NOTICE OF HEARING (AUTOMATIC FINE)

A hearing will be held in this case before the Florida Elections Commission on, **May 14, 2019 at 8:30 am**, or *as soon thereafter as the parties can be heard*, at the following location: **Senate Office Building, 404 South Monroe Street, Room 110-S, Tallahassee, Florida 32399**. Due to heightened security access requirements, please bring only essential items into the building and plan to arrive early to allow for delays coming through security.

Failure to appear in accordance with this notice will constitute a waiver of your right to participate in the hearing. Continuances will be granted only upon a showing of good cause.

This hearing will be conducted pursuant to Section 106.25, Florida Statutes, which governs your participation as follows:

If you are the Respondent, you may attend the hearing, and you or your attorney will have *5 minutes* to present your case to the Commission. However, some cases (including those in which consent orders or recommendations for no probable cause are being considered) may be decided by an *en masse* vote and, unless you request to be heard or the Commission requests that your case be considered separately on the day of the hearing, your case will *not* be individually heard.

If you are the Complainant, you may attend the hearing, but you will *not* be permitted to address the Commission. In addition, some cases (including those in which consent orders or recommendations for no probable cause are being considered) may be decided by an *en masse* vote and, unless the Respondent requests to be heard or the Commission requests that the case be considered separately on the day of the hearing, the case will *not* be individually heard.

If you are an Appellant, and you have requested a hearing, you may attend the hearing, and you or your attorney will have *5 minutes* to present your case to the Commission.

Please be advised that both confidential and public cases are scheduled to be heard by the Florida Elections Commission on this date. As an Appellant, Respondent or Complainant in one case, you will *not* be permitted to attend the hearings on other confidential cases.

The Commission will electronically record the meeting. Although the Commission's recording is considered the official record of the hearing, the Respondent may provide, at his own expense, a certified court reporter to also record the hearing.

If you require an accommodation due to a disability, contact Donna Ann Malphurs at (850) 922-4539 or by mail at 107 West Gaines Street, The Collins Building, Suite 224, Tallahassee, Florida 32399, at least 5 days before the hearing.

See further instructions on the reverse side.

Tim Vaccaro

Executive Director
Florida Elections Commission
April 30, 2019

Please refer to the information below for further instructions related to your particular hearing:

If this is a hearing to consider **an appeal from an automatic fine**, the Filing Officer has imposed a fine on you for your failure to file a campaign treasurer's report on the designated due date and, by filing an appeal, you have asked the Commission to consider either (1) that the report was in fact timely filed; or (2) that there were unusual circumstances that excused the failure to file the report timely. You are required to prove your case. If the Commission finds that the report was filed timely or that there were unusual circumstances that excused the failure, it may waive the fine, in whole or in part. The Commission may reduce a fine after considering the factors in Section 106.265, Florida Statutes. If the Commission finds that the report was not timely filed and there were no unusual circumstances, the fine will be upheld.

If this is a hearing to consider a **consent order before a determination of probable cause has been made**, the Commission will decide whether to accept or reject the consent order. If the Commission accepts the consent order, the case will be closed and become public. If the Commission rejects the consent order or does not make a decision to accept or deny the consent order, the case will remain confidential, unless confidentiality has been waived.

If this is a hearing to consider a **consent order after a determination of probable cause has been made**, the Commission will decide whether to accept or reject the consent order. If the Commission accepts the consent order, the case will be closed. If the Commission rejects the consent order or does not make a decision to accept or deny the consent order, the Respondent will be entitled to another hearing to determine if the Respondent committed the violation(s) alleged.

If this is a **probable cause hearing**, the Commission will decide if there is probable cause to believe that the Respondent committed a violation of Florida's election laws. Respondent should be prepared to explain how the staff in its recommendation incorrectly applied the law to the facts of the case. *Respondent may not testify, call others to testify, or introduce any documentary or other evidence at the probable cause hearing.* The Commission will only decide whether Respondent should be *charged* with a violation and, before the Commission determines whether a violation has occurred or a fine should be imposed, Respondent will have an opportunity for another hearing at which evidence may be introduced.

If this is an **informal hearing**, it will be conducted pursuant Sections 120.569 and 120.57(2), Florida Statutes; Chapter 28 and Commission Rule 2B-1.004, Florida Administrative Code. At the hearing, the Commission will decide whether the Respondent committed the violation(s) charged in the Order of Probable Cause. The Respondent will be permitted to testify. However, the Respondent may not call witnesses to testify.

