**If you are the Respondent**, you may attend the hearing, and you or your attorney will have *5 minutes* to present your case to the Commission. However, some cases (including those in which consent orders or recommendations for no probable cause are being considered) may be decided by an *en masse* vote and, unless you request to be heard or the Commission requests that your case be considered separately on the day of the hearing, your case will *not* be individually heard.

**If you are the Complainant**, you may attend the hearing, but you will *not* be permitted to address the Commission. In addition, some cases (including those in which consent orders or recommendations for no probable cause are being considered) may be decided by an *en masse* vote and, unless the Respondent requests to be heard or the Commission requests that the case be considered separately on the day of the hearing, the case will *not* be individually heard.

Executive Director  
Florida Elections Commission

Please refer to the information below for further instructions related to your particular hearing:

If this is a hearing to consider **an appeal from an automatic fine**, the Filing Officer has imposed a fine on you for your failure to file a campaign treasurer's report on the designated due date and, by filing an appeal, you have asked the Commission to consider either (1) that the report was in fact timely filed; or (2) that there were unusual circumstances that excused the failure to file the report timely. You are required to prove your case. If the Commission finds that the report was filed timely or that there were unusual circumstances that excused the failure, it may waive the fine, in whole or in part. The Commission may reduce a fine after considering the factors in Section 106.265, Florida Statutes. If the Commission finds that the report was not timely filed and there were no unusual circumstances, the fine will be upheld.

If this is a hearing to consider a **consent order before a determination of probable cause has been made**, the Commission will decide whether to accept or reject the consent order. If the Commission accepts the consent order, the case will be closed and become public. If the Commission rejects the consent order or does not make a decision to accept or deny the consent order, the case will remain confidential, unless confidentiality has been waived.

If this is a hearing to consider a **consent order after a determination of probable cause has been made**, the Commission will decide whether to accept or reject the consent order. If the Commission accepts the consent order, the case will be closed. If the Commission rejects the consent order or does not make a decision to accept or deny the consent order, the Respondent will be entitled to another hearing to determine if the Respondent committed the violation(s) alleged.

If this is a **probable cause hearing**, the Commission will decide if there is probable cause to believe that the Respondent committed a violation of Florida's election laws. Respondent should be prepared to explain how the staff in its recommendation incorrectly applied the law to the facts of the case. *Respondent may not testify, call others to testify, or introduce any documentary or other evidence at the probable cause hearing.* The Commission will only decide whether Respondent should be *charged* with a violation and, before the Commission determines whether a violation has occurred or a fine should be imposed, Respondent will have an opportunity for another hearing at which evidence may be introduced.

If this is an **informal hearing**, it will be conducted pursuant Sections 120.569 and 120.57(2), Florida Statutes; Chapter 28 and Commission Rule 2B-1.004, Florida Administrative Code. At the hearing, the Commission will decide whether the Respondent committed the violation(s) charged in the Order of Probable Cause. The Respondent will be permitted to testify. However, the Respondent may not call witnesses to testify.

Respondent may argue why the established facts in the Staff Recommendation do not support the violations charged in the Order of Probable Cause. At Respondent's request, the Commission may determine whether Respondent's actions in the case were willful. The Respondent may also address the appropriateness of the recommended fine. If Respondent claims that his limited resources make him unable to pay the statutory fine, *he must provide the Commission with written proof of his financial resources* at the hearing. A financial affidavit form is available from the Commission Clerk.

I am Jonathan McMahon, Treasurer for Bobby Powell for State Senate District 24. I would like to appeal the fine assessed to the campaign for \$62.50. The fine was assessed because of a late-filed report due July 29th. The reason for this late file was because of a change in the campaign treasurer during this reporting period. The necessary pin codes to file a report were not received until August 1st the day the report was filed and because of this, the campaign report was filed late. Sorry for the time and trouble this has caused.

If you have any further questions or concerns about the matter, please contact me Jonathan McMahon at 561-376-9469 or [jmcmahon1982@gmail.com](mailto:jmcmahon1982@gmail.com).

CAN 74103

Dear Senator Powell:

Our records indicate that you have not filed either your campaign treasurer's report or notification that no reportable activity occurred, whichever is applicable. The filing date was July 29, 2022.

The law (s. 106.07(8)(b), Fla. Stat.) requires the filing officer to immediately notify you about the missed filing date and the automatic fines that will be assessed for late filing of a report, if a report was due.

- If reportable activity occurred and you have not filed a report, statutory fines are automatically assessed as follows until you file your report:
  - \$50 per day for the first 3 days late
  - \$500 per day for each day after the 3rd day late
  - If the required report immediately precedes a primary and general election, the automatic fine is \$500 for each late day.

The total fine for the untimely report cannot exceed 25% of the total receipts or expenditures, whichever is greater, for the cover period. Even if you end up filing your report late, we cannot waive the statutory fines. We will notify you of the specific amount of fines owed once you file your report. You have 20 days from the day you receive the notice to pay the fine or to appeal the fine to the Florida Elections Commission.

- If no reportable activity occurred for the report date(s), you are still required to notify us in writing, via the Division's Electronic Filing System, that no reportable activity occurred. No automatic fines are statutorily assessed.

However, in all cases, failure to file and/or untimely filing of a report of reportable activity, or if applicable, a notice that no reportable activity occurred, may constitute an apparent violation of chapter 106, Fla. Stat. If we refer such matter to the Florida Elections Commission, the Commission may subsequently impose a civil penalty for each violation under chapter 106.265(1), Fla. Stat.

If you have any questions, please contact the help desk at (850) 245-6280.

Sincerely,

Donna S. Brown, Chief

Dear Senator Powell:

This will acknowledge receipt of the Appointment of Campaign Treasurer and Designation of Campaign Depository informing us that you are changing the designation of office for which you are a candidate from State Senator, District 30 to State Senator, District 24. The active candidate list has been updated to reflect this change. It is our understanding that the change in numerical designation resulted solely from redistricting, therefore, the change will not affect your ability to retain campaign contributions received for the former district number for which you had filed. As such, you are not required to notify contributors of the change in district number. See Section 106.021(1)(a), Florida Statutes.

If you have any questions, or if we may be of further assistance, please call (850) 245-6280.

RE: Change in Numerical District Designation Due to Redistricting

Dear Ms. Brown:

The Florida Senate has adopted a new map through their reapportionment process and new district numbers have been designated. Please be advised that request to be re-designated from State Senate District 30 to District 24 due to redistricting. This letter accompanies an updated DS-DE9 being filed with the Division of Elections to reflect a change in the numerical district I am filing to run resulting solely from redistricting.

The provisions of Section 106.021(1)(a) exempt candidates from providing notice to contributors when there is a change in a numerical designation resulting solely from redistricting, so no further action is needed other than submitting an updated DS-DE 9 with the Division.

Please let me know if you have any questions regarding this change.

Sincerely,

Hon. Bobby Powell Jr., AICP
