This hearing will be conducted pursuant to Section 106.25, Florida Statutes, which governs your participation as follows:

If you are the Respondent, you may attend the hearing, and you or your attorney will have *5 minutes* to present your case to the Commission. However, some cases (including those in which consent orders or recommendations for no probable cause are being considered) may be decided by an *en masse* vote and, unless you request to be heard or the Commission requests that your case be considered separately on the day of the hearing, your case will *not* be individually heard.

If you are the Complainant, you may attend the hearing, but you will *not* be permitted to address the Commission. Executive Director
Florida Elections Commission
August 23, 2021

Please refer to the information below for further instructions related to your particular hearing:

If this is a hearing to consider **an appeal from an automatic fine**, the Filing Officer has imposed a fine on you for your failure to file a campaign treasurer's report on the designated due date and, by filing an appeal, you have asked the Commission to consider either (1) that the report was in fact timely filed; or (2) that there were unusual circumstances that excused the failure to file the report timely. You are required to prove your case. If the Commission finds that the report was filed timely or that there were unusual circumstances that excused the failure, it may waive the fine, in whole or in part. The Commission may reduce a fine after considering the factors in Section 106.265, Florida Statutes. If the Commission finds that the report was not timely filed and there were no unusual circumstances, the fine will be upheld.

If this is a hearing to consider a **consent order before a determination of probable cause has been made**, the Commission will decide whether to accept or reject the consent order. If the Commission accepts the consent order, the case will be closed and become public. If the Commission rejects the consent order or does not make a decision to accept or deny the consent order, the case will remain confidential, unless confidentiality has been waived.

If this is a hearing to consider a **consent order after a determination of probable cause has been made**, the Commission will decide whether to accept or reject the consent order. If the Commission accepts the consent order, the case will be closed. If the Commission rejects the consent order or does not make a decision to accept or deny the consent order, the Respondent will be entitled to another hearing to determine if the Respondent committed the violation(s) alleged.

If this is a **probable cause hearing**, the Commission will decide if there is probable cause to believe that the Respondent committed a violation of Florida's election laws. Respondent should be prepared to explain how the staff in its recommendation incorrectly applied the law to the facts of the case. *Respondent may not testify, call others to testify, or introduce any documentary or other evidence at the probable cause hearing.* The Commission will only decide whether Respondent should be *charged* with a violation and, before the Commission determines whether a violation has occurred or a fine should be imposed, Respondent will have an opportunity for another hearing at which evidence may be introduced.

If this is an **informal hearing**, it will be conducted pursuant Sections 120.569 and 120.57(2), Florida Statutes; Chapter 28 and Commission Rule 2B-1.004, Florida Administrative Code. At the hearing, the Commission will decide whether the Respondent committed the violation(s) charged in the Order of Probable Cause. The Respondent will be permitted to testify. However, the Respondent may not call witnesses to testify.

Respondent may argue why the established facts in the Staff Recommendation do not support the violations charged in the Order of Probable Cause. At Respondent's request, the Commission may determine whether Respondent's actions in the case were willful. The Respondent may also address the appropriateness of the recommended fine. If Respondent claims that his limited resources make him unable to pay the statutory fine, *he must provide the Commission with written proof of his financial resources* at the hearing. A financial affidavit form is available from the Commission Clerk.

Case No.: FEC 18-366

**RECOMMENDATION FOR
DISPOSITION OF REQUEST FOR WITHDRAWAL OF COMPLAINT**

Pursuant to section 106.25(2), Florida Statutes, the undersigned, Executive Director of the Florida Elections Commission (“Commission”), files this Recommendation for Disposition of Complainant’s Request for Withdrawal (“Request”), and states:

1. On October 23, 2018, the Commission received a sworn complaint from Carolyn Hardy (“Complainant”) alleging that Brandon Smith (“Respondent”) violated Florida’s election laws. More specifically, Complainant alleged that Respondent: certified his campaign treasurer’s reports as true, correct, and complete when they were not; and accepted cash contributions in excess of the \$50 per-election limit. (Exhibit 1)

2. Respondent was a 2018 candidate for West Park City Commission, Seat 2. (Exhibit 2)

3. Section 106.25(2), Florida Statutes, provides:

The complainant may withdraw the sworn complaint at any time prior to a probable cause hearing if good cause is shown. Withdrawal shall be requested in writing, signed by the complainant, and witnessed by a notary public, stating the facts and circumstances constituting good cause....“Good cause” shall be determined based upon the legal sufficiency or insufficiency of the complaint to allege a violation and the reasons given by the complainant for wishing to withdraw the complaint.

