NOTICE OF HEARING (CONSENT ORDER)

A hearing will be held in this case before the Florida Elections Commission on, **August 16, 2016 at 9:00 am**, *or as soon thereafter as the parties can be heard*, at the following location: **Senate Office Building, 404 South Monroe Street, Room 110-S, Tallahassee, Florida 32399**

Failure to appear in accordance with this notice will constitute a waiver of your right to participate in the hearing. Continuances will be granted only upon a showing of good cause.

This hearing will be conducted pursuant to Section 106.25, Florida Statutes, which governs your participation as follows:

If you are the Respondent, you may attend the hearing, and you or your attorney will have *5 minutes* to present your case to the Commission. However, some cases (including those in which consent orders or recommendations for no probable cause are being considered) may be decided by an *en masse* vote and, unless you request to be heard or the Commission requests that your case be considered separately on the day of the hearing, your case will *not* be individually heard.

If you are the Complainant, you may attend the hearing, but you will *not* be permitted to address the Commission. In addition, some cases (including those in which consent orders or recommendations for no probable cause are being considered) may be decided by an *en masse* vote and, unless the Respondent requests to be heard or the Commission requests that the case be considered separately on the day of the hearing, the case will *not* be individually heard.

If you are an Appellant, and you have requested a hearing, you may attend the hearing, and you or your attorney will have *5 minutes* to present your case to the Commission.

Please be advised that both confidential and public cases are scheduled to be heard by the Florida Elections Commission on this date. As an Appellant, Respondent or Complainant in one case, you will *not* be permitted to attend the hearings on other confidential cases.

The Commission will electronically record the meeting. Although the Commission's recording is considered the official record of the hearing, the Respondent may provide, at his own expense, a certified court reporter to also record the hearing.

If you require an accommodation due to a disability, contact Donna Ann Malphurs at (850) 922-4539 or by mail at 107 West Gaines Street, The Collins Building, Suite 224, Tallahassee, Florida 32399, at least 5 days before the hearing.

See further instructions on the reverse side.

Amy McKeever Toman
Executive Director
Florida Elections Commission
August 1, 2016

Please refer to the information below for further instructions related to your particular hearing:

If this is a hearing to consider **an appeal from an automatic fine**, the Filing Officer has imposed a fine on you for your failure to file a campaign treasurer's report on the designated due date and, by filing an appeal, you have asked the Commission to consider either (1) that the report was in fact timely filed; or (2) that there were unusual circumstances that excused the failure to file the report timely. You are required to prove your case. If the Commission finds that the report was filed timely or that there were unusual circumstances that excused the failure, it may waive the fine, in whole or in part. The Commission may reduce a fine after considering the factors in Section 106.265, Florida Statutes. If the Commission finds that the report was not timely filed and there were no unusual circumstances, the fine will be upheld.

If this is a hearing to consider a **consent order before a determination of probable cause has been made**, the Commission will decide whether to accept or reject the consent order. If the Commission accepts the consent order, the case will be closed and become public. If the Commission rejects the consent order or does not make a decision to accept or deny the consent order, the case will remain confidential, unless confidentiality has been waived.

If this is a hearing to consider a **consent order after a determination of probable cause has been made**, the Commission will decide whether to accept or reject the consent order. If the Commission accepts the consent order, the case will be closed. If the Commission rejects the consent order or does not make a decision to accept or deny the consent order, the Respondent will be entitled to another hearing to determine if the Respondent committed the violation(s) alleged.

If this is a **probable cause hearing**, the Commission will decide if there is probable cause to believe that the Respondent committed a violation of Florida's election laws. Respondent should be prepared to explain how the staff in its recommendation incorrectly applied the law to the facts of the case. *Respondent may not testify, call others to testify, or introduce any documentary or other evidence at the probable cause hearing.* The Commission will only decide whether Respondent should be *charged* with a violation and, before the Commission determines whether a violation has occurred or a fine should be imposed, Respondent will have an opportunity for another hearing at which evidence may be introduced.

If this is an **informal hearing**, it will be conducted pursuant Sections 120.569 and 120.57(2), Florida Statutes; Chapter 28 and Commission Rule 2B-1.004, Florida Administrative Code. At the hearing, the Commission will decide whether the Respondent committed the violation(s) charged in the Order of Probable Cause. The Respondent will be permitted to testify. However the Respondent may not call witnesses to testify.

Respondent may argue why the established facts in the Staff Recommendation do not support the violations charged in the Order of Probable Cause. At Respondent's request, the Commission may determine whether Respondent's actions in the case were willful. The Respondent may also address the appropriateness of the recommended fine. If Respondent claims that his limited resources make him unable to pay the statutory fine, *he must provide the Commission with written proof of his financial resources* at the hearing. A financial affidavit form is available from the Commission Clerk.

STATE OF FLORIDA
FLORIDA ELECTIONS COMMISSION

In Re: John M. Hill
Case No. FEC 14-337

Respondent /
REQUEST FOR HEARING AND
RESPONSE TO PROBABLE CAUSE ORDER

Respondent requests an informal hearing by the Commission to resolve disputed issues of fact and to determine "willfulness" of alleged violations and for grounds therefor says:

1. The Complaint in this case relates to the P 7 report for the period August 9, 2014 to August 21, 2014, a

period of 13 days before the August 26, 2014 Primary election and Staff undertook to investigate four alleged violations involving "for" on signs, use of a bus and an in-kind contribution of use of two billboards. An *Investigation Report (IR) dated March 16, 2015 was filed and the Commission found probable cause for six Counts in spite of the constraints of F.S. 106.25 (2).*

Respondent suggests that the IR is grossly flawed and the probable cause findings are not supported by the facts of this case. For example, the Report does not consider the two elections- the Primary on Aug 26 and the General on November 4, 014. Then the Complaint and the IR assert that the

August 21 report should project four to six months in the future when there was no way to tell whether Dr. Hill would survive the Primary. F.S. 106.08 (1)(c) directs that the primary and general are separate elections. Some other of the specific flaws in the IR are as follows:

FOR IN THE SIGNS

- Please refer to IR exhibit 5, page 8 of 9 which is the Graphic Source invoice for the banner signs. It is made out to "Dr, John Hill for School Board" and the description of the order is "Dr John Hill for Volusia county School Board" (emphasis added). Paragraph 30 of the IR says that a representative of the sign company admits the inadvertent error, that they immediately made corrective' for ' signs and they were posted the same day as the signs were put up (or the next day) It seems very clear that Dr. Hill had the error corrected as soon as he learned of it.

