Please refer to the information below for further instructions related to your particular hearing:

If this is a hearing to consider **an appeal from an automatic fine**, the Filing Officer has imposed a fine on you for your failure to file a campaign treasurer's report on the designated due date and, by filing an appeal, you have asked the Commission to consider either (1) that the report was in fact timely filed; or (2) that there were unusual circumstances that excused the failure to file the report timely. You are required to prove your case. If the Commission finds that the report was filed timely or that there were unusual circumstances that excused the failure, it may waive the fine, in whole or in part. The Commission may reduce a fine after considering the factors in Section 106.265, Florida Statutes. If the Commission finds that the report was not timely filed and there were no unusual circumstances, the fine will be upheld.

If this is a hearing to consider a **consent order before a determination of probable cause has been made**, the Commission will decide whether to accept or reject the consent order. If the Commission accepts the consent order, the case will be closed and become public. If the Commission rejects the consent order or does not make a decision to accept or deny the consent order, the case will remain confidential, unless confidentiality has been waived.

If this is a hearing to consider a **consent order after a determination of probable cause has been made**, the Commission will decide whether to accept or reject the consent order. If the Commission accepts the consent order, the case will be closed. If the Commission rejects the consent order or does not make a decision to accept or deny the consent order, the Respondent will be entitled to another hearing to determine if the Respondent committed the violation(s) alleged.

If this is a **probable cause hearing**, the Commission will decide if there is probable cause to believe that the Respondent committed a violation of Florida's election laws. Respondent should be prepared to explain how the staff in its recommendation incorrectly applied the law to the facts of the case. *Respondent may not testify, call others to testify, or introduce any documentary or other evidence at the probable cause hearing.* The Commission will only decide whether Respondent should be *charged* with a violation and, before the Commission determines whether a violation has occurred or a fine should be imposed, Respondent will have an opportunity for another hearing at which evidence may be introduced.

If this is an **informal hearing**, it will be conducted pursuant Sections 120.569 and 120.57(2), Florida Statutes; Chapter 28 and Commission Rule 2B-1.004, Florida Administrative Code. At the hearing, the Commission will decide whether the Respondent committed the violation(s) charged in the Order of Probable Cause. The Respondent will be permitted to testify. However the Respondent may not call witnesses to testify.

Respondent may argue why the established facts in the Staff Recommendation do not support the violations charged in the Order of Probable Cause. At Respondent's request, the Commission may determine whether Respondent's actions in the case were willful. The Respondent may also address the appropriateness of the recommended fine. If Respondent claims that his limited resources make him unable to pay the statutory fine, *he must provide the Commission with written proof of his financial resources* at the hearing. A financial affidavit form is available from the Commission Clerk.

In Re: Ax the Tax

Case No.: FEC 15-402

STAFF RECOMMENDATION FOLLOWING INVESTIGATION

Pursuant to Section 106.25(4)(c), Florida Statutes, undersigned staff counsel files this written recommendation for disposition of the referral in this case recommending that there is **probable cause** to charge Respondent with violating **106.07(7), Florida Statutes**. Based upon a thorough review of the Report of Investigation submitted on November 30, 2015, the following facts and law support this staff recommendation.

1. On August 28, 2015, the Florida Elections Commission ("Commission") received a referral from Division of Elections ("Division") alleging that Ax the Tax ("Respondent" or "Committee") violated Chapter 106, Florida Statutes

2. Respondent is a political committee registered with the Division. Its chairman is Doug Guetzloe. On February 26, 2004, Respondent filed its Appointment of Campaign Treasurer and Designation of Campaign Depository for Political Committees form ("DS-DE 6") appointing Doug Guetzloe as its treasurer (ROI Exhibit 1¹ and Attachment A)²

3. On November 6, 2015, the Executive Director sent Respondent notification that Commission staff would investigate the following section of law:

Section 106.07(7), Florida Statutes: As alleged in the complaint, for each of the following reporting periods, Respondent failed to notify the filing officer on the prescribed reporting date that no report would be filed on that date because it had not received funds, made contributions, or expended reportable funds during the reporting periods:

- 2015 M4
- 2015 M6

¹ The Report of Investigation shall be referred to herein as "ROI "

² At all times pertinent to the issues in this case, Doug Guetzloe was Respondent's chairperson and treasurer. Mr. Guetzloe has been actively involved in Florida politics for several years and knows Florida's reporting requirements (ROI Exhibit 4)

