Executive Director
Florida Elections Commission
February 2, 2021

Please refer to the information below for further instructions related to your particular hearing:

If this is a hearing to consider **an appeal from an automatic fine**, the Filing Officer has imposed a fine on you for your failure to file a campaign treasurer's report on the designated due date and, by filing an appeal, you have asked the Commission to consider either (1) that the report was in fact timely filed; or (2) that there were unusual circumstances that excused the failure to file the report timely. You are required to prove your case. If the Commission finds that the report was filed timely or that there were unusual circumstances that excused the failure, it may waive the fine, in whole or in part. The Commission may reduce a fine after considering the factors in Section 106.265, Florida Statutes. If the Commission finds that the report was not timely filed and there were no unusual circumstances, the fine will be upheld.

If this is a **probable cause hearing**, the Commission will decide if there is probable cause to believe that the Respondent committed a violation of Florida's election laws. Respondent should be prepared to explain how the staff in its recommendation incorrectly applied the law to the facts of the case. *Respondent may not testify, call others to testify, or introduce any documentary or other evidence at the probable cause hearing.* The Commission will only decide whether Respondent should be *charged* with a violation and, before the Commission determines whether a violation has occurred or a fine should be imposed, Respondent will have an opportunity for another hearing at which evidence may be introduced.

If this is an **informal hearing**, it will be conducted pursuant Sections 120.569 and 120.57(2), Florida Statutes; Chapter 28 and Commission Rule 2B-1.004, Florida Administrative Code. At the hearing, the Commission will decide whether the Respondent committed the violation(s) charged in the Order of Probable Cause. The Respondent will be permitted to testify. However, the Respondent may not call witnesses to testify.

Respondent may argue why the established facts in the Staff Recommendation do not support the violations charged in the Order of Probable Cause. At Respondent's request, the Commission may determine whether Respondent's actions in the case were willful. The Respondent may also address the appropriateness of the recommended fine. If Respondent claims that his limited resources make him unable to pay the statutory fine, *he must provide the Commission with written proof of his financial resources* at the hearing. A financial affidavit form is available from the Commission Clerk.

In Re: Florida Public Safety Association

Case No.: FEC 19-460

STAFF RECOMMENDATION FOLLOWING INVESTIGATION

Pursuant to Section 106.25(4)(c), Florida Statutes, undersigned staff counsel files this written recommendation for disposition of the referral in this case recommending that there is **probable cause** to charge Respondent with violating **Section 106.07(7), Florida Statutes**. Based upon a thorough review of the Report of Investigation submitted on May 1, 2020, the following facts and law support this staff recommendation:

1. On August 1, 2019, the Florida Elections Commission ("Commission") received a referral from the Department of State, Division of Elections ("Division"), alleging that Florida Public Safety Association ("Respondent") violated Chapter 106, Florida Statutes.

2. Respondent is a political committee registered with the Division. (ROI Exhibit 2)¹

3. By letter dated August 29, 2019, the Executive Director notified Respondent that Commission staff would investigate the following statutory provision:

Section 106.07(7), Florida Statutes: As alleged in the complaint, Respondent, a political committee registered with the Division of Elections, failed to notify the filing officer on the prescribed reporting date that no report would be filed on that date because it had not received funds, made contributions, or expended reportable funds during the following reporting periods:

- 2019 M2
- 2019 M3
- 2019 M4

4. By letter dated July 3, 2018, Kristi Reid Willis, Chief, Bureau of Election Records, sent Respondent a letter acknowledging that the Division had received its Statement of Organization and Appointment of Campaign Treasurer and Designation of Campaign Depository for Political Committees forms. (ROI Exhibit 3, page 1)

5. The acknowledgment letter advised Respondent that all of the Division's publications and reporting forms were available on its website and directed Respondent to print out the *Calendar of Reporting Dates* as well as other relevant documents. (ROI Exhibit 3, page 2)

¹ The Report of Investigation is referred to herein as "ROI."

6. Pursuant to Section 106.07(7), Florida Statutes, in any reporting period during which a political committee has not received funds, made any contributions, or expended any reportable funds, the filing of the required report for that period is waived. However, the political committee is required to notify the filing officer in writing on the prescribed reporting date that no report is being filed on that date.