Respondent may argue why the established facts in the Staff Recommendation do not support the violations charged in the Order of Probable Cause. At Respondent's request, the Commission may determine whether Respondent's actions in the case were willful. The Respondent may also address the appropriateness of the recommended fine. If Respondent claims that his limited resources make him unable to pay the statutory fine, *he must provide the Commission with written proof of his financial resources* at the hearing. A financial affidavit form is available from the Commission Clerk.

SUMMARY: CFHLA Political Committee is a political committee (PC) registered with the State of Florida. The PC's chair is Jay Leonard and its treasurer is Rick Patterson.

The PC is appealing the fine claiming that the report was filed late due to the abrupt departure of their Director of Finance. According to Jay Leonard, the Director was responsible for filing all reports and departed the organization, without notice, on December 7th. He states that they were unaware of the late report until they hired a new Financial Consultant the following week. Mr. Leonard notes that they have passed the responsibility of reporting both PC and PAC activity to their new full-time Public Policy Director to ensure that their reports continue to be filed appropriately and on-time.

- The 2018 M11 Original Report covers the period from 11/02/18-11/30/18; it was due on 12/10/18.
- The 2018 M11 Queued Transaction Report shows that it was created on 12/11/18 and filed on 12/18/18.
- CFHLA Political Committee reported receiving 2 contributions, while making 1 expenditure.
- The Division of Elections does not have any notes that pertain to CFHLA Political Committee's 2018 M11 report.

PRIOR CASES: None.

Subject: Letter of Appeal - Central Florida Hotel & Lodging Association

To whom it may concern,

On behalf of the Central Florida Hotel & Lodging Association (CFHLA), I am writing this message to appeal the recent fines that have been incurred upon the organization.

The fines in question (please see attached for original notices) are \$437.50 for the CFHLA-Political Action Committee and \$125.00 for the CFHLA-Political Committee. These fines were incurred over late filings for the Dec. 10th reporting date. The reports were filed on Dec. 18th.

The late reports were due to the unexpected departure of our Director of Finance. The person in this role was responsible for reporting PAC and PC expenditures with the State of Florida. During his tenure, he reported on time and correctly with the State without issue. However, this person departed our organization on Dec. 7th without notice. This left our organization without a financial specialist to handle our day-to-day operations and our reporting for the State of Florida. It was not until we hired a new Financial Consultant a week later that we were made aware of the late report date and were able to report our expenditures to the State.

As a result of this unfortunate circumstance, we respectfully request an appeal to the fines incurred and request that the fines be waived in good faith to the years of on-time and correct reporting that our organization has been able to put forward. We have now passed the responsibility of reporting our PAC and PC expenditures to our new full-time Public Policy Director for the CFHLA. This new employee has been familiarized with how to properly report our expenditures and will ensure that our reports continue to be filed appropriately and on-time.

We thank you for your time and consideration. If you have any further questions, please feel free to call our Public Policy Director, Rico Pasamba at 407-313-5035.

Sincerely,

Jay Leonard

RE: Case No.: FEC 19-002; Campaign Treasurer's Report due December 10, 2018

Dear Mr. Leonard:

The Florida Elections Commission received your letter appealing the fine assessed against your committee for failing to timely file your campaign treasurer's report. The Commission will hear your case at **its next available meeting** (meetings are usually held in February, May, August, and November of each year). **A notice of hearing will be mailed to you approximately two weeks before the scheduled meeting.** Please notify our office immediately should your address change in order to ensure timely receipt of future correspondence from the Commission.

In reaching its decision, the Commission will consider the documents gathered by Commission staff and any documents you submit for the Commission's consideration before the hearing. Unless good cause is shown, the Commission will not consider at the hearing any written document unless it has been filed with the Commission Clerk at least ten days before the hearing. Rules 2B-1005 and 1.0055, *Florida Administrative Code*, are the Commission's rules on the appeal of automatic fines; a copy of the rules is enclosed.

The Commission will uphold the fine imposed by the filing officer unless you present credible evidence that the report was timely filed or credible evidence that unusual circumstances caused the report to be filed late.

If you have any questions, please contact **Br'Axeton Wims**, the staff member assigned to this case.

Sincerely,

Erin Riley

2B-1.005 Appeal of Fines Imposed by Filing Officers.

(1) To appeal a fine imposed pursuant to Sections 106.04(8) or 106.07(8), FS, the party against whom the fine is levied shall file a notice of appeal with the Commission, and a copy filed with the filing officer, within 20 days of the appealing party's receipt of notice that a fine is being imposed. The notice of appeal shall contain:

- (a) The name, address and telephone number of the appealing party;
- (b) A copy of the notice of imposition of fine issued by the filing officer; and
- (c) A request for hearing if a personal appearance before the Commission is desired. If no hearing request is made, the appeal shall be decided solely on the documents submitted by the appealing party and Commission staff.