IN-KIND VALUES

The IR makes various assumptions regarding the value and duration of the Bus and billboards but the P7 report is for the 13 days of the Primary election and staffs analogy to commercial bus advertising is way off base. Dr. Hill borrowed an old school bus that was parked stationary to display a banner sign. Two trees or two posts if properly located would have done the same job although the bus conveyed an additional message but there is no comparison to commercial bus advertising running through and about the Cities. F.S. 106.055 provides that the donor of the in-kind contribution value the item but staff did not pursue the donor and thus that issue fails of proof.

BILLBOARDS

Dr. Hill used his own billboards for a period and reported them in the 9/27 -10/3 Report. Here again, staff confuses the primary report with the general election report and seeks to show an excessive donation without regard to the two election rule and ignoring that the candidate was making the in-kind donation. He paid for the production and properly reported that as \$479.26 on 8/18/14 when the bill was paid. Dr. Hill practices as WVFSM and it is he who leases the signs. See Outfront Media invoices, IR Ex. 5 pages 4 to 9. The invoices are issued to Dr. Hill who is the Candidate with no limitations on his own contributions. F.S. 106.08 (1)(b). So in reality the value of the billboards is irrelevant and no violation is shown by Paragraphs 13 through 15 of the IR.

CONCLUSION. Analysis of the facts of this case are very time consuming and somewhat confused by the Investigation Report. The bottom line is that the Candidate and the Treasurer made every effort to comply with the law and the Legislature has made it clear that Ch. 106 is not a "gotcha" statute designed as a trap for those who dare to venture into the political arena. The statutes use the words "knowing", "willful", "deliberate" to exclude innocent errors and there are provisions in the laws to notify a candidate of any omission and allow time for correction. See F.S. 106.07 (2)(b). Also, the Courts have set the standard requiring an in-depth examination of all the facts and circumstances to understand the underlying nature of the circumstances to determine whether the acts were knowingly willful. Executive Director
Florida Elections Commission

Please refer to the information below for further instructions related to your particular hearing:

If this is a hearing to consider **an appeal from an automatic fine**, the Filing Officer has imposed a fine on you for your failure to file a campaign treasurer's report on the designated due date and, by filing an appeal, you have asked the Commission to consider either (1) that the report was in fact timely filed; or (2) that there were unusual circumstances that excused the failure to file the report timely. You are required to prove your case. If the Commission finds that the report was filed timely or that there were unusual circumstances that excused the failure, it may waive the fine, in whole or in part. The Commission may reduce a fine after considering the factors in Section 106.265, Florida Statutes. If the Commission finds that the report was not timely filed and there were no unusual circumstances, the fine will be upheld.

If this is a hearing to consider a **consent order before a determination of probable cause has been made**, the Commission will decide whether to accept or reject the consent order. If the Commission accepts the consent order, the case will be closed and become public. If the Commission rejects the consent order or does not make a decision to accept or deny the consent order, the case will remain confidential, unless confidentiality has been waived.

If this is a hearing to consider a **consent order after a determination of probable cause has been made**, the Commission will decide whether to accept or reject the consent order. If the Commission accepts the consent order, the case will be closed. If the Commission rejects the consent order or does not make a decision to accept or deny the consent order, the Respondent will be entitled to another hearing to determine if ~~the Respondent committed the violation(s) alleged.~~

If this is a **probable cause hearing**, the Commission will decide if there is probable cause to believe that the Respondent committed a violation of Florida's election laws. Respondent should be prepared to explain how the staff in its recommendation incorrectly applied the law to the facts of the case. *Respondent may not testify, call others to testify, or introduce any documentary or other evidence at the probable cause hearing.* The Commission will only decide whether Respondent should be *charged* with a violation and, before the Commission determines whether a violation has occurred or a fine should be imposed, Respondent will have an opportunity for another hearing at which evidence may be introduced.

If this is an **informal hearing**, it will be conducted pursuant Sections 120.569 and 120.57(2), Florida Statutes; Chapter 28 and Commission Rule 2B-1.004, Florida Administrative Code. At the hearing, the Commission will decide whether the Respondent committed the violation(s) charged in the Order of Probable Cause. The Respondent will be permitted to testify. However the Respondent may not call witnesses to testify.

Respondent may argue why the established facts in the Staff Recommendation do not support the violations charged in the Order of Probable Cause. At Respondent's request, the Commission may determine whether Respondent's actions in the case were willful. The Respondent may also address the appropriateness of the recommended fine. If Respondent claims that his limited resources make him unable to pay the statutory fine, *he must provide the Commission with written proof of his financial resources* at the hearing. A financial affidavit form is available from the Commission Clerk.

FLORIDA ELECTIONS COMMISSION

In Re: John M. Hill

Case No.: FEC 14-337

STAFF RECOMMENDATION FOLLOWING INVESTIGATION

Pursuant to Section 106.25(4)(c), Florida Statutes, undersigned staff counsel files this written recommendation for disposition of the sworn complaint in this case recommending that there is **probable cause** to charge Respondent with violating **Sections 106.07(5), 106.143(6), 106.19(1)(a), and 106.19(1)(c), Florida Statutes**. Based upon a thorough review of the Report of Investigation submitted on March 16, 2015, the following facts and law support this staff recommendation:

1. On October 2, 2014, the Florida Elections Commission ("Commission") received a sworn complaint from Chris Sorensen ("Complainant"), alleging that John M. Hill ("Respondent") violated Chapter 106, Florida Statutes.

