If you are the Complainant, you may attend the hearing, but you will *not* be permitted to address the Commission. In addition, some cases (including those in which consent orders or recommendations for no probable cause are being considered) may be decided by an *en masse* vote and, unless the Respondent requests to be heard or the Commission requests that the case be considered separately on the day of the hearing, the case will *not* be individually heard.

See further instructions on the reverse side.

Amy McKeever Toman
Executive Director
Florida Elections Commission
February 13, 2017

Please refer to the information below for further instructions related to your particular hearing:

If this is a hearing to consider **an appeal from an automatic fine**, the Filing Officer has imposed a fine on you for your failure to file a campaign treasurer's report on the designated due date and, by filing an appeal, you have asked the Commission to consider either (1) that the report was in fact timely filed; or (2) that there were unusual circumstances that excused the failure to file the report timely. You are required to prove your case. If the Commission finds that the report was filed timely or that there were unusual circumstances that excused the failure, it may waive the fine, in whole or in part. The Commission may reduce a fine after considering the factors in Section 106.265, Florida Statutes. If the Commission finds that the report was not timely filed and there were no unusual circumstances, the fine will be upheld.

If this is a hearing to consider a **consent order before a determination of probable cause has been made**, the Commission will decide whether to accept or reject the consent order. If the Commission accepts the consent order, the case will be closed and become public. If the Commission rejects the consent order or does not make a decision to accept or deny the consent order, the case will remain confidential, unless confidentiality has been waived.

If this is a hearing to consider a **consent order after a determination of probable cause has been made**, the Commission will decide whether to accept or reject the consent order. If the Commission accepts the consent order, the case will be closed. If the Commission rejects the consent order or does not make a decision to accept or deny the consent order, the Respondent will be entitled to another hearing to determine if the Respondent committed the violation(s) alleged.

If this is a **probable cause hearing**, the Commission will decide if there is probable cause to believe that the Respondent committed a violation of Florida's election laws. Respondent should be prepared to explain how the staff in its recommendation incorrectly applied the law to the facts of the case. *Respondent may not testify, call others to testify, or introduce any documentary or other evidence at the probable cause hearing.* The Commission will only decide whether Respondent should be *charged* with a violation and, before the Commission determines whether a violation has occurred or a fine should be imposed, Respondent will have an opportunity for another hearing at which evidence may be introduced.

If this is an **informal hearing**, it will be conducted pursuant Sections 120.569 and 120.57(2), Florida Statutes; Chapter 28 and Commission Rule 2B-1.004, Florida Administrative Code. At the hearing, the Commission will decide whether the Respondent committed the violation(s) charged in the Order of Probable Cause. The Respondent will be permitted to testify. However, the Respondent may not call witnesses to testify.

Respondent may argue why the established facts in the Staff Recommendation do not support the violations charged in the Order of Probable Cause. At Respondent's request, the Commission may determine whether Respondent's actions in the case were willful. The Respondent may also address the appropriateness of the recommended fine. If Respondent claims that his limited resources make him unable to pay the statutory fine, *he must provide the Commission with written proof of his financial resources* at the hearing. A financial affidavit form is available from the Commission Clerk.

MOTION FOR RECONSIDERATION

COMES NOW, staff, and files its Motion for Reconsideration in the above entitled matter and states as follows:

1. Respondent was a candidate for Mayor of Hialeah in the November 5, 2013 election.
2. On November 16, 2016, the Commission conducted an Informal Hearing and took final agency action in this case. The Commission found Respondent committed 24 violations of Chapter 106, Florida States, and imposed a \$100 fine per violation for a total of \$2,400.
3. After the Commission took final agency action, but prior to the entry of a Final Order, staff realized the Order of Probable Cause ("OPC") only charged 21 violations of Chapter 106, Florida Statutes.¹
4. Upon review of the audio recording of the November 16, 2016 Informal Hearing, it appears the Commission intended to find Respondent committed the violations charged in the OPC and impose a \$100 fine per violation.

¹ The Counts in the OPC were numbered 1-14 and 18-24. (Exhibit 1)

5. If the Commission intended to find Respondent committed the violations charged in the OPC and impose a \$100 penalty per violation, then the Commission may have found Respondent committed the 21 violations charged in the OPC and imposed a \$2,100 fine.

6. In order for the Commission's final agency action to reflect Respondent committed 21 violations and adjust the civil penalty, the Commission would need to reconsider the case to modify its prior decision.

WHEREFORE, staff requests the Commission to grant its Motion for Reconsideration, find Respondent committed 21 violations of Chapter 106, Florida Statutes, and impose a \$2,100 civil penalty against Respondent.

Respectfully submitted,

FLORIDA ELECTIONS COMMISSION

In Re: Juan Santana /

Case No.: FEC 14-172

STAFF RECOMMENDATION FOLLOWING INVESTIGATION

Pursuant to Section 106.25(4)(c), Florida Statutes, undersigned staff counsel files this written recommendation for disposition of the complaint in this case recommending that there is **probable cause** to charge Respondent with violating **Sections 106.07(5), 106.11(1)(a), 106.141(1), 106.19(1)(b), 106.19(1)(c), and 106.19(1)(d), Florida Statutes**, and **no probable cause** to charge Respondent with violating **Section 106.07(2)(b)1., Florida Statutes**. Based upon a thorough review of the Report of Investigation submitted on April 19, 2016, the following facts and law support this staff recommendation:

1. On July 8, 2014, the Florida Elections Commission ("Commission") received a sworn complaint from Marbelys L. Fatjo, the Hialeah City Clerk, ("Complainant," "Clerk," or "City Clerk") alleging that Juan Santana ("Respondent") violated Chapter 106, Florida Statutes.

2. Respondent was an unsuccessful candidate for the Mayor of Hialeah in the November 5, 2013 election. On March 19, 2013, Respondent filed an Appointment of Campaign Treasurer and Designation of Campaign Treasurer form ("DS-DE 9") with the Hialeah City Clerk's Office. On August 23, 2013, Respondent filed a second DS-DE 9 with the Clerk's Office appointing himself as his campaign treasurer. (ROI Exhibit 1 and ROI Exhibit 18, page 1)¹

Original and Amended 2013 F1 Reports

3. Respondent filed his original 2013 F1 Report covering the dates of July 1, 2013 through September 28, 2013 on October 4, 2013. Respondent filed an amended 2013 F1 Report on October 19, 2013. (ROI Exhibits 14, 16, and 19)

Section 106.07(2)(b)1., Florida Statutes

4. Complainant alleged that Respondent's original and amended 2013 F1 Reports required amendment and that Respondent failed to timely file amendments correcting the reports.

5. Section 106.07(2)(b)1., Florida Statutes, provides, in relevant part:

Any report that is **deemed to be incomplete** by the officer with whom the candidate qualifies must be accepted on a conditional basis. The campaign treasurer shall be notified by certified mail or

¹ The Report of Investigation shall be referred to herein as "ROI."

by another method using a common carrier that provides a proof of delivery of the notice as to why the report is incomplete and within 7 days after receipt of such notice must file an addendum to the report providing all information necessary to complete the report in compliance with this section. **Failure to file a complete report after such notice constitutes a violation of this chapter.** [Emphasis added]

6. The City Clerk advised Respondent that his original and amended 2013 F1 Reports were “non-compliant” because Respondent listed an August 30, 2013 expenditure of \$13 to the City of Hialeah (“City”) for public records on the reports, but the City did not have any record that it had received \$13 from Respondent’s campaign account for public records on that date. (ROI Exhibit 4, page 1)

7. Although it appears that Respondent may have improperly paid for a campaign expense (as discussed below), it appears that when Respondent entered the August 30, 2013 expenditure of \$13 to the City for public records on his original and amended 2013 F1 Reports, he provided all the information required by the reports. (ROI Exhibit 14, page 3, and ROI Exhibit 16, page 3)

8. Based on the information above, it appears that Respondent’s original and amended 2013 F1 Reports were *not incomplete* and, therefore, did not require amendment.

Sections 106.11(1)(a) and 106.19(1)(d), Florida Statutes

9. Complainant alleged that Respondent paid for campaign expenditures using personal cash, rather than a check or debit card from his campaign account.²

10. Investigative staff subpoenaed Respondent’s bank records to compare the information Respondent listed on his original and amended 2013 F1 reports with Respondent’s campaign account transactions. According to Respondent’s bank records, there were no financial transactions in Respondent’s campaign account from July 17, 2013 through November 3, 2013, and, during that time period, Respondent’s campaign account balance was \$0. (ROI Exhibit 10; ROI Exhibit 13, and Attachment A)

11. The following table lists the expenditures Respondent reported on his original 2013 F1 Report:

² There are exceptions to the requirement that all campaign expenditures be paid by campaign check, including reimbursement to a person for purchasing something for the candidate’s campaign and the use of petty cash under limited circumstances. (§§106.021(3), and 106.12(3), Fla. Stat.)

EXPENDITURES LISTED ON RESPONDENT'S ORIGINAL 2013 F1 REPORT THAT WERE NOT MADE WITH A CAMPAIGN CHECK				
Report Period	Expenditure Date	Expenditure Made to	Purpose	Amount
Original 2013 F1	July 3, 2013	Lowes	Supplies	\$160.00
Original 2013 F1	July 4, 2013	Harbor Freight Tools	Sign Supplies	\$140.00

(ROI Exhibit 14, page 3)

12. None of the expenditures Respondent listed on his original or amended 2013 F1 Reports were reflected in Respondent's campaign account. Investigative staff asked Respondent how he paid for the eight expenditures. Respondent stated he paid for the expenditures with "Cash on hand paid by Juan Santana." (ROI Exhibit 12, page 3)

13. Based on the information above, it appears Respondent paid cash for six⁶ campaign expenditures listed on his original and amended 2013 F1 Reports, in violation of Section 106.11(1)(a), Florida Statutes. It also appears that these expenditures were prohibited by Chapter 106, Florida Statutes, in violation of Section 106.19(1)(d), Florida Statutes.

2014 Termination Report

14. Respondent filed his 2014 Termination Report (TR) covering the period of November 2, 2013 through February 3, 2013, on February 4, 2013. (ROI Exhibits 9 and 19)

Section 106.07(2)(b)1., Florida Statutes

15. Complainant alleged that Respondent's 2014 TR required amendment and that Respondent failed to timely file an amendment correcting the report.

