Executive Director
Florida Elections Commission

Please refer to the information below for further instructions related to your particular hearing:

If this is a hearing to consider **an appeal from an automatic fine**, the Filing Officer has imposed a fine on you for your failure to file a campaign treasurer's report on the designated due date and, by filing an appeal, you have asked the Commission to consider either (1) that the report was in fact timely filed; or (2) that there were unusual circumstances that excused the failure to file the report timely. You are required to prove your case. If the Commission finds that the report was filed timely or that there were unusual circumstances that excused the failure, it may waive the fine, in whole or in part. The Commission may reduce a fine after considering the factors in Section 106.265, Florida Statutes. If the Commission finds that the report was not timely filed and there were no unusual circumstances, the fine will be upheld.

If this is a hearing to consider a **consent order before a determination of probable cause has been made**, the Commission will decide whether to accept or reject the consent order. If the Commission accepts the consent order, the case will be closed and become public. If the Commission rejects the consent order or does not make a decision to accept or deny the consent order, the case will remain confidential, unless confidentiality has been waived.

If this is a hearing to consider a **consent order after a determination of probable cause has been made**, the Commission will decide whether to accept or reject the consent order. If the Commission accepts the consent order, the case will be closed. If the Commission rejects the consent order or does not make a decision to accept or deny the consent order, the Respondent will be entitled to another hearing to determine if the Respondent committed the violation(s) alleged.

If this is a **probable cause hearing**, the Commission will decide if there is probable cause to believe that the Respondent committed a violation of Florida's election laws. Respondent should be prepared to explain how the staff in its recommendation incorrectly applied the law to the facts of the case. *Respondent may not testify, call others to testify, or introduce any documentary or other evidence at the probable cause hearing.* The Commission will only decide whether Respondent should be *charged* with a violation and, before the Commission determines whether a violation has occurred or a fine should be imposed, Respondent will have an opportunity for another hearing at which evidence may be introduced.

If this is an **informal hearing**, it will be conducted pursuant Sections 120.569 and 120.57(2), Florida Statutes; Chapter 28 and Commission Rule 2B-1.004, Florida Administrative Code. At the hearing, the Commission will decide whether the Respondent committed the violation(s) charged in the Order of Probable Cause. The Respondent will be permitted to testify. However, the Respondent may not call witnesses to testify.

Respondent may argue why the established facts in the Staff Recommendation do not support the violations charged in the Order of Probable Cause. At Respondent's request, the Commission may determine whether Respondent's actions in the case were willful. The Respondent may also address the appropriateness of the recommended fine. If Respondent claims that his limited resources make him unable to pay the statutory fine, *he must provide the Commission with written proof of his financial resources* at the hearing. A financial affidavit form is available from the Commission Clerk.

In Re: Parker John Baro

Case No.: FEC 17-306

STAFF RECOMMENDATION FOLLOWING INVESTIGATION

Pursuant to Section 106.25(4)(c), Florida Statutes, undersigned counsel files this written recommendation for disposition of the complaint in this case recommending that there is **probable cause** to charge Respondent with violating **Section 106.07(7), Florida Statutes**, and **no probable cause** to charge Respondent with violating **Section 106.19(1)(c), Florida Statutes**. Based upon a thorough review of the Report of Investigation submitted on January 12, 2018, the following facts and law support this staff recommendation:

1. On October 5, 2017, the Florida Elections Commission (“Commission”) received a referral from the Department of State, Division of Elections (“Division”) alleging that Parker John Baro (“Respondent”) violated Chapter 106, Florida Statutes.

2. Respondent is a candidate for State Representative, District 39, in the 2020 election. Respondent is a first-time candidate.

3. By letter dated November 9, 2017, the Executive Director notified Respondent that Commission staff would investigate the following statutory provisions:

Section 106.07(7), Florida Statutes: As alleged in the complaint, Respondent may have failed to notify the filing officer on the prescribed reporting date that no report would be filed on that date because he had not received funds, made contributions, or expended reportable funds during the 2017 M7 reporting period.

