Please refer to the information below for further instructions related to your particular hearing:

If this is a hearing to consider **an appeal from an automatic fine**, the Filing Officer has imposed a fine on you for your failure to file a campaign treasurer's report on the designated due date and, by filing an appeal, you have asked the Commission to consider either (1) that the report was in fact timely filed; or (2) that there were unusual circumstances that excused the failure to file the report timely. You are required to prove your case. If the Commission finds that the report was filed timely or that there were unusual circumstances that excused the failure, it may waive the fine, in whole or in part. The Commission may reduce a fine after considering the factors in Section 106.265, Florida Statutes. If the Commission finds that the report was not timely filed and there were no unusual circumstances, the fine will be upheld.

If this is a hearing to consider a **consent order before a determination of probable cause has been made**, the Commission will decide whether to accept or reject the consent order. If the Commission accepts the consent order, the case will be closed and become public. If the Commission rejects the consent order or does not make a decision to accept or deny the consent order, the case will remain confidential, unless confidentiality has been waived.

If this is a hearing to consider a **consent order after a determination of probable cause has been made**, the Commission will decide whether to accept or reject the consent order. If the Commission accepts the consent order, the case will be closed. If the Commission rejects the consent order or does not make a decision to accept or deny the consent order, the Respondent will be entitled to another hearing to determine if the Respondent committed the violation(s) alleged.

If this is a **probable cause hearing**, the Commission will decide if there is probable cause to believe that the Respondent committed a violation of Florida's election laws. Respondent should be prepared to explain how the staff in its recommendation incorrectly applied the law to the facts of the case. *Respondent may not testify, call others to testify, or introduce any documentary or other evidence at the probable cause hearing.* The Commission will only decide whether Respondent should be *charged* with a violation and, before the Commission determines whether a violation has occurred or a fine should be imposed, Respondent will have an opportunity for another hearing at which evidence may be introduced.

If this is an **informal hearing**, it will be conducted pursuant Sections 120.569 and 120.57(2), Florida Statutes; Chapter 28 and Commission Rule 2B-1.004, Florida Administrative Code. At the hearing, the Commission will decide whether the Respondent committed the violation(s) charged in the Order of Probable Cause. The Respondent will be permitted to testify. However the Respondent may not call witnesses to testify.

Respondent may argue why the established facts in the Staff Recommendation do not support the violations charged in the Order of Probable Cause. At Respondent's request, the Commission may determine whether Respondent's actions in the case were willful. The Respondent may also address the appropriateness of the recommended fine. If Respondent claims that his limited resources make him unable to pay the statutory fine, *he must provide the Commission with written proof of his financial resources* at the hearing. A financial affidavit form is available from the Commission Clerk.

In Re: Advocates for Memory Against Baker Act

Case No.: FEC 15-198

STAFF RECOMMENDATION FOLLOWING INVESTIGATION

Pursuant to Section 106.25(4)(c), Florida Statutes, undersigned staff counsel files this written recommendation for disposition of the complaint in this case recommending that there is **probable cause** to charge Respondent with violating **106.07(7), Florida Statutes**. Based upon a thorough review of the Report of Investigation submitted on March 9, 2016, the following facts and law support this staff recommendation.

1. On January 28, 2015, the Florida Elections Commission (“Commission”) received a referral from Division of Elections (“Division”) alleging that Advocates for Memory Against Baker Act (“Respondent”) violated Chapter 106, Florida Statutes

2. Respondent is a political committee registered with the Division. Respondent's Appointment of Campaign Treasurer and Designation of Campaign Depository for Political Committees form was filed with the Division on October 1, 2014. Maximiliano Barraza was identified as Respondent's chairman and treasurer. (Attachment A and ROI Exhibit 1)¹

3. On February 16, 2016, the Executive Director sent Respondent notification that Commission staff would investigate the following sections of law:

Section 106.07(7), Florida Statutes: As alleged in the complaint, for each of the following reporting periods, Respondent failed to notify the filing officer on the prescribed reporting date that no report would be filed on that date because it had not received funds, made contributions, or expended reportable funds during the reporting periods:

- 2014 G4
- 2014 G5
- 2014 G6

¹ The Report of Investigation shall be referred to herein as “ROI.”