³ Respondent listed the amount of his July 18, 2013 expenditure to Deals as \$140 on his amended 2013 F1 Report, though he did not adjust the total expenditures on the summary page accordingly, resulting in a \$5 discrepancy throughout the reports. (ROI Exhibit 16)

⁴ Respondent omitted the July 19, 2013 \$125 expenditure to the City of Hialeah for public records on his amended 2013 F1 Report. (ROI Exhibit 14, page 3 and ROI Exhibit 16, page 3)

⁵ Respondent omitted the July 25, 2013 \$55 expenditure to the City of Hialeah for public records on his amended 2013 F1 Report. (ROI Exhibit 14, page 3 and ROI Exhibit 16, page 3)

⁶ Since Respondent deleted the July 19 and July 25 public records expenditures from his amended 2013 F1 Report, it does not appear that they were in fact campaign-related expenses.

16. On February 18, 2014, the City Clerk advised Respondent that, based on his previous reports, it appeared that Respondent had a surplus in his campaign account when he filed his 2014 TR. (ROI Exhibit 3)

17. Respondent's 2013 F2 Report, which covered the period September 29 through October 12, 2013, reflected that Respondent had a surplus balance at the conclusion of the 2013 F2 reporting period.⁷ (ROI Exhibit 7)

18. Respondent filed a waiver of report for the 2013 F3 reporting period (October 13 to November 1, 2013). (ROI Exhibit 8)

19. The summary, contributions, and expenditures pages of Respondent's 2014 TR all indicate zeros. There is no entry with respect to the disposition of the surplus reflected by the 2013 F2 Report. (ROI Exhibit 9)

20. Investigative staff subpoenaed Respondent's bank records. Although it appeared from the campaign reports that Respondent's campaign had a surplus at the conclusion of the 2013 F2 reporting period, the bank statement for October 1 to October 31, 2013 reflects a beginning and ending balance of zero. (ROI Exhibit 10)

21. In addition, on December 10, 2015, Respondent filed an amended 2013 F2 Report, in which he showed an expenditure to a campaign worker, thus resolving the outstanding surplus reflected in the campaign reports.⁸ (ROI Exhibit 11 and Exhibit 12)

22. Based on the information above, although it appears that Respondent may have otherwise violated the Election Code with respect to the 2014 TR, it appears that Respondent's 2014 TR was *not incomplete* and, therefore, did not require amendment.

Section 106.07(5), Florida Statutes

23. Complainant alleged that Respondent certified that his 2014 TR was true, correct, and complete when it was not.

24. On his 2014 TR, Respondent stated he received no contributions and made no expenditures during the 2014 termination reporting period. Respondent also indicated that his total contributions and total expenditures to date were \$0. (ROI Exhibit 9)

25. However, Respondent's bank records reflect that Respondent made four expenditures initiated by his campaign depository and Respondent accepted two contributions from himself during the 2014 TR reporting period. (ROI Exhibit 13)

⁷ Complainant advised Respondent that his campaign finance reports indicated that he had an \$87 surplus in his campaign account. However, the summary page of his 2013 F2 Report indicates an \$82 surplus (\$1,200 less \$1,118), which was not addressed by Respondent's 2013 F3 (waiver) or the 2014 TR. The discrepancy appears to be related to a calculation error on the summary page of the amended 2013 F1 Report. See footnote 3. (ROI Exhibit 7)

⁸ This expenditure was noted to be \$87, consistent with the information provided to Respondent by Complainant.

26. The following table lists the transactions Respondent did not include on his 2014 TR:

RESPONDENT'S UNREPORTED CAMPAIGN TRANSACTIONS DURING THE TR COVER PERIOD (NOVEMBER 1, 2013 THROUGH FEBRUARY 3, 2014)			
Transaction Date	Type of Transaction	Amount	Account Balance
	November 1, 2013 Beginning Balance	\$0.00	
11/04/13	Debit Monthly Fee	(\$17.00)	(\$17.00)
12/02/13	Debit Monthly Fee	(\$17.00)	(\$34.00)
12/03/13	Counter Credit	\$34.00	\$0.00
01/02/14	Debit Monthly Fee	(\$17.00)	(\$17.00)
01/03/14	Counter Credit	\$20.00	\$3.00
02/03/14	Debit Monthly Fee	(\$17.00)	(\$14.00)

(ROI Exhibit 9; ROI Exhibit 13, pages 3, 7, 11, and 15; and Attachment C)

27. Based upon the foregoing, it appears that Respondent certified his 2014 TR was true, correct, and complete when it was not.

Section 106.11(1)(a), Florida Statutes:

28. As discussed above, Respondent made four expenditures during the 2014 termination reporting period. However, all the expenditures were initiated by Respondent's campaign depository and could not have been paid by check with campaign funds drawn on Respondent's campaign account. As such, the expenditures do not appear to be in violation of Section 106.11(1)(a), Florida Statutes.

Section 106.141(1), Florida Statutes.

29. Complainant alleged that Respondent failed to file his 2014 TR within 90 days of being defeated and that Respondent failed to timely dispose of surplus funds on deposit in his campaign account.

30. Section 106.141(1), Florida Statutes, provides, in relevant part:

106.141 Disposition of surplus funds by candidates.—

(1) Except as provided in subsection (6), each candidate who withdraws his or her candidacy, becomes an unopposed candidate, or is eliminated as a candidate or elected to office shall, **within 90 days, dispose of the funds on deposit in his or her campaign account and file a report reflecting the disposition of all**

remaining funds. Such candidate may not accept any contributions, nor may any person accept contributions on behalf of such candidate, after the candidate withdraws his or her candidacy, becomes unopposed, or is eliminated or elected. [Emphasis added]

31. Respondent's 2014 TR was due on February 3, 2014. However, Respondent filed his 2014 TR on February 4, 2014. In his Affidavit, Respondent acknowledged filing his 2014 TR late and stated he would pay the \$50 fine. However, as of June 2, 2016, Respondent had not paid the \$50 fine. (ROI Exhibit 9, ROI Exhibit 12, page 4; and Attachment B)

32. Respondent had no money in his campaign account when he was defeated on election day, so he did not have surplus funds to be disposed. (ROI Exhibit 13, pages 1 and 3)

33. Based upon the above information, it appears that Respondent failed to file his 2014 TR within 90 days of being defeated. However, it also appears Respondent did not fail to dispose of surplus campaign funds in his campaign account within 90 days of being defeated.

Sections 106.19(1)(b), 106.19(1)(c), and 106.19(1)(d), Florida Statutes

34. As discussed above, during the 2014 termination reporting period, Respondent accepted two contributions from himself and made four expenditures initiated by his campaign depository. Respondent failed to report the two campaign deposits and deliberately failed to report the four expenditures on his 2014 TR.

35. Additionally, Respondent's four bank fee expenditures were prohibited by Chapter 106, because a candidate is not allowed to make expenditures after being defeated. (See Sections 106.11(5) and 106.141(4), Florida Statutes)

36. Based upon the information above, it appears that, during the 2014 TR reporting period, Respondent failed to report two contributions in violation of Section 106.19(1)(b), Florida Statutes; deliberately failed to report four expenditures, in violation of Section 106.19(1)(c), Florida Statutes; and made four expenditures prohibited by Chapter 106, in violation of Section 106.19(1)(d), Florida Statutes.

Summary and Recommendations

37. "Probable Cause" is defined as reasonable ground of suspicion supported by circumstances sufficiently strong to warrant a cautious person in the belief that the person has committed the offense charged. *Schmitt v. State*, 590 So. 2d 404, 409 (Fla. 1991). Probable cause exists where the facts and circumstances, of which an [investigator] has reasonably trustworthy information, are sufficient in themselves for a reasonable man to reach the conclusion that an offense has been committed. *Department of Highway Safety and Motor Vehicles v. Favino*, 667 So. 2d 305, 309 (Fla. 1st DCA 1995).

38. The above facts show that Respondent was a candidate for Mayor of Hialeah in the November 5, 2013 election. Respondent filed his original 2013 F1 Report covering the dates of July 1, 2013, through September 28, 2013, on October 4, 2013. Respondent filed an amended 2013 F1 Report on October 19, 2013. The City Clerk alleged that both reports were incomplete,

but the facts show that Respondent provided all the information required to report the expenditure on both his original and amended 2013 F1 Reports.

39. The above facts also show that Respondent listed six expenditures on his original and amended 2013 F1 Reports that were not paid for with campaign funds drawn by a check on Respondent's campaign account.

40. Additionally, the facts above show that Respondent filed his 2014 TR one day late, and that Respondent certified that his 2014 TR was true, correct, and complete when it was not. Respondent falsely reported he had no contributions and no expenditures during the reporting period, failed to report two contributions, and deliberately failed to report four expenditures that were prohibited by Chapter 106, Florida Statutes.

Based upon these facts and circumstances, I recommend that the Commission find probable cause to charge Respondent with violating the following:

Count 1:

On or about July 3, 2013, Respondent violated Section 106.11(1)(a), Florida Statutes, by making a campaign expenditure from funds other than by a campaign check drawn on Respondent's campaign account, when Respondent made a \$160 expenditure to Lowes for supplies.

Count 2:

On or about February 3, 2014, Respondent violated Section 106.141(1), Florida Statutes, when he failed to file his 2014 Termination Report within 90 days of being defeated.

Count 8:

On or about February 4, 2014, Respondent violated Section 106.07(5), Florida Statutes, when Respondent certified his 2014 Termination Report was true, correct, and complete when it was not.

Count 9:

On February 4, 2014, Respondent violated Section 106.19(1)(b), Florida Statutes, when Respondent failed to report a December 3, 2013 \$34 bank counter credit on his Termination Report.

Count 10:

On February 4, 2014, Respondent violated Section 106.19(1)(b), Florida Statutes, when Respondent failed to report a January 3, 2014 \$20 bank counter credit on his Termination Report.

Count 11:

Respondent violated Section 106.19(1)(c), Florida Statutes, when Respondent deliberately failed to include information required to be reported by Chapter 106 on his 2014 Termination Report.

Count 12:

On or about July 3, 2013, Respondent violated Section 106.19(1)(d), Florida Statutes, when Respondent made a \$160 expenditure to Lowes that was prohibited by Chapter 106, Florida Statutes.

Count 21:

On or about November 4, 2013, Respondent violated Section 106.19(1)(d), Florida Statutes, when Respondent made a \$17 expenditure for a monthly bank fee that was prohibited by Chapter 106, Florida Statutes.

Count 22:

On or about December 2, 2013, Respondent violated Section 106.19(1)(d), Florida Statutes, when Respondent made a \$34 expenditure for a monthly bank fee that was prohibited by Chapter 106, Florida Statutes.

