

FLORIDA DEPARTMENT of STATE

CHARLIE CRIST
Governor

RECEIVED
10 DEC -3 PM 4:35
STATE OF FLORIDA
ELECTIONS COMMISSION
DAWN K ROBERTS
Interim Secretary of State

December 3, 2010

Ms. Rosanna Catalano
Executive Director, Florida Elections Commission
107 W. Gaines Street
Collins Building, Suite 224
Tallahassee, Florida 32399-1050

Re: Division of Elections' Referral of Information to Florida Elections Commission

Dear Ms. Catalano:

The Division of Elections, Florida Department of State, refers a matter to you under section 106.25(2), Florida Statutes, for investigation and determination.

Mr. Josue Larose, who resides at 929 SW 15th Street, Deerfield Beach, Florida 33441, is the chairman and treasurer of at least 341 political committees that he has registered with the Division of Elections. Mr. Larose submitted Forms DS-DE 6 and 9 indicating he designated certain banks as his campaign depository for each of these 341 committees (Exhibit 1) and for his candidacy for Governor in 2010 (Exhibit 2); however, in response to subpoenas issued to the designated banks (Exhibit 3), the banks only found records of Mr. Larose for some personal savings and checking accounts. They did not have any records of Mr. Larose creating accounts for his political committees or his campaign for Governor (Exhibit 4).

As you are aware, pursuant to section 106.07(5), Florida Statutes, a candidate or chairman and treasurer of committees are required to certify to the correctness of regular campaign finance reports with the Division of Elections. Mr. Larose certified the correctness of the reports by electronically filing campaign finance reports with the Division. *See* § 106.0705(2), Fla. Stat. (2010). Based upon records obtained from the banks (Exhibit 4) (redacted to hide his social security and full bank account numbers) and in violation of section 106.07(5), Florida Statutes, Mr. Larose falsely reported contributions amounting to millions of dollars going into the bank accounts when no deposits were made because he had not established depositories for his candidacy and committees. You may find documents and campaign finance activity for all of Mr. Larose's political committees and his candidacy for office at the Division's webpage: <http://election.dos.state.fl.us/>. A summary of the campaign finance activity for his candidacy and the political committees pertaining to the subpoenaed bank records is enclosed (Exhibit 5). If, as

Ms. Rosanna Catalano
December 3, 2010
Page 2 of 2

he reported, Mr. Larose received contributions and made expenditures for his candidacy and as treasurer and chairman for the 341 political committees, he violated sections 106.05 and 106.11, Florida Statutes, in not depositing them into, or making expenditures from, properly designated campaign accounts.

Ms. Valencia St. Louis, also residing at 929 SW 15th Street, Deerfield Beach, Florida 33441, as the treasurer of Mr. Larose's campaign for Governor (*see* Exhibit 2), apparently also falsely certified the campaign finance reports for Mr. Larose's campaign in violation of sections 106.05, 106.07(5), and 106.11, Florida Statutes, due to campaign accounts not existing for the campaign deposits and expenditures which were reported as being made (*see* Exhibit 5).

The Division hereby requests that the Commission exercise its jurisdiction to investigate and determine appropriate penalties for Mr. Larose and Ms. St. Louis for any violations the Commission finds that they have committed based upon their actions as set forth in this letter and its enclosures.

Please feel free to contact Kristi Reid Bronson, Chief, Bureau of Election Records, Division of Elections, at 850-245-6240 if you have questions about the campaign finance reports pertaining to this matter.

Sincerely,

Gary J. Holland
Assistant General Counsel

For current rates and charges, Citibank considered your average balances during the month of October in all of your qualifying checking, savings, investment, credit card, and loan accounts that you asked us to combine. These balances may be in accounts that are reported on other statements.

SUGGESTIONS AND RECOMMENDATIONS

Help protect yourself from fraud

Change your passwords and PINS regularly. Protect your account numbers-do not give them to a stranger. Don't fall for fake check scams. These usually start with someone offering to Buy something you advertised for sale, Pay you to work + home; Give you an advance on a sweepstakes you've won; Give you the first installment of millions if you agree to the use of your bank account for safekeeping. Review your account statements promptly and call us at 1-800-274-6660(in the NY metro area call 1-800-627-3999), if you find a discrepancy.

CITIBANK® EZ CHECKING RATES AND CHARGES

Citibank gives you the benefit of lower charges and better rates as you maintain higher balance levels. If your account is charged a monthly fee, you can receive a \$1.00 rebate off that fee if during the statement cycle there is an automatic deduction by a third party that you have authorized.