2. Respondent was a 2014 candidate for Volusia County School Board, District 1 (ROI Exhibit 14)¹

3. By letter dated November 26, 2014, the Executive Director notified Respondent that Commission staff would investigate the following statutory provisions:

Section 106.07(5), Florida Statutes: John Hill, 2014 candidate for the Volusia County School Board, District 1, certified that one or more of his campaign treasurer reports was true, correct, and complete when they were not, as alleged in the complaint.

Section 106.143(6), Florida Statutes: John Hill, 2014 candidate for the Volusia County School Board, District 1, posted political advertisements without the word "for" between his name and the office for which he was running, although he was not an incumbent candidate, as alleged in the complaint.

Section 106.19(1)(a), Florida Statutes: John Hill, 2014 candidate for the Volusia County School Board, District 1, accepted contributions in excess of the limits prescribed by Section 106.08(3)(b), Florida Statutes,² as alleged in the complaint.

¹ The Report of Investigation is referred to herein as "ROI "

² The complaint generally references Section 106.08, Florida Statutes. Commission staff investigated a Section 106.19(1)(a), Florida Statutes violation without specific reference to Section 106.08(3)(b), Florida Statutes, as the reference is a scrivener's error.

Section 106.19(1)(c), Florida Statutes: John Hill, 2014 candidate for the Volusia County School Board, District 1, falsely reported or deliberately failed to include information in one or more campaign reports required by Chapter 106, Florida Statutes, as alleged in the complaint.

4. Complainant alleged that Respondent violated Florida's election laws by certifying that the campaign's 2014 P7 Report was true, correct, and complete when it was not, by deliberately failing to include information required by Chapter 106, Florida Statutes, by failing to include the word "for" between Respondent's name and the office for which Respondent was running, on political advertisements, and by accepting contributions in excess of the limits prescribed by Section 106 08, Florida Statutes.

Alleged Violation: Section 106.07(5), Florida Statutes

5. Complainant alleged that Respondent violated Florida's election laws by certifying that the campaign's 2014 P7 Report was true, correct, and complete when it was not. More specifically, Complainant alleged that Respondent's report does not disclose the correct fair market value of two billboard political advertisements and the correct value of a political advertisement published on the side of a bus.

6. The campaign's 2014 P7 Report covers the period of August 9-21, 2014. The report reflects an in-kind contribution from "W. Vol. Family & Sports Med." on August 18, 2014 in the amount of \$479.26 with the description "billboard campaign advertisements x2." The report also reflects an expenditure to "Graphic Source" for the purpose of "campaign printing: banners and t-shirts" on August 11, 2014 in the amount of \$749.98. (ROI Exhibit 3)

7. Respondent is the president of West Volusia Family and Sports Medicine, Inc. ("WVFSM") Respondent stated that the value of the two billboard political advertisements was determined by asking WVFSM's manager what the company pays to the owner of the billboard to design and display an advertisement. Respondent stated that the value of the bus advertisement was determined by Graphic Source and reflected in Invoice No : 03352697. (ROI Exhibit 5, page 2) Respondent stated that the campaign did not rent the space on the side of the bus that displayed the campaign's political advertisement. (ROI Exhibit 5, page 3)

8. Respondent's treasurer, Allan Gilliard, stated that the bus was owned by Stuff N Thangs, LLC. Mr. Gilliard stated that the company gave permission to place the banner on the side of the bus and park the bus on Respondent's property. (ROI Exhibit 6, page 2) Commission staff attempted to contact Robert Booth, Managing Member, Stuff N Thangs, LLC, on multiple occasions regarding the cost for the use of the bus but Mr. Booth failed to respond (Attachment A, Phone Log Entries 10, 11, 21)

9. Complainant alleged that the political advertisements were displayed for a six week period and were published before the primary election. (ROI Exhibits 1-2; Attachment A, Phone Log Entry 5) The billboards were leased by WVFSM through Outfront Media. Outfront

Media provided invoices for three separate contracts. (ROI Exhibits 8-10) Sandra Castro of Outfront Media stated that contract #1603475 and 1603475A show the cost for leasing two billboards and contract #1728258 shows the cost for printing the vinyl banners that covered the two billboards. (Attachment A, Phone Log Entry 20) The only invoice reported on the campaign's 2014 P7 Report was that pertaining to contract #1728258 for the cost of the banners. (ROI Exhibit 3, page 2; ROI Exhibit 10)

10. Respondent stated that he corrected the report to reflect the in-kind contributions for the billboards (ROI Exhibit 4) Respondent's treasurer stated that he reviewed the reports and determined that all reports were properly filed with the exception of the 2014 P1 Report. (ROI Exhibit 6, pages 3 & 5)

11. Respondent stated that WVFSM owns one of the billboards that were used for the campaign so there was no additional cost to the campaign for its use. (Attachment A, Phone Log Entries 1 & 25) Respondent also stated that the in-kind contribution from Stuff N Thangs, LLC was reported in the campaign's "November Report" (Attachment A, Phone Log Entry 25) A review of the campaign treasurer's reports does not reflect an in-kind contribution from Stuff N Thangs, LLC for the use of the bus nor was any report amended to reflect the in-kind contributions for the billboards. (Attachment B)

12. It appears that Respondent certified that the campaign's 2014 P7 Report was true, correct, and complete when it was not. Respondent disclosed the in-kind contribution from WVFSM for the banners but failed to disclose the in-kind contributions for the lease of the two billboards. Respondent also disclosed an expenditure to Graphic Source for the bus banner but failed to disclose the in-kind contribution for the use of the bus from Stuff N Thangs, LLC

Alleged Violation: Section 106.19(1)(c), Florida Statutes

13. Complainant alleged that Respondent violated Florida's election laws by deliberately failing to include information required by Chapter 106, Florida Statutes.