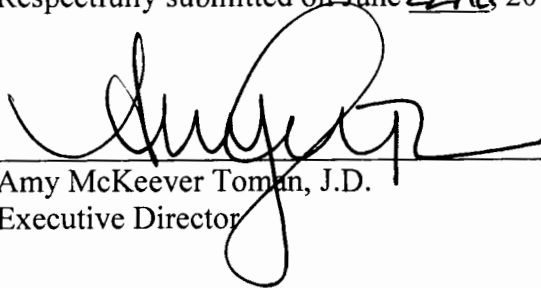

Count 23:

On or about January 2, 2014, Respondent violated Section 106.19(1)(d), Florida Statutes, when Respondent made a \$17 expenditure for a monthly bank fee that was prohibited by Chapter 106, Florida Statutes.

Count 24:

On or about February 3, 2014, Respondent violated Section 106.19(1)(d), Florida Statutes, when Respondent made a \$17 expenditure for a monthly bank fee that was prohibited by Chapter 106, Florida Statutes.

FLORIDA ELECTIONS COMMISSION
REPORT OF INVESTIGATION
Case No.: FEC 14-172

Respondent: Juan Santana

Complainant: Marbelys L. Fatjo

On July 8, 2014, the Florida Elections Commission received a sworn complaint alleging that Respondent violated Chapter 106, Florida Statutes. Commission staff investigated whether Respondent violated the following statutes:

Section 106.07(2)(b)1, Florida Statutes, failure of the treasurer of a candidate to file an addendum to an incomplete report after receiving notice from the filing officer;

Section 106.07(5), Florida Statutes, prohibiting a candidate from certifying to the correctness of a campaign treasurer's report that is incorrect, false, or incomplete;

Section 106.11(1)(a), Florida Statutes, prohibiting a campaign treasurer of a candidate from making expenditures from campaign funds other than by a check drawn on the campaign account of the candidate;

Section 106.141(1), Florida Statutes, failure of a candidate to dispose of funds remaining in his campaign account within 90 days after he withdrew, became unopposed, was eliminated, or elected;

Section 106.141(1), Florida Statutes, failure of a candidate to file a termination report reflecting the disposition of all remaining funds in his campaign account within 90 days after he withdrew, became unopposed, was eliminated, or elected;

Section 106.19(1)(b), Florida Statutes, failure of a person or organization to report a contribution required to be reported by Chapter 106, Florida Statutes;

Section 106.19(1)(c), Florida Statutes, prohibiting a person or organization from falsely reporting or deliberately failing to report information required by Chapter 106, Florida Statutes; and

Section 106.19(1)(d), Florida Statutes, prohibiting a person or organization from making or authorizing any expenditure prohibited by Chapter 106, Florida Statutes.

I. Preliminary Information:

1. Respondent was a candidate for Mayor of Hialeah; he was defeated in the municipal election held on November 5, 2013. Respondent placed third in a three-way race.
2. Complainant is the city clerk for the City of Hialeah, and Respondent's filing officer.
3. On May 14, 2013, Respondent filed an Appointment of Campaign Treasurer and Designation of Campaign Depository (DS-DE 9) form appointing Ashley Vega treasurer of Respondent's campaign. Subsequently, on August 23, 2013, Respondent filed a second DS-DE 9 form appointing himself treasurer of his campaign. To view copies of the DS-DE 9 forms, please refer to Exhibit 1.

II. Alleged Violation of Section 106.07(2)(b)1, Florida Statutes:

4. I investigated whether Respondent violated this section of election laws by failing to timely file addenda to his 2013 F1 Report and 2014 Termination Report (TR) after receiving notice that the reports were incomplete.
5. Complainant provided with her complaint a copy of an e-mail she sent to Respondent dated April 11, 2014. The e-mail informed Respondent that Complainant had previously attempted to send Respondent correspondence regarding his 2013 F1 Report and 2014 Termination Report. Attached to the e-mail were copies of three letters Complainant attempted to send to Respondent via certified mail, which were returned to Complainant's office marked "unclaimed" by the postal service. To view a copy of Complainant's e-mail dated April 11, 2014, please refer to Exhibit 2.
6. The first letter that was attached to Complainant's e-mail to Respondent (Exhibit 3) is dated February 18, 2014, and states Respondent's 2014 Termination Report was deemed incomplete; Complainant asserts in the letter that Respondent either failed to dispose of \$87.00 in surplus campaign funds or failed to report how he disposed of \$87.00 in surplus campaign funds. The letter did not reflect that there were any incomplete entries on Respondent's 2014 Termination Report. To view a copy of the February 18, 2014 letter, please refer to Exhibit 3.
7. A second letter attached to Complainant's e-mail is dated February 20, 2014, and states Respondent's 2013 F1 original and amended reports were non-compliant with respect to a \$13 expenditure on August 30, 2013, to the City of Hialeah for public records that Respondent disclosed on his 2013 F1 reports; Complainant asserts in the letter that the city "does not have any record of \$13 having been expended from [Respondent's] campaign bank account for public records on August 30, 2013." The letter did not reflect that there were any incomplete entries on Respondent's 2013 F1 original or amended reports. To view a copy of the February 20, 2014 letter, please refer to Exhibit 4.
8. The last letter attached to Complainant's e-mail dated April 3, 2014, refers to the two previous letters that had been mailed to Respondent and states the letters were returned unclaimed. Copies of the previous letters were included with the April 3, 2014 letter. To view a copy of the April 3, 2014 letter, please refer to Exhibit 5.

9. Additionally, Complainant provided an Affidavit that outlines her contact with Respondent regarding amending the 2013 F1 Report and the TR. To review Complainant's affidavit, refer to Exhibit 6.

10. Based upon a review of the information provided by Complainant, it does not appear Respondent's 2013 F1 Report and 2014 Termination Report contained any incomplete entries. Rather, it appears Respondent may have incorrectly disclosed information regarding an expenditure and failed to disclose information regarding what appears to be surplus campaign funds of \$87, which will be discussed in other sections of this report. Therefore, I did not further investigate Respondent's alleged failure to amend his 2013 F1 Report and 2014 Termination Report.

11. No record of Respondent having previously violated this section of law was found.

III. Alleged Violation of Section 106.07(5), Florida Statutes:

12. I investigated whether Respondent violated this section of election laws by certifying his 2014 Termination Report was true, correct and complete when it appears there was missing information regarding a surplus of \$87 in Respondent's campaign.

13. Complainant alleges Respondent's 2014 Termination Report is incomplete because Respondent failed to report how he disposed of \$87.00 in surplus campaign funds.

14. I reviewed a copy of Respondent's 2013 F2 Report which covered the period September 29 through October 12, 2013, and was filed on October 28, 2013. The summary page reflects Respondent disclosed total monetary contributions to date of \$1,200 and total monetary expenditures to date of \$1,113. Based upon the 2013 F2 summary page, it appears Respondent had a surplus of \$87 at the conclusion of the 2013 F2 reporting period. To view a copy of the 2013 F2 Report, please refer to Exhibit 7.

15. For the 2013 F3 reporting period of October 13 to November 1, 2013, Respondent filed a waiver-of-report reflecting he had no activity in his campaign account for the reporting period. To view a copy of the waiver-of-report, please refer to Exhibit 8.

16. I reviewed a copy of Respondent's 2014 Termination Report on file with his filing officer. The report was filed on February 4, 2014; Respondent certified the report was true, correct, and complete. The summary, contributions, and expenditures pages contain all zeros. There is no entry with respect to the disposition of the \$87 surplus following the 2013 F2 reporting period. To view a copy of Respondent's 2014 Termination Report, please refer to Exhibit 9.

17. To clarify Respondent's campaign finance activity, I subpoenaed Respondent's campaign account records. Although it appears, based upon the campaign report, that Respondent's campaign had a surplus of \$87 at the conclusion of the 2013 F2 reporting period, Respondent's monthly bank statement for October 1 to October 31, 2013 reflects that Respondent's beginning balance on October 1 was zero, and his ending balance on October 31

was zero.¹ Based upon the campaign account records, it appears Respondent did not have a surplus of \$87 at the conclusion of the 2013 F2 reporting period. To view a copy of the October 2013 monthly bank statement, please refer to Exhibit 10.

18. On December 10, 2015², Respondent filed an Amended 2013 F2 Report with the filing officer. The amended report shows that an \$87 expenditure was made to Keith Arrontin, a campaign worker, which resolved the issue of surplus funds within the campaign reports. The summary page on the Amended 2013 F2 Report reflects a zero balance. However, the expenditure is not corroborated in bank records. To review the Amended 2013 F2 Report, refer to Exhibit 11.

19. In a questionnaire affidavit, Respondent was asked about the \$87 expenditure and the amended reported. Respondent stated, "I was told to fix it by the clerk and the other paper I was not givin (sic). I was told to fix one paper to add \$87 so I did. I pay it to Keith A." To review Respondent's questionnaire affidavit, refer to Exhibit 12.

20. I further reviewed the records for the 2014 Termination report cover period of November 2, 2013 to February 3, 2014, and found several transactions that appear to have occurred during the 2014 Termination Report cover period that were not disclosed on the report.³ Table 1 summarizes the transactions. To view a copy of the relevant campaign account records, please refer to Exhibit 13.

| TABLE 1: UNREPORTED TRANSACTIONS DURING TR COVER PERIOD | | |
|--|----------------------------|-----------------|
| Transaction Date | Type of Transaction | Amount |

21. Based upon the campaign account records, it appears Respondent's 2014 Termination Report was not incomplete with respect to the disposal of what appeared to be a surplus of \$87 as alleged in the complaint, it appears Respondent's 2014 Termination Report was

¹ The 2013 F2 report cover period was September 29 through October 12, 2013.

² The complaint was filed with Commission staff on July 8, 2014.

³ It appears Respondent may have accepted contributions after he was defeated in the election. However, because Complainant did not have access to this information at the time the complaint was filed, I did not further investigate this information.

missing the information summarized in Table 1.⁴

22. Respondent stated during a telephone interview that he ordered the bank records from the bank. He stated that he would review the records to try to figure this out. He stated that he went to talk with the city clerk on two occasions but she was not in the office. When asked about the unreported transactions, he stated that most of the contributions were from him; therefore, he did not understand the problem.

23. No record of Respondent having previously violated this section of law was found.

IV. Alleged Violation of Section 106.11(1)(a), Florida Statutes:

24. I investigated whether Respondent violated this section of election laws by paying for a public records request with personal cash/credit card rather than a check or debit card from his campaign account.

