Failure to appear in accordance with this notice will constitute a waiver of your right to participate in the hearing. Continuances will be granted only upon a showing of good cause.

This hearing will be conducted pursuant to Section 106 25, Florida Statutes, which governs your participation as follows:

**If you are the Respondent**, you may attend the hearing, and you or your attorney will have *5 minutes* to present your case to the Commission. However, some cases (including those in which consent orders or recommendations for no probable cause are being considered) may be decided by an *en masse* vote and, unless you request to be heard or the Commission requests that your case be considered separately on the day of the hearing, your case will *not* be individually heard.

**If you are the Complainant**, you may attend the hearing, but you will *not* be permitted to address the Commission. In addition, some cases (including those in which consent orders or recommendations for no probable cause are being considered) may be decided by an *en masse* vote and, unless the Respondent requests to be heard or the Commission requests that the case be considered separately on the day of the hearing, the case will *not* be individually heard.

*Amy McKeever Toman*  
Executive Director  
Florida Elections Commission  
February 4, 2014

Please refer to the information below for further instructions related to your particular hearing:

If this is a hearing to consider **an appeal from an automatic fine**, the Filing Officer has imposed a fine on you for your failure to file a campaign treasurer's report on the designated due date and, by filing an appeal, you have asked the Commission to consider either (1) that the report was in fact timely filed; or (2) that there were unusual circumstances that excused the failure to file the report timely. You are required to prove your case. If the Commission finds that the report was filed timely or that there were unusual circumstances that excused the failure, it may waive the fine, in whole or in part. The Commission may reduce a fine after considering the factors in Section 106.265, Florida Statutes. If the Commission finds that the report was not timely filed and there were no unusual circumstances, the fine will be upheld.

If this is a hearing to consider a **consent order before a determination of probable cause has been made**, the Commission will decide whether to accept or reject the consent order. If the Commission accepts the consent order, the case will be closed and become public. If the Commission rejects the consent order or does not make a decision to accept or deny the consent order, the case will remain confidential, unless confidentiality has been waived.

If this is a hearing to consider a **consent order after a determination of probable cause has been made**, the Commission will decide whether to accept or reject the consent order. If the Commission accepts the consent order, the case will be closed. If the Commission rejects the consent order or does not make a decision to accept or deny the consent order, the Respondent will be entitled to another hearing to determine if the Respondent committed the violation(s) alleged.

If this is a **probable cause hearing**, the Commission will decide if there is probable cause to believe that the Respondent committed a violation of Florida's election laws. Respondent should be prepared to explain how the staff in its recommendation incorrectly applied the law to the facts of the case. *Respondent may not testify, call others to testify, or introduce any documentary or other evidence at the probable cause hearing.* The Commission will only decide whether Respondent should be *charged* with a violation and, before the Commission determines whether a violation has occurred or a fine should be imposed, Respondent will have an opportunity for another hearing at which evidence may be introduced.

If this is an **informal hearing**, it will be conducted pursuant Sections 120.569 and 120.57(2), Florida Statutes; Chapter 28 and Commission Rule 2B-1.004, Florida Administrative Code. At the hearing, the Commission will decide whether the Respondent committed the violation(s) charged in the Order of Probable Cause. The Respondent will be permitted to testify. However the Respondent may not call witnesses to testify.

Respondent may argue why the established facts in the Staff Recommendation do not support the violations charged in the Order of Probable Cause. At Respondent's request, the Commission may determine whether Respondent's actions in the case were willful. The Respondent may also address the appropriateness of the recommended fine. If Respondent claims that his limited resources make him unable to pay the statutory fine, *he must provide the Commission with written proof of his financial resources* at the hearing. A financial affidavit form is available from the Commission Clerk.

**SUMMARY:** Solar Power PAC was a committee of continuous existence (CCE) registered with the State of Florida. The CCE's chair was Chris Maingot and its treasurer was Dillon Daniels. The Division acknowledged receipt of the CCE's disbandment letter as of 9/11/13.

The CCE is appealing the fine claiming that management responsibilities for this CCE switched on 1/1/13 which resulted in errors accounting records. According to Wendy Parker Barsell, Deputy Treasurer, "Contributions to the Solar Power Pac are included on the dues invoice to each member. Dues invoices were prepared and input into the FLASEIA accounting system by the former management company in October of 2012 for the 2013 Calendar year. Upon investigation, it was found that most of the invoices to members for 2013 did not properly allocate the total amount of the invoice correctly between FLASEIA dues and contributions to the Solar Power PAC. Our accountant reviewed the accounting records and corrected the errors so that a proper and accurate 2013 Q1 report could be filed but it resulted in the report being filed three days past the April 10, 2013 due date. Our goal was to file the report as soon as we felt the contribution figures were accurate which is why the report was filed on the first Saturday after the due date which was not a normal work day."