4. On or about February 22, 2021, the Commission received Complainant’s Request. Complainant stated that while it appears the complaint came solely from her, she desired for the record to reflect that the complaint was a collaboration of information from other 2018 West Park candidates via communications to the Broward County Supervisor of Elections and the Broward County Office of the Inspector General. (Exhibit 3)

5. Complainant also stated that her sole concern was related to Respondent’s “campaign financial reports irregularities.” Finally, she stated that, “Since 2018, Commissioner Brandon Smith has proven to be a caring and committed servant to our city.” (Exhibit 3)

6. The Complaint was legally sufficient. Complainant's reasons for wanting to withdraw the complaint are based upon her concern that she believed she was not the sole complainant, and that the Respondent has been a caring and committed public servant.

7. Based on the aforementioned facts, it appears Complainant did not provide good cause to withdraw her complaint. Therefore, I recommend the Commission deny Complainant's Request for Withdrawal and proceed with the case.

Respectfully submitted on March 26, 2021,

RE: Case No. FEC 18-366 – Brandon Smith

Dear Ms. Malphurs:

This is a formal request for withdrawal of the above-mentioned complaint. While it appears that the complaint came solely from me, I desire for the record to reflect that this was a collaboration of information from West Park 2018 candidates Katrina Touchstone and Kristine Judeikis via communications to the Broward SOE and Broward Office of Inspector General.

Regretfully, it appears that I alone was responsible for the above- mentioned complaint. That is not accurate at all. My sole concern regarding current West Park Commissioner Brandon Smith was related to his campaign financial reports irregularities. Therefore, I am requesting withdrawal of Case No: FEC 18-366.

Since 2018, Commissioner Brandon Smith has proven to be a caring and committed servant to our city.

Your assistance in this matter is greatly appreciated.

Respectfully submitted,

A hearing will be held in this case before the Florida Elections Commission on **February 23, 2021**. The Commission's Confidential Session will begin at **1:00 p.m., EST**, and will consider multiple cases that day.

Please note that because of COVID-19, this will be a virtual meeting conducted by remote video or teleconference. Enclosed you will find additional details on joining the video conference via ZOOM, Meeting ID 987 1847 0760, or via teleconference by dialing (929) 205-6099 and entering the meeting access code 370906, when prompted. If you wish to speak before the Commission, you will need to appear by webcam and will be sworn in remotely. Please be advised that the Commission will consider multiple cases, so you will need to wait until your case is considered. If you have any questions, please contact Commission staff at (850) 922-4539.

Failure to appear in accordance with this notice will constitute a waiver of your right to participate in the hearing. Continuances will be granted only upon a showing of good cause.

This hearing will be conducted pursuant to Section 106.25, Florida Statutes, which governs your participation as follows:

If you are the Respondent, you may attend the hearing, and you or your attorney will have *5 minutes* to present your case to the Commission. However, some cases (including those in which motions to dismiss or recommendations for no probable cause are being considered) may be decided by an *en masse* vote and, unless you request to be heard or the Commission requests that your case be considered separately on the day of the hearing, your case will *not* be individually heard.

If you are the Complainant, you may attend the hearing, but you will *not* be permitted to address the Commission. In addition, some cases (including those in which motions to dismiss or recommendations for no probable cause are being considered) may be decided by an *en masse* vote and, unless the Respondent requests to be heard or the Commission requests that the case be considered separately on the day of the hearing, the case will *not* be individually heard.

If you are an Appellant, and you have requested a hearing, you may attend the hearing, and you or your attorney will have *5 minutes* to present your case to the Commission.

Please be advised that both confidential and public cases are scheduled to be heard by the Florida Elections Commission. As an Appellant, Respondent or Complainant in one case, you will *not* be permitted to attend the hearings on other confidential cases.

The Commission will electronically record the meeting. Although the Commission's recording is considered the official record of the hearing, the Respondent may provide, at his own expense, a certified court reporter to also record the hearing.

