Please refer to the information below for further instructions related to your particular hearing:

If this is a hearing to consider **an appeal from an automatic fine**, the Filing Officer has imposed a fine on you for your failure to file a campaign treasurer's report on the designated due date and, by filing an appeal, you have asked the Commission to consider either (1) that the report was in fact timely filed; or (2) that there were unusual circumstances that excused the failure to file the report timely. You are required to prove your case. If the Commission finds that the report was filed timely or that there were unusual circumstances that excused the failure, it may waive the fine, in whole or in part. The Commission may reduce a fine after considering the factors in Section 106.265, Florida Statutes. If the Commission finds that the report was not timely filed and there were no unusual circumstances, the fine will be upheld.

If this is a hearing to consider a **consent order before a determination of probable cause has been made**, the Commission will decide whether to accept or reject the consent order. If the Commission accepts the consent order, the case will be closed and become public. If the Commission rejects the consent order or does not make a decision to accept or deny the consent order, the case will remain confidential, unless confidentiality has been waived.

If this is a hearing to consider a **consent order after a determination of probable cause has been made**, the Commission will decide whether to accept or reject the consent order. If the Commission accepts the consent order, the case will be closed. If the Commission rejects the consent order or does not make a decision to accept or deny the consent order, the Respondent will be entitled to another hearing to determine if the Respondent committed the violation(s) alleged.

If this is a **probable cause hearing**, the Commission will decide if there is probable cause to believe that the Respondent committed a violation of Florida's election laws. Respondent should be prepared to explain how the staff in its recommendation incorrectly applied the law to the facts of the case. *Respondent may not testify, call others to testify, or introduce any documentary or other evidence at the probable cause hearing.* The Commission will only decide whether Respondent should be *charged* with a violation and, before the Commission determines whether a violation has occurred or a fine should be imposed, Respondent will have an opportunity for another hearing at which evidence may be introduced.

If this is an **informal hearing**, it will be conducted pursuant Sections 120.569 and 120.57(2), Florida Statutes; Chapter 28 and Commission Rule 2B-1.004, Florida Administrative Code. At the hearing, the Commission will decide whether the Respondent committed the violation(s) charged in the Order of Probable Cause. The Respondent will be permitted to testify. However, the Respondent may not call witnesses to testify.

Respondent may argue why the established facts in the Staff Recommendation do not support the violations charged in the Order of Probable Cause. At Respondent's request, the Commission may determine whether Respondent's actions in the case were willful. The Respondent may also address the appropriateness of the recommended fine. If Respondent claims that his limited resources make him unable to pay the statutory fine, *he must provide the Commission with written proof of his financial resources* at the hearing. A financial affidavit form is available from the Commission Clerk.

STAFF RECOMMENDATION FOLLOWING INVESTIGATION

Pursuant to Section 106.25(4)(c), Florida Statutes, undersigned staff counsel files this written recommendation for disposition of the complaint in this case recommending that there is **probable cause** to charge Respondent with violating **Section 106.07(7)**, and **no probable cause** to charge Respondent with violating **Section 106.19(1)(c), Florida Statutes**. Based upon a thorough review of the Report of Investigation submitted on September 15, 2017, the following facts and law support this staff recommendation:

1. On February 8, 2017, the Florida Elections Commission (“Commission”) received a sworn complaint from Susan Bucher, Palm Beach County Supervisor of Elections (“Complainant”), alleging that Let the People Speak Political Committee (“Respondent”) violated Chapter 106, Florida Statutes.

2. Respondent is a political committee registered with the Palm Beach County Supervisor of Elections. (ROI Exhibit 2)¹

3. By letter dated July 25, 2017, the Executive Director notified Respondent that Commission staff would investigate the following statutory provisions:

Section 106.07(7), Florida Statutes: As alleged in the complaint, Respondent failed to notify the filing officer on the prescribed reporting date that no report would be filed on that date because it had not received funds, made contributions, or expended reportable funds during the following reporting periods:

- 2015 M9
- 2015 M10
- 2015 M12

Alleged Violation: Section 106.07(7), Florida Statutes

5. Complainant alleged that Respondent violated Florida’s election laws by failing to notify the filing officer on the prescribed reporting dates that no reports would be filed during the following reporting periods: 2015 M4, 2015 M8, 2015 M9, 2015 M10, 2015 M12, 2016 M1, 2016 M2, 2016 M5, 2016 P1A, 2016 P2, 2016 P2A, 2016 P3, 2016 P7, 2016 P7A, 2016 G1, 2016 G3, 2016 G4, and 2016 G5.