4. By letter dated February 28, 2004, Phyllis Hampton, Chief, Bureau of Election Records, notified Mr. Guetzloe that the Division had received Respondent's Statement of Organization and DS-DE 6 and that the information was placed on file in the Division's office on February 26, 2004, as a committee that supports issues. Ms. Hampton also enclosed several campaign resources with her letter including a copy of Chapter 106, Florida Statutes, a *Handbook for Committees*, a *Handbook for Treasurers*, and a 2004 Election Calendar of Reporting Dates. Additionally, Ms. Hampton provided the name of a person at the Division that Mr. Guetzloe could call for further assistance. (ROI Exhibit 2)

5. Section 106.07(7), Florida Statutes, provides:

Notwithstanding any other provisions of this chapter, in any reporting period during which a candidate or political committee has not received funds, made any contributions, or expended any reportable funds, the filing of the required report for that period is waived. However, the next report filed must specify that the report covers the entire period between the last submitted report and the report being filed, and any candidate or political committee not reporting by virtue of this subsection on dates prescribed elsewhere in this chapter **shall notify the filing officer in writing on the prescribed reporting date that no report is being filed on that date.** (Emphasis added)³

6. Additionally, page 29 of the *Political Committee Handbook* ("Handbook") states:

When there has been no activity in the campaign account during a reporting period (no funds expended or received) the filing of the report may be waived by notifying the filing office in writing that no activity has occurred. This notification must be made on the prescribed reporting date. (Section 106.07, F.S.)

All waivers filed with the Division of Elections must be filed electronically using the Division's electronic filing system. (Section 106.0705, F.S.)

(Attachment B)

7. Pages 12, 13, 44, and 45 of the *Political Committee EFS User's Guide* ("Guide") explain the steps a committee should take to notify the Division in writing on the prescribed reporting date that no report will be filed for the reporting period using the EFS. Specifically, at the top of page 13, the Guide instructs the user to click the box next to "Waiver" if there is no financial activity to report. (ROI Exhibit 3)

³ The requirement to notify the filing officer in writing on the prescribed reporting date that a committee would not be filing a report for the reporting period because it had no reportable financial transactions was also required by Section 106.07(7), Florida Statutes (2004)

8. The table below reflects Respondent's untimely written notifications to the Division that it would not be filing a report for the corresponding reporting period:

Report	Report Cover Period	Date Notification Due	Date Notification Filed	No. of Days Late
2015 M4	4/1/15 - 4/30/15	5/11/15	6/9/15	29
2015 M6	6/1/15 - 6/30/15	7/10/15	8/6/15	27

(ROI Exhibit 4, page 1 and ROI Paragraph 5)

9. Investigator Oliver attempted to contact Respondent's chairman on five occasions and left a voice message each time requesting Mr. Guetzloe to return his call. However, Mr. Guetzloe failed to respond to any of Investigator Oliver's messages. (Attachment C)

10. "Probable Cause" is defined as reasonable grounds of suspicion supported by circumstances sufficiently strong to warrant a cautious person in the belief that the person has committed the offense charged. *Schmitt v. State*, 590 So.2d 404, 409 (Fla. 1991). Probable cause exists where the facts and circumstances, of which an [investigator] has reasonably trustworthy information, are sufficient in themselves for a reasonable man to reach the conclusion that an offense has been committed. *Department of Highway Safety and Motor Vehicles v. Favino*, 667 So.2d 305, 309 (Fla. 1st DCA 1995).

11. The facts above show that Respondent is a political committee registered with the Division. Doug Guetzloe is Respondent's chairman and treasurer. Respondent was required to notify its filing officer in writing on the prescribed due dates that the Committee would not be filing a report for the 2015 M4 and 2015 M6 reporting periods because it had no reportable financial transactions. However, the Committee but failed to do so.

Based on the foregoing, I recommend that the Commission find probable cause to charge Respondent with violating the following provisions of law:

Count 1:

On or about May 11, 2015, Respondent violated Section 106.07(7), Florida Statutes, when Respondent failed to notify the Division of Elections in writing on or before May 11, 2015, that Respondent would not be filing a 2015 M4 Report on the prescribed due date.

Count 2:

On or about July 10, 2015, Respondent violated Section 106.07(7), Florida Statutes, when Respondent failed to notify the Division of Elections in writing on or before July 10, 2015, that Respondent would not be filing a 2015 M6 Report on the prescribed due date.

Respectfully submitted on January 6, 2016,

Eric M. Lipman
General Counsel

I have reviewed this Staff Recommendation on the 6th day of January 2016.

