Failure to appear in accordance with this notice will constitute a waiver of your right to participate in the hearing. Continuances will be granted only upon a showing of good cause.

This hearing will be conducted pursuant to Section 106.25, Florida Statutes, which governs your participation as follows:

If you are the Respondent, you may attend the hearing, and you or your attorney will have *5 minutes* to present your case to the Commission. However, some cases (including those in which consent orders or recommendations for no probable cause are being considered) may be decided by an *en masse* vote and, unless you request to be heard or the Commission requests that your case be considered separately on the day of the hearing, your case will *not* be individually heard.

If you are the Complainant, you may attend the hearing, but you will *not* be permitted to address the Commission. In addition, some cases (including those in which consent orders or recommendations for no probable cause are being considered) may be decided by an *en masse* vote and, unless the Respondent requests to be heard or the Commission requests that the case be considered separately on the day of the hearing, the case will *not* be individually heard.

Executive Director
Florida Elections Commission
August 23, 2021

Please refer to the information below for further instructions related to your particular hearing:

If this is a hearing to consider **an appeal from an automatic fine**, the Filing Officer has imposed a fine on you for your failure to file a campaign treasurer's report on the designated due date and, by filing an appeal, you have asked the Commission to consider either (1) that the report was in fact timely filed; or (2) that there were unusual circumstances that excused the failure to file the report timely. You are required to prove your case. If the Commission finds that the report was filed timely or that there were unusual circumstances that excused the failure, it may waive the fine, in whole or in part. The Commission may reduce a fine after considering the factors in Section 106.265, Florida Statutes. If the Commission finds that the report was not timely filed and there were no unusual circumstances, the fine will be upheld.

If this is a hearing to consider a **consent order before a determination of probable cause has been made**, the Commission will decide whether to accept or reject the consent order. If the Commission accepts the consent order, the case will be closed and become public. If the Commission rejects the consent order or does not make a decision to accept or deny the consent order, the case will remain confidential, unless confidentiality has been waived.

If this is a hearing to consider a **consent order after a determination of probable cause has been made**, the Commission will decide whether to accept or reject the consent order. If the Commission accepts the consent order, the case will be closed. If the Commission rejects the consent order or does not make a decision to accept or deny the consent order, the Respondent will be entitled to another hearing to determine if the Respondent committed the violation(s) alleged.

If this is a **probable cause hearing**, the Commission will decide if there is probable cause to believe that the Respondent committed a violation of Florida's election laws. Respondent should be prepared to explain how the staff in its recommendation incorrectly applied the law to the facts of the case. *Respondent may not testify, call others to testify, or introduce any documentary or other evidence at the probable cause hearing.* The Commission will only decide whether Respondent should be *charged* with a violation and, before the Commission determines whether a violation has occurred or a fine should be imposed, Respondent will have an opportunity for another hearing at which evidence may be introduced.

If this is an **informal hearing**, it will be conducted pursuant Sections 120.569 and 120.57(2), Florida Statutes; Chapter 28 and Commission Rule 2B-1.004, Florida Administrative Code. At the hearing, the Commission will decide whether the Respondent committed the violation(s) charged in the Order of Probable Cause. The Respondent will be permitted to testify. However, the Respondent may not call witnesses to testify.

Respondent may argue why the established facts in the Staff Recommendation do not support the violations charged in the Order of Probable Cause. At Respondent's request, the Commission may determine whether Respondent's actions in the case were willful. The Respondent may also address the appropriateness of the recommended fine. If Respondent claims that his limited resources make him unable to pay the statutory fine, *he must provide the Commission with written proof of his financial resources* at the hearing. A financial affidavit form is available from the Commission Clerk.

Executive Director
Florida Elections Commission
February 2, 2021

Please refer to the information below for further instructions related to your particular hearing:

If this is a hearing to consider **an appeal from an automatic fine**, the Filing Officer has imposed a fine on you for your failure to file a campaign treasurer's report on the designated due date and, by filing an appeal, you have asked the Commission to consider either (1) that the report was in fact timely filed; or (2) that there were unusual circumstances that excused the failure to file the report timely. You are required to prove your case. If the Commission finds that the report was filed timely or that there were unusual circumstances that excused the failure, it may waive the fine, in whole or in part. The Commission may reduce a fine after considering the factors in Section 106.265, Florida Statutes. If the Commission finds that the report was not timely filed and there were no unusual circumstances, the fine will be upheld.