14. WVFSM paid for and published two billboards (for a six week period) containing political advertisements expressly advocating for Respondent's election. Respondent disclosed an in-kind contribution from WVFSM for the printing of the banners to cover the billboards (ROI Exhibit 3, page 2) Respondent stated that WVFSM owns one of the billboards that were used for the campaign so there was no additional cost to the campaign for its use. (Attachment A, Phone Log Entries 1 & 25) However, WVFSM received invoices from Outfront Media for the use of the billboards, and therefore, Respondent knew the value of the billboards but deliberately failed to include that information in his campaign treasurer's reports.

15. With regard to the lease of the bus, Respondent stated that he did not rent space on the side of the bus that displayed the campaign's political advertisement. (ROI Exhibit 5, page 3) Respondent's treasurer, Allan Gilliard, stated that the bus was owned by Stuff N Thangs, LLC. Mr. Gilliard stated that the company gave permission to place the banner on the side of the bus and park the bus on Respondent's property. (ROI Exhibit 6, page 2) Commission staff attempted to contact Robert Booth, Managing Member, Stuff N Thangs, LLC, on multiple

occasions regarding the cost for the use of the bus but Mr Booth failed to respond. (Attachment A, Phone Log Entries 10, 11, 21)

16. During Respondent's campaign he reported 31 in-kind contributions. (Attachment B) Respondent knew what constitutes an in-kind contribution and how to report in-kind contributions. It appears that Respondent deliberately failed to include information on the campaign treasurer's reports when Respondent failed to disclose the in-kind contribution for the use of the bus from Stuff N Thangs, LLC.

Alleged Violation: Section 106.19(1)(a), Florida Statutes

17. Complainant alleged that Respondent violated Florida's election laws by accepting contributions in excess of the limits prescribed by Section 106.08, Florida Statutes. More specifically, Complainant alleged that Respondent accepted in-kind contributions of two billboards with a fair market value of \$1,825 from WVFSM.

18. Under Section 106.19(1)(a), Florida Statutes, a candidate who knowingly and willfully accepts a contribution in excess of \$1,000 commits a violation of Florida's election laws. The contribution limit applies to each election, with the primary and general election being treated as separate elections so long as the candidate is not unopposed. The race for Volusia County School Board, District 1, had a general election on August 26, 2014, with a runoff election on November 4, 2014.

19. Complainant alleged that the two billboard political advertisements were displayed for a six week period and were published before the primary election. (ROI Exhibit 1; Attachment A, Phone Log Entry 5) The billboards were leased by WVFSM from Outfront Media. Sandra Castro of Outfront Media stated that contract #1603475 and 1603475A show the cost for leasing the two billboards. (Attachment A, Phone Log Entry 20)

20. Outfront Media provided invoices from July 7, 2014 through October 12, 2014 showing the cost of \$500 per month per billboard. (ROI Exhibits 8-9) Therefore, the approximate cost to lease one billboard would be \$125 per week. Thus, the total in-kind contribution made to Respondent's campaign would be approximately \$1,500 as there were two billboards which displayed political advertisements for a six week period.

21. Respondent also reported receiving the following contributions from WVFSM as set forth in the table below. (Attachment B)

Contributions from West Volusia Family and Sports Medicine, Inc.				
Date	Amount	Type	Reported	Election
6/24/14	\$400.00	Check	2014 P2	General
8/18/14	\$479.26	In-kind	2014 P7	General
~8/18/14 (6 weeks)	~\$1,500.00	In-kind	Failed to Report	General & Runoff
9/30/14	\$958.52	In-kind	2014 G4	Runoff
10/27/14	\$479.26	In-kind	2014 G7	Runoff

22. Respondent accepted approximately \$3,817.04 in contributions from WVFSM during his campaign in violation of Section 106.19(1)(a), Florida Statutes.

23. Commission staff also investigated the cost for the use of the bus from Stuff N Thangs, LLC. Commission staff tried to contact Robert Booth, Managing Member, Stuff N Thangs, LLC, on multiple occasions regarding the cost for the use of the bus but Mr. Booth failed to respond (Attachment A, Phone Log Entries 10, 11, 21). Commission staff obtained various quotes regarding bus advertising space and determined that it could range from \$150 to \$4,500 for a four week period (ROI Exhibit 11).

24. Respondent reported a check contribution from Stuff N Thangs, LLC on June 24, 2014, in the amount of \$825.00 (Attachment B). Using the lowest unit price of \$150 for a four week period, the approximate cost for the rental of the bus for a six week period would be \$225. Therefore, it appears that Respondent accepted a contribution in excess of the limits prescribed by Section 106.08, Florida Statutes, from Stuff N Thangs, LLC.

Alleged Violation: Section 106.143(6), Florida Statutes

25. Complainant alleged that Respondent violated Florida's election laws by failing to include the word "for" between Respondent's name and the office for which Respondent was running, on political advertisements.

26. The political advertisement at issue is a banner displayed on the side of a bus which contains language that expressly advocates for the election of a candidate: "Dr. John HILL School Board District 1 Career Training – Job Opportunities – Limit Testing" (ROI Exhibit 2).

27. Miranda Cartner of Graphic Source stated that Respondent reviewed the banner before it was published. Ms. Cartner stated that according to the artwork the word "for" was to be published on the banner. (Attachment A, Phone Log Entry 8). Graphic Source failed to provide the original artwork for the bus banner but did provide pictures of the final product with the "for" stickers added. (ROI Exhibit 12).