If you require an accommodation due to a disability, contact Donna Ann Malphurs at (850) 922-4539 or by mail at 107 West Gaines Street, The Collins Building, Suite 224, Tallahassee, Florida 32399, at least 5 days before the hearing.

Tim Vaccaro
Executive Director
Florida Elections Commission
February 2, 2021

Please refer to the information below for further instructions related to your particular hearing:

If this is a hearing to consider **an appeal from an automatic fine**, the Filing Officer has imposed a fine on you for your failure to file a campaign treasurer's report on the designated due date and, by filing an appeal, you have asked the Commission to consider either (1) that the report was in fact timely filed; or (2) that there were unusual circumstances that excused the failure to file the report timely. You are required to prove your case. If the Commission finds that the report was filed timely or that there were unusual circumstances that excused the failure, it may waive the fine, in whole or in part. The Commission may reduce a fine after considering the factors in Section 106.265, Florida Statutes. If the Commission finds that the report was not timely filed and there were no unusual circumstances, the fine will be upheld.

If this is a **probable cause hearing**, the Commission will decide if there is probable cause to believe that the Respondent committed a violation of Florida's election laws. Respondent should be prepared to explain how the staff in its recommendation incorrectly applied the law to the facts of the case. *Respondent may not testify, call others to testify, or introduce any documentary or other evidence at the probable cause hearing.* The Commission will only decide whether Respondent should be *charged* with a violation and, before the Commission determines whether a violation has occurred or a fine should be imposed, Respondent will have an opportunity for another hearing at which evidence may be introduced.

If this is an **informal hearing**, it will be conducted pursuant Sections 120.569 and 120.57(2), Florida Statutes; Chapter 28 and Commission Rule 2B-1.004, Florida Administrative Code. At the hearing, the Commission will decide whether the Respondent committed the violation(s) charged in the Order of Probable Cause. The Respondent will be permitted to testify. However, the Respondent may not call witnesses to testify.

Respondent may argue why the established facts in the Staff Recommendation do not support the violations charged in the Order of Probable Cause. At Respondent's request, the Commission may determine whether Respondent's actions in the case were willful. The Respondent may also address the appropriateness of the recommended fine. If Respondent claims that his limited resources make him unable to pay the statutory fine, *he must provide the Commission with written proof of his financial resources* at the hearing. A financial affidavit form is available from the Commission Clerk.

If you are the Respondent, you may attend the hearing, and you or your attorney will have *5 minutes* to present your case to the Commission. However, some cases (including those in which motions to dismiss or recommendations for no probable cause are being considered) may be decided by an *en masse* vote and, unless you request to be heard or the Commission requests that your case be considered separately on the day of the hearing, your case will *not* be individually heard.

If you are the Complainant, you may attend the hearing, but you will *not* be permitted to address the Commission. In addition, some cases (including those in which motions to dismiss or recommendations for no probable cause are being considered) may be decided by an *en masse* vote and, unless the Respondent requests to be heard or the Commission requests that the case be considered separately on the day of the hearing, the case will *not* be individually heard.

If you are an Appellant, and you have requested a hearing, you may attend the hearing, and you or your attorney will have *5 minutes* to present your case to the Commission.

Please be advised that both confidential and public cases are scheduled to be heard by the Florida Elections Commission. As an Appellant, Respondent or Complainant in one case, you will *not* be permitted to attend the hearings on other confidential cases.

The Commission will electronically record the meeting. Although the Commission's recording is considered the official record of the hearing, the Respondent may provide, at his own expense, a certified court reporter to also record the hearing.

If you require an accommodation due to a disability, contact Donna Ann Malphurs at (850) 922-4539 or by mail at 107 West Gaines Street, The Collins Building, Suite 224, Tallahassee, Florida 32399, at least 5 days before the hearing.

Executive Director
Florida Elections Commission
July 28, 2020

Please refer to the information below for further instructions related to your particular hearing:

If this is a hearing to consider **an appeal from an automatic fine**, the Filing Officer has imposed a fine on you for your failure to file a campaign treasurer's report on the designated due date and, by filing an appeal, you have asked the Commission to consider either (1) that the report was in fact timely filed; or (2) that there were unusual circumstances that excused the failure to file the report timely. You are required to prove your case. If the Commission finds that the report was filed timely or that there were unusual circumstances that excused the failure, it may waive the fine, in whole or in part. The Commission may reduce a fine after considering the factors in Section 106.265, Florida Statutes. If the Commission finds that the report was not timely filed and there were no unusual circumstances, the fine will be upheld.