- 2014 D1
- 2014 D2
- 2014 D3
- 2014 D4
- 2014 D5
- 2014 D6
- 2014 G7

4. By letter dated October 3, 2014, Kristi Bronson, Chief, Bureau of Election Records, sent a letter to Respondent's chairman notifying Respondent that the name of this organization had been placed on the Division's active committee list as a political committee. The letter advised Respondent that all political committees who file reports with the Division of Elections are required to use the electronic filing system ("EFS") and provided Respondent with a user identification number and initial password to access to the EFS. (ROI Exhibit 2, page 1)

5. Ms. Bronson's October 3, 2014 letter further advised Respondent that all of the Division's publications and reporting forms were on its website and directed Respondent to print a copy of the *2014 Political Committee Handbook* ("Handbook") and *2014 Calendar of Reporting Dates* as well as other documents. (ROI Exhibit 2, page 3)

6. Respondent did not provide a written response to the Division's referral. Additionally, Investigator Oliver also tried to speak with Respondent by telephone on four occasions without success. (Attachment B and ROI Paragraph 8)

7. Page 18 of the Handbook, states:

When there has been no reportable activity in the campaign account during a reporting period (no funds expended or received) the filing of the report may be waived by notifying the filing officer in writing that no activity has occurred. This notification must be made on the prescribed reporting date.

(Section 106.07, F.S.)

All waivers filed with the Division must be filed electronically using the Division's electronic filing system

(Section 106 0705, F.S.)

(ROI Exhibit 3, pages 1 and 4)

8. Pages 12, 13, 45, and 46 of the *Political Committee EFS User's Guide* ("Guide") explains the steps a political committee should take to notify the Division in writing on the prescribed reporting date that no report will be filed for the reporting period using the EFS. Specifically, at the top of page 13, the Guide instructs the user to click the box next to "Waiver" if there is no financial activity to report. (ROI Exhibit 4)

9. Section 106.07(7), Florida Statutes, provides:

Notwithstanding any other provisions of this chapter, in any reporting period during which a candidate or political committee has not received funds, made any contributions, or expended any reportable funds, the filing of the required report for that period is waived. However, the next report filed must specify that the report covers the entire period between the last submitted report and the report being filed, and any candidate or political committee not reporting by virtue of this subsection on dates prescribed elsewhere in this chapter **shall notify the filing officer in writing on the prescribed reporting date that no report is being filed on that date.** (Emphasis added)

10. The table below reflects Respondent's untimely written notifications to the Division:

Report	Report Cover Period	Date Notification Due	Date Notification Filed	No. of Days Late
2014 G4	9/27/14 – 10/3/14	10/10/14	11/6/14	27
2014 G5	10/4/14 – 10/10/14	10/17/14	11/6/14	20
2014 G6	10/11/14 – 10/17/14	10/24/14	11/6/14	13
2014 D1	10/18/14 – 10/24/14	10/25/14	11/6/14	12
2014 D2	10/25/14	10/26/14	11/6/14	11
2014 D3	10/26/14	10/27/14	11/6/14	10
2014 D4	10/27/14	10/28/14	11/6/14	9
2014 D5	10/28/14	10/29/14	11/6/14	8
2014 D6	10/29/14	10/30/14	11/6/14	7
2014 G7	10/18/14 – 10/30/14	10/31/14	11/6/14	6

(ROI Exhibit 5 and ROI Paragraph 7)