25. Complainant alleged that Respondent failed to use a campaign check, or a debit card issued on his campaign account, to pay a \$13 campaign expense. Complainant provided a copy of Respondent's 2013 F1 Report⁵ with the complaint. The report discloses a \$13 expenditure for public records. To review the 2013 F1 Report, refer to Exhibit 14.

26. During a subsequent telephone interview, Complainant stated that Respondent frequently makes requests for public records. Complainant explained that she had pulled all the receipts for Respondent and none correspond with the expenditure disclosed on the 2013 F1 Report.⁶ She stated that there is no receipt for public records for \$13 nor is there a combination of payments that total \$13. She stated that Respondent always paid the cost for public records with cash. Complainant provided copies of the receipts for public records.⁷ To review the receipts for public records, refer to Exhibit 15.

27. On October 19, 2013⁸, Respondent filed an amended 2013 F1 Report with the filing officer. A review of the report shows the expenditure for \$13 was not removed. To review the amended report, refer to Exhibit 16.

28. Respondent stated in a written response that he was not aware of this issue until he spoke to Commission staff. He stated that the entry on the report was correct. He stated he did not keep the receipt for the \$13 and he did not recall what documents were contained in the

⁴ It also appears Respondent may have certified reports other than the termination report as true, correct, and complete when they were not. However, because Complainant did not have access to this information at the time the complaint was filed, I did not further investigate this information.

⁵ There were three contributions and five expenditures listed on the 2013 F1 Report that are not reflected in Respondent's bank records. However, because Complainant did not have access to this information at the time the complaint was filed, I did not further investigate this information.

⁶ Complainant is the city clerk. She explained that all of the city's public records requests except police reports would be handled by her office.

⁷ None of the expenditures for these public records requests was recorded on Respondent's campaign reports.

⁸ The letter from the filing officer regarding the \$13 expenditure was mailed on February 20, 2014.

request. To review Respondent's written statement, refer to Exhibit 17.

29. Respondent stated in a subsequent telephone interview, that the information disclosed on his campaign report was correct. He stated that he paid \$13 for public records; he stated that he requested copies of the mayor's itinerary. He wanted to know if the mayor was making any media appearances. I asked him if he had the receipt; he stated that he did not have the receipt. He stated that Complainant made the complaint against him because he made a video of her at her office and posted it on YouTube.

30. I reviewed the bank records from Respondent's campaign. I did not find a debt expenditure or check that corresponds with the \$13 expenditure reported on the campaign report.

31. No record of Respondent having previously violated this section of law was found.

V. Alleged Violation of Section 106.141(1), Florida Statutes:

32. I investigated whether Respondent violated this section of election laws by failing to dispose of surplus funds.

33. Complainant alleges Respondent failed to dispose of surplus funds totaling \$87 within 90 days of being defeated in an election.

34. To review the circumstances regarding Respondent's alleged failure to dispose of surplus funds, please refer to paragraphs 13 through 22 of this report.⁹

35. No record of Respondent having previously violated this section of law was found.

VI. Alleged Violation of Section 106.141(1), Florida Statutes:

36. I investigated whether Respondent violated this section of election laws by failing to file his 2014 Termination Report within 90 days of being defeated in the 2013 municipal election after receiving notice that the report was due.

37. Complainant stated Respondent filed his 2014 TR after the deadline. According to Complainant, Respondent was defeated in the November 5, 2013 municipal election¹⁰; therefore, the TR was due on February 3, 2014, 90 days after the municipal election. To review the election results, refer to Exhibit 18. To review the schedule of reporting dates, refer to Exhibit 19.

38. Complainant provided a copy of Respondent's 2014 TR. The date stamp on the report reads, "CLERK 02/04/14 PM 1:09." According to records, Respondent filed the 2014 TR

⁹ Respondent was defeated in the municipal election held on November 5, 2013. Therefore, it appears Respondent was required to dispose of his surplus funds by February 3, 2014.

¹⁰ The filing officer explained that the municipal elections are non-partisan; therefore, everyone can vote in the election. If a candidate receives a majority of the vote (51%), he or she is elected to office. If a candidate does not receive a majority vote, then a "run-off" or "general" election is held.

one day late. To review the TR, refer to Exhibit 9.

39. Respondent stated, in a telephone interview, that he is aware that the report was one day late. He stated that he was busy collecting his signs and he just forgot to turn in the report. He stated that he takes full responsibility for the lateness of the report.

40. No record of Respondent having previously violated this section of law was found.

VII. Alleged Violation of Section 106.19(1)(b), Florida Statutes:

41. I investigated whether Respondent violated this section of election laws by failing to disclose an in-kind contribution to his campaign for a public records request.

42. Complainant alleged that the \$13 expenditure listed on the 2013 F1 report was not paid for by a campaign check or a campaign debit card transaction. Complainant argued that the transaction listed as an expenditure was probably an in-kind contribution from Respondent.

43. To review additional information pertaining to this section of law, refer to paragraphs 25 through 30 of this report.

44. No record of Respondent having previously violated this section of law was found.

VIII. Alleged Violation of Section 106.19(1)(c), Florida Statutes:

45. I investigated whether Respondent violated this section of election laws by failing to disclose information on his 2013 F1 Report and his 2014 Termination Report.

46. To review information pertaining to this section of law, refer to paragraphs 13 through 30.

47. No record of Respondent having previously violated this section of law was found.

IX. Alleged Violation of Section 106.19(1)(d), Florida Statutes:

48. I investigated whether Respondent violated this section of election laws by making a prohibited expenditure for a public records request.

49. To review the information pertaining to this section of law, refer to paragraphs 25 through 30 of this report.

50. No record of Respondent having previously violated this section of law was found.

X. FEC History:

51. In FEC 13-229, Complainant alleged that Respondent violated Section 106.07(2)(b)1, Florida Statutes, by failing to amend his 2013 Q2 Report. The complaint was

deemed legally insufficient.

Conclusion:

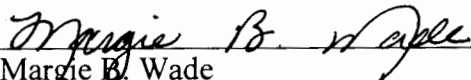

52. On April 18, 2016, I interviewed Respondent by telephone. I summarized the issues addressed in the Report of Investigation. I also explained that he will receive a copy of the report and he may file a written statement at that time. He reiterated that the 2013 F1 Report was correct. He stated that he realized that the TR was late and he is willing to pay the late fee. He stated that he wanted to keep his campaign account open as long as possible because several people had promised to make contributions to his campaign but they never did. He stated he was planning to take the money from the contributors and make a charitable donation.

53. According to the filing officer, Respondent was a first-time candidate. He was provided a hard copy of the 2011 Candidate and Campaign Treasurer Handbook on July 8, 2013. She stated that Respondent was advised that a copy of Chapter 106, Florida Statutes, could be downloaded from the Division of Elections website. To review the Affidavit of Filing Officer and the letter from the filing officer, refer to Exhibit 20. To review relevant pages of the Candidate Handbook, refer to Exhibit 21.

54. Respondent acknowledged in a questionnaire affidavit that he received copies of Chapter 106, Florida Statutes, and the Candidate Handbook. He stated that he read Chapter 106, Florida Statutes, and the Candidate Handbook. He stated that he has not served as an officer of a political committee. To review Respondent's affidavit, refer to Exhibit 12.

55. On July 8, 2013, Respondent filed his statement of candidate form with the filing officer, certifying that he had been provided access to read and understand the requirements of Chapter 106, Florida Statutes. To review the statement of candidate form, refer to Exhibit 22.

VIA CERTIFIED MAIL - RETURN RECEIPT

February 18, 2014

Juan Santana
1190 West 56 Street
Hialeah, FL 33012

Dear Mr. Santana:

On February 4, 2014 the Office of the City Clerk received your Campaign Treasurer's Report (Termination Report). Since the report was due on February 3, 2014, it has been deemed one (1) day late. Pursuant to § 106.07(8)(b) of the Florida Statutes, I must impose a fine of \$50.00 per day for each day late, and not to exceed twenty-five (25) percent of the total receipts or expenditures, whichever is greater, for the period covered by the late report. In the present case, since the Termination Report you filed presently reflects a total of zero for the contributions and expenditures for the period covered by this report, you are not being assessed a fine at this time.

Please note that your report has been deemed incomplete, and I have accepted the report on a conditional basis. According to your reports as amended, you have a balance of eighty-seven dollars (\$87.00) in your campaign account that you have not disposed of or have failed to report how you disposed of the funds. Per section 106.141 of the Florida Statutes (2013) each candidate who is eliminated as a candidate shall within ninety (90) days, dispose of the funds on deposit in his or her campaign account and file a report reflecting the disposition of all remaining funds.

Per section 106.07(2)(b)1. of the Florida Statutes (2013), you must file an addendum to the report within seven (7) days after receipt of this notice, reflecting how you disposed of the eighty-seven dollars (\$87.00) left in your campaign account. Failure to file a complete report constitutes a violation of Chapter 106, Election Laws of the State of Florida.

If you have any questions, please do not hesitate to contact my office at 305-883-5820.

Sincerely,

CITY OF HIALEAH, FLORIDA

MARBELYS FATJO, City Clerk,
City of Hialeah, Florida, a political
Subdivision of the State of Florida,
Petitioner,

v.

JUAN SANTANA,
Respondent.

**AFFIDAVIT OF MARBELYS FATJO, CITY CLERK OF THE CITY OF
HIALEAH, FLORIDA**

STATE OF FLORIDA)
)
COUNTY OF MIAMI-DADE)

BEFORE ME, the undersigned authority, personally appeared MARBELYS FATJO (hereinafter "Affiant"), who after being first duly sworn, deposes and says:

1. I am employed by the City of Hialeah, Florida in the capacity of City Clerk. I was duly appointed to this position on November 13, 2014.
2. Pursuant to the Florida Election Code, I am the officer before whom candidates for municipal office qualify. As such, I am responsible for administering the campaign finance reporting requirements as provided by Florida Statutes Chapter 106.
3. On July 1, 2014, I filed a complaint with the Florida Elections Commission alleging specific violations of Chapter 106 by Juan Santana, a candidate for a Mayor of the City of Hialeah during the 2013 election.