If this is a **probable cause hearing**, the Commission will decide if there is probable cause to believe that the Respondent committed a violation of Florida's election laws. Respondent should be prepared to explain how the staff in its recommendation incorrectly applied the law to the facts of the case. *Respondent may not testify, call others to testify, or introduce any documentary or other evidence at the probable cause hearing.* The Commission will only decide whether Respondent should be *charged* with a violation and, before the Commission determines whether a violation has occurred or a fine should be imposed, Respondent will have an opportunity for another hearing at which evidence may be introduced.

If this is an **informal hearing**, it will be conducted pursuant Sections 120.569 and 120.57(2), Florida Statutes; Chapter 28 and Commission Rule 2B-1.004, Florida Administrative Code. At the hearing, the Commission will decide whether the Respondent committed the violation(s) charged in the Order of Probable Cause. The Respondent will be permitted to testify. However, the Respondent may not call witnesses to testify.

Respondent may argue why the established facts in the Staff Recommendation do not support the violations charged in the Order of Probable Cause. At Respondent's request, the Commission may determine whether Respondent's actions in the case were willful. The Respondent may also address the appropriateness of the recommended fine. If Respondent claims that his limited resources make him unable to pay the statutory fine, *he must provide the Commission with written proof of his financial resources* at the hearing. A financial affidavit form is available from the Commission Clerk.

In Re: Brandon Smith

Case No.: FEC 18-366

STAFF RECOMMENDATION FOLLOWING INVESTIGATION

Pursuant to Section 106.25(4)(c), Florida Statutes, undersigned staff counsel files this written recommendation for disposition of the referral in this case recommending that there is **probable cause** to charge Respondent with violating **Section 106.07(5), Florida Statutes**, and **no probable cause** to charge Respondent with violating **Section 106.09(1)(b), Florida Statutes**. Based upon a thorough review of the Report of Investigation submitted on October 30, 2019, the following facts and law support this staff recommendation:

1. On October 23, 2018, the Florida Elections Commission (“Commission”) received a sworn complaint from Carolyn Hardy (“Complainant”), alleging that Brandon Smith (“Respondent”) violated Chapter 106, Florida Statutes.
2. Respondent was a 2018 candidate for the West Park City Commission, Seat 2.
3. Complainant is a resident of the City of West Park and a registered elector in Broward County.
4. By letter dated August 6, 2019, the Executive Director notified Respondent that Commission staff would investigate the following statutory provision:

Section 106.07(5), Florida Statutes: Respondent, a 2018 candidate for West Park City Commission, Seat 2, may have certified one or more campaign treasurer reports were true, correct, and complete when they were not, as alleged in the complaint.

Section 106.09(1)(b), Florida Statutes: Respondent, a 2018 candidate for West Park City Commission, Seat 2, may have accepted one or more cash contributions in excess of the \$50 per campaign limit, as alleged in the complaint.

5. On June 21, 2018, Respondent’s Statement of Candidate (DS-DE 84) and Appointment of Campaign Treasurer and Designation of Campaign Depository for Candidate (DS-DE 9) were filed with the West Park City Clerk’s office. Respondent appointed Monetta Whitehead to serve as his campaign treasurer. (ROI Exhibit 16 and Exhibit 1)¹

¹ The Report of Investigation shall be referred to herein as “ROI.”

6. The Affidavit of Filing Officer states that relative to *Chapter 106, Florida Statutes*, and the *Candidate & Campaign Treasurer Handbook*, “Publications are given directly to the candidate,” and “Publications are available in the office, candidates are advised to pick-up the publications for themselves.” (ROI Exhibit 15, page 1 and 2)

Section 106.07(5), Florida Statutes

7. Section 106.07(5), Florida Statutes, states in pertinent part: “The **candidate** and his or her campaign treasurer, in the case of a candidate, or the political committee chair and campaign treasurer of the committee, in the case of a political committee, **shall certify** as to the **correctness of each report**; and each person so certifying shall **bear the responsibility for the accuracy and veracity** of each report.” (Emphasis added)

8. The October 23, 2018 complaint alleged that four campaign reports filed with the city clerk’s office by Respondent’s campaign were incomplete and incorrect. Complainant specifically noted these issues in Respondent’s 2018 M6, 2018 M7, 2018 M8 and 2018 G4 campaign reports.