28. Ruth Vines of Graphic Source confirmed that stickers were made with the word “for” and added to the bus banner after it was attached to the bus. Ms. Vines stated that the stickers were printed either the day the banner was attached to the bus or the day after. (Attachment A, Phone Log Entry 9)

29. Respondent stated that the graphic designer immediately added the word “for” and that the word “for” was part of the graphic that was requested. (ROI Exhibit 4) Respondent stated that the omission of the word “for” on the bus advertisement was an oversight and that he had stickers printed to fix the advertisement. (Attachment A, Phone Log Entry 25)

30. Respondent, who was not the incumbent, failed to include the word “for” between his name and the office for which he was running, on a political advertisement.

31. The billboard political advertisements also contain express advocacy and fail to include the word “for” between Respondent’s name and the office for which Respondent was running. However, the billboard political advertisements were in-kind contributions from WVFSM, and therefore, Respondent is not liable for the wording of the political advertisements.

32. “Probable Cause” is defined as reasonable grounds of suspicion supported by circumstances sufficiently strong to warrant a cautious person in the belief that the person has committed the offense charged. *Schmitt v. State*, 590 So. 2d 404, 409 (Fla. 1991). Probable cause exists where the facts and circumstances, of which an [investigator] has reasonably trustworthy information, are sufficient in themselves for a reasonable man to reach the conclusion that an offense has been committed. *Department of Highway Safety and Motor Vehicles v. Favino*, 667 So. 2d 305, 309 (Fla. 1st DCA 1995).

33. The facts set forth above show that Respondent was a 2014 candidate for Volusia County School Board, District 1. It appears that Respondent certified that the campaign’s 2014 P7 Report was true, correct, and complete when it was not as Respondent failed to disclose the in-kind contributions for the lease of the two billboards and the in-kind contribution for the use of the bus from Stuff N Thangs, LLC. It appears that Respondent deliberately failed to report the in-kind contributions for the lease of the two billboards and the in-kind contribution for the use of the bus from Stuff N Thangs, LLC. Respondent also accepted contributions in excess of the limits prescribed by Section 106.08, Florida Statutes, from West Volusia Family & Sports Medicine, Inc., and Stuff N Thangs, LLC. Respondent, who was not the incumbent, also failed to include the word “for” between his name and the office for which he was running, on a political advertisement.

Based upon these facts and circumstances, I recommend that the Commission find probable cause to charge Respondent with violating the following:

Count 1:

On or about August 21, 2014, John M. Hill violated Section 106.07(5), Florida Statutes, when he certified that the campaign’s 2014 P7 Report was true, correct, and complete when it was not.

Count 2:

On or about August 21, 2014, John M. Hill violated Section 106.19(1)(c), Florida Statutes, when he deliberately failed to include information required by Chapter 106, Florida Statutes.

Count 3:

On or about August 21, 2014, John M. Hill violated Section 106.19(1)(c), Florida Statutes, when he deliberately failed to include information required by Chapter 106, Florida Statutes.

Count 4:

On or about August 18, 2014, John M. Hill violated Section 106.19(1)(a), Florida Statutes, when he accepted contributions in excess of the limits prescribed by Section 106.08, Florida Statutes.

Count 5:

On or about August 18, 2014, John M. Hill violated Section 106.19(1)(a), Florida Statutes, when he accepted contributions in excess of the limits prescribed by Section 106.08, Florida Statutes.

Count 6:

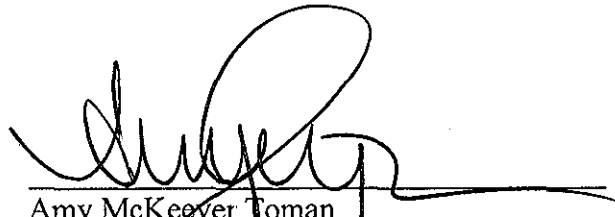

On or about August 18, 2014, John M. Hill violated Section 106.143(6), Florida Statutes, when he failed to include the word "for" between his name and the office for which he was running, on a political advertisement, although he was not the incumbent.

Respectfully submitted on April 13, 2015.

She stated that they do not have packages; they try to tailor the advertising to the needs of each client. She stated that the City of Orlando and Orange County do not deal with candidates or political advertising. I asked about their rates for private businesses. She stated the cost would vary depending on the number of units (buses) and the length of time. She stated that for a single unit (one bus), a single side for 12 weeks (the minimal amount of time a company can lease the buses) the cost would be about \$1648, non-profit corporations would get a discount; therefore, the cost would be about \$1150. I asked her what she thought the average market value would be; she answered, "Between \$800 - \$1200."

FLORIDA ELECTIONS COMMISSION
REPORT OF INVESTIGATION
Case No.: FEC 14-337

Respondent: John M. Hill

Complainant: Chris Sorensen

On October 2, 2014, the Florida Elections Commission received a sworn complaint alleging that Respondent violated Chapter 106, Florida Statutes. Commission staff investigated whether Respondent violated the following statutes:

Section 106 07(5), Florida Statutes, prohibiting a candidate from certifying to the correctness of a campaign treasurer's report that is incorrect, false, or incomplete;

Section 106 143(6), Florida Statutes, failure of a candidate who is not the incumbent to include the word "for" in his political advertisement between his name and the office for which he is running;

Section 106 19(1)(a), Florida Statutes, prohibiting a person or organization from accepting a contribution in excess of the legal limits; and

Section 106 19(1)(c), Florida Statutes, prohibiting a person or organization from falsely reporting or deliberately failing to report information required by Chapter 106, Florida Statutes.

I. Preliminary Information:

1. Respondent was a candidate for the Volusia County School Board, District 1. He faced Don Sarro in a run-off election on November 4, 2014. Respondent won; he received 56.25% of the vote.

2. Complainant was a candidate for the Volusia County School Board, District 1; he was defeated in the August 26, 2014 primary election.

II. Alleged Violation of Section 106.07(5), Florida Statutes:

3. I investigated whether Respondent violated this section of the election laws by certifying that his 2014 P7 Report was true, correct and complete when it was not.