7. The *Political Committee Handbook* references the statutory requirement regarding written notification and directs political committees to notify the Division by way of the Division's electronic filing system. (ROI Exhibit 4, page 2) The *Political Committee EFS User's Guide* shows the process through which to notify the Division. The user's guide instructs political committees to select the relevant reporting period and place a checkmark in a box titled "Waiver" to indicate the lack of reportable financial activity. (ROI Exhibit 5, pages 2 & 3)

8. Respondent failed to notify the filing officer on the prescribed reporting dates that no reports would be filed for the following reporting periods, as set forth in the table below. (ROI Exhibit 6, page 3)

Report	Report Cover Period	Date Notification Due	Date Notification Filed	No. of Days Late
2019 M2	02/01/19 – 02/28/19	03/11/19	03/20/19	9
2019 M3	03/01/19 – 03/31/19	04/10/19	04/16/19	6
2019 M4	04/01/19 – 04/30/19	05/10/19	05/16/19	6

9. Daniel Diaz, chairperson and treasurer for Respondent, stated that the committee did not have any financial activity during the relevant reporting periods. Mr. Diaz also stated that he has medical issues and that the committee has an accountant to file reports. (ROI Exhibit 7)

10. "Probable Cause" is defined as reasonable grounds of suspicion supported by circumstances sufficiently strong to warrant a cautious person in the belief that the person has committed the offense charged. *Schmitt v. State*, 590 So. 2d 404, 409 (Fla. 1991). Probable cause exists where the facts and circumstances, of which an [investigator] has reasonably trustworthy information, are sufficient in themselves for a reasonable man to reach the conclusion that an offense has been committed. *Department of Highway Safety and Motor Vehicles v. Favino*, 667 So. 2d 305, 309 (Fla. 1st DCA 1995).

11. The facts set forth above show that Respondent is a political committee registered with the Division. Respondent failed to notify the filing officer on the prescribed reporting dates that no reports would be filed for the following reporting periods: 2019 M2, 2019 M3, and 2019 M4.

Based upon these facts and circumstances, I recommend that the Commission find probable cause to charge Respondent with violating the following:

Count 1:

On or about March 11, 2019, Florida Public Safety Association violated Section 106.07(7), Florida Statutes, when it failed to notify the filing officer in writing on the prescribed reporting date that it would not be filing its 2019 M2 Report.

Count 2:

On or about April 10, 2019, Florida Public Safety Association violated Section 106.07(7), Florida Statutes, when it failed to notify the filing officer in writing on the prescribed reporting date that it would not be filing its 2019 M3 Report.

Count 3:

On or about May 10, 2019, Florida Public Safety Association violated Section 106.07(7), Florida Statutes, when it failed to notify the filing officer in writing on the prescribed reporting date that it would not be filing its 2019 M4 Report.

Respectfully submitted on July 22, 2020.

Stephanie J. Cunningham
Assistant General Counsel

Report of Investigation for Failure to Notify Filing Officer

Case Number: FEC 19-460

Section 106.07(7), Florida Statutes, failure of a candidate or political committee that did not receive any contributions or make any expenditures during a reporting period to timely notify the filing officer, in writing, that no report is being filed.

Respondent: Florida Public Safety Association

Respondent's Atty: N/A

Division of Elections (Division)

Referral Filed: August 1, 2019

Respondent Type: Political Committee

I. Preliminary Information:

1. Respondent is a political committee registered with the Division.

2. An appointment of Campaign Treasurer and Designation of Campaign Depository (DS-DE 6) was filed on July 2, 2018. Daniel Diaz was appointed as the political committee's treasurer.¹ To review the DS-DE 6, refer to Exhibit 1.

3. A Statement of Organization (DS-DE 5) for the political committee was filed with the Division on July 2, 2018. To review a copy of the Statement of Organization, refer to Exhibit 2.

4. An acknowledgement letter was mailed to the address provided on the DS-DE 6 on July 3, 2018 advising Respondent's chairman that all of the Division's publications and reporting forms are available on their website, including Chapter 106, Florida Statutes, the *Political Committee Handbook*, and the *Calendar of Reporting Dates*. The acknowledgement letter also states, "An online instruction guide is available to you on the EFS to assist with navigation, data entry, and submission of reports" and provides the telephone number for the Division's EFS Help Desk. To review the acknowledgement letter, refer to Exhibit 3.

5. The *Political Committee Handbook* discusses filing a waiver when there is no activity to disclose. To review the relevant page of the *Handbook*, refer to Exhibit 4.

