If you are the Respondent, you may attend the hearing, and you or your attorney will have *5 minutes* to present your case to the Commission. However, some cases (including those in which consent orders or recommendations for no probable cause are being considered) may be decided by an *en masse* vote and, unless you request to be heard or the Commission requests that your case be considered separately on the day of the hearing, your case will *not* be individually heard.

If you are the Complainant, you may attend the hearing, but you will *not* be permitted to address the Commission. In addition, some cases (including those in which consent orders or recommendations for no probable cause are being considered) may be decided by an *en masse* vote and, unless the Respondent requests to be heard or the Commission requests that the case be considered separately on the day of the hearing, the case will *not* be individually heard.

Please refer to the information below for further instructions related to your particular hearing:

If this is a hearing to consider **an appeal from an automatic fine**, the Filing Officer has imposed a fine on you for your failure to file a campaign treasurer's report on the designated due date and, by filing an appeal, you have asked the Commission to consider either (1) that the report was in fact timely filed; or (2) that there were unusual circumstances that excused the failure to file the report timely. You are required to prove your case. If the Commission finds that the report was filed timely or that there were unusual circumstances that excused the failure, it may waive the fine, in whole or in part. The Commission may reduce a fine after considering the factors in Section 106.265, Florida Statutes. If the Commission finds that the report was not timely filed and there were no unusual circumstances, the fine will be upheld.

If this is a hearing to consider a **consent order before a determination of probable cause has been made**, the Commission will decide whether to accept or reject the consent order. If the Commission accepts the consent order, the case will be closed and become public. If the Commission rejects the consent order or does not make a decision to accept or deny the consent order, the case will remain confidential, unless confidentiality has been waived.

If this is a hearing to consider a **consent order after a determination of probable cause has been made**, the Commission will decide whether to accept or reject the consent order. If the Commission accepts the consent order, the case will be closed. If the Commission rejects the consent order or does not make a decision to accept or deny the consent order, the Respondent will be entitled to another hearing to determine if the Respondent committed the violation(s) alleged.

If this is a **probable cause hearing**, the Commission will decide if there is probable cause to believe that the Respondent committed a violation of Florida's election laws. Respondent should be prepared to explain how the staff in its recommendation incorrectly applied the law to the facts of the case. *Respondent may not testify, call others to testify, or introduce any documentary or other evidence at the probable cause hearing.* The Commission will only decide whether Respondent should be *charged* with a violation and, before the Commission determines whether a violation has occurred or a fine should be imposed, Respondent will have an opportunity for another hearing at which evidence may be introduced.

If this is an **informal hearing**, it will be conducted pursuant Sections 120.569 and 120.57(2), Florida Statutes; Chapter 28 and Commission Rule 2B-1.004, Florida Administrative Code. At the hearing, the Commission will decide whether the Respondent committed the violation(s) charged in the Order of Probable Cause. The Respondent will be permitted to testify. However, the Respondent may not call witnesses to testify.

Respondent may argue why the established facts in the Staff Recommendation do not support the violations charged in the Order of Probable Cause. At Respondent's request, the Commission may determine whether Respondent's actions in the case were willful. The Respondent may also address the appropriateness of the recommended fine. If Respondent claims that his limited resources make him unable to pay the statutory fine, *he must provide the Commission with written proof of his financial resources* at the hearing. A financial affidavit form is available from the Commission Clerk.

SUMMARY: Building Brighter Days PC is a political committee (PC) registered with the State of Florida. The PC's chair is Rickey Rhymes and its treasurer is Ernesto Martinez Jr.

The PC is appealing the fine claiming that unusual circumstances existed that caused the 2016 G2 Report to be untimely filed. According to Mr. Martinez, "The political committee received a check in the mail from BDP Industrial Development, L.P., dated August 31, 2016, after the waiver report had been filed. In order to report the contribution in what was thought to be the correct reporting period, an amendment was filed to report the contribution based on the check was dated in the G1 report for the August 27, 2016-September 2, 2016 reporting period because a waiver report had previously been filed. Upon receipt of the original notice of a fine on September 26, 2016, I spoke to Zack at the Florida Department of State, Division of Elections and he instructed me to delete the contribution from the G1 report and put it on the G2 report based on the date of receipt and deposit instead of the date of the check. Unfortunately, a waiver report was already filed for the G2 period and an amendment had to be filed. As a result, the contribution check that was previously reported in the G1 report has now been reported properly in the G2 report pursuant to the instructions of the Florida Department of State, Division of Election".