9. “**Table 1**” below identifies the relevant incomplete and incorrect information in these four reports that Respondent originally filed and amended. Parentheses are used to provide the location of that information in the ROI.

10. On November 7, 2018, three weeks after the instant complaint was filed, Respondent amended each of the four reports one or more times and correctly reported that he was running for Seat 2. The incorrect and incomplete contribution and expenditure totals appear in Table 2.

11. "Table 2" below lists in chronological order the reports that Respondent filed with relevant information, including the amounts for "Total Contributions to Date" and "Total Expenditures to Date" and ROI location. Any total below that does not list a contribution or

³ The two contributors with incomplete occupations were completed in the amended 2018 M7 report filed on November 7, 2018. (ROI Exhibit 6, page 2)

expenditure total (i.e. is left blank) is not true, correct, and complete. Any amended report below that lists a total amount that is not the same as the total in the original report indicates that the original report total for that period is also not true, correct, and complete. For visual simplification purposes, the incorrect totals are **boldened/highlighted/italicized** below.

13. Section 106.09(1)(b), Florida Statutes, states: "A person may not accept an aggregate cash contribution or contribution by means of a cashier's check from the same contributor in excess of \$50 per election."

14. "Table 3" below lists the way these contributions were reported. (ROI Exhibit 12; ROI Exhibit 14, Sequence # 6)

15. In his October 3, 2019 questionnaire-affidavit response, Respondent attested that he does possess and has read Chapter 106, Florida Statutes, as well as the *Candidate and Campaign Treasurer Handbook*. (ROI Exhibit 11, page 2, ¶ 7, 8, 9, 10, 11, and 12)

16. However, Respondent did not specifically address the allegation of accepting excessive cash contribution in his questionnaire-affidavit response. He did attach a written explanation/memo (ROI Exhibit 11, page 5) stating that some contributions (namely entries/sequence #s 38, 39, 41, 44 and 45) were made through an online vendor, Anedot. Respondent's explained further that when the campaign began collecting contributions online, he inadvertently marked each as cash, because he did not know what "Type" should be listed; he included the receipts showing the contributions coming through Anedot. (ROI Exhibit 13)

17. Respondent's explanation/memo (ROI Exhibit 11, page 5) stated the \$100.00 contribution from James Walden (ROI Exhibit 12, page 1, Sequence # 17) was a clerical error and should have been reported from both members of that household, James and Tammy Walden, thus suggesting the contribution from each is \$50.00. (ROI Exhibit 11, page 5)

18. Respondent's explanation/memo (ROI Exhibit 11, page 5) stated that the \$65.00 contribution from Darnell Porter (ROI Exhibit 12, page 2, Sequence # 37) was a clerical error and should have been reported from both members of that household, Darnell and Cindy Porter, thus suggesting the contribution from each was half of \$65.00. (ROI Exhibit 11, page 5)

19. Respondent's explanation/memo (ROI Exhibit 11, page 5) stated the \$100.00 contribution from Lyonel Manuel (ROI Exhibit 14, Sequence # 6) was a clerical error and should have been reported from both members of that household, Lyonel and Olive Manuel, thus suggesting the contribution from each is \$50.00. (ROI Exhibit 11, page 5)

20. While Respondent's explanation/memo about erroneously reporting the contributions received through his online vendor and the re-allocating of the other cash contributions in excess of \$50.00 to households may appear to obviate the initial assessment of their violative status, the explanation/memo provides further evidence that the reports Respondent filed were not true, correct and complete.

21. "Probable Cause" is defined as reasonable grounds of suspicion supported by circumstances sufficiently strong to warrant a cautious person in the belief that the person has committed the offense charged. *Schmitt v. State*, 590 So. 2d 404, 409 (Fla. 1991). Probable cause exists where the facts and circumstances, of which an [investigator] has reasonably trustworthy information, are sufficient in themselves for a reasonable man to reach the conclusion that an offense has been committed. *Department of Highway Safety and Motor Vehicles v. Favino*, 667 So. 2d 305, 309 (Fla. 1st DCA 1995).