If this is a **probable cause hearing**, the Commission will decide if there is probable cause to believe that the Respondent committed a violation of Florida's election laws. Respondent should be prepared to explain how the staff in its recommendation incorrectly applied the law to the facts of the case. *Respondent may not testify, call others to testify, or introduce any documentary or other evidence at the probable cause hearing.* The Commission will only decide whether Respondent should be *charged* with a violation and, before the Commission determines whether a violation has occurred or a fine should be imposed, Respondent will have an opportunity for another hearing at which evidence may be introduced.

If this is an **informal hearing**, it will be conducted pursuant Sections 120.569 and 120.57(2), Florida Statutes; Chapter 28 and Commission Rule 2B-1.004, Florida Administrative Code. At the hearing, the Commission will decide whether the Respondent committed the violation(s) charged in the Order of Probable Cause. The Respondent will be permitted to testify. However, the Respondent may not call witnesses to testify.

Respondent may argue why the established facts in the Staff Recommendation do not support the violations charged in the Order of Probable Cause. At Respondent's request, the Commission may determine whether Respondent's actions in the case were willful. The Respondent may also address the appropriateness of the recommended fine. If Respondent claims that his limited resources make him unable to pay the statutory fine, *he must provide the Commission with written proof of his financial resources* at the hearing. A financial affidavit form is available from the Commission Clerk.

REC'D: FL ELECTIONS COM
20 JUL '20 PM 12:04

July 13, 2020

Florida Elections Commission
107 West Gaines Street, Ste, 224
Tallahassee, FL 32399-0150

Dear Sir/Madam:

With all due respect, Teamsters Local 79 PAC for Better Government is appealing the fine automatically assessed in the amount of \$875.00. This fine, assessed due to a late campaign treasurer's report, should be respectfully waived due to the natural disaster or emergency commonly known as the COVID-19 Public Health Emergency. Rule 2B-1.0055 allows for us to do so.

Exhibit 1 supports the fact that we are currently working under a public health emergency, Executive Order Number 20-52. Exhibit 2 supports the fact that the County we work in is under an Executive Order of the Hillsborough County Emergency Policy Group. Exhibit 3 lists the names of Employers under contract with Teamsters Local Union No. 79 (32). The names highlighted in yellow (17) are the Employers impacted by the COVID-19 pandemic, thus significantly increasing our workload created by representing our members who work for these Employers. The issues we are facing are layoffs due to the Employers struggling with decreases in volume and revenue and employees and/or family members contracting the virus. Exhibit 4 shows how the COVID-19 virus has impacted the County in which we work, thus affecting those members who live and work in the same County. We have members from Citrus County to Collier County; however, Hillsborough County will be representative for this appeal. There is no denying that this pandemic has significantly impacted us, and the increased workload has regrettably caused an untimely filing of our campaign treasurer's report.

We are a small office of ten (10) employees, one of which took a leave of absence in mid-March, due to her age and concerns about the virus, and eventually retired May 31, 2020. Unfortunately, we were not able to hire a replacement until July 1, 2020. In addition, our Campaign Treasurer, Gary Kaleskas, has been in and out of the office due to a high-risk medical condition, resulting in two recent hospitalizations.

Teamsters Local 79 PAC for Better Government is committed to on-time filings. We have the appropriate 2020 Calendar of Reporting Dates needed to achieve the on-time filings and believe we are on the right track. While our workload has expanded due to the COVID-19 demands placed upon our office, we are placing greater attention to our PAC Fund in this exciting Election year.