6. Pursuant to Section 106.07(7), Florida Statutes, in any reporting period during which a political committee has not received funds, made any contributions, or expended any reportable funds, the filing of the required report for that period is waived. However, the political committee is required to notify the filing officer in writing on the prescribed reporting date that no report is being filed on that date.

7. Respondent’s filing officer routinely sends notifications by email or certified mail regarding a committee’s failure to submit notifications of no activity. (ROI Exhibit 4)

8. Respondent failed to notify the filing officer on the prescribed reporting dates that no reports would be filed for the following reporting periods, as set forth in the table below. (ROI Exhibit 5, pages 2-3)

Report	Report Cover Period	Date Notification Due	Date Notification Filed	No. of Days Late

2016 G5	10/08 – 10/14/16	10/21/16	10/26/16	5

9. With regard to Complainant’s allegation that Respondent failed to notify the filing officer on the prescribed reporting date that no report would be filed during the 2015 M8 reporting period, the filing officer’s records show that the notification of no activity was submitted timely. (ROI Exhibit 5, page 2)

Alleged Violations: Section 106.07(7), Florida Statutes; Section 106.19(1)(c), Florida Statutes

10. Complainant alleged that Respondent violated Florida’s election laws by failing to notify the filing officer on the prescribed reporting dates that no reports would be filed or by falsely reporting or deliberately failing to include information required by Chapter 106, Florida Statutes, during the following reporting periods: 2016 D1, 2016 D2, 2016 D3, 2016 D4, 2016 D5, 2016 D6, 2016 G7, 2016 M11, and 2016 M12.

11. With regard to the nine above referenced reporting periods, Respondent either failed to timely file the report or notify the filing officer that no report would be filed by the designated due date. Respondent’s filing officer routinely sends notifications by email or certified mail regarding a committee’s failure to timely file reports or notifications of no activity. (ROI Exhibit 4)

12. A subpoena was issued to Respondent’s designated campaign depository to ascertain whether any financial activity occurred during the relevant reporting periods, i.e., collectively October 22, 2016 – December 31, 2016. Respondent’s bank records do not show any reportable financial activity for the relevant reporting periods. (ROI Exhibit 6)

13. Respondent was given multiple opportunities to respond to Commission staff’s investigation, but failed to do so. (ROI Exhibit 10, page 1) On March 17, 2017, Respondent submitted notifications of no activity to its filing officer indicating that the committee had no reportable financial activity during the nine above referenced reporting periods. The notifications ranged from 66 to 139 days late. (ROI Exhibit 7)

14. As it appears that Respondent had no financial activity during the relevant reporting periods, Respondent was required to notify the filing officer in writing that it would not be filing its reports on the prescribed reporting dates, but failed to do so. Therewith, it does not appear that Respondent falsely reported or deliberately failed to include information in its reports as the reports were waived due to a lack of reportable financial activity.

15. “Probable Cause” is defined as reasonable grounds of suspicion supported by circumstances sufficiently strong to warrant a cautious person in the belief that the person has committed the offense charged. *Schmitt v. State*, 590 So. 2d 404, 409 (Fla. 1991). Probable cause exists where the facts and circumstances, of which an [investigator] has reasonably trustworthy

information, are sufficient in themselves for a reasonable man to reach the conclusion that an offense has been committed. *Department of Highway Safety and Motor Vehicles v. Favino*, 667 So. 2d 305, 309 (Fla. 1st DCA 1995).

16. The facts set forth above show that Respondent is a political committee registered with the Palm Beach County Supervisor of Elections. Respondent failed to notify the filing officer on the prescribed reporting dates that no reports would be filed for the following reporting periods: 2015 M4, 2015 M9, 2015 M10, 2015 M12, 2016 M1, 2016 M2, 2016 M5, 2016 P1A, 2016 P2, 2016 P2A, 2016 P3, 2016 P7, 2016 P7A, 2016 G1, 2016 G3, 2016 G4, and 2016 G5. Respondent failed to timely file its 2016 D1, 2016 D2, 2016 D3, 2016 D4, 2016 D5, 2016 D6, 2016 G7, 2016 M11, and 2016 M12 reports or notify the filing officer that no reports would be filed. It appears that Respondent had no reportable financial activity during the relevant reporting periods, and therefore, was required to notify the filing officer in writing that it would not be filing its reports on the prescribed reporting dates, but failed to do so. Therewith, it does not appear that Respondent falsely reported or deliberately failed to include information in its reports as the reports were waived due to a lack of reportable financial activity.

