Please be advised that the Commission will consider multiple cases, so you will need to wait until your case is considered. If you have any questions, please contact Commission staff at (850) 922-4539.

Failure to appear in accordance with this notice will constitute a waiver of your right to participate in the hearing. Continuances will be granted only upon a showing of good cause.

This hearing will be conducted pursuant to Section 106.25, Florida Statutes, which governs your participation as follows:

If you are the Respondent, you may attend the hearing, and you or your attorney will have *5 minutes* to present your case to the Commission. However, some cases (including those in which motions to dismiss or recommendations for no probable cause are being considered) may be decided by an *en masse* vote and, unless you request to be heard or the Commission requests that your case be considered separately on the day of the hearing, your case will *not* be individually heard.

If you are the Complainant, you may attend the hearing, but you will *not* be permitted to address the Commission. In addition, some cases (including those in which motions to dismiss or recommendations for no probable cause are being considered) may be decided by an *en masse* vote and, unless the Respondent requests to be heard or the Commission requests that the case be considered separately on the day of the hearing, the case will *not* be individually heard.

Tim Vaccaro

Executive Director
Florida Elections Commission
February 2, 2021

Please refer to the information below for further instructions related to your particular hearing:

If this is a hearing to consider **an appeal from an automatic fine**, the Filing Officer has imposed a fine on you for your failure to file a campaign treasurer's report on the designated due date and, by filing an appeal, you have asked the Commission to consider either (1) that the report was in fact timely filed; or (2) that there were unusual circumstances that excused the failure to file the report timely. You are required to prove your case. If the Commission finds that the report was filed timely or that there were unusual circumstances that excused the failure, it may waive the fine, in whole or in part. The Commission may reduce a fine after considering the factors in Section 106.265, Florida Statutes. If the Commission finds that the report was not timely filed and there were no unusual circumstances, the fine will be upheld.

If this is a **probable cause hearing**, the Commission will decide if there is probable cause to believe that the Respondent committed a violation of Florida's election laws. Respondent should be prepared to explain how the staff in its recommendation incorrectly applied the law to the facts of the case. *Respondent may not testify, call others to testify, or introduce any documentary or other evidence at the probable cause hearing.* The Commission will only decide whether Respondent should be *charged* with a violation and, before the Commission determines whether a violation has occurred or a fine should be imposed, Respondent will have an opportunity for another hearing at which evidence may be introduced.

If this is an **informal hearing**, it will be conducted pursuant Sections 120.569 and 120.57(2), Florida Statutes; Chapter 28 and Commission Rule 2B-1.004, Florida Administrative Code. At the hearing, the Commission will decide whether the Respondent committed the violation(s) charged in the Order of Probable Cause. The Respondent will be permitted to testify. However, the Respondent may not call witnesses to testify.

Respondent may argue why the established facts in the Staff Recommendation do not support the violations charged in the Order of Probable Cause. At Respondent's request, the Commission may determine whether Respondent's actions in the case were willful. The Respondent may also address the appropriateness of the recommended fine. If Respondent claims that his limited resources make him unable to pay the statutory fine, *he must provide the Commission with written proof of his financial resources* at the hearing. A financial affidavit form is available from the Commission Clerk.

Re: Florida for All, Inc. PC - Facts in Support of Appeals,
Cases Nos.: FEC 20-243, 244, 245, 246 and 247

Dear Mr. Vaccaro:

This correspondence is furnished in advance of the Commission's meeting at which the appeals of the Florida for All, Inc. PC (the "PC") will be considered. We would appreciate it if you would provide Commission Members with a copy of this correspondence in advance of the meeting.

The appeals seek to set aside automatic fines in the combined amount of \$47,811.03 which were imposed by the Division of Elections as a result of the five reports being filed late due to the same lack of understanding by the accountant who was hired to perform compliance.

The PC has long utilized an accounting firm for the purpose of filing compliance reports with the Division of Elections. In the past, reporting has occurred without problem. For inexplicable reasons, however, beginning with the 2020 M5 the employee of the accountant went off the rails.

The 2020 M5 was due on or before June 10, 2020. On June 1, 2020, the accountant's staff person filed a waiver. However, when the committee received the first notice that subsequent reports had not been timely filed, it discovered that staff should not have filed a waiver. Accordingly, the committee on July 17, 2020, amended the waiver to properly disclose financial activity. This effort generated an automatic fine in the amount of \$17,500.

