Florida Elections Commission

Please refer to the information below for further instructions related to your particular hearing:

If this is a hearing to consider **an appeal from an automatic fine**, the Filing Officer has imposed a fine on you for your failure to file a campaign treasurer's report on the designated due date and, by filing an appeal, you have asked the Commission to consider either (1) that the report was in fact timely filed; or (2) that there were unusual circumstances that excused the failure to file the report timely. You are required to prove your case. If the Commission finds that the report was filed timely or that there were unusual circumstances that excused the failure, it may waive the fine, in whole or in part. The Commission may reduce a fine after considering the factors in Section 106.265, Florida Statutes. If the Commission finds that the report was not timely filed and there were no unusual circumstances, the fine will be upheld.

If this is a hearing to consider a **consent order before a determination of probable cause has been made**, the Commission will decide whether to accept or reject the consent order. If the Commission accepts the consent order, the case will be closed and become public. If the Commission rejects the consent order or does not make a decision to accept or deny the consent order, the case will remain confidential, unless confidentiality has been waived.

If this is a hearing to consider a **consent order after a determination of probable cause has been made**, the Commission will decide whether to accept or reject the consent order. If the Commission accepts the consent order, the case will be closed. If the Commission rejects the consent order or does not make a decision to accept or deny the consent order, the Respondent will be entitled to another hearing to determine if the Respondent committed the violation(s) alleged.

If this is a **probable cause hearing**, the Commission will decide if there is probable cause to believe that the Respondent committed a violation of Florida's election laws. Respondent should be prepared to explain how the staff in its recommendation incorrectly applied the law to the facts of the case. *Respondent may not testify, call others to testify, or introduce any documentary or other evidence at the probable cause hearing.* The Commission will only decide whether Respondent should be *charged* with a violation and, before the Commission determines whether a violation has occurred or a fine should be imposed, Respondent will have an opportunity for another hearing at which evidence may be introduced.

If this is an **informal hearing**, it will be conducted pursuant Sections 120.569 and 120.57(2), Florida Statutes; Chapter 28 and Commission Rule 2B-1.004, Florida Administrative Code. At the hearing, the Commission will decide whether the Respondent committed the violation(s) charged in the Order of Probable Cause. The Respondent will be permitted to testify. However, the Respondent may not call witnesses to testify.

Respondent may argue why the established facts in the Staff Recommendation do not support the violations charged in the Order of Probable Cause. At Respondent's request, the Commission may determine whether Respondent's actions in the case were willful. The Respondent may also address the appropriateness of the recommended fine. If Respondent claims that his limited resources make him unable to pay the statutory fine, *he must provide the Commission with written proof of his financial resources* at the hearing. A financial affidavit form is available from the Commission Clerk.

Case No.: FEC 22-478

STAFF RECOMMENDATION FOLLOWING INVESTIGATION

Pursuant to Section 106.25(4)(c), Florida Statutes, undersigned staff counsel files this written recommendation for disposition of the referral in this case recommending that there is **probable cause** to charge Respondent with violating **Section 106.19(1)(c), Florida Statutes**, and that there is **no probable cause** to charge Respondent with violating **Section 106.07(7), Florida Statutes**. Based upon a thorough review of the Report of Investigation submitted on February 28, 2023, the following facts and law support this staff recommendation:

1. On November 8, 2022, the Florida Elections Commission (“Commission”) received a referral from the Department of State, Division of Elections (“Division” or “Complainant”), alleging that Peace River Valley Citrus Growers Association PAC (“Respondent”) violated Chapter 106, Florida Statutes.

2. Respondent is a political committee registered with the Division. (ROI Exhibit 1)¹

3. By letter dated December 21, 2022, the Executive Director notified Respondent that Commission staff would investigate the following statutory provisions:

Section 106.07(7), Florida Statutes: As alleged in the complaint, Respondent, a political committee registered with the Division of Elections, failed to notify the filing officer on the prescribed reporting date that no report would be filed on that date because it had not received funds, made contributions, or expended reportable funds during the 2022 G1A reporting period.

Section 106.19(1)(c), Florida Statutes: As alleged in the complaint, Respondent, a political committee registered with the Division of Elections, may have falsely reported or deliberately failed to include information required by Chapter 106, Florida Statutes, during the 2022 G1A reporting period.

4. By letter dated April 19, 2018, Kristi Reid Willis, Chief, Bureau of Election Records, sent Lynn Shelfer, Treasurer for Respondent, a letter acknowledging that the Division had received Respondent’s Appointment of Campaign Treasurer and Designation of Campaign Depository for Political Committees form. (ROI Exhibit 2)

¹ The Report of Investigation is referred to herein as “ROI.”