There is no monthly service charge or per check fee if you receive a direct deposit credit to, or make 2 qualifying electronic bill payments from, your account during this statement period.

For current rates and charges, Citibank considered your average balances during the month of August in all of your qualifying checking, savings, investment, credit card, and loan accounts that you asked us to combine. These balances may be in accounts that are reported on other statements.

Rates and Charges	Your Combined Balance Range

Please refer to your Citibank Account Terms and Conditions for details on how we determine your monthly fees and charges. Please note that when your qualified transaction activity exceeds the designated level, you may be subject to fees for transactions performed.

All fees assessed in a statement period, including per check and non-Citibank ATM fees, will appear as charges on your next Citibank statement (to the account that is currently debited for your monthly service charge).

There is no monthly service charge or per check fee if you receive a direct deposit credit to, or make 2 qualifying electronic bill payments from, your account during this statement period.

For current rates and charges, Citibank considered your average balances during the month of September in all of your qualifying checking, savings, investment, credit card, and loan accounts that you asked us to combine. These balances may be in accounts that are reported on other statements.

SUGGESTIONS AND RECOMMENDATIONS

Help protect yourself from fraud

Change your passwords and PINS regularly. Protect your account numbers-do not give them to a stranger. Don't fall for fake check scams. These usually start with someone offering to: Buy something you advertised for sale; Pay you to work home; Give you an advance on a sweepstakes you've won; Give you the first installment of millions if you agree to the use of your bank account for safekeeping. Review your account statements promptly and call us at 1-800-274-6660(in the NY metro area call 1-800-627-3999), if you find a discrepancy.

CITIBANK® EZ CHECKING RATES AND CHARGES

Citibank gives you the benefit of lower charges and better rates as you maintain higher balance levels. If your account is charged a monthly fee, you can receive a \$1.00 rebate off that fee if during the statement cycle there is an automatic deduction by a third party that you have authorized.

There is no monthly service charge or per check fee if you receive a direct deposit credit to, or make 2 qualifying electronic bill payments from, your account during this statement period.

For current rates and charges, Citibank considered your average balances during the month of June in all of your qualifying checking, savings, investment, credit card, and loan accounts that you asked us to combine. These balances may be in accounts that are reported on other statements.

Rates and Charges	Your Combined Balance Range
	\$1,500-\$5,999
Rates	Standard
Monthly Service Charge	None

Ask about accounts eligible for preferred rates.

Please refer to your Citibank Account Terms and Conditions for details on how we determine your monthly fees and charges. Please note that when your qualified transaction activity exceeds the designated level, you may be subject to fees for transactions performed.

All fees assessed in a statement period, including per check and non-Citibank ATM fees, will appear as charges on your next Citibank statement (to the account that is currently debited for your monthly service charge).

CITIBANK® EZ CHECKING RATES AND CHARGES

Citibank gives you the benefit of lower charges and better rates as you maintain higher balance levels. If your account is charged a monthly fee, you can receive a \$1.00 rebate off that fee if during the statement cycle there is an automatic deduction by a third party that you have authorized.

There is no monthly service charge or per check fee if you receive a direct deposit credit to, or make 2 qualifying electronic bill payments from, your account during this statement period.

For current rates and charges, Citibank considered your average balances during the month of April in all of your qualifying checking, savings, investment, credit card, and loan accounts that you asked us to combine. These balances may be in accounts that are reported on other statements.

Rates and Charges	Your Combined Balance Range
	\$0-\$1,499
Rates	Standard
Monthly Service Charge	\$9.50 (Waived)

Ask about accounts eligible for preferred rates.

Please refer to your Citibank Account Terms and Conditions for details on how we determine your monthly fees and charges. Please note that when your qualified transaction activity exceeds the designated level, you may be subject to fees for transactions performed.

All fees assessed in a statement period, including per check and non-Citibank ATM fees, will appear as charges on your next Citibank statement (to the account that is currently debited for your monthly service charge).

Important Account Notice

Effective June 1, 2008, the fee for Check/Item Returned/Paid Against Insufficient/Unavailable Funds (Overdraft) listed on the Service Fees and Charges for All Accounts section of the Marketplace Addendum may be charged whenever any fee or charge is deducted from your account and either causes your account to be overdrawn or increases the amount by which your account is overdrawn. In addition, the Safety Check fee listed on the Fee Schedule will increase to \$10.

