If you are the Respondent, you may attend the hearing, and you or your attorney will have *5 minutes* to present your case to the Commission. However, some cases (including those in which motions to dismiss or recommendations for no probable cause are being considered) may be decided by an *en masse* vote and, unless you request to be heard or the Commission requests that your case be considered separately on the day of the hearing, your case will *not* be individually heard.

If you are the Complainant, you may attend the hearing, but you will *not* be permitted to address the Commission. In addition, some cases (including those in which motions to dismiss or recommendations for no probable cause are being considered) may be decided by an *en masse* vote and, unless the Respondent requests to be heard or the Commission requests that the case be considered separately on the day of the hearing, the case will *not* be individually heard.

Please refer to the information below for further instructions related to your particular hearing:

If this is a hearing to consider **an appeal from an automatic fine**, the Filing Officer has imposed a fine on you for your failure to file a campaign treasurer's report on the designated due date and, by filing an appeal, you have asked the Commission to consider either (1) that the report was in fact timely filed; or (2) that there were unusual circumstances that excused the failure to file the report timely. You are required to prove your case. If the Commission finds that the report was filed timely or that there were unusual circumstances that excused the failure, it may waive the fine, in whole or in part. The Commission may reduce a fine after considering the factors in Section 106.265, Florida Statutes. If the Commission finds that the report was not timely filed and there were no unusual circumstances, the fine will be upheld.

If this is a **probable cause hearing**, the Commission will decide if there is probable cause to believe that the Respondent committed a violation of Florida's election laws. Respondent should be prepared to explain how the staff in its recommendation incorrectly applied the law to the facts of the case. *Respondent may not testify, call others to testify, or introduce any documentary or other evidence at the probable cause hearing.* The Commission will only decide whether Respondent should be *charged* with a violation and, before the Commission determines whether a violation has occurred or a fine should be imposed, Respondent will have an opportunity for another hearing at which evidence may be introduced.

If this is an **informal hearing**, it will be conducted pursuant Sections 120.569 and 120.57(2), Florida Statutes; Chapter 28 and Commission Rule 2B-1.004, Florida Administrative Code. At the hearing, the Commission will decide whether the Respondent committed the violation(s) charged in the Order of Probable Cause. The Respondent will be permitted to testify. However, the Respondent may not call witnesses to testify.

Respondent may argue why the established facts in the Staff Recommendation do not support the violations charged in the Order of Probable Cause. At Respondent's request, the Commission may determine whether Respondent's actions in the case were willful. The Respondent may also address the appropriateness of the recommended fine. If Respondent claims that his limited resources make him unable to pay the statutory fine, *he must provide the Commission with written proof of his financial resources* at the hearing. A financial affidavit form is available from the Commission Clerk.

<p>RE: Returned Mail</p> <p>There were typos on the envelope that was mailed out, I mailed it back out today.</p>

<p>CHECK NUMBER 5300340932, Part 2</p> <p>I attempted to reach Mr. Neal McGarry but spoke to LaTonya Randolph. She told me that Mr. McGarry ment to call Nathan back but she thinks due to the holidays, he forgot. She told me to just tear up the check. I told her I could not do that, but I would mail it back to the 1715 South Gadsden Street address of the Pac. She said that would be fine. ejr</p>

<p>CHECK NUMBER 5300340932</p> <p>I attempted to contact Neal McGarry at (850) 222-6314 about the check for \$100 dollars that was hand delivered by a representative of the Florida Certified Professionals Political Committee. The memo on the check says it is for a late filing fee, however, the Division has no record of a late fee for this amount on file for the PC, and as of this writing there is no outstanding fee owed to the Division.</p> <p>Tanya answered my call and she said that Neal McGarry was currently on holiday. She took a message regarding the mysterious check and said she would have Neal McGarry contact our office when he is able.</p> <p>-njt 11/21/18</p>

<p>Re Special Election STR 44 contributions reported by Robert "Bobby O" Olszewski on the SP1 report, \$500 dated 5/19/17 as FL Substance Abuse Awareness PAC (a long-since disbanded CCE) and \$100 on 6/06/17. The committee has filed their STR 44 SP1 Report, reporting only the \$100 contibution. C/T McGarry reports that a check from an old checkbook (from the CCE) was sent to the campaign in error and the candidate was contacted by the committee regarding the error (this was the \$500 check. He said the check was presented to the bank and the campaign was notified by the bank that no accounted existed. So no \$500 contribution was effectively given to the candidate as the check was drawn on a dormant account.</p>

<p>RE: Credentials</p> <p>Mr. McGarry came into the office in hopes to file the campaign finance reports in person. It was explained that the report had to be filed electronically in EFS. He said he needed new credentials because the staff person no longer works for them and he doesn't know the credentials. I reset the password and chair pin, gave him all of his credentials before he left. Advised him to call when he was ready to file and the Help Desk staff would walk him through filing the reports (he had never filed a report before).</p>