Section 106.19(1)(c), Florida Statutes: As alleged in the complaint, Respondent may have falsely reported or deliberately failed to include information required by Chapter 106, Florida Statutes, when he failed to file a report on the prescribed reporting date for the 2017 M7 reporting period.

4. On February 20, 2017, Respondent filed an Appointment of Campaign Treasurer and Designation of Campaign Depository for Candidates form (“DS-DE 9”) with the Division. Respondent appointed Hannah Maldonado as his campaign treasurer. On August 14, 2017, Respondent filed another DS-DE 9 with the Division appointing himself as his own campaign treasurer. On October 23, 2017, Respondent filed another DS-DE 9 with the Division reiterating

his appointment as his own campaign treasurer with an explanatory note informing the Division that Ms. Maldonado had been relieved of her position as campaign treasurer. (ROI Exhibit 1)¹

5. By letter dated February 28, 2017, Kristi Willis², Division of Elections, Chief, Bureau of Election Records, notified Respondent that his DS-DE 9 was filed with the Division on February 24, 2017, and that he had been placed on the 2020 active candidate list. The letter also contained a sealed envelope containing Respondent's confidential PIN number to access the Division's electronic filing system. (ROI Exhibit 2)

6. Ms. Willis' February 28, 2017, letter also informed Respondent that all of the Division's publications and reporting forms were available on the Division's website, including Chapters 104 and 106, Florida Statutes, the *Candidate and Campaign Treasurer Handbook*, and the *Calendar of Reporting Dates*. The letter notified Respondent that it was his responsibility to read, understand, and follow the requirements of Florida's election laws. On October 26, 2017, upon receipt of the DS-DE 9 reiterating Respondent's appointment as his own campaign treasurer, Ms. Willis sent Respondent another written reminder of his obligation to read, understand, and follow the requirements Florida's election laws. (*Id.*)

7. On February 20, 2017, Respondent filed a Statement of Candidate form with the Division by facsimile transmission in which he acknowledged that he had been provided access to read and understand the requirements of Chapter 106, Florida Statutes. Respondent's original Statement of Candidate form was received by the Division on February 24, 2017. (ROI Exhibit 11)

8. In an affidavit dated January 2, 2018, Respondent attested that he possessed and had read Chapter 106, Florida Statutes, and the *Candidate and Campaign Treasurer Handbook*. (Attachment A)

9. Respondent's 2017 M7 campaign treasurer's report was due on August 10, 2017. However, Respondent failed to file it. On August 11, 2017, the Division sent Respondent's campaign treasurer written notification that the campaign's 2017 M7 report or the required notification that no reportable activity occurred, whichever was applicable, had not been filed. Respondent was copied on the notice. (ROI Exhibit 4)

10. On September 7, 2017, the Division sent Respondent's campaign treasurer³ a second notice that the campaign's 2017 M7 report or the required notification that no reportable activity occurred, whichever was applicable, had not been filed. Respondent was copied on the notice. (ROI Exhibit 5)

¹ The Report of Investigation shall be referred to herein as "ROI."

² At the time of the letter, Ms. Willis was known as Kristi Reid Bronson.

³ Although Respondent filed a DS-DE 9 appointing himself as his own campaign treasurer on August 14, 2017, he did not notify the Division that Hannah Maldonado had been relieved of her position as campaign treasurer until October 23, 2017. (ROI Exhibit 1)

11. On September 18, 2017, the Division sent Respondent's campaign treasurer a letter marked "Final Notice" that the campaign's 2017 M7 report or the required notification that no reportable activity occurred, which was applicable, had not been filed. The notice was delivered on September 20, 2017. Respondent was copied on the notice. (ROI Exhibit 6)

12. The investigation subpoenaed Respondent's campaign account records from his campaign depository, Bank of America, N.A. However, the bank informed Commission staff that they were unable to locate any accounts or records for Respondent. (ROI Exhibit 7)

13. Respondent ultimately filed a waiver of the 2017 M7 report on December 6, 2017, which was 118 days late. (ROI Exhibit 10)

14. Section 106.19(1)(c), Florida Statutes, prohibits a candidate from falsely reporting or deliberately failing to include any information required by Chapter 106.