4. The affidavit is made in support of and to supplement the statements I made in the complaint filed against Juan Santana.
5. On December 2, 2015 at 1:59 p.m. I received a call from the City's Deputy Clerk, Carmen Hernandez to tell me Juan Santana had stopped by the City Clerk's Office to amend his campaign report while I was out of the office on my lunch break.
6. I informed Ms. Hernandez that the information Mr. Santana needed was laying on my desk and instructed her to call him back immediately and ask him to return to the office to collect the documents he need to amend his report.
7. On that day at approximately 2:16 p.m., Ms. Hernandez called me again as I was returning to my office and placed me on speaker phone so that I could communicate with Mr. Santana who had returned to the office upon our request.
8. During my conversation with Mr. Santana, I advised him that Ms. Hernandez would be providing him with copies of all four of his campaign treasurer's reports submitted to my office and a blank campaign treasurer's report. As previously advised in writing, I again explained to Mr. Santana that his second campaign treasurer's report was inconsistent with his termination report. The second report filed by Mr. Santana reflected a balance of \$87.00 in campaign funds and his termination report reflected a zero balance for contributions and expenditures. The \$87.00 balance between his second report and his termination report was

unaccounted for since Mr. Santana filed a waiver of report after the second report and prior to the termination report.

9. Mr. Santana told me he would take the documents given to him by Ms. Hernandez and return during the week after he had figured it out.
10. On that day at approximately 2:18 p.m. and shortly after my phone conversation with Mr. Santana, I met him in the reception area of the Office of the City Clerk. I reiterated everything I had said over the phone and asked him if he had any questions. In response, Mr. Santana said he would amend his report and would return later during the week. Before leaving my office, Mr. Santana asked me when the report was due. I answered February 2014.
11. Prior to this date, I have also communicated with Mr. Santana about correcting his campaign treasurer's reports in the manner indicated:
 - a. On Friday, October 23, 2015, Mr. Santana called my office requesting a meeting with me to discuss the amendment of his reports and left an email address (time2makeit@gmail.com) and a telephone number where could be reached at. A copy of the message provided to me by Eva Price, employee of the Office of the City Clerk, is attached as Exhibit 1 to this affidavit.
 - b. On October 26, 2014 at 5:00 p.m. and in response to his request, I emailed Mr. Santana a copy of his campaign forms, the forms he need to complete in order to amend his previous filing and instructions on what he needed to do. Mr. Santana replied "I requested a meeting for

you to show me what needs to be done” by email on October 26, 2014 at 7:44 p.m. A copy of the emails exchanged between Mr. Santana and I on October 26, 2015 is attached as Exhibit 2 to this affidavit.

- c. On Tuesday, October 27, 2015 I replied to Mr. Santana’s email inviting him to visit my office at any time during regular business hours. A copy of this email is attached as Exhibit 3 to this affidavit.
- d. On Monday, November 2, 2015, Mr. Santana stopped by my office at approximately 11:30 a.m. and requested to see me. The receptionist came to my office to advise me Mr. Santana was present. I asked the receptionist to ask him to wait a few minutes while I gathered the documents I need to provide him. Seconds later, the receptionist returned to my office to let me know Mr. Santana had left leaving a message for me containing his contact information. A copy of the message provided to me by Eva Price, employee of the Office of the City Clerk, is attached as Exhibit 4 to this affidavit.
- e. That day, at 11:36 a.m., I emailed Mr. Santana to let him know that I was available to meet with him and was ready to provide him the necessary documents and information but that he had left less than five minutes after arriving at my office.
- f. Mr. Santana replied at 11:38 a.m. requesting a meeting with me. I replied at 11:51 a.m. advising Mr. Santana that he could come by that same afternoon after 3:30 p.m., if not he could return during normal business hours at his convenience and if I was not available, Deputy

City Clerk, Carmen Hernandez would be available to assist him. A copy of the emails exchanged between Mr. Santana and I on November 2, 2014 is attached as Exhibit 5 to this affidavit.

- g. On November 4, 2015 at 10:33 a.m., Mr. Santana emailed me to let me know my assistant had told him I was unavailable that morning. I replied to Mr. Santana's email at 10:56 a.m. asking him to set a date and time convenient for him and I would make myself available. Mr. Santana replied at 10:58 a.m. asking that I set the date and time that I would be available to meet him. I replied at 11:01 a.m. asking him to come by at 3:00 p.m. that afternoon, November 4, 2015.
- h. Mr. Santana did not show up to his 3:00 p.m. appointment with me on November 4, 2015. That evening at 5:06 p.m., I emailed Mr. Santana letting him know he had missed our appointment that afternoon to discuss amending his report. A copy of the emails exchanged between Mr. Santana and I on November 4, 2015 is attached as Exhibit 6 to this affidavit.
- i. On November 24, 2015 at 4:10 p.m. Mr. Santana contacted my office requesting to speak with Deputy City Clerk Carmen Hernandez about a public records request. I was in Ms. Hernandez' office during her conversation with Mr. Santana and Mr. Santana was aware of my presence in her office during their conversation. The conversation was had over speaker phone. After we discussed Mr. Santana's public records request, he asked me when he could come to my office to

amend his report. I reminded him he missed our last appointment. He replied he had not checked his emails and hung up abruptly claiming his wife was in the hospital.

12. Mr. Santana appears frequently at Council meetings regularly scheduled on the second and fourth Tuesday of each month.
13. Mr. Santana has shown up unannounced at his leisure at the City Clerk's Office to request public records.
14. Mr. Santana has had ample opportunity to amend his report but has failed to do so.
15. Affiant is familiar with the nature of an oath and the penalties or punishment associated with knowingly making a false statement.

SIGNED this 10 day of December, 2015.

Marbelys Fatjo, City Clerk
City of Hialeah

The foregoing was acknowledged, sworn to and subscribed before me by Marbelys Fatjo this 10 day of December, 2015. I personally know Marbelys Fatjo.

Juan Santana,

You contacted our office on Friday and provided my staff with this email address, and inquired as to the process of correcting the campaign treasurer's reports you filed in the 2013 Mayoral Election.

In the F1 report you filed for the reporting period of July 1st, 2013 through September 28, 2013, you reported a total of \$1,150 in contributions and \$938 in expenditures.

In the F2 report you filed for the reporting period of September 29, 2013 through October 12, 2013, you reported a total of \$50 in contributions and \$175 in expenditures, for a total of \$1,200 total monetary contributions to date and \$1,113 total monetary expenditures to date.

You filed a Waiver of Report for the reporting period of October 13, 2013 through November 1, 2013.

Your termination report filed for the reporting period of November 5, 2013 through February 3, 2014 reflected a zero amount for everything. **You must amend** this report to reflect how you disposed of the funds that were left in your campaign account as of your last report.

Attached hereto are the forms you need.

Should you have any questions, please do not hesitate to contact me.

INSTRUCTIONS FOR CAMPAIGN TREASURER'S REPORT – ITEMIZED CONTRIBUTIONS

- (1) Candidate's full name or name of the political committee (PC), electioneering communications organizations (ECO) or party executive committee (PTY).
- (2) The identification number assigned by the filing officer.
- (3) Cover period dates (e.g., 1/1/15 through 1/31/15). (See filing officer's reporting dates calendar for appropriate year and cover periods.)
- (4) Page numbers (e.g., 1 of 3).
- (5) Date contribution was RECEIVED (Month/Day/Year).
- (6) **Sequence Number** – Each detail line shall have a sequence number assigned to it. Sequence numbers are to be assigned within each reporting period and for each type of detail line. Thus the report type, detail line type, and sequence number will combine to uniquely identify a specific contribution, expenditure, distribution or fund transfer. This method of unique identification is required for responding to requests from the filing officer and for reporting amendments.
 For example, a M1 report having 75 contributions would use sequence numbers 1 through 75. The next report (M2), comprised of 40 contributions would use sequence numbers 1 through 40. Contributions on amended M1 reports would begin with sequence number 76 and on amended M2 reports would begin with sequence number 41. See the *Amendment Type* instructions below.
- (7) Type full name and address of contributor (including city, state and zip code).
- (8) Enter the type of contributor using one of the following codes:
 Occupation of contributor for **contributions over \$100 only**. (If a business, please indicate nature of business.)

| | | |
|---|---|---|
| I | Individual | |
| B | Business | (also includes corporations, organizations, groups, etc.) |
| E | Electioneering Communications Organizations | |
| F | Political Committee | (federal or state) |
| P | Political Parties | (includes federal, state and county executive committees) |
| O | Other | (e.g., candidate surplus funds to party, etc.) |
| S | Candidate to Self | |

- (9) Enter Contribution Type using one of the following codes:
NOTE: Cash includes cash and cashier's checks.

| Code | Description |
|------|--|
| CAS | Cash or Cashier's Check |
| CHE | Check |
| COF | Carryover Funds from Previous Campaign |
| INK | In-Kind |
| INT | Interest |
| LOA | Loan |
| MO | Money Order |
| MUC | Multiple Uniform Contributions |
| RCT | Other Receipts |
| REF | Refund (Negative Amount Only) |

- (10) Type the description of any in-kind contribution received.
Candidate's Only – If in-kind contribution is from a party executive committee and is allocable toward the contribution limits, type an "A" in this box. If contribution is not allocable, type an "N".
- (11) **Amendment Type** (required on amended reports) – To add a new (previously unreported) contribution for the reporting period being amended, enter "ADD" in amendment type on a line with ALL of the required data.
The sequence number for contributions with amendment type "ADD" will start at one plus the number of contributions in the original report. For example, amending an original M1 report that had 75 contributions means the sequence number of the first contribution having amendment type "ADD" will be 76; the second "ADD" contribution would be 77, etc. When amending an original M2 report that had 40 contributions, the sixth "ADD" contribution would have sequence number 46.
To correct a previously submitted contribution use the following drop/add procedure. Enter "DEL" in amendment type on a line with the sequence number of the contribution to be corrected. In combination with the report number being amended, this sequence number will identify the contribution to be dropped from your active records. On the next line enter "ADD" in amendment type and ALL of the required data with the necessary corrections thus replacing the dropped data. Assign the sequence number as described above.
- (12) Type amount of contribution received. **Political Committees ONLY:** Multiple uniform contributions from the same person, aggregating NMT \$250 per calendar year, collected by an organization that is the affiliated sponsor of a PC, may be reported by the PC in an aggregate amount listing the number of contributors together with the amount contributed by each and the total amount contributed during the reporting period. The identity of each person making such uniform contribution must be reported to the filing officer by July 1 of each calendar year, or, in a general election year, NLT the 60th day immediately preceding the primary election.

Juan Santana,

You contacted our office on Friday and provided my staff with this email address, and inquired as to the process of correcting the campaign treasurer's reports you filed in the 2013 Mayoral Election.

In the F1 report you filed for the reporting period of July 1st, 2013 through September 28, 2013, you reported a total of \$1,150 in contributions and \$938 in expenditures.