Respectfully,

Brian A. Rothman, Chairperson

EXECUTIVE ORDER NUMBER 20-52

(Emergency Management - COVID-19 Public Health Emergency)

WHEREAS, Novel Coronavirus Disease 2019 (COVID-19) is a severe acute respiratory illness that can spread among humans through respiratory transmission and presents with symptoms similar to those of influenza; and

WHEREAS, in late 2019, a new and significant outbreak of COVID-19 emerged in China; and

WHEREAS, the World Health Organization previously declared COVID-19 a Public Health Emergency of International Concern; and

WHEREAS, in response to the recent COVID-19 outbreak in China, Iran, Italy, Japan and South Korea, the Centers for Disease Control and Prevention (“CDC”) has deemed it necessary to prohibit or restrict non-essential travel to or from those countries; and

WHEREAS, on March 1, 2020, I issued Executive Order number 20-51 directing the Florida Department of Health to issue a Public Health Emergency; and

WHEREAS, on March 1, 2020, the State Surgeon General and State Health Officer declared a Public Health Emergency exists in the State of Florida as a result of COVID-19; and

WHEREAS, on March 7, 2020, I directed the Director of the Division of Emergency Management to activate the State Emergency Operations Center to Level 2 to provide coordination and response to the COVID-19 emergency; and

WHEREAS, as of March 9, 2020, eight counties in Florida have positive cases for COVID-19, and COVID-19 poses a risk to the entire state of Florida; and

WHEREAS, the CDC currently recommends community preparedness and everyday prevention measures be taken by all individuals and families in the United States, including voluntary home isolation when individuals are sick with respiratory symptoms, covering coughs and sneezes with a tissue and disposal of the tissue immediately thereafter, washing hands often with soap and water for at least 20 seconds, using of alcohol-based hand sanitizers with 60%-95% alcohol if soap and water are not readily available and routinely cleaning frequently touched surfaces and objects to increase community resilience and readiness for responding to an outbreak; and

WHEREAS, the CDC currently recommends mitigation measures for communities experiencing an outbreak including staying at home when sick, keeping away from others who are sick, limiting face-to-face contact with others as much as possible, consulting with your healthcare provider if individuals or members of a household are at high risk for COVID-19 complications, wearing a facemask if advised to do so by a healthcare provider or by a public health official, staying home when a household member is sick with respiratory disease symptoms if instructed to do so by public health officials or a health care provider; and

WHEREAS, as Governor, I am responsible for meeting the dangers presented to this state and its people by this emergency.

NOW, THEREFORE, I, RON DESANTIS, as Governor of Florida, by virtue of the authority vested in me by Article IV, Section (1)(a) of the Florida Constitution, Chapter 252, Florida Statutes, and all other applicable laws, promulgate the following Executive Order to take immediate effect:

Section 1. Because of the foregoing conditions, I declare a state of emergency exists in the State of Florida.

Section 2. I designate the Director of the Division of Emergency Management (“Director”) as the State Coordinating Officer for the duration of this emergency and direct him to execute the State’s Comprehensive Emergency Management Plan and other response, recovery, and mitigation plans necessary to cope with the emergency. Additionally, I designate the State Health Officer and Surgeon General as a Deputy State Coordinating Officer and State Incident Commander.

Pursuant to section 252.36(1)(a), Florida Statutes, I delegate to the State Coordinating Officer the authority to exercise those powers delineated in sections 252.36(5)-(10), Florida Statutes, which he shall exercise as needed to meet this emergency, subject to the limitations of section 252.33, Florida Statutes. In exercising the powers delegated by this Order, the State Coordinating Officer shall confer with the Governor to the fullest extent practicable. The State Coordinating Officer shall also have the authority to:

A. Seek direct assistance and enter into agreements with any and all agencies of the United States Government as may be needed to meet the emergency.

B. Designate additional Deputy State Coordinating Officers, as necessary.

C. Suspend the effect of any statute, rule, or order that would in any way prevent, hinder, or delay any mitigation, response, or recovery action necessary to cope with this emergency.

D. Enter orders as may be needed to implement any of the foregoing powers; however, the requirements of sections 252.46 and 120.54(4), Florida Statutes, do not apply to any such orders issued by the State Coordinating Officer; however, no such order shall remain in effect beyond the expiration of this Executive Order, to include any extension.

Section 3. I order the Adjutant General to activate the Florida National Guard, as needed, to deal with this emergency.

Section 4. I find that the special duties and responsibilities resting upon some State, regional, and local agencies and other governmental bodies in responding to the emergency may require them to suspend the application of the statutes, rules, ordinances, and orders they administer. Therefore, I issue the following authorizations:

A. Pursuant to section 252.36(1)(a), Florida Statutes, the Executive Office of the Governor may suspend all statutes and rules affecting budgeting to the extent necessary to provide budget authority for state agencies to cope with this emergency. The requirements of sections 252.46 and 120.54(4), Florida Statutes, do not apply to any such suspension issued by the Executive Office of the Governor; however, no such suspension shall remain in effect beyond the expiration of this Executive Order, to include any extension.