15. Pursuant to Section 106.07(7), Florida Statutes, in any reporting period during which a candidate has not received funds, made any contributions, or expended any reportable funds, the filing of the required report for that period is waived. However, the candidate is required to notify the filing officer in writing on the prescribed reporting date that no report is being filed on that date.

16. Based upon Bank of America's declaration that it could not locate any accounts or records for Respondent, there is no evidence that any reportable financial transactions occurred in the 2017 M7 reporting period. Since Respondent did not have campaign finance activity to report in the 2017 M7 reporting period, Respondent did not have to file the 2017 M7 report. However, Respondent was required to file written notification on the prescribed reporting date that no report was being filed on that date.

17. Respondent did not provide a response to the complaint. However, in an affidavit dated January 2, 2018, Respondent admitted that his campaign had no financial activity during the 2017 M7 reporting period, and Respondent acknowledged that the waiver of the 2017 M7 report was not filed until December 6, 2017. (Attachment A)

18. Based upon the information above, it appears that Respondent failed to file written notification of no activity for the 2017 M7 reporting period on the prescribed reporting date.

19. "Probable Cause" is defined as a reasonable grounds of suspicion supported by circumstances sufficiently strong to warrant a cautious person in the belief that the person has committed the offense charged. *Schmitt v. State*, 590 So.2d 404, 409 (Fla. 1991). Probable cause exists where the facts and circumstances, of which an [investigator] has reasonably trustworthy information, are sufficient in themselves for a reasonable man to reach the conclusion that an offense has been committed. *Department of Highway Safety and Motor Vehicles v. Favino*, 667 So.2d 305, 309 (Fla. 1st DCA 1995).

20. The above facts show that Respondent is a 2020 candidate for State Representative, District 39. Since there is no evidence of reportable financial transactions having occurred during the 2017 M7 reporting period, Respondent was not required to file the 2017 M7 report. However, Respondent was required to file written notification on the prescribed reporting date that no report

was being filed on that date, but he failed to do so. Respondent ultimately filed the notice of no activity 118 days late.

Based upon these facts and circumstances, I recommend that the Commission find no probable cause to charge Respondent with violating Section 106.19(1)(c), Florida Statutes, and find probable cause to charge Respondent with the following:

Count 1:

On or about August 10, Respondent violated Section 106.07(7), Florida Statutes, when he failed to notify the filing officer in writing on the prescribed reporting date that he would not be filing the 2017 M7 report.

Respectfully submitted on January 30, 2018,

Cole H. Kekelis
Assistant General Counsel

Section 106.07(7), Florida Statutes, failure of a candidate who did not receive any contributions or make any expenditures during a reporting period to notify timely the filing officer, in writing, that no report is being filed; and

9. On September 18, 2017, Complainant mailed Respondent a failure-to-file letter via certified mail, informing him that the 2017 M7 Report had not been filed. This letter was sent to the address Respondent provided on his DS-DE 9 form (Exhibit 1). To view a copy of the September 18, 2017 failure-to-file letter with delivery confirmation receipt, refer to exhibit 6.

10. The allegations that Respondent failed to report campaign activity, or in the alternative, failed to notify the filing officer in writing, that no report would be filed for the 2017 M7 reporting period will be discussed in the following paragraphs.