6. The *Political Committee EFS User's Guide* discusses how to notify the Division on the prescribed reporting date that no report will be filed using the EFS. Specifically, the *Handbook* instructs the user to click the box next to "waiver" if there is no activity to disclose. To review the relevant pages from the *Political Committee EFS User's Guide*, refer to Exhibit 5.

II. Alleged Violation of Section 106.07(7), Florida Statutes:

7. I investigated whether Respondent violated this section of the election laws by not timely notifying the filing officer, in writing, that no reports would be filed due to not receiving any contributions or making expenditures during the following reporting periods. To review a copy of Respondent's filing history reflecting the untimely filed notifications summarized below, refer to Exhibit 6.

¹ Respondent filed a second DS-DE 9 on July 2, 2018, appointing Randy Goodwin as the political committee's deputy treasurer, refer to Exhibit 1.

Report	Report Cover Period	Date Notification Due	Date Notification Filed	No. of Days Late
2019 M2	2/1/19– 2/28/19	3/11/19	3/20/19	9
2019 M3	3/1/19– 3/31/19	4/10/19	4/16/19	6
2019 M4	4/1/19– 4/30/19	5/10/19	5/16/19	6

8. Respondent's chairperson did not respond to the referral.

9. Respondent's chairperson did not respond to a questionnaire-affidavit. Because the affidavit has not been returned, I am unable to ascertain whether he has read Chapter 106, Florida Statutes, and/or the *Political Committee Handbook*.

10. On October 28, 2019, I called Respondent's chairperson for the purpose of reviewing the referral with him. Mr. Diaz advised me that he has been dealing with medical issues for some time. He informed me that he does not regularly check his Google messages or mail due to his medical conditions. He stated that he had an accountant who filed his reports for him. He denied having any financial transactions to report during any of the reporting periods at issue. To review a copy of the phone log, refer to Exhibit 7.

III. FEC History:

11. Respondent has a prior history with the Florida Elections Commission. FEC 19-213, MVCO, Section 106.07(7), fined \$700.00, paid.

RE: Case No.: FEC 19-460; Respondent: Florida Public Safety Association

Dear Mr. Diaz:

On August 1, 2019, the Florida Elections Commission received a complaint alleging that your committee violated Florida's election laws. I have reviewed the complaint and find that it contains one or more legally sufficient allegations. The Commission staff will investigate the following alleged violation(s):

Section 106.07(7), Florida Statutes: As alleged in the complaint, Respondent, a political committee registered with the Division of Elections, failed to notify the filing officer on the prescribed reporting date that no report would be filed on that date because it had not received funds, made contributions, or expended reportable funds during the following reporting periods:

- 2019 M2
- 2019 M3
- 2019 M4

However, prior to an investigation, you have the option to **resolve your case now by** signing a minor violation consent order and **paying a fine of \$150**, per Rule 2B-1.003, Florida Administrative Code, **rather than the potential \$1,000 per violation** provided for in Section 106.265, Florida Statutes.

If you sign the consent order, **you would not be required to admit or deny the allegation(s) in the complaint**, but you would be required to immediately correct the violation, if feasible.

The signed consent order would then be considered by the Commission at its next available meeting, and would constitute final action by the Commission once it is accepted and approved by the Commission.

Please contact Stephanie Cunningham at 850-922-4539, or at the address listed above, to accept this minor violation consent order offer.

If you choose not to resolve the case by consent order, an investigation will be conducted, and then the Commission will hold one or more hearings to determine whether the alleged violation(s) occurred and, if so, the amount of the fine to be imposed upon your committee. Dear Mr. Diaz:

The notification that you had no reportable activity for the report deadline of March 11, 2019, was not filed until March 20, 2019. Although the notification is late, no automatic fine is assessed because you had no receipts or expenditures during this reporting period.

However, to avoid potential issues in the future, please note that state law (s. 106.07(7), Fla. Stat.) requires you to file by the dates set out also in law, either a campaign finance report or if applicable, a notification that no reportable activity occurred for the reporting period. Failure to do may constitute a violation of sections 106.07(1) and 106.19(1)(c), Fla. Stat. The Division is required to notify the Florida Elections Commission of any apparent violation of chapter 106, Fla. Stat., or any failure to file a report or information required by chapter 106, Fla. Stat. If a matter is referred to the Florida Elections Commission, the Commission may assess a civil penalty of up to \$1,000 per violation.

If you have any questions, please contact the help desk at (850) 245-6280.