In the F2 report you filed for the reporting period of September 29, 2013 through October 12, 2013, you reported a total of \$50 in contributions and \$175 in expenditures, for a total of \$1,200 total monetary contributions to date and \$1,113 total monetary expenditures to date.

You filed a Waiver of Report for the reporting period of October 13, 2013 through November 1, 2013.

Your termination report filed for the reporting period of November 5, 2013 through February 3, 2014 reflected a zero amount for everything. **You must amend** this report to reflect how you disposed of the funds that were left in your campaign account as of your last report.

Attached hereto are the forms you need.

Should you have any questions, please do not hesitate to contact me.

These documents are part of the contract for your deposit account and govern all transactions relating to your account, including all deposits and withdrawals. Copies of both the deposit agreement and fee schedule which contain the current version of the terms and conditions of your account relationship may be obtained at our banking centers.

Electronic transfers: In case of errors or questions about your electronic transfers – If you think your statement or receipt is wrong or you need more information about an electronic transfer (e.g., ATM transactions, direct deposits or withdrawals, point-of-sale transactions) on the statement or receipt, telephone or write us at the address and number listed on the front of this statement as soon as you can. We must hear from you no later than 60 days after we sent you the FIRST statement on which the error or problem appeared.

For other accounts, we investigate, and if we find we have made an error, we credit your account at the conclusion of our investigation.

Reporting other problems – You must examine your statement carefully and promptly. You are in the best position to discover errors and unauthorized transactions on your account. If you fail to notify us in writing of suspected problems or an unauthorized transaction within the time period specified in the deposit agreement (which periods are no more than 60 days after we make the statement available to you and in some cases are 30 days or less), we are not liable to you for, and you agree to not make a claim against us for the problems or unauthorized transactions.

Electronic transfers: In case of errors or questions about your electronic transfers- If you think your statement or receipt is wrong or you need more information about an electronic transfer (e.g., ATM transactions, direct deposits or withdrawals, point-of-sale transactions) on the statement or receipt, telephone or write us at the address and number listed on the front of this statement as soon as you can. We must hear from you no later than 60 days after we sent you the FIRST statement on which the error or problem appeared.

For other accounts, we investigate, and if we find we have made an error, we credit your account at the conclusion of our investigation.

Reporting other problems - You must examine your statement carefully and promptly. You are in the best position to discover errors and unauthorized transactions on your account. If you fail to notify us in writing of suspected problems or an unauthorized transaction within the time period specified in the deposit agreement (which periods are no more than 60 days after we make the statement available to you and in some cases are 30 days or less), we are not liable to you for, and you agree to not make a claim against us for the problems or unauthorized transactions.

Expenditures

Definition

An expenditure is a purchase, payment, distribution, loan, advance, transfer of funds by a campaign treasurer or deputy campaign treasurer between a primary depository and a separate interest-bearing account or certificate of deposit, or gift of money or anything of value made for the purpose of influencing the results of an election or making an electioneering communication.

General Requirements

A candidate shall:

1. Pay all campaign expenditures by a check drawn on the campaign account (except petty cash);
2. Pay the qualifying fee by a check drawn on the campaign account;
3. Pay for all expenses authorized or incurred for the purchase of goods or services upon final delivery and acceptance of the goods or services; and
4. Pay for public utilities such as telephone, electric, gas, water and like services when the bill is received. Utility companies providing services to candidates must charge a deposit sufficient to meet all anticipated charges during a billing period.

IMPORTANT: No candidate, campaign manager, treasurer, deputy treasurer, or any person acting on behalf of the foregoing, shall authorize any expenses, unless there are sufficient funds on deposit in the primary depository account of the candidate to pay the full amount of the authorized expense, to honor all other checks draw on such account, which checks are outstanding, and to meet all expenses previously authorized but not yet paid.

Sufficient funds means that the funds at issue have been delivered for deposit to the financial institution at which such account is maintained and not that such funds are available for withdrawal in accordance with the deposit rules or the funds availability policies of such financial institution.

Checks

IMPORTANT: Only a campaign treasurer or deputy campaign treasurer is allowed to sign checks drawn on the campaign account. The campaign treasurer or deputy campaign treasurer who signs a check shall be responsible for the completeness and accuracy of the information on the check and for ensuring it is an authorized expenditure. **Candidates are prohibited from signing campaign checks unless they appointed themselves campaign treasurer or deputy treasurer.**

EXHIBIT 21 page 2 of 11

Chapter 16 Filing Campaign Reports

Each campaign treasurer designated by a candidate shall file regular reports of all contributions received and all expenditures made by or on behalf of such candidate.

The candidate and his or her campaign treasurer shall certify as to the correctness of each report. Each person so certifying shall bear the responsibility for the accuracy and veracity of each report. Any campaign treasurer or candidate who willfully certifies the correctness of any report while knowing that such report is incorrect, false or incomplete commits a misdemeanor of the first degree.

(Section 106.07, F.S.)

Where to File

Reports are filed with the officer before whom the candidate qualifies. Candidates filing reports with the Division of Elections are required to file by means of the **Electronic Filing System (EFS)**. If the candidate's filing officer is other than the Division of Elections, contact the appropriate filing officer to find out the requirements.

(Section 106.07(2), F.S.)

When to File

Except for the third calendar quarter immediately preceding a general election, reports must be filed on the 10th day following the end of each calendar quarter (January, April, July, and October) from the time the campaign treasurer is appointed, except that if the 10th day occurs on a Saturday, Sunday or legal holiday, the report shall be filed on the next business day that is not a Saturday, Sunday or legal holiday.

Reports must also be filed on the 32nd, 18th and 4th days immediately preceding the primary election and on the 46th, 32nd, 18th, and 4th days immediately preceding the general election.

Unless the electronic filing requirements of Section 106.0705, Florida Statutes, apply, reports shall be filed no later than 5 p.m. of the day designated. A report postmarked by the U.S. Postal Service no later than midnight of the day designated is deemed timely filed. A report received by the filing officer within 5 days after the designated due date that was delivered by the U.S. Postal Service is deemed timely filed unless it has a postmark indicating the report was mailed after the designated due date. A certificate of mailing obtained from and dated by the U.S. Postal Service at the time of mailing or a receipt from an established courier company, which bears a date on or before the date on which the report is due, is proof of mailing in a timely manner. **Reports filed with the Division of Elections through the Electronic Filing System (EFS) are due no later than midnight, Eastern Time, of the due date.** (See Chapter 19, *Electronic Filing of Campaign Reports*.)

Once a candidate becomes unopposed the candidate need only file a 90-day termination report.

(Sections 106.07, 106.0705 and 106.141, F.S.)

Reporting Contributions

Each report must contain:

1. Full name, address, specific occupation, amount, and date of each person making a contribution. Reports must provide as clear a description as practicable of the principal type of business conducted for corporations contributing. **The principal type of business or the occupations are not required if the contribution is \$100 or less, or from a relative provided the relationship is reported.**
2. Name, address, amount, and date of each political committee making any transfer of funds.
3. Full name, address, specific occupation, principal place of business of the lender and endorser, date and amount of each loan.
4. Statement of each contribution, rebate, refund, or other receipts not listed in 1. through 3. above.

(Sections 106.07(4) and 112.312(21), F.S.)

Returning Contributions

Contributions **must be returned** to the contributor if:

1. A candidate receives a contribution in excess of the limitations provided by law.
2. A candidate with opposition in an election receives a contribution on the day of that election or less than five days prior to the date of that election.
3. A candidate receives a contribution once he or she is elected, defeated, becomes unopposed, or withdraws his or her candidacy.

If the contribution to be returned has not been deposited into the campaign account, report the contribution as a contribution returned using form DS-DE 02.

If the contribution has been deposited into the campaign account:

1. Report the contribution; and
2. Write a check from the campaign account to the contributor for the amount of the contribution and report this on the itemized contribution report using the contribution type "Refund." This amount is reported as a negative. The candidate may also wish to submit a written explanation to the filing officer.

(Section 106.08, F.S.)

Chapter 17

Termination Reports

Once a candidate withdraws, becomes unopposed, is eliminated, or elected to office, he or she may **only** expend funds from the campaign account to:

1. Purchase "thank you" advertising for up to 75 days after he or she withdraws, becomes unopposed, is eliminated, or elected to office.
2. Pay for items which were obligated before he or she withdrew, became unopposed, was eliminated, or elected to office.
3. Pay for expenditures necessary to close down the campaign office and to prepare final campaign reports.
4. Dispose of surplus funds as provided in Section 106.141, F.S.

(Section 106.11(5), F.S.)

Prior to Disposing of Surplus Funds

A candidate may be reimbursed by the campaign for any previously reported contributions by the candidate to the campaign, in full or in part.

A candidate who filed an oath stating that he or she was unable to pay the election assessment or fee for verification of petition signatures without imposing an undue burden on his or her personal resources or on resources otherwise available to him or her, or who filed both such oaths, or who qualified by the petition method and was not required to pay an election assessment, must reimburse the state or local government entity, whichever is applicable, for such waived assessment or fee or both prior to disposing of any funds under the surplus provisions contained in Section 106.141(4), F.S. Such reimbursement must be made in the following order:

1. The cost of petition verification; and
2. If funds remain, the amount of the election assessment.

(Section 106.141, F.S.)

Disposing of Surplus Funds

Once a candidate withdraws, becomes unopposed, is eliminated, or elected to office, the candidate must dispose of the funds on deposit in his or her campaign account and file a campaign treasurer's report (termination report) reflecting the disposition of funds.

A candidate required to dispose of surplus funds must, at the option of the candidate, dispose of such funds within 90 days by any of the following means, or a combination thereof:

1. Return pro rata to each contributor the funds that have not been spent or obligated.

2. Donate the funds that have not been spent or obligated to a charity organization or organizations that meet the qualifications of Section 501(c)(3) of the Internal Revenue Code.
3. Give funds that have not been spent or obligated to the political party of which such candidate is a member.
4. Give the funds that have not been spent or obligated:
 - a. In the case of a candidate for state office, to the state to be deposited in the General Revenue Fund; or
 - b. In the case of a candidate for office of a political subdivision, to such political subdivision, to be deposited in the general fund thereof.
5. Transfer some funds to an office account (See Chapter 19, Office Accounts).

The termination report must include:

1. The name and address of each person or unit of government to whom any of the funds were distributed and the amounts thereof;
2. The name and address of each person to whom an expenditure was made together with the amount and purpose; and
3. The amount of such funds transferred to an office account together with the name and address of the bank in which the office account is located.