5. The acknowledgment letter provided Ms. Shelfer with a confidential pin number to grant access to the electronic filing system (“EFS”). The letter advised Respondent’s chairperson, Leonard Lempenau, and Ms. Shelfer that all of the Division’s publications and reporting forms were available on its website and directed the committee to print out the *Calendar of Reporting Dates* as well as other relevant documents. (ROI Exhibit 2)

6. Respondent’s 2022 G1A Report was due to be filed by September 9, 2022; however, Respondent failed to timely file the report or notify the filing officer that no report would be filed. *See* Compl. By letters dated September 12, 2022, and October 5, 2022, the Division notified Respondent that the committee’s 2022 G1A Report had not been received. The letters also notified Respondent that it was still required to notify the Division if the committee had no reportable financial activity. (ROI Exhibits 3 & 4) The October 5, 2022, letter was confirmed delivered. (ROI Exhibit 4, page 2)

7. A subpoena was issued to Respondent’s designated campaign depository to ascertain whether any financial activity occurred during the relevant reporting period, i.e., August 27, 2022 – September 2, 2022. (ROI Exhibit 4, page 1). Respondent’s bank records show reportable financial activity during the relevant reporting period. (ROI Exhibit 6)

8. Emma Keller, Acting Executive Director for Respondent, stated that the previous executive director, Kate Shaw, did not provide any information to the Division to update their records, nor did she provide passwords necessary to log into various websites. (ROI Exhibit 7, page 2) As to why the 2022 G1A Report was not filed, Ms. Keller stated that she does not know how to file or update records with the Division. (ROI Exhibit 7, pages 2-3)

9. Roy Petteway, Former President for Respondent, confirmed that the former executive director did not update records nor maintain reporting requirements with the Division. (ROI Exhibit 7, page 2)

10. As it appears that Respondent had financial activity during the relevant reporting period, Respondent deliberately failed to include information in its 2022 G1A Report in violation of Section 106.19(1)(c), Florida Statutes. Therefore, Respondent was not required to notify the filing officer that it would not be filing its report because Respondent had reportable financial activity.

11. “Probable Cause” is defined as reasonable grounds of suspicion supported by circumstances sufficiently strong to warrant a cautious person in the belief that the person has committed the offense charged. *Schmitt v. State*, 590 So. 2d 404, 409 (Fla. 1991). Probable cause exists where the facts and circumstances, of which an [investigator] has reasonably trustworthy information, are sufficient in themselves for a reasonable man to reach the conclusion that an offense has been committed. *Department of Highway Safety and Motor Vehicles v. Favino*, 667 So. 2d 305, 309 (Fla. 1st DCA 1995).

12. The facts set forth above show that Respondent is a political committee registered with the Division. Respondent failed to timely file its 2022 G1A Report or notify the filing officer that no report would be filed. As it appears that Respondent had financial activity during the

relevant reporting period, Respondent deliberately failed to include information in its 2022 G1A Report in violation of Section 106.19(1)(c), Florida Statutes. Therefore, Respondent was not required to notify the filing officer that it would not be filing its 2022 G1A Report because Respondent had reportable financial activity.

Based upon these facts and circumstances, I recommend that the Commission find **no probable cause** to charge Respondent with violating **Section 106.07(7), Florida Statutes**, and find **probable cause** to charge Respondent with violating the following:

Count 1:

On or about September 9, 2022, Peace River Valley Citrus Growers Association PAC violated Section 106.19(1)(c), Florida Statutes, when it deliberately failed to include information required by Chapter 106, Florida Statutes, on the committee's 2022 G1A Report.

Respectfully submitted on March 29, 2023.

Respondent: Peace River Valley Citrus Growers Association PAC

Respondent’s Atty: N/A

Division of Elections (Division)

Referral Filed: November 8, 2022

Respondent Type: Political Committee

I. Preliminary Information:

1. Respondent is a political committee registered with the Division.

2. An Appointment of Campaign Treasurer and Designation of Campaign Depository (DS-DE 6) was filed on September 4, 1998.¹ On April 17, 2018, a DS-DE 6 was filed appointing Lynn Shelfer as campaign treasurer. To review the DS-DE 6, refer to Exhibit 1.

4. An acknowledgement letter was mailed to the address provided on the DS-DE 6 on April 19, 2018, advising Respondent that all political committee filing reports with the Division are required to file by means of the Division’s electronic filing system (EFS). Respondent was provided with a user identification number and initial password allowing access to the EFS.