11. "Probable Cause" is defined as reasonable grounds of suspicion supported by circumstances sufficiently strong to warrant a cautious person in the belief that the person has committed the offense charged. *Schmitt v. State*, 590 So 2d 404, 409 (Fla 1991). Probable cause exists where the facts and circumstances, of which an [investigator] has reasonably trustworthy information, are sufficient in themselves for a reasonable man to reach the conclusion that an offense has been committed. *Department of Highway Safety and Motor Vehicles v. Favino*, 667 So.2d 305, 309 (Fla. 1st DCA 1995)

12. The above facts show that Respondent is a political committee registered with the Division of Elections. Respondent failed to notify the filing officer in writing on the prescribed filing dates for the 2014 G4, 2014 G5, 2014 G6, 2014 D1, 2014 D2, 2014 D3, 2014 D4, 2014 D5, 2014 D6, and 2014 G7 Reports that it would not be filing a report for each of the reporting periods.

Based on the foregoing, I recommend that the Commission find probable cause to charge Respondent with violating the following provisions of law:

Count 1:

On or about October 10, 2014, Respondent violated Section 106.07(7), Florida Statutes, when Respondent failed to notify the Division of Elections in writing on or before October 10, 2014, that Respondent would not be filing its 2014 G4 Report on the prescribed due date.

Count 5:

On or about October 26, 2014, Respondent violated Section 106.07(7), Florida Statutes, when Respondent failed to notify the Division of Elections in writing on or before October 26, 2014, that Respondent would not be filing its 2014 D2 Report on the prescribed due date.

Count 6:

On or about October 27, 2014, Respondent violated Section 106.07(7), Florida Statutes, when Respondent failed to notify the Division of Elections in writing on or before October 27, 2014, that Respondent would not be filing its 2014 D3 Report on the prescribed due date.

Count 7:

On or about October 28, 2014, Respondent violated Section 106.07(7), Florida Statutes, when Respondent failed to notify the Division of Elections in writing on or before October 28, 2014, that Respondent would not be filing its 2014 D4 Report on the prescribed due date.

Count 8:

On or about October 29, 2014, Respondent violated Section 106.07(7), Florida Statutes, when Respondent failed to notify the Division of Elections in writing on or before October 29, 2014, that Respondent would not be filing its 2014 D5 Report on the prescribed due date.

Count 10:

On or about October 31, 2014, Respondent violated Section 106.07(7), Florida Statutes, when Respondent failed to notify the Division of Elections in writing on or before October 31, 2014, that Respondent would not be filing its 2014 G7 Report on the prescribed due date.

An acknowledgement letter was mailed to the address provided on Respondent's DS-DE 6 on October 3, 2014 advising Respondent that all of the Division's publications and reporting forms are available on their website, including Chapter 106, Florida Statutes, the *2014 Political Committee Handbook*, and the Calendar of Reporting Dates. (Ex. 2)

3. The acknowledgement letter also states, "An online instruction guide is available to you on the EFS to assist with navigation, data entry, and submission of reports" and provides the telephone number for the Division's EFS Help Desk.

4. The *2014 Political Committee Handbook*, discusses filing a waiver when there is no activity to disclose on page 18. (Ex. 3)

5. Pages 12, 13, 45, and 46 of the *Political Committee EFS User's Guide* discuss how to notify the Division on the prescribed reporting date that no report will be filed using the EFS. Specifically, page 13 instructs the user to click the box next to "waiver" if there is no activity to disclose (Ex. 4)

6. In a telephone interview on April 2, 2015, Kristi Reid-Bronson clarified that once the waiver box is chosen and a new report is opened as shown on Page 12, the only available option on the report summary screen will be "Go To File Report" as shown on Page 13. Choosing "Go To File Report" will take the user directly to the screens where the chairman/treasurer PINS are entered as shown on Pages 45 and 46.