If a refund check is received after all surplus funds have been disposed of, the check may be endorsed by the candidate and the refund disposed of pursuant to Section 106.141, F.S. An amended termination report must be filed with the filing officer.

All reports must be signed by the candidate and the campaign treasurer and certified as true and correct.

(Section 106.141, F.S.)

Money from Separate Interest-Bearing Account or Certificate of Deposit

A campaign treasurer of any candidate who withdraws, becomes unopposed, or is eliminated, or elected to office, and who has funds on deposit in any interest-bearing account or certificate of deposit, must, within seven days, transfer such funds and accumulated interest earned thereon to the primary campaign account for disposal. However, when funds are in an account in which penalties will apply for withdrawal within the seven day period, the campaign treasurer must transfer such funds and accumulated interest earned thereon as soon as the funds can be withdrawn without penalty, or within 90 days after the candidate becomes unopposed, withdraws his or her candidacy, or is elected, or eliminated, whichever comes first.

When we conclude the investigation, a copy of the Report of Investigation will be mailed to you at the above address. You may file a response to the report within 14 days from the date the report is mailed to you. Based on the results of the investigation, legal staff will make a written recommendation to the Commission on whether there is probable cause to believe you have violated Chapter 104 or 106, Florida Statutes. A copy of the Staff Recommendation will be mailed to you and you may file a response within 14 days from the date the recommendation is mailed to you. Your timely filed response(s) will be considered by the Commission when determining probable cause.

The Commission will then hold a hearing to determine whether there is probable cause to believe you have violated Chapters 104 or 106, Florida Statutes. You and the complainant will receive a notice of hearing at least 14 days before the hearing. The notice of hearing will indicate the location, date, and time of your hearing. You will have the opportunity to make a brief oral statement to the Commission, but you will not be permitted to testify or call others to testify, or introduce any documentary or other evidence.

At any time before a probable cause finding, you may notify us in writing that you want to enter into negotiations directed towards reaching a settlement via consent agreement.

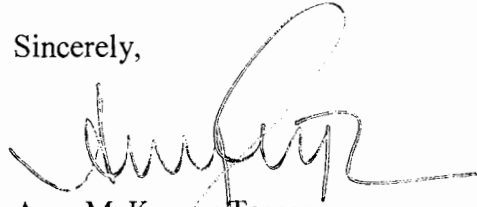

The Report of Investigation, Staff Recommendation, and Notice of Hearing will be mailed to the above address as this letter. Therefore, if your address changes, you must notify this office of your new address. Otherwise, you may not receive these important documents. Failure to receive the documents will not delay the probable cause hearing.

Under section 106.25, Florida Statutes, complaints, Commission investigations, investigative reports, and other documents relating to an alleged violation of Chapters 104 and 106, Florida Statutes, are confidential until the Commission finds probable cause or no probable cause. The confidentiality provision does not apply to the person filing the complaint. However, it does

apply to you unless you waive confidentiality in writing. The confidentiality provision does not preclude you from seeking legal counsel. However, if you retain counsel, your attorney must file a notice of appearance with the Commission before any member of the Commission staff can discuss this case with him or her.

If you have any questions or need additional information, please contact **Tracie Aulet**, the investigator assigned to this case.

Enclosures

RECEIVED
2014 JUL -8 A 9:55
STATE OF FLORIDA
ELECTIONS COMMISSION

Alleged Violations:

Mr. Juan Santana has violated §106.07(1) of the Florida Statutes (2013), which provides that each campaign treasurer designated by a candidate shall file regular reports of all contributions received, and all expenditures made, by or on behalf of such candidate. Mr. Santana's final Campaign Treasurer's Report was submitted with zero amounts on each section listed in the form. This report was deemed incomplete by the officer with whom the candidate qualified, and was therefore accepted on a conditional basis. To date Mr. Santana has failed to amend the report.

Mr. Juan Santana submitted his final Campaign Treasurer's Report one day late. Mr. Santana was verbally informed on the day he submitted the report that the report was deemed one day late. Pursuant to § 106.07(8)(a) of the Florida Statutes (2013), any candidate failing to file a report on the designated due date is subject to a fine as provided in paragraph (b) for each late day.

Mr. Juan Santana has violated §106.07(5) of the Florida Statutes (2013) which provides that the candidate and his campaign treasurer shall certify as to the correctness of each report; and each person so certifying shall bear the responsibility for the accuracy and veracity of each report. The section of the statute further provides that any campaign treasurer or candidate who willfully certifies the correctness of any report while knowing that such report is incorrect, false, or incomplete commits a misdemeanor of the first degree. Mr. Santana has reported a zero amount on every part of his final Campaign Treasurer's Report, including the total Monetary Contributions/Expenditures to date sections of the form, evidencing the filing of a false report. Moreover, he has certified a false/incomplete report.

Mr. Juan Santana has also violated §106.11(1)(a) of the Florida Statutes (2013), which provides that the campaign treasurer of a candidate shall make expenditures from funds on deposit in the primary campaign depository only by means of a bank check drawn upon the campaign account of the candidate or a campaign debit card. Mr. Santana reported in his F1 Campaign Treasurer's Report that a total of thirteen dollars was expended from campaign funds to the City of Hialeah for the purpose of public records. The City of Hialeah has not received funds from Mr. Santana by means of a bank check drawn upon the campaign account of the candidate or a campaign debit card for a public records request fee.

Mr. Juan Santana may have potentially violated §106.141 of the Florida Statutes (2013) if he did not dispose of the funds on deposit in his campaign account within 90 days of being eliminated as a candidate. Although Mr. Santana submitted his final Campaign Treasurer's Report with a zero on every portion of the form, the reports previously submitted by the candidate/treasurer reflect that there is a balance of eighty-seven dollars in his campaign bank account, which he has not reported how it was disposed of.

Facts:

On July 8, 2013 Mr. Juan Santana qualified as a Mayoral Candidate in the November 5, 2013 City of Hialeah election. On August 23, 2013 Mr. Santana submitted a new Appointment of Campaign Treasurer (DS-DE 9) form appointing himself as treasurer of the campaign (*see attached Exhibit "1"*).

On October 28, 2013 Mr. Santana submitted his second and final amendment to his Campaign Treasurer's Report for the reporting period of July 1, 2013 to September 28, 2013. Said report reflects \$1,150.00 as the total monetary contributions to date, and \$938.00 as the total monetary expenditures to date (*see attached Exhibit "2"*).

On October 28, 2013 Mr. Santana submitted his first and final amendment to his Campaign Treasurer's Report for the reporting period of September 29, 2013 to October 12, 2013. Said report reflects \$1,200.00 as the total monetary contributions to date, and \$1,113.00 as the total Monetary Expenditures to Date (*see attached Exhibit "3"*).

On November 1, 2013 Mr. Santana submitted a Waiver of Report for the reporting period of October 13, 2013 through November 1, 2013 (*see attached Exhibit "4"*).

On November 18, 2013 I sent Mr. Santana letter via certified mail advising him that he must dispose of the funds on deposit in his campaign account and file a Campaign Treasurer's Report (termination report) reflecting the disposition of funds, by Monday, February 3, 2014, which was ninety days after Mr. Santana had been eliminated as a candidate (*see attached Exhibit "5"*).

Mr. Santana submitted his termination report on February 4, 2014, one day late. Moreover, said report contains a \$0.00 on section (6) contributions this report, section (7) expenditures this report, (8) other distributions, (9) total monetary contributions to date, and (10) total monetary expenditures to date (*see attached Exhibit "6"*).

On February 18, 2014 I sent Mr. Santana a letter via certified mail, return receipt requested, advising Mr. Santana that the Campaign Treasurer's Report was received one day late. The letter further advised Mr. Santana that I was unable to assess a fine at this time, since the report reflects a total of zero for the contributions and expenditures for the reporting period covered by the report. Moreover, the letter informed Mr. Santana that the report had deemed incomplete and was accepted on a conditional basis. According to Campaign Treasurer's Reports submitted by Mr. Santana, there is a balance of eighty-seven dollars in his campaign bank account that he has either failed to dispose of or has failed to report how he disposed of the funds. The United States Postal Service unsuccessfully delivered this letter to Mr. Santana. The letter was returned to me, the sender, by the United States Postal Service on March 7, 2014 as **unclaimed** (*see attached Exhibit "7"*).

On February 20, 2014 I sent Mr. Santana a notice of non-compliance via certified mail, return receipt requested, advising Mr. Santana that he reported on the Campaign Treasurer's Report submitted for the reporting period of July 1, 2013 to September 28, 2013 that a total of thirteen dollars (\$13.00) was expended from his campaign bank account to the City of Hialeah for the purpose of public records. The letter further advised Mr. Santana that personnel of the Office of the City Clerk reviewed the City's records as to copies of receipts provided to Mr. Santana as acknowledgment of fees received by the City from Mr. Santana for records provided to him on August 30, 2013 (the date reported by Mr. Santana as having expended the funds), and the City does not have any record of thirteen dollars having been expended from Mr. Santana's campaign bank account for public records on said date (*see attached Exhibit "8"*). The United States Postal Service unsuccessfully delivered this letter to Mr. Santana. The

letter was returned to me, the sender, by the United States Postal Service on March 7, 2014 as **unclaimed** (see attached Exhibit "9").

On March 17, 2014 at 3:28 p.m., Mr. Santana visited the Office of the City Clerk to make a public records request, and the office receptionist, Ms. Eva Price, advised him that she was going to give him two letters reference his Campaign Treasurer's Reports which had been sent to him via certified mail and were returned to us as unclaimed, and Mr. Santana said he did not wish to take the documentation and would return the next day for the letters. Mr. Santana never came to the Office of the City Clerk on March 18, 2014 to pick up the letters.

I contacted the Miami-Dade County Elections Department for advice on how to handle the situation, and I was advised to resend the letters via Certified Mail and via email if the candidate had provided our office with an e-mail address. As referenced in his Appointment of Campaign Treasurer form, Mr. Santana's email address is bpracing1@gmail.com. This is the email address Mr. Santana has continuously used to communicate with the Office of the City Clerk.

On April 3, 2014 I mailed the two letters, dated February 18 and February 20, 2014 to Mr. Santana via certified mail. The United States Postal Service returned both letters to our office as **unclaimed** on April 22, 2014 (see attached Exhibit "10").