II. Alleged Violation of Section 106.19(1)(c), Florida Statutes:

11. I investigated whether Respondent violated this section of the election laws by falsely reporting or deliberately failing to include information required by Chapter 106, Florida Statutes, when he failed to file a treasurer's report, or written notice to the filing officer that no report would be filed due to lack of reportable activity during the 2017 M7 reporting period, on the prescribed reporting date.

12. On December 19, 2017, I subpoenaed Respondent's campaign account records from Bank of America, the campaign depository listed on Respondent's current DS-DE 9 form (Exhibit 1). In a Business Records Declaration dated January 5, 2018, a depository representative stated that they were unable to locate any information on Respondent. To review a copy of the "business records declaration" from Respondent's depository, refer to exhibit 7.

13. Based upon Bank of America's declaration in response to the Commission's subpoena, it appears that Respondent did not have any contributions or expenditures during the 2017 M7 reporting period⁴. Therefore, it appears there was no campaign activity for Respondent to disclose during this period.

⁴ The 2017 M7 reporting period covers the time-period of July 1, 2017 through July 31, 2017.

14. On December 6, 2017, Respondent filed a notice-of-no-activity for the 2017 M7 reporting period with his filing officer; the notice was due August 10, 2017. Respondent attested that he did not make any contributions nor make any expenditures during this reporting period. To view a copy of the waiver-of-report for the 2017 M7 reporting period, refer to exhibit 8.

15. There is no record that Respondent has previously violated this section of the election laws.

III. Alleged Violation of Section 106.07(7), Florida Statutes:

16. I investigated whether Respondent violated this section of the election laws by failing to timely notify the filing officer, in writing, that no report would be filed due to not receiving any contributions or making any expenditures during the 2017 M7 reporting period.

17. To review the circumstances regarding Respondent's campaign activity, refer to paragraphs 12 through 14 of this report.

18. Section 106.07(7), Florida Statutes, states in part:

"Notwithstanding any other provisions of this chapter, in any reporting period during which a candidate or political committee has not received funds, made any contributions, or expended any reportable funds, the filing of the required report for that period is waived...any candidate or political committee not reporting by virtue of this subsection on dates prescribed elsewhere in this chapter shall notify the filing officer in writing on the prescribed reporting date that no report is being filed on that date."

19. In an e-mail dated April 2, 2014, Ms. Bronson was asked to clarify the procedure regarding how to notify the Division in writing on the prescribed reporting date that no report would be filed. In her response, Ms. Bronson stated, "The notice that no report will be filed is the waiver, which must be filed in the EFS. We do not require anything separate in writing." To review a copy of Ms. Bronson's e-mail, please refer to exhibit 9.

20. Based upon Bank of America's declaration and Ms. Bronson's email, because Respondent did not have any contributions or expenditures during the 2017 M7 reporting period, it appears Respondent was required to notify the Division in writing on the prescribed reporting date that no report would be filed. Respondent filed his notice-of-no-activity 118 days after the reporting due date. To review a copy of Respondent's filing history, refer to exhibit 10.

21. Based on records on file with the Division of Elections, Respondent filed a notice-of-no-activity for the 2017 M2 reporting period 10 days late.

IV. FEC History:

22. None.

Conclusion:

23. Respondent was offered several opportunities to make comments regarding the findings of this investigation. Respondent has not responded to any of these attempts to discuss this matter.

24. In the February 28, 2017 acknowledgement letter, Respondent was informed that all of the Division's publications are available online at the DOE's website. In the letter, Respondent was admonished as follows: **It is your responsibility to read, understand, and follow the requirements of Florida's election laws. Therefore, please print a copy of the following documents: Chapters 104 and 106, Florida Statutes, Candidate and Campaign Treasurer Handbook, Calendar of Reporting Dates, and Rule 1S-2.017, Florida Administrative Code**". To view a copy of the February 28, 2017 acknowledgement letter, refer to exhibit 2.

25. On February 20, 2017, Respondent filed his original Statement of Candidate for State House Representative, District 39 acknowledging that he had been provided access to read and understand that requirements of Chapter 106, Florida Statutes⁵. To view a copy of the Statement of Candidate, refer to exhibit 11.

