expense of a loan repayment would be the interest. In this case this was an interest free loan and therefore an associated expense for this reimbursement did not occur and the activity for this period had no expenditures and no receipts eligible to be computed into a fine authorized under the unambiguous text in the statute.

Sincerely

When I spoke to you on the initial rejection you told me this is not a reimbursement that I had to show an expenditure. When I followed you direction that triggered the fine! It is a reimbursement and I am trying to go back and correct it but you are rejecting the correction and amendment. Further you indicated you are able to see my amendments that have not been

submitted.

Your guidance has initiated the fining mechanics as the reimbursement remained as I had entered it and not followed your direction to list it as an expenditure that would have been no activity eligible to be fined!

I request you accept the correction and cease the fine relating to the improper direction of what this repaid loan was and not burden me with an appeal.

The filing was late and until you directed me to change it to something other than it was a reimbursement, there was no associated penalty.

Sincerely yours

Good Morning Mr. Scott,

I am noticing you are having some difficulty navigating our campaign reporting system, at this time you have created five amended reports (shown below), there should only be one. In addition, the amendment you are attempting is still incorrect. If you would like to make an appointment after the election I would be glad to walk you through deleting the extra reports and show you how to correct your P7.

I have also attached your fine letter per your phone request yesterday.

Have a great day.

Subject: Unnumbered Automatic Fine (see attached)

Dear Florida Election Commission:

Please accept this as my appeal notice to the attached automatic fine process letter signed by Ms Lipa.

The fine is the result of filing a report late. There was no expenditures or contributions in the time frame so indicated. The issue revolves around stating website in the reporting program and reimbursement in the drop down.

The intent of choosing reimbursement was to reimburse me of the loan and website was an automated dropdown. In speaking with the supervisor of the filing office the matter became much more complicated and I was told you can't repay yourself the loan except until after the campaign closes via a disbursement. At that point I decided to exit the call in any means possible and as soon as possible research what the filing officer was directing.

My appeal is based on the fact there was no expenditure or contribution that had occurred during this reporting period and a reimbursement category was chosen as it was the intent to reimburse the loan. The guidance from FEC publications indicate you can reimburse for loans any time.

Sincerely

Good Morning Mr. Scott,

During our conversation last night I stated you needed to change your expenditure type to Monetary from Reimbursement as you are paying yourself for your own services and not reimbursing for an out-of-pocket expense. Since you have not correctly submitted an amendment I cannot accept your previously sent attempts. If you will go to page 39 of the attached guidebook it will specifically show you what needs to be done to correct your report. Again I will extend my offer for you to make an appointment and come in after today's election should you need assistance with executing this amendment properly.

As for your fine, it is not related to your amendments, it is because you filed your original report a day late and that is set by statute and beyond my purview.

Yours truly,

Cheryl Futch

When I spoke to you on the initial rejection you told me this is not a reimbursement that I had to show an expenditure. Whenb I followed you direction that triggered the fine! It is a reimbursement and I am trying to go back and correct it but you are rejecting the correction and amendment. Further you indicated you are able to see my amendments that have not been submitted.

Your guidance has initiated the fining mechanics as the reimbursement remained as I had entered it and not followed your direction to list it as an expenditure that would have been no activity eligible to be fined!

I request you accept the correction and cease the fine relating to the improper direction of what this repaid loan was and not burden me with an appeal.

The filing was late and until you directed me to change it to something other than it was a reimbursement, there was no associated penalty.

Sincerely yours

Randy Scott

Good Morning Mr. Scott,

I am noticing you are having some difficulty navigating our campaign reporting system, at this time you have created five amended reports (shown below), there should only be one. In addition, the amendment you are attempting is still incorrect. If you would like to make an appointment after the election I would be glad to walk you through deleting the extra reports and show you how to correct your P7.

I have also attached your fine letter per your phone request yesterday.

Have a great day.

Name	Date	County Staff Person	Report Period	Notes
RANDY SCOTT	8/28/2018	Cheryl Futch	P7 (2018) Orig	Spoke to Mr. Scott he stated he did not wish to list his expenditure to himself on his P7 as a monetary or reimbursement but as a disposition of funds because it was his understanding that we could not fine him if he listed it in that manner. I let him know that disposition of funds was for termination reports only and that he had already informed me that he had paid himself with a check from the campaign account for creating his own webpage. Mr. Scott informed me that he did say that but he was lying because he didn't like my line of questioning.
RANDY SCOTT	8/27/2018	Cheryl Futch	P7 (2018) Orig	Mr. Scott called complaining about automatic the reject receipt he was receiving for his Amended P7 report and he why his report was being rejected. He was upset that the reject receipt had no phone numbers on it, I explained to him that I had sent him several emails explaining why his report was being rejected and that my number was on each of those. He then relayed to me that he hadn't read those emails. I told him that his report stated he had a reimbursement to himself which required him to list a distribution on the report as to what the reimbursement was for. He stated he paid himself for creating his own webpage and that he had already wrote himself a check. I explained to him that in that case the type needed to be changed to monetary with the description stating he was paying himself for his own services. I also notified Mr. Scot that he filed his report late and that he would be fined. He asked me the amount, I told him I wasn't sure as the letters were handled by Tammy Lipa and he would receive a letter in the mail. I told him I would email him a copy of the letter tomorrow he said that would be fine.