But it gets worse. The accountant's staff person also failed to file weekly reports for the committee (the P1, P1A, P2 and P2A) on a timely basis. Upon receiving a notice of late-filing, on July 6, 2020, the accountant's staff person filed waivers for each of the reports. However, waivers should not have been filed since there was financial activity during each of those periods. This is when the officers of the PC first received the notifications of late-filed weekly reports. They immediately investigated and determined that correct reports needed to be filed and directed the accountants to do so. The accountants then proceeded to file amendments to the waivers which had been filed. The amendments were all filed on July 20, 2020. Amending the previously filed waivers generated automatic fines. For the P1 report the fine was \$14,150; for the P1A the fine was \$10,650; for the P2 the fine was \$2,211; and, for the P2A the fine was \$3650.

When pressed for an explanation of why timely and accurate reporting was not performed, the accounting firm stated the following:

There was miscommunication in regards to the reporting schedule for the mentioned period. However, after our office was provided with the updated schedule of filing deadlines, I can assure you there hasn't (sic) been any late filings.

The PC has no understanding of any miscommunication since the reporting schedule published by the Division did not change. Rather, it appears that the staff person responsible for making the filings failed to realize the shift from monthly to weekly reporting and, and therefore failed to file the reports. In an apparent panic when the first notice of late filing was received, the accountant then filed waivers rather than correct reports.

It was only when the PC's officers actually received copies of the notices and caused the accountants to review and correct what they had done did accurate amendments to the previously filed waivers get filed on July 20, 2020.

The officers of the PC had no reason to believe that the customary timely filing of reports was not taking place. It was not until they received notice that the accountants had acted improperly that they had any reason to believe that mistakes had been made. The officers then immediately directed corrected reports. We acknowledge that the reports were late-filed. However, we submit that the unforeseen failure of the accountants repeating the same mistake multiple times should mitigate against the assessment of a penalty in the combined amount of \$47,811.03.

Mr. Tim Vaccaro, Executive Director
February 2, 2021

We respectfully request that the Commission find unusual circumstances and set aside the penalty or, if failing to find unusual circumstances, nonetheless set aside the fine given the overall lack of any improper motivations.

Thank you, in advance, for your cooperation.

Sincerely,

Dear Mr. Paultre:

Our records indicate that you have not filed either your campaign treasurer's report or notification that no reportable activity occurred, whichever is applicable. The filing date was June 10, 2019.

The law (s. 106.07(8)(b), Fla. Stat.) requires the filing officer to immediately notify you about the missed filing date and the automatic fines that will be assessed for late filing of a report, if a report was due.

- If reportable activity occurred and you have not filed a report, statutory fines are automatically assessed as follows until you file your report:

\$50 per day for the first 3 days late

\$500 per day for each day after the 3rd day late

- * If the required report immediately precedes a primary and general election, the automatic fine is \$500 for each late day.

The total fine for the untimely report cannot exceed 25% of the total receipts or expenditures, whichever is greater, for the cover period. Even if you end up filing your report late, we cannot waive the statutory fines. We will notify you of the specific amount of fines owed once you file your report. You have 20 days from the day you receive the notice to pay the fine or to appeal the fine to the Florida Elections Commission.

- If no reportable activity occurred for the report date(s), you are still required to notify us in writing, via the Division's Electronic Filing System, that no reportable activity occurred. No automatic fines are statutorily assessed.

However, in all cases, failure to file and/or untimely filing of a report of reportable activity, or if applicable, a notice that no reportable activity occurred, may constitute an apparent violation of chapter 106, Fla. Stat. If we refer such matter to the Florida Elections Commission, the Commission may subsequently impose a civil penalty for each violation under chapter 106.265(1), Fla. Stat.

Dear Mr. Odio:

This will acknowledge receipt of the Statement of Organization and Appointment of Campaign Treasurer and Designation of Campaign Depository for **Florida for All, Inc.**, which were placed on file in our office on June 5, 2013. This information appears to comply with the requirements of Section 106.03, Florida Statutes, and the name of this organization has been placed on our active committee list as a political committee that supports both candidates and issues.

Campaign Treasurer's Reports

Your first campaign treasurer's report will be due on **July 10, 2013**. The report will cover the period of April 1, 2013 - June 30, 2013. All political committees that file reports with the Division of Elections are required to file by means of the Division's Electronic Filing System (EFS).