(2) Upon receipt of a timely notice of appeal, the Commission staff shall notify the appealing party that the appeal has been accepted. The appealing party shall have 20 days from acceptance of the appeal to submit any documents supporting the appeal. Any subsequent supplemental documents shall be filed no later than five business days before the hearing.

(3) The Commission shall uphold the fine imposed by the filing officer unless the appealing party demonstrates that the report was timely filed or that there were unusual or other circumstances beyond the control of the candidate or committee that caused the report to be filed late.

2B-1.0055 Late-filed Reports; Unusual Circumstances.

(1) Unusual circumstances mean uncommon, rare or sudden events over which the actor has no control and which directly result in the failure to act according to the filing requirements.. Unusual circumstances must occur within a time period that would clearly prevent the person legally responsible for filing the report from doing so in a timely manner. Unusual circumstances shall include, but are not limited to, the following circumstances:

(a) Natural disaster or other emergency that prevented timely filing. Evidence submitted shall include copies of newspaper reports or other documents from an independent and reliable source that document the nature, date, and location of the natural disaster or emergency.

(b) Death of the candidate or campaign treasurer or an immediate family member of the candidate or campaign treasurer.

Evidence submitted shall include a copy of the death certificate, newspaper obituary, or funeral program or notice.

(c) Serious illness, disability or non-elective surgery of the candidate or campaign treasurer. Evidence submitted shall include a physician's certification on professional letterhead stationery that includes the dates of the illness, disability, or surgery; a statement regarding the period of time that the patient was incapacitated; and a statement that surgery, if any, was not elective. The period of incapacitation may also be shown by copies of hospital records reflecting the dates of hospitalization.

(d) Serious illness, disability or non-elective surgery of the candidate's or campaign treasurer's immediate family member. Evidence submitted shall include evidence of the candidate or treasurer's relationship to the family member, the location of the family member, and the reason the candidate or campaign treasurer's presence was required. Evidence submitted shall also include a physician's certification on professional letterhead stationery that includes the dates of the illness, disability or surgery; a statement regarding the period of time that the patient was incapacitated; a statement that surgery, if any, was not elective; and a statement that the patient required the care of a family member.

(e) Computer or equipment failure caused by events that could not have been anticipated and that made timely filing of the report impossible.

(f) The abrupt and unexpected loss of the campaign treasurer; over which the appealing party had no control. The loss of the campaign treasurer shall not constitute unusual circumstances if the appealing party failed to monitor the campaign treasurer's performance before his or her departure or if the appealing party failed to assure prompt preparation of the report after the treasurer's departure.

(g) Failure of the filing officer to e-mail, telephone, or mail a letter to the candidate, chairman of a political committee, or treasurer of a committee of continuous existence that a report is late no later than seven days after the report was due shall constitute unusual circumstances if the appealing party establishes that lack of notice clearly interfered with the timely filing of the report. The fine imposed by the filing officer shall be reduced to the amount that would have been imposed had the report been filed 13 days.

(2) Unusual circumstances shall not include:

(a) Failure of the United States Postal Service or other mail delivery service to postmark an envelope, legibly postmark an envelope, or timely deliver mail.

(b) Failure of the sender to affix sufficient postage to a report that is being mailed.

Dear Mr. Leonard:

Our records indicate that you have not filed either your campaign treasurer's report or notification that no reportable activity occurred, whichever is applicable. The filing date was December 10, 2018.

The law (s. 106.07(8)(b), Fla. Stat.) requires the filing officer to immediately notify you about the missed filing date and the automatic fines that will be assessed for late filing of a report, if a report was due.

- If reportable activity occurred and you have not filed a report, statutory fines are automatically assessed as follows until you file your report:
 - \$50 per day for the first 3 days late
 - \$500 per day for each day after the 3rd day late
 - If the required report immediately precedes a primary and general election, the automatic fine is \$500 for each late day.

The total fine for the untimely report cannot exceed 25% of the total receipts or expenditures, whichever is greater, for the cover period. Even if you end up filing your report late, we cannot waive the statutory fines. We will notify you of the specific amount of fines owed once you file your report. You have 20 days from the day you receive the notice to pay the fine or to appeal the fine to the Florida Elections Commission.

- If no reportable activity occurred for the report date(s), you are still required to notify us in writing, via the Division's Electronic Filing System, that no reportable activity occurred. No automatic fines are statutorily assessed.

However, in all cases, failure to file and/or untimely filing of a report of reportable activity, or if applicable, a notice that no reportable activity occurred, may constitute an apparent violation of chapter 106, Fla. Stat. If we refer such matter to the Florida Elections Commission, the Commission may subsequently impose a civil penalty for each violation under chapter 106.265(1), Fla. Stat.