II. Alleged Violation of Section 106.07(7), Florida Statutes:

7. Respondent's filing history reflects the untimely filed notifications summarized below (Ex. 5)

Respondent filed a waiver for the 2014 G4 reporting period; this waiver was untimely filed (Ex 5)				
III. FEC History:				
11. Respondent has not had any prior cases before the Commission; however, there will be four cases heard during the May 2016 Commission meeting involving an alleged violation of 106.07(7)				
Conclusion:				
12. I attempted to contact Respondent's chairman on several occasions to give him an opportunity to discuss the allegations in the referral. Additionally, a questionnaire-affidavit was mailed to Respondent on February 18, 2016. As of the date of this report, Respondent's chairman has not returned my calls, nor has he returned the questionnaire-affidavit.				
13. Because Respondent has not contacted the Commission or returned an affidavit, I am unable to ascertain whether Respondent's chairman has read Chapter 106, Florida Statutes and/or the <i>Political Committee Handbook</i> .

This will acknowledge receipt of the Statement of Organization and Appointment of Campaign Treasurer and Designation of Campaign Depository for **Advocates for Memory Against Baker Act**, which were placed on file in our office on October 1, 2014. This information appears to comply with the requirements of Section 106 03, Florida Statutes, and the name of this organization has been placed on our active committee list as a political committee.

Campaign Treasurer's Reports

Your first campaign treasurer's report will be due on **October 10, 2014**. The report will cover the period of Sept. 27-October 3, 2014 (G5). All political committees that file reports with the Division of Elections are required to file by means of the Division's Electronic Filing System (EFS).

Below is the web address to access the EFS and the committee's user identification number. The enclosed sealed envelope contains the committee's initial password. Once you have logged in using the initial password, you will be immediately prompted to change it to a confidential sign-on. The chairperson, campaign treasurer, and deputy treasurers are responsible for protecting this password from disclosure and are responsible for all filings using these credentials, unless the Division is notified that your credentials have been compromised.

Pin Numbers

Pin numbers are confidential secure credentials that allow you to submit reports and update information. The enclosed sealed envelopes contain your confidential pin numbers.

Each political committee chairperson is required to provide the Division of Elections with confidential personal information that may be used to allow access in the event that the password is forgotten or lost. When you enter the campaign account screen, there will be a drop down box where you pick a question (such as *What is your mother's maiden name?*) and supply an answer. All passwords and answers to questions are stored as encrypted data and cannot be viewed by Division staff and given out over the phone. Please notify the Division if your credentials have been compromised.

Timely Filing

All reports must be completed and filed through the EFS not later than midnight, Eastern Standard Time, of the due date. Reports not filed by midnight, Eastern Standard Time, of the due date are late filed and subject to the penalties in Section 106.07(8), Florida Statutes. In the event that the EFS is inoperable on the due date, the report will be accepted as timely filed if filed no later than midnight, Eastern Standard Time, of the first business day the EFS becomes operable. No fine will be levied during the period the EFS was inoperable.

Any political committee failing to file a report on the designated due date is subject to a fine of \$50 per day for the first 3 days and, thereafter, \$500 per day for each day, not to exceed 25% of the total receipts or expenditures, whichever is greater, for the period covered by the late report. However, for the reports immediately preceding each primary and general election, the fine shall be \$500 per day, not to exceed 25% of the total receipts or expenditures, whichever is greater, for the period covered by the late report.

Electronic Receipts

The person submitting the report on the EFS will be issued an electronic receipt indicating and verifying the report was filed. Each campaign treasurer's report filed by means of the EFS is considered to be under oath by the chairperson and campaign treasurer and such persons are subject to the provisions of Section 106.07(5), Florida Statutes.

Waiver of Report

When there has been no reportable activity in the campaign account during a reporting period (no funds expended or received) the filing of the report may be waived by notifying the filing officer in writing that no activity has occurred. This notification must be made on the prescribed reporting date.

(Section 106.07, F.S.)

All waivers filed with the Division must be filed electronically using the Division's electronic filing system.

(Section 106.0705, F.S.)

Special Election Reports

When a special election is called to fill a vacancy in office, all political committees making contributions or expenditures to influence the results of the special election shall file campaign treasurers' reports with the filing officer on the dates set by the Department of State pursuant to Section 100.111, F.S.

