Failure to appear in accordance with this notice will constitute a waiver of your right to participate in the hearing. Continuances will be granted only upon a showing of good cause.

This hearing will be conducted pursuant to Section 106.25, Florida Statutes, which governs your participation as follows:

If you are the Respondent, you may attend the hearing, and you or your attorney will have *5 minutes* to present your case to the Commission. However, some cases (including those in which motions to dismiss or recommendations for no probable cause are being considered) may be decided by an *en masse* vote and, unless you request to be heard or the Commission requests that your case be considered separately on the day of the hearing, your case will *not* be individually heard.

If you are the Complainant, you may attend the hearing, but you will *not* be permitted to address the Commission. Please refer to the information below for further instructions related to your particular hearing:

If this is a hearing to consider **an appeal from an automatic fine**, the Filing Officer has imposed a fine on you for your failure to file a campaign treasurer's report on the designated due date and, by filing an appeal, you have asked the Commission to consider either (1) that the report was in fact timely filed; or (2) that there were unusual circumstances that excused the failure to file the report timely. You are required to prove your case. If the Commission finds that the report was filed timely or that there were unusual circumstances that excused the failure, it may waive the fine, in whole or in part. The Commission may reduce a fine after considering the factors in Section 106.265, Florida Statutes. If the Commission finds that the report was not timely filed and there were no unusual circumstances, the fine will be upheld.

If this is a **probable cause hearing**, the Commission will decide if there is probable cause to believe that the Respondent committed a violation of Florida's election laws. Respondent should be prepared to explain how the staff in its recommendation incorrectly applied the law to the facts of the case. *Respondent may not testify, call others to testify, or introduce any documentary or other evidence at the probable cause hearing.* The Commission will only decide whether Respondent should be *charged* with a violation and, before the Commission determines whether a violation has occurred or a fine should be imposed, Respondent will have an opportunity for another hearing at which evidence may be introduced.

If this is an **informal hearing**, it will be conducted pursuant Sections 120.569 and 120.57(2), Florida Statutes; Chapter 28 and Commission Rule 2B-1.004, Florida Administrative Code. At the hearing, the Commission will decide whether the Respondent committed the violation(s) charged in the Order of Probable Cause. The Respondent will be permitted to testify. However, the Respondent may not call witnesses to testify.

Respondent may argue why the established facts in the Staff Recommendation do not support the violations charged in the Order of Probable Cause. At Respondent's request, the Commission may determine whether Respondent's actions in the case were willful. The Respondent may also address the appropriateness of the recommended fine. If Respondent claims that his limited resources make him unable to pay the statutory fine, *he must provide the Commission with written proof of his financial resources* at the hearing. A financial affidavit form is available from the Commission Clerk.

SUMMARY: Florida Public Health Fund is a political committee (PC) registered with the State of Florida. The PC's chair is Miguel Farra and its treasurer is Ed S. Torgas.

The PC is appealing the fine claiming that they timely filed "waiver reports". According to the treasurer, Ed S. Torgas, they became aware that a reportable transaction occurred and amended the 2020 M2 report on March 13, 2020 to reflect that activity. He states that due to the omission, he reviewed the previous six months and found another omission had been made on the 2020 M1 report. He notes that they promptly amended the reports and requests a waiver of the fine due to the circumstances.

- The 2020 M2 Original Report covers the period from 02/01/20-02/29/20; it was due on 03/10/20.
- The 2020 M2 Queued Transaction Report shows that it was created and filed on 03/06/20.¹
- Florida Public Health Fund reported receiving 1 contribution, while making zero expenditures.
- FEC staff was advised, "The committee filed a notice of no activity (waiver) on 03/06/20. A waiver is not a report. On 03/13/20, the committee filed a report showing \$20,000.00 of activity.
- The Division of Elections does not have any notes that pertain to Florida Public Health Fund's 2020 M2 report.

PRIOR CASES: 16-516 (WILLFUL)

¹The filing discussed in this bullet refers to the waiver that reflected zero activity.

RE: Late Filing Penalties assessed for PAC 61251 Treasurer's reports due:

February 10, 2020 -- \$625.00

March 10, 2020 -- \$150.00

To whom it may concern:

The purpose of this letter is to appeal the fines assessed for the alleged late filing of the February and March 2020 Treasurer's reports by Florida Public Health Fund as described in the attached letters from the Division of Elections of the State of Florida dated May 14, 2020.

In both instances, the PAC timely filed "Waiver" reports for the periods in question; attached are the filing receipts for such filings. Subsequent to the filing of the waiver report for the 2020-M2-136 due 3/10/20, we became aware that a reportable transaction had been omitted from said report. We immediately, on 3/13/20, filed an amendment to the report to reflect the previously omitted transaction. Concerned by the fact that this omission had been made on the 2020-M2-136 report, we conducted a review of the records for the prior six months and concluded that a similar event had resulted in the omission of one transaction on the 2020-M1-135 report due 2-10-20. We filed an amended report on May 4, 2020 to report the previously omitted transaction.

As a result of our review of our records and related processes and procedures, we identified the reasons that led to our failure to report these transactions on a timely basis and have implemented the necessary internal controls to avoid similar omissions in the future. There was never an intent on our part not to file our reports on a timely basis, and the fact that we did file timely "Waiver" reports is proof of our intent to comply with the regulations; likewise, there was never an intent to hide any information from the Commission or the public and our actions, the prompt filing of the amended reports, attest to this fact.

We respectfully request that you take into account these mitigating circumstances when evaluating these alleged late filings.

Yours truly,

Ed S. Torgas.

RE: 2014 M11			
They had marked as waiver but needed to insert contributions. They had not filed yet. I explained waiver should only be marked if there are no transactions. I then explained how to enter contributions and review the report for errors before filing. The report now shows filed with complete detailed records.			
I also showed them where to find the new 2015 calendar of reporting dates.

Melvin Sosa called, 305-373-5500 on behalf of the PC regarding the audit letter dated 3/05/14. After covering the straightforward candidate expense expenditures, we discussed the other two expenditures that stated "Expenditures not made to influence the results of an election." We discussed S. 106.011(10), F.S. He said he would talk to the T and others. I encouraged him to send in a letter responding to these two expenditures, explaining how they were made to influence the results of an election. He said they would, and that he would fix the other three referenced candidate expense expenditures.