4. According to Complainant, Respondent reported an in-kind contribution from West Volusia Family & Sports Medicine (Respondent's business) for \$479.26 for two billboards. Complainant stated that the fair market value of the billboard advertisements is \$1825. Complainant stated that the billboards had been displayed for six weeks. Complainant provided copies of Respondent's billboard advertisements. To review the pictures of the billboards, refer to Exhibit 1.

5. Complainant also stated that Respondent "failed" to correctly report the value of an ad displayed on the side of a bus. Complainant stated that the advertisement on the bus also

had been displayed for six weeks. To review pictures of the bus, refer to Exhibit 2.

6. Respondent filed the 2014 P7 Report with the filing officer on August 21, 2014. The report covered the period from August 9, 2014 through August 21, 2014; he certified that the report was true, correct and complete. To review the 2014 P7 Report, refer to Exhibit 3.

7. The issues regarding billboards and the bus advertisement will be discussed in the paragraphs that follow.

Billboard

8. The 2014 P7 Report discloses an in-kind contribution from W. Vol Family & Sports Med. for \$479 26 for "billboards campaign advertisements x2". To review the 2014 P7 Report, refer to Exhibit 3.

9. On October 28, 2014, Respondent submitted a written response to the complaint via email. Respondent stated, "Mr. Sorensens (sic) claims are false and the treasurers report was corrected¹ to reflect the in-kind contributions for the billboards. They were split between the primary and the general elections." To review the written response, refer to Exhibit 4.

10. I sent affidavits to Respondent and his treasurer regarding the issues in the complaint. Respondent submitted his affidavit on February 27, 2015. Respondent stated that the value of the in-kind contribution for the billboard advertisements was based upon the cost that the W. Vol. Family & Sports Med. office manager reported paying monthly for the design and display of the billboards. Respondent also stated that the billboard advertisements were designed by Marion Daly. To review Respondent's affidavit with attachments, refer to Exhibit 5.

11. Respondent's treasurer, Mr. Allan Gilliard, reiterated that the in-kind value was based upon the "monthly price WVSM paid the owner of the billboard to design/display the billboard ad." When asked about corrective actions, Mr. Gilliard responded, "it was determined that all financial reports were properly and appropriately recorded with the County of Volusia. The complaint was misstated by the candidate's opponent or the supporter of the candidate's opponent in an attempt to disqualify Mr. Hill [Respondent]." To review Mr. Gilliard's affidavit with attachments, refer to Exhibit 6.

12. On March 5, 2015, I interview Mr. Daly² by telephone. Mr. Daly admitted that he designed the billboard ads for Respondent. He stated that it took him about 10 or 15 minutes to do on the computer. He stated that the design wasn't anything fancy. Mr. Daly agreed to provide a copy of the artwork for the billboard. The billboard reads, "John Hill School Board District 1 Career Training*Job Opportunities*Limit Testing". He stated, "Technology is my thing, not design." He stated he did not charge Respondent for the design. He added that he was just a campaign volunteer who was trying to help out. To review the artwork provided by Mr. Daly, refer to Exhibit 7.

13. I also contacted CBS Outdoor, the company that leases the billboards to Respondent's business. I spoke with Sandra Castro. I questioned her about the cost of leasing the billboards to verify whether the amount reported (\$479 26) was correct. She agreed to send me the invoices for leasing the billboards from July through December. The table below reflects

¹ Although Respondent's written statement states that the "report was corrected," I checked and did not find any evidence that Respondent amended the report.

² Mr. Daly teaches middle school.

the information from the invoices for the two billboards for Respondent's business.

To review the invoices for contract #1603475, refer to Exhibit 8. To review the invoices for contract #160375 A, refer to Exhibit 9.

14. Ms. Castro also provided a copy of contract # 1728258, dated August 28, 2014, for the billing period of "August 4, 2014 – August 4, 2014." The amount of the invoice is \$479.26. Ms. Castro explained that this invoice showed the cost of printing the vinyl for the billboard, not for leasing the billboards. To review contract #1728258, refer to Exhibit 10

15. It appears that Respondent reported the cost of printing the vinyl to cover the billboards but did not report the cost of leasing the billboards. If the billboards cost \$500 per month to lease; it would cost \$125 weekly. If Respondent leased the two billboard for six weeks (as Complainant suggested), the cost for leasing the two billboards would total \$1500 and the cost for leasing and printing would be \$1979.26. Therefore, the contribution from Respondent's business would be \$1979.26.

Bus

16. The 2014 P7 Report does not disclose an expenditure for the "bus advertisement"; however, the report lists an expenditure to Graphic Source on August 11, 2014, for \$749.98 for "campaign printing: banners and t-shirts." To review the 2014 P7 Report, refer to Exhibit 3.

17. Respondent stated in his written statement that the bus art work is not painted but was printed and attached on a large vinyl poster. To review Respondent's written response, refer to Exhibit 4.

18. Respondent stated in his affidavit, when asked about the cost of the bus, that he reported the amount invoiced from Graphic Source (\$749). When asked about the cost of the rental of the space on the bus, he referred back to the invoice from Graphic Source. To review Respondent's affidavit, refer to Exhibit 5

19. According to Mr. Gilliard, "The bus ad value was based on the cost the campaign paid to the banner design company Graphic Source. The bus is owned by Stuff N Thangs, LLC whom was given permission to park the bus on the candidate's property, while out of town. The bus owner gave the campaign permission to hang a banner on the side of the bus." To review Mr. Gilliard's affidavit, refer to Exhibit 6.

20. Several attempts were made to contact Mr. Robert Booth, owner of Stuff N Thangs, LLC. However, all attempts were unsuccessful.

21. On March 2, 2015, I interviewed Miranda Cartner, Graphic Source, regarding the bus advertisement. Ms. Cartner acknowledged that Graphic Source did the banner for Respondent's campaign. She stated that the \$749 was for the design of the banner and the banner. She explained that they mounted the sign on the bus but Respondent provided the bus. She stated that she did not know who owned the bus. She explained that their office had nothing to do with the leasing of the space on the side of the bus.