Executive Director

- 3 Pages 12, 13, 45, and 46 of the *Political Committee EFS User's Guide* discuss how to notify the Division on the prescribed reporting date that no report will be filed using the EFS. Specifically, page 13 instructs the user to click the box next to "waiver" if there is no activity to disclose. (Ex. 3)
- 4 In a telephone interview on April 2, 2015, Kristi Reid-Bronson clarified that once the waiver box is chosen and a new report is opened as shown on Page 12, the only available option on the report summary screen will be "Go To File Report" as shown on Page 13. Choosing "Go To File Report" will take the user directly to the screens where the chairman/treasurer PINS are entered as shown on Pages 45 and 46

II. Alleged Violation of Section 106.07(7), Florida Statutes:

5 Respondent's filing history reflects the untimely filed notifications summarized below (Ex. 4)

Report	Report Cover Period	Date Notification Due	Date Notification Filed	No. of Days Late
2015 M4	4/1/15 – 4/30/15	5/11/15	6/9/15	29
2015 M6	6/1/15 – 6/30/15	7/10/15	8/6/15	27

6 Respondent did not provide a written response to the referral.

7 Respondent did not return a questionnaire-affidavit nor did he respond to any of the attempted telephone contacts.

III. FEC History:

8 Respondent has had prior cases before the Commission.

Conclusion:

9 I attempted to contact Respondent on several occasions to give him an opportunity to discuss the allegations in the referral. Additionally, a questionnaire-affidavit was mailed to Respondent on November 12, 2015. As of the date of this report, Respondent has not returned my calls, nor has he returned the questionnaire-affidavit.

10. Because Respondent has not contacted the Commission or returned the questionnaire-affidavit, I am unable to ascertain whether Respondent has read Chapter 106, Florida Statutes and/or the *Political Committee Handbook*¹.

SIGNATURE OF INVESTIGATOR:

Date:

11/30/15

¹ I have reviewed Respondent's FEC cases as far back as 2008 to ascertain if Respondent has ever read Chapter 106, Florida Statutes and/or the Political Committee Handbook. It appears that Respondent has not returned any of the questionnaire-affidavits that have been sent to his attention that have inquired about this issue.

RE: Case No.: FEC 15-402; Respondent: Ax the Tax

Dear Mr. Guetzloe:

On August 28, 2015, the Florida Elections Commission received a complaint alleging that you violated Florida's election laws. I have reviewed the complaint and find that it contains one or more legally sufficient allegations. The Commission staff will investigate the following alleged violations:

Section 106.07(7), Florida Statutes: As alleged in the complaint, for each of the following reporting periods, Respondent failed to notify the filing officer on the prescribed reporting date that no report would be filed on that date because it had not received funds, made contributions, or expended reportable funds during the reporting periods:

- 2015 M4
- 2015 M6

You may respond to the allegations above by filing a notarized statement providing any information regarding the facts and circumstances surrounding the allegations. Your response will be included as an attachment to the investigator's report.

When we conclude the investigation, a copy of the Report of Investigation will be mailed to you at the above address. You may file a response to the report within 14 days from the date the report is mailed to you. Based on the results of the investigation, legal staff will make a written recommendation to the Commission on whether there is probable cause to believe you have violated Chapter 104 or 106, Florida Statutes. A copy of the Staff Recommendation will be mailed to you and you may file a response within 14 days from the date the recommendation is mailed to you. Your timely filed response(s) will be considered by the Commission when determining probable cause.

The Commission will then hold a hearing to determine whether there is probable cause to believe you have violated Chapters 104 or 106, Florida Statutes. You and the complainant will receive a notice of hearing at least 14 days before the hearing. The notice of hearing will indicate the location, date, and time of your hearing. You will have the opportunity to make a brief oral statement to the Commission, but you will not be permitted to testify or call others to testify, or introduce any documentary or other evidence.

At any time before a probable cause finding, you may notify us in writing that you want to enter into negotiations directed towards reaching a settlement via consent agreement.

The Report of Investigation, Staff Recommendation, and Notice of Hearing will be mailed to the above address as this letter. Therefore, if your address changes, you must notify this office of your new address. Otherwise, you may not receive these important documents. Failure to receive the documents will not delay the probable cause hearing.

Under section 106.25, Florida Statutes, complaints, Commission investigations, investigative reports, and other documents relating to an alleged violation of Chapters 104 and 106, Florida Statutes, are confidential until the Commission finds probable cause or no probable cause. The confidentiality provision does not apply to the person filing the complaint. However, it does apply to you unless you waive confidentiality in writing. The confidentiality provision does not preclude you from seeking legal counsel. However, if you retain counsel, your attorney must file a notice of appearance with the Commission before any member of the Commission staff can discuss this case with him or her.

If you have any questions or need additional information, please contact **Cedric Oliver**, the investigator assigned to this case.

Sincerely,

Amy McKeever Toman
Executive Director