Respectfully submitted on January 12, 2018.

Dear Mr. Baro:

This will acknowledge receipt of the Appointment of Campaign Treasurer and Designation of Campaign Depository for the office of State Representative, which was placed on file in our office on February 24, 2017. Your name has been placed on the 2020 active candidate list.

Campaign Treasurer's Reports

Your first campaign treasurer's report will be due on **March 10, 2017**. The report will cover the period of February 1-28, 2017 (M2). All candidates who file reports with the Division of Elections are required to file by means of the Division's Electronic Filing System (EFS).

Credentials and Sign-ons

Below is the web address to access the EFS and your user identification number. The enclosed sealed envelope contains your initial password. Once you have logged in using the initial password, you will be immediately prompted to change it to a confidential sign-on. You, your campaign treasurer, and deputy treasurers are responsible for protecting this password from disclosure and are responsible for all filings using these credentials, unless the Division is notified that your credentials have been compromised.

Pin Numbers

Pin numbers are confidential secure credentials that allow you to submit reports and update personal information. The enclosed sealed envelope contains confidential pin numbers for you. By copy of this letter, a confidential pin number to access the EFS was sent to your treasurer.

Each candidate is required to provide the Division of Elections with confidential personal information that may be used to allow access in the event this password is forgotten or lost. When you enter the campaign account screen, there will be a drop down box where you pick a question (such as *What is your mother's maiden name?*) and supply an answer. All passwords and answers to questions are stored as encrypted data and cannot be viewed by Division staff and given out over the phone. Please notify the Division if your credentials have been compromised.

Timely Filing

All reports filed must be completed and filed through the EFS not later than midnight of the due date. Reports not filed by midnight of the due date are late filed and subject to the penalties in Section 106.07(8), Florida Statutes. In the event that the EFS is inoperable on the due date, the report will be accepted as timely filed if filed no later than midnight of the first business day the EFS becomes operable. No fine will be levied during the period the EFS was inoperable.

Any candidate failing to file a report on the designated due date shall be subject to a fine of \$50 per day for the first 3 days late and, thereafter, \$500 per day for each late day, not to exceed 25% of the total receipts or expenditures, whichever is greater, for the period covered by the late report. However, for reports immediately preceding each primary and general election, the fine shall be \$500 per day for each late day, not to exceed 25% of the total receipts or expenditures, whichever is greater, for the period covered by the late report.

Electronic Receipts

The person submitting the report on the EFS will be issued an electronic receipt indicating and verifying the report was filed. Each campaign treasurer's report filed by means of the EFS is considered to be under oath by the candidate and campaign treasurer and such persons are subject to the provisions of Section 106.07(5), Florida Statutes.

CAN 69682

Dear Ms. Maldonado:

Our records indicate that you have not filed either your campaign treasurer's report or notification that no reportable activity occurred, whichever is applicable. The filing date was August 10, 2017.

The law (s. 106.07(8)(b), Fla. Stat.) requires the filing officer to immediately notify you about the missed filing date and the automatic fines that will be assessed for late filing of a report, if a report was due.

- If reportable activity occurred and you have not filed a report, statutory fines are automatically assessed as follows until you file your report:
 - \$50 per day for the first 3 days late
 - \$500 per day for each day after the 3rd day late
 - If the required report immediately precedes a primary and general election, the automatic fine is \$500 for each late day.

The total fine for the untimely report cannot exceed 25% of the total receipts or expenditures, whichever is greater, for the cover period. Even if you end up filing your report late, we cannot waive the statutory fines. We will notify you of the specific amount of fines owed once you file your report. You have 20 days from the day you receive the notice to pay the fine or to appeal the fine to the Florida Elections Commission.

- If no reportable activity occurred for the report date(s), you are still required to notify us in writing, via the Division's Electronic Filing System, that no reportable activity occurred. No automatic fines are statutorily assessed.