<p>Re: Audit (Awaiting letter to explain resolution of deficit balance.) Attempted to reach Neal McGarry to remind him we needed written explanation as to how the deficit balance was corrected. The secretary told me he was out of the office but put me through to his voice mail. I left the message asking if he had received my email dated July 2 telling him we needed a written explanation as to how he solved the deficit balance. I gave him our address, phone number, and told him I hope to see that letter soon. Ejr</p>

<p>Re: Deficit balance email Sent another email which included contributions vs. expenditures dating back to the beginning of the PAC's existance to assist treasurer to find the error. Email below: Attention Neal McGarry, Treasurer and Chairperson for Substance Abuse Awareness of Florida (61021).</p> <p>This email is in reference to the deficit balance on an audit mailed out on May 12, 2015.</p> <p>I have gone back to the earliest reports the PAC has filed in EFS and included a copy of the Contributions vs. Expenditures Report attached to this email. As you will see at the bottom of the report, I have recorded the beginning transactions of this PAC and find that the deficit starts at the 2015 M2. However, if you see amounts in the earlier reports that do not match bank statements, there is where you need to look. Find the error and make the proper amendments.</p> <p>If you have any questions, please contact me at 850-245-6280.</p> <p>Erika J. <p>Received call back from Neal McGarry. He said his office assistant found the pin numbrs and password so he didn't need to use the credential request form. He was having trouble getting anything to load and so I stepped him through the F12 developer tools compatibility mode.</p> <p>He asked for assistance in filing the waiver for the SF2 report. RE: Special Election Failure to File Letter Phone Call			
<p>Neal McGarry called regarding a letter that he has failed to file the special election report SF2. He stated that he did not do anything with the special election this time. I explained that since he had done a contribution in the SF1 report he would have to continue to file the special election reports for the remainder of that particular special election and if he didn't have anything to file he would need to do them as waivers.</p> <p>He was in South Florida and all his info was in his Tallahassee office and he hasn't been able to get ahold of the treasurer. He asked if he could get his pin numbers. I emailed him the credential request form to his email address: 'namcgarry@flcertificationboard.org'</p> <p>He said he would be sending it back this afternoon.</p> <p>Sib</p>

Substance Abuse Awareness of Florida
1715 South Gadsden Street
Tallahassee, Florida 32301

Dear Mr. McGarry:

This will acknowledge receipt of the Statement of Organization and Appointment of Campaign Treasurer and Designation of Campaign Depository for **Substance Abuse Awareness of Florida**, which were placed on file in our office on September 24, 2013. This information appears to comply with the requirements of Section 106.03, Florida Statutes, and the name of this organization has been placed on our active committee list as a political committee that supports both candidates and issues.

Campaign Treasurer's Reports

Your first campaign treasurer's report will be due on **October 10, 2013**. The report will cover the period of July 1, 2013 - September 30, 2013. All political committees that file reports with the Division of Elections are required to file by means of the Division's Electronic Filing System (EFS).

Credentials and Sign-ons

Below is the web address to access the EFS and the committee's user identification number. The enclosed sealed envelope contains the committee's initial password. Once you have logged in using the initial password, you will be immediately prompted to change it to a confidential sign-on. The chairperson, campaign treasurer, and deputy treasurers are responsible for protecting this password from disclosure and are responsible for all filings using these credentials, unless the Division is notified that your credentials have been compromised.

Pin Numbers

Pin numbers are confidential secure credentials that allow you to submit reports and update information. The enclosed sealed envelopes contain your confidential pin numbers. By copy of this letter, a confidential pin number to access the EFS was sent to the deputy treasurer.

Each political committee chairperson is required to provide the Division of Elections with confidential personal information that may be used to allow access in the event that the password is forgotten or lost. When you enter the campaign account screen, there will be a drop down box where you pick a question (such as *What is your mother's maiden name?*) and supply an answer. All passwords and answers to questions are stored as encrypted data and cannot be viewed by Division staff and given out over the phone. Please notify the Division if your credentials have been compromised.

Timely Filing

All reports must be completed and filed through the EFS not later than midnight, Eastern Standard Time, of the due date. Reports not filed by midnight, Eastern Standard Time, of the due date are late filed and subject to the penalties in Section 106.07(8), Florida Statutes. In the event that the EFS is inoperable on the due date, the report will be accepted as timely filed if filed no later than midnight, Eastern Standard Time, of the first business day the EFS becomes operable. No fine will be levied during the period the EFS was inoperable.

Any political committee failing to file a report on the designated due date is subject to a fine of \$50 per day for the first 3 days and, thereafter, \$500 per day for each day, not to exceed 25% of the total receipts or expenditures, whichever is greater, for the period covered by the late report. However, for the reports immediately preceding each primary and general election, the fine shall be \$500 per day, not to exceed 25% of the total receipts or expenditures, whichever is greater, for the period covered by the late report.

Electronic Receipts

The person submitting the report on the EFS will be issued an electronic receipt indicating and verifying the report was filed. Each campaign treasurer's report filed by means of the EFS is considered to be under oath by the chairperson and campaign treasurer and such persons are subject to the provisions of Section 106.07(5), Florida Statutes.