B. Each State agency may suspend the provisions of any regulatory statute prescribing the procedures for conduct of state business or the orders or rules of that agency, if strict compliance with the provisions of any such statute, order, or rule would in any way prevent, hinder, or delay necessary action in coping with the emergency. This includes, but is not limited to, the authority to suspend any and all statutes, rules, ordinances, or orders which affect leasing, printing, purchasing, travel, and the condition of employment and the compensation of employees. For the purposes of this Executive Order, "necessary action in coping with the emergency" means any emergency mitigation, response, or recovery action: (1) prescribed in the State Comprehensive Emergency Management Plan ("CEMP"); or (2) ordered by the State Coordinating Officer. The requirements of sections 252.46 and 120.54, Florida Statutes, shall not apply to any such suspension issued by a State agency; however, no such suspension shall remain in effect beyond the expiration of this Executive Order, to include any extensions.

C. In accordance with section 465.0275, Florida Statutes, pharmacists may dispense up to a 30-day emergency prescription refill of maintenance medication to persons who reside in an area or county covered under this Executive Order and to emergency personnel who have been activated by their state and local agency but who do not reside in an area or county covered by this Executive Order.

D. In accordance with section 252.38, Florida Statutes, each political subdivision within the State of Florida may waive the procedures and formalities otherwise required of the political subdivision by law pertaining to:

1) Performance of public work and taking whatever prudent action is necessary to ensure the health, safety, and welfare of the community;

2) Entering into contracts; however, political subdivisions are cautioned against entering into time and materials contracts without ceiling as defined by 2 CFR 200.318(j) or cost plus percentage contracts as defined by 2 CFR 200.323(d);

3) Incurring obligations;

4) Employment of permanent and temporary workers;

5) Utilization of volunteer workers;

6) Rental of equipment;

7) Acquisition and distribution, with or without compensation, of supplies, materials, and facilities; and,

8) Appropriation and expenditure of public funds.

E. All State agencies responsible for the use of State buildings and facilities may close such buildings and facilities in those portions of the State affected by this emergency, to the extent necessary to meet this emergency. I direct each State agency to report the closure of any State

building or facility to the Secretary of the Department of Management Services. Under the authority contained in section 252.36, Florida Statutes, I direct each County to report the closure of any building or facility operated or maintained by the County or any political subdivision therein to the Secretary of the Department of Management Services. Furthermore, I direct the Secretary of the Department of Management Services to:

- 1) Maintain an accurate and up-to-date list of all such closures; and,
- 2) Provide that list daily to the State Coordinating Officer.

Section 5. I find that the demands placed upon the funds appropriated to the agencies of the State of Florida and to local agencies are unreasonably great and the funds currently available may be inadequate to pay the costs of coping with this emergency. In accordance with section 252.37(2), Florida Statutes, I direct that sufficient funds be made available, as needed, by transferring and expending moneys appropriated for other purposes, moneys from unappropriated surplus funds, or from the Budget Stabilization Fund.

Section 6. All State agencies entering emergency final orders or other final actions in response to this emergency shall advise the State Coordinating Officer contemporaneously or as soon as practicable.

Section 7. Medical professionals and workers, social workers, and counselors with good and valid professional licenses issued by states other than the State of Florida may render such services in Florida during this emergency for persons affected by this emergency with the condition that such services be rendered to such persons free of charge, and with the further condition that such services be rendered under the auspices of the American Red Cross or the Florida Department of Health.

Section 8. All activities taken by the Director of the Division of Emergency Management and the State Health Officer and Surgeon General with respect to this emergency before the issuance of this Executive Order are ratified. This Executive Order shall expire sixty days from this date unless extended.

IN TESTIMONY WHEREOF, I have hereunto set my hand and caused the Great Seal of the State of Florida to be affixed, at Tallahassee, this 9th day of March, 2020.

Dear Mr. Rothman:

Our records indicate that you have not filed either your campaign treasurer's report or notification that no reportable activity occurred, whichever is applicable. The filing date was June 19, 2020.