22. The facts set forth above show that Respondent was a 2018 candidate for the West Park City Commission, Seat 2. (ROI Exhibit 16 and Exhibit 1) Respondent attested that he received and read Chapter 106, Florida Statutes, and the *Candidate and Campaign Treasurer Handbook*. (ROI Exhibit 11, page 2, ¶ 7, 8, 9, 10, 11, and 12) Respondent's originally filed 2018 M6, 2018 M7, 2018 M8 and 2018 G4 reports and amended reports were not true, correct and complete. (Tables 1, 2, and 3 and the ROI references contained therein) Respondent acknowledged that there were errors in the reports that were filed. (ROI Exhibit 11, page 5) Respondent certified to the

correctness of each of these reports and bears the responsibility for the accuracy and veracity of each report.

Based upon these facts and circumstances, I recommend that the Commission find **no probable cause** to charge Respondent with violating **Section 106.19(1)(b), Florida Statutes**, and find **probable cause** to charge Respondent with violating the following:

Count 1:

Section 106.07(5), Florida Statutes: Respondent, a 2018 candidate for West Park City Commission, Seat 2, certified one or more campaign treasurer reports were true, correct, and complete when they were not, as alleged in the complaint.

Respectfully submitted on March 18, 2020.

Assistant General Counsel

**FLORIDA ELECTIONS COMMISSION
REPORT OF INVESTIGATION
Case No.: FEC 18-366**

Respondent: Brandon Smith

Complainant: Carolyn Hardy

On October 23, 2018, the Florida Elections Commission (Commission) received a sworn complaint alleging that Respondent violated Chapter 106, Florida Statutes. Commission staff investigated whether Respondent violated the following statutes:

Section 106.07(5), Florida Statutes, prohibiting a candidate from certifying to the correctness of a campaign treasurer's report that is incorrect, false, or incomplete; and

Section 106.09(1)(b), Florida Statutes, prohibiting a person from accepting a contribution in the aggregate in cash in excess of \$50.

I. Preliminary Information:

1. Respondent, Brandon Smith, was a 2018 candidate for the West Park City Commission, Seat 2; he was elected to office on November 6, 2018; Respondent was a first-time candidate.

2. On June 21, 2018, Respondent's "APPOINTMENT OF CAMPAIGN TREASURER AND DESIGNATION OF CAMPAIGN DEPOSITORY FOR CANDIDATES" form (DS-DE 9) was filed with the West Park City Clerk's office. Respondent appointed Monetta Whitehead to serve as his campaign treasurer. To review the DS-DE 9 form, refer to Exhibit 1.

3. Complainant, Carolyn Hardy, is a registered elector in Broward County; she is a resident of the City of West Park, Florida.

II. Alleged Violation of Section 106.07(5), Florida Statutes:

4. I investigated whether Respondent violated this section of the election laws by certifying to the correctness of campaign treasurer's reports as true, correct, and complete, when they were not.

5. Complainant alleged that certain campaign reports filed with the city clerk's office by Respondent's campaign were incomplete. Specifically, Complainant noted incomplete reporting in Respondent's 2018 M6, 2018 M7, 2018 M8 and 2018 G4 campaign reports.

19. In his response, Respondent did not specifically address the allegation of accepting excessive cash contributions.

20. In a questionnaire-affidavit, Respondent attested that some the contributions (entries 38, 39, 41, 44 and 45) were made through the online vendor, Anedot. Respondent attested that the campaign started collecting online contributions and he inadvertently marked each as cash, not knowing what "Type" should be listed. With his affidavit, Respondent included the receipts showing the contributions coming through Anedot. To review the receipts from Anedot, refer to Exhibit 13.

21. In his questionnaire-affidavit, Respondent stated that the contribution from James and Tammy Walden as well as the contribution from Darnell and Cindy Porter was an "oversight and clerical error when writing on the report that the monies were to be separated for the contributors who live in the same household." questionnaire-affidavit, refer to Exhibit 11.

22. Complainant also alleged that Respondent accepted an excessive cash contribution as reflected in his 2018 G4 campaign report; the contribution was reported in the following manner. 23. In his affidavit, Respondent stated that the contribution from Lyonel and Olive Manuel was an “oversight and clerical error when writing the report that the monies were to be separated for the contributors who live in the same household.” To review Respondent’s response to the questionnaire-affidavit, refer to Exhibit 11.