<p>Re: Phone call with Lee Johnson</p> <p>Lee Johnson returned my phone call regarding DSDE6s for PAC numbers 60868 and 36042. I told him that new ones will be needed as there was not an original signature on the previous versions. He claimed that an updated version of the DSDE6s were mailed to the DoE around 3/10/15. I checked both accounts and the most recent version of the DSDE6 was received on 3/4/15. He will mail in updated copies. Jha 3/26/15</p>

<p>RE: Phone call from Lee Johnson</p> <p>Stacy Bagley transferred a call to me because the caller was irate. Mr. Johnson said he wanted a PIN for the new treasurer. He said the PAC had already provided us the paperwork, and the only thing missing was the zip code. He said he then sent in another copy with the address info. He further stated that he would not pay a fine because we won't give him a PIN on filing day. I explained that our records indicate he was contacted on 2/27/15, the day the letter removing the current treasurer and the DSDE 6 was originally received. Then he was contacted again on 5/4/15 and advised that the DSDE 6 requires original signatures. The gentleman was very upset and keep saying this is completely unacceptable and ridiculous. Mr. Johnson was offered a solution - to have the previous treasurer fax a letter saying he would like to remain the treasurer until the new paperwork filed. He said they would be in town tomorrow and would hand deliver a new original DSDE 6.</p>

<p>Re: Incomplete DSDE 6</p> <p>Received DSDE 6 designating new treasurer but form is missing the full mailing address. Called their office and let them know a new DSDE 6 will be need to be resent. Jha</p>

Re: New chairperson and treasurer			
On today's date, we received letters announcing a new chairperson and treasurer. These changes could not be processed because a DSDE 6 was not included for the treasurer and the chairperson appointment was not from the current chairperson listed in our system. I spoke with Lee at CFHLA and explained the necessary forms and steps needed at this point. He will work on those and send them to our office.

Dear Mr. Pottinga:

This will acknowledge receipt of the Statement of Organization and Appointment of Campaign Treasurer and Designation of Campaign Depository for **CFHLA Political Committee**, which were placed on file in our office on August 22, 2013. This information appears to comply with the requirements of Section 106.03, Florida Statutes, and the name of this organization has been placed on our active committee list as a political committee that supports both candidates and issues.

Campaign Treasurer's Reports

Your first campaign treasurer's report will be due on **October 10, 2013**. The report will cover the period of July 1, 2013 - September 30, 2013. All political committees that file reports with the Division of Elections are required to file by means of the Division's Electronic Filing System (EFS).

Credentials and Sign-ons

Below is the web address to access the EFS and the committee's user identification number. The enclosed sealed envelope contains the committee's initial password. Once you have logged in using the initial password, you will be immediately prompted to change it to a confidential sign-on. The chairperson, campaign treasurer, and deputy treasurers are responsible for protecting this password from disclosure and are responsible for all filings using these credentials, unless the Division is notified that your credentials have been compromised.

Pin Numbers

Pin numbers are confidential secure credentials that allow you to submit reports and update information. The enclosed sealed envelope provides confidential pin numbers for you. By copy of this letter, a confidential pin number to access the EFS was sent to the treasurer.

Each political committee chairperson is required to provide the Division of Elections with confidential personal information that may be used to allow access in the event that the password is forgotten or lost. When you enter the campaign account screen, there will be a drop down box where you pick a question (such as *What is your mother's maiden name?*) and supply an answer. All passwords and answers to questions are stored as encrypted data and cannot be viewed by Division staff and given out over the phone. Please notify the Division if your credentials have been compromised.

Timely Filing

All reports must be completed and filed through the EFS no later than midnight, Eastern Standard Time, of the due date. Reports not filed by midnight of the due date are late filed and subject to the penalties in Section 106.07(8), Florida Statutes. In the event that the EFS is inoperable on the due date, the report will be accepted as timely filed if filed no later than midnight, Eastern Standard Time, of the first business day the EFS becomes operable. No fine will be levied during the period the EFS was inoperable.

Any political committee failing to file a report on the designated due date is subject to a fine of \$50 per day for the first 3 days and, thereafter, \$500 per day for each day, not to exceed 25% of the total receipts or expenditures, whichever is greater, for the period covered by the late report. However, for the reports immediately preceding each primary and general election, the fine shall be \$500 per day, not to exceed 25% of the total receipts or expenditures, whichever is greater, for the period covered by the late report.

Electronic Receipts

The person submitting the report on the EFS will be issued an electronic receipt indicating and verifying the report was filed. Each campaign treasurer's report filed by means of the EFS is considered to be under oath by the chairperson and campaign treasurer and such persons are subject to the provisions of Section 106.07(5), Florida Statutes.