When an election is called for an issue to appear on the ballot at a time when no candidates are scheduled to appear on the ballot, all political committees making contributions or expenditures in support of or in opposition to such issue shall file reports on the 18th and 4th days prior to such election.

Committees are to include on the special election campaign treasurer's reports only expenditures related to the special election made by the committee during the special election reporting periods. All contributions received and all expenditures made not related to the special election during the current quarter should be filed on the next quarterly report. Once a committee has participated in the special election and has filed a special election campaign report, all other special election reports remaining must also be filed by the committee, even if there is no further special election activity.

(Section 106.07(1), F.S.)

Incomplete Reports

Note: The Division's Electronic Filing System will allow a committee to file an incomplete report, however, filing a report that is incomplete means filing a report that is not in compliance with the Florida Statutes.

If a campaign treasurer files a report that is deemed incomplete, he or she will be notified by the filing officer by certified mail, or by another method using a common carrier that provides a proof of delivery as to why the report is incomplete. The campaign treasurer must file an addendum to the incomplete report within seven days of notification. The addendum must include all necessary information to complete the report. Failure to file a complete report after notice constitutes a violation of Chapter 106, F.S.

(Section 106.07(2), F.S.)

Reporting Total Sums

Each campaign treasurer's report required by Chapter 106, F.S., shall contain the total sums of all loans, in-kind contributions, and other receipts, and total sums of all expenditures made during the reporting period. The reporting forms shall be designed to elicit separate totals for in-kind contributions, loans, and other receipts.

(Section 106.07, F.S.)

Reporting Contributions

Each report must contain:

1. Full name, address, specific occupation, amount, and date of each person making a contribution. Reports must provide as clear a description as practicable of the principal type of business conducted for corporations contributing. Occupations or principal type of business are not required if the contribution is \$100 or less.
2. Name, address, amount, and date of each political committee or organization making any transfer of funds.

records of petty cash expenditures must be kept

4. Amount and nature of debts and obligations owed by or to the committee, which relate to the conduct of any political campaign.
5. The amount and nature of any separate interest-bearing accounts or certificates of deposit. Identification of the financial institution in which such accounts or certificates of deposit are located must be identified.
6. The primary purposes of an expenditure made indirectly through a campaign treasurer for goods and services such as communications media placement or procurement services, campaign signs, insurance and other expenditures that include multiple components as part of the expenditure. The primary purpose of an expenditure shall be that purpose, including integral and directly related components, that comprises 80 percent of such expenditure. (See also Reporting Other Distributions)

(Section 106.07, F.S.)

Reporting Other Distributions

Every distribution should be reported during the coverage period when the distribution actually occurred, as is the case with the expenditures and contributions. The related distribution(s) and expenditure can and often do occur in different reporting periods.

Types of distributions:

- Prepaid
- Credit card purchases/payments
- Reimbursements
- In-kind

Reports must contain:

1. Full name and address of each person to whom payment for reimbursement was made by check drawn upon the campaign account together with the purpose of such payment.
2. Expenditures made indirectly through a treasurer for goods or services, such as communications media placement or procurement services, campaign signs, insurance or other expenditures that include multiple integral components as part of the expenditure.
3. Distribution of goods and services to a candidate, committee or party.

(Section 106.07, F.S.)

Chapter 11: Electronic Filing of Campaign Reports

The Electronic Filing System (EFS) is an Internet system for recording and reporting campaign finance activity by reporting period. Each political committee required to file reports with the Division pursuant to Section 106.07, F.S., must file such reports with the Division by means of the EFS.