- The 2013 Q1 Report covers the time period from 1/1/13 through 3/31/13
- The CCE reported receiving 73 contributions, while making 0 expenditures
- The CCE reported receiving its last contribution for this reporting period on 3/21/13
- The Queued Transactions Report for this CCE's 2013 Q1 Report shows that the report was created on 4/13/13 at approximately 9:09 am, before being filed on 4/13/13 at approximately 9:11 am

**PRIOR CASES:** This CCE has no prior cases with the Commission

Re: Notice of Appeal  
Solar Power Pac (37235)

RECEIVED  
2013 MAY -6 A 10:  
STATE OF FLORIDA  
ELECTIONS COMMISSION

To whom it may concern:

I have attached your notice dated April 15, 2013 regarding a fine in the amount of \$150 00 for the late filing of the 2013 Q1 campaign treasurer's report for the Solar Power PAC which was filed on April 13, 2013. The proper address and telephone number for the Solar Power PAC is as follows:

Address: 2555 Porter Lake Drive, Suite 106 Sarasota, FL 34240 Telephone number: 800-426-5899

I am appealing this fine pursuant to Rule 2B-1.005 under the Florida Administrative Code. There was an unusual circumstance which caused a delay in filing a proper and correct report by the due date. Management responsibilities for the Florida Solar Energy Industries Association, Inc. (FLASEIA) and its related Committee of Continuous Existence, the Solar Power PAC were assumed by the Florida Swimming Pool Association (FSPA) on January 1, 2013. The FSPA received FLASEIA's accounting and other records in January, 2013. There was no reason to believe the accounting records contained any errors and the FSPA certainly was not alerted to any errors by the previous management company. During the process of completing the 2013 Q1 report, our accountant discovered an error which resulted in the late filing of the report. The nature of the error is explained below.

Contributions to the Solar Power Pac are included on the dues invoice to each member of FLASEIA. Dues invoices were prepared and input into the FLASEIA accounting system by the former management company in October of 2012 for the 2013 Calendar year. Dues and contributions to the Solar Power Pac were recognized by all FLASEIA members who had paid their invoice by March 31, 2013. When our accountant ran the first quarter reports in order to complete the 2013 Q1 report, he noticed that the amount of contributions to the Solar Power PAC were much lower than the 2012 amount which seemed to indicate an error as the number of members did not change significantly from year to year. Upon investigation, it was found that most of the invoices to members for 2013 did not properly allocate the total amount of the invoice correctly between FLASEIA dues and contributions to the Solar Power PAC. Our accountant reviewed the accounting records and corrected the errors so that a proper and accurate 2013 Q1 report could be filed but it resulted in the report being filed three days past the April 10, 2013 due date. Our goal was to file the report as soon as we felt the contribution figures were accurate which is why the report was filed on the first Saturday after the due date which was not a normal work day.

It is my hope that you remove the penalty based on the unusual situation as described above. Please don't hesitate to contact me if you require any additional information.

Sincerely,

  
Wendy Parke Barsell, Deputy Treasurer

**DATE:** May 2, 2013

**SUBJECT:** Chapter 2013-37, Laws of Florida

---

We are notifying you that a law recently enacted by the 2013 Florida Legislature affects your committee of continuous existence. Enclosed are the relevant provisions from Chapter 2013-37, Laws of Florida, which are applicable to your committee. These provisions became effective on May 1, 2013.

Effective August 1, 2013, your committee of continuous existence may no longer accept any contribution as defined in section 106.011, Florida Statutes. Any failure by your committee to comply with this prohibition on accepting contributions constitutes a violation of chapter 106. However, please note the law further provides that notwithstanding any other provision of law, your committee now may make unlimited contributions to a political committee.

Also, the new law automatically revokes the certification of your committee of continuous existence on September 30, 2013. At that time your committee's account must have a zero balance. Re: CCE 37235

Dear Mr Daniels:

Your campaign treasurer's report, which was due April 10, 2013, has not been received.

Section 106.04(9)(b), Florida Statutes, requires that the filing officer immediately notify you of the failure to file this report and that a fine will be assessed of \$50 per day for the first 3 days a report is late and, thereafter \$500 per day, although a fine cannot exceed 25% of the total receipts or expenditures, whichever is greater, for the period covered by the late report

Once your report is filed, this office will notify you of the specific amount of your fine. Fines must be paid to the filing officer within 20 days of receipt of the payment due notice

Please be advised, however, that failure to file a campaign treasurer's report may constitute a violation of Chapter 106, Florida Statutes, independent of the automatic fine violation referenced above. Therefore, if you fail to file a report, the division will turn the matter over to the Florida Elections Commission.

Section 106.265(1), Florida Statutes, authorizes the Florida Elections Commission to impose a civil penalty up to \$1,000 per count for each willful violation of Chapter 106.