CITIBANK® EZ CHECKING RATES AND CHARGES

Citibank gives you the benefit of lower charges and better rates as you maintain higher balance levels. If your account is charged a monthly fee, you can receive a \$1.00 rebate off that fee if during the statement cycle there is an automatic deduction by a third party that you have authorized.

There is no monthly service charge or per check fee if you receive a direct deposit credit to, or make 2 qualifying electronic bill payments from, your account during this statement period.

For current rates and charges, Citibank considered your average balances during the month of March in all of your qualifying checking, savings, investment, credit card, and loan accounts that you asked us to combine. These balances may be in accounts that are reported on other statements.

Rates and Charges	Your Combined Balance Range
	\$0-\$1,499
Rates	Standard
Monthly Service Charge	\$9.50(Waived)

Ask about accounts eligible for preferred rates

Please refer to your Citibank Account Terms and Conditions for details on how we determine your monthly fees and charges. Please note that when your qualified transaction activity exceeds the designated level, you may be subject to fees for transactions performed.

All fees assessed in a statement period, including per check and non-Citibank ATM fees, will appear as charges on your next Citibank statement (to the account that is currently debited for your monthly service charge).

Relationship Summary:

CHANGES TO CITIBANK'S FUNDS AVAILABILITY POLICY

Effective immediately, the Standard Funds Availability Schedule is amended, in part, to treat all check deposits as local. Previously nonlocal checks were subject to longer delays. If your check deposit is not eligible for expedited availability in accordance with our general policies, the following delays apply: check deposits of \$5,000 or less are available on the third business day after the business day of deposit (\$400 of that deposit becoming available on second business day). Check deposits of more than \$5,000 are available on the fourth business day after the business day of deposit. The following restates Citibank's policy with respect to the availability of the first \$100 of your business day's deposits to a checking, savings, or money market account: For teller deposits, the first \$100 is available immediately, and for ATM deposits, the first \$100 is available on the business day after the business day of deposit, unless the deposit is to a checking account in which case the first \$100 is available immediately. All other terms and conditions of the funds availability policy as set forth in the Marketplace Addendum continue to apply.

CITIBANK® EZ CHECKING RATES AND CHARGES

Citibank gives you the benefit of lower charges and better rates as you maintain higher balance levels. If your account is charged a monthly fee, you can receive a \$1.00 rebate off that fee if during the statement cycle there is an automatic deduction by a third party that you have authorized.

There is no monthly service charge or per check fee if you receive a direct deposit credit to, or make 2 qualifying electronic bill payments from, your account during this statement period.

For current rates and charges, Citibank considered your average balances during the month of September in all of your qualifying checking, savings, investment, credit card, and loan accounts that you asked us to combine. These balances may be in accounts that are reported on other statements.

Rates and Charges	Your Combined Balance Range
Rates	\$0-\$1,499
Monthly Service Charge	Standard
	\$9.50 (Waived)

Ask about accounts eligible for preferred rates.

Please refer to your Citibank Account Terms and Conditions for details on how we determine your monthly fees and charges. Please note that when your qualified transaction activity exceeds the designated level, you may be subject to fees for transactions performed.

All fees assessed in a statement period, including per check and non-Citibank ATM fees, will appear as charges on your next Citibank statement (to the account that is currently debited for your monthly service charge).

Help protect yourself from fraud

Change your passwords and PINS regularly. Protect your account numbers-do not give them to a stranger. Don't fall for fake check scams. These usually start with someone offering to: *buy something you advertised for sale; pay you to work at home; give you an advance on a sweepstakes you've won; give you the first installment of millions if you agree to the use of your bank account for safekeeping.* Review your account statements promptly and call us at **1-800-274-6660** (in the NY metro area call **1-800-627-3999**), if you find a discrepancy.

**IMPORTANT CHANGE CONCERNING THE PROCESSING OF YOUR CHECKS
 EFFECTIVE MARCH 20, 2009**

As checks you have written are presented to us for payment during the course of a business day, we will place a hold on available funds in your account for the amount of those checks, resulting in a reduction in your available account balance throughout that day. The held funds will be applied to those checks when they are processed later that day. You will now be able to obtain basic information about those checks on the day they are presented either at the ATM, on-line or by phone. Full details about those checks will be available to you the next business day.

