NOTICE OF HEARING (AUTOMATIC FINE)

A hearing will be held in this case before the Florida Elections Commission on, **August 14, 2018 at 9:00 am, or as soon thereafter as the parties can be heard**, at the following location: **First District Court of Appeal, 2000 Drayton Drive, Tallahassee, Florida 32399**. Due to heightened security access requirements, please bring only essential items into the building and plan to arrive early to allow for delays coming through security.

Failure to appear in accordance with this notice will constitute a waiver of your right to participate in the hearing. Continuances will be granted only upon a showing of good cause.

This hearing will be conducted pursuant to Section 106.25, Florida Statutes, which governs your participation as follows:

If you are the Respondent, you may attend the hearing, and you or your attorney will have *5 minutes* to present your case to the Commission. However, some cases (including those in which consent orders or recommendations for no probable cause are being considered) may be decided by an *en masse* vote and, unless you request to be heard or the Commission requests that your case be considered separately on the day of the hearing, your case will *not* be individually heard.

If you are the Complainant, you may attend the hearing, but you will *not* be permitted to address the Commission. In addition, some cases (including those in which consent orders or recommendations for no probable cause are being considered) may be decided by an *en masse* vote and, unless the Respondent requests to be heard or the Commission requests that the case be considered separately on the day of the hearing, the case will *not* be individually heard.

If you are an Appellant, and you have requested a hearing, you may attend the hearing, and you or your attorney will have *5 minutes* to present your case to the Commission.

Please be advised that both confidential and public cases are scheduled to be heard by the Florida Elections Commission on this date. As an Appellant, Respondent or Complainant in one case, you will *not* be permitted to attend the hearings on other confidential cases.

The Commission will electronically record the meeting. Although the Commission's recording is considered the official record of the hearing, the Respondent may provide, at his own expense, a certified court reporter to also record the hearing.

If you require an accommodation due to a disability, contact Donna Ann Malphurs at (850) 922-4539 or by mail at 107 West Gaines Street, The Collins Building, Suite 224, Tallahassee, Florida 32399, at least 5 days before the hearing.

See further instructions on the reverse side.

Amy McKeever Toman
Executive Director
Florida Elections Commission
July 30, 2018

Please refer to the information below for further instructions related to your particular hearing:

If this is a hearing to consider **an appeal from an automatic fine**, the Filing Officer has imposed a fine on you for your failure to file a campaign treasurer's report on the designated due date and, by filing an appeal, you have asked the Commission to consider either (1) that the report was in fact timely filed; or (2) that there were unusual circumstances that excused the failure to file the report timely. You are required to prove your case. If the Commission finds that the report was filed timely or that there were unusual circumstances that excused the failure, it may waive the fine, in whole or in part. The Commission may reduce a fine after considering the factors in Section 106.265, Florida Statutes. If the Commission finds that the report was not timely filed and there were no unusual circumstances, the fine will be upheld.

If this is a hearing to consider a **consent order before a determination of probable cause has been made**, the Commission will decide whether to accept or reject the consent order. If the Commission accepts the consent order, the case will be closed and become public. If the Commission rejects the consent order or does not make a decision to accept or deny the consent order, the case will remain confidential, unless confidentiality has been waived.

If this is a hearing to consider a **consent order after a determination of probable cause has been made**, the Commission will decide whether to accept or reject the consent order. If the Commission accepts the consent order, the case will be closed. If the Commission rejects the consent order or does not make a decision to accept or deny the consent order, the Respondent will be entitled to another hearing to determine if the Respondent committed the violation(s) alleged.

If this is a **probable cause hearing**, the Commission will decide if there is probable cause to believe that the Respondent committed a violation of Florida's election laws. Respondent should be prepared to explain how the staff in its recommendation incorrectly applied the law to the facts of the case. *Respondent may not testify, call others to testify, or introduce any documentary or other evidence at the probable cause hearing.* The Commission will only decide whether Respondent should be *charged* with a violation and, before the Commission determines whether a violation has occurred or a fine should be imposed, Respondent will have an opportunity for another hearing at which evidence may be introduced.

If this is an **informal hearing**, it will be conducted pursuant Sections 120.569 and 120.57(2), Florida Statutes; Chapter 28 and Commission Rule 2B-1.004, Florida Administrative Code. At the hearing, the Commission will decide whether the Respondent committed the violation(s) charged in the Order of Probable Cause. The Respondent will be permitted to testify. However, the Respondent may not call witnesses to testify.

Respondent may argue why the established facts in the Staff Recommendation do not support the violations charged in the Order of Probable Cause. At Respondent's request, the Commission may determine whether Respondent's actions in the case were willful. The Respondent may also address the appropriateness of the recommended fine. If Respondent claims that his limited resources make him unable to pay the statutory fine, *he must provide the Commission with written proof of his financial resources* at the hearing. A financial affidavit form is available from the Commission Clerk.

Re: Judicial Candidate, Renee Gordon, Appeal of Fine

To whom it may concern.

I represent Renee Gordon, candidate for Circuit Judge in group 14 for the 11th Circuit.