On April 11, 2014 I emailed Mr. Santana at bpracing1@gmail.com advising him that our office had attempted to send a letter dated February 18, 2014 and a letter dated February 20, 2014 via certified mail, and that both letters had been returned to sender as unclaimed. I attached both letters as attachments to the email; however, I did not receive a response from Mr. Santana (see attached Exhibit "11").

On June 20, 2014 at 10:30 a.m. Mr. Santana visited the Office of the City Clerk to pick up documentation in response to a public records request, and our office receptionist, Ms. Eva Price, advised Mr. Santana that the City had made unsuccessful attempts to send him two letters reference his Campaign Treasurer's Reports, and Mr. Santana refused to accept the letters.

RE: REMOVAL OF CAMPAIGN SIGNS & FINAL CAMPAIGN TREASURER'S REPORT

Dear Mr. Santana:

Now that the election process is over, please be advised that pursuant to City of Hialeah Code § 74-148(c) (3) and §106.1435 of the Florida Statutes, removal of all of your political campaign signs should be completed by **December 5, 2013**.

Campaign signs that are not removed within the specified time will be removed by the City. The City will charge the owner of the property in which the sign is located and/or the candidate, the actual costs for such removal. Unpaid costs may constitute a lien on the affected property. The signs and banners must be removed from private property as well as the public right-of-way. The right-of-way includes, but is not limited to, all roadsides, swales, streets, sidewalks and highway median strips including utility poles, traffic and street lighting poles, and traffic control devices.

Your cooperation in removing all of your political signs, throughout the City, is greatly appreciated.

Please note that once a candidate is eliminated or elected to office, the candidate must dispose of the funds on deposit in his or her campaign account and file a campaign treasurer's report (termination report) reflecting the disposition of funds. A candidate required to dispose of surplus funds must dispose of such funds and file a termination report within **90 days after the candidate has been eliminated or elected to office, February 3, 2013**. I have enclosed a copy of page 51 of the Candidate and Campaign Treasurer Handbook, provided to you during qualifying, which provides information on the means by which you are permitted to dispose of surplus funds.

Should you have any questions, please do not hesitate to contact our office at (305) 883-5820.

Sincerely,

CITY OF HIALEAH, FLORIDA

Marbelys Fatjo, Esq.
Acting City Clerk

Chapter 18

Termination Reports

Once a candidate withdraws, becomes unopposed, is eliminated, or elected to office, he or she may **only** expend funds from the campaign account to:

1. Purchase "thank you" advertising for up to 75 days after he or she withdraws, becomes unopposed, is eliminated, or elected to office.
2. Pay for items which were obligated before he or she withdrew, became unopposed, was eliminated, or elected to office.
3. Pay for expenditures necessary to close down the campaign office and to prepare final campaign reports.
4. Dispose of surplus funds as provided in Section 106.141, F.S.

(Section 106.11(5), F.S.)

Prior to Disposing of Surplus Funds

A candidate may be reimbursed by the campaign for any previously reported contributions by the candidate to the campaign, in full or in part.

A candidate who filed an oath stating that he or she was unable to pay the election assessment or fee for verification of petition signatures without imposing an undue burden on his or her personal resources or on resources otherwise available to him or her, or who filed both such oaths, or who qualified by the petition method and was not required to pay an election assessment, must reimburse the state or local government entity, whichever is applicable, for such waived assessment or fee or both prior to disposing of any funds under the surplus provisions contained in Section 106.141(4), F.S. Such reimbursement must be made in the following order:

1. The cost of petition verification; and
2. If funds remain, the amount of the election assessment.

(Section 106.141, F.S.)

Disposing of Surplus Funds

Once a candidate withdraws, becomes unopposed, is eliminated, or elected to office, the candidate must dispose of the funds on deposit in his or her campaign account and file a campaign treasurer's report (termination report) reflecting the disposition of funds.

A candidate required to dispose of surplus funds must, at the option of the candidate, dispose of such funds within 90 days by any of the following means, or a combination thereof:

1. Return pro rata to each contributor the funds that have not been spent or obligated.

2. Donate the funds that have not been spent or obligated to a charity organization or organizations that meet the qualifications of Section 501(c)(3) of the Internal Revenue Code.
3. Give not more than \$10,000 of the funds that have not been spent or obligated to the political party of which such candidate is a member, except that a candidate for the Florida Senate may give not more than \$30,000 of such funds to the political party of which the candidate is a member.
4. Give the funds that have not been spent or obligated:
 - a. In the case of a candidate for state office, to the state to be deposited in the General Revenue Fund; or
 - b. In the case of a candidate for office of a political subdivision, to such political subdivision, to be deposited in the general fund thereof.
5. Transfer some funds to an office account (See Chapter 18, Office Accounts).

The termination report must include:

1. The name and address of each person or unit of government to whom any of the funds were distributed and the amounts thereof;
2. The name and address of each person to whom an expenditure was made together with the amount and purpose; and
3. The amount of such funds transferred to an office account together with the name and address of the bank in which the office account is located.

If a refund check is received after all surplus funds have been disposed of, the check may be endorsed by the candidate and the refund disposed of pursuant to Section 106.141, F.S. An amended termination report must be filed with the filing officer.

All reports must be signed by the candidate and the campaign treasurer and certified as true and correct.

(Section 106.141, F.S.)

Money from Separate Interest-Bearing Account or Certificate of Deposit

A campaign treasurer of any candidate who withdraws, becomes unopposed, or is eliminated, or elected to office, and who has funds on deposit in any interest-bearing account or certificate of deposit, must, within seven days, transfer such funds and accumulated interest earned thereon to the primary campaign account for disposal. However, when funds are in an account in which penalties will apply for withdrawal within the seven day period, the campaign treasurer must transfer such funds and accumulated interest earned thereon as soon as the funds can be withdrawn without penalty, or within 90 days after the candidate becomes unopposed, withdraws his or her candidacy, or is elected, or eliminated, whichever comes first.

VIA CERTIFIED MAIL - RETURN RECEIPT

February 18, 2014

Juan Santana
1190 West 56 Street
Hialeah, FL 33012

Dear Mr. Santana:

On February 4, 2014 the Office of the City Clerk received your Campaign Treasurer's Report (Termination Report). Since the report was due on February 3, 2014, it has been deemed one (1) day late. Pursuant to § 106.07(8)(b) of the Florida Statutes, I must impose a fine of \$50.00 per day for each day late, and not to exceed twenty-five (25) percent of the total receipts or expenditures, whichever is greater, for the period covered by the late report. In the present case, since the Termination Report you filed presently reflects a total of zero for the contributions and expenditures for the period covered by this report, you are not being assessed a fine at this time.

Please note that your report has been deemed incomplete, and I have accepted the report on a conditional basis. According to your reports as amended, you have a balance of eighty-seven dollars (\$87.00) in your campaign account that you have not disposed of or have failed to report how you disposed of the funds. Per section 106.141 of the Florida Statutes (2013) each candidate who is eliminated as a candidate shall within ninety (90) days, dispose of the funds on deposit in his or her campaign account and file a report reflecting the disposition of all remaining funds.

Per section 106.07(2)(b)1. of the Florida Statutes (2013), you must file an addendum to the report **within seven (7) days** after receipt of this notice, reflecting how you disposed of the eighty-seven dollars (\$87.00) left in your campaign account. Failure to file a complete report constitutes a violation of Chapter 106, Election Laws of the State of Florida.

If you have any questions, please do not hesitate to contact my office at 305-883-5820.

Sincerely,

CITY OF HIALEAH, FLORIDA

February 18, 2014

Juan Santana
1190 West 56 Street
Hialeah, FL 33012

Dear Mr. Santana:

On February 4, 2014 the Office of the City Clerk received your Campaign Treasurer's Report (Termination Report). Since the report was due on February 3, 2014, it has been deemed one (1) day late. Pursuant to § 106.07(8)(b) of the Florida Statutes, I must impose a fine of \$50.00 per day for each day late, and not to exceed twenty-five (25) percent of the total receipts or expenditures, whichever is greater, for the period covered by the late report. In the present case, since the Termination Report you filed presently reflects a total of zero for the contributions and expenditures for the period covered by this report, you are not being assessed a fine at this time.

Please note that your report has been deemed incomplete, and I have accepted the report on a conditional basis. According to your reports as amended, you have a balance of eighty-seven dollars (\$87.00) in your campaign account that you have not disposed of or have failed to report how you disposed of the funds. Per section 106.141 of the Florida Statutes (2013) each candidate who is eliminated as a candidate shall within ninety (90) days, dispose of the funds on deposit in his or her campaign account and file a report reflecting the disposition of all remaining funds.

Per section 106.07(2)(b)1. of the Florida Statutes (2013), you must file an addendum to the report **within seven (7) days** after receipt of this notice, reflecting how you disposed of the eighty-seven dollars (\$87.00) left in your campaign account. Failure to file a complete report constitutes a violation of Chapter 106, Election Laws of the State of Florida.

If you have any questions, please do not hesitate to contact my office at 305-883-5820.

Sincerely,

VIA CERTIFIED MAIL - RETURN RECEIPT

February 18, 2014

Juan Santana
1190 West 56 Street
Hialeah, FL 33012

Dear Mr. Santana:

On February 4, 2014 the Office of the City Clerk received your Campaign Treasurer's Report (Termination Report). Since the report was due on February 3, 2014, it has been deemed one (1) day late. Pursuant to § 106.07(8)(b) of the Florida Statutes, I must impose a fine of \$50.00 per day for each day late, and not to exceed twenty-five (25) percent of the total receipts or expenditures, whichever is greater, for the period covered by the late report. In the present case, since the Termination Report you filed presently reflects a total of zero for the contributions and expenditures for the period covered by this report, you are not being assessed a fine at this time.

Please note that your report has been deemed incomplete, and I have accepted the report on a conditional basis. According to your reports as amended, you have a balance of eighty-seven dollars (\$87.00) in your campaign account that you have not disposed of or have failed to report how you disposed of the funds. Per section 106.141 of the Florida Statutes (2013) each candidate who is eliminated as a candidate shall within ninety (90) days, dispose of the funds on deposit in his or her campaign account and file a report reflecting the disposition of all remaining funds.

Per section 106.07(2)(b)1. of the Florida Statutes (2013), you must file an addendum to the report **within seven (7) days** after receipt of this notice, reflecting how you disposed of the eighty-seven dollars (\$87.00) left in your campaign account. Failure to file a complete report constitutes a violation of Chapter 106, Election Laws of the State of Florida.

If you have any questions, please do not hesitate to contact my office at 305-883-5820.

Sincerely,

CITY OF HIALEAH, FLORIDA