SUGGESTIONS AND RECOMMENDATIONS

Citibank is participating in the FDIC's **Transaction Account Guarantee Program**. Under that program, through December 31, 2009, all non-interest and interest bearing Citibank checking accounts are fully guaranteed by the FDIC for the entire amount in the account. Citibank interest checking accounts are classified as Negotiable Order of Withdrawal (NOW) accounts and will pay an interest rate within the guidelines set by the FDIC through December 31, 2009. Coverage under the Transaction Account Guarantee Program is in addition to and separate from the coverage available under the FDIC's general deposit insurance rules.

SUGGESTIONS AND RECOMMENDATIONS

Help protect yourself from fraud

Change your passwords and PINS regularly. Protect your account numbers-do not give them to a stranger. Don't fall for fake check scams. These usually start with someone offering to: Buy something you advertised for sale; Pay you to work at home; Give you an advance on a sweepstakes you've won; Give you the first installment of millions if you agree to the use of your bank account for safekeeping. Review your account statements promptly and call us at 1-800-274-6660 (in the NY metro area call 1-800-627-3999), if you find a discrepancy.

CITIBANK® EZ CHECKING RATES AND CHARGES

Citibank gives you the benefit of lower charges and better rates as you maintain higher balance levels. If your account is charged a monthly fee, you can receive a \$1.00 rebate off that fee if during the statement cycle there is an automatic deduction by a third party that you have authorized.

There is no monthly service charge or per check fee if you receive a direct deposit credit to, or make 2 qualifying electronic bill payments from, your account during this statement period.

For current rates and charges, Citibank considered your average balances during the month of August in all of your qualifying checking, savings, investment, credit card, and loan accounts that you asked us to combine. These balances may be in accounts that are reported on other statements.

Rates and Charges	Your Combined Balance Range
	\$0-\$1,499
Rates	Standard
Monthly Service Charge	\$9.50

Ask about accounts eligible for preferred rates.

Please refer to your Citibank Account Terms and Conditions for details on how we determine your monthly fees and charges. Please note that when your qualified transaction activity exceeds the designated level, you may be subject to fees for transactions performed.

All fees assessed in a statement period, including per check and non-Citibank ATM fees, will appear as charges on your next Citibank statement (to the account that is currently debited for your monthly service charge).

CITIBANK® EZ CHECKING RATES AND CHARGES

Citibank gives you the benefit of lower charges and better rates as you maintain higher balance levels. If your account is charged a monthly fee, you can receive a \$1.00 rebate off that fee if during the statement cycle there is an automatic deduction by a third party that you have authorized.

There is no monthly service charge or per check fee if you receive a direct deposit credit to, or make 2 qualifying electronic bill payments from, your account during this statement period.

For current rates and charges, Citibank considered your average balances during the month of April in all of your qualifying checking, savings, investment, credit card, and loan accounts that you asked us to combine. These balances may be in accounts that are reported on other statements.

Rates and Charges	Your Combined Balance Range
Rates	\$0-\$1,499
Monthly Service Charge	Standard
	\$9.50

Ask about accounts eligible for preferred rates.

Please refer to your Citibank Account Terms and Conditions for details on how we determine your monthly fees and charges. Please note that when your qualified transaction activity exceeds the designated level, you may be subject to fees for transactions performed.

All fees assessed in a statement period, including per check and non-Citibank ATM fees, will appear as charges on your next Citibank statement (to the account that is currently debited for your monthly service charge)

- Describe the error and explain, if you can, why you believe there is an error. If you need more information, describe the item you are unsure about.

You do not have to pay any amount in question while we are investigating, but you are still obligated to pay the parts of your bill that are not in question. While we investigate your question, we cannot report you as delinquent or take any action to collect the amount you question.

FINANCE CHARGES: Although the Bank uses the Daily Balance method to calculate the finance charge on your Moneyline/Overdraft Protection account (the term "ODP" or "OD" refers to Overdraft Protection) the Bank discloses the Average Daily Balance on the periodic statement as an easier method for you to calculate the finance charge. The finance charge begins to accrue on the date advances and other debits are posted to your account and will continue until the balance has been paid in full. To compute the finance charge, multiply the Average Daily Balance times the Days in Period times the Daily Periodic Rate (as listed in the Account Summary section on the front of the statement). The Average Daily Balance is calculated by adding the balance for each day of the billing cycle, then dividing the total balance by the number of Days in the Billing Cycle. The daily balance is the balance for the day after advances have been added and payments or credits have been subtracted plus or minus any other adjustments that might have occurred that day. There is no grace period during which no finance charge accrues. Finance charge adjustments are included in your total finance charge.
