If you are the Respondent, you may attend the hearing, and you or your attorney will have *5 minutes* to present your case to the Commission. Executive Director
Florida Elections Commission
August 1, 2023

Please refer to the information below for further instructions related to your particular hearing:

If this is a hearing to consider **an appeal from an automatic fine**, the Filing Officer has imposed a fine on you for your failure to file a campaign treasurer's report on the designated due date and, by filing an appeal, you have asked the Commission to consider either (1) that the report was in fact timely filed; or (2) that there were unusual circumstances that excused the failure to file the report timely. You are required to prove your case. If the Commission finds that the report was filed timely or that there were unusual circumstances that excused the failure, it may waive the fine, in whole or in part. The Commission may reduce a fine after considering the factors in Section 106.265, Florida Statutes. If the Commission finds that the report was not timely filed and there were no unusual circumstances, the fine will be upheld.

If this is a hearing to consider a **consent order before a determination of probable cause has been made**, the Commission will decide whether to accept or reject the consent order. If the Commission accepts the consent order, the case will be closed and become public. If the Commission rejects the consent order or does not make a decision to accept or deny the consent order, the case will remain confidential, unless confidentiality has been waived.

If this is a hearing to consider a **consent order after a determination of probable cause has been made**, the Commission will decide whether to accept or reject the consent order. If the Commission accepts the consent order, the case will be closed. If the Commission rejects the consent order or does not make a decision to accept or deny the consent order, the Respondent will be entitled to another hearing to determine if the Respondent committed the violation(s) alleged.

If this is a **probable cause hearing**, the Commission will decide if there is probable cause to believe that the Respondent committed a violation of Florida's election laws. Respondent should be prepared to explain how the staff in its recommendation incorrectly applied the law to the facts of the case. *Respondent may not testify, call others to testify, or introduce any documentary or other evidence at the probable cause hearing.* The Commission will only decide whether Respondent should be *charged* with a violation and, before the Commission determines whether a violation has occurred or a fine should be imposed, Respondent will have an opportunity for another hearing at which evidence may be introduced.

If this is an **informal hearing**, it will be conducted pursuant Sections 120.569 and 120.57(2), Florida Statutes; Chapter 28 and Commission Rule 2B-1.004, Florida Administrative Code. At the hearing, the Commission will decide whether the Respondent committed the violation(s) charged in the Order of Probable Cause. The Respondent will be permitted to testify. However, the Respondent may not call witnesses to testify.

Respondent may argue why the established facts in the Staff Recommendation do not support the violations charged in the Order of Probable Cause. At Respondent's request, the Commission may determine whether Respondent's actions in the case were willful. The Respondent may also address the appropriateness of the recommended fine. If Respondent claims that his limited resources make him unable to pay the statutory fine, *he must provide the Commission with written proof of his financial resources* at the hearing. A financial affidavit form is available from the Commission Clerk.

SUMMARY: Next Generation Leaders is a political committee (PC) registered with the State of Florida. The PC's chair and treasurer is Christine Fraga.

The PC is appealing the fine claiming they "had a transition in secretarial positions within the organization." According to Ms. Fraga, the reports were due during a holiday weekend. As a result, their offices were closed in observance of Labor Day on September 5th. Ms. Fraga states that these facts and the addition of a new staff member caused the late submission of the report.

- The 2022 G1 Original Report covers the period from 08/20/22-08/26/22; it was due on 09/02/22.
- The 2022 G1 Queued Transaction Report shows that it was created and filed on 09/06/22.
- Next Generation Leaders reported receiving 1 contribution while making 5 expenditures.
- The Division of Elections does not have any notes that pertain to Next Generation Leaders' 2022 G1 report.

RE: PAC 61478, Late Filing Reports Appeal: September 2, 2022 and October 7, 2022 and

To whom it may concern,

I understand that timely submission of appeals is essential, and I regret any inconvenience that this delay may have caused.

I am writing to request an extension to submit an appeal for the noticed we received on January 27th which disclosed the missed deadlines for the months of September and October. Unfortunately, I was unable to submit my appeal since we just received these notices as they were sent out to an office in which we no longer reside in due to a change in address. Regarding the untimely report filings, during this time we had a transition in secretarial positions within the organization. Both late reports were on Holiday weekends, September 9th Labor Day and October 10th Columbus Day, our offices were closed in observation of the holiday. This coupled with a new staff member in charge of reporting resulted in a late submission unknowingly. We kindly request that these unaccepted and non-occurring situations be considered during the appeal process.