- The 2016 G2 Report covers the time period from 9/3/16 through 9/16/16.
- The 2016 G2 Queued-Transactions Report reflects that this report was created on 9/20/16 at approximately 12:42 pm, before being filed on 9/20/16 at approximately 12:42 pm.²
- In a 2/7/17 email with Kristi Reid-Bronson, FEC staff was informed, "The committee filed a notice of no activity (waiver) on 9/20/16. A waiver is not a report. On 9/26/16, the committee filed a report showing \$5000.00 of activity. The fine is based on the report being 3 days late".

PRIOR CASES: This PC has been involved in one prior FEC investigation. FEC #16-671 will be heard during the Feb 2017 Commission Meeting for an alleged violation of 106.07(8)(b).

¹ Respondent initially filed a waiver that reflected no activity occurred during the 2016 G2 reporting period. Respondent later filed a 2016 G2 Report to reflect financial activity.

² The report discussed in this bullet refers to the waiver that reflected zero activity.

Re: Building Brighter Days PC
PAC 64610

RECEIVED
2016 OCT 18 P 3:25
STATE OF FLORIDA
ELECTIONS COMMISSION

NOTICE OF APPEAL

Appealing Party: Building Brighter Days PC
Address: 2655 LeJeune Road, Ste 323, Coral Gables, FL 33134.
Telephone Number: 305-446-0702

Appeal of Late Fine Number 2:

The political committee received a check in the mail from BDP Industrial Development, L.P., dated August 31, 2016, after the waiver report had been filed. In order to report the contribution in what was thought to be the correct reporting period, an amendment was filed to report the contribution based on the check was dated in the G1 report for the August 27, 2016 – September 2, 2016 reporting period because a waiver report had previously been filed.

Upon receipt of the original notice of a fine on September 26, 2016, I spoke to Zack at the Florida Department of State, Division of Elections and he instructed me to delete the contribution from the G1 report and put it on the G2 report based on the date of receipt and deposit instead of the date of the check. Unfortunately, a waiver report was already filed for the G2 period and an amendment had to be filed. As a result, the contribution check that was previously reported in the G1 report has now been reported properly in the G2 report pursuant to the instructions of the Florida Department of State, Division of Election.

Unfortunately the notice of fine arrived subsequent to the due date of the reporting period due on September 23, 2016. As instructed by the Florida Department of State, Division of Elections, the Waiver Report due on September 23, 2016 was amended to reflect the transaction on September 26, 2016.

Summary of Reporting:

1. On September 6, 2016, a Waiver report was filed for the G1 reporting period of August 27, 2016 through September 2, 2016. Attached hereto as Exhibit "A".
2. Subsequent to the G1 reporting period, a contribution check for \$5,000 was received in the mail and was deposited on September 13, 2016. A copy of the check is attached as Exhibit "B" and a copy of the deposit slip is attached as Exhibit "C".

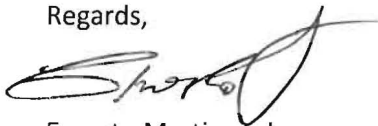

3. Because the check attached as Exhibit "B" was dated August 31, 2016, an amendment was filed on September 16, 2016 (Exhibit "D") to the G1 report previously filed as a good faith attempt to accurately report the contribution.
4. On September 26, 2016, I received a letter from the Florida Department of State, Division of Elections notifying me of the fine that is the subject of this appeal.
5. On September 26, 2016, I spoke with Zack at the Florida Department of State, Division of Elections and was instructed to amend the G1 report for the purpose of deleting the \$5,000 contribution from the G1 report, and return G1 to a Waiver report.
6. Instructions provided by Zack provided that contributions should be reported based upon the date deposited and not the date the check was dated.
7. On September 26, 2016, the G2 report was amended to include the \$5,000 contribution for the deposit date of September 13, 2016. G2 Waiver attached as Exhibit "E" and G2 Amendment attached as Exhibit "F".

The reporting period that is the subject of the fine for the report due on September 23, 2016 was amended at the instruction of the Florida Department of State, Division of Elections

All reports were filed on a timely basis.

The appealing party has demonstrated that the report was timely filed or that there were unusual or other circumstances beyond the control of the committee.

Ernesto Martinez, Jr.

The committee filed a notice of no activity (waiver) on 9-20-16. A waiver is not a report. On 9-26-16, the committee filed a report showing \$5000 of activity. The fine is based on the report being 3 days late.

Kristi, Could you please explain the discrepancy for this PC's 2016 G2 Report. DOE records reflect that this report was filed on 9/20/16, which is three days before the report was due. This PC was fined \$150.00