Credentials and Sign-ons

Below is the web address to access the EFS and the committee's user identification number. The enclosed sealed envelope contains the committee's initial password. Once you have logged in using the initial password, you will be immediately prompted to change it to a confidential sign-on. The chairperson, campaign treasurer, and deputy treasurers are responsible for protecting this password from disclosure and are responsible for all filings using these credentials, unless the Division is notified that your credentials have been compromised.

Pin Numbers

Pin numbers are confidential secure credentials that allow you to submit reports and update information. The enclosed sealed envelope provides a confidential pin number for the chairperson. By copy of this letter, a confidential pin number to access the EFS was sent to the treasurer.

Each political committee chairperson is required to provide the Division of Elections with confidential personal information that may be used to allow access in the event that the password is forgotten or lost. When you enter the campaign account screen, there will be a drop down box where you pick a question (such as *What is your mother's maiden name?*) and supply an answer. All passwords and answers to questions are stored as encrypted data and cannot be viewed by Division staff and given out over the phone. Please notify the Division if your credentials have been compromised.

Timely Filing

All reports must be completed and filed through the EFS no later than midnight, Eastern Standard Time, of the due date. Reports not filed by midnight of the due date are late filed and subject to the penalties in Section 106.07(8), Florida Statutes. In the event that the EFS is inoperable on the due date, the report will be accepted as timely filed if filed no later than midnight, Eastern Standard Time, of the first business day the EFS becomes operable. No fine will be levied during the period the EFS was inoperable.

Any political committee failing to file a report on the designated due date is subject to a fine of \$50 per day for the first 3 days and, thereafter, \$500 per day for each day, not to exceed 25% of the total receipts or expenditures, whichever is greater, for the period covered by the late report. However, for the reports immediately preceding each primary and general election, the fine shall be \$500 per day, not to exceed 25% of the total receipts or expenditures, whichever is greater, for the period covered by the late report.

Electronic Receipts

The person submitting the report on the EFS will be issued an electronic receipt indicating and verifying the report was filed. Each campaign treasurer's report filed by means of the EFS is considered to be under oath by the chairperson and campaign treasurer and such persons are subject to the provisions of Section 106.07(5), Florida Statutes.

<p>RE: Chair Credentials and New Treasurer</p> <p>Ms. Cynthia Aguirre called in regards to the appointment of the new Chair, Raymond Paultre, and new Treasurer for PAC-60452 and 69343. The treasurer removal letters did not have original signatures. A VM was left on 4/3/2019 explaining this issue and I told her that the signatures need to be written in ink and emailed/faxed as a copy to the Division; then, we may proceed in removing the current T and appointing the new T for these PACs.</p> <p>I informed her of the letter the Division sent to the new Chair address with his PIN/Credentials on April 4, 2019. Ms. Aguirre said that they have not received any correspondence from us. If she/the PAC would like us to release the new credentials to her, then we would require a CRF indicating this. Or, she can contact the new Chair and have him contact the Division so that we may release his credentials to him over the phone.</p>

<p>RE: Reappointment of Treasurer</p> <p>I attempted to call on 4/3/19 and again today but did not get through to anyone and could not leave a voicemail, they must submit a resignation/removal letter with an original signature before the change can be made.</p>

<p>all officers resigned</p> <p>A representative of Florida for All, Inc., Cynthia Aguirre, called to inform the Division that all of the committee's current officers have quit. The committee needs to appoint a new chair and treasurer but the departing chair and treasurer are unwilling to provide a letter of resignation. I told her that I would take a message and that someone from our office would contact her with info on what the committee needs to do to appoint new officers.</p> <p>3/29/19 -njt</p>

<p>Re: Credentials - Chair called and I gave him his PIN and the new PWD. He said he was in Thailand and appologized for the time it took to get back to me. I suggested he contact the Treasurer and he said he would right after he got off the phone with me.</p>

<p>RE: Credentials</p> <p>The treasurer called because she needed the password and PIN for the new chair. I explained that someone from our office attempted to contact the new chair with his credentials, but he has not called back; that I could not release the PIN to her unless DOE receives a CRF releasing to her.</p> <p>I called the chair's number and left a detailed message; gave my name and direct number.</p>