I understand that the final decision regarding this request rests solely with your office and I would like to reassure you that we have now established a system to track the timely submission of reports. Thank you in advance for your consideration. Please let me know if any additional information is required on my behalf.

Sincerely,

<p>Re 2021 M5 and M6 sitting in pending not filed, called and left a detailed VM for Chair advising the reports aren't filed, T withdrew 6/7/21, an until you have a T you will not be able to file reports. Advised original DS-DE 6 was needed to establish a new T, and only then would you be able to file the outstanding reports. Called withdrawn T Torgas as well, explained the situation to him, asked him to do what he could to explain the above to chair, and that the two reports have not been filed.</p> <p>Mr. Torgas called back and gave me two additional numbers for chair - Cell for Chair - 786-246-2750. Called and left another detailed message describing above on Chair's (by name) VM.</p> <p>The other number Mr. Torgas gave for Chair is 786-235-8505. He also provide the Chair's email address we already have.</p> <p>I called C again 7/12/21, reached C Fraga at 786-246-2750. She said she had spoken to someone at DOE at some point in the recent past and was not advised a T was needed to file the reports. She also stated we had bad addresses for her in the past and I advised how to update that in EFS, something she thought she had already done and the reason her address was currently accurate. I pointed her to where to find the 6, advised it needed to be originally received and that she could appoint herself as T in the interim, at that the M5 and M6 reports were not filed, they were sitting in pending. She said she would file an original 6, got our address, and asked how to appoint a different chair. I advised change of chair notification needed to be signed by an officer but didn't need to be originally received.</p>

Received phone call from Adriana who was working on the G6 report it had sequence 3 listed twice for the same issue. I looked at the report in EFS and saw that seq #4 needed to have a more specific occupation so I explained it was likely a misclick and was meant to be number 3 and 4. I had her update both.

Dear Ms. Fraga:

This will acknowledge receipt of the Statement of Organization and Appointment of Campaign Treasurer and Designation of Campaign Depository for **Next Generation Leaders**, which were placed on file in our office on February 27, 2014. This information appears to comply with the requirements of Section 106.03, Florida Statutes, and the name of this organization has been placed on our active committee list as a political committee.

Campaign Treasurer's Reports

Your first campaign treasurer's report will be due on **March 10, 2014**. The report will cover the period of February 1-28, 2014 (M2). All political committees that file reports with the Division of Elections are required to file by means of the Division's Electronic Filing System (EFS).

Credentials and Sign-ons

Below is the web address to access the EFS and the committee's user identification number. The enclosed sealed envelope contains the committee's initial password. Once you have logged in using the initial password, you will be immediately prompted to change it to a confidential sign-on. The chairperson, campaign treasurer, and deputy treasurers are responsible for protecting this password from disclosure and are responsible for all filings using these credentials, unless the Division is notified that your credentials have been compromised.

Pin Numbers

Pin numbers are confidential secure credentials that allow you to submit reports and update information. The enclosed sealed envelope provides a confidential pin number for the chairperson. By copy of this letter, a confidential pin number to access the EFS was sent to the treasurer.

Each political committee chairperson is required to provide the Division of Elections with confidential personal information that may be used to allow access in the event that the password is forgotten or lost. When you enter the campaign account screen, there will be a drop down box where you pick a question (such as *What is your mother's maiden name?*) and supply an answer. All passwords and answers to questions are stored as encrypted data and cannot be viewed by Division staff and given out over the phone. Please notify the Division if your credentials have been compromised.

Timely Filing

All reports must be completed and filed through the EFS no later than midnight, Eastern Standard Time, of the due date. Reports not filed by midnight of the due date are late filed and subject to the penalties in Section 106.07(8), Florida Statutes. In the event that the EFS is inoperable on the due date, the report will be accepted as timely filed if filed no later than midnight, Eastern Standard Time, of the first business day the EFS becomes operable. No fine will be levied during the period the EFS was inoperable.

Any political committee failing to file a report on the designated due date is subject to a fine of \$50 per day for the first 3 days and, thereafter, \$500 per day for each day, not to exceed 25% of the total receipts or expenditures, whichever is greater, for the period covered by the late report. However, for the reports immediately preceding each primary and general election, the fine shall be \$500 per day, not to exceed 25% of the total receipts or expenditures, whichever is greater, for the period covered by the late report.

Electronic Receipts

The person submitting the report on the EFS will be issued an electronic receipt indicating and verifying the report was filed. Each campaign treasurer's report filed by means of the EFS is considered to be under oath by the chairperson and campaign treasurer and such persons are subject to the provisions of Section 106.07(5), Florida Statutes.
