**NOTICE OF HEARING (AUTOMATIC FINE)**

A hearing will be held in this case before the Florida Elections Commission on, **November 28, 2017 at 8:30 am, or as soon thereafter as the parties can be heard**, at the following location: **412 Knott Building, Pat Thomas Committee Room, 404 South Monroe Street, Tallahassee, Florida 32399.**

Failure to appear in accordance with this notice will constitute a waiver of your right to participate in the hearing. Continuances will be granted only upon a showing of good cause.

This hearing will be conducted pursuant to Section 106.25, Florida Statutes, which governs your participation as follows:

**If you are the Respondent**, you may attend the hearing, and you or your attorney will have *5 minutes* to present your case to the Commission. However, some cases (including those in which consent orders or recommendations for no probable cause are being considered) may be decided by an *en masse* vote and, unless you request to be heard or the Commission requests that your case be considered separately on the day of the hearing, your case will *not* be individually heard.

**If you are the Complainant**, you may attend the hearing, but you will *not* be permitted to address the Commission. In addition, some cases (including those in which consent orders or recommendations for no probable cause are being considered) may be decided by an *en masse* vote and, unless the Respondent requests to be heard or the Commission requests that the case be considered separately on the day of the hearing, the case will *not* be individually heard.

**If you are an Appellant**, and you have requested a hearing, you may attend the hearing, and you or your attorney will have *5 minutes* to present your case to the Commission.

Please be advised that both confidential and public cases are scheduled to be heard by the Florida Elections Commission on this date. As an Appellant, Respondent or Complainant in one case, you will *not* be permitted to attend the hearings on other confidential cases.

The Commission will electronically record the meeting. Although the Commission's recording is considered the official record of the hearing, the Respondent may provide, at his own expense, a certified court reporter to also record the hearing.

If you require an accommodation due to a disability, contact Donna Ann Malphurs at (850) 922-4539 or by mail at 107 West Gaines Street, The Collins Building, Suite 224, Tallahassee, Florida 32399, at least 5 days before the hearing.

**See further instructions on the reverse side.**

**Amy McKeever Toman**  
Executive Director  
Florida Elections Commission  
November 13, 2017

Please refer to the information below for further instructions related to your particular hearing:

If this is a hearing to consider **an appeal from an automatic fine**, the Filing Officer has imposed a fine on you for your failure to file a campaign treasurer's report on the designated due date and, by filing an appeal, you have asked the Commission to consider either (1) that the report was in fact timely filed; or (2) that there were unusual circumstances that excused the failure to file the report timely. You are required to prove your case. If the Commission finds that the report was filed timely or that there were unusual circumstances that excused the failure, it may waive the fine, in whole or in part. The Commission may reduce a fine after considering the factors in Section 106.265, Florida Statutes. If the Commission finds that the report was not timely filed and there were no unusual circumstances, the fine will be upheld.

If this is a hearing to consider a **consent order before a determination of probable cause has been made**, the Commission will decide whether to accept or reject the consent order. If the Commission accepts the consent order, the case will be closed and become public. If the Commission rejects the consent order or does not make a decision to accept or deny the consent order, the case will remain confidential, unless confidentiality has been waived.

If this is a hearing to consider a **consent order after a determination of probable cause has been made**, the Commission will decide whether to accept or reject the consent order. If the Commission accepts the consent order, the case will be closed. If the Commission rejects the consent order or does not make a decision to accept or deny the consent order, the Respondent will be entitled to another hearing to determine if the Respondent committed the violation(s) alleged.

If this is a **probable cause hearing**, the Commission will decide if there is probable cause to believe that the Respondent committed a violation of Florida's election laws. Respondent should be prepared to explain how the staff in its recommendation incorrectly applied the law to the facts of the case. *Respondent may not testify, call others to testify, or introduce any documentary or other evidence at the probable cause hearing.* The Commission will only decide whether Respondent should be *charged* with a violation and, before the Commission determines whether a violation has occurred or a fine should be imposed, Respondent will have an opportunity for another hearing at which evidence may be introduced.

If this is an **informal hearing**, it will be conducted pursuant Sections 120.569 and 120.57(2), Florida Statutes; Chapter 28 and Commission Rule 2B-1.004, Florida Administrative Code. At the hearing, the Commission will decide whether the Respondent committed the violation(s) charged in the Order of Probable Cause. The Respondent will be permitted to testify. However, the Respondent may not call witnesses to testify.

Respondent may argue why the established facts in the Staff Recommendation do not support the violations charged in the Order of Probable Cause. At Respondent's request, the Commission may determine whether Respondent's actions in the case were willful. The Respondent may also address the appropriateness of the recommended fine. If Respondent claims that his limited resources make him unable to pay the statutory fine, *he must provide the Commission with written proof of his financial resources* at the hearing. A financial affidavit form is available from the Commission Clerk.

**SUMMARY:** Responsible Government Committee of Gulf Power Company Employees is a political committee (PC) registered with the State of Florida. The PC's chair is Richard Brock and its treasurer is Chris Stadler.

The PC is appealing the fine. Respondent's chairman acknowledged that they "failed to submit" the 2017 SP2 report, categorizing it as an "oversight" due to the fact they did not realize it was a required additional reporting. According to Mr. Brock, they initially reported an expenditure during the 2017 M6 reporting period, which covered the reporting period of 06/01 – 06/30/17. Mr. Brock added that since being notified by the Division of Elections about the SP2 report not being filed, they have filed the SP2 report to disclose the expenditure and have amended the 2017 M6 report, which initially included the expenditure.