The law (s. 106.07(8)(b), Fla. Stat.) requires the filing officer to immediately notify you about the missed filing date and the automatic fines that will be assessed for late filing of a report, if a report was due.

- If reportable activity occurred and you have not filed a report, statutory fines are automatically assessed as follows until you file your report:
 - \$50 per day for the first 3 days late
 - \$500 per day for each day after the 3rd day late
 - If the required report immediately precedes a primary and general election, the automatic fine is \$500 for each late day.

The total fine for the untimely report cannot exceed 25% of the total receipts or expenditures, whichever is greater, for the cover period. Even if you end up filing your report late, we cannot waive the statutory fines. We will notify you of the specific amount of fines owed once you file your report. You have 20 days from the day you receive the notice to pay the fine or to appeal the fine to the Florida Elections Commission.

- If no reportable activity occurred for the report date(s), you are still required to notify us in writing, via the Division's Electronic Filing System, that no reportable activity occurred. No automatic fines are statutorily assessed.

However, in all cases, failure to file and/or untimely filing of a report of reportable activity, or if applicable, a notice that no reportable activity occurred, may constitute an apparent violation of chapter 106, Fla. Stat. If we refer such matter to the Florida Elections Commission, the Commission may subsequently impose a civil penalty for each violation under chapter 106.265(1), Fla. Stat.

If you have any questions, please contact the help desk at (850) 245-6280.

Sincerely,

Kristi Reid Willis, Chief

Dear Mr. Wood:

This will acknowledge receipt of the Statement of Organization and Appointment of Campaign Treasurer and Designation of Campaign Depository for **Teamsters Local 79 PAC for Better Government**, which were placed on file in our office on August 9, 2013. This information appears to comply with the requirements of Section 106.03, Florida Statutes, and the name of this organization has been placed on our active committee list as a political committee that supports both candidates and issues.

Campaign Treasurer's Reports

Your first campaign treasurer's report will be due on **October 10, 2013**. The report will cover the period of July 1, 2013 - September 30, 2013. All political committees that file reports with the Division of Elections are required to file by means of the Division's Electronic Filing System (EFS).

Credentials and Sign-ons

Below is the web address to access the EFS and the committee's user identification number. The enclosed sealed envelope contains the committee's initial password. Once you have logged in using the initial password, you will be immediately prompted to change it to a confidential sign-on. The chairperson, campaign treasurer, and deputy treasurers are responsible for protecting this password from disclosure and are responsible for all filings using these credentials, unless the Division is notified that your credentials have been compromised.

Pin Numbers

Pin numbers are confidential secure credentials that allow you to submit reports and update information. The enclosed sealed envelope provides a confidential pin number for the chairperson. By copy of this letter, a confidential pin number to access the EFS was sent to the treasurer.

Each political committee chairperson is required to provide the Division of Elections with confidential personal information that may be used to allow access in the event that the password is forgotten or lost. When you enter the campaign account screen, there will be a drop down box where you pick a question (such as *What is your mother's maiden name?*) and supply an answer. All passwords and answers to questions are stored as encrypted data and cannot be viewed by Division staff and given out over the phone. Please notify the Division if your credentials have been compromised.

Timely Filing

All reports must be completed and filed through the EFS no later than midnight, Eastern Standard Time, of the due date. Reports not filed by midnight of the due date are late filed and subject to the penalties in Section 106.07(8), Florida Statutes. In the event that the EFS is inoperable on the due date, the report will be accepted as timely filed if filed no later than midnight, Eastern Standard Time, of the first business day the EFS becomes operable. No fine will be levied during the period the EFS was inoperable.

Any political committee failing to file a report on the designated due date is subject to a fine of \$50 per day for the first 3 days and, thereafter, \$500 per day for each day, not to exceed 25% of the total receipts or expenditures, whichever is greater, for the period covered by the late report. However, for the reports immediately preceding each primary and general election, the fine shall be \$500 per day, not to exceed 25% of the total receipts or expenditures, whichever is greater, for the period covered by the late report.

Electronic Receipts

The person submitting the report on the EFS will be issued an electronic receipt indicating and verifying the report was filed. Each campaign treasurer's report filed by means of the EFS is considered to be under oath by the chairperson and campaign treasurer and such persons are subject to the provisions of Section 106.07(5), Florida Statutes.