Reports filed pursuant to this section:

1. Shall be completed and filed through the EFS not later than midnight of the day designated. Reports not filed by midnight of the day designated are late filed and are subject to the penalties under Section 106.07(8), F.S., as applicable.
2. Are considered to be under oath by the chairperson and treasurer, and such persons are subject to provisions of Section 106.07(5), F.S. Persons given a secure sign-on to the EFS are responsible for protecting such from disclosure and are responsible for all filings using such credentials, unless they

EFS HELP GUIDE

Accessing the EFS

From Internet Explorer, you can access the EFS at <https://efs.dos.state.fl.us> Each person filing a report is provided an identification number and initial password to gain entry. Once you log in using the initial password, you will be prompted to change it to a confidential one. You are responsible for protecting the password from disclosure. Contact the Division immediately if your password has been compromised

Creating Reports

Campaign reports must be entered, saved, reviewed, and filed via the EFS either by directly entering data into the web application or by uploading data using an approved vendor's software. The Division maintains a list of approved software vendors whose programs meet the file specifications for filing campaign reports. Instructions for uploading reports are provided in the EFS Help Guide located at:

http://election.dos.state.fl.us/EFS/pdf/dsde110B_UnderGuidePAC.pdf

Submitting Reports

Reports will be held in pending status until the report is ready to be filed. Each person eligible to file a report will receive a PIN (personal identification number) that allows the person to file reports via the EFS. A person's PIN is considered the same as that person's signature on a filed report.

Electronic Receipts

The person filing a report on the EFS may print an electronic receipt verifying the report was filed with the Division. Each report filed by means of the EFS is considered to be under oath and such persons filing the report are subject to the provisions of Chapter 106, F.S.

NOTES:

1. For further information on the EFS, see Rule 1S-2.017, Florida Administrative Code; Reporting Requirements for Campaign Treasurer's Reports
2. Political committees that do not file their campaign treasurer's reports with the Division must consult their filing officer for filing instructions

Chapter 12: Electioneering Communications

Electioneering communication means communication publicly distributed by a television station, radio station, cable television system, satellite system, newspaper, magazine, direct mail, or telephone that:

1. Refers to or depicts a clearly identified candidate for office without expressly advocating the election or defeat of a candidate but that is susceptible of no reasonable interpretation other than an appeal to vote for or against a specific candidate;
2. Is made within 30 days before a primary or special primary election or 60 days before any other election for the office sought by the candidate; and
3. Is targeted to the relevant electorate in the geographical area the candidate would represent if elected.

RE: Case No.: FEC 15-198; Respondent: Advocates for Memory Against Baker Act

Dear Mr. Barraza:

On January 28, 2015, the Florida Elections Commission received a complaint alleging that you violated Florida's election laws. I have reviewed the complaint and find that it contains one or more legally sufficient allegations. The Commission staff will investigate the following alleged violations:

Section 106.07(7), Florida Statutes: As alleged in the complaint, for each of the following reporting periods, Respondent failed to notify the filing officer on the prescribed reporting date that no report would be filed on that date because it had not received funds, made contributions, or expended reportable funds during the reporting periods:

- 2014 G4
- 2014 G5
- 2014 G6
- 2014 D1
- 2014 D2
- 2014 D3
- 2014 D4
- 2014 D5
- 2014 D6
- 2014 G7

You may respond to the allegations above by filing a notarized statement providing any information regarding the facts and circumstances surrounding the allegations. Your response will be included as an attachment to the investigator's report.

When we conclude the investigation, a copy of the Report of Investigation will be mailed to you at the above address. You may file a response to the report within 14 days from the date the report is mailed to you. Based on the results of the investigation, legal staff will make a written recommendation to the Commission on whether there is probable cause to believe you have violated Chapter 104 or 106, Florida Statutes. A copy of the Staff Recommendation will be mailed to you and you may file a response within 14 days from the date the recommendation is mailed to you. Your timely filed response(s) will be considered by the Commission when determining probable cause.

The Commission will then hold a hearing to determine whether there is probable cause to believe you have violated Chapters 104 or 106, Florida Statutes. You and the complainant will receive a notice of hearing at least 14 days before the hearing. The notice of hearing will indicate the location, date, and time of your hearing. You will have the opportunity to make a brief oral statement to the Commission, but you will not be permitted to testify or call others to testify, or introduce any documentary or other evidence.