5. The acknowledgement letter also advised Respondent that all the Division’s publications and reporting forms are available on their website, including Chapter 106, Florida Statutes, the *Political Committee Handbook*, and the *Calendar of Reporting Dates*. The letter further advised that it was Respondent’s responsibility to read, understand, and follow the requirements of Florida’s election laws. To review the acknowledgement letter, refer to Exhibit 2.

6. The Division sent correspondence to the address provided on the DS-DE 6 notifying Respondent that the following campaign report, or the required notification that no reportable activity occurred, had not been filed: 2022 G1A. The letter included reference to the filing date for the report. To review the failure to file correspondence, refer to Exhibit 3.

7. On October 5, 2022, the Division sent a letter marked “Final Notice” with delivery confirmation to the address provided on the DS-DE 6 notifying Respondent that the following campaign report, or the required notification that no reportable activity occurred, had not been filed: 2022 G1A. The letter was confirmed delivered on October 11, 2022. To review the letter marked “Final Notice” and delivery confirmation, refer to Exhibit 4.

II. Alleged Violation of Sections 106.07(7), and 106.19(1)(c), Florida Statutes:

8. I investigated whether Respondent violated these sections of the election laws either by not notifying the filing officer, in writing, that no report would be filed due to not receiving any contributions or making expenditures during the following reporting period or by not filing a campaign report to reflect financial activity for the reporting period. To review the filing history, refer to Exhibit 5.

9. Respondent did not respond to the referral.

10. On February 8, 2023, I called Respondent for the purpose of providing an opportunity to discuss the allegations made in the referral. The phone line was disconnected. To review the phone log, refer to Exhibit 7.

11. On February 27, 2023, I called a number found to be associated with Respondent. I spoke to Emma Keller, the current Executive Director of Peace River Valley Citrus Growers Association. I asked if Lynn Shelfer, the current Treasurer of record, or any other officer of record on the Division’s website were available and was told that all officers of record are no longer with the PAC. Ms. Keller explained that the previous Executive Director, Kate Shaw, had not updated any information with the Division of Elections. Ms. Keller also stated that she was not provided login credentials, passwords, or access to the Division’s website when she became Executive Director in August 2022, and she did not know how to file or update records with the Division of Elections. She provided me with the number for Roy Petteway, the previous President of the Peace River Valley Citrus Growers Association. I called the number, and Mr. Petteway stated that Kate Shaw, who was Executive Director from approximately 2018 until early-to-mid 2022, was believed to have been reporting and updating records with the Division of Elections, but it was discovered that she had not. To review the phone log, refer to Exhibit 7.

Dear Mr. Lempenau:

Our records indicate that you have not filed either your campaign treasurer's report or notification that no reportable activity occurred, whichever is applicable. The filing date was September 9, 2022.

The law (s. 106.07(8)(b), Fla. Stat.) requires the filing officer to immediately notify you about the missed filing date and the automatic fines that will be assessed for late filing of a report, if a report was due.

- If reportable activity occurred and you have not filed a report, statutory fines are automatically assessed as follows until you file your report:
 - \$50 per day for the first 3 days late
 - \$500 per day for each day after the 3rd day late
 - If the required report immediately precedes a primary and general election, the automatic fine is \$500 for each late day.

The total fine for the untimely report cannot exceed 25% of the total receipts or expenditures, whichever is greater, for the cover period. Even if you end up filing your report late, we cannot waive the statutory fines. We will notify you of the specific amount of fines owed once you file your report. You have 20 days from the day you receive the notice to pay the fine or to appeal the fine to the Florida Elections Commission.

- If no reportable activity occurred for the report date(s), you are still required to notify us in writing, via the Division's Electronic Filing System, that no reportable activity occurred. No automatic fines are statutorily assessed.

However, in all cases, failure to file and/or untimely filing of a report of reportable activity, or if applicable, a notice that no reportable activity occurred, may constitute an apparent violation of chapter 106, Fla. Stat. If we refer such matter to the Florida Elections Commission, the Commission may subsequently impose a civil penalty for each violation under chapter 106.265(1), Fla. Stat.

Dear Mr. Lempenau:

A recent review of the Division's records show that the Division has not yet received the below-referenced campaign treasurer's report or the required notification that no reportable activity occurred, whichever is applicable, during the following cover period:

<u>Year</u>	<u>Report</u>	<u>Cover Period</u>
2022	G1A	8/27/22 - 9/2/22

The Division has previously notified you of the unfiled report or notification. Please file your report or notification. If the report is not filed within 7 days of receipt of this letter, the Division will refer this matter to the Florida Elections Commission, which may impose civil penalties of up to \$1000 per violation, apart from that automatic fine provisions of s. 106.07(8)(b), Fla. Stat.) that are applicable only to campaign finance reports.