By this letter, and pursuant to Rule 2B-1.005 of the Florida Administrative Code, we are officially appealing the fine (attached) imposed by the Department for her late filed campaign finance report. Ms. Gordon was under the expectation that the accountant she had hired to complete the task, her former deputy treasurer, had filed the report. When she found out that it had not been filed, she immediately rectified the situation and hired a new accountant to file the report. The new deputy treasurer, Jose Riesco, is now undergoing a complete evaluation of her previously filed reports to evaluate if any corrections need to be made to prior reports.

Rather than spending the Commission's resources with a hearing, we are requesting a reduction of the fine and a negotiated settlement reflecting Ms. Gordon's desire to take ownership of the matter with the reduction based on Ms. Gordon's detrimental reliance on the work of her previous deputy treasurer.

Please contact us at your earliest convenience so we may negotiate a settlement in this matter or decide to proceed to hearing is necessary.

Sincerely,

s./J.C. Planas
Juan-Carlos Planas, Esq.

Dear Ms. Gordon:

Our records indicate that you have not filed either your campaign treasurer's report or notification that no reportable activity occurred, whichever is applicable. The filing date was April 10, 2018.

The law (s. 106.07(8)(b), Fla. Stat.) requires the filing officer to immediately notify you about the missed filing date and the automatic fines that will be assessed for late filing of a report, if a report was due.

- If reportable activity occurred and you have not filed a report, statutory fines are automatically assessed as follows until you file your report:
 - \$50 per day for the first 3 days late
 - \$500 per day for each day after the 3rd day late
 - If the required report immediately precedes a primary and general election, the automatic fine is \$500 for each late day.

The total fine for the untimely report cannot exceed 25% of the total receipts or expenditures, whichever is greater, for the cover period. Even if you end up filing your report late, we cannot waive the statutory fines. We will notify you of the specific amount of fines owed once you file your report. You have 20 days from the day you receive the notice to pay the fine or to appeal the fine to the Florida Elections Commission.

- If no reportable activity occurred for the report date(s), you are still required to notify us in writing, via the Division's Electronic Filing System, that no reportable activity occurred. No automatic fines are statutorily assessed.

However, in all cases, failure to file and/or untimely filing of a report of reportable activity, or if applicable, a notice that no reportable activity occurred, may constitute an apparent violation of chapter 106, Fla. Stat. If we refer such matter to the Florida Elections Commission, the Commission may subsequently impose a civil penalty for each violation under chapter 106.265(1), Fla. Stat.

If you have any questions, please contact the help desk at (850) 245-6280.

Sincerely,

| RE: Call from Roderick Harvey firm | | | |
| Lady called upset because two audits letters had gone out, but had not been sent to Mr. Harvey. I explained that Mr. Harvey was on file as the Deputy Treasure and that only the primary treasurer would have been sent information regarding the campaign reports. I gave her the information on how to remove the current primary and make Mr. Harvey the primary treasurer. I then assisted her in amending the reports needing action. All of the audit errors were corrected. | | | |

| RE: 2017 M5 Part 2 | | | |
| Received a call back from Ms. Gordon. She asked how to put in her paypal expenditures. I explained if they were all on the same day they could be lumped together as one expenditure. She then asked what to do once she was done with the report. I gave her a quick overview of reviewing, checking and clearing errors, and filing. I also reminded her of the manual in the help button. I also gave her the helpdesk number since she got sent over by a BVRS. | | | |

| RE: Credential Request Form | | | |
| Ms. Gordon returned my call from yesterday. She had spoken to Erika, but needed her password reset again. This is the sixth time I've reset her password. I advised Ms. Gordon to put her credentials somewhere she had access and could find them, like her phone. I explained that her password has been reset every month. She said she is getting a treasurer and shouldn't have this problem in the future. I reset her password and PIN, gave her all. She repeated them back to me. | | | |

| RE: Credentials and filing 2016 M2 | | | |
| Candidate needed her password changed again because she left her credentials at home and didn't realize she had to file the report today. She said she's at work and can't use their computer. She tried to log in on her phone, but it kept giving her a message that the password is invalid. She read the password back to me and it was correct. I reset the password one more time and she tried to log into EFS again. She did get in and I assisted her in filing her M2. | | | |

| RE: Password | | | |
| Ms. Gordon called earlier today saying she was locked out of EFS. She used the new password to log into EFS on her phone. She said she changed her password, but the system would not let her log in with the new password. I explained that she may have compatibility issues on her phone; to try using her computer. She said she would call me back when she was at her computer. She did call back and said she could not log in. I reset the password again and stayed on the phone until she logged into EFS and filed a waiver for the 2017 M1 report. | | | |

| Received phone call from Ms. Gordon who said she needed help filing a waiver. She asked what email to send the notice of no report to, I explained she needed to file the waiver in the EFS system. I guided her to the EFS website, she said she would need to change her password because she just had it reset yesterday. After she completed the password reset, I assisted her in filing her waiver for the 2016 M12 report. | | | |

| RE: Credentials | | | |
| Received phone call from Ms. Gordon saying she just sent over a credential request form and was asking for her pin number because she had them in her phone but her phone broke. I checked her account and did not see a request scanned in yet. I checked with KRB she said one had come in but that it was in processing and to let her know someone would call her back. I let Ms. Gordon know the form was currently being processed and once it was placed with a reviewer she would be called at the number she provided on the form. She asked how long it would take because she put her cell phone number on the form and she would be visiting a jail later and they don't allow cell phones. I explained I could not give her a specific time frame. | | | |