22. Since Respondent did not provide the value for leasing the space on the side of the bus, I researched the issue on the Internet. One site, Transit Advertising stated that the cost for leasing the exterior of the bus ranged from \$150 - \$4500 per ad per 4 week period. Another site, Answers.com, stated that in large markets the cost would range from \$600 - \$900 per bus per 4 week period. To review the printouts from the web pages, refer to Exhibit 11.

23. I also called Ms. Susan Darden, Direct Media USA³ in Orlando, Florida, to get a price quote for leasing the side of a bus. Ms. Darden explained that they had a minimum 12 weeks lease requirement. She stated for a single side of the bus the cost would range from \$800 - \$1200.

24. It appears that Respondent disclosed the cost to print the banner for the side of the bus but did not disclose the cost to lease the side of the bus for advertising. Therefore, it appears Respondent did not report an in-kind contribution from Stuff N Thangs for the cost of leasing the side of the bus, which could range in price from \$150 to \$4500.

25. No record of Respondent having previously violated this section of the election laws was found.

III. Alleged Violation of Section 106.143(6), Florida Statutes:

26. I investigated whether Respondent violated this section of the election laws by not including the word "for" between his name and the title of the office for which he was running on the school-bus advertisements.

27. As previously discussed, Respondent published banners that were mounted on the side of a bus. The banners read, "Dr. John Hill School Board District 1 Career Training – Job Opportunities – Limit Testing." To review a photo of the bus advertisement, refer to Exhibit 2.

28. On December 1, 2014, I interviewed Respondent by telephone. He stated that there was a small mix up with the signs not having the word "for" on them; but the printer made stickers that were added to the signs.

29. On March 1, 2015, I interviewed Miranda Cartner, Graphic Source, by telephone. I asked her if Respondent reviewed the sign before it was published. She answered affirmatively. She stated that it was their normal practice to send the artwork to the client for review before the ad is published.

30. I also interviewed Ruth Vines, Graphic Source, Ms. Vines confirmed that stickers were made with the word "for" and added them to the banner after the banner was posted on the bus. She stated that the omission of the word was an inadvertent error. She stated that Respondent called and informed them of the problem. She stated that they printed the stickers and added them to the signs. She stated that the correction was either the day they mounted the

³ Direct Media USA was the closest privately owned vendor to Volusia County listed on a Google search that rented the space on the exterior of their buses.

sign on the bus or the next day. Ms. Vines provided copies of art work for the signs, refer to Exhibit 12.

31. It should also be noted that the billboard advertisements do not contain the word "for" between Respondent's name and the office sought. The billboard reads, "John Hill School Board District 1 Career Training*Job Opportunities*Limit Testing. As previously discussed in paragraph 12 of this report of investigation, the advertisement was designed by Mr. Daly, a middle school teacher. He stated he was just trying to help out the campaign. To review the artwork provided by Mr. Daly, refer to Exhibit 7.

32. No record of Respondent having previously violated this section of the election laws was found.

IV. Alleged Violation of Section 106.19(1)(a), Florida Statutes:

33. I investigated whether Respondent violated this section of the election laws by accepting a contribution that exceeded the legal limit from his business.

34. According to Complainant, Respondent did not report the fair-market value of two billboard advertisements from his business.

35. As previously discussed, Respondent received an in-kind contribution from his business for two billboard advertisements.

36. To review information pertaining to this section of law, refer paragraphs 8 through 15.

37. No record of Respondent having previously violated this section of the election laws was found.

V. Alleged Violation of Section 106.19(1)(c), Florida Statutes:

38. I investigated whether Respondent violated this section of the election laws by falsely reporting or failing to report the cost of two billboard advertisements and a bus advertisement.

39. To review the information pertaining to this section of law, refer to paragraphs 8 through 24.

40. No record of Respondent having previously violated this section of the election laws.

VI. FEC History:

41. Respondent has no prior cases before the Commission.

Conclusion:

42. On March 12, 2015, I interviewed Respondent by telephone. I summarized the issues addressed in the Report of Investigation and asked if he had any final comments. He stated that he did not report a cost to lease the billboards because his office always leased the billboards; therefore, there was not an additional cost. He stated the cost of leasing the bus was reported on the "November Report"⁴

⁴ I reviewed all contributions listed on the supervisor of elections web site under Respondent's name. I did not see an in-kind contribution from Stuff N Thangs, LLC. listed; however, there is an in-kind contribution from Robert

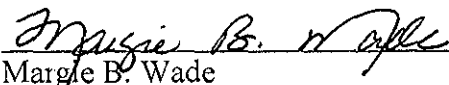

43. When I asked Respondent about the omission of the word "for" in his political advertisements, he stated that it was an oversight. He stated that he had stickers printed for the bus but he couldn't do anything about the billboards because they were 100 ft. in the air.

44. According to the filing officer, Respondent is a first-time candidate. According to the filing officer, Respondent received Chapter 106, Florida Statutes and the *2013 Candidate and Campaign Treasurer Handbook*. To review the Affidavit of Filing Officer, refer to Exhibit 13.

45. According to Respondent, he has not received or read Chapter 106, Florida Statutes. He acknowledged that he received and read the *Handbook for Candidates and Campaign Treasurers*. When asked what he did to determine his responsibilities, Respondent stated that he "Researched financial requirements and record keeping with the State of Florida; Consulted the Campaign Manager and the Candidate Services Representative with the Volusia County Supervisor of Elections." To review Respondent's affidavit, refer to Exhibit 5.

46. On March 6, 2014, Respondent signed the Statement of Candidate form certifying that he had been provided access to read and understand the requirements of Chapter 106, Florida Statutes. To review the Statement of Candidate form, refer to Exhibit 14.

Respectfully submitted on March 16, 2015.