As we stated in the prior notices, even if you now file the report or notification, the untimely filing of a report of reportable activity, or if applicable, a notice that no reportable activity occurred, may constitute an apparent violation of chapter 106, Fla. Stat. If we refer such matter to the Florida Elections Commission, the Commission may subsequently impose a civil penalty for each violation under chapter 106.265(1), Fla. Stat.

If you have any questions, please contact the help desk at (850) 245-6280.

Sincerely,

Donna S. Brown, Chief

RE: Case No.: FEC 22-478; Respondent: Peace River Valley Citrus Growers Association PAC

Dear Mr. Lempenau:

On November 8, 2022, the Florida Elections Commission received a complaint alleging that your committee violated Florida's election laws. I have reviewed the complaint and find that it contains one or more **legally sufficient allegations**. The Commission staff will investigate the following alleged violations:

Section 106.07(7), Florida Statutes: As alleged in the complaint, Respondent, a political committee registered with the Division of Elections, failed to notify the filing officer on the prescribed reporting date that no report would be filed on that date because it had not received funds, made contributions, or expended reportable funds during the 2022 G1A reporting period.

Section 106.19(1)(c), Florida Statutes: As alleged in the complaint, Respondent, a political committee registered with the Division of Elections, may have falsely reported or deliberately failed to include information required by Chapter 106, Florida Statutes, during the 2022 G1A reporting period.

When we conclude the investigation, a copy of the Report of Investigation (ROI) will be mailed to you at the above address. Based on the results of the investigation, a staff attorney will prepare and present a written Staff Recommendation (SR) to the Commission as to whether there is probable cause to charge, the Respondent, with violating Chapters 104 or 106, Florida Statutes. You will have an opportunity to respond to both the ROI and the SR. The Commission will then hold one or more hearings to determine whether the alleged violations occurred and, if so, the amount of the fine to be imposed upon your committee. Notice will be mailed to you and the Complainant at least 14 days before any hearing at which your case is to be considered.

Pursuant to Section 106.25(4)(i)3., Florida Statutes, the Commission may enter into a consent agreement with a Respondent to settle a complaint prior to a finding of probable cause. If you are

interested in entering negotiations directed towards reaching a consent agreement to resolve this matter, please contact the Commission and request to speak with the attorney assigned to this case.

Please note that all documents related to this matter will be mailed to the above address unless you notify us of a new address.

Pursuant to Section 106.25, Florida Statutes, complaints, investigations, investigative reports, and other documents relating to an alleged violation of Chapters 104 or 106, Florida Statutes, are confidential until the Commission finds probable cause or no probable cause, unless the Respondent files a written waiver of confidentiality with the Commission. The confidentiality provision does not apply to the Complainant or the Respondent.

Should you retain counsel, your attorney must file a notice of appearance with the Commission before any member of the commission staff can discuss this case with him or her.

For additional information, please refer to the "Frequently Asked Questions" section of the Commission's website.

If you have additional questions, please contact **Courtenay Harrold Sheppard**, the investigator assigned to this case, by phone at (850) 922-4539 or by email at Courtney.Harrold@myfloridalegal.com.

Dear Mr. Lempenau:

A recent review of the Division's records show that the Division has not yet received the below-referenced campaign treasurer's report or the required notification that no reportable activity occurred, whichever is applicable, during the following cover period:

<u>Year</u>	<u>Report</u>	<u>Cover Period</u>
2022	G1A	8/27/22 - 9/2/22

The Division has previously notified you of the unfiled report or notification. Please file your report or notification. If the report is not filed within 7 days of receipt of this letter, the Division will refer this matter to the Florida Elections Commission, which may impose civil penalties of up to \$1000 per violation, apart from that automatic fine provisions of s. 106.07(8)(b), Fla. Stat.) that are applicable only to campaign finance reports.

As we stated in the prior notices, even if you now file the report or notification, the untimely filing of a report of reportable activity, or if applicable, a notice that no reportable activity occurred, may constitute an apparent violation of chapter 106, Fla. Stat. If we refer such matter to the Florida Elections Commission, the Commission may subsequently impose a civil penalty for each violation under chapter 106.265(1), Fla. Stat.

If you have any questions, please contact the help desk at (850) 245-6280.

Sincerely,

Donna S. Brown, Chief
Bureau of Election Records