Based upon these facts and circumstances, I recommend that the Commission find **no probable cause** to charge Respondent with violating **Section 106.19(1)(c), Florida Statutes**, and find **probable cause** to charge Respondent with violating the following:

1. Respondent, Let the People Speak Political Committee, is a political committee registered with the Palm Beach County Supervisor of Elections (PBCSOE) office.

2. Complainant, Susan Bucher, is the supervisor of elections for Palm Beach County; she served as Respondent's filing officer.

3. On August 12, 2013, two separate Appointment of Campaign Treasurer and Designation for Political Committees forms (DS-DE 6) were filed with the PBCSOE office¹. One form identified Holly Hampshire as the chairman and treasurer while the other form identified Holly Hampshire as the chairman and Bridget Wilburn as the treasurer. To review the two DS-DE 6 forms, refer to Exhibit 1.

4. On July 28, 2014, the most recent Statement of Organization of Political Committee form (DS-DE 5) was filed with the PBCSOE office². According to its Statement of Organization, the political committee's area, scope and jurisdiction is, "Palm Beach County."

¹ A representative with the PBCSOE office stated that the two forms are the only two appointment of treasurer forms that have been filed with their office.

² The original DS-DE 5 was filed with the PBCSOE office on August 12, 2013. In it, Holly Hampshire was named as the chairman and Bridget Wilburn was named as the treasurer.

Holly Hampshire was named as treasurer; Bridget Wilburn was named as chairperson. To review the DS-DE 5 form, refer to Exhibit 2.

5. The 2015 and 2016 Calendar of Reporting Dates were provided to Ms. Wilburn via e-mail on January 1, 2015 and December 10, 2015, respectively. The Calendar of Reporting Dates included the cover period, report code and the due date. To review a copy of the e-mail as well as the 2015 and 2016 Calendar of Reporting Dates, refer to Exhibit 3.

6. Complainant's office sent letters via certified mail or e-mail to Respondent's chairperson advising her that a number of reports had not been filed. To review copies of the letters as well as e-mail notification, refer to Exhibit 4.

7. The allegations that Respondent failed to report campaign activity, or in the alternative, failed to notify the filing officer that no report would be filed for a number of reporting periods will be discussed in the following paragraphs.

II. Alleged Violation of Section 106.07(7), Florida Statutes:

8. I investigated whether Respondent violated this section of the election laws by failing to timely notify the filing officer, in writing, that no report would be filed due to not receiving any contributions or making any expenditures during 18 different reporting periods.

9. The information below is a summary of the reporting periods at issue. The information was gathered from viewing Respondent's "Campaign Finance Report Summary" page on-line with the Palm Beach County Supervisor of Elections office as well as the 2015 and 2016 Calendar of Reporting Dates. To review Respondent's "Campaign Finance Report Summary" page, refer to Exhibit 5.

10. Respondent's chairperson did not provide a response to the complaint.

11. In an affidavit, Respondent's chairperson was asked to explain the reason for not notifying timely the filing officer, in writing, that no report was being filed; the questionnaire-affidavit was not returned.

12. No record was found to indicate that Respondent has previously violated this section of the election laws.

III. Alleged Violation of Section 106.19(1)(c), Florida Statutes:

13. I investigated whether Respondent violated this section of the election laws by failing to report campaign activity during the 2016 D1, 2016 D2, 2016 D3, 2016 D4, 2016 D5, 2016 D6, 2016 G7, 2016 M11 and 2016 M12 reporting periods.

14. The table below is reflective of when a campaign report or notification-of-no-activity was due for each of the reporting periods at issue based on the 2016 Calendar of Reporting Dates provided to Respondent's chairperson. To review the 2016 Calendar of Reporting Dates, refer to Exhibit 3, page 4.

15. On August 11, 2017, I subpoenaed Respondent's campaign account records from Bank of America. Review of the bank records show that there was no financial activity during the reporting periods at issue⁴. Based upon Respondent's campaign account records, it appears Respondent was required to file a notification-of-no-activity for the above-referenced reporting periods. To review the monthly bank statements, refer to Exhibit 6.

16. Complainant swore-out her complaint on February 6, 2017. According to its "Campaign Finance Report Summary" filed on-line with Complainant's office, it appears a notification-of-no-activity was filed for each of the reporting periods on March 17, 2017. To review the "Campaign Finance Report Summary" page, relative to the reporting periods described above, refer to Exhibit 7.