At any time before a probable cause finding, you may notify us in writing that you want to enter into negotiations directed towards reaching a settlement via consent agreement.

The Report of Investigation, Staff Recommendation, and Notice of Hearing will be mailed to the above address as this letter. Therefore, if your address changes, you must notify this office of your new address. Otherwise, you may not receive these important documents. Failure to receive the documents will not delay the probable cause hearing.

Under section 106.25, Florida Statutes, complaints, Commission investigations, investigative reports, and other documents relating to an alleged violation of Chapters 104 and 106, Florida Statutes, are confidential until the Commission finds probable cause or no probable cause. The confidentiality provision does not apply to the person filing the complaint. However, it does apply to you unless you waive confidentiality in writing. The confidentiality provision does not preclude you from seeking legal counsel. However, if you retain counsel, your attorney must file a notice of appearance with the Commission before any member of the Commission staff can discuss this case with him or her.

If you have any questions or need additional information, please contact **Cedric Oliver**, the investigator assigned to this case.

Sincerely,

Amy McKeever Toman

RE: Case No.: FEC 15-198; Respondent: Advocates for Memory Against Baker Act

Dear Mr. Barraza:

On February 3, 2015, the Florida Elections Commission received the enclosed amended referral alleging that you violated Florida's election laws.

The only difference between this amended complaint and the one that was sent to you previously is in a statutory reference in the first paragraph of the complaint. Specifically, the original complaint references 106.191(1)(c), Florida Statutes; the amended complaint corrects this typographical error and references 106.19(1)(c), Florida Statutes.

If you have already filed a response to the original complaint, it will be considered as a response to the amended complaint as well. Unless your response is specifically related to the incorrect statutory reference in the original complaint, you do not need to file a new response to the amended complaint.

You will be notified by letter whether the complaint is determined legally sufficient.

Please note that all documents related to this matter will be mailed to the above address unless you notify us of a new address.

Under section 106.25, Florida Statutes, complaints, Commission investigations, investigative reports, and other documents relating to an alleged violation of Chapters 104 and 106, Florida Statutes, are confidential until the Commission finds probable cause or no probable cause. The confidentiality provision does not apply to the person filing the complaint. However, it does apply to you, the Respondent, unless you waive confidentiality in writing.

The confidentiality provision does not preclude you from seeking legal counsel. However, if you retain counsel, your attorney must file a notice of appearance with the Commission before any member of the Commission staff can discuss this case with him or her.

Sincerely,

Erin Riley

Deputy Agency Clerk

Re: PAC 64370

Dear Mr Barraza:

Your campaign treasurer's report, which was due October 10, 2014, has not been received.

Section 106.07(8)(b), Florida Statutes, requires that the filing officer immediately notify you of the failure to file this report and that a fine will be assessed of \$50 per day for the first 3 days late and, thereafter \$500 per day, although a fine cannot exceed 25% of the total receipts or expenditures, whichever is greater, for the period covered by the late report. However, for the reports immediately preceding each primary and general election, the fine shall be \$500 per day for each late day, not to exceed 25% of the total receipts or expenditures, whichever is greater, for the period covered by the late report.

Once your report is filed, this office will notify you of the specific amount of your fine. Fines must be paid to the filing officer within 20 days of receipt of the payment due notice.

Please be advised, however, that failure to file a campaign treasurer's report may constitute a violation of Chapter 106, Florida Statutes, independent of the automatic fine violation referenced above. Therefore, if you fail to file a report the division will turn the matter over to the Florida Elections Commission.

Section 106.265(1), Florida Statutes, authorizes the Florida Elections Commission to impose a civil penalty up to \$1,000 per count for each willful violation of Chapter 106.

If you have any questions, please contact the help desk at (850) 245-6280.