24. As per paragraph 15, Respondent attested that his campaign treasurer was responsible for entering to the contribution and expenditure activity on to the campaign reports and he reviewed each campaign report prior to certifying the report as true, correct, and complete.

25. No record was found to indicate that Respondent has previously violated this section of the election laws.

IV. FEC History:

26. Respondent has no prior history with the Florida Elections Commission.

Conclusion:

27. On October 8 and October 11, 2019, I left voicemail messages asking Respondent to return my telephone calls so that I could review the case with him and afford him an opportunity for questions or comments. As of the date of this report, Respondent has not returned my telephone calls.

28. In an affidavit, West Park City Clerk Alexandra Grant attested that Respondent’s 2018 campaign was his first campaign for elective office and that he was provided with Chapter 106, Florida Statutes, as well as the *Candidate and Campaign Treasurer Handbook*. To review the affidavit of the city clerk, refer to Exhibit 15.

29. In his questionnaire-affidavit, Respondent attested that he had not sought elective office prior to his 2018 campaign and that he has never served as the campaign treasurer for a candidate or a political committee. Respondent was asked what action he had taken to determine his responsibilities under Florida's election laws. He stated, "I have since reviewed the clerical error and have made corrections via amendment, as well as provided letter of explanation of the oversight." Respondent attested that he does possess and has read Chapter 106, Florida Statutes, as well as the *Candidate and Campaign Treasurer Handbook*. To review Respondent's response to the questionnaire-affidavit, refer to Exhibit 11.

30. Respondent executed a Statement of Candidate form indicating that he had been provided access to read and understand the requirements of Chapter 106, Florida Statutes; the form is dated as having been signed on June 20, 2018. To review the Statement of Candidate form, refer to Exhibit 16.

Respectfully submitted on October 30, 2019.

Dear Keith Smith:

This letter is in response to the explanation needed for the following items:

#17. Each of these were changed from CAS to CHK due to a clerical error. On Page 21 in the Campaign Handbook, it states "A candidate may accept contributions via a credit card or debit card. These contributions are categorized as a "check" for reporting purposes (see attached Anedots). We started collecting online donations, and I inadvertently marked each of them as CAS, not knowing what the "Type" should be listed as. We have records showing that all these transactions were made online.

In reference to #18, #19 & #20

It was an oversight and clerical error when writing on the report that the monies were to be separated for the contributors who live in the same household. Please see the attached amendments separating the contributions of the listed contributors.

#18 – James and Tammy Walden

#19 – Darnell and Cindy Porter

#20 – Lyonel and Olive Manuel

Please let me know if you have any further questions, comments, or concerns.

Best Regards,

Brandon Smith

RE: Case No.: FEC 18-366; Respondent: Brandon Smith

Dear Mr. Smith:

On October 23, 2018, the Florida Elections Commission received a complaint alleging that you violated Florida's election laws. I have reviewed the complaint and find that it contains one or more **legally sufficient allegations**. The Commission staff will investigate the following alleged violations:

Section 106.07(5), Florida Statutes: Respondent, a 2018 candidate for West Park City Commission, Seat 2, may have certified one or more campaign treasurer reports were true, correct, and complete when they were not, as alleged in the complaint.

Section 106.09(1)(b), Florida Statutes: Respondent, a 2018 candidate for West Park City Commission, Seat 2, may have accepted one or more cash contributions in excess of the \$50 per campaign limit, as alleged in the complaint.

When we conclude the investigation, a copy of the Report of Investigation (ROI) will be mailed to you at the above address. Based on the results of the investigation, a staff attorney will make a written recommendation (Staff Recommendation or SR) to the Commission as to whether there is probable cause to charge respondent with violating Chapters 104 or 106, Florida Statutes. You will have an opportunity to respond to both the ROI and the SR. The Commission will then hold one or more hearings to determine whether the alleged violations occurred and, if so, the amount of the fine to be imposed. You and the complainant will receive notice at least 14 days before any hearing at which your case is to be considered.

Please note that all documents related to this matter will be mailed to the above address unless you **notify us of a new address**. Also, please remember that complaints, Commission investigations, investigative reports, and other documents relating to an alleged violation of Chapters 104 or 106, Florida Statutes, are **confidential** until the Commission finds probable cause or no probable cause.