However, in all cases, failure to file and/or untimely filing of a report of reportable activity, or if applicable, a notice that no reportable activity occurred, may constitute an apparent violation of chapter 106, Fla. Stat. If we refer such matter to the Florida Elections Commission, the Commission may subsequently impose a civil penalty for each violation under chapter 106.265(1), Fla. Stat.

If you have any questions, please contact the help desk at (850) 245-6280.

Dear Ms. Maldonado:

Our records indicate that you have not filed either your campaign treasurer's report or notification that no reportable activity occurred, whichever is applicable. The filing date was August 10, 2017.

We mailed, via regular mail, the first notice of the failure to file the above-mentioned report or notification to the address on file with our office on August 11, 2017.

The first notice which we provided to you specifically explained the automatic fine provisions in the law (s. 106.07(8)(b), Fla. Stat.) for failure to file a required report. Such fines are continuing to accrue for a late-filed report. Also, that notice explained that if no reportable activity occurred for the report date(s), you are still required to provide notification in writing that no reportable activity occurred. Our initial notice further indicated that, in all cases, failure to file and/or untimely filing of a report of reportable activity, or if applicable, a notice that no reportable activity occurred, may constitute an apparent violation of chapter 106, Fla. Stat. If we refer such matter to the Florida Elections Commission, the Commission may subsequently impose a civil penalty for each violation under chapter 106.265(1), Fla. Stat.

If you have any questions, please contact the help desk at (850) 245-6280.

Sincerely,

A handwritten signature in black ink that reads "Kristi Reid Willis".

Subject: Referrals

Good Afternoon Kristi,

I am investigating a referral from DOE for failure to notify the filing officer in writing on the prescribed reporting date that no report would be filed, i.e. the untimely filing of waivers.

Would you please inform me as to what the procedure is for a candidate who wants to notify the Division in writing that there will be no report filed? Is it similar to the request for password in that they have to fax a signed letter to the Division? Does the Division acknowledge receipt of the notification that no report will be filed? Once the letter is received is the candidate still required to file the actual waiver of report?

Thank you for your assistance in this matter.

Sincerely,

RE: Case No.: FEC 17-306; Respondent: Parker John Baro

Dear Mr. Baro:

On October 5, 2017, the Florida Elections Commission received a complaint alleging that you violated Florida's election laws. I have reviewed the complaint and find that it contains one or more **legally sufficient allegations**. The Commission staff will investigate the following alleged violations:

Section 106.07(7), Florida Statutes: As alleged in the complaint, Respondent may have failed to notify the filing officer on the prescribed reporting date that no report would be filed on that date because he had not received funds, made contributions, or expended reportable funds during the following reporting period:

- 2017 M7

Section 106.19(1)(c), Florida Statutes: As alleged in the complaint, Respondent may have falsely reported or deliberately failed to include information required by Chapter 106, Florida Statutes, when he failed to file a report on the prescribed reporting date for the following reporting period:

- 2017 M7

When we conclude the investigation, a copy of the Report of Investigation (ROI) will be mailed to you at the above address. Based on the results of the investigation, a staff attorney will make a written recommendation (Staff Recommendation or SR) to the Commission as to whether there is probable cause to charge respondent with violating Chapters 104 or 106, Florida Statutes. You will have an opportunity to respond to both the ROI and the SR. The Commission will then hold one or more hearings to determine whether the alleged violations occurred and, if so, the amount of the fine to be imposed. You and the complainant will receive notice at least 14 days before any hearing at which your case is to be considered.

Please note that all documents related to this matter will be mailed to the above address unless you **notify us of a new address**. Also, please remember that complaints, Commission investigations, investigative reports, and other documents relating to an alleged violation of Chapters 104 or 106, Florida Statutes, are **confidential** until the Commission finds probable cause or no probable cause.
