This hearing will be conducted pursuant to Section 106.25, Florida Statutes, which governs your participation as follows:

If you are the Respondent, you may attend the hearing, and you or your attorney will have *5 minutes* to present your case to the Commission. However, some cases (including those in which consent orders or recommendations for no probable cause are being considered) may be decided by an *en masse* vote and, unless you request to be heard or the Commission requests that your case be considered separately on the day of the hearing, your case will *not* be individually heard.

If you are the Complainant, you may attend the hearing, but you will *not* be permitted to address the Commission. In addition, some cases (including those in which consent orders or recommendations for no probable cause are being considered) may be decided by an *en masse* vote and, unless the Respondent requests to be heard or the Commission requests that the case be considered separately on the day of the hearing, the case will *not* be individually heard.

Please refer to the information below for further instructions related to your particular hearing:

If this is a hearing to consider **an appeal from an automatic fine**, the Filing Officer has imposed a fine on you for your failure to file a campaign treasurer's report on the designated due date and, by filing an appeal, you have asked the Commission to consider either (1) that the report was in fact timely filed; or (2) that there were unusual circumstances that excused the failure to file the report timely. You are required to prove your case. If the Commission finds that the report was filed timely or that there were unusual circumstances that excused the failure, it may waive the fine, in whole or in part. The Commission may reduce a fine after considering the factors in Section 106.265, Florida Statutes. If the Commission finds that the report was not timely filed and there were no unusual circumstances, the fine will be upheld.

If this is a hearing to consider a **consent order before a determination of probable cause has been made**, the Commission will decide whether to accept or reject the consent order. If the Commission accepts the consent order, the case will be closed and become public. If the Commission rejects the consent order or does not make a decision to accept or deny the consent order, the case will remain confidential, unless confidentiality has been waived.

If this is a hearing to consider a **consent order after a determination of probable cause has been made**, the Commission will decide whether to accept or reject the consent order. If the Commission accepts the consent order, the case will be closed. If the Commission rejects the consent order or does not make a decision to accept or deny the consent order, the Respondent will be entitled to another hearing to determine if the Respondent committed the violation(s) alleged.

If this is a **probable cause hearing**, the Commission will decide if there is probable cause to believe that the Respondent committed a violation of Florida's election laws. Respondent should be prepared to explain how the staff in its recommendation incorrectly applied the law to the facts of the case. *Respondent may not testify, call others to testify, or introduce any documentary or other evidence at the probable cause hearing.* The Commission will only decide whether Respondent should be *charged* with a violation and, before the Commission determines whether a violation has occurred or a fine should be imposed, Respondent will have an opportunity for another hearing at which evidence may be introduced.

If this is an **informal hearing**, it will be conducted pursuant Sections 120.569 and 120.57(2), Florida Statutes; Chapter 28 and Commission Rule 2B-1.004, Florida Administrative Code. At the hearing, the Commission will decide whether the Respondent committed the violation(s) charged in the Order of Probable Cause. The Respondent will be permitted to testify. However, the Respondent may not call witnesses to testify.

Respondent may argue why the established facts in the Staff Recommendation do not support the violations charged in the Order of Probable Cause. At Respondent's request, the Commission may determine whether Respondent's actions in the case were willful. The Respondent may also address the appropriateness of the recommended fine. If Respondent claims that his limited resources make him unable to pay the statutory fine, *he must provide the Commission with written proof of his financial resources* at the hearing. A financial affidavit form is available from the Commission Clerk.

SUMMARY: Southwest Florida Professional Firefighters & Paramedics PC is a political committee (PC) registered with the State of Florida. The PC's chair is Mr. William Simpson and its treasurer is Mr. Troy Mesick.

The PC is appealing the fine claiming that unusual circumstances existed that caused the 2016 P7 Report to be untimely filed. According to Mr. Simpson, "We filed a waiver on the 25th of August. I discovered that we had expenditures for that report, I filed an "Amended" report with our expenditure information on the 29th of August, still showing a filed date of August 25th, 2016. I ask for a waiver consideration as to an automatic fine of \$375.00 for a late filing, our actions and intent have been to the compliance to our reporting responsibilities".

- The 2016 P7 Report covers the time period from 8/13/16 through 8/25/16.
- The 2016 P7 Queued-Transactions Report reflects that this report was created on 8/25/16 at approximately 7:58 am, before being filed on 8/25/16 at approximately 7:58 am.²
- In a 10/26/16 email with Kristi Reid-Bronson, FEC staff was informed, "The committee filed a notice of no activity (waiver) on 8-25-16. A waiver is not a report. On 8-29-16, the committee filed a report showing \$1500 of activity. The fine is based on 25% of the activity".

PRIOR CASES: None.

¹ Respondent initially filed a waiver that reflected no activity occurred during the 2016 P7 reporting period. Respondent later filed a 2016 P7 Report to reflect financial activity.

² The report discussed in this bullet refers to the waiver that reflected zero activity.

The committee filed a notice of no activity (waiver) on 8-25-16. A waiver is not a report. On 8-29-16, the committee filed a report showing \$1500 of activity. The fine is based on 25% of the activity.

Kristi, Could you please explain the discrepancy for this PC's 2016 P7 Report. DOE records reflect that this report was filed on 8/25/16, which is 1 day before the report was due. This PC was fined \$375.00..