17. Respondent's chairperson did not provide a response to the complaint.

18. In an affidavit, Respondent's chairperson was asked to explain the reason for not notifying timely the filing officer, in writing, that no report was being filed; the questionnaire-affidavit was not returned.

19. No record was found to indicate that Respondent has previously violated this section of the election laws.

IV. FEC History:

20. Respondent has no prior history with the Florida Elections Commission.

Conclusion:

21. On June 14, 2017, the Commission sent Respondent's chairperson a letter via certified mail informing her that it received a complaint from the Palm Beach County Supervisor of Elections office alleging violations of Florida's election laws. The letter advised the chairperson that if she wanted to file a response to the complaint she had 14 days to respond to the allegations in the complaint and was delivered on June 16, 2017. No response was provided to the complaint. To review the letter of June 14, 2017, as well as the postal receipt, refer to

⁴ The monthly bank statement covering October 1 – October 31, 2016 shows a "Monthly fee for business fundamentals," in the amount of \$17.00, was charged to the account on October 3, 2016. A notification-of-no-activity was filed for the 2016 G4 reporting period and did not reflect the bank fee.

Exhibit 8.

22. On July 25, 2017, the Commission sent Respondent's chairperson a letter informing her that the complaint was found to be legally sufficient and the Commission would be investigating Respondent for possible violations of two sections of the election laws. The letter advised Ms. Wilburn that she could file a notarized statement providing any information regarding the facts surrounding the allegation. No response was provided. To review the letter of July 25, 2017, refer to Exhibit 9.

23. On August 14, 2017, the Commission sent Respondent's chairperson a questionnaire-affidavit for the purpose of offering her an opportunity to answer questions relative to the allegations. It was requested the questionnaire-affidavit be completed and returned no later than August 31, 2017. As of the date of this report, the questionnaire-affidavit has not been returned.

24. On four separate occasions, I attempted to contact Respondent's chairperson by telephone to inquire of her as to whether she planned to complete and return the questionnaire-affidavit. However, I was unsuccessful in contacting her. To review the investigative phone-log documenting the attempts to contact Respondent's chairperson, refer to Exhibit 10.

Respectfully submitted on September 15, 2017.

Dear Ms. Wilburn:

On February 8, 2017, the Florida Elections Commission received the enclosed complaint alleging that your committee violated Florida's election laws. Section 106.25(2), Florida Statutes states:

The respondent shall have 14 days *after receipt* of the complaint to file an initial response, and the executive director may not determine the legal sufficiency of the complaint during that time period.

If you choose to file a response to the complaint, please send it to my attention at the address listed above. To ensure that I receive your response in a timely manner, you may also want to send it via e-mail to my attention, at fec@myfloridalegal.com. You will be notified by letter whether the complaint is determined legally sufficient.

Please note that all documents related to this matter will be mailed to the above address unless you notify us of a new address.

Under section 106.25, Florida Statutes, complaints, Commission investigations, investigative reports, and other documents relating to an alleged violation of Chapters 104 and 106, Florida Statutes, are confidential until the Commission finds probable cause or no probable cause. The confidentiality provision does not apply to the person filing the complaint. However, it does apply to you, the Respondent, unless you waive confidentiality in writing.

EXHIBIT 8 (3&A)

The confidentiality provision does not preclude you from seeking legal counsel. However, if you retain counsel, your attorney must file a notice of appearance with the Commission before any member of the Commission staff can discuss this case with him or her.

Dear Ms. Wilburn:

Your Campaign Treasurer's Report that was due in our office by 5:00 p.m. on Monday, January 11, 2016 has not been received.

Please be advised that according to Section 106.07 (7), F.S., states: Notwithstanding any other provisions of this chapter, in any reporting period during which a candidate or political committee has not received funds, made any contributions, or expended any reportable funds, the filing of the required report for that period is waived. However, the next report filed must specify that the report covers the entire period between the last submitted report and the report being filed, and any candidate or political committee not reporting by virtue of this subsection on dates prescribed elsewhere in this chapter shall notify the filing officer in writing on the prescribed reporting date that no report is being filed on that date.

Also according to Section 106.07 (5) (d), F.S., states: The appropriate filing officer shall notify the Florida Elections Commission of the repeated late filing by a candidate or political committee, the failure of a candidate or political committee to file a report after notice, or the failure to pay the fine imposed. The commission shall investigate only those alleged late filing violations specifically identified by the filing officer and as set forth in the notification. Any other alleged violations must be separately stated and reported by the division to the commission under s. 106.25(2).