This is my response to complaint filed by Chris Sorensen 5th place in Primary for school board District 1. Mr. Sorensens claims are false and the treasurers report was corrected to reflect the in kind contributions for the billboards. They were split between the primary election and the general election. Secondly, the bus art work is not painted but was printed and attached on a large vinyl poster. The graphic artist immediately added the word for and apologized as this was part of the graphic requested. The treasurer has been counseled and made all corrective actions.

Get mass transit ads in over 250 cities with a single national transit advertising agency. Also defined as public or municipal transportation advertising space transit advertisements are an excellent medium to reach the general public. Transit signs are located inside and outside of city/county and municipal public transportation vehicles/stations and terminals (In some cities, this ad format is referred to as MTA advertising or Metro advertising.) Because of their great visibility and low transit media rates, renting public transit displays produces lots of impressions at a low CPM

Public transportation advertisement signs (including, by definition, transit stop ads or transit shelter ads) come in several forms, all of which are listed under the Products section below. Statistics show that transit advertising costs are low compared to other media.

Businesses excel with this ad format for a simple reason: the use of a local transit advertising company to place ads in multiple cities delivers lots of impressions at a low cost.

With the growth of DVR use, advertising on transit media space has grown in popularity. And at reduced transit advertising rates. One of the advantages of renting transit media is that because the target demographic can't fast forward through transit ads like they can with TV commercials, they are more impactful. And they are highly effective in garnering large numbers of gross impressions because of high traffic counts for many locations.

RE: Case No.: FEC 14-337; Respondent: John M. Hill

Dear Mr. Hill:

On October 2, 2014, the Florida Elections Commission received a complaint alleging that you violated Florida's election laws. I have reviewed the complaint and find that it contains one or more legally sufficient allegations. The Commission staff will investigate the following alleged violations:

Section 106.07(5), Florida Statutes: John Hill, 2014 candidate for the Volusia County School Board, District 1, certified that one or more of his campaign treasurer reports was true, correct, and complete when they were not, as alleged in the complaint.

Section 106.143(6), Florida Statutes: John Hill, 2014 candidate for the Volusia County School Board, District 1, posted political advertisements without the word "for" between his name and the office for which he was running, although he was not an incumbent candidate, as alleged in the complaint.

Section 106.19(1)(a), Florida Statutes: John Hill, 2014 candidate for the Volusia County School Board, District 1, accepted contributions in excess of the limits prescribed by Section 106.08(3)(b), Florida Statutes, as alleged in the complaint.

Section 106.19(1)(c), Florida Statutes: John Hill, 2014 candidate for the Volusia County School Board, District 1, falsely reported or deliberately failed to include information in one or more campaign

reports required by Chapter 106, Florida Statutes, as alleged in the complaint.

You may respond to the allegations above by filing a notarized statement providing any information regarding the facts and circumstances surrounding the allegations. Your response will be included as an attachment to the investigator's report.

When we conclude the investigation, a copy of the Report of Investigation will be mailed to you at the above address. You may file a response to the report within 14 days from the date the report is mailed to you. Based on the results of the investigation, legal staff will make a written recommendation to the Commission on whether there is probable cause to believe you have violated Chapter 104 or 106, Florida Statutes. A copy of the Staff Recommendation will be mailed to you and you may file a response within 14 days from the date the recommendation is mailed to you. Your timely filed response(s) will be considered by the Commission when determining probable cause.

The Commission will then hold a hearing to determine whether there is probable cause to believe you have violated Chapters 104 or 106, Florida Statutes. You and the complainant will receive a notice of hearing at least 14 days before the hearing. The notice of hearing will indicate the location, date, and time of your hearing. You will have the opportunity to make a brief oral statement to the Commission, but you will not be permitted to testify or call others to testify, or introduce any documentary or other evidence.

At any time before a probable cause finding, you may notify us in writing that you want to enter into negotiations directed towards reaching a settlement via consent agreement.

The Report of Investigation, Staff Recommendation, and Notice of Hearing will be mailed to the above address as this letter. Therefore, if your address changes, you must notify this office of your new address. Otherwise, you may not receive these important documents. Failure to receive the documents will not delay the probable cause hearing.

Under section 106.25, Florida Statutes, complaints, Commission investigations, investigative reports, and other documents relating to an alleged violation of Chapters 104 and 106, Florida Statutes, are confidential until the Commission finds probable cause or no probable cause. The confidentiality provision does not apply to the person filing the complaint. However, it does apply to you unless you waive confidentiality in writing. The confidentiality provision does not preclude you from seeking legal counsel. However, if you retain counsel, your attorney must file a notice of appearance with the Commission before any member of the Commission staff can discuss this case with him or her.

If you have any questions or need additional information, please contact **Margie Wade**, the investigator assigned to this case.

Sincerely,

Amy McKeever Toman
Executive Director

This is my response to complaint filed by Chris Sorensen 5th place in Primary for school board District 1. Mr. Sorensens claims are false and the treasurers report was corrected to reflect the in kind contributions for the billboards. They were split between the primary election and the general election. Secondly, the bus art work is not painted but was printed and attached on a large vinyl poster. The graphic artist immediately added the word for and apologized as this was part of the graphic requested. The treasurer has been counseled and made all corrective actions.

Note: Disclaimer on billboards above do not mention "In-Kind" contribution from medical practice. My cost to rent these signs for six weeks is \$975 and \$850. After six weeks, the signs are still at these locations, and no additional reporting has been made to either correct error or renew fees.

CBS Outdoor can be contact by phone at 407-975-0202. There address is 2699 Lee Rd, Suite 230 Winter Park, FL 32789.

Note: Disclaimer above states bus sign was paid for by John Hill campaign. Also, note that the "FOR" is missing, which gives the appearance that Dr. John Hill is the incumbent. After six weeks, the bus is still operating as a mobile billboard, and no report has been made to either correct error or renew fees.