- The 2017 SP2 report covers the time period of 06/09 – 07/20/17.
- The 2017 SP2 Queued-Transactions Report reflects that this report was created on 08/04/17 at 3:39 p.m. before being filed on 08/04/17 at 3:44 p.m.
- On August 30, 2017, I spoke with Mr. Brock about the appeal of the fine relative to the 2017 SP2 report. He reiterated that the expenditure was initially reported but reported in the wrong reporting period, the M6 report rather than the SP2 report.

**PRIOR CASES:** No prior cases<sup>2</sup>.

<sup>1</sup> An expenditure of \$1,000 was initially reported in the 2017 M6 report. However, when Respondent filed its 2017 SP2 report on 08/04/17, they reported the \$1,000 expenditure and amended the 2017 M6 report.

<sup>2</sup> A previous automatic-fine case, FEC 05-193, was against Responsible Government Committee of Gulf Employees, a CCE, which has since been revoked.

To whom it may concern:

I would like to take this opportunity to respond to your letter addressed to the Responsible Government Committee of Gulf Power Company Employees (PAC 60461) dated August 10, 2017. As noted in your communication, we failed to submit the Special Election Report filing associated with the Senate 40 election. This was an oversight due to the fact we did not realize it was a required additional reporting. Our PAC fully reported and disclosed this activity in the June 2017 M6 filing (applicable parts attached herein). There was one \$1,000 expenditure during the June 9, 2017 through July 20, 2017 period applicable to the SP2 filing for this special election. We disclosed it fully in advance of the election and therefore, respectfully submit that we should not be subject to any penalty or fine. We simply did not recognize the need for a separate disclosure. There was no additional activity associated with this election.

We have fully resolved the issue with our reporting. On August 4, 2017, the day we were notified by the Division of Elections that we had failed to report, we contacted the help line for assistance. Erica Brown walked us through the process of completing the required SP2 filing. In addition, she helped us file an amended M6 report. We want to thank Ms. Brown for her professionalism and help in resolving this reporting issue. She was very knowledgeable, friendly, and helpful.

Again, we respectfully request that no fines or penalties be charged to the PAC. We appreciate your consideration.

Respectfully,

Richard E. Brock, Chairman  
Responsible Government Committee of Gulf Power Company Employees (PAC 60461)

Dear Mr. Stadler:

Chris Stadler, Treasurer  
Responsible Government Committee of Gulf Power Company Employees

PAC 60461

Dear Mr. Stadler:

Our records indicate that you have not filed either your campaign treasurer's report or notification that no reportable activity occurred, whichever is applicable. The filing date was July 21, 2017.

The law (s. 106.07(8)(b), Fla. Stat.) requires the filing officer to immediately notify you about the missed filing date and the automatic fines that will be assessed for late filing of a report, if a report was due.

- If reportable activity occurred and you have not filed a report, statutory fines are automatically assessed as follows until you file your report:
  - \$50 per day for the first 3 days late
  - \$500 per day for each day after the 3rd day late
  - If the required report immediately precedes a primary and general election, the automatic fine is \$500 for each late day.

The total fine for the untimely report cannot exceed 25% of the total receipts or expenditures, whichever is greater, for the cover period. Even if you end up filing your report late, we cannot waive the statutory fines. We will notify you of the specific amount of fines owed once you file your report. You have 20 days from the day you receive the notice to pay the fine or to appeal the fine to the Florida Elections Commission.

- If no reportable activity occurred for the report date(s), you are still required to notify us in writing, via the Division's Electronic Filing System, that no reportable activity occurred. No automatic fines are statutorily assessed.

However, in all cases, failure to file and/or untimely filing of a report of reportable activity, or if applicable, a notice that no reportable activity occurred, may constitute an apparent violation of chapter 106, Fla. Stat. If we refer such matter to the Florida Elections Commission, the Commission may subsequently impose a civil penalty for each violation under chapter 106.265(1), Fla. Stat.

If you have any questions, please contact the help desk at (850) 245-6280.

Sincerely,

Kristi Reid Willis, Chief

<p>Re: Fine appeal letter The treasurer, Chris Stadler, sent a fine appeal letter dated and received August 7. This fine concerned the late filing of a special election report. The pac had filed the information on the 2017 M6 rather than the SP2 report. Errors have been corrected. However, Ms. Willis asked me to call and tell them that the pac would need to make their appeal to the FEC. I called the treasurer but only got his voice mail. I left a message summarizing the above. I told him that he would need to make his appeal to the FEC and I gave him their phone number, twice. Ejr</p>

<p>Re: Expenditures to US Congress Candidates pt. 2 Ms. Harlow called again and told me she had not heard back from General Council. She was unsure of how to file the 2015 M6. I asked her if the checks had already been sent to these two congress people. She said she had. I told her to just file it as it is with errors and, hopefully, she will hear from GC and she might be able to amend the report before filing deadline. If not, she will get an audit letter and we'll have recommendations on how she is to proceed from there. Ejr</p>

<p>Re: Question about Expenditures to FL US Candidates Saraha Harlow called and asked about how to indicate the office for "Jeff Miller" and "Gwen Graham" on the PAC's 2015 M6 report. There was no option given to her on EFS for "President", "United States Senator", or "United States Representative". I spoke to Ms. Bronson and was told that the EFS system won't allow that action. I was told to refer Ms. Harlow to General Council. Ejr</p>
